It is understood and the Contractor acknowledges that the Schedule of Values is included as an administrative tool for the purpose of illustrating a format and minimum level of detail required, and shall not be considered as delineating the Contractor's scope of Work. The Owner may require the Contractor to revise its Schedule of Values. Further, the Owner reserves the right to accept only those cost distributions which, in the Owner's opinion, are reasonable, equitably balanced and correspond to the estimated quantities in the Contract Documents.

The Contractor, at its own expense, shall take all actions necessary to fully comply with the requirements of the New York State Minority and Women-Owned Business Enterprise (M/WBE) Monitoring and Compliance System, which is being maintained and managed by B2Gnow and administered by the New York State Department of Labor and other New York State entities, including the Owner ("B2G Compliance System"). GENERAL CONDITIONS for CONSTRUCTION

Subcontractor payments and compliance with Contract requirements, including but not limited to Contract requirements for participation of Minority and Women Owned Business Enterprises in the performance of the Contract.

- B. The Owner shall not approve any billing request until (i) the Contractor is in full compliance with the B2G Compliance System; and (ii) the Owner approves the Schedule of Values.
- C. The Owner may make a partial payment to the Contractor on the basis of an approved Contractor's pencil copy (*a form provided by the Owner which establishes a billing request from the Contractor and when approved by the Owner, formulates the Application for Payment*) billing request of the Work performed during each preceding business month. The Owner shall retain five percent (5%) of the amount of each said billing request.
- D. Any partial payment made shall not be construed as a waiver of the right of the Owner to require the fulfillment of all the terms of the Contract.
- E. In preparing the Contractor's pencil copy billing request, material delivered to the Site and properly stored and secured at the Site and material approved to be stored off-site under such conditions as the Owner shall prescribe, may be taken into consideration. All costs related to the storage of materials are the sole responsibility of the Contractor.
- F. The Owner will provide an agreement for materials stored off-site and specific forms that the Contractor must complete and submit with any billing request for such material. Required information includes, but is not limited to: a general description of the material; a detailed list of the materials; a pre-approved storage area; segregation and identification of the material; insurance covering full value against all risks of loss or damage, with non-cancellation provision; immediate replacement agreement in event of loss or damage; agreement to pay the expense of all inspections of the material; ownership provisions; delivery guarantee; project completion statement; bill of sale, releases, and inventory.

The Owner shall review that estimate and make the final determination.

- C. As the remaining items of Work are completed and accepted by the Owner, the Owner shall pay the appropriate amount pursuant to the duly completed and submitted monthly billing request.
- D. The list of remaining Work items may be expanded to include additional items of corrective or completion Work until final Contract Closeout by the Owner. Appropriate payments may be withheld to cover the value of these items pursuant to this Section.
- E. The Contractor may request from the Owner a reduction of retainage upon Substantial Completion of the Work or when a phase of the Work is accepted by the Owner.
- F. The acceptance by the Contractor of the first payment of reduction of retainage shall be and shall operate as a release to the Owner of all Claims by and all liability to the Contractor for all items in connection with the Work and for every act and neglect of the Owner and others relating to or arising out of the Work. This provision may be waived only by the Owner's Office of Counsel. No payment, final or otherwise, shall operate to release the Contractor or the Contractor's sureties from any obligations under this Contract or the performance or payment bonds.

Section 8.03 - Release and Consent of Surety

Notwithstanding any other provision of the Contract Documents to the contrary, reduction of retainage and/or the final Application for Payment pursuant to Section 17.02 shall not become due until the Contractor submits to the Owner a General Release and Consent of Surety to said payment and completes all Work and provides all documents as evidenced by the executed Notice of Substantial Completion as required by the Contract in form and content acceptable to the Owner. No payment, final or otherwise, shall operate to release the Contractor or the Contractor's sureties from any obligations under this Contract or the performance or payment bonds.

Section 8.04 - Liens

Section 8.05 - Withholding of Payments

- A. The Owner may withhold from the Contractor any part of any payment as may, in the judgment of the Owner, be necessary:
 - 1. To assure payment of just claims of any entity supplying labor, materials or equipment for the Work.
 - 2. To protect the Owner from loss due to defective Work not remedied.
 - 3. To protect the Owner, Client, or Consultant from loss due to failure to defend, loss due to injury to persons or damage to the Work or property of other contractors, subcontractors or others caused by the act or neglect of the Contractor or Subcontractors.
 - 4. To assure payment of fines and penalties, that may be imposed on the Contractor pursuant to the provisions of the contract.
 - 5. To assure payment of fines and penalties that may be imposed on the Contractor pursuant to Article 20 - Opportunity Programs. The estimated amount of said fines and penalties shall be the difference between the planned dollar amount of M/WBE sub-contract awards and the actual dollar amount of such awards.

GENERAL CONDITIONS for CONSTRUCTION

6. To protect and make whole the Owner from a contractor's non-compliance to the requirements set forth in Article 15 – Insurance and Bonds.
 7. Damage claimed to have been caused directly or indirectly by the failure of the Contractor to perform the Work of the Contract in strict accordance with the Contract Documents.
- B. The Owner shall have the right to apply any such amounts so withheld in such a manner as the Owner may deem proper to satisfy said claims, fines and penalties, or to secure said protection. Said application of the money shall be deemed payments for the account of the Contractor.

Section 8.06 - Late Payment

Timeliness of payment and any interest to be paid to the Contractor for late payment shall be governed by Section 2880 of the Public Authorities Law, to the extent required by law.

Section 8.07 - Owner Liability

- A. The provisions of Article 8 are solely for the benefit of the Owner, and any action or non-action here under by the Owner shall not give rise to any liability on the part of the Owner.
- B. The Contractor shall comply with the requirements of Section 10.07 – Limitations on Actions.

ARTICLE 9 -- TIME OF COMPLETION

Section 9.01 - Time of Completion

- A. The Work shall commence at the time stated in the Notice to Proceed and shall be completed no later than the date of Substantial Completion specified in the Contract. Notwithstanding anything to the contrary, a schedule submitted by the Contractor showing Substantial Completion earlier than that specified in the Contract shall not entitle the Contractor to any additional cost in the event the earlier date is not realized.
- B. It is hereby understood and mutually agreed, by and between the Contractor and the Owner, that Substantial Completion of the Work, as specified in the Contract, is an essential condition of the Contract.
- C. The Contractor agrees that the Work shall be prosecuted regularly, diligently and cooperatively with other contractors at such rate of progress as shall insure full completion thereof within the time specified. It is expressly understood and agreed, by and between the Contractor and the Owner, that the time for Substantial Completion of the Work described herein is reasonable.
- D. It is further agreed that time is of the essence for each and every portion of the Work. In any instance in which additional time is allowed for Substantial Completion of the Work, the new date of Substantial Completion established by said extension shall be of the essence. The Contractor shall not be charged with liquidated damages or any excess cost if the Owner determines that the Contractor is without fault and that the delay in Substantial Completion of the Work is due:
 1. To any preference, priority or allocation order duly issued by the Government of the United States or the State of New York.
 2. To an unforeseeable cause beyond the control and without the fault of, or negligence of the Contractor, and approved by the Owner, including, but not limited to, acts of God or of public enemy, acts of the Owner, fires, epidemics, quarantine, restrictions, strikes, freight embargoes and unusually severe weather.

3. To any delays of Subcontractors or suppliers occasioned by any of the causes specified in Subsections 1 and 2 of this paragraph the Contractor shall, within ten (10) days from the beginning of any such delay, notify the Owner in writing of the causes of the delay.
- E. The date of Substantial Completion may be extended by a Change Order or approval of the updated critical path method schedule, by the Owner.
- F. If the Contractor shall neglect, fail or refuse to obtain Substantial Completion within the date specified, or any proper extension thereof granted by the Owner, the Contractor agrees to pay to the Owner for loss of beneficial use of the Work of the Contract an amount specified in the Contract, not as a penalty, but as liquidated damages, for each and every calendar day that the Contractor is in default. Default shall include abandonment of the Work by the Contractor.
- G. Said amount of liquidated damages is agreed upon by and between the Contractor and the Owner because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages which the Owner would sustain for loss of beneficial use of the Work of the Contract in the event of delay in Substantial Completion, and said amount is agreed to be the amount of damages sustained by the Owner and said amount may be retained from time to time by the Owner.
- H. The foregoing liquidated damages are intended to compensate the Owner only for the loss of beneficial use of the Work of the Contract. In addition, the Contractor shall be liable to the Owner, to the fullest extent permitted by law, for whatever actual damages (other than actual loss of beneficial use) the Owner may incur as a result of any actions or inactions of the Contractor or its Subcontractors including, without limitation, interest expense and carrying costs, liabilities to other Contractors working on the project or other third parties, job extension costs, and other losses incurred by the Owner. The provisions of this paragraph are for the exclusive use of the Owner, and shall not accrue to other contractors or third parties.

ARTICLE 10 -- CLAIMS AND DISPUTES

- A. A written notice of Claim shall be delivered concurrently to the Owner's Project Manager and Cost Control Unit by the Contractor within fifteen (15) working days after occurrence of the event giving rise to such Claim or within fifteen (15) working days after the Contractor first recognizes the condition giving rise to the Claim, whichever is earlier. Burden of proving the Owner's receipt of Claim shall be the Contractor's responsibility.
- B. Within ninety (90) working days of the initial notice of Claim, the Contractor shall substantiate the Claim and document the nature of the Claim and provide supporting cost data, Contractor's original cost estimate, P6 Project Management schedule demonstrating alleged impact and correlation to the Claim and a Contractor affidavit stating the following:

"I hereby certify that the value assigned the work, material and equipment that comprise the Claim, represents the actual value of said work, material and equipment pursuant to the Contract between the undersigned and the Dormitory Authority."

1. The Contractor shall provide, every thirty (30) days thereafter for as long as such damages are incurred, verified statements of the details and the amounts of such damages, together with documentary evidence of such damages.
2. Failure of the Contractor to comply and submit the requirements stated in Section 10.01 may result in rejection of Claim.

- C. The Contractor shall provide the Owner's Project Manager one (1) paper copy of the documented Claim and mail two (2) paper copies of the documented Claim to:

Dormitory Authority – State of New York
Cost Control Unit
515 Broadway
Albany, NY 12207-2964

- D. The value of any Claim, if allowed, shall be determined by the methods described in Article 7 – Changes in the Work.
- E. Any information representing the actual value of the Work and material contained in the Claim that constitutes False Representation, may subject the undersigned party to criminal charges, including NYS Penal Law Sections 175.35 (Offering a False Instrument for Filing) and 210.40 (False Statement) and/or Title 18 U.S.C. Sections 1001 (False and Fraudulent Statements) and/or Termination of the Contract for Cause and civil prosecution under Article XIII of the State Finance Law – the New York False Claims Act.
