DORMITORY AUTHORITY OF THE STATE OF NEW YORK			
ST. JOHN FISHER COLLEGE			
REVENUE BONDS, SERIES 2008A			
Date of Reoffering: October 16, 2009	Price: 100%	CUSIP Number: 649903 5E7	Due: June 1, 2034

On October 16, 2009 (the "Replacement Date"), the \$12,745,000 St. John Fisher College Revenue Bonds, Series 2008A (the "Series 2008A Bonds" or the "Reoffered Bonds") issued by the Dormitory Authority of the State of New York (the "Authority") for the benefit of St. John Fisher College (the "College") will be subject to a mandatory tender. The Reoffered Bonds were issued pursuant to the St. John Fisher College Revenue Bond Resolution, adopted September 24, 2008, as amended and restated pursuant to a Supplemental Resolution adopted on May 27, 2009 (the "Resolution") and under the Authority's Series 2008A Resolution Authorizing St. John Fisher College Revenue Bonds, Series 2008A, adopted September 24, 2008, as amended and restated pursuant to a Supplemental Series 2008A Resolution adopted on May 27, 2009 (the "Series Resolution"). The Reoffered Bonds were originally issued together with the Authority's \$115,000 St. John Fisher College Revenue Bonds, Series 2008B (Taxable) (the "Series 2008B Bonds"). None of the Series 2008B Bonds remain outstanding.

Payment and Security: The Reoffered Bonds are special obligations of the Authority. Principal, Redemption Price of and interest on the Reoffered Bonds are payable solely from certain payments to be made by the Bank or the Confirming Bank, as identified below, under the Letter of Credit or Confirmation, as identified below and, if such amounts are insufficient, the Revenues, which consist of certain payments to be made under the Loan Agreement, dated as of September 24, 2008 (the "Loan Agreement") between the College and the Authority and all funds and accounts (except the Arbitrage Rebate Fund, the Purchase and Remarketing Fund and the Credit Facility Repayment Fund) authorized and established under the Authority's Resolution and Series Resolution.

The Reoffered Bonds are payable from and secured by an irrevocable direct pay letter of credit dated November 25, 2008, to be amended on October 16, 2009 (the "Letter of Credit") issued by RBS Citizens, N.A.

(the "Bank"), held by The Bank of New York Mellon, New York, New York (the "Trustee"). The Letter of Credit provides for payment of an amount not to exceed the principal of and up to 35 days' interest on the Reoffered Bonds, at a maximum rate of 12% per annum, and the purchase price of the Reoffered Bonds tendered for purchase and not remarketed as described herein. The Letter of Credit is stated to expire on October 15, 2011, unless terminated or extended prior to such date, in accordance with its terms.

From and after the Replacement Date, the Reoffered Bonds will also be secured by an irrevocable standby letter of credit confirmation (the "Confirmation") issued by Federal Home Loan Bank of Boston (the "Confirming Bank") while the Reoffered Bonds bear interest at a Monthly Rate or a Weekly Rate. See "PART 3 - THE REOFFERED BONDS." The Confirmation confirms the Bank's obligations under the Letter of Credit and may be drawn on by the Trustee to pay principal or purchase price of and interest on the Reoffered Bonds if a draw under the Letter of Credit in compliance therewith is not timely paid or the Letter of Credit is repudiated. The Confirmation will expire on October 15, 2011, unless terminated earlier in accordance therewith, as described herein. The Letter of Credit and Confirmation may be replaced with Substitute Credit Facilities, as described herein.

The Reoffered Bonds are not a debt of the State of New York nor is the State of New York liable thereon. The Authority has no taxing power.

Description: The Reoffered Bonds will be reoffered on the Replacement Date and will be available as fully registered Variable Interest Rate Bonds in the Monthly Rate Mode (the "Reoffering") in denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. For the period commencing on the Replacement Date, the Reoffered Bonds will bear interest at the Monthly Rate for Monthly Rate Periods until converted to another Rate Period. Each Monthly Rate is to be determined on the Business Day immediately preceding the first day of each Monthly Rate Period, payable in arrears, on the first Business Day of each calendar month, for as long as the Reoffered Bonds bear interest at a Monthly Rate, by RBC Capital Markets Corporation, as Remarketing Agent (or any successor remarketing agent) (the "Remarketing Agent"). The Reoffered Bonds, while in the Monthly Rate Mode or the Weekly Rate Mode, are subject to tender at the option of the Holder and to mandatory tender for purchase under certain circumstances, as described herein.

The interest rates on all of the Reoffered Bonds may be converted from time to time to a Daily Rate, a Weekly Rate, a Monthly Rate, a Term Rate or a Fixed Rate. This Reoffering Circular, in general, describes the Reoffered Bonds only during the Monthly Rate Mode and the Weekly Rate Mode. See "PART 3 - THE REOFFERED BONDS."

The Reoffered Bonds have been issued under a Book-Entry Only System, registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"). Individual purchases of beneficial interests in the Reoffered Bonds are to be made in Book-Entry form (without certificates). So long as DTC or its nominee is the registered owner of the Reoffered Bonds, payments of the principal, Purchase Price and Redemption Price of and interest on such Reoffered Bonds and notice relating thereto are to be made directly to DTC or its nominee. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement or such payments to the beneficial owners is the responsibility of DTC participants. See "PART 3 - THE REOFFERED BONDS - Book-Entry Only System" herein.

Redemption and Tenders For Purchase: The Reoffered Bonds are subject to redemption or optional or mandatory tender for purchase prior to maturity as more fully described herein.

Tax Exemption: In the opinion of Harris Beach PLLC, Bond Counsel to the Authority, under existing statutes, regulations, administrative rulings and court decisions as of the date of the remarketing of the Series 2008A Bonds, and assuming compliance with the tax covenants described herein, interest on the remarketed Series 2008A Bonds (i) is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended, (ii) is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and (iii) is not included in "adjusted current earnings" for purposes of calculating the federal alternative minimum tax liability of corporations. See "PART 10 - TAX MATTERS" herein regarding certain other related federal tax considerations. Bond Counsel is also of the opinion that, under existing statutes, including the Act (as defined herein), interest on the remarketed Series 2008A Bonds is exempt from personal income taxes imposed by the State of New York and any political subdivision thereof. Bond Counsel expresses no opinion regarding any other consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the remarketed Series 2008A Bonds.

In connection with the Reoffering of the Reoffered Bonds, certain legal matters will be passed upon by Harris Beach PLLC, Rochester, New York, Bond Counsel. Certain legal matters will be passed upon for the Remarketing Agent by its Counsel, Bond, Schoeneck & King, PLLC, Syracuse, New York. Certain legal matters will be passed upon for the College by its special counsel, Nixon Peabody LLP, Rochester, New York. The Authority expects to complete the Reoffering of the Reoffered Bonds on or about October 16, 2009.

DORMITORY AUTHORITY OF THE STATE OF NEW YORK

ST. JOHN FISHER COLLEGE

REVENUE BONDS, SERIES 2008A

CUSIP Number: 649903 5E7

PART 1 - INTRODUCTION

Purpose of this Reoffering Circular

The purpose of this Reoffering Circular, including the cover page and appendices, is to provide information about the Dormitory Authority of the State of New York (the “Authority”), St. John Fisher College (the “College” or the “Institution”), RBS Citizens, N.A. (the “Bank”) and Federal Home Loan Bank of Boston (the “Confirming Bank”), in connection with the reoffering by the Authority of \$12,745,000 principal amount of its St. John Fisher College Revenue Bonds, Series 2008A (the “Series 2008A Bonds” or the “Reoffered Bonds”).

On November 25, 2008, \$13,200,000 aggregate principal amount of the Authority’s St. John Fisher College Revenue Bonds, Series 2008A (the “2008A Bonds”) were issued pursuant to the St. John Fisher College Revenue Bond Resolution adopted September 24, 2008 (the “2008 Bond Resolution”), its Series 2008A Resolution adopted September 24, 2008 (the “2008A Series Resolution”) and the Bond Series Certificate dated as of November 24, 2008 (the “2008A Bond Series Certificate,” and, collectively with the 2008 Bond Resolution and the 2008A Series Resolution, the “2008 Resolutions”) and the Act. A portion of the proceeds from the 2008A Bonds were used to refinance the outstanding principal amount of an interim bank loan obtained by the College that was applied to redeem in full the County of Monroe Industrial Development Agency Variable Rate Demand Civic Facility Revenue Bonds (St. John Fisher College Project), Series 2005, dated January 27, 2005, in the original principal amount of \$14,300,000 (the “Series 2005 Bonds”) issued for the benefit of the College.

Pursuant to the terms of the 2008 Bond Resolution, as amended and restated pursuant to a Supplemental Resolution adopted on May 27, 2009 (the “Resolution”), the 2008A Series Resolution, as amended and restated

pursuant to a Supplemental Series 2008A Resolution adopted on May 27, 2009 (the "Series Resolution") and the 2008A Bond Series Certificate, as amended and restated on October 15, 2009 (the "Bond Series Certificate," and, collectively with the Resolution and the Series Resolution, the "Resolutions"), the \$12,745,000 aggregate principal amount of outstanding Series 2008A Bonds will be subject to mandatory tender on October 16, 2009 (the "Replacement Date") and the Series 2008A Bonds will be reoffered as Variable Interest Rate Bonds in the Monthly Rate Mode (the "Reoffering") payable from and secured by the irrevocable direct pay letter of credit (the "Letter of Credit") issued by the Bank and an irrevocable standby letter of credit confirmation (the "Confirmation") issued by the Confirming Bank.

The following is a description of certain information concerning the Reoffered Bonds, the Authority, the College, the Bank and the Confirming Bank. A more complete description of such information and additional information that may affect decisions to invest in the Reoffered Bonds is contained throughout this Reoffering Circular, which should be read in its entirety. Certain terms used in this Reoffering Circular are defined in Appendix A hereto.

This Reoffering Circular only describes the terms and provisions of the Reoffered Bonds while the Reoffered Bonds bear interest at the Monthly Rate or the Weekly Rate. If the interest Mode on the Reoffered Bonds is changed to another Rate Mode, this Reoffering Circular will be supplemented or a new Reoffering Circular or remarketing circular may be delivered describing the new Rate Mode.

Authorization of Issuance

The Series 2008A Bonds together with the Authority's \$115,000 St. John Fisher College Revenue Bonds, Series 2008B (the "Series 2008B Bonds" and, collectively, with the Series 2008A Bonds, the "Series 2008 Bonds") were issued pursuant to the 2008 Bond Resolution, respective Series resolutions, respective bond series certificates and the Act. In addition to the Series 2008 Bonds, the Resolution authorizes the issuance of other Series of Bonds (collectively, the "Bonds") to pay other Costs of one or more Projects, to pay the Costs of Issuance of such Series of Bonds and to refund all or a portion of Outstanding Bonds or other notes or bonds of the Authority issued on behalf of the College. Each Series of Bonds will be separately secured from each other Series of Bonds. There is no limit on the amount of additional Bonds that may be issued under the Resolution, which Bonds may be issued at any time prior to or after the Replacement Date. See "PART 2 -- SOURCE OF PAYMENT AND SECURITY FOR THE REOFFERED BONDS" and "PART 3 THE REOFFERED BONDS."

The Reoffered Bonds

The Reoffered Bonds are being reoffered as Variable Interest Rate Bonds in the Monthly Rate Mode payable from and secured by the Letter of Credit and the Confirmation and are to bear interest from the Replacement Date at the Initial Rate for the Initial Rate Period ending on the Business Day immediately preceding the following Monthly Rate Period until converted to another rate period. The Reoffered Bonds are to mature on June 1, 2034. The interest rates are to be determined by the Remarketing Agent, under the Remarketing Agreement, dated November 25, 2008, as amended October 16, 2009 (the "Remarketing Agreement"), between and among the Remarketing Agent, the Authority and the College. In no event is the interest rate on any Reoffered Bond to exceed the Maximum Rate (as herein defined). Interest is initially payable on November 1, 2009 and on the first Business Day of each calendar month (as defined herein). See "PART 3 -- THE REOFFERED BONDS -- Description of the Reoffered Bonds."

During any Monthly Rate Period, Owners may tender their Reoffered Bonds for purchase at a purchase price of par plus accrued interest, if any, to the purchase date on any Interest Payment Date by delivering proper notice to the Tender Agent on the seventh calendar day prior to the Optional Tender Date. See "PART 3 - THE REOFFERED BONDS -- Tender of the Reoffered Bonds."

During any Weekly Rate Period, Owners may tender their Bonds for purchase at a purchase price of par plus accrued interest, if any, to the purchase date on any Business Day by delivering proper notice to the Tender Agent on the seventh calendar day prior to the Optional Tender Date. See "PART 3 -- THE REOFFERED BONDS - Tender of the Reoffered Bonds." Reoffered Bonds also are subject to mandatory tender for purchase upon

conversion to a different Interest Rate Mode and under certain other circumstances described herein. See “PART 3 - THE REOFFERED BONDS - Tender of the Reoffered Bonds.”

RBC Capital Markets Corporation is serving as the Remarketing Agent with respect to the Reoffered Bonds.

Payment of the Reoffered Bonds

The Reoffered Bonds are special obligations of the Authority payable solely from certain payments to be made by the Bank or the Confirming Bank under the Letter of Credit or Confirmation, respectively, and, if such amounts are insufficient, the Revenues consisting of certain payments to be made by the College under the Loan Agreement. The Loan Agreement is a general obligation of the College. Pursuant to the Resolutions, the Revenues and the Authority’s right to receive the Revenues have been pledged to the Trustee. See “PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE REOFFERED BONDS.”

Security for the Reoffered Bonds

The Reoffered Bonds will be payable from and secured by the payments described above to be made under the Letter of Credit or Confirmation, the Revenues and all funds and accounts established for the Reoffered Bonds under the Resolutions (with the exception of the Arbitrage Rebate Fund, the Purchase and Remarketing Fund and the Credit Facility Repayment Fund). The Revenues and the right to receive them have been pledged to the Trustee for the benefit of the Bank, the Confirming Bank and the Holders of the Series 2008A Bonds (each Series of Bonds issued pursuant to the Resolution will be separately secured from each other Series of Bonds). See “Appendix C – Summary of Certain Provisions of the Resolution.”

The Mortgage

The College’s obligations to the Authority under the Loan Agreement and to the Bank under the Reimbursement Agreement are additionally secured by the Mortgage on the Mortgaged Property granted by St. John Fisher Real Estate, LLC, a New York limited liability company, the sole member of which is the College, to the Authority. At the time the Reoffered Bonds were initially delivered, the Authority assigned the Mortgage to the Bank and the Trustee. Notwithstanding such assignment, property subject to the Mortgage may be released, and the Mortgage may be amended, with the prior written consent of the Authority and the Bank but without the consent of the Trustee or the Holders of the Series 2008A Bonds.

Loan Agreement

In addition, in order to secure the obligations of the Authority under the Resolutions and to secure the payment of all amounts due and owing by the Authority to the Holders of the Reoffered Bonds and in order to secure the obligations of the College to the Bank under the Reimbursement Agreement, the Authority has assigned to the Trustee and the Bank all its right, title and interest in the Loan Agreement (subject to certain reserved rights) including the Authority’s security interest in the Pledged Revenues, subject to Prior Pledges. The Pledged Revenues consist of all receipts, revenues, income and other money received by the College from any source and all rights to receive the same (including, without limitation, operating revenues and non-operating revenues determined in accordance with generally accepted accounting principles), whether in the form of accounts receivable, contract rights, chattel paper, instruments or other rights, and the proceeds thereof, and any insurance thereon, whether now existing or hereafter coming into existence and whether now owned or held or hereafter acquired by the College subject only to the Prior Pledges; provided, however, that there shall be excluded from Pledged Revenues gifts, grants, bequests, donations and contributions heretofore or hereafter made, designated at the time of making thereof by the donor or maker as being for certain specific purposes, and the income derived therefrom, to the extent required by such designation.

The Reoffered Bonds are not a debt of the State nor is the State liable thereon. The Authority has no taxing power.

The Letter of Credit

The Bank is obligated, subject to the terms and conditions of the Letter of Credit, to pay, when due, an amount not to exceed the principal of and up to 35 days' interest on Reoffered Bonds, at a maximum rate of 12% per annum, and the Purchase Price of such Bonds tendered for purchase pursuant to the Resolutions but not remarketed. The Letter of Credit will expire on October 15, 2011 unless renewed, extended or terminated pursuant thereto. See "PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE REOFFERED BONDS – The Letter of Credit and the Confirmation."

The Confirmation

The Confirmation confirms the Letter of Credit issued by the Bank. While the Reoffered Bonds bear interest at a Monthly Rate or a Weekly Rate, the Trustee will be authorized to draw under the Confirmation, upon presentation of required documentation, amounts sufficient to pay the principal or Purchase Price of and interest on Reoffered Bonds if a draw under the Letter of Credit in compliance therewith is not timely paid or the Letter of Credit has been repudiated. The Confirmation provides that it will expire unless extended, terminated or reduced in accordance with its terms on October 15, 2011. See "PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE REOFFERED BONDS – The Letter of Credit and the Confirmation."

The College

Potential investors should base their investment decisions with respect to the Reoffered Bonds solely upon the credit of the provider of the Letter of Credit, initially, RBS Citizens, N.A., and upon the credit of the provider of the Confirmation, initially, Federal Home Loan Bank of Boston. Except for a limited description of the College contained in "PART 6 - THE COLLEGE," no information with respect to the College (financial or otherwise) is included in this Reoffering Circular.

The College is an independent, not-for-profit institution of higher education chartered by the Regents of the University of the State of New York. See "PART 6 - THE COLLEGE".

The Authority

The Authority is a public benefit corporation of the State, created for the purpose of financing and constructing a variety of public-purpose facilities for certain educational, healthcare, governmental and not-for-profit institutions. See "PART 7 - THE AUTHORITY."

The Intercreditor Agreement

The respective rights and remedies of the Authority, the Trustee and the Bank under the Loan Agreement and Mortgage are controlled by the terms of the Intercreditor Agreement among the Authority, the Trustee and the Bank pursuant to which the Authority has assigned to the Trustee and the Bank the Authority's rights under the Loan Agreement (other than certain Reserved Rights, as defined in the Intercreditor Agreement, of the Authority) and under the Mortgage. The Intercreditor Agreement provides that so long as the Letter of Credit is in effect and the Bank is not in default of its payment obligations under the Letter of Credit, the Bank shall have the sole right to grant any approval, consent or waiver required and sole control of remedies under the Loan Agreement (other than with respect to the Authority's Reserved Rights) and under the Mortgage.

PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE REOFFERED BONDS

THE REOFFERED BONDS ARE BEING REMARKETED AND SOLD ON THE BASIS OF THE LETTER OF CREDIT AND THE CONFIRMATION AND THE FINANCIAL STRENGTH OF THE BANK AND THE CONFIRMING BANK. THE PRIMARY SECURITY FOR HOLDERS OF THE REOFFERED BONDS IS THE LETTER OF CREDIT. SO LONG AS THE BANK DOES NOT FAIL TO PAY AN APPROPRIATE DRAW ON THE LETTER OF CREDIT, THE BANK IS TO BE TREATED AS THE OWNER OF ALL THE

REOFFERED BONDS. AS SUCH, THE BANK, AND NOT THE OWNERS OF THE REOFFERED BONDS, HAVE THE BENEFIT OF THE SECURITY DESCRIBED BELOW.

*Set forth below is a narrative description of certain contractual provisions relating to the source of payment of and security for the Reoffered Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Act, the Loan Agreement, the Resolution, the Series Resolution, the Bond Series Certificate, the Mortgage, the Reimbursement Agreement, the Letter of Credit, the Confirmation and the Intercreditor Agreement. Copies of the Loan Agreement, the Resolution, the Series Resolution, the Bond Series Certificate, the Mortgage, the Reimbursement Agreement, the Letter of Credit, the Confirmation and the Intercreditor Agreement are on file with the Authority and the Trustee. See also “Appendix B — Summary of Certain Provisions of the Loan Agreement,” “Appendix C — Summary of Certain Provisions of the Resolution” and “Appendix D — Certain Provisions of the Reimbursement Agreement” for a more complete statement of the rights, duties and obligations of the parties thereto. **The information set forth below is applicable to the Reoffered Bonds while they are in the Monthly Rate Mode or the Weekly Rate Mode.***

Payment of the Reoffered Bonds

The Reoffered Bonds are special obligations of the Authority payable from proceeds received by the Trustee from drawings under the Letter of Credit or the Confirmation and, if such amounts are insufficient, the Revenues. The Revenues consist of the payments required to be made by the College under the Loan Agreement to satisfy the principal, Sinking Fund Installments, Redemption Price of and interest on the Reoffered Bonds. The Revenues and the right to receive them have been pledged to the Trustee for the benefit of the Owners of Bonds, including the Reoffered Bonds.

Payments of principal of and interest on the Reoffered Bonds are expected to be made to the Owners of the Reoffered Bonds from funds drawn under the Letter of Credit or the Confirmation and, in the case of the Purchase Price of Tendered Bonds, from remarketing proceeds or, if remarketing proceeds are insufficient, from funds drawn on the Letter of Credit or the Confirmation, as described herein.

The Loan Agreement is a general obligation of the College. The Loan Agreement obligates the College to make payments to satisfy the principal, Sinking Fund Installments and Redemption Price of and interest on Outstanding Reoffered Bonds. Each payment is to be equal to a proportionate share of the principal and Sinking Fund Installments coming due on the next succeeding June 1. In addition, for so long as the Reoffered Bonds remain as Variable Interest Rate Bonds, the Loan Agreement obligates the College to make payments to satisfy interest on those Bonds ten (10) days prior to the Interest Payment Date. The Loan Agreement also obligates the College to pay, at least forty-five (45) days prior to a redemption date or purchase date of Reoffered Bonds called for redemption or contracted to be purchased, with certain exceptions, the amount, if any, required to pay the purchase price or Redemption Price of such Bonds. See “PART 3 — THE REOFFERED BONDS — Redemption and Purchase in Lieu of Redemption.”

The Authority has directed the College, and the College has agreed, to make such payments directly to the Trustee. Such payments are to be applied by the Trustee to repay the Bank with respect to draws under the Letter of Credit or the Confirming Bank with respect to draws under the Confirmation or, if such amounts drawn under the Letter of Credit or Confirmation are insufficient to pay Bondholders, to pay the principal, Sinking Fund Installments, Redemption Price and Purchase Price of and interest on the Reoffered Bonds.

Security for the Reoffered Bonds

The Reoffered Bonds are secured by the payments described above to be made under the Letter of Credit or Confirmation, the Revenues and all funds and accounts established for the Reoffered Bonds under the Resolutions (with the exception of the Arbitrage Rebate Fund, the Purchase and Remarketing Fund and the Credit Facility Repayment Fund). The Revenues and the right to receive them have been pledged to the Trustee for the benefit of the Bank, the Confirming Bank and the Holders of the Series 2008A Bonds (each Series of Bonds issued pursuant to the Resolution will be separately secured from each other Series of Bonds). See “Appendix C – Summary of Certain Provisions of the Resolution.”

The Mortgage

The College's obligations to the Authority under the Loan Agreement and to the Bank under the Reimbursement Agreement are additionally secured by the Mortgage on the Mortgaged Property granted by St. John Fisher Real Estate, LLC, a New York limited liability company, the sole member of which is the College, to the Authority. At the time the Reoffered Bonds were initially delivered, the Authority assigned the Mortgage to the Bank and the Trustee. Notwithstanding such assignment, property subject to the Mortgage may be released, and the Mortgage may be amended, with the prior written consent of the Authority and the Bank but without the consent of the Trustee or the Holders of the Reoffered Bonds.

Loan Agreement

In addition, in order to secure the obligations of the Authority under the Resolutions and to secure the payment of all amounts due and owing by the Authority to the Holders of the Reoffered Bonds and in order to secure the obligations of the College to the Bank under the Reimbursement Agreement, the Authority has assigned to the Trustee and the Bank all its right, title and interest in the Loan Agreement (subject to certain reserved rights) including the Authority's security interest in the Pledged Revenues, subject to Prior Pledges. The Pledged Revenues consist of all receipts, revenues, income and other money received by the College from any source and all rights to receive the same (including, without limitation, operating revenues and non-operating revenues determined in accordance with generally accepted accounting principles), whether in the form of accounts receivable, contract rights, chattel paper, instruments or other rights, and the proceeds thereof, and any insurance thereon, whether now existing or hereafter coming into existence and whether now owned or held or hereafter acquired by the College subject only to the Prior Pledges; provided, however, that there shall be excluded from Pledged Revenues gifts, grants, bequests, donations and contributions heretofore or hereafter made, designated at the time of making thereof by the donor or maker as being for certain specific purposes, and the income derived therefrom, to the extent required by such designation.

Intercreditor Agreement

The respective rights and remedies of the Authority, the Trustee and the Bank under the Loan Agreement and Mortgage are controlled by the terms of the Intercreditor Agreement among the Authority, the Trustee and the Bank pursuant to which the Authority has assigned to the Trustee and the Bank the Authority's rights under the Loan Agreement (other than certain Reserved Rights of the Authority) and under the Mortgage. The Intercreditor Agreement provides that so long as the Letter of Credit is in effect and the Bank is not in default of its payment obligations under the Letter of Credit, the Bank shall have the sole right to grant any approval, consent or waiver required and sole control of remedies under the Loan Agreement (other than with respect to the Authority's Reserved Rights) and under the Mortgage.

The Letter of Credit and the Confirmation

The Letter of Credit provides the primary credit support for the Reoffered Bonds. The Confirmation confirms the Bank's obligations under the Letter of Credit. The following is a summary of certain provisions of the Letter of Credit and Confirmation and should not be considered full statements thereof. Reference is made to the Letter of Credit and the Confirmation for the detailed provisions thereof and the discussion herein is qualified by such reference.

The Letter of Credit

The Letter of Credit issued in connection with the Reoffered Bonds is irrevocable, and, on the Replacement Date, the stated amount of the Letter of Credit will be \$12,891,655 (the "Letter of Credit Commitment"), of which \$12,745,000 is with respect to the principal of the Reoffered Bonds or the portion of the Purchase Price corresponding to the principal thereof, and \$146,655 is with respect to 35 days of accrued interest on the Reoffered Bonds or the portion of the Purchase Price corresponding to interest thereon, calculated at a rate of 12% per annum, based on the actual number of days elapsed in a year of 365 days.

The Letter of Credit shall terminate automatically on the earliest of (i) the payment by the Bank to the Trustee of the final drawing available to be made under the Letter of Credit; (ii) receipt by the Bank of the Letter of Credit and a certificate signed by an officer of the Trustee and an authorized representative of the College stating that no Reoffered Bonds remain outstanding secured by such Letter of Credit; (iii) receipt by the Bank of the Letter of Credit and a certificate signed by an officer of the Trustee and an authorized representative of the College stating that a Substitute Credit Facility in substitution for the Letter of Credit has been accepted by the Trustee and is in effect; (iv) the Business Day following the Conversion Date (as defined in the Reimbursement Agreement); or (v) the Expiration Date of the Letter of Credit.

Reduction and Reinstatement of Letter of Credit

Drawings may be made under the Letter of Credit in order to pay (i) the principal, Sinking Fund Installments, and Redemption Price of and interest on the Reoffered Bonds when due, and (ii) the Purchase Price, consisting of the principal amount of and accrued and unpaid interest on the Reoffered Bonds tendered pursuant to the Resolutions and the Bond Series Certificate, to the extent remarketing proceeds are not available for such purpose (a "Remarketing Drawing"). Multiple drawings may be made under the Letter of Credit, provided that drawings shall not exceed the Letter of Credit Commitment, as the Letter of Credit Commitment may be reduced or reinstated pursuant to the Letter of Credit.

The amount available under the Letter of Credit for the purpose of paying interest on the Reoffered Bonds (the "Interest Component") shall be reduced in an amount equal to any draw to pay interest on the applicable Reoffered Bonds. At the close of business on the day on which payment of a drawing is made for the purpose of paying interest on Reoffered Bonds, the Interest Component shall be automatically reinstated by an amount equal to the amount of such drawing (other than a Remarketing Drawing) for the purpose of paying interest on the Reoffered Bonds.

The amount available under the Letter of Credit for the purpose of paying principal of the Reoffered Bonds (the "Principal Component") shall be reduced in an amount equal to any draw to pay principal of (including the purchase price of) the applicable Reoffered Bonds. The Bank will reinstate amounts drawn under the Letter of Credit pursuant to a Remarketing Drawing, as to the Principal Component and the Interest Component, to the extent that money is received by the Bank (other than from drawings on the Letter of Credit) from the Trustee reimbursing amounts drawn pertaining to such Remarketing Drawing or upon the Trustee's certification that the Trustee is holding for the Bank's benefit Reoffered Bonds together with an amount of money equal to or greater than the amount of the principal portion of the Remarketing Drawing.

No drawing under the Letter of Credit shall be honored in an amount exceeding the amount available to be drawn under such Letter of Credit at the time of such drawing, and, pursuant to the Resolutions and Bond Series Certificate, no drawing shall be made in order to pay the principal, Sinking Fund Installments, purchase price and Redemption Price of or interest when due on, or the Purchase Price of, the Reoffered Bonds owned by the College or pledged by the College or an Affiliate of the College pursuant to the Reimbursement Agreement.

The Reimbursement Agreement

The Letter of Credit is issued pursuant to the Reimbursement Agreement, under which the College is obligated, among other things, to reimburse the Bank, with interest, for each drawing under the Letter of Credit.

The Reimbursement Agreement establishes various representations, warranties and covenants of the College and establishes various events of default thereunder. The occurrence of an event of default under the Reimbursement Agreement will allow the Bank to terminate the Letter of Credit in accordance with its terms. Additionally, should the College fail to reimburse the Bank in accordance with the Reimbursement Agreement, the Bank shall have the right to declare an event of default and enforce all remedies available to the Bank thereunder. See "Appendix D - Certain Provisions of the Reimbursement Agreement." One such remedy would subject the Reoffered Bonds to mandatory tender at a Purchase Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the Purchase Date. See "PART 3 - THE REOFFERED BONDS – Tender of the Reoffered Bonds."

The terms of the Reimbursement Agreement and certain related documents may be modified, amended or supplemented by the Bank and the College from time to time without giving notice to or obtaining the consent of the Bondholders. Any amendment, modification or supplement to the Reimbursement Agreement may contain amendments or modifications to the covenants of the College or additional covenants of the College and these amended or modified covenants may be more or less restrictive than those in effect at the date of reoffering the Reoffered Bonds. See “Appendix D - Certain Provisions of the Reimbursement Agreement.”

The Confirmation

Concurrently with the remarketing of the Reoffered Bonds, the Confirmation will be issued by the Confirming Bank pursuant to a certain Irrevocable Letter of Credit Reimbursement Agreement between the Bank and the Confirming Bank dated as of October 30, 2007 (as may be amended, the “Bank Reimbursement Agreement”). The Bank Reimbursement Agreement provides, among other things, for reimbursement to the Confirming Bank by the Bank of all amounts drawn under any confirmation issued at the request of the Bank, including, without limitation, the Confirmation. The Bank Reimbursement Agreement is a standing agreement in the form used by the Confirming Bank and all of its member banks, including standard events of default, and applies to an open-ended number of transactions between the Bank and the Confirming Bank.

The Confirmation will be an irrevocable obligation of the Confirming Bank and will be issued in an original stated amount of \$12,954,507 (the “Maximum Credit Amount”), of which \$12,745,000 is with respect to the principal of Reoffered Bonds or the portion of the Purchase Price corresponding to the principal thereof, and \$209,507 is with respect to 50 days of accrued interest on Reoffered Bonds or the portion of the Purchase Price corresponding to interest thereon, calculated at a rate of 12% per annum based on a 365-day year.

Upon failure of the Bank to honor its obligations under the Letter of Credit, or the repudiation of the Letter of Credit by the Bank, the Confirmation is available to be drawn upon to make payments of principal and purchase price of and interest on the Reoffered Bonds in the Weekly Rate and the Monthly Rate.

In each case that Reoffered Bonds are redeemed or deemed to have been paid pursuant to the Resolution, the amount available under the Confirmation shall be reduced to an amount equal to the principal amount of such Reoffered Bonds outstanding, plus 50 days’ interest on such principal amount outstanding computed at a maximum rate of 12% per annum based on a 365-day year. Drawings on the Confirmation will reduce the available amount to be drawn thereunder, which amount may be reinstated as set forth in the following paragraph.

In the case of each drawing under the Confirmation for the payment of interest on the Reoffered Bonds, the amount so drawn shall be automatically reinstated as of the close of business on the 10th day after the Interest Payment Date, unless the Trustee shall have received on or before such 10th day, written notice from the Confirming Bank that an Event of Default under the Bank Reimbursement Agreement has occurred and is continuing and that the Confirming Bank does not intend to reinstate the amount so drawn for payment of interest. In the case of each drawing under the Confirmation for the payment of the Purchase Price of the Reoffered Bonds, the principal component and the interest component will be reinstated only if and to the extent the Confirming Bank notifies the Trustee within 10 days of such draw that the Confirming Bank has been reimbursed by or on behalf of the Bank for the amount so drawn and intends to reinstate such Confirmation. In the event that there has not been a reinstatement of a draw on the Confirmation, the Reoffered Bonds will be subject to a mandatory tender. See “PART 3-THE REOFFERED BONDS – Tender of the Reoffered Bonds.”

Events of Default under the Bank Reimbursement Agreement include, but are not limited to, (i) failure of the Bank to pay amounts due with respect to any letter of credit issued pursuant to the Bank Reimbursement Agreement; (ii) failure of the Bank to be in compliance with all minimum federal and/or state regulatory capital requirements applicable to it; (iii) any failure of any representation or warranty or other information, furnished by the Bank to the Confirming Bank in any context, to be and remain true, correct and complete; or (iv) the Confirming Bank reasonably and in good faith determines that a material adverse change has occurred in the financial condition of the Bank.

Pursuant to the Confirmation, the Trustee may draw amounts thereunder while Bonds are in the Weekly Mode or Monthly Mode (i) after first having presented to the Bank a drawing under the Letter of Credit in conformance with its terms and the Bank having not honored such draw, or (ii) if the Bank has repudiated the Letter of Credit, without first presenting to the Bank such draw under the Letter of Credit, provided in each case such draw conforms in all respects with the terms and conditions of the Confirmation.

The Confirmation shall expire on October 15, 2011, unless extended or terminated early as provided therein.

Substitute Credit Facility

The Authority may replace the Letter of Credit with a Substitute Credit Facility upon written notice to the Bank and the Confirming Bank, or the College may, at any time, at its option with the prior written consent of the Authority and upon written notice to the Bank and the Confirming Bank, deliver or cause to be delivered to the Trustee a Substitute Credit Facility.

The replacement of the Letter of Credit with a Substitute Credit Facility will cause a mandatory tender of the Reoffered Bonds. In no event shall the Letter of Credit be surrendered to the Bank upon delivery of a Substitute Credit Facility until a drawing to pay the Purchase Price of the Reoffered Bonds tendered for purchase and not remarketed has been honored by the Bank and the Bank certifies that the College has complied with the requirements of the Letter of Credit and Reimbursement Agreement. No such Substitute Credit Facility shall be or become effective unless it meets the requirements set forth in the Bond Series Certificate.

Events of Default and Acceleration

The following are events of default under the Resolution with respect to any Series including the Series 2008A Bonds: (i) a default by the Authority in the payment of the principal, Sinking Fund Installment or Redemption Price of the Series 2008A Bonds; (ii) a default by the Authority in the payment of interest on the Series 2008A Bonds; (iii) a default by the Authority in the due and punctual performance of any covenant or agreement contained in the Series Resolution to comply with the provisions of the Code (as hereinafter defined) necessary to maintain the exclusion of interest on such Series 2008A Bonds from gross income for purposes of federal income taxation; (iv) a default by the Authority in the due and punctual performance of any covenants, conditions, agreements or provisions contained in the Series 2008A Bonds or in the Resolution which continues for thirty (30) days after written notice thereof is given to the Authority by the Trustee (such notice to be given in the Trustee's discretion or at the written request of the Holders of not less than 25% in principal amount of Outstanding Series 2008A Bonds) or if such default is not capable of being cured within thirty (30) days, if the Authority fails to commence within thirty (30) days and diligently prosecute the cure thereof; or (v) the Authority shall have notified the Trustee that an "Event of Default" as defined in the Loan Agreement has occurred and is continuing and all sums payable by the College under the Loan Agreement have been declared immediately due and payable (unless such declaration shall have been annulled). Unless all sums payable by the College under the Loan Agreement are declared immediately due and payable, an event of default under the Loan Agreement is not an event of default under the Resolution.

The Resolution provides that, if an event of default (other than as described in clause (iii) of the preceding paragraph) occurs and continues, the Trustee may, and upon the written request of Holders of not less than 25% in principal amount of the Outstanding Bonds of the Series 2008A Bonds, shall declare the principal of and interest on all the Outstanding Bonds of the Series 2008A Bonds to be due and payable. At the expiration of thirty (30) days from the giving of such notice, such principal and interest will become due and payable. At any time after the principal of the Series 2008A Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Resolution, the Trustee shall, with the written consent of the Holders of not less than 25% in principal amount of the Series 2008A Bonds not yet due by their terms and then Outstanding, by written notice to the Authority, annul such declaration and its consequences under the terms and conditions specified in the Resolution with respect to such annulment.

The Resolution provides that the Trustee is to give notice in accordance with the Resolution of each event of default known to the Trustee to the College and to the Bank within five (5) days, and to the Holders of the Series 2008A Bonds within thirty (30) days, in each case after obtaining knowledge of the occurrence thereof, unless such default has been remedied or cured before the giving of such notice; provided, however, that, except in the case of default in the payment of principal, Sinking Fund Installments or Redemption Price of or interest on any of the Series 2008A Bonds, the Trustee will be protected in withholding such notice thereof to the Holders if the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders of Series 2008A Bonds.

Bank Consent Rights

If no Credit Facility Issuer Default is occurring, the Bank, and not the actual Holders of the Reoffered Bonds, shall be deemed to be the Holder of the Reoffered Bonds for the purpose of exercising any right or power, consenting to an amendment, modification or waiver, or requesting or directing the Trustee to take or not to take any action under the Resolutions and the Bond Series Certificate.

Issuance of Additional Bonds

In addition to the Reoffered Bonds, the Resolution authorizes the issuance of other Series of Bonds to finance one or more Projects and for other specified purposes, including refunding Outstanding Bonds or other notes or bonds of the Authority issued on behalf of the College. The Bonds which may be issued include Capital Appreciation Bonds, Deferred Income Bonds, Option Bonds, Variable Interest Rate Bonds and Fixed Rate Bonds. Each Series of Bonds will be separately secured from each other Series of Bonds; provided, however, that each Series of Bonds may be equally and ratably secured by the Pledged Revenues and/or the Mortgaged Property to the extent required by and consented to by the applicable Providers. There is no limit on the amount of additional Bonds that may be issued under the Resolution, which Bonds may be issued at any time prior to or after the scheduled delivery date of the Reoffered Bonds. The Reoffered Bonds are currently the only Outstanding Series of Bonds issued under the Resolution.

General

The Reoffered Bonds will not be a debt of the State and the State will not be liable on the Reoffered Bonds. The Authority has no taxing power. The Authority has never defaulted in the timely payment of principal or interest on its bonds or notes. See "PART 7 — THE AUTHORITY."

PART 3 - THE REOFFERED BONDS

Set forth below is a narrative description of certain provisions relating to the Reoffered Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Resolution, the Series Resolution, the Bond Series Certificate and the Loan Agreement, copies of which are on file with the Authority and the Trustee. See also "Appendix B — Summary of Certain Provisions of the Loan Agreement" and "Appendix C — Summary of Certain Provisions of the Resolution" for a more complete description of certain provisions of the Reoffered Bonds.

Description of the Reoffered Bonds

The Reoffered Bonds were issued pursuant to the Act and the Resolutions.

The Reoffered Bonds During a Monthly Rate Period

On the Replacement Date, the Reoffered Bonds will be reoffered as Variable Interest Rate Bonds in the Monthly Rate. The interest rate on Reoffered Bonds for the Initial Period, commencing on and including the Replacement Date and ending on and including October 31, 2009, is to be determined on or about the Business Day immediately preceding the Replacement Date.

After the Initial Period, each succeeding Monthly Rate Period is to begin on the first Business Day of a month and end on the last day preceding the commencement date of the following Monthly Rate Period or a Conversion Date. Interest on the Reoffered Bonds will be payable on November 1, 2009 and on each Interest Payment Date thereafter. The Reoffered Bonds will be available in denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. Interest on the Reoffered Bonds shall be calculated on the basis of a 365 or 366 day year, as applicable, for the actual number of days elapsed to the Interest Payment Date.

The interest rates on the Reoffered Bonds for each Monthly Rate Period after the Initial Period shall be equal to the Monthly Rates set by the Remarketing Agent on the Business Day next preceding the commencement date of the Monthly Period to which it relates (or if not a Business Day on the next succeeding Business Day). Each Monthly Rate so determined by the Remarketing Agent shall be the rate of interest that, if borne by such Reoffered Bonds for such Monthly Rate Period, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for bonds or other securities the interest on which is excludable from gross income for federal income tax purposes of the same general nature as the Reoffered Bonds and which are comparable as to credit and maturity or tender dates with the credit and maturity or tender dates of the Reoffered Bonds, would be the lowest interest rate that would enable the Reoffered Bonds to be sold on the first day of the applicable Monthly Rate Period at a price of par, plus accrued interest, if any.

If for any reason (i) the Monthly Rates for a Monthly Rate Period are not established as aforesaid, (ii) no Remarketing Agent shall be serving under the Bond Series Certificate, (iii) the Rate so established is held to be invalid or unenforceable with respect to a Monthly Rate Period or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Monthly Rate, then the Monthly Rate for such Monthly Rate Period shall be the SIFMA Municipal Index on the date such Monthly Rate was to have been determined by the Remarketing Agent. In no event may any interest rate on any Reoffered Bond for any Monthly Rate Period exceed the maximum rate permitted by law or the Maximum Rate (other than Bank Bonds).

The Reoffered Bonds During a Weekly Rate Period

The Reoffered Bonds may be converted to bear interest in the Weekly Rate. Each Weekly Rate Period is to begin on and include Thursday of a calendar week and extend to and include the next succeeding Wednesday. The Reoffered Bonds will be available in denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. Interest on the Reoffered Bonds shall be calculated on the basis of a 365 or 366 day year, as applicable, for the actual number of days elapsed to the Interest Payment Date.

The interest rates on the Reoffered Bonds for each Weekly Rate Period shall be equal to the Weekly Rates set by the Remarketing Agent on each Reset Date. During a Weekly Rate Period, the Reset Date shall be each Wednesday or, if such day is not a Business Day, the immediately preceding Business Day. Each Weekly Rate so determined by the Remarketing Agent shall be the rate of interest that, if borne by such Reoffered Bonds in the Weekly Rate Period for such Weekly Rate Period, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for bonds or other securities the interest on which is excludable from gross income for federal income tax purposes of the same general nature as the Reoffered Bonds and which are comparable as to credit and maturity or tender dates with the credit and maturity or tender dates of the Reoffered Bonds, would be the lowest interest rate that would enable the Reoffered Bonds to be sold on the first day of the applicable Weekly Rate Period at a price of par, plus accrued interest, if any.

If for any reason (i) the Weekly Rates for a Weekly Rate Period are not established as aforesaid, (ii) no Remarketing Agent shall be serving under the Bond Series Certificate, (iii) the Rate so established is held to be invalid or unenforceable with respect to a Weekly Rate Period or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Weekly Rate, then the Weekly Rate for such Weekly Rate Period shall be the SIFMA Municipal Index on the date such Weekly Rate was to have been determined by the Remarketing Agent. In no event may any interest rate on any Reoffered Bond for any Weekly Rate Period exceed the maximum rate permitted by law or the Maximum Rate (other than Bank Bonds).

This Reoffering Circular, in general, describes the Reoffered Bonds only during the Monthly Rate Mode and the Weekly Rate Mode.

The method for determining the interest rates on all or a portion of the Reoffered Bonds may be converted from time to time to a Daily Rate, a Weekly Rate, a Monthly Rate, a Term Rate or a Fixed Rate.

The Reoffered Bonds were issued as fully registered bonds and are registered in the name of Cede & Co., as nominee of DTC, pursuant to DTC's Book-Entry Only System. Purchases of beneficial interests in the Reoffered Bonds will be made in book-entry form, without certificates. If at any time the Book-Entry Only System is discontinued for the Reoffered Bonds, the Reoffered Bonds will be exchangeable for other fully registered Reoffered Bonds in any other authorized denominations of the same maturity without charge except the payment of any tax, fee or other governmental charge to be paid with respect to such exchange, subject to the conditions and restrictions set forth in the Resolution. See "Book-Entry Only System" herein and "Appendix C– Summary of Certain Provisions of the Resolution."

Interest on the Reoffered Bonds is to be payable by check mailed to the registered owners thereof. The principal or redemption price of the Reoffered Bonds is to be payable in lawful money of the United States of America at the principal corporate trust office of Manufacturers and Traders Trust Company, Buffalo, New York, the Trustee and Paying Agent. As long as the Reoffered Bonds are registered in the name of Cede & Co., as nominee of DTC, such payments will be made directly to DTC. See "Book-Entry Only System" herein.

For a more complete description of the Reoffered Bonds, see "Appendix C – Summary of Certain Provisions of the Resolution."

Conversion to Other Rate Modes

The Authority, at the direction of the College, may, by written direction to the Remarketing Agent, the Trustee, the Tender Agent, the Bank, and each Rating Service maintaining a rating on the Reoffered Bonds, elect that all (but not less than all) of the Reoffered Bonds be converted from the Monthly Rate Mode or the Weekly Rate Mode to any other Rate Mode. Upon such direction, the Authority shall, not less than 15 days prior to any Conversion Date, deliver a written notice specifying (A) the Conversion Date, (B) the Rate Mode that will be effective upon such Conversion, (C) if the Conversion is to a Term Rate Mode, the Term Rate Period, and (D) the ratings expected to be effective on such Reoffered Bonds after such Conversion. At the time of a conversion from the Monthly Rate Mode or the Weekly Rate Mode to a different Rate Mode, the Reoffered Bonds to be converted are subject to mandatory tender for purchase at the Purchase Price as described herein. See "Tender of the Reoffered Bonds" below.

The Bond Series Certificate provides that no conversion of a Rate Mode is to occur thereunder unless (i) on the Conversion Date no event of default under the Resolution has occurred and is continuing, (ii) the Authority receives an opinion from Bond Counsel with respect to the proposed conversion, and (iii) such other requirements as are set forth in the Bond Series Certificate.

In the event the requirements described in the preceding sentence are not met, or the Remarketing Agent notifies the Trustee, the Authority, the College, the Bank and the Confirming Bank, that the Reoffered Bonds to be converted cannot be remarketed, or the Authority notifies the Remarketing Agent, the Bank, the Confirming Bank and the Trustee in writing that it does not want the Reoffered Bonds to be converted to a new Rate Mode, the succeeding Rate Mode shall be the Rate Mode prior to the proposed Conversion and the Interest Rate thereon shall be calculated without regard to the proposed conversion.

All Reoffered Bonds of the Series to be converted to a different Rate Mode are required to be converted in whole to the same Rate Mode.

The Confirmation shall be in effect with respect to Reoffered Bonds in the Weekly Rate Mode and Monthly Rate Mode only.

Redemption and Purchase in Lieu of Redemption

The Reoffered Bonds are subject to redemption prior to maturity as provided below; provided, however, that any Reoffered Bonds which are Bank Bonds shall be redeemed prior to any other Reoffered Bonds.

Optional Redemption. The Reoffered Bonds in the Monthly Rate Mode or the Weekly Rate Mode are subject to redemption prior to maturity at the election of the Authority upon the request of the College, in whole or in part, on any Business Day at a Redemption Price equal to 100% of the principal amount of each Reoffered Bond or portion thereof to be redeemed, plus accrued interest to the redemption date.

Mandatory Sinking Fund Redemption. The Reoffered Bonds are subject to redemption, in part, through application of Sinking Fund Installments on June 1 of each year upon notice given as prescribed in the Resolutions and the Bond Series Certificate, at a Redemption Price equal to 100% of the principal amount of each Reoffered Bond or portion thereof to be redeemed, plus accrued interest, if any, to the date of redemption. Unless none of the Reoffered Bonds of a maturity to be so redeemed are then Outstanding and, subject to the provisions of the Bond Series Certificate permitting amounts to be credited to part or all of any one or more Sinking Fund Installments, there shall be due and the Authority shall be required to pay for the retirement of the Reoffered Bonds maturing on June 1 of each of the years set forth in the following table, the amount set forth opposite such year:

<u>Sinking Fund Payment Date</u>	<u>Amount</u>	<u>Sinking Fund Payment Date</u>	<u>Amount</u>
2010	\$285,000	2022	\$500,000
2011	300,000	2023	525,000
2012	310,000	2024	550,000
2013	330,000	2025	575,000
2014	345,000	2026	605,000
2015	360,000	2027	635,000
2016	375,000	2028	660,000
2017	395,000	2029	695,000
2018	415,000	2030	725,000
2019	435,000	2031	760,000
2020	455,000	2032	800,000
2021	480,000	2033	835,000
		2034*	395,000

* Final maturity.

Redemption of Bank Bonds. Any Reoffered Bonds that are Bank Bonds shall remain subject to redemption prior to maturity as provided by the Resolutions.

Special Redemption. The Reoffered Bonds are also subject to redemption prior to maturity, in whole or in part, at 100% of the principal amount thereof plus accrued interest to the date of redemption, at the option of the Authority on any Interest Payment Date, (i) from proceeds of a condemnation or insurance award, which proceeds are not used to repair, restore or replace the Project, and (ii) from unexpended proceeds of the Reoffered Bonds upon the abandonment of all or a portion of the Project due to a legal or regulatory impediment, subject in each case while a Credit Facility is in place, to the provisions of the Bond Series Certificate with respect to draws on the Letter of Credit.

Notice of Redemption. Each notice of redemption shall be given not less than 15 days prior to the redemption date. Each notice of redemption of Reoffered Bonds in the Monthly Rate Mode or the Weekly Rate Mode to be redeemed at the option of the Authority may state, in addition to any other condition, that the redemption is conditioned upon the availability on the redemption date of available moneys sufficient to pay the Redemption Price of the Reoffered Bonds to be redeemed.

Purchase In Lieu of Redemption. Any Reoffered Bond which is subject to optional redemption may be purchased by the Trustee at the direction of the College with the consent of the Authority. Such Reoffered Bond

need not be cancelled upon purchase, but may be resold with the same terms or such different terms as may be agreed upon by the College and the purchasers with the consent of the Authority. If the College elects to purchase Reoffered Bonds, the College shall give written notice to the Authority, the Bank and the Confirming Bank of such election, which notice shall set forth the Bonds to be purchased.

Selection of Reoffered Bonds to be Redeemed. If less than all of the Outstanding Reoffered Bonds of a Series of like maturity are to be redeemed or purchased in lieu of redemption as described herein, Bank Bonds, if any, shall be redeemed first. Thereafter, the Trustee shall select for redemption Bonds of such Series of Reoffered Bonds, using such method of selection as it deems proper in its discretion, in accordance with the Resolution.

Tender of the Reoffered Bonds

Optional Tender of Book-Entry Bonds. For so long as a Reoffered Bond bears interest in a Monthly Rate Mode or a Weekly Rate Mode during which such Reoffered Bond is a Book-Entry Bond, a Direct Participant, acting on behalf of a Beneficial Owner, has the right to tender all or any portion, in an Authorized Denomination, of the principal amount of such Beneficial Owner's interest in any Reoffered Bond for purchase on any Optional Tender Date, by giving or delivering to the Remarketing Agent and the Tender Agent at their respective principal offices a Tender Notice stating (i) the aggregate principal amount in an Authorized Denomination of each Reoffered Bond or portion thereof to be purchased, and (ii) that such principal amount of the Reoffered Bond (in an Authorized Denomination) must be purchased on such Optional Tender Date pursuant to the Bond Series Certificate. Optional Tender Date means any Interest Payment Date while the Reoffered Bonds bear interest in the Monthly Rate Mode. Optional Tender Date means any Business Day while the Reoffered Bonds bear interest in the Weekly Rate Mode.

Such Tender Notice must be delivered in the case of Reoffered Bonds bearing interest at a Monthly Rate or a Weekly Rate, not later than 5:00 P.M., New York City time, on the seventh business day prior to the Optional Tender Date.

Any Tender Notice so given or delivered shall be irrevocable and shall be binding on the Direct Participant, the Beneficial Owner on whose behalf such notice was given and any transferee of such Beneficial Owner. The principal amount of the Reoffered Bonds for which a Tender Notice has been given or delivered shall be deemed tendered on the Optional Tender Date without presentation or surrender of the Reoffered Bonds to the Tender Agent. If there is on deposit with the Tender Agent on the Optional Tender Date an amount sufficient to pay the Purchase Price of the aggregate principal amount of Reoffered Bonds to be tendered on such Optional Tender Date pursuant to a Tender Notice given pursuant to this paragraph, ownership of such aggregate principal amount of Reoffered Bonds shall be recorded in the records of DTC as transferred in accordance with the provisions of the Bond Series Certificate.

Optional Tender of Other Bonds. For so long as the Reoffered Bonds bear interest in a Daily Rate Mode, a Monthly Rate Mode or a Weekly Rate Mode during which the Reoffered Bonds are not Book Entry Bonds, the Holders of the Reoffered Bonds shall have the right to tender any Reoffered Bond (or portion thereof in an Authorized Denomination) to the Tender Agent for purchase on any Optional Tender Date upon delivery of a Tender Notice in accordance with the Bond Series Certificate.

Mandatory Tenders. The Reoffered Bonds in the Monthly Rate Mode or the Weekly Rate Mode are subject to mandatory tender and purchase at the Purchase Price on the following dates:

- (i) on each Conversion Date;
- (ii) on a date that is not less than three Business Days prior to the Expiration Date of the Letter of Credit or Confirmation, which Letter of Credit or Confirmation will be drawn upon to pay the Purchase Price of Tendered Bonds, unless such Letter of Credit or Confirmation has been extended at least twenty (20) days prior to such expiration date;
- (iii) on the effective date of a Substitute Credit Facility or Confirmation with respect thereto delivered with respect to a Reoffered Bond (or if such day is not a Business Day, on the immediately

preceding Business Day); provided, however, the Letter of Credit or Confirmation shall be drawn upon to pay the Purchase Price of Tendered Bonds that have not been remarketed; and

(iv) on the date specified in a notice delivered by the Credit Facility Issuer or its agent to the Trustee, the Remarketing Agent and the Authority stating that:

(A) an Event of Default has occurred under the Reimbursement Agreement or there has not been a reinstatement of a draw on the Credit Facility (other than a draw relating to a permanent reduction of the stated amount of the Credit Facility),

(B) the Credit Facility Issuer has elected to require a mandatory tender of the Series 2008A Bonds as provided in the Reimbursement Agreement, and

(C) the mandatory tender will occur on a date set forth in the notice, but in any event a date which may not be less than two, or more than ten, Business Days after the receipt by the Trustee, the Remarketing Agent and the Authority of such notice.

(v) the Reoffered Bonds in connection with which a Confirmation is in effect shall be tendered for purchase following a draw on the Confirmation to pay the Purchase Price of Reoffered Bonds unless on or prior to the 10th day following such draw the Trustee receives a notice from the Confirming Bank stating that such Confirmation will be reinstated. Such Mandatory Tender will occur two Business Days after the end of such 10 day period.

Notices of Mandatory Tenders. The Tender Agent will give notice of the mandatory tender to the Remarketing Agent and the Depository:

(i) when the Reoffered Bonds of a Series are to be tendered for purchase on Conversion to a new Rate Mode, not more than three Business Days after the Conversion Notice is received;

(ii) when the Reoffered Bonds of a Series are to be tendered for purchase on the Expiration Date of the Letter of Credit or in connection with the delivery of a Substitute Credit Facility, not less than five Business Days prior to the earlier of the Expiration Date of the Letter of Credit or the effective date of the Substitute Credit Facility; and

(iii) when the Reoffered Bonds of a Series are to be tendered for purchase at the direction of the Bank, not less than one Business Day prior to the date of the mandatory tender specified by the Bank.

If the Reoffered Bonds are not held by a Depository, notices will be sent by first class mail to the Holders of the Reoffered Bonds.

Tendered and Deemed Tendered Bonds. If a Bondholder fails to deliver to the Tender Agent, on or before the applicable Tender Date, all or any portion of a Reoffered Bond subject to mandatory tender for purchase or any Reoffered Bond, other than a Book Entry Bond, for which an election to tender has been duly made, such Reoffered Bond (or portion thereof in an Authorized Denomination) shall be deemed to have been properly tendered to the Tender Agent. To the extent that there is on deposit with the Tender Agent on the purchase date thereof an amount sufficient to pay the Purchase Price of the Tendered Bonds, such Tendered Bonds will cease to constitute or represent a right to payment of principal or interest thereon and will constitute and represent only the right to the payment of the Purchase Price payable on such date. The foregoing shall not limit the right of any person who on a Record Date is the Holder of a Reoffered Bond to receipt of interest, if any, due thereon on the date such Reoffered Bond is required to be purchased.

Purchase of Tendered Bonds. On each Tender Date the Tendered Bonds shall be purchased (but solely from Available Moneys) at the applicable Purchase Price, which will be paid by 3:00 P.M., New York City time, on the Tender Date. The Purchase Price for the Tendered Bonds shall be paid by the Tender Agent from and in following order of priority: the proceeds of remarketing of the Tendered Bonds; amounts drawn on the Letter of

Credit; amounts drawn on the Confirmation or certain other Available Moneys, if any, under the Bond Series Certificate. No Tendered Bond so purchased with moneys made available by the Bank or the Confirming Bank shall cease to be Outstanding solely by reason of the purchase thereof.

Remarketing of Reoffered Bonds. Upon receipt of any notice given pursuant to the Bond Series Certificate that any Reoffered Bonds will be or are required to be tendered for purchase, the Remarketing Agent shall use its best efforts to remarket such Tendered Bond on its Tender Date at a price equal to the Purchase Price.

Notwithstanding any other provision of the Series Resolution or the Bond Series Certificate to the contrary, so long as any Reoffered Bond is registered in the name of Cede & Co, as nominee of DTC, all payments with respect to principal of, interest, purchase price and premium, if any, and all deliveries to be made and all notices to be delivered with respect to such Reoffered Bonds shall be made and given, respectively, pursuant to DTC's rules and procedures.

Limitations on Remarketings. Remarketing of the Reoffered Bonds is subject to the following limitations:

(i) The Remarketing Agent shall not, during any period during which the Letter of Credit is in effect, remarket Tendered Bonds if:

(A) upon such remarketing the amount available to be drawn under the Letter of Credit together with amounts on deposit in the Credit Facility Account of the Debt Service Fund, for the payment of the principal or Purchase Price of the Outstanding Reoffered Bonds of the applicable Series is less than the principal of such Reoffered Bonds that are not Bank Bonds, or an amount available to be drawn under the Letter of Credit for payment of the interest on such Outstanding Reoffered Bonds, is less than the minimum amount required to be available under Credit Facilities in accordance with the Bond Series Certificate;

(B) the Credit Facility then in effect will expire or terminate within twenty (20) days after the Tender Date of the Tendered Bonds, unless and until such Credit Facility has been extended or a Substitute Credit Facility has been delivered to the Tender Agent; or

(C) the Tendered Bonds were tendered pursuant to a mandatory tender required by the Bank following an Event of Default under the Reimbursement Agreement.

(ii) No Tendered Bonds shall be remarketed by the Remarketing Agent for purchase by the Authority or the College unless there has been delivered to the Trustee an opinion of Bond Counsel to the effect that payment of the Purchase Price of Tendered Bonds from moneys paid by or on behalf of the Authority or the College for the purchase of such Tendered Bonds will not constitute a voidable preference under Section 547 of the United States Bankruptcy Code in a proceeding commenced by or against the Authority or the College thereunder.

(iii) The Remarketing Agent is required to use its best efforts to remarket the tendered Reoffered Bonds for which it serves as Remarketing Agent. However, the Remarketing Agent is not required to remarket any tendered Reoffered Bonds under certain circumstances. The Remarketing Agreement provides that the Remarketing Agent is not required to remarket any tendered Reoffered Bonds if (a) the Remarketing Agent determines that any applicable disclosure document or continuing disclosure undertaking required in connection with the remarketing of the Reoffered Bonds is either unavailable or not adequate or (b) the Remarketing Agent has received an opinion of Bond Counsel that the exclusion from gross income of interest on the Reoffered Bonds for federal income tax purposes, or the exemption from registration under the Securities Act of 1933, or the exemption from qualification of the Resolutions Act of 1939 can be challenged.

The Remarketing Agent

The Authority, at the request of the College, appointed RBC Capital Markets Corporation, as the Remarketing Agent for the Reoffered Bonds. In accordance with the Resolutions, the Bond Series Certificate and the Remarketing Agreement, the Remarketing Agent will use its best efforts to find purchasers for tendered

Reoffered Bonds. The Remarketing Agent can be contacted at 3 World Financial Center, 200 Vesey Street, 12th Floor, New York, New York 10281.

Amendments to the Bond Series Certificate

The provisions of the Bond Series Certificate may be amended in any way without the consent of the Holders of the Reoffered Bonds, but with the consent of the Bank: (i) on any Mandatory Tender Date; and (ii) at any time during the Monthly Rate Mode or the Weekly Rate Mode provided that notice of such amendment is given by first class mail to each Holder of Reoffered Bonds at least 30 days prior to the effective date of such amendment.

Medium and Place of Payment

Payments of interest due on the Reoffered Bonds shall be made by the Trustee by mailing a check in the amount due for such interest on each Interest Payment Date to the registered owner of each Reoffered Bond on the Record Date immediately preceding such Interest Payment Date, to such registered owner's address as it appears on the registry books of the Authority, or, at the request of a registered owner, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has not later than five days prior to the applicable Record Date immediately preceding such Interest Payment Date directed the Trustee to wire such interest payment; provided, however, anything elsewhere in the Resolutions to the contrary notwithstanding, that interest in respect of all Reoffered Bonds registered in the name of DTC or a successor securities repository (or the nominee of DTC or such successor) shall be paid by wire transfer at the wire transfer address therefor.

The Reoffered Bonds when issued will be registered in the name of Cede & Co., as bondowner and nominee of DTC. So long as DTC, or its nominee, Cede & Co., is the registered owner of all Reoffered Bonds, all payments on the Reoffered Bonds will be made directly to DTC and disbursement of such payments to the DTC Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners of the Reoffered Bonds will be the responsibility of the DTC Participants and Indirect Participants as more fully described in "Book-Entry Only System".

Transfer and Exchange of Reoffered Bonds

Reoffered Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or such owner's attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Reoffered Bonds of the same series, maturity and tenor of any other authorized denominations.

All Reoffered Bonds issued hereunder shall be negotiable as provided in the Act, subject to the provisions for registration and transfer contained in the Resolution and in the Reoffered Bonds. So long as any of the Reoffered Bonds shall not have matured or been called for redemption, the Authority shall maintain and keep, or cause to be maintained and kept, at the designated office of the Trustee, books for the registration and transfer of Reoffered Bonds; and, upon presentation thereof for such purpose at said office, the Authority shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Reoffered Bond entitled to registration or transfer. So long as any of the Reoffered Bonds have not matured or been called for redemption, the Authority shall make all necessary provisions to permit the exchange of Reoffered Bonds at the principal corporate trust office of the Trustee.

Each Reoffered Bond shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the principal corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or such owner's duly authorized attorney and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Reoffered Bond, the Authority shall cause to be issued in the name of the transferee a new Reoffered Bond or Reoffered Bonds of the same aggregate principal amount, series, maturity and tenor as the surrendered Reoffered Bonds.

The Authority and the Trustee may deem and treat the person in whose name any Outstanding Reoffered Bond shall be registered upon the books of the Authority as the absolute owner of such Reoffered Bond, whether such Reoffered Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on such Reoffered Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon such owner's order shall be valid and effectual to satisfy and discharge the liability upon such Reoffered Bond to the extent of the sum or sums paid, and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

For a more complete description of the redemption and other provisions relating to the Reoffered Bonds, see "Appendix C - Summary of Certain Provisions of the Resolution."

¹ Interest on the Series 2008A Bonds is calculated on the basis of an assumed interest rate of 3.00% per annum for the Series 2008A Bonds not hedged by an interest rate swap and 3.69% for the \$6,680,000 hedged by an interest rate swap. The College has previously entered into an interest rate swap agreement with respect to \$6,680,000 of the Series 2008A Bonds whereby the College will pay fixed rates of interest and receive floating rates of interest.

Special Considerations Relating to the Reoffered Bonds Bearing Interest at a Monthly or Weekly Rate

The Remarketing Agent Is Paid by the College. The Remarketing Agent's responsibilities include determining the interest rate from time to time and using best efforts to remarket Reoffered Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Remarketing Agreement and the Bond Series Certificate), as further described in this Reoffering Circular. The Remarketing Agent is appointed by the Authority and is paid by the College for its services. As a result, the interests of the Remarketing Agent may differ from those of existing Bondholders and potential purchasers of Reoffered Bonds.

The Remarketing Agent May Purchase Reoffered Bonds for Its Own Account. The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, may purchase such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered Reoffered Bonds for its own account and, in its sole discretion, may acquire such tendered Reoffered Bonds in order to achieve a successful remarketing of the Reoffered Bonds (*i.e.*, because there otherwise are not enough buyers to purchase the Reoffered Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Reoffered Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Reoffered Bonds by routinely purchasing and selling Reoffered Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Reoffered Bonds. The Remarketing Agent may also sell any Reoffered Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Reoffered Bonds. The purchase of Reoffered Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Reoffered Bonds in the market than is actually the case. The practices described above also may result in fewer Reoffered Bonds being tendered in a remarketing.

Bonds May Be Offered at Different Prices on Any Date Including a Reset Date. Pursuant to the Remarketing Agreement, the Remarketing Agent is required to use its best efforts to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Reoffered Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable Reset Date. The interest rate will reflect, among other factors, the level of market demand for the Reoffered Bonds (including whether the Remarketing Agent is willing to purchase the Reoffered Bonds for its own account). There may or may not be Reoffered Bonds tendered and remarketed on a Reset Date, the Remarketing Agent may or may not be able to remarket any Reoffered Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Reoffered Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Reoffered Bonds at the remarketing price. In the event the Remarketing Agent owns any Reoffered Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such Reoffered Bonds on any date, including the Reset Date, at a discount to par to some investors.

The Ability to Sell the Reoffered Bonds Other Than through Tender Process May Be Limited. The Remarketing Agent may buy and sell Reoffered Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require Holders that wish to tender their Reoffered Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Reoffered Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Reoffered Bonds other than by tendering the Reoffered Bonds in accordance with the tender process.

Under Certain Circumstances, the Remarketing Agent May be Removed, Resign or Cease Remarketing the Reoffered Bonds, Without a Successor Being Named. Under certain circumstances the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement and the Bond Series Certificate. In the event there is no Remarketing Agent, the Trustee may assume such duties as described in the Resolutions and the Bond Series Certificate, which are limited to accepting notices of tender.

Book-Entry Only System

DTC is acting as securities depository for the Reoffered Bonds. The Reoffered Bonds have been issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Reoffered Bond certificate has been issued for the Reoffered Bonds, in the aggregate principal amount of the Reoffered Bonds, and has been deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Reoffered Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Reoffered Bonds on DTC's records. The ownership interest of each actual purchaser of each Reoffered Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners, however, are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Reoffered Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Reoffered Bonds, except in the event that use of the book-entry system for the Reoffered Bonds is discontinued.

To facilitate subsequent transfers, all Reoffered Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Reoffered Bonds with DTC and their registration in the name of Cede & Co. or other such DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Bondholders; DTC's records reflect only the identity of the Direct Participants to whose accounts such Reoffered Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Reoffered Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Reoffered Bonds, such as redemptions, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of the Reoffered Bonds may wish to ascertain that the nominee holding the Reoffered Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption and mandatory tender notices shall be sent to DTC. If less than all of the Reoffered Bonds within a single maturity of an issue are being redeemed or are subject to mandatory tender, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed or tendered.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Reoffered Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Reoffered Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal or purchase price of and redemption premium, if any, and interest payments on the Reoffered Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Authority or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be required by an authorized representative of DTC) is the responsibility of the College, the Trustee or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Reoffered Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Reoffered Bonds by causing the Direct Participant to transfer the Participant's interest in the Reoffered Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Reoffered Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Reoffered Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Reoffered Bonds to the Trustee's account.

DTC may discontinue providing its services as depository with respect to the Reoffered Bonds at any time by giving reasonable notice to the Authority or Trustee. Under such circumstances, in the event that a successor depository is not obtained, Reoffered Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Reoffered Bond certificates will be printed and delivered to DTC.

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE AUTHORITY BELIEVES TO BE RELIABLE, BUT NONE OF THE AUTHORITY, THE COLLEGE, THE BANK, THE CONFIRMING BANK OR THE REMARKETING AGENT TAKES RESPONSIBILITY FOR THE ACCURACY THEREOF.

NONE OF THE AUTHORITY, THE COLLEGE, THE TRUSTEE, THE REMARKETING AGENT, THE BANK OR THE CONFIRMING BANK WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC PARTICIPANTS OR PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR DTC PARTICIPANTS, INDIRECT PARTICIPANTS, OR BENEFICIAL OWNERS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE REOFFERED BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED BONDHOLDERS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL BONDHOLDERS.

PART 4 - THE BANK AND THE CONFIRMING BANK

RBS CITIZENS N.A.

The following information concerning RBS Citizens, National Association (the “Bank”) has been provided by representatives of the Bank and has not been independently certified or verified by the Authority, the College or the Remarketing Agent.

The Bank is a national banking association with its main office in Providence, Rhode Island. Except for directors’ qualifying shares, the Bank is a wholly-owned subsidiary of Citizens Financial Group, Inc. (“Citizens”). Citizens is also the parent holding company for Citizens Bank of Pennsylvania and numerous other non-bank entities, and is owned by The Royal Bank of Scotland Group plc (“RBS”). RBS acquired Citizens in 1988.

The Bank was chartered in May 2005 under the name “Citizens Bank, National Association”. The Bank’s name changed from “Citizens Bank, National Association” to “RBS Citizens, National Association” in connection with the mergers of each of the following Citizens subsidiaries – Charter One Bank, National Association, RBS National Bank, Citizens Bank of Massachusetts, Citizens Bank of Connecticut, Citizens Bank New Hampshire, Citizens Bank of Rhode Island, Citizens Bank (Delaware), and CCO Mortgage Corp. – with and into Citizens Bank, National Association. Citizens Bank, National Association survived these mergers under its charter and with the new title of RBS Citizens, National Association. These mergers (as well as the name change) were effective as of September 1, 2007.

The Bank offers a wide range of retail and commercial banking services. Its loan portfolio is divided between commercial loans, including leases and commercial real estate loans, and consumer loans, including residential real estate mortgage loans. The Bank does business through its divisions, including Citizens Bank, Charter One, CCO Mortgage and RBS Card Services.

The Bank is subject to supervision and examination by the Office of the Comptroller of the Currency. It is also subject to requirements and restrictions under federal and state law, including requirements to maintain reserves against deposits, restrictions on the types and amounts of loans that may be granted and the interest that may be charged thereon, and limitations on the types of investments that may be made and the types of services that may be offered. Various consumer laws and regulations also affect the Bank’s operations.

FEDERAL HOME LOAN BANK OF BOSTON

The Federal Home Loan Bank of Boston (the “Confirming Bank”) is a federally chartered corporation organized by Congress in 1932 and is a government-sponsored enterprise (GSE). The Confirming Bank is privately capitalized and its mission is to serve the residential-mortgage and community-development lending activities of its member institutions and housing associates located in the New England region. Altogether, there are 12 district Federal Home Loan Banks (FHLBanks) located across the United States (U.S.), each supporting the lending activities of member financial institutions within their specific regions. Each FHLBank is a separate entity with its own board of directors, management, and employees.

The Confirming Bank combines private capital and public sponsorship that enables its member institutions and housing associates to assure the flow of credit and other services for housing and community development. The Confirming Bank serves the public through its member institutions and housing associates by providing these institutions with a readily available, low-cost source of funds, thereby enhancing the availability of residential-mortgage and community-investment credit. In addition, the Confirming Bank provides members a means of liquidity through a mortgage-purchase program. Under this program, members are offered the opportunity to originate mortgage loans for sale to the Confirming Bank. The Confirming Bank’s primary source of income is derived from the spread between interest-earning assets and interest-bearing liabilities. The Confirming Bank borrows funds at favorable rates due to its GSE status.

The Confirming Bank’s members and housing associates are comprised of institutions located throughout the New England region. The region is comprised of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont. Institutions eligible for membership include thrift institutions (savings banks, savings and loan associations, and cooperative banks), commercial banks, credit unions, and insurance companies that are active in housing finance. The Confirming Bank is also authorized to lend to certain nonmember institutions (called housing associates) such as state housing-finance agencies located in New England. Members are required to purchase and hold the Confirming Bank’s capital stock for advances and certain other activities transacted with the Confirming Bank. The par value of the Confirming Bank’s capital stock is \$100 and is not publicly traded on any stock exchange. In addition, the U.S. government guarantees neither the member’s investment in nor any dividend on the Confirming Bank’s stock. The Confirming Bank is capitalized by the capital stock purchased by its members and by retained earnings. Members may receive dividends, which are determined by the Confirming Bank’s board of directors, and may redeem their capital stock at par value after satisfying certain requirements. The Federal Housing Finance Board (Finance Board), an independent agency in the executive branch of the U.S. government, supervised and regulated the FHLBanks through July 29, 2008. With the passage of the Housing and Economic Recovery Act of 2008 (HERA), the newly-established, independent Federal Housing Finance Agency (Finance Agency) became the new regulator of the FHLBanks, effective July 30, 2008. All existing regulations, orders, and decisions of the Finance Board remain in effect until modified or superseded. The Finance Board was abolished one year after the date of enactment of HERA.

The Office of Finance was established by the Finance Board to facilitate the issuing and servicing of consolidated obligations (COs) of the FHLBanks. These COs are issued on a joint basis. The FHLBanks, through the Office of Finance as their agent, are the issuers of COs for which they are jointly and severally liable. The Office of Finance also provides the FHLBanks with credit and market data and maintains the FHLBanks’ joint relationships with credit-rating agencies. The Office of Finance manages the Resolution Funding Corporation (REFCorp) and Financing Corporation programs.

Moody’s Investors Service, Inc. (“Moody’s”) currently rates the Confirming Bank’s long-term bank deposits as “Aaa” and short-term bank deposits as “P-1.” Standard & Poor’s Ratings Services, a Division of the McGraw-Hill Companies, Inc. (“Standard & Poor’s”) rates the Confirming Bank’s long-term issuer credit as “AAA” and its short-term issuer credit as “A-1+.” Further information with respect to such ratings may be obtained from Moody’s and Standard & Poor’s, respectively. No assurances can be given that the current ratings of the Confirming Bank and its instruments will be maintained.

The Confirming Bank refers any purchaser or prospective purchaser of the Reoffered Bonds to all annual, quarterly and current reports filed by the Confirming Bank with the Securities and Exchange Commission.

PART 6 - THE COLLEGE

General Description of the College

St. John Fisher College is an independent, liberal arts institution in the Catholic tradition of American higher education located in Rochester, New York with enrollment of approximately 2,784 undergraduates and 631 graduate students. Founded in 1951, it is incorporated as a New York not-for-profit education corporation.

College Facilities

The College’s facilities are located on approximately 154 park-like acres, in Pittsford, New York, which is a suburb of Rochester. The campus is comprised of 24 buildings with approximately 1,000,000 square feet of residential, academic and administrative space.

The North and South campuses are separated by a four-lane state highway (Route 31 F). The north campus (approximately 90 acres) houses the principal academic, administrative, residential and athletic facilities. Two of the properties located on the north campus, the Lavery Library and Skalny Hall, are subject to a mortgage granted to the Authority. The Mortgage secures the College’s obligations under the Loan Agreement with the Authority and Reimbursement Agreement with the Bank and create a first priority mortgage and security interest with respect to the College’s obligations thereunder. The Authority will assign all of its rights under the mortgage to the Trustee for the benefit of the Bondholders and the Bank. The south campus (approximately 50 acres) consists of 2 separate sites. One site, approximately 47 acres, includes a residence building (Murphy Hall), a nine-hole golf course, baseball and softball fields.

The other site, approximately 3 acres and directly across the main entrance of the North Campus, consists of a 16,000 sq. ft. building (James Alesi Building) that houses three classrooms, and six faculty offices. Two classrooms are equipped with multi-media computer technology, and the other classroom is equipped with video teleconferencing capabilities. This building is used for graduate programs.

Governance

The College is governed by a self-perpetuating Board of Trustees of not more than 40 members.

Administration

The President of the College is the appointed by the Board of Trustees and, as chief executive officer, is principally responsible for the administration of the College. All other principal executives of the College are nominated by the President and appointed by the Board of Trustees.

PART 7 - THE AUTHORITY

Background, Purposes and Powers

The Authority is a body corporate and politic constituting a public benefit corporation. The Authority was created by the Act for the purpose of financing and constructing a variety of facilities for certain independent colleges and universities and private hospitals, certain not-for-profit institutions, public educational institutions

including The State University of New York, The City University of New York and Boards of Cooperative Educational Services (“BOCES”), certain school districts in the State, facilities for the Departments of Health and Education of the State, the Office of General Services, the Office of General Services of the State on behalf of the Department of Audit and Control, facilities for the aged and certain judicial facilities for cities and counties. The Authority is also authorized to make and purchase certain loans in connection with its student loan program. To carry out this purpose, the Authority was given the authority, among other things, to issue and sell negotiable bonds and notes to finance the construction of facilities of such institutions, to issue bonds or notes to refund outstanding bonds or notes and to lend funds to such institutions.

On September 1, 1995, the Authority through State legislation (the “Consolidation Act”) succeeded to the powers, duties and functions of the New York State Medical Care Facilities Finance Agency (the “Agency”) and the Facilities Development Corporation (the “Corporation”), each of which will continue its corporate existence in and through the Authority. Under the Consolidation Act, the Authority has also acquired by operation of law all assets and property, and has assumed all the liabilities and obligations, of the Agency and the Corporation, including, without limitation, the obligation of the Agency to make payments on its outstanding bonds, and notes or other obligations. Under the Consolidation Act, as successor to the powers, duties and functions of the Agency, the Authority is authorized to issue and sell negotiable bonds and notes to finance and refinance mental health services facilities for use directly by the New York State Department of Mental Hygiene and by certain voluntary agencies. As such successor to the Agency, the Authority has acquired additional authorization to issue bonds and notes to provide certain types of financing for certain facilities for the Department of Health, not-for-profit corporations providing hospital, medical and residential health care facilities and services, county and municipal hospitals and nursing homes, not-for-profit and limited profit nursing home companies, qualified health maintenance organizations and health facilities for municipalities constituting social services districts. As successor to the Corporation, the Authority is authorized, among other things, to assume exclusive possession, jurisdiction, control and supervision over all State mental hygiene facilities and to make them available to the Department of Mental Hygiene, to provide for construction and modernization of municipal hospitals, to provide health facilities for municipalities, to provide health facilities for voluntary non-profit corporations, to make its services available to the State Department of Correctional Services, to make its services available to municipalities to provide for the design and construction of local correctional facilities, to provide services for the design and construction of municipal buildings, and to make loans to certain voluntary agencies with respect to mental hygiene facilities owned or leased by such agencies.

The Authority has the general power to acquire real and personal property, give mortgages, make contracts, operate dormitories and other facilities and fix and collect rentals or other charges for their use, contract with the holders of its bonds and notes as to such rentals and charges, make reasonable rules and regulations to assure the maximum use of facilities, borrow money, issue negotiable bonds or notes and provide for the rights of their holders and adopt a program of self-insurance.

In addition to providing financing, the Authority offers a variety of services to certain educational, governmental and not-for-profit institutions, including advising in the areas of project planning, design and construction, monitoring project construction, purchasing of furnishings and equipment for projects, designing interiors of projects and designing and managing projects to rehabilitate older facilities. In succeeding to the powers, duties and functions of the Corporation as described above, the scope of design and construction services afforded by the Authority has been expanded.

Outstanding Indebtedness of the Authority (Other than Indebtedness Assumed by the Authority)

At September 30, 2009, the Authority had approximately \$40.5 billion aggregate principal amount of bonds and notes outstanding, excluding indebtedness of the Agency assumed by the Authority on September 1, 1995 pursuant to the Consolidation Act. The debt service on each such issue of the Authority’s bonds and notes is paid from moneys received by the Authority or the trustee from or on behalf of the entity having facilities financed with the proceeds from such issue or from borrowers in connection with its student loan program.

The Authority’s bonds and notes include both special obligations and general obligations of the Authority. The Authority’s special obligations are payable solely from payments required to be made by or for the account of

the institution for which the particular special obligations were issued or from borrowers in connection with its student loan program. Such payments are pledged or assigned to the trustees for the holders of respective special obligations. The Authority has no obligation to pay its special obligations other than from such payments. The Authority's general obligations are payable from any moneys of the Authority legally available for the payment of such obligations. However, the payments required to be made by or for the account of the institution for which general obligations were issued generally have been pledged or assigned by the Authority to trustees for the holders of such general obligations. The Authority has always paid the principal of and interest on its special and general obligations on time and in full.

Claims and Litigation

Although certain claims and litigation have been asserted or commenced against the Authority, the Authority believes that these claims and litigation are covered by the Authority's insurance or by bonds filed with the Authority should the Authority be held liable in any of such matters, or that the Authority has sufficient funds available or the legal power and ability to seek sufficient funds to meet any such claims or judgments resulting from such litigation.

Other Matters

New York State Public Authorities Control Board

The New York State Public Authorities Control Board (the "PACB") has authority to approve the financing and construction of any new or reactivated projects proposed by the Authority and certain other public authorities of the State. The PACB approves the proposed new projects only upon its determination that there are commitments of funds sufficient to finance the acquisition and construction of the projects. The Authority has obtained the approval of the PACB prior to the issuance of the Series 2008A Bonds.

Legislation

From time to time, bills are introduced into the State Legislature which, if enacted into law, would affect the Authority and its operations. The Authority is not able to represent whether such bills will be introduced or become law in the future. In addition, the State undertakes periodic studies of public authorities in the State

(including the Authority) and their financing programs. Any of such periodic studies could result in proposed legislation which, if adopted, would affect the Authority and its operations.

Environmental Quality Review

The Authority complies with the New York State Environmental Quality Review Act and with the New York State Historic Preservation Act of 1980, and the respective regulations promulgated thereunder respecting the Project to the extent such acts and regulations are applicable.

Independent Auditors

The accounting firm of KPMG LLP audited the financial statements of the Authority for the fiscal year ended March 31, 2009. Copies of the most recent audited financial statements are available upon request at the offices of the Authority.

PART 8 - LEGALITY OF THE REOFFERED BONDS FOR INVESTMENT AND DEPOSIT

Under New York State law, the Reoffered Bonds are securities in which all public officers and bodies of the State and all municipalities and municipal subdivisions, all insurance companies and associations, all savings banks and savings institutions, including savings and loan associations, administrators, guardians, executors, trustees, committees, conservators and other fiduciaries in the State may properly and legally invest funds in their control.

The Reoffered Bonds may be deposited with the State Comptroller to secure deposits of State moneys in banks, trust companies and industrial banks.

PART 9 - NEGOTIABLE INSTRUMENTS

The Reoffered Bonds are negotiable instruments as provided in the Act, subject to the provisions for registration and transfer contained in the Resolution and in the Reoffered Bonds.

PART 10 - TAX MATTERS

Federal Income Taxes

In the opinion of Harris Beach PLLC, Bond Counsel, and subject to the limitations set forth in the immediately succeeding paragraph, under the existing statutes, regulations, administrative rulings and court decisions as of the date of the remarketing of the Series 2008A Bonds (as remarketed, the "Reoffered Bonds"), the interest on the Reoffered Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code. Furthermore, Bond Counsel is of the opinion that interest on the Reoffered Bonds is not an "item of tax preference" for purposes of computing the federal alternative minimum tax imposed on individuals and corporations and is not included in "adjusted current earnings" for purposes of calculating the federal alternative minimum tax liability of corporations. Bond Counsel expresses no opinion regarding other federal income tax consequences caused by the receipt or accrual of interest on the Reoffered Bonds.

The Code establishes certain requirements which must be met at and subsequent to the remarketing of the Reoffered Bonds in order that interest on the Reoffered Bonds will be and remain excludable from gross income for federal income tax purposes. Included among these continuing requirements are certain restrictions and prohibitions on the use of bond proceeds, restrictions on the investment of proceeds of the Reoffered Bonds and other moneys or properties, required ownership of a facility by an organization described in Section 501(c)(3) of the Code or a governmental unit, and the rebate to the United States of certain earnings in respect of investments. Failure to comply with the continuing requirements may cause the interest on the Reoffered Bonds to be included in gross income for federal income tax purposes retroactive to the date of their remarketing irrespective of the date on which such noncompliance occurs. In the Bond Series Certificate, the Loan Agreement, the Tax Certificate and accompanying documents, exhibits and certificates, the Authority and the College have covenanted to comply with

certain procedures, and have made certain representations and certifications, designed to assure satisfaction of the requirements of the Code. In rendering the above-described opinion, Bond Counsel has assumed the accuracy of such representations and certifications and the continuing compliance by the Authority and the College with such covenants.

In addition to the matters referred to in the preceding paragraphs, prospective purchasers of the Reoffered Bonds should be aware that the accrual or receipt of interest on the Reoffered Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences may depend upon the recipient's particular tax status or other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences. Examples of such other federal income tax consequences of acquiring or holding the Reoffered Bonds include, without limitation, that (i) with respect to certain insurance companies, the Code reduces the deduction for loss reserves by a portion of the sum of certain items, including interest on the Reoffered Bonds, (ii) interest on the Reoffered Bonds earned by certain foreign corporations doing business in the United States may be subject to a branch profits tax imposed by the Code, (iii) passive investment income, including interest on the Reoffered Bonds, may be subject to federal income taxation under the Code for certain S corporations that have certain earnings and profits, and (iv) the Code requires recipients of certain Social Security and certain other federal retirement benefits to take into account, in determining gross income, receipts or accruals of interest on the Reoffered Bonds. In addition, the Code denies the interest deduction for indebtedness incurred or continued by a taxpayer, including without limitation, banks, thrift institutions, and certain other financial institutions to purchase or carry tax-exempt obligations, such as the Reoffered Bonds. All prospective purchasers of the Reoffered Bonds should consult with their tax advisors in order to understand the implications of the Code as to these and other federal and state tax consequences, as well as any local tax consequences, of purchasing or holding the Reoffered Bonds.

Certain requirements and procedures contained or referred to in the Bond Series Certificate, the Loan Agreement, the Tax Certificate and other relevant documents may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of a nationally recognized bond counsel. Bond Counsel expresses no opinion as to any tax consequences with respect to the Reoffered Bonds, or the interest thereon, if any such change occurs or actions are taken upon the advice or approval of bond counsel other than Harris Beach PLLC.

Bond Counsel has not undertaken to advise in the future whether any events occurring (or not occurring) or any actions taken (or not taken) after the date of reoffering of the Reoffered Bonds may affect the tax status of interest on the Reoffered Bonds. In addition, no assurance can be given that future legislation or amendments to the Code, if enacted into law, will not contain provisions which could directly or indirectly reduce the benefit of the exclusion of the interest on the Reoffered Bonds from gross income for federal income tax purposes.

State and Local Income Taxes

In the opinion of Bond Counsel, under existing statutes as of the date of remarketing of the Reoffered Bonds, interest on the Reoffered Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including, without limitation, the City of New York).

Attached to this Reoffering Circular as Appendix E and made a part hereof is the form of approving opinion of Bond Counsel.

Interest on the Reoffered Bonds may or may not be subject to state or local income taxes in jurisdictions other than the State of New York under applicable state or local tax laws. Bond Counsel expresses no opinion as to the tax treatment of the Reoffered Bonds under other state or local jurisdictions. Each purchaser of the Reoffered Bonds should consult his or her own tax advisor regarding the taxable status of the Reoffered Bonds in a particular state or local jurisdiction other than the State of New York.

Other Considerations

No assurance can be given that any future legislation, including amendments to the Code or the State income tax laws, regulations, administrative rulings, or court decisions, will not cause interest on the Reoffered Bonds to be subject, directly or indirectly, to federal or State or local income taxation, or otherwise prevent Bondholders from realizing the full current benefit of the tax status of such interest. Further no assurance can be given that the introduction or enactment of any such future legislation, or any judicial decisions or actions of the Internal Revenue Service, including but not limited to regulations, rulings, the selection of the Reoffered Bonds for audit examination, or the course or result of any Internal Revenue Service examination of the Reoffered Bonds or of obligations which present similar tax issues, will not affect the market price or marketability of the Reoffered Bonds. Prospective purchasers of the Reoffered Bonds should consult their own tax advisors regarding the forgoing matters.

All quotations from and summaries and explanations of provisions of law do not purport to be complete and reference is made to such laws for full and complete statements of their provisions.

ALL PROSPECTIVE PURCHASERS OF THE REOFFERED BONDS SHOULD CONSULT WITH THEIR TAX ADVISORS IN ORDER TO UNDERSTAND THE IMPLICATIONS OF THE CODE AS TO OTHER FEDERAL AND STATE TAX CONSEQUENCES, AS WELL AS ANY LOCAL TAX CONSEQUENCES, OF PURCHASING OR HOLDING THE REOFFERED BONDS.

PART 11 - STATE NOT LIABLE ON THE REOFFERED BONDS

The Act provides that notes and bonds of the Authority are not a debt of the State, that the State is not liable on them and that such notes and bonds are not payable out of any funds other than those of the Authority. The Resolution specifically provides that the Reoffered Bonds are not a debt of the State and that the State is not liable on them.

PART 12 - COVENANT BY THE STATE

The Act states that the State pledges and agrees with the holders of the Authority's notes and bonds that the State will not limit or alter the rights vested in the Authority to provide projects, to establish and collect rentals therefrom and to fulfill agreements with the holders of the Authority's notes and bonds or in any way impair the rights and remedies of the holders of such notes or bonds until such notes or bonds and interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of such notes or bonds are fully met and discharged. Notwithstanding the State's pledges and agreements contained in the Act, the State may in the exercise of its sovereign power enact or amend its laws which, if determined to be both reasonable and necessary to serve an important public purpose, could have the effect of impairing these pledges and agreements with the Authority and with the holders of the Authority's notes or bonds.

PART 13 - LEGAL MATTERS

All legal matters incidental to the conversion and remarketing of the Reoffered Bonds by the Authority are subject to the approval of Harris Beach PLLC, Rochester, New York, Bond Counsel to the Authority, whose approving opinion, in substantially the form attached hereto as Appendix E, will be delivered with the Reoffered Bonds. Certain legal matters will be passed upon for the College by its Counsel, Nixon Peabody LLP, Rochester, New York. Certain legal matters will be passed upon for the Remarketing Agent by its counsel, Bond, Schoeneck & King, PLLC, Syracuse, New York. Certain legal matters will be passed upon for the Bank by its counsel, Hiscock & Barclay, LLP, Syracuse, New York. Certain legal matter will be passed upon for the Confirming Bank by its counsel, Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C.

PART 14 - ABSENCE OF MATERIAL LITIGATION

To the knowledge of the Authority and the College, there is no litigation pending or threatened, seeking to restrain or enjoin the remarketing or offering of the Reoffered Bonds or questioning or affecting the validity of the Reoffered Bonds or the proceedings and authority under which they were issued or which in any manner questions

the right of the Authority to finance the Project in accordance with the provisions of the Act, the Resolutions and the Tax Certificate. Neither the creation, organization or existence of the Authority, nor the title of the present members or officers of the Authority to their respective offices, is being contested.

Neither the creation, organization or existence of the College, nor the title of the present members, trustees or officers of the College to their respective offices, is being contested. To the knowledge of the College, no litigation is pending or threatened, which in any manner questions the right of the College to engage in the transactions relating to remarketing of the Reoffered Bonds or wherein an unfavorable decision, ruling or finding would materially adversely affect the financial condition or operations of the College.

PART 15 - REMARKETING

The Reoffered Bonds are being remarketed and reoffered by RBC Capital Markets Corporation, as remarketing agent (the "Remarketing Agent") pursuant to a Firm Remarketing Agreement between the Authority and the Remarketing Agent (the "Firm Remarketing Agreement"). The reoffering of the Reoffered Bonds by the Remarketing Agent is subject to certain conditions as set forth in the Firm Remarketing Agreement and the Remarketing Agreement with respect to the Reoffered Bonds between the College and the Remarketing Agent dated as of November 25, 2008, as amended October 16, 2009 (the "Remarketing Agreement"). The Remarketing Agent will be paid a fee not to exceed \$30,000 by the College in consideration of the services of the Remarketing Agent performed in connection with the conversion, remarketing and offering of the Reoffered Bonds. The Remarketing Agent will set interest rates of the Reoffered Bonds and perform other duties and remarket the Reoffered Bonds from time to time as provided for in the Resolutions, Bond Series Certificate and the Remarketing Agreement. The Remarketing Agent may for its own account or as broker or agent for others deal in Bonds and may do anything any other Bondowner may do to the same extent as if the Remarketing Agent were not serving as such. The College has agreed to indemnify the Remarketing Agent against certain liabilities, including certain liabilities under applicable securities laws.

PART 16 - CONTINUING DISCLOSURE

The Reoffered Bonds are, while in the Monthly Rate Mode or upon conversion to a Weekly Rate Mode, exempt from Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission, and the Authority, the College, the Bank and the Confirming Bank will not be required to provide any continuing disclosure in accordance with the Rule.

The College is currently party to Continuing Disclosure Agreements (the "Disclosure Agreements") with respect to the County of Monroe Industrial Development Agency's \$27,820,000 Civic Facility Revenue Bonds (St. John Fisher College Project), Series 1999 and the County of Monroe Industrial Development Agency's \$20,000,000 Civic Facility Revenue Bonds (St. John Fisher College Project), Series 2001. The Disclosure Agreements require the College to provide Manufacturers and Traders Trust Company, as disseminating agent (the "Disseminating Agent"), certain annual operating and financial information for filing by the Disseminating Agent with the nationally recognized municipal securities information repositories ("NRMSIRs"). For the fiscal year ending May 31, 2009, the College properly filed its audited financial statements as required by the Disclosure Agreements, but, due to clerical error, failed to file the required operating data and financial information with the Disseminating Agent, for filing with the NRMSIRs, as required by the Disclosure Agreements. On October 8, 2009, the College filed with the Disseminating Agent the annual operating data and financial information for the fiscal year ending May 31, 2009, together with a Notice of Failure to Provide Annual Financial Information, for filing by the Disseminating Agent with the NRMSIRs. The College intends to file the required annual operating data and financial information with the NRMSIRs for only so long as the Disclosure Agreements are in effect.

PART 17 - DESCRIPTION OF RATINGS

Standard and Poors ("S&P") is expected to assign a long-term credit rating of "AAA" and a short-term credit rating of "A-1+" to the Reoffered Bonds. The ratings will be based on the Confirmation to be issued by the Confirming Bank. Such ratings reflect only the views of the agency assigning such ratings. Any explanation of the significance of such ratings should be obtained from the assigning rating agency. Generally, a rating agency bases its

ratings on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that the ratings will continue for any given period of time or that they will not be lowered or withdrawn entirely if, in the judgment of the rating agency rating the Reoffered Bonds circumstances so warrant. None of the Remarketing Agent, the College nor the Authority have taken any responsibility either to bring to the attention of the Bondholders any proposed downward revision in the rating of the Reoffered Bonds or to oppose any such proposed revision. Any downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Reoffered Bonds.

[THIS PAGE INTENTIONALLY LEFT BLANK]

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a brief summary of certain provisions of the Loan Agreement. This summary does not purport to be complete and reference is made to the Loan Agreement for full and complete statements of such and all provisions. The headings below are not part of the Loan Agreement but have been added for ease of reference. Defined terms used herein shall have the meaning ascribed to them in Appendix A.

Construction Of The Project

The College agrees that, whether or not there are sufficient moneys available to it under the provisions of the Resolution and the Series Resolutions and under the Loan Agreement, the College shall complete the acquisition, design, construction, reconstruction, rehabilitation and improving or otherwise providing and furnishing and equipping of the Project, substantially in accordance with the Contract Documents related to such Project. Subject to the conditions of the Loan Agreement, the Authority will, to the extent of moneys available in the Construction Fund, cause the College to be reimbursed for, or pay, any costs and expenses incurred by the College which constitute Costs of the Project, provided such costs and expenses are approved by the Authority, which approval shall not be unreasonably withheld, and provided such costs and expenses are approved in writing by the Credit Facility Issuer with a Credit Facility issued and existing with respect to the Bonds.

(Section 5)

Amendment Of The Project

The College, with the prior written consent of the Authority and the Credit Facility Issuer, which consent will not be unreasonably withheld, may amend the Project to decrease, increase or otherwise modify the scope thereof. Any such increase may provide for the addition of any further acquisition, design, construction, reconstruction, rehabilitation, renovation, improving, or otherwise providing, furnishing and equipping of the Project which the Authority is authorized to undertake. Following the date of execution and delivery of the Loan Agreement, the College shall not enter into, amend or modify, by change order or otherwise, any Contract Document that materially affects the scope or nature of the Project, without the prior written approval of the Authority and the Credit Facility Issuer, which approval shall not be unreasonably withheld. The College shall deliver to the Authority and the Credit Facility Issuer copies of such change orders as the Authority may from time to time request. The College shall provide such moneys as in the reasonable judgment of the Authority may be required for the cost of completing the Project in excess of the moneys in the Construction Fund established for such Project, whether such moneys are required as a result of an increase in the scope of the Project or otherwise. Such moneys shall be paid to the Trustee for deposit in the Construction Fund within fifteen (15) days after receipt by the College of written notice from the Authority that such moneys are required.

(Section 6)

(v) On or before the tenth (10th) day of each month commencing on the tenth (10th) day of the June immediately preceding the June 1 on which the principal or a Sinking Fund Installment of Outstanding Bonds becomes due, one-twelfth (1/12) of the principal and Sinking Fund Installment on such Bonds coming due on such June 1; provided, however, that, if with respect to the Outstanding Bonds there are less than twelve (12) such payment dates prior to the June 1 on which principal or Sinking Fund Installments come due on such Bonds, on each payment date prior to such June 1 the College shall pay with respect to such Bonds an amount equal to the principal and Sinking Fund Installments of such Bonds coming due on such June 1 multiplied by a fraction, the numerator of which is one (1) and the denominator of which is the number of payment dates prior to such June 1; provided, however, with respect to Sinking Fund Installments of Option Bonds or Variable Interest Rate Bonds that come due in months other than June, the terms of this clause (v) shall apply except that references to June shall be replaced with the applicable month(s) in which the related Sinking Fund Installment comes due;

(viii) On December 10 of each Bond Year one-half (1/2) of the Annual Administrative Fee payable during such Bond Year in connection with the Bonds, and on June 10 of each Bond Year the balance of the Annual Administrative Fee payable during such Bond Year; provided, however, that the Annual Administrative Fee with respect to the Bonds payable during the Bond Year during which such Annual Administrative Fee became effective shall be equal to the Annual Administrative Fee with respect to such Bonds multiplied by a fraction the numerator of which is the number of calendar months or parts thereof remaining in such Bond Year and the denominator of which is twelve (12);

(ix) Promptly after notice from the Authority, but in any event not later than fifteen (15) days after such notice is given, the amount set forth in such notice as payable to the Authority (A) for the Authority Fee then unpaid, (B) to reimburse the Authority for payments made by it pursuant to the provisions of the Loan Agreement summarized in paragraph (e) below and any expenses or liabilities incurred by the Authority pursuant to provisions of the Loan Agreement summarized under the headings "Covenant as to Insurance" and "Taxes and Assessments"

below and other provisions of the Loan Agreement related to indemnity by the College, (C) to reimburse the Authority for any external costs or expenses incurred by it attributable to the issuance of the Bonds or the financing or construction of the Project, including but not limited to any fees or other amounts payable by the Authority under a Remarketing Agreement, a Liquidity Facility or a Credit Facility, (D) for the costs and expenses incurred by the Authority to compel full and punctual performance by the College of all the provisions of the Loan Agreement or of the Resolution in accordance with the terms thereof, (E) for the fees and expenses of the Trustee and any Paying Agent in connection with performance of their duties under the Resolution and (F) to pay any Provider Payments then due and unpaid;

(xi) Promptly upon demand by the Authority, the difference between the amount on deposit in the Arbitrage Rebate Fund available to be rebated in connection with the Bonds the interest of which is excluded from gross income for federal income tax purposes or otherwise available therefor under the Resolution and the amount required to be rebated to the Department of the Treasury of the United States of America in accordance with the Code in connection with the Bonds;

(xii) Promptly upon demand by the Authority, all amounts required to be paid by the Authority to a counterparty of any derivative agreement in accordance with an Interest Rate Exchange Agreement or to reimburse the Authority for any amounts paid to a counterparty of any derivative agreement in accordance with an Interest Rate Exchange Agreement;

(xiii) Promptly after notice from the Trustee, the Authority, or the Credit Facility Issuer, if the amount on deposit in the Credit Facility Repayment Fund (as such term is defined in the Bond Series Certificates relating to the Bonds) is insufficient to reimburse the Credit Facility Issuer for an amount drawn upon the Credit Facility, the amount required to reimburse the Credit Facility Issuer; and

(xiv) To the extent not otherwise set forth in the paragraph (a), including without limitation, in the event of any insufficiency, any amounts necessary to pay the principal, Sinking Fund Installment, or Redemption Price, if any, of, and interest on, the Bonds, on the dates, in the amounts, at the times and in the manner provided in or pursuant to the Resolution and the Series Resolution, whether at maturity, upon acceleration, redemption or otherwise.

Subject to the provisions of the Loan Agreement and of the Resolution or the applicable Series Resolution, the College shall receive a credit against the amount required to be paid by the College during a Bond Year pursuant to paragraph (a)(v) of this summarized section on account of any Sinking Fund Installments if, prior to the date notice of redemption is given pursuant to the Resolution with respect to Bonds to be redeemed through any Sinking Fund Installments during the next succeeding Bond Year, either (i) the College delivers to the Trustee for cancellation one or more Bonds of the maturity to be so redeemed or (ii) the Trustee, at the direction of the Authority, has purchased one or more Bonds of the maturity to be so redeemed from amounts on deposit in the Debt Service Fund in accordance with the provisions of the Resolution during such Bond Year. The amount of the credit shall be equal to the principal amount of the Bonds so delivered.

Pursuant to the Loan Agreement, the Authority directs the College, and the College agrees, to make the payments required by this paragraph (a) as follows: (i) the payments required by paragraphs (a)(iii), (a)(iv), (a)(v), (a)(vii), (a)(x), (a)(xiii) and (a)(xiv) of this summarized section directly to the Trustee for deposit and application in accordance with the provisions of the Resolution; (ii) the payments required by paragraph (a)(ii) of this summarized section directly to the Trustee for deposit in the Construction Fund or other fund established under the Resolution, as directed by the Authority; (iii) the payments required by paragraphs (a)(i), (a)(viii) and (a)(ix) of this summarized section directly to the Authority; and (iv) except as otherwise provided by this paragraph, the payments required by paragraphs (a)(vi), (a)(xi) and (a)(xii) of this summarized section to or upon the written order of the Authority.

(b) Notwithstanding any provisions in the Loan Agreement or in the Resolution to the contrary (except as otherwise specifically provided for in this paragraph (b)), all moneys paid by the College to the Trustee pursuant to the Loan Agreement or otherwise held by the Trustee shall be applied in reduction of the College's indebtedness to the Authority under the Loan Agreement, first, with respect to interest and, then, with respect to the principal amount of such indebtedness, but only to the extent that, with respect to interest on such indebtedness, such moneys are applied by the Trustee for the payment of interest on Outstanding Bonds, and, with respect to the principal of such indebtedness, such moneys have been applied to, or are held for, payments in reduction of the principal amount of Outstanding Bonds and as a result thereof Bonds have been paid or deemed to have been paid in accordance with the Resolution. Except as otherwise provided in the Resolution, the Trustee shall hold such moneys in trust in accordance with the applicable provisions of the Resolution for the sole and exclusive benefit of the Holders of Bonds and the Credit Facility Issuer, regardless of the actual due date or applicable payment date of any payment to the Holders of Bonds.

(c) The obligations of the College to make payments or cause the same to be made under the Loan Agreement shall be absolute and unconditional and the amount, manner and time of making such payments shall not be decreased, abated, postponed or delayed for any cause or by reason of the happening or non-happening of any event, irrespective of any defense or any right of set-off, recoupment or counterclaim which the College may otherwise have against the Authority, the Trustee or any Holder of Bonds for any cause whatsoever including, without limiting the generality of the foregoing, failure of the College to complete the Project or the completion thereof with defects, failure of the College to occupy or use the Project, any declaration or finding that the Bonds are or the Resolution is invalid or unenforceable or any other failure or default by the Authority or the Trustee; provided, however, that nothing in the Loan Agreement shall be construed to release the Authority from the performance of any agreements on its part contained in the Loan Agreement or any of its other duties or obligations, and in the event the Authority shall fail to perform any such agreement, duty or obligation, the College may institute such action as it may deem necessary to compel performance or recover damages for non-performance. Notwithstanding the foregoing, the Authority shall have no obligation to perform its obligations under the Loan Agreement to cause advances to be made to reimburse the College for, or to pay, the Costs of the Project beyond the extent of moneys in the Construction Fund established for such Project available therefor.

The Loan Agreement and the obligations of the College to make payments under the Loan Agreement are general obligations of the College.

(d) The Authority, for the convenience of the College, shall furnish to the College statements of the due date, purpose and amount of payments to be made pursuant to the Loan Agreement. The failure to furnish such statements shall not excuse non-payment of the amounts payable under the Loan Agreement at the time and in the manner provided by the Loan Agreement. The College shall notify the Authority as to the amount and date of each payment made to the Trustee by the College.

(e) The Authority shall have the right in its sole discretion to make on behalf of the College any payment required pursuant to this summarized section which has not been made by the College when due. No such payment by the Authority shall limit, impair or otherwise affect the rights of the Authority under the provisions of the Loan Agreement summarized under the heading "Defaults and Remedies" below arising out of the College's failure to make such payment and no payment by the Authority shall be construed to be a waiver of any such right or of the obligation of the College to make such payment.

(f) The College, if it is not then in default under the Loan Agreement, shall have the right to make voluntary payments in any amount to the Trustee. In the event of a voluntary payment, the amount so paid shall be deposited in the Debt Service Fund and applied in accordance with the Resolution or held by the Trustee for the payment of Bonds in accordance with the Resolution. Upon any voluntary payment by the College or any payment made pursuant to the provisions of the Loan Agreement summarized under the heading "Sale of the Project" below, the Authority agrees to direct the Trustee to purchase or redeem Bonds in accordance with the Resolution or to give the Trustee irrevocable instructions in accordance with the Resolution with respect to such Bonds; provided, however, that in the event such voluntary payment is in the sole judgment of the Authority sufficient to pay all amounts then due under the Loan Agreement and under the Resolution, including the purchase or redemption of all Bonds Outstanding, or to pay or provide for the payment of all Bonds Outstanding in accordance with the

Resolution, the Authority agrees, in accordance with the instructions of the College, to direct the Trustee to purchase or redeem all Bonds Outstanding, or to cause all Bonds Outstanding to be paid or to be deemed paid in accordance with the Resolution.

(g) If the College elects to purchase Bonds, with the written consent of the Authority, the College shall give written notice to the Authority and the Trustee whenever Bonds are to be purchased at the election of the College, which written notice shall include the maturity and principal amount of the Bonds to be so purchased. All such purchases shall be subject to the condition that money for the payment of the purchase price therefor is available on the date set for each such purchase.

(h) Promptly upon demand by the Tender Agent or the Authority, the College shall pay to the Tender Agent such compensation due the Tender Agent in accordance with the provisions of the Bond Series Certificate relating to the Bonds.

(Section 9)

Security Interest In Pledged Revenues

As security for the payment of all liabilities and the performance of all obligations of the College pursuant to the Loan Agreement and the Reimbursement Agreement, the College does continuously pledge, grant a security interest in, and assign to the Authority the Pledged Revenues, together with the College's right to receive and collect the Pledged Revenues and the proceeds of the Pledged Revenues. This pledge, grant of a security interest in and assignment of the Pledge Revenues shall be subordinate to the Prior Pledges.

The College represents and warrants that no part of the Pledged Revenues or any right to receive or collect the same or the proceeds thereof is subject to any lien, pledge, security interest or assignment other than any existing or future parity liens on the Pledged Revenues to secure Parity Indebtedness and the Prior Pledges, and that the Pledged Revenues assigned pursuant to the Loan Agreement are legally available to provide security for the College's performance under the Loan Agreement and under the Reimbursement Agreement. The College agrees that it shall not hereafter create or permit the creation of any pledge, assignment, encumbrance, restriction, security interest in or other commitment of or with respect to the Pledged Revenues which is prior or equal to the pledge made by this summarized section; provided, however, that the College may incur Parity Indebtedness secured by a parity lien on the Pledged Revenues, as provided by the Loan Agreement.

(Section 10)

The Mortgage; Lien on Fixtures, Furnishings and Equipment

At or before the delivery by the Authority of the Bonds, the College, in its capacity as sole member of the Lessee, shall cause the Lessee to execute and deliver to the Authority, the Mortgage, in recordable form, mortgaging the Mortgaged Property, which Mortgage shall constitute a first lien on the Mortgaged Property, subject only to the Permitted Encumbrances. Concurrently with the delivery of Bonds, the Authority will assign all of its rights under the Mortgage to the Trustee for the benefit of the Bondholders and to the Credit Facility Issuer pursuant to the Collateral Assignment of Mortgage. The Trustee, with the consents of the Credit Facility Issuer and the Authority, but without the consent of the Holders of the Bonds, may consent to the amendment, modification or termination of the Collateral Assignment of Mortgage or the amendment, modification, termination, subordination or satisfaction of the Mortgage and of any security interest in fixtures, furnishings or equipment located in or on the Mortgaged Property, and the Mortgaged Property or such security interest may be released from the lien of the Mortgage, all upon such terms and conditions as the Authority and the Credit Facility Issuer may reasonably require. As a condition to such approval, the Authority may require that the College pay to the Trustee for deposit in the Debt Service Fund an amount not to exceed the aggregate principal amount of the Bonds Outstanding at the date of such transfer, sale or conveyance, as such amount is determined by the Authority. Subject to said Mortgage and the Collateral Assignment of Mortgage, the College, as sole member of the Lessee, may (i) cause the Lessee to remove equipment, furniture or fixtures from the Mortgaged Property provided that the College causes the Lessee to substitute equipment, furniture or fixtures having a value and utility at least equal to the equipment, furniture or

fixtures removed or replaced or (ii) with the prior written approval of the Authority and the Credit Facility Issuer (such approval to be in the Credit Facility Issuer's sole discretion), incur Parity Indebtedness.

(Section 12)

Warranty Of Title; Utilities And Access

The College warrants, represents and covenants to the Authority that (i) it has good and marketable title to the Project and the Lessee has a valid and binding leasehold interest in all Mortgaged Property, free and clear of liens and encumbrances, except Permitted Encumbrances, so as to permit them to have quiet enjoyment and use thereof for purposes of the Loan Agreement and the College's programs and (ii) the College has such rights of way, easements or other rights in land as may be reasonably necessary for ingress and egress to and from the Project and all Mortgaged Property for proper operation and utilization of the Project and all Mortgaged Property and for utilities required to serve the Project and all Mortgaged Property, together with such rights of way, easements or other rights in, to and over land as may be necessary for construction, use and operation by the College of the Project and all Mortgaged Property.

The College, for itself and as sole member of the Lessee, warrants, represents and covenants that the Project and all Mortgaged Property (i) is and will be serviced by all necessary utilities (including, to the extent applicable, without limitation, electricity, gas, water, sewer, steam, heating, air-conditioning and ventilation) and (ii) to the extent applicable, has and will have its own separate and independent means of access, apart from any other property owned by the College or others; provided, however, that such access may be through common roads or walks owned by the College used also for other parcels owned by the College.

The College, for itself and as sole member of the Lessee, covenants that title to the Project and all Mortgaged Property shall be kept free from any encumbrances, liens or commitments of any kind, other than Permitted Encumbrances, and such other encumbrances approved in writing by the Authority, the Credit Facility Issuer and the Trustee.

(Section 13)

Consent To Pledge And Assignment

The College, for itself and on behalf of and as sole member of the Lessee in connection with the Mortgage, consents to and authorizes the assignment, transfer or pledge by the Authority to the Trustee and the Credit Facility Issuer of the Authority's rights to receive any or all of the payments required to be made pursuant to paragraph (a) of the provisions of the Loan Agreement summarized under the heading "Financial Obligation" above, any or all security interests granted by the College under the Loan Agreement, including without limitation the security interest in all funds and accounts established by the Resolution and pledged under the Resolution, and the Authority's rights under the Mortgage in each case to secure any payment or the performance of any obligation of the College under the Loan Agreement or arising out of the transactions contemplated by the Loan Agreement whether or not the right to enforce such payment or performance shall be specifically assigned by the Authority to the Trustee or the Credit Facility Issuer. The College further agrees that the Authority may pledge and assign to the Trustee and the Credit Facility Issuer any and all of the Authority's rights and remedies under the Loan Agreement. Upon any pledge and assignment by the Authority to the Trustee and the Credit Facility Issuer authorized by this summarized section, the Trustee and the Credit Facility Issuer shall be fully vested with all of the rights of the Authority so assigned and pledged and may thereafter exercise or enforce, by any remedy provided therefor by the Loan Agreement or by law, any of such rights directly in its own name. Any such pledge and assignment shall be limited to securing the College's obligation to make all payments required by the Loan Agreement and by the Reimbursement Agreement and to performing all other obligations required to be performed by the College, on behalf of itself, and on behalf of and as sole member of the Lessee in connection with the Mortgage, under the Loan Agreement and under the Reimbursement Agreement. Any realization upon the Mortgaged Property or any pledge made or security interest granted by the Loan Agreement shall not, by operation of law or otherwise, result in cancellation or termination of the Loan Agreement or the obligations of the College under the Loan Agreement or of the Lessee under the Mortgage.

(Section 14)

Additional Representation and Covenants

(a) The College warrants and represents that (i) it has the requisite power and authority (A) to authorize, execute and deliver, and to perform its obligations under, the Loan Agreement and the Related Agreements, and (B) to incur the indebtedness contemplated by the Loan Agreement and thereby, (ii) the Loan Agreement and the Related Agreements constitute valid and binding obligations of the College enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting or relating to the rights of the creditors generally, and general principles of equity, and (iii) the execution and delivery of, consummation of the transaction contemplated by and performance of the College's obligations under the Loan Agreement and each of the Related Agreements do not violate, conflict with or constitute a default under the charter or by-laws of the College or any indenture, mortgage, trust, or other commitment or agreement to which the College is a party or by which it or any of its properties are bound, or any existing law, rule, regulation, judgment, order, writ, injunction or decree of any governmental authority, body, agency or other instrumentality or court having jurisdiction over the College or any of its properties.

(b) The College covenants, warrants and represents that the College is duly authorized by all applicable laws, its charter, by-laws or other organization documents to pledge and grant a security interest in and to assign to the Authority and the Trustee, for the benefit of the Bondholders and the Credit Facility Issuer, the Pledged Revenues in the manner and to the extent provided in the Loan Agreement and in the Resolution. The College, on behalf of and as sole member of the Lessee in connection with the Mortgage, covenants, warrants and represents that the Lessee is duly authorized by all applicable laws, its articles of organization and other organization documents to make and deliver the Mortgage. The College, for itself and on behalf of and as sole member of the Lessee in connection with the Mortgage, further covenants, warrants and represents that any and all pledges, security interests in and assignments to the Authority and the Trustee, for the benefit of the Bondholders and the Credit Facility Issuer, granted or made pursuant to the Loan Agreement or to the Mortgage are and shall be free and clear of any pledge, lien, charge, security interest or encumbrance prior thereto, or of equal rank therewith, other than the Prior Pledges or the Permitted Encumbrances, and that all corporate action on the part of the College and the Lessee to that end have been duly and validly taken. The College, for itself and on behalf of and as sole member of the Lessee in connection with the Mortgage, further covenants that the provisions of the Loan Agreement are and shall be valid and legally enforceable obligations of the College and the Lessee in accordance with their terms. The College, for itself and on behalf of and as sole member of the Lessee in connection with the Mortgage, further covenants that the College shall, and shall cause the Lessee to, at all times and to the extent permitted by law, defend, preserve and protect the pledge, security interest in and assignment of the Pledged Revenues and all of the rights of the Authority, the Credit Facility Issuer and the Bondholders under the Loan Agreement and under the Resolution, any Series Resolution, any Bond Series Certificate and the Mortgage against all claims and demands of all persons whomsoever. The College, for itself and on behalf of and as sole member of the Lessee in connection with the Mortgage, further covenants, warrants and represents that the grant of a security interest in the Pledged Revenues and assignment thereof as security under the Loan Agreement, and the execution and delivery of the Mortgage by the Lessee, and the consummation of the transactions contemplated by the Loan Agreement and by the Mortgage and compliance with the provisions of the Loan Agreement and of the Mortgage, do not violate, conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, the charter, by-laws or other organization documents of the College or the articles of organization or other organization documents of the Lessee or any indenture or mortgage, or any trusts, endowments or other commitments or agreements to which the College or the Lessee are a party or by which they or any of their properties are bound, or any existing law, rule, regulation, judgment, order, writ, injunction or decree of any governmental authority, body, agency or other instrumentality or court having jurisdiction over the College or the Lessee or any of their properties.

(Section 15)

Tax-Exempt Status Of Institution

conditions and limitations, if any, contained in such letter or other notification; (v) the facts and circumstances which form the basis of such letter or other notification as represented to the Internal Revenue Service continue to exist; and (vi) it is exempt from federal income taxes under Section 501(a) of the Code, except for payment of unrelated business income tax. The College agrees that: (a) it shall not perform any act or enter into any agreement which shall adversely affect such federal income tax status and shall conduct its operations in the manner which will conform to the standards necessary to qualify the College as an educational organization within the meaning of Section 501(c)(3) of the Code or any successor provision of federal income tax law; and (b) it shall not perform any act, enter into any agreement or use or permit the Project to be used in a manner, or for any trade or business unrelated to the educational purposes of the College, which could adversely affect the exclusion of interest on the Series 2008A Bonds from federal gross income pursuant to Section 103 of the Code. Pursuant to the Loan Agreement, the College covenants with the Authority that it will not enter into any leases in connection with the Project and the Lessee shall not enter into any leases of the Mortgaged Property unless the College has obtained an opinion of Bond Counsel that such lease will not adversely affect the exclusion of interest on the Series 2008A Bonds from federal gross income pursuant to Section 103 of the Code, which opinion of Bond Counsel shall be delivered to the Authority prior to the College executing and delivering such lease.

(Section 16)

Securities Acts Status

The College represents that: (i) it is an organization organized and operated (A) exclusively for educational or charitable purposes and (B) not for pecuniary profit; and (ii) no part of the net earnings of which inures to the benefit of any person, private stockholder or individual, all within the meaning, respectively, of the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended. The College agrees that it shall not perform any act or enter into any agreement which shall adversely affect such status as set forth in this summarized section. The College further represents that it is the sole member of the Lessee, which is treated as a disregarded entity by the Internal Revenue Service for purposes of federal income taxation.

(Section 17)

Maintenance Of Corporate Existence

The College covenants that it will (i) maintain its corporate existence, (ii) continue to operate as a non-profit educational organization, (iii) obtain, maintain and keep in full force and effect such governmental approvals, consents, licenses, permits and accreditation as may be necessary for it to continue to so operate, (iv) except as expressly permitted by the Loan Agreement, not dissolve or otherwise dispose of all or substantially all of its assets or consolidate with or merge into another person or permit one or more persons to consolidate with or merge into it. The College, with the prior written consent of the Authority, which consent shall not be unreasonably withheld, may (A) sell or otherwise transfer all or substantially all of its assets to, or consolidate with or merge into, another organization or corporation which qualifies as an organization described in Section 501(c)(3) of the Code, or any successor provision of federal income tax law, (B) permit one or more corporations or any other organization to consolidate with or merge into it, or (C) acquire all or substantially all of the assets of one or more corporations or other organizations. Notwithstanding the foregoing provisions of this summarized section, no disposition, transfer, consolidation or merger otherwise permitted by the Loan Agreement shall be permitted unless (1) the same would not in the opinion of Bond Counsel adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation, (2) the College will not as a result thereof be in default under the Loan Agreement or under any Related Agreement, (3) the surviving, resulting or transferee corporation, as the case may be, is incorporated under the laws of the State and is qualified as an organization described in Section 501(c)(3) of the Code or any successor provision of federal income tax law, and (4) the surviving, resulting or transferee corporation of the College assumes in writing all of the obligations of the College under the Loan Agreement, under the Continuing Disclosure Agreement, if any, and under the Related Agreements, and furnishes to the Authority (x) a certificate to the effect that upon such sale, transfer, consolidation, merger or acquisition such corporation will be in compliance with each of the provisions of the Loan Agreement and of the Related Agreements, and will meet the requirements of the Act, and (y) such other certificates and documents as the Authority may reasonably require to establish compliance with this summarized section.

(Section 18)

Environmental Quality Review And Historic Preservation

For the purpose of assisting the Authority in making any findings or determinations which might be required by (i) Article 8 of the New York Environmental Conservation Law and the regulations promulgated thereunder (collectively, "SEQRA") or (ii) the New York State Historic Preservation Act of 1980 and the regulations promulgated thereunder (collectively the "Preservation Act"), the College agrees to abide by the requirements relating thereto as set forth in the Loan Agreement.

(Section 19)

Use And Possession Of The Project

Subject to the rights, duties and remedies of the Authority under the Loan Agreement, the College shall have sole and exclusive control and possession of and responsibility for and subject only to the College Lease (i) the Project and the Mortgaged Property (ii) the operation of the Project and the Mortgaged Property and supervision of the activities conducted therein or in connection with any part thereof and (iii) the maintenance, repair and replacement of the Project and the Mortgaged Property; provided, however, that, except as otherwise limited by the Loan Agreement, the foregoing shall not prohibit use of the Project and the Mortgaged Property by persons other than the College or its students, staff or employees in furtherance of the College's corporate purposes, if such use will not adversely affect the exclusion of interest on any Bonds from gross income for federal income tax purposes.

(Section 20)

Restrictions On Religious Use

The College agrees that with respect to the Project or portion thereof, so long as such Project or portion thereof exists and unless and until such Project or portion thereof is sold for the fair market value thereof, such Project or portion thereof shall not be used for sectarian religious instruction or as a place of religious worship or in connection with any part of a program of a school or department of divinity for any religious denomination; provided, however, that the foregoing restriction shall not prohibit the free exercise of any religion; provided, further, that if at any time hereafter, in the opinion of Bond Counsel, the then applicable law would permit the Project or portion thereof to be used without regard to the above stated restriction, said restriction shall not apply to such Project and each portion thereof. The Authority and its agents may conduct such inspections as the Authority deems necessary to determine whether the Project or any portion or real property thereof financed by Bonds is being used for any purpose proscribed by the Loan Agreement. The College further agrees pursuant to the Loan Agreement that prior to any disposition of any portion of the Project for less than fair market value, it shall execute and record in the appropriate real property records an instrument subjecting, to the satisfaction of the Authority, the use of such portion of such Project to the restriction that (i) so long as such portion of such Project (and, if included in the Project, the real property on or in which such portion of such Project is situated) shall exist and (ii) until such portion of such Project is sold or otherwise transferred to a person who purchases the same for the fair market value thereof at the time of such sale or transfer, such portion of such Project shall not be used for sectarian religious instruction or as a place of religious worship or used in connection with any part of the program of a school or department of divinity of any religious denomination. The instrument containing such restriction shall further provide that such restriction may be enforced at the instance of the Authority or the Attorney General of the State, by a proceeding in any court of competent jurisdiction, by injunction, mandamus or by other appropriate remedy. The instrument containing such restriction shall also provide that if at any time thereafter, in the opinion of Bond Counsel, the then applicable law would permit such portion of the Project, or, if included in the Project, the real property on or in which such portion is situated, to be used without regard to the above stated restriction, then said restriction shall be without any force or effect. For the purposes of this summarized section an involuntary transfer or disposition of the Project or a portion thereof, upon foreclosure or otherwise, shall be considered a sale for the fair market value thereof.

(Section 21)

Sale Of The Project

The College covenants that it will not transfer, sell or convey the Project or any part thereof or interest therein, including development rights, without the prior approval of the Authority and the Credit Facility Issuer, unless (a) in the opinion of Bond Counsel, the same will not adversely affect the exclusion of interest on any Bond from gross income for federal income tax purposes and (b) the College pays to the Trustee either for deposit into the Debt Service Fund, or, pursuant to Section 12.01(b) of the Resolution, to be set aside or to purchase Defeasance Securities in accordance with the direction of the Authority.

Notwithstanding the foregoing, the College may remove equipment, furniture or fixtures that is part of the Project and was financed with the proceeds of Bonds provided that the College promptly substitutes for such equipment, furniture or fixtures additional equipment, furniture or fixtures having a value and utility at least equal to the equipment, furniture or fixtures removed or replaced.

(Section 22)

Maintenance, Repair And Replacement

The College agrees that, throughout the term of the Loan Agreement, it shall, and shall cause the Lessee to, at its own expense, hold, operate and maintain the Project and the Mortgaged Property in a careful, prudent and economical manner, and keep the same, with the appurtenances and every part and parcel thereof, in good repair, working order and safe condition, reasonable wear and tear excepted, and shall from time to time make all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted. The College shall give the Authority not less than fifteen (15) days prior written notice of its intention to make a change or alteration that materially alters the scope or nature of the Project, the Mortgaged Property or a portion thereof. The College and the Lessee shall have the right to remove or replace any type of fixtures, furnishings and equipment in the Project or the Mortgaged Property which may have been financed by the proceeds of the sale of Bonds provided the College or the Lessee substitute for any such removed or replaced fixtures, furnishings and equipment, additional fixtures, furnishings and equipment having equal or greater value and utility than the fixtures, furnishings and equipment so removed or replaced.

The College further agrees that it shall pay at its own expense all extraordinary costs of maintaining, repairing and replacing the Project and the Mortgaged Property except insofar as funds are made available therefor from proceeds of insurance, condemnation or eminent domain awards.

(Section 23)

Covenant As To Insurance

The College agrees to maintain or cause to be maintained insurance with insurance companies or by means of self-insurance, insurance of such type, against such risks and in such amounts as are customarily carried by private colleges and universities located in the State of a nature similar to that of the College, which insurance shall include property damage, fire and extended coverage, public liability and property damage liability insurance in amounts estimated to indemnify the reasonably anticipated damage, loss or liability, subject to reasonable deductible provisions. The College shall at all times also maintain worker's compensation coverage and disability benefits insurance coverage as required by the laws of the State.

(b) The College shall furnish to the Authority annually (1) a certificate or report of an Insurance Consultant that the insurance coverage maintained by the College is adequate and in accordance with the standards above, and (2) any certificates of workers' compensation insurance and disability benefits insurance coverage required by the New York State Workers' Compensation Board.

(c) If the Authority shall so request in writing, the College shall provide to the Authority summaries or other evidence of its insurance coverage and shall obtain endorsements reasonably requested by the Authority.

(Section 24)

Damage Or Condemnation

In the event of a taking of the Project or the Mortgaged Property or any portion thereof by eminent domain or condemnation, or of damage or destruction affecting all or part thereof, all property casualty insurance, condemnation or eminent domain proceeds not applied to reimburse the College or the Lessee for costs incurred to repair or restore the same, and subject to the provisions of the Mortgage, the Intercreditor Agreement and the Reimbursement Agreement, shall be paid to the Trustee for deposit in the Construction Fund. Subject to the provisions of the Mortgage, the Intercreditor Agreement and the Reimbursement Agreement, all proceeds derived from an award for such taking or from property casualty insurance shall be applied as provided below.

(i) If within one hundred twenty (120) days (or such longer period as the Authority and the College may agree) after the Authority receives actual notice or knowledge of the taking or damage, the College, the Credit Facility Issuer and the Authority agree in writing that the property or the affected portion thereof shall be repaired, replaced or restored, the College shall proceed to repair, replace or restore the same, or the affected portion thereof, including all fixtures, furniture, equipment and effects, to its original condition insofar as possible with such changes and additions as shall be appropriate to the needs of the College and approved in writing by the Authority and the Credit Facility Issuer. The funds required for such repair, replacement or restoration shall be paid, subject to such conditions and limitations as the Authority and the Credit Facility Issuer may impose, from the proceeds of insurance, condemnation or eminent domain awards received by reason of such occurrence and to the extent such proceeds are not sufficient, from funds to be provided by the College.

(ii) If no agreement for the repair, restoration or replacement of the property or affected portion shall have been reached by the Authority, the Credit Facility Issuer and the College within such period, the proceeds then held by the College shall be paid the Trustee for deposit in the Debt Service Fund and the proceeds then held in the Construction Fund shall be transferred to the Debt Service Fund, whereupon such proceeds shall be applied to the purchase or redemption of Outstanding Bonds, or cause the Lessee to pay when due.

(Section 25)

Taxes And Assessments

The College shall pay when due at its own expense, and hold the Authority harmless from, all taxes, assessments, water and sewer charges and other impositions, if any, which may be levied or assessed upon the Project, the Mortgaged Property or any part thereof, and upon all ordinary costs of operating, maintaining, repairing and replacing such Project, the Mortgaged Property and its equipment. The College shall file exemption certificates as required by law. The College agrees to exhibit to an Authorized Officer of the Authority within ten (10) days after written demand by the Authority, certificates or receipts issued by the appropriate authority showing full payment of all taxes, assessments, water and sewer charges and other impositions; provided, however, that the good faith contest of such impositions shall be deemed to be complete compliance with the requirements of the Loan Agreement if the College sets aside such reserves as may be required by good accounting practice. Notwithstanding the foregoing, the Authority in its sole discretion, after notice in writing to the College, may pay any such charges, taxes and assessments if, in the reasonable judgment of the Authority, the Project, the Mortgaged Property or any part thereof would be in substantial danger by reason of the College's failure to pay such charges, taxes and assessments of being sold, attached, forfeited, foreclosed, transferred, conveyed, assigned or otherwise subjected to any proceeding, equitable remedy, lien, charge, fee or penalty that would impair (i) the interests or security of the Authority under the Loan Agreement or under the Resolution or the Mortgage; (ii) the ability of the Authority to enforce its rights thereunder; (iii) the ability of the Authority to fulfill the terms of any covenants or perform any of its obligations under the Loan Agreement or under the Resolution or the Mortgage; or (iv) the ability of the College to fulfill the terms of any covenants or perform any of its obligations under the Loan Agreement and the College agrees to reimburse the Authority for any such payment, with interest thereon from the date payment was made by the Authority at a rate equal to the highest rate of interest payable on any investment held for the Debt Service Fund on the date such payment was made by the Authority.

(Section 26)

As used in the Loan Agreement the term “Event of Default” shall mean:

(i) the College shall (A) default in the timely payment of any amount payable pursuant to the Loan Agreement (other than pursuant to clause (B) of this paragraph (i)) or the payment of any other amounts required to be delivered or paid by or on behalf of the College in accordance with the Loan Agreement or with the Resolution or the Series Resolution, and such default continues for a period in excess of seven (7) days or (B) default in the timely payment of interest payable on Outstanding Variable Interest Rate Bonds or the purchase price of Option Bonds tendered for purchase, in accordance with the terms of the Loan Agreement; or

(x) an order of a court having jurisdiction shall be entered directing or providing for the sale, disposition or distribution of all or substantially all of the property belonging to the College, which order shall remain undismissed or unstayed for the earlier of (A) three (3) business days prior to the date provided for in such

(xii) the giving of notice by the Credit Facility Issuer to the Authority and the Trustee of an Event of Default under and as defined in the Reimbursement Agreement and requesting the Trustee to direct a mandatory tender of the Bonds in accordance with the Bond Series Certificates with respect to the Bonds; or

(b) Subject to the Intercreditor Agreement and, where applicable, any existing or future parity liens in the Pledged Revenues to secure Parity Indebtedness incurred in accordance with the terms of the Loan Agreement, upon the occurrence of an Event of Default the Authority shall provide the Credit Facility Issuer with written notice thereof upon obtaining actual knowledge thereof and may take any one or more of the following actions:

The College shall be liable to the Authority for all sums paid or incurred for construction of the Project whether the same shall be paid or incurred pursuant to the

provisions of this subparagraph (v) or otherwise, and all payments made or liabilities incurred by the Authority under the Loan Agreement of any kind whatsoever shall be paid by the College to the Authority upon demand. Pursuant to the Loan Agreement, the College irrevocably constitutes and appoints the Authority its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and to do and perform any acts in the name and on behalf of the College for the purpose of exercising the rights granted to the Authority by this subparagraph (v) during the term of the Loan Agreement; and

(vi) realize upon any security interest which the Authority may then have in the pledge and assignment of the Pledged Revenues and the rights to receive the same, all to the extent provided in the Loan Agreement, by any one or more of the following actions: (i) enter the College and examine and make copies of the financial books and records of the College relating to the Pledged Revenues and, to the extent of the assigned Pledged Revenues, take possession of all checks or other orders for payment of money and moneys in the possession of the College representing Pledged Revenues or proceeds thereof; (ii) notify any account debtors obligated on any Pledged Revenues to make payment directly to the Authority or to the Trustee, as the Authority may direct, and of the amount to be so paid; provided, however, that the Authority may, in its discretion, immediately collect the entire amount of interest, principal, and Sinking Fund Installments, if any, coming due with respect to the Bonds on the next June 1 and December 1, to the extent of Pledged Revenues, and may continue to do so commencing on each June 1 and December 1 to the extent of amounts due to the Authority under the Loan Agreement on the next June 1 and December 1, with respect to Pledged Revenues, until such amounts are fully collected; provided, however, that written notice of such notification shall be mailed to the College five (5) days prior to mailing or otherwise making such notification to account debtors; and provided further that until the College shall receive such notice it shall have full authority and responsibility to enforce and collect Pledged Revenues owing from its account debtors; (iii) following the above-mentioned notification to account debtors, collect, compromise, settle, compound or extend amounts payable as Pledged Revenues which are in the form of accounts receivable or contract rights from the College's account debtors by suit or other means and give a full acquittance therefor and receipt therefor in the name of the College whether or not the full amount of any such account receivable or contract right owing shall be paid to the Authority; (iv) require the College to deposit all moneys, checks or other orders for the payment of money which represent Pledged Revenues in an amount equal to the Pledged Revenues assigned under the Loan Agreement within five (5) business days after receipt of written notice of such requirement, and thereafter as received, into a fund or account to be established for such purpose by the Authority, provided that the moneys in such fund or account shall be applied by the Authority to the payment of any of the obligations of the College under the Loan Agreement including the fees and expenses of the Authority, and provided further that the Authority in its sole discretion may authorize the College to make withdrawals from such fund or account for its corporate purposes, and provided further that the requirement to make such deposits shall cease and the balance of such fund or account shall be paid to the College when all Events of Default under the Loan Agreement by the College have been cured; (v) forbid the College to extend, compromise, compound or settle any accounts receivable or contract rights which represent any unpaid assigned Pledged Revenues, or release, wholly or partly, any person liable for the payment thereof (except upon receipt of the full amount due) or allow any credit or discount thereon; and (vi) endorse in the name of the College any checks or other orders for the payment of money representing any unpaid assigned Pledged Revenues or the proceeds thereof;

(vii) take any action necessary to enable the Authority to realize on its liens under the Loan Agreement, under the Mortgage, or by law, including foreclosure of the Mortgage, and any other action or proceeding permitted by the terms of the Loan Agreement, by the Mortgage, or by law; and

(viii) realize upon any security interest in the fixtures, furnishings and equipment, including any one or more of the following actions: (i) enter the Project or the Mortgaged Property and take possession of any such fixtures, furnishings and equipment; (ii) sell, lease or otherwise dispose of any such fixtures, furnishings and equipment either together with a sale, lease or other disposition of the Mortgaged Property pursuant to the Loan Agreement or to the Mortgage, or separately, whether or not possession has been secured; provided, however, that if sold, leased or otherwise disposed of separately, such sale, lease or other disposition shall be in commercially reasonable manner and upon five (5) days prior written notice to the College of the time and place of such sale.

All rights and remedies given or granted to the Authority in the Loan Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the Authority may have or may be given by reason

of any law, statute, ordinance or otherwise, and no failure to exercise or delay in exercising any remedy shall effect a waiver of the Authority's right to exercise such remedy thereafter. At any time before the entry of a final judgment or decree in any suit, action or proceeding instituted on account of any Event of Default or before the completion of the enforcement of any other remedies under the Loan Agreement, the Authority may annul any declaration made pursuant to paragraph (b) of this summarized section and its consequences if such Event of Default shall be cured. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereto.

(Section 30)

Investment Of Moneys

The College acknowledges that the Authority may in its sole discretion direct the investment of certain moneys held under the Resolution and the Series Resolutions as provided therein and that no representation or warranty has been made by the Authority with respect to interest rates on, or the amount to be earned as a result of, any such investment. Neither the Authority nor the Trustee shall have any liability arising out of or in connection with the making of any investment authorized by the provisions of the Resolution summarized in Appendix C under the heading "Security for Deposits and Investment of Funds" in the manner provided therein, or for any loss, direct or indirect, resulting from any such investment. Pursuant to the Loan Agreement, the Authority agrees that it shall direct the making of investments as permitted by the Resolution as soon as practicable when moneys are legally available therefor.

(Section 32)

Limitation On Agreements

The College shall not enter into any contract or agreement which impairs the College's ability to comply with the provisions of paragraph (a) of the provisions of the Loan Agreement summarized under the heading "Financial Obligation" above in any material respect.

(Section 34)

Arbitrage; Tax Exemption

Each of the College and the Authority covenants that it shall take no action, nor shall it approve the Trustee's taking any action or making any investment or use of the proceeds of the Series 2008A Bonds, which would cause the Series 2008A Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code, and any proposed or final regulations thereunder as are applicable to the Series 2008A Bonds at the time of such action, investment or use. The College (or any related person, as defined in Section 147(a)(2) of the Code) shall not, pursuant to an arrangement, formal or informal, purchase Series 2008A Bonds in an amount related to the amount of any obligation to be acquired from the College by the Authority. The College covenants that it will not take any action or fail to take any action which would cause any representation or warranty of the College contained in the Tax Certificate then to be untrue and shall comply with all covenants and agreements of the College contained in the Tax Certificate, in each case to the extent required by and otherwise in compliance with such Tax Certificate. The College will, on a timely basis, provide the Authority with all necessary information regarding funds not in the Authority's possession to enable the Authority to comply with the arbitrage and rebate requirements of the Code as identified in the Resolution. The College shall be required to pay for any consultant or report necessary to satisfy any such arbitrage and rebate requirements.

(Section 35)

Limitation On Authority Rights

As long as no Event of Default has occurred and is continuing, and no event has occurred that, with the giving of notice or lapse of time, or both, would constitute an Event of Default, the Authority will not, without the prior written consent of the College (i) change the dates on which an Option Bond is to be tendered for purchase or

the period during which a Variable Interest Rate Bond is to bear interest at a particular rate, (ii) convert a Variable Interest Rate Bond to bear interest at a fixed rate to its maturity, (iii) seek the removal or resignation of a Remarketing Agent or appoint a successor Remarketing Agent, (iv) amend or modify the dates on or Redemption Price at which a Variable Interest Rate Bond after its conversion to bear interest at a fixed rate to the maturity date thereof may be redeemed at the election or direction of the Authority in accordance with the Resolution or (v) remarket at a price other than par any Option Bond tendered or deemed to have been tendered for purchase. The College may, at any time no Event of Default, or an event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default, has occurred and is continuing, request the Authority to take such action as may be required by the Resolution or the applicable Series Resolution or the applicable Bond Series Certificate to change the dates on which such Option Bonds are to be tendered for purchase or the period during which such Variable Interest Rate Bonds shall bear interest at a particular rate or to convert such Variable Interest Rate Bonds to bear interest at a fixed rate to their maturity.

(Section 36)

Certificate As To Representations And Warranties

The obligations of the Authority under the Loan Agreement and the delivery of the Bonds are conditioned upon the receipt by the Authority at or prior to delivery of the Bonds of a certificate of an Authorized Officer of the College acceptable to the Authority to the effect that the representations and warranties contained in the Loan Agreement are true and correct and in full force and effect on and as of the date of delivery of the Bonds as if made on the date of delivery of the Bonds.

(Section 39)

Further Assurances

The College, at any and all times, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as are necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, moneys, securities, funds and security interests by the Loan Agreement or by the Resolution pledged, assigned or granted, or intended so to be, or which the College may become bound to pledge, assign or grant to the Authority pursuant to the Loan Agreement.

(Section 42)

Amendments To Loan Agreement And Reimbursement Agreement; Substitute Credit Facility

The Loan Agreement may be amended only in accordance with the Resolution and the Intercreditor Agreement and each amendment shall be made by an instrument in writing signed by the College and the Authority, an executed counterpart of which shall be filed with the Trustee. The College also covenants that (i) it shall not amend or supplement any Reimbursement Agreement (which covenant shall not apply to waivers) nor shall it execute a reimbursement agreement to provide for a Substitute Credit Facility, in either case, without the prior written consent of the Authority, which shall not be unreasonably withheld or delayed and (ii) it shall promptly provide a copy of any amendment or supplement to any Reimbursement Agreement to the Trustee.

The College shall use its best efforts to obtain an extension of any Credit Facility or a Substitute Credit Facility not later than the 90th day prior to the expiration date of such Credit Facility or such earlier day if required by the terms of the then-existing Credit Facility.

(Section 43)

Termination

The Loan Agreement shall remain in full force and effect until no Bonds are Outstanding and until all other payments, expenses and fees payable under the Loan Agreement by the College shall have been made or provision made for the payment thereof; provided, however, that the liabilities and the obligations of the College under the Loan Agreement relating to prompt payment of arbitrage rebate and to provide reimbursement for or indemnification against expenses, costs or liabilities made or incurred pursuant to the provisions of the Loan Agreement summarized under the headings "Damage or Condemnation" and "Taxes and Assessments" above and the provisions of the Loan Agreement related to indemnity by the College shall nevertheless survive any such termination. Upon such termination, the Authority shall promptly deliver such documents as may be reasonably requested by the College to evidence such termination and the discharge of the College's duties under the Loan Agreement and the release or surrender of any security interests granted by the College to the Authority pursuant to the Loan Agreement.

(Section 44)

Covenant As To Credit Facility And Liquidity Facility

The College covenants to maintain a Credit Facility and a Liquidity Facility (as such terms are defined in the Bond Series Certificates relating to the Bonds) with respect to the Bonds pursuant to and in accordance with the requirements set forth in such Bond Series Certificates; provided, however, that all rights of the Credit Facility Issuer pursuant to the Loan Agreement shall be suspended during any period while a Credit Facility Issuer Default has occurred and is continuing.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

[THIS PAGE INTENTIONALLY LEFT BLANK]

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

The following is a brief summary of certain provisions of the Resolution pertaining to the Bonds. This summary does not purport to be complete and reference is made to the Resolution for full and complete statements of such and all provisions. The headings below are not part of the Resolution but have been added for ease of reference only. Defined terms used herein shall have the meanings ascribed to them in Appendix A or in the body of this Official Statement.

Resolution and Bonds Constitute a Contract

It is the intent of the Resolution to authorize the issuance by the Authority, from time to time, of its St. John Fisher College Revenue Bonds in one or more Series, each such Series to be authorized by a separate Series Resolution and, inter alia, to be separately secured from each other Series of Bonds provided, however, that each Series of Bonds may be equally and ratably secured by the Pledged Revenues and the Mortgaged Property as provided in the Applicable Series Resolution. Each such Series of Bonds may be separate and apart from any other Series of Bonds authorized by a different Series Resolution and the Holders of Bonds of such Series shall not be entitled to the rights and benefits conferred upon the Holders of Bonds of any other Series of Bonds by the respective Series Resolution authorizing such Series of Bonds. With respect to each Series of Bonds, in consideration of the purchase and acceptance of any and all of the Bonds of a Series authorized to be issued under the Resolution and under a Series Resolution by those who shall hold or own the same from time to time, the Resolution and such Series Resolution shall be deemed to be and shall constitute a contract among the Authority, the Trustee and the Holders from time to time of such Bonds of a Series, and the pledge and assignment to the Trustee made in the Resolution and the covenants and agreements set forth to be performed by or on behalf of the Authority shall be for the equal and ratable benefit, protection and security of the Holders of any and all of the Bonds of such Series, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any Bonds of such Series over any other Bonds of such Series except as expressly provided in the Resolution or permitted by the Resolution or by a Series Resolution.

(Section 1.03)

Option of the Authority to Assign Certain Rights and Remedies

With respect to each Series of Bonds, as security and collateral for (x) the payment of the principal, Sinking Fund Installments, if any, purchase price, and Redemption Price of, and interest on, the Outstanding Bonds of such Series and for the performance of any other obligation of the Authority under the Resolution and under the Applicable Series Resolution, and (y) the payment of all amounts owed to a Provider of a Credit Facility and for the performance of any other obligations of the College thereunder, the Authority may assign to the Trustee and to the Applicable Provider of a Credit Facility all of the Authority's estate, right, title, interest and claim in, to and under the Applicable Loan Agreement and the Applicable Mortgage, subject only to the terms of the Applicable Intercreditor Agreement, and together with all rights, powers, security interests, privileges, options and other benefits of the Authority thereunder, including, without limitation, the immediate and continuing right to receive, enforce and collect (and to apply the same in accordance with the Resolution) all insurance proceeds, sale proceeds and other payments and other security now or hereafter payable to or receivable by the Authority under the Applicable Mortgage or Loan Agreement and the right to make all waivers and agreements in the name and on behalf of the Authority, and to perform all other necessary and appropriate acts under the Applicable Loan Agreement and the Applicable Mortgage, subject to the following conditions: (a) that the Holders of the Bonds shall not be responsible or liable in any manner or to any extent for the performance of any of the covenants or provisions thereof to be performed by the Authority; and (b) that the Applicable Mortgage and the security interest in Pledged Revenues granted to the Authority pursuant to the Applicable Loan Agreement may not be assigned by any party thereto without the written consent of the other parties thereto except to the Trustee and the Applicable Provider of a Credit Facility as permitted by the Resolution and except as provided in the Intercreditor Agreement; provided, however, that any grant, pledge and assignment of moneys, revenues, accounts, rights or other property of the College made with respect to the Applicable Mortgage and the security interest in Pledged Revenues granted to the Authority pursuant to the Applicable Loan Agreement pursuant to this paragraph shall secure only the payment of amounts payable under the Applicable Mortgage and the Applicable Loan Agreement; provided, further, that the

Authority shall retain its parity interest in the proceeds of any remedial action with respect to the security interest in Pledged Revenues granted to the Authority pursuant to the Applicable Loan Agreement in an amount equal to the College's obligations to the Authority and to the right to the payment of fees, costs and expenses of the Authority payable pursuant to the Applicable Loan Agreement, the rights to the indemnities provided thereby, and the rights to the payments, if any, required to be made pursuant to such indemnities. In addition, to the extent necessary to reflect the issuance of a Credit Facility with respect to the Applicable Series of Bonds, an Authorized Officer of the Trustee shall, upon request of an Authorized Officer of the Authority, execute and deliver such amendments to or supplements of such assignment as shall be necessary to add the Provider of such Credit Facility as beneficiary of such assignment or to accept a re-assignment from such Credit Facility Provider pursuant to the terms of the Applicable Intercreditor Agreement.

At or prior to the initial issuance and delivery of a Series of Bonds to be issued under the Resolution, upon delivery to the Trustee of evidence in writing from Authorized Officers of both the Authority and the Applicable Provider of a Credit Facility with respect to such Series of Bonds to the effect that the Intercreditor Agreement among the Authority, such Provider of a Credit Facility and the Trustee is in form and substance satisfactory to them (which may be evidenced by the execution thereof by the Authority and such Provider of a Credit Facility), an Authorized Officer of the Trustee shall, upon determination by the Trustee that such Intercreditor Agreement is in form and substance satisfactory to it (which determination by the Trustee shall not be unreasonably withheld or delayed), execute and deliver to the Authority and such Provider of a Credit Facility such Intercreditor Agreement. In addition, an Authorized Officer of the Trustee shall execute and deliver to the Authority and such Provider of a Credit Facility such amendments to or supplements of such Intercreditor Agreement as may be requested by an Authorized Officer of the Authority.

(Section 1.04)

Refunding Bonds

All or any portion of one or more Series of Refunding Bonds may be authenticated and delivered upon original issuance to refund all Outstanding Bonds, one or more Series of Outstanding Bonds, a portion of a Series of Outstanding Bonds or a portion of a maturity of a Series of Outstanding Bonds. The Authority may issue Refunding Bonds of a Series in an aggregate principal amount sufficient, together with other money available therefor, to accomplish such refunding and to make such deposits required by the provisions of this summarized section and of the Series Resolution authorizing such Series of Refunding Bonds.

The Refunding Bonds of such Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the documents required by the Resolution) of:

(a) If the Bonds to be refunded are to be redeemed, irrevocable instructions to the Trustee, satisfactory to it, to give due notice of redemption of all the Bonds to be refunded on a redemption date specified in such instructions;

(b) Irrevocable instructions to the Trustee, satisfactory to it, to duly give the notice provided for in the defeasance provisions of the Resolution to the Holders of the Bonds being refunded;

(c) Either (i) money in an amount sufficient to effect payment of the principal at maturity or the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which money shall be held by the Trustee or any one or more of the Paying Agents in a separate fund or account irrevocably in trust for and assigned to the respective Holders of the Bonds to be refunded or (ii) Defeasance Securities in such principal amounts, of such maturities, bearing such interest and otherwise having such terms and qualifications, as shall be necessary to comply with the defeasance provisions of the Resolution, which Defeasance Securities and money shall be held in trust and used only as provided in the defeasance provisions of the Resolution; and

(d) A certificate of an Authorized Officer of the Authority containing such additional statements as may be reasonably necessary to show compliance with the requirements of this summarized section.

The proceeds, including accrued interest, of Refunding Bonds shall be applied simultaneously with the delivery of such Refunding Bonds in the manner provided in or as determined in accordance with the Series Resolution authorizing such Refunding Bonds or the Bond Series Certificate relating to such Series of Refunding Bonds.

(Section 2.04)

Additional Obligations; Incurrence of Parity Indebtedness

The Authority reserves the right to issue bonds, notes or any other obligations or otherwise incur indebtedness pursuant to other and separate resolutions or agreements of the Authority, so long as such bonds, notes or other obligations are not, or such other indebtedness is not, except as provided in the Resolution with respect to Parity Indebtedness, entitled to a charge, lien or right prior or equal to the charge or lien created by the Resolution, or prior or equal to the rights of the Authority and Holders of Bonds as provided by the Resolution or with respect to the moneys pledged under the Resolution.

(Section 2.05)

Redemption and Purchase of Bonds

Authorization of Redemption

Bonds of a Series subject to redemption prior to maturity pursuant to the Resolution or to a Series Resolution or a Bond Series Certificate shall be redeemable, in accordance with the Resolution, at such times, at such Redemption Prices and upon such terms as may otherwise be specified in the Resolution or in the Series Resolution authorizing such Series or the Applicable Bond Series Certificate.

(Section 4.01)

Redemption at the Election or Direction of the Authority

In the case of any redemption of Bonds other than as provided in the summarized section immediately below, the Authority shall give written notice to the Trustee and each Applicable Provider of its election or direction to redeem, of the Series and of the principal amounts of the Bonds of each maturity of such Series to be redeemed. The Series, maturities and principal amounts thereof to be redeemed at the election or direction of the Authority shall be determined by the Authority in its sole discretion, subject to any limitations with respect thereto contained in the Resolution or in the Series Resolution authorizing such Series or the Applicable Bond Series Certificate. Such notice shall be given to the Trustee and each Applicable Provider at least forty-five (45) days prior to the date on which such Bonds are to be redeemed, or such lesser number of days as shall be acceptable to the Trustee. Unless the notice of redemption required by the Resolution provides that the redemption is subject to the condition that money for payment of the Redemption Price is available on the redemption date, such notice shall not be given unless prior to the date such notice is given, the Authority shall have paid or caused to be paid to the Trustee an amount which, in addition to other amounts available therefor held by the Trustee, is sufficient to redeem, on the redemption dates at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds of such Series to be so redeemed.

(Section 4.02)

Redemption Other Than at Authority's Election or Direction

Whenever by the terms of the Resolution the Trustee is required to redeem Bonds of a Series through the application of mandatory Sinking Fund Installments, the Trustee shall select the Bonds of such Series and maturities to be redeemed in the manner provided in the summarized section immediately below, give the notice of redemption and pay out of money available therefor the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, to the appropriate Paying Agents in accordance with the terms of the Resolution.

(Section 4.03)

Selection of Bonds to Be Redeemed

Unless otherwise provided in the Series Resolution authorizing the issuance of Bonds of a Series or the Bond Series Certificate relating to such Bonds, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw such Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as provided in this summarized section) which end in the same digit or in the same two digits. If in such a case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

For purposes of this summarized section, the lowest denomination in which a Capital Appreciation Bond is authorized to be issued shall be the lowest Accreted Value authorized to be due at maturity on such Bonds and the lowest denomination in which a Deferred Income Bond is authorized to be issued shall be the lowest Appreciated Value on the Interest Commencement Date authorized for such Bonds.

(Section 4.04)

Notice of Redemption

Whenever Bonds of a Series are to be redeemed, the Trustee shall give notice of the redemption of such Bonds in the name of the Authority which notice shall specify: (i) the Bonds to be redeemed which shall be identified pursuant to the Resolution, the maturity dates and interest rates of the Bonds to be redeemed and the date such Bonds were issued; (ii) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (iii) the redemption date; (iv) the Redemption Price; (v) the principal amount of each Bond to be redeemed; (vi) the date of publication, if any, of the notice of redemption; (vii) that, except in the case of Book-Entry Bonds, such Bonds will be redeemed at the principal corporate trust office of the Trustee giving the address thereof and the name and telephone number of a representative of the Trustee to whom inquiries may be directed; (viii) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on such Bond or as contained in such notice shall not affect the validity of the proceedings for redemption and (ix) if the Authority's obligation to redeem the Bonds is subject to conditions, a statement that describes the condition to such redemption. Any notice of redemption, other than a notice for special or extraordinary redemption provided for in a Series Resolution or Bond Series Certificate, may state that the redemption is conditioned upon receipt by the Trustee, on or prior to the redemption date, of moneys sufficient to pay the Redemption Price of the Bonds to be redeemed, and that if such moneys are not received such notice shall be of no force or effect and such Bonds shall not be required to be redeemed.

Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Such notice shall be given by mailing a copy of such notice not less than thirty (30) days nor more than forty-five (45) days prior to the redemption date or, in the case of Variable Interest Rate Bonds or Option Bonds, such shorter

period as shall be established by the Series Resolution authorizing such Bonds or the Bond Series Certificate relating thereto, but in no event less than fifteen (15) days prior to the redemption date. Such notice shall be sent by first class mail, postage prepaid, to the registered owners of the Bonds which are to be redeemed, at their last known addresses, if any, appearing on the registration books not more than ten (10) Business Days prior to the date such notice is given. Upon giving such notice, the Trustee shall promptly certify to the Authority that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided in the Resolution. Such certificate shall be conclusive evidence that such notice was given in the manner required by the Resolution. The failure of any Holder of a Bond of a Series to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds. If directed in writing by an Authorized Officer of the Authority, the Trustee shall also give such notice by publication thereof once in an Authorized Newspaper, such publication to be not less than thirty (30) days nor more than forty-five (45) days prior to the redemption date or, in the case of Variable Interest Rate Bonds or Option Bonds, such shorter period as shall be established by the Series Resolution authorizing such Bonds or the Bond Series Certificate relating thereto, but in no event less than fifteen (15) days prior to the redemption date; provided, however, that such publication shall not be a condition precedent to such redemption, and failure to so publish any such notice or a defect in such notice or in the publication thereof shall not affect the validity of the proceedings for the redemption of the Bonds.

In addition, unless otherwise provided for in a Series Resolution or Bond Series Certificate with respect to a Series of Bonds, the Trustee shall (i) if any of the Bonds to be redeemed are Book Entry Bonds, mail a copy of the notice of redemption to the Depository for such Book Entry Bonds not less than thirty-five (35) days prior to the redemption date, but, if notice of redemption is to be published as aforesaid, in no event later than five (5) Business Days prior to the date of publication, and (ii) mail a copy of the notice of redemption to Kenny Information Systems Notification Service and to Standard & Poor's Called Bond Record, or to any successor thereof in each case at the most recent address therefor. Such copies shall be sent by certified mail, return receipt requested, but mailing such copies shall not be a condition precedent to such redemption and failure to so mail or of a person to which such copies were mailed to receive such copy shall not affect the validity of the proceedings for the redemption of the Bonds.

(Section 4.05)

Payment of Redeemed Bonds

Notice having been given by mail in the manner provided in the summarized section immediately above, the Bonds of a Series or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender of such Bonds, other than Book Entry Bonds, at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. For so long as the Bonds shall not be issued in book-entry only form, payment of the Redemption Price shall be made, upon the request of the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be redeemed, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has, at the time such Bonds are surrendered to the Trustee, directed in writing the Trustee to wire such Redemption Price. If there shall be drawn for redemption less than all of the principal amount of a registered Bond of a Series, the Authority shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Bond so surrendered, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Bonds of a Series or portions thereof to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as aforesaid, then, from and after the redemption date, interest on such Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds shall no longer be considered to be Outstanding under the Resolution. If such money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(Section 4.06)

Purchase of Purchased Bonds

Whenever Bonds are to be purchased at the election of the College, written notice thereof and of the Bonds of the Series and maturity to be so purchased having been given by the College to the Authority, the Trustee, and each Applicable Provider, the Trustee shall select the particular Bonds of such Series and maturity to be so purchased in the same manner as provided in the Loan Agreement in the Resolution for the selection of Bonds to be redeemed in part. Promptly thereafter the Trustee shall give notice of the purchase of the Bonds at the times and in the manner provided in the Series Resolution authorizing such Bonds or the Bond Series Certificate related thereto. The Trustee shall not give such notice unless prior to the date such notice is given, the College has caused to be delivered to the Trustee the written consent to such purchase of the Authority and each Applicable Provider. All such purchases may be subject to conditions of the Authority, the Trustee and any Provider to the College's obligation to purchase such Bonds and shall be subject to the condition that money for the payment of the purchase price therefor is available on the date set for such purchase. Notice of purchase having been given in the manner required by the Series Resolution authorizing the Bonds to be so purchased or the Bond Series Certificate relating thereto, then, if sufficient money to pay the purchase price of such Bonds is held by the Trustee, the purchase price of the Bonds or portions thereof so called for purchase shall become due and payable on the date set for purchase, upon presentation and surrender of such Bonds (other than Book Entry Bonds) to be purchased at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney. Payment of the purchase price of other than Book Entry Bonds shall be made, upon the request of the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be so purchased, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has prior to the purchase date directed in writing the Trustee to wire such purchase price. Bonds so purchased shall be considered to be Outstanding and each such Bond so purchased that is not a Book Entry Bond shall be registered in the name or at the direction of the College.

(Section 4.07)

Pledge of Revenues; Funds and Accounts; Revenues and Application Thereof

Pledge of Revenues

The proceeds from the sale of a Series of Bonds, the Applicable Revenues, the Authority's security interest in the Pledged Revenues and, except as otherwise provided in the Resolution, all funds and accounts established by the Resolution, other than the Arbitrage Rebate Fund, Purchase and Remarketing Fund and Credit Facility Repayment Fund, are pursuant to the Resolution, subject to the adoption of a Series Resolution, pledged and assigned to the Trustee and the Applicable Provider, if any, subject to the terms of the Intercreditor Agreement, as security for the payment of the principal and Redemption Price of and interest on such Series of Bonds, all in accordance with the provisions of the Resolution and thereof. The pledge made by the Resolution shall relate only to the Bonds of a Series authorized by such Series Resolution and no other Series of Bonds and such pledge shall not secure any such other Series of Bonds provided, however, that Bonds of more than one Series may be equally and ratably secured with respect to the Pledged Revenues and/or the Mortgaged Property, to the extent required by, and consented to by, the Applicable Providers. The pledge made by the Resolution is valid, binding and perfected from the time when the pledge attaches and the proceeds from the sale of a Series of Bonds, the Applicable Revenues, the Authority's security interest in the Applicable Pledged Revenues and all funds and accounts established by the Resolution and by a Series Resolution which are pledged by the Resolution shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid, binding and perfected as against all parties having claims of any kind in tort, contract or otherwise against the Authority irrespective of whether such parties have notice thereof. No instrument by which such pledge is created nor any financing statement need be recorded or filed. The Bonds of each Series shall be special obligations of the Authority payable solely from and secured by a pledge of the proceeds from the sale of such Series of Bonds, the Applicable Revenues, the Authority's security interest in the Applicable Pledged Revenues and the funds and accounts established by the Resolution and pursuant to a Series Resolution and which are pledged by the Resolution as provided in the Resolution, which pledge shall constitute a first parity lien thereon, subject to only, with respect to

the Pledged Revenues, the Prior Pledges and any existing or future parity liens in the Pledged Revenues as permitted under the Loan Agreement.

(Section 5.01)

Establishment of Funds and Accounts

In addition to such funds as may be provided by a Series Resolution or a Bond Series Certificate, the following funds are authorized to be established and shall be held and maintained for each Series of Bonds by the Trustee separate and apart from any other funds established and maintained pursuant to any other Series Resolution:

Construction Fund;

Debt Service Fund;

Arbitrage Rebate Fund;

Purchase and Remarketing Fund, if any;

Credit Facility Repayment Fund, if any; and

Debt Service Reserve Fund, if any.

In addition to the funds required to be established by the Resolution, the Authority may for purposes of internal accounting establish such other accounts and subaccounts as the Authority or the Trustee deems proper, necessary or desirable in a Series Resolution or a Bond Series Certificate. In addition to the accounts and subaccounts, if any, required to be established by the Resolution or by any Series Resolution, or any Bond Series Certificate, the Authority may for purposes of internal accounting establish such other accounts and subaccounts as the Authority or the Trustee deems proper, necessary or desirable. All money at any time deposited in any fund, account or subaccount created and pledged by the Resolution, by a Series Resolution or Bond Series Certificate or required thereby to be created shall be held in trust for the benefit of the Holders of Bonds of such Series, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes provided in the Resolution, unless otherwise provided in the Applicable Series Resolution or Bond Series Certificate relating to such Bonds; provided, however, that the proceeds derived from the remarketing of Option Bonds tendered or deemed to have been tendered for purchase in accordance with the Series Resolution authorizing the issuance of such Bonds or the Bond Series Certificate relating to such Bonds or derived from a Liquidity Facility relating to such Bonds, and any fund or account established by or pursuant to such Series Resolution or Bond Series Certificate for the payment of the purchase price of Option Bonds so tendered or deemed to have been tendered, shall not be held in trust for the benefit of the Holders of Bonds other than such Option Bonds and are pledged by the Resolution for the payment of the purchase price of such Option Bonds.

(Section 5.02)

Application of Money in the Construction Fund

As soon as practicable after the delivery of a Series of Bonds, the Trustee shall deposit in the Construction Fund the amount required to be deposited therein pursuant to the Series Resolution authorizing such Series or the Bond Series Certificate relating to such Series. In addition, the Authority shall pay over to the Trustee and the Trustee shall deposit in the Construction Fund any money paid to the Authority pursuant to the provisions of the Resolution summarized under the heading "Deposit of Certain Money in the Construction Fund" below and all amounts paid by the College which by the terms of the Applicable Loan Agreement are required to be deposited therein.

Except as otherwise provided in the Resolution and in any Applicable Series Resolution or Bond Series Certificate, money deposited in the Construction Fund shall be used only to pay the Costs of Issuance and the Costs

of the Project with respect to such Series of Bonds. The Applicable Series Resolution or Bond Series Certificate may provide for the establishment of a Capitalized Interest Account in the Construction Fund to pay or provide for the payment of interest on such Series of Bonds and fees related to the Applicable Provider of a Credit Facility and the Applicable remarketing fees of such Series of Bonds during the construction of a Project and for a reasonable time after the completion of such Project. The Applicable Series Resolution or Bond Series Certificate may provide for the establishment of an Equity Account in the Construction Fund to pay or provide for a portion of the Costs of Issuance and the Costs of the Project.

Payments for Costs of Issuance shall be made by the Trustee upon receipt of, and in accordance with, a certificate or certificates signed by an Authorized Officer of the Authority stating the names of the payees, the purpose of each payment in terms sufficient for identification, and the respective amounts of each such payment and approved in writing by the Provider of a Credit Facility, subject to the provisions of an applicable disbursement agreement, if any. Payments for Costs of each Project shall be made by the Trustee upon receipt of, and in accordance with, a certificate or certificates signed by an Authorized Officer of the Authority, substantiated by a certificate filed with the Authority in accordance with a Loan Agreement naming the Project in connection with which payment is to be made and describing in reasonable detail the purpose for which money was used and the amount thereof, and further stating that such purpose constitutes a necessary part of the Costs of such Project and approved in writing by the Provider of a Credit Facility, if any, subject to the provisions of an applicable disbursement agreement, if any, except that payments to pay interest on Bonds of a Series and fees of the Provider of a Credit Facility shall be made by the Trustee upon receipt of, and in accordance with, the direction of an Authorized Officer of the Authority directing the Trustee to transfer such amount from the Capitalized Interest Account of the Construction Fund to the Debt Service Fund or to pay such fees to the Provider of a Credit Facility, the Remarketing Agent or the Authority.

Unless the Mortgage or the Intercreditor Agreement requires otherwise, any proceeds of insurance, condemnation or eminent domain awards received by the Trustee, the Authority or the College with respect to a Project shall be deposited in the Construction Fund and, if necessary, such fund may be re-established for such purpose and, if not used to repair, restore or replace the Project, transferred to the Debt Service Fund for the redemption of Bonds in accordance with the Applicable Series Resolution or Bond Series Certificate.

A Project shall be deemed to be complete upon delivery to the Authority, the Provider of a Credit Facility and the Trustee of a final, unconditional certificate of occupancy and a certificate signed by an Authorized Officer of the College, which certificate shall be delivered as soon as practicable after the date of completion of such Project, or upon delivery to the College, the Provider of a Credit Facility and the Trustee of a certificate signed by an Authorized Officer of the Authority which certificate may be delivered at any time after completion of such Project. Each such certificate shall state that the Project has been completed substantially in accordance with the plans and specifications, if any, applicable to such Project and that such Project is ready for occupancy or use, and, in the case of a certificate of an Authorized Officer of the College, shall specify the date of completion.

Upon receipt by the Trustee of a certificate relating to the completion of a Project, the money, if any, then remaining in the Construction Fund relating to such Project, after making provision in accordance with the direction of an Authorized Officer of the Authority for the payment of any Costs of Issuance and Costs of such Project then unpaid, shall be paid or applied by the Trustee as follows and in the following order of priority:

First: Upon the direction of an Authorized Officer of the Authority, to the Arbitrage Rebate Fund, the amount set forth in such direction; and

Second: To the Debt Service Reserve Fund, if any, such amount as shall be necessary to make the amount on deposit in such fund equal to the Applicable Debt Service Fund Requirement; and

Third: To the Debt Service Fund, to be applied in accordance with Section 5.06 hereof, any balance remaining..

(Section 5.04)

Debt Service Fund

(a) The Trustee shall on or before the Business Day preceding each interest payment date pay to itself and any other Paying Agent out of the Debt Service Fund:

(i) the interest due and payable on all Outstanding Bonds of a Series on such interest payment date;

(ii) the principal amount due and payable on all Outstanding Bonds of a Series on such interest payment date; and

(iii) the Sinking Fund Installments or other amounts related to a mandatory redemption, if any, due and payable on such interest payment date on Outstanding Bonds of a Series.

The amounts paid out pursuant to this summarized section shall be irrevocably pledged to and applied to such payments.

(b) Notwithstanding the provisions of paragraph (a) of this summarized section, the Authority may, at any time subsequent to the first day of June of any Bond Year but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with money on deposit in the Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Term Bonds of a Series to be redeemed from such Sinking Fund Installment. In addition, the College pursuant to the Applicable Loan Agreement may deliver, at any time subsequent to June 1 of any Bond Year, but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, to the Trustee for cancellation one or more Term Bonds of the Series and maturity to be so redeemed on such date from such Sinking Fund Installment.

(c) Any Term Bond so purchased and delivered to the Trustee shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Authority. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date, provided, however, that such Term Bond is canceled by the Trustee prior to the date on which notice of redemption is given.

(d) Money in the Debt Service Fund in excess of the amount required to pay the principal and Sinking Fund Installments of Outstanding Bonds of a Series payable on and prior to the next succeeding June 1, the interest on Outstanding Bonds of a Series payable on and prior to the earlier of the next succeeding June 1 or December 1, assuming that a Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum, and the purchase price or Redemption Price of Outstanding Bonds of a Series theretofore contracted to be purchased or called for redemption, plus accrued interest thereon to the date of purchase or redemption, shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to the purchase of Outstanding Bonds of a Series at purchase prices not exceeding the Redemption Price applicable on the next interest payment date on which such Bonds are redeemable, plus accrued and unpaid interest to such date, at such times, at such purchase prices and in such manner as an Authorized Officer of the Authority shall direct. If sixty (60) days prior to the end of a Bond Year an excess, calculated as aforesaid, exists in the Debt Service Fund of a Series of Bonds, such money shall be applied by the Trustee if directed by an Authorized Officer of the Authority given pursuant to the Resolution to the redemption of Bonds of such Series as provided in the Resolution, at the Redemption Prices specified in the Applicable Series Resolution authorizing the issuance of the Bonds to be redeemed or the Bond Series Certificate relating to such Bonds.

(Section 5.06)

Arbitrage Rebate Fund

The Trustee shall deposit to the Arbitrage Rebate Fund any money delivered to it by the College for deposit therein and, notwithstanding any other provisions of the Resolution, shall transfer to the Arbitrage Rebate Fund, in accordance with the directions of an Authorized Officer of the Authority, money on deposit in any other funds held by the Trustee under the Resolution at such times and in such amounts as shall be set forth in such directions.

Money on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to make payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Authority shall determine to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Money which an Authorized Officer of the Authority determines to be in excess of the amount required to be so rebated shall, first, be applied to reimburse, pro rata, each Provider for money advanced under an Applicable Credit Facility or Liquidity Facility, including interest thereon, which is then unpaid, in proportion to the respective amounts advanced by each such Provider, and, then, be deposited to any fund or account established under the Resolution in accordance with the written direction of such Authorized Officer.

The Authority shall periodically determine the amount which may be required by the Code to be rebated to the Department of the Treasury of the United States of America with respect to a Series of Bonds and direct the Trustee to (i) transfer from any other of the funds and accounts held by the Trustee under the Resolution and deposit to the Arbitrage Rebate Fund such amount as the Authority shall have determined to be necessary in order to enable it to comply with its obligation to rebate money to the Department of the Treasury of the United States of America with respect to such Series of Bonds and (ii) if and to the extent required by the Code, pay out of the Arbitrage Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto.

(Section 5.07)

Application of Money in Certain Funds for Retirement of Bonds

Notwithstanding any other provisions of the Resolution, if at any time the amounts held in the Debt Service Fund and the Debt Service Reserve Fund, if any, are sufficient to pay the principal or Redemption Price of all Outstanding Bonds of a Series and the interest accrued and unpaid and to accrue on such Bonds to the next date of redemption when all such Bonds are redeemable, or to make provision pursuant to the defeasance provisions of the Resolution for the payment of the Outstanding Bonds at the maturity or redemption dates thereof, the Trustee shall so notify the Authority and the College. Upon receipt of such notice, the Authority may (i) direct the Trustee to redeem all such Outstanding Bonds of a Series, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Outstanding Bonds in the manner provided for redemption of such Bonds as provided in the Resolution, or (ii) give the Trustee irrevocable instructions in accordance with the defeasance provisions of the Resolution and make provision for the payment of such Outstanding Bonds at the maturity or redemption dates thereof in accordance therewith.

(Section 5.08)

Transfer of Investments

Whenever money in any fund or account established under the Resolution or under a Series Resolution or a Bond Series Certificate is to be paid in accordance with the Resolution to another such fund or account, such payment may be made, in whole or in part, by transferring to such other fund or account investments held as part of the fund or account from which such payment is to be made, whose value, together with the money, if any, to be transferred, is at least equal to the amount of the payment then to be made; provided, however, that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

(Section 5.09)

Security for Deposits and Investment of Funds

Security for Deposits

All money held under the Resolution by the Trustee shall be continuously and fully secured, for the benefit of the Authority and the Holders of a Series of Bonds, by direct obligations of the United States of America or obligations the principal of and interest on which are guaranteed by the United States of America of a market value equal at all times to the amount of the deposit so held by the Trustee; provided, however, (a) that if the securing of such money is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, and (b) that it shall not be necessary for the Trustee or any Paying Agent to give security for the deposit of any money with them pursuant to the debt service fund provisions or the defeasance provisions of the Resolution and held in trust for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of or interest on a Series of Bonds, or for the Trustee to give security for any money which shall be represented by obligations purchased or other investments made under the provisions of the Resolution as an investment of such money.

(Section 6.01)

Investment of Funds and Accounts

(a) Money held under the Resolution by the Trustee, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee, upon direction of the Authority given or confirmed in writing, signed by an Authorized Officer of the Authority (which direction shall specify the amount thereof to be so invested), in Government Obligations, Federal Agency Obligations or Exempt Obligations; provided, however, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Authority reasonably believes such money will be required for the purposes of the Resolution.

(b) In lieu of the investments of money in obligations authorized in paragraph (a) of this summarized section, the Trustee shall, to the extent permitted by law, upon direction of the Authority given or confirmed in writing, signed by an Authorized Officer of the Authority, invest money in the Construction Fund in any Permitted Investment; provided, however, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Authority reasonably believes such money will be required for the purposes of the Resolution, provided, further, that (x) any Permitted Collateral required to secure any Permitted Investment shall have a market value, determined by the Trustee or its agent periodically, but no less frequently than weekly, at least equal to the amount deposited or invested including interest accrued thereon, (y) the Permitted Collateral shall be deposited with and held by the Trustee or an agent of the Trustee approved by an Authorized Officer of the Authority, and (z) the Permitted Collateral shall be free and clear of claims of any other person.

(c) Permitted Investments purchased as an investment of money in any fund or account held by the Trustee under the provisions of the Resolution shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be retained in, credited or charged, as the case may be, to such fund or account.

(d) In computing the amount in any fund or account held by the Trustee under the provisions of the Resolution, each Permitted Investment shall be valued at par or the market value thereof, plus accrued interest, whichever is lower.

(e) Notwithstanding anything to the contrary in the Resolution, the Authority, in its discretion, may direct the Trustee to, and the Trustee shall, sell, present for redemption or exchange any investment held by the Trustee pursuant to the Resolution and the proceeds thereof may be reinvested as provided in this summarized section. Except as otherwise provided in the Resolution, the Trustee shall sell at the best price obtainable, or present for redemption or exchange, any investment held by it pursuant to the Resolution whenever it shall be necessary in order to provide money to meet any payment or transfer from the fund or account in which such investment is held.

The Trustee shall advise the Authority and the College in writing, on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account under the Resolution and of the details of all investments held for the credit of each fund and account in its custody under the provisions of the Resolution as of the end of the preceding month and as to whether such investments comply with the provisions of paragraphs (a), (b) and (c) of this summarized section. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund and account in the previous month.

(f) No part of the proceeds of a Series of Bonds or any other funds of the Authority shall be used directly or indirectly to acquire any securities or investments the acquisition of which would cause any Bond of a Series to be an “arbitrage bond” within the meaning of Section 148(a) of the Code.

(Section 6.02)

Particular Covenants

Payment of Principal and Interest

The Authority shall pay or cause to be paid the principal, Sinking Fund Installments, if any, or Redemption Price of and interest on every Bond of each Series on the date and at the places and in the manner provided in such Bonds according to the true intent and meaning thereof.

(Section 7.01)

Further Assurance

The Authority, at any and all times, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, pledges and assignments pursuant to the Resolution and by the Applicable Series Resolution or Bond Series Certificate created or made or intended to be created or made, or which the Authority may hereafter become bound to pledge or assign.

(Section 7.04)

Accounts and Audits

The Authority shall keep proper books of records and accounts (separate from all other records and accounts), which may be kept on behalf of the Authority by the Trustee, in which complete and correct entries shall be made of its transactions relating to a Series of Bonds, including but not limited to the objects and purposes for which proceeds of such Bonds were expended and the respective amounts expended for such objects and purposes. Such books and accounts, at reasonable hours and subject to the reasonable rules and regulations of the Authority, shall be subject to the inspection of the College, the Trustee or of any Holder of a Bond of a Series or his representative duly authorized in writing. The Trustee shall annually prepare a report which shall be furnished to the Authority, to each Provider and to the College. Such report shall include at least: a statement of all funds (including investments thereof) held by such Trustee and the Authority pursuant to the provisions of the Resolution and the Applicable Series Resolution and Bond Series Certificate; a statement of the Revenues collected in connection with the Resolution and with each Series Resolution; and complete and correct entries of the Authority’s transactions relating to each Series of Bonds. A copy of such report shall, upon receipt of a written request therefor, and payment of any reasonable fee or charge made in connection therewith, be furnished to the registered owner of a Bond of a Series or any beneficial owner of a Book Entry Bond requesting the same.

(Section 7.05)

Creation of Liens

Except as permitted by the Resolution or by a Series Resolution, the Authority shall not create, cause to be created or suffer or permit the creation of any lien or charge prior or equal to that of the Bonds of a Series on the proceeds from the sale of such Bonds, the Applicable Revenues, the Applicable Pledged Revenues of the College, the rights of the Authority to receive payments to be made under a Loan Agreement that are to be deposited with the Trustee or the funds and accounts established by the Resolution and by any Series Resolution and Bond Series Certificate which are pledged by the Resolution other than, with respect to the Pledged Revenues, the Prior Pledges and any existing or future parity lien on the Pledged Revenues to secure Parity Indebtedness; provided, however, that each Series of Bonds may be equally and ratably secured by the Pledged Revenues and the Mortgaged Property, to the extent required by and consented to by the Applicable Providers; and; provided, further however, that nothing contained in the Resolution shall prevent the Authority from (i) issuing bonds, notes or other obligations or otherwise incurred indebtedness under another and separate resolution so long as the charge or lien created by such resolution is not prior to the charge or lien created by the Resolution and by a Series Resolution and (ii) incurring obligations with respect to a Credit Facility or a Liquidity Facility which are secured by a lien upon and pledge of the Applicable Revenues of equal priority with the lien created and the pledge made pursuant to the Resolution and by the Applicable Series Resolution.

(Section 7.06)

Enforcement of Duties and Obligations of the College

The Authority shall take all legally available action to cause the College to perform fully all duties and acts and comply fully with the covenants of the College required by a Loan Agreement in the manner and at the times provided in such Loan Agreement; provided, however, that the Authority may (i) delay or defer enforcement of one or more provisions of such Loan Agreement (other than provisions requiring the payment of money or the delivery of securities to the Trustee for deposit to any fund or account established under the Resolution) if the Authority determines such delay or deferment will not materially adversely affect the interests of the Holders of the Bonds of such Series and (ii) at any time prior to the occurrence of an event of default under the Resolution, annul any declaration that the indebtedness under such Loan Agreement is immediately due and payable and, if prior to the entry of a final judgment or decree in any action or proceeding instituted on account of an event of default under such Loan Agreement, discontinue such action or proceeding if the College shall have cured each event of default under such Loan Agreement.

(Section 7.07)

Deposit of Certain Money in the Construction Fund

In addition to the proceeds of Bonds of a Series to be deposited in the Construction Fund, any money paid to the Authority for the acquisition, construction, reconstruction, renovation or equipment of a Project, including, if not inconsistent with the Applicable Mortgage and Applicable Intercreditor Agreement, the proceeds of any insurance of condemnation award to be so applied, shall be deposited in the Construction Fund.

(Section 7.08)

Offices for Payment and Registration of Bonds

The Authority shall at all times maintain an office or agency in the State where Bonds of a Series may be presented for payment. The Authority may, pursuant to a Supplemental Resolution or a Series Resolution or pursuant to a resolution adopted in accordance with the Resolution, designate an additional Paying Agent or Paying Agents where Bonds of the Series authorized thereby or referred to therein may be presented for payment. The Authority shall at all times maintain an office or agency in the State where Bonds of a Series may be presented for registration, transfer or exchange and, pursuant to the Resolution, the Trustee is appointed as its agent to maintain such office or agency for the registration, transfer or exchange of such Bonds.

(Section 7.09)

Amendment of Loan Agreement

A Loan Agreement may not be amended, changed, modified, altered or terminated nor may any provision thereof be waived if any such amendment, change, modification, alteration, termination or waiver would adversely affect the interest of the Holders of Outstanding Bonds of the Applicable Series to which such Loan Agreement relates in any material respect unless consented to in writing by the Holders of at least a majority in aggregate principal amount of the Bonds of such Series then Outstanding; provided, however, that no such amendment, change, modification, alteration, or termination will reduce the percentage of the aggregate principal amount of Outstanding Bonds of a Series the consent of the Holders of which is a requirement for any such amendment, change, modification, alteration or termination, or decrease the amount of any payment required to be made by the College under such Loan Agreement that is to be deposited with the Trustee or extend the time of payment thereof. Any consent given pursuant to this paragraph by the Holders of Bonds shall, except as otherwise provided in this summarized section, be given in the same manner required by the Resolution with respect to the amendments thereof.

A Loan Agreement may be amended, changed, modified or altered (i) to make changes necessary or appropriate in connection with the acquisition, construction, reconstruction, rehabilitation and improvement, or otherwise providing, furnishing and equipping of any facilities constituting a part of any Project or to otherwise amend the Project or (ii) with the consent of the Trustee, to cure any ambiguity, or to correct or supplement any provisions contained in such Loan Agreement which may be defective or inconsistent with any other provisions contained in the Resolution or in the Applicable Loan Agreement or (iii) with the consent of the Applicable Provider of a Credit Facility, to cure any ambiguity, or to correct or supplement any provision contained in the Applicable Loan Agreement which may be defective. Except as otherwise provided in this summarized section, a Loan Agreement may be amended, changed, modified or altered without the consent of the Holders of Outstanding Bonds or the Trustee. Prior to execution by the Authority of any amendment, a copy thereof certified by an Authorized Officer of the Authority shall be filed with the Trustee.

For the purposes of this summarized section, the purchasers of Bonds of a Series, whether purchasing as underwriters, Remarketing Agent or otherwise for resale, may upon such purchase consent to an amendment, change, modification, alteration, termination or waiver permitted by this summarized section in the manner provided in the Resolution, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; provided, however, that, if such consent is given by a purchaser who is purchasing as an underwriter or Remarketing Agent or for resale, the nature of the amendment, change, modification, alteration, termination or waiver and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the initial offering, reoffering or resale of the Bonds of such Series.

For the purposes of this summarized section, a Series shall be deemed to be adversely affected by an amendment, change, modification, alteration or termination of the Applicable Loan Agreement or the waiver of any provision thereof if the same adversely affects or diminishes the rights of the Holders of the Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series would be adversely affected in any material respect by any amendment, change, modification, alteration, termination or waiver and any such determination shall be binding and conclusive on the College, the Authority and all Holders of Bonds of such Series.

For all purposes of this summarized section, the Trustee shall be entitled to rely upon an opinion of counsel, which counsel shall be satisfactory to the Trustee, with respect to whether any amendment, change, modification, alteration, termination or waiver adversely affects the interests of any Holders of Bonds of a Series then Outstanding in any material respect.

(Section 7.11)

Notice as to Event of Default under Loan Agreement

The Authority shall notify the Trustee in writing that an “Event of Default” under a Loan Agreement, as such term is defined in such Loan Agreement, has occurred and is continuing, which notice shall be given as soon as practicable after the Authority has obtained actual knowledge thereof.

(Section 7.12)

Tax Exemption: Rebate

Except as otherwise provided in a Series Resolution, in order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Bonds of each Series, the Authority shall comply with the provisions of the Code applicable to the Bonds of each Series, including without limitation the provisions of the Code relating to the computation of the yield on investments of the Gross Proceeds of each Series of Bonds, reporting of earnings on the Gross Proceeds of each Series of Bonds and rebates of Excess Earnings to the Department of the Treasury of the United States of America. Except as otherwise provided in the Resolution the Authority shall comply with the letter of instructions as to compliance with the Code with respect to each such Series of Bonds, to be delivered by Bond Counsel at the time the Bonds of a Series are issued, as such letter may be amended from time to time, as a source of guidance for achieving compliance with the Code.

The Authority shall not take any action or fail to take any action, which would cause the Bonds of a Series to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

Notwithstanding any other provision of the Resolution to the contrary, the Authority’s failure to comply with the provisions of the Code applicable to the Bonds of a Series shall not entitle the Holder of Bonds of any other Series, or the Trustee acting on their behalf, to exercise any right or remedy provided to Bondholders under the Resolution based upon the Authority’s failure to comply with the provisions of this summarized section or of the Code.

(Section 7.13)

Series Resolutions and Supplemental Resolutions

Modification and Amendment without Consent

Notwithstanding any other provisions of the Resolution, the Authority may adopt at any time or from time to time Series Resolutions or Supplemental Resolutions for any one or more of the following purposes, and any such Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee and the Applicable Provider, if any, of a copy thereof certified by an Authorized Officer of the Authority:

(a) To provide for the issuance of a Series of Bonds pursuant to the provisions of the Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds of a Series, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;

(c) To prescribe further limitations and restrictions upon the issuance of Bonds of a Series and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;

(d) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of the Resolution, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;

(e) To confirm, as further assurance, any pledge under the Resolution and under a Series Resolution, and the subjection to any lien, claim or pledge of the Revenues, or any pledge of any other money, securities or funds created or to be created by the provisions of the Resolution and by the provisions of a Series Resolution;

(f) To modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution or Series Resolution shall cease to be Outstanding, and all Bonds issued under such resolutions shall contain a specific reference to the modifications contained in such subsequent Resolutions;

(g) To modify or amend a Project; or

(h) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision in the Resolution or to insert such provisions clarifying matters or questions arising under the Resolution as are necessary or desirable, provided that any such modifications are not contrary to or inconsistent with the Resolution as theretofore in effect, or to modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respect, provided that such modification shall not adversely affect the interests of the Bondholders of a Series in any material respect.

(Section 9.01)

Supplemental Resolutions Effective With Consent of Bondholders

The provisions of the Resolution and of a Series Resolution may also be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of the Bondholders of the Applicable Series in accordance with and subject to the provisions of the Resolution, such Supplemental Resolution to become effective upon the filing with the Trustee and the Applicable Provider, if any, of a copy thereof certified by an Authorized Officer of the Authority. The Trustee shall transmit a copy of such Supplemental Resolution to the College upon its becoming effective.

(Section 9.02)

General Provisions Relating to Series Resolutions and Supplemental Resolutions

The Resolution or a Series Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of the Resolution. Nothing contained in the Resolution shall affect or limit the rights or obligations of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of the Resolution summarized under the heading "Further Assurance" or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere provided in the Resolution or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Series Resolution and Supplemental Resolution adopted by the Authority, when filed with the Trustee, shall be accompanied by an opinion of Bond Counsel stating that such Series Resolution or Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the Resolution, is authorized or permitted pursuant to the Resolution and is valid and binding upon the Authority and enforceable in accordance with its terms. The Trustee shall transmit a copy of such Supplemental Resolution to the College and to each Applicable Provider upon its becoming effective.

Pursuant to the Resolution, the Trustee is authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions of the Resolution and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on the opinion of Bond Counsel that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions of the Resolution.

No Series Resolution or Supplemental Resolution changing, amending or modifying any of the rights or obligations of the Trustee, a Paying Agent or a Provider shall become effective without the written consent of the Trustee, the Paying Agent or Provider affected thereby.

(Section 9.03)

Terms of Intercreditor Agreement Controlling

To the extent of a conflict between the terms of the Resolution or any Series Resolution and the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall be deemed to control.

(Section 9.05)

Amendments of Resolution

Powers of Amendment

Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds under the Resolution or of any Series Resolution, in any particular, may be made by a Supplemental Resolution, with the written consent given as hereinafter provided in the summarized section immediately below, (i) of the Holders of at least a majority in principal amount of the Bonds of a Series Outstanding at the time such consent is given, or (ii) in case the modification or amendment changes the amount or date of any Sinking Fund Installment, of the Holders of at least a majority in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment, Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond of a Series or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this summarized section, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of a particular Series or maturity would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds of such Series. The Trustee may receive an opinion of counsel, including an opinion of Bond Counsel, as conclusive evidence as to whether the Bonds of any particular Series or maturity would be so affected by any such modification or amendment of the Resolution. The Trustee shall transmit a copy of such Supplemental Resolution to the College upon its becoming effective.

(Section 10.01)

Consent of Bondholders

The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of the summarized section immediately above to take effect when and as provided in this summarized section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee) together with a request to the Bondholders of a Series of Bonds affected thereby for their consent thereto in form satisfactory to the Trustee, shall promptly after adoption be mailed by the Authority to such Bondholders (but failure to mail such copy and request to any particular Bondholder shall not affect the validity of the Supplemental Resolution when consented to as provided in this summarized section). Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consent of the Holders of the percentages of Outstanding Bonds of a Series specified in the summarized section immediately above and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is authorized or permitted pursuant to the Resolution, and is valid and binding upon the Authority and enforceable in accordance with its terms, and (ii) a notice shall have been mailed as hereinafter provided in this summarized

section. Each such consent shall be effective only if accompanied by proof of the holding or owning at the date of such consent, of the Bonds of a Series with respect to which such consent is given, which proof shall be such as is permitted by the Resolution. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with the Resolution shall be conclusive proof that the consents have been given by the Holders of the Bonds of a Series described in the certificate or certificates of the Trustee.

Any consent given by a Bondholder shall be binding upon the Bondholder giving such consent and, anything in the Resolution to the contrary notwithstanding, upon any subsequent Bondholder and of any Bonds of a Series issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Bondholder giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee as hereinafter provided in this summarized section for is filed, such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds of a Series shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority and the Trustee a written statement that such Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed.

At any time thereafter notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds of a Series and will be effective as provided in this summarized section, shall be given to such Bondholders by the Authority by mailing such notice to such Bondholders and, at the discretion of the Authority, by publishing the same at least once not more than ninety (90) days after the Holders of the required percentages of Bonds of such Series shall have filed their consents to the Supplemental Resolution and the written statement of the Trustee hereinabove provided for is filed (but failure to publish such notice shall not prevent such Supplemental Resolution from becoming effective and binding as provided in the summarized section). The Authority shall file with the Trustee proof of the mailing of such notice, and, if the same shall have been published, of the publication thereof. A transcript, consisting of the papers required or permitted by this summarized section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Trustee, each Paying Agent, and the Holders of all Bonds of such Series upon the filing with the Trustee of proof of the mailing of such notice or at the expiration of thirty (30) days after the filing with the Trustee of the proof of the first publication of such last mentioned notice, if such notice is published, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the Authority, the Trustee and any Paying Agent during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

For the purposes of the provisions of the Resolution, the purchasers of the Bonds of a Series, whether purchasing as underwriters or Remarketing Agent, for resale or otherwise, upon such purchase, may consent to a modification or amendment permitted by the Resolution, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; provided, however, that, if such consent is given by a purchaser who is purchasing as an underwriter or for resale, the nature of the modification or amendment and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the primary offering of the Bonds of such Series by the Authority.

(Section 10.02)

Modifications by Unanimous Consent

The terms and provisions of the Resolution and the rights and obligations of the Authority and of the Holders of the Bonds of a Series may be modified or amended in any respect upon the adoption and filing with the Trustee by the Authority of a copy of a Supplemental Resolution certified by an Authorized Officer of the Authority and the consent of the Holders of all of the Bonds of a Series then Outstanding, such consent to be given as provided in the summarized section immediately above, except that no notice to the Bondholders either by mailing or publication shall be required.

(Section 10.03)

Consent of Provider

Whenever by the terms of the Resolution the consent of any of the Holders of the Bonds of a Series to a modification or amendment of the Resolution made by a Series Resolution or Supplemental Resolution is required, such modification or amendment shall not become effective until the written consent of each Applicable Provider has been obtained. No modification or amendment of the Resolution which adversely affects a Provider shall be made without the written consent thereto of the Applicable Provider affected thereby. Notice of the adoption of any such Series Resolution or Supplemental Resolution and of the effectiveness of the modification or amendment made thereby shall be given to each Applicable Provider by mail at the times and in the manner provided in the Resolution with respect to notices thereof required to be given to the Holders of the Bonds of a Series. Notice thereof shall also be given to each Rating Service as soon as practical after adoption of such Series Resolution or Supplemental Resolution and of the effectiveness thereof.

(Section 10.04)

Defaults and Remedies

Events of Default

An event of default shall exist under the Resolution and under an Applicable Series Resolution (referred to in the Resolution as an “event of default”) if:

- (a) With respect to the Applicable Series of Bonds, payment of the principal, Sinking Fund Installments or Redemption Price of any Bond shall not be made by the Authority when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or
- (b) With respect to the Applicable Series of Bonds, payment of an installment of interest on any Bond shall not be made by the Authority when the same shall become due and payable; or
- (c) With respect to the Applicable Series of Bonds, the Authority shall default in the due and punctual performance of any covenants contained in the Applicable Series Resolution authorizing the issuance thereof to the effect that the Authority shall comply with the provisions of the Code applicable to such Bonds necessary to maintain the exclusion of interest therein from gross income under Section 103 of the Code and shall not take any action which would adversely affect the exclusion of interest on such Bonds from gross income under Section 103 of the Code and, as a result thereof, the interest on the Bonds of such Series shall no longer be excludable from gross income under Section 103 of the Code; or
- (d) With respect to the Applicable Series of Bonds, the Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Resolution or in such Bonds or in the Applicable Series Resolution on the part of the Authority to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of such Series, or if such

default is not capable of being cured within thirty (30) days, if the Authority fails to commence within said thirty (30) days and diligently prosecute the cure thereof; or

(e) With respect to the Applicable Series of Bonds, the Authority shall have notified the Trustee that an “Event of Default” as defined in the Applicable Loan Agreement shall have occurred and be continuing and all sums payable by the College under the Applicable Loan Agreement shall have been declared to be immediately due and payable, which declaration shall not have been annulled.

(Section 11.02)

Acceleration of Maturity

Upon the happening and continuance of any event of default specified in the summarized section immediately above, other than an event of default specified in paragraph (c) of said summarized section, then and in every such case the Trustee may, and, upon the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of a Series, shall, by a notice in writing to the Authority, declare the principal of and interest on all of the Outstanding Bonds of such Series to be immediately due and payable. At the expiration of thirty (30) days after notice of such declaration has been given, such principal and interest shall become and be immediately due and payable, anything in the Resolution or in a Series Resolution or in the Bonds of a Series to the contrary notwithstanding. At any time after the principal of such Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Resolution, the Trustee shall, with the written consent of the Holders of not less than twenty-five per centum (25%) in principal amount of the Bonds of such Series not then due by their terms and then Outstanding, by written notice to the Authority, annul such declaration and its consequences if: (i) money shall have accumulated in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds of such Series (except the interest accrued on such Bonds since the last interest payment date); (ii) money shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and any Paying Agent; (iii) all other amounts then payable by the Authority under the Resolution and under the Applicable Series Resolution (other than principal amounts payable only because of a declaration and acceleration under this summarized section) shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained in the Resolution or in the Applicable Series Resolution or in such Bonds (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this summarized section) shall have been remedied to the reasonable satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

(Section 11.03)

Enforcement of Remedies

Upon the happening and continuance of any event of default specified in the Resolution, then and in every such case, the Trustee may proceed, and, upon the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall proceed (subject to the provisions of the Resolution relating to the compensation of the Trustee or any Paying Agent) to protect and enforce its rights and the rights of the Bondholders under the Resolution or under the Applicable Series Resolution or under the laws of the State by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained under the Resolution or under the Applicable Series Resolution or in aid or execution of any power in the Resolution or therein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights, including the foreclosure of any defaulted Mortgage assigned to the Trustee.

In the enforcement of any remedy under the Resolution and under a Series Resolution the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at

any time remaining, due from the Authority for principal or interest or otherwise under any of the provisions of the Resolution or of a Series Resolution or of the Bonds of a Series, with interest on overdue payments of the principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings under the Resolution and under a Series Resolution and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Authority but solely as provided in the Resolution, in a Series Resolution and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

(Section 11.04)

Limitation of Rights of Individual Bondholders

No Holder of any of the Bonds of a Series shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Resolution, or for any other remedy under the Resolution unless such Holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of a Series affected thereby, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted pursuant to the Resolution or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of the Resolution or for any other remedy under the Resolution and in equity or at law. It is understood and intended that no one or more Holders of the Bonds of a Series secured pursuant to the Resolution and by a Series Resolution shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Resolution or thereof or to enforce any right under the Resolution or thereunder except in the manner provided in the Resolution and therein, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds of such Series. Notwithstanding any other provision of the Resolution, the Holder of any Bond of a Series shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(Section 11.08)

Defeasance

(a) If the Authority shall pay or cause to be paid to the Holders of Bonds of a Series the principal, Sinking Fund Installments, if any, or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, in the Resolution, and in the Applicable Series Resolution and Bond Series Certificate, then the pledge of the Revenues or other money and securities pledged to such Bonds and all other rights granted pursuant to the Resolution to such Bonds shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Authority, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Authority, and all money or securities held by it pursuant to the Resolution and to the Applicable Series Resolution which are not required for the payment or redemption of Bonds of such Series shall be paid or delivered by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Applicable Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each such Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Applicable Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the College. Such securities so paid or delivered shall be released

from any trust, pledge, lien, encumbrance or security interest created pursuant to the Resolution or by the Applicable Loan Agreement.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this summarized section. All Outstanding Bonds of any Series or any maturity within such Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this summarized section if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in the Resolution notice of redemption on said date of such Bonds, (ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received the written consent to such defeasance of each Applicable Provider which has given written notice to the Trustee and the Authority that amounts advanced under a Credit Facility or Liquidity Facility issued by it or the interest thereon have not been repaid to such Provider, and (iv) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at their last known addresses appearing on the registration books, and, if directed by the Authorized Officer of the Authority, by publication, at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice to the Holders of such Bonds that the deposit required by clause (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this summarized section and stating such maturity or redemption date upon which money is to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on said Bonds. The Authority shall give written notice to the Trustee of its selection of the Series and maturity the payment of which is to be made in accordance with this summarized section. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this summarized section in the manner provided in the Resolution. Neither Defeasance Securities nor money deposited with the Trustee pursuant to this summarized section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on said Bonds; provided, however, that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on said Bonds on and prior to such redemption date or maturity date of the Resolution, as the case may be; provided, further, that money and Defeasance Securities may be withdrawn and used by the Authority for any purpose upon (i) the simultaneous substitution therefor of either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which without regard to reinvestment, together with the money, if any, held by or deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (ii) receipt by the Trustee of a letter or other written report of a firm of independent certified public accountants verifying the accuracy of the arithmetical computations which establish the adequacy of such money and Defeasance Securities for such purpose. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, be paid by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Applicable Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Applicable Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the College, and any such money so paid by the Trustee

shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Applicable Loan Agreement.

(c) For purposes of determining whether Variable Interest Rate Bonds of a Series shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of money, or Defeasance Securities and money, if any, in accordance with clause (ii) of the second sentence of paragraph (b) of this summarized section, the interest to come due on such Variable Interest Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate permitted by the terms thereof; provided, however, that if on any date, as a result of such Variable Interest Rate Bonds having borne interest at less than such Maximum Interest Rate for any period, the total amount of money and Defeasance Securities on deposit with the Trustee for the payment of interest on such Variable Interest Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Interest Rate Bonds in order to satisfy clause (ii) of the second sentence of paragraph (b) of this summarized section, the Trustee shall, if requested by the Authority, pay the amount of such excess as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each applicable Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the College, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution.

(d) Option Bonds of a Series shall be deemed to have been paid in accordance with clause (ii) of the second sentence of paragraph (b) of this summarized section only if, in addition to satisfying the requirements of clauses (i) and (iii) of such sentence, there shall have been deposited with the Trustee money in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to paragraph (b) of this summarized section, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph (d). If any portion of the money deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose, the Trustee shall, if requested by the Authority, pay the amount of such excess as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Applicable Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Applicable Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the College, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution.

(e) Anything in the Resolution to the contrary notwithstanding, any money held by the Trustee or a Paying Agent in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for one (1) year after the date when all of the Bonds of such Series have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such money was held by the Trustee or Paying Agent at such date, or for one (1) year after the date of deposit of such money if deposited with the Trustee or Paying Agent after said date when all of the Bonds of such Series become due and payable, shall, at the written request of the Authority, be repaid by the Trustee or Paying Agent to the Authority as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Bonds shall look only to the Authority for the payment of such Bonds; provided, however, that, before being required to make any such payment to the Authority, the Trustee or Paying Agent may, at the expense of the Authority, cause to be published in an Authorized Newspaper a notice that such money remains unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after the date of publication of such notice, the balance of such money then unclaimed shall be returned to the Authority.

SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT

The following is a summary of certain provisions of the Reimbursement Agreement. This summary is not a complete recital of the terms of the Reimbursement Agreement or the documents that secure the Reimbursement Agreement and reference is made to the Reimbursement Agreement and those documents in their entirety. **Potential purchasers of the Series 2008A Bonds can examine the Reimbursement Agreement and of the other documents referenced below in connection with the Reimbursement Agreement at the office of the Trustee. Among other matters of concern to purchasers of the Series 2008A Bonds that are set forth in such documents, if an Event of Default occurs under the Reimbursement Agreement, the Bank can cause the Series 2008A Bonds to be tendered for mandatory purchase or accelerated.**

Any reimbursement agreement pursuant to which a Substitute Credit Facility is issued may have terms substantially different from those of the Reimbursement Agreement. The rights and obligations of the parties to the Reimbursement Agreement and the documents that secure the Reimbursement Agreement do not extend to the Trustee or to the Bondholders.

Reimbursement by the College

The College agrees to pay to the Bank all amounts that are drawn under the Letter of Credit, together with interest on all such amounts.

Fees and Expenses

Pursuant to the Reimbursement Agreement, the College agrees to pay to the Bank a fee (the "*Letter of Credit Fee*") equal to one and eighty-five one-hundredths of one percentage point (185 basis points) per annum (the "*Rate*") of the Letter of Credit Commitment (as reduced pursuant to the Letter of Credit without any reduction for principal or interest which may be reinstated pursuant to the Letter of Credit ("*Temporary Reductions*") during the term of the Reimbursement Agreement. The Letter of Credit Fee shall be payable in quarterly installments in advance on each January 1, April 1, July 1 and October 1 until the Expiration Date of the Letter of Credit; *provided, however*, that upon the Date of Issuance of the Letter of Credit, the College shall pay an installment of the Letter of Credit Fee for the period from the Date of Issuance through the end of the then existing quarter. The quarterly fee shall be computed based upon the outstanding face amount of the Letter of Credit on the last calendar day of the preceding quarter without giving effect to any Temporary Reductions. Letter of Credit Fees shall be paid in advance without prorating (except on the Closing Date) and shall be fully earned and non-refundable upon payment thereof to the Bank.

Certain Affirmative and Negative Covenants

The College makes certain affirmative and negative covenants in the Reimbursement Agreement with respect to its legal, business and financial affairs.

Conversion from Weekly Rate

The College agrees that it will not permit the conversion of any Series 2008A Bonds to an interest rate other than the Weekly Rate unless the College has obtained and there is in effect a written firm commitment in customary form to purchase all of the Series 2008A Bonds to be so converted not less than seven (7) days prior to the proposed Conversion Date from the Remarketing Agent or other underwriter or underwriters reasonably satisfactory to the Bank providing for the purchase of all of the Series 2008A Bonds by 12:00 noon (New York time) on such Conversion Date. The College also agrees that it will not convert from the Weekly Rate less than all of the Series 2008A Bonds then Outstanding.

Security for Reimbursement Agreement

As security for its obligations under the Reimbursement Agreement, the Authority has assigned the Mortgage to the Bank. The College has also executed a security agreement (the “*Security Agreement*”) in favor of the Bank granting a security interest in tuition and other revenues subject to Prior Pledges.

THE SECURITY AGREEMENT SECURES PAYMENTS AND OBLIGATIONS DUE FROM THE COLLEGE TO THE BANK UNDER THE REIMBURSEMENT AGREEMENT AND DOES NOT SECURE THE SERIES 2008A BONDS OR THE PAYMENT OF DEBT SERVICE PAYMENTS UNDER THE RESOLUTIONS AND IS NOT FOR THE BENEFIT OF THE HOLDERS OF THE SERIES 2008A BONDS.

Events of Default

The occurrence of any of the following events constitutes an event of default under the Reimbursement Agreement:

(a) Failure of College or the Lessee (i) (A) to make any principal payment when due, (B) to pay any interest within five (5) days after the date when due, or (C) to observe or perform any of the other covenants or conditions by the College to be performed under the terms of the Reimbursement Agreement or any Credit Document concerning the payment of money, for a period of five (5) days after written notice from the Bank that the same is due and payable; or (ii) for a period of thirty (30) days after written notice from the Bank, to observe or perform any non-monetary covenant or condition contained in the Reimbursement Agreement or any Credit Documents; provided that if any such failure concerning a non-monetary covenant or condition is susceptible to cure and cannot reasonably be cured within said thirty (30) day period, then the College will have an additional thirty (30) day period to cure such failure and no Event of Default will be deemed to exist under the Reimbursement Agreement so long as College commences such cure within the initial thirty (30) day period and diligently and in good faith pursues such cure to completion within such resulting sixty (60) day period from the date of the Bank’s notice; provided further that if a different notice or grace period is specified under the Reimbursement Agreement with respect to a particular breach, or if another subsection of the Reimbursement Agreement applies to a particular breach and does not expressly provide for a notice or grace period, the specific provision shall control.

(b) If any representation or warranty or statement made or deemed made by the College in the Reimbursement Agreement or which is contained in any certificate, document, financial or other statement furnished at any time under or in connection with the Reimbursement Agreement proves to have been false or misleading in any material respect when made.

(c) Any breach or default following applicable notice and cure periods of any payment with respect to any indebtedness or guaranty of the College, when due, or the performance of any other obligation of the College incurred in connection with any indebtedness or guaranty.

(d) Either the College or the Lessee (i) applies for or consents to the appointment of a receiver, trustee or liquidator of any of its assets, (ii) admits in writing its inability to pay its debts as they mature, (iii) makes a general assignment for the benefit of creditors, (iv) is adjudicated bankrupt or insolvent, or (v) files a voluntary petition in bankruptcy, or a petition or answer seeking reorganization or an arrangement with creditors or to take advantage of any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation by law or statute, or an answer admitting the material allegations of a petition is filed against the College or the Lessee in any proceeding under any such law or the filing of an involuntary bankruptcy against the College or the Lessee, or if corporate action is taken by the College or the Lessee for the purpose of effecting any of the foregoing.

(e) An order, judgment or decree is entered, without the application, approval or consent of the College or the Lessee, by any court of competent jurisdiction, approving a petition seeking reorganization of the College or the Lessee, or of all or a substantial part of any of its respective properties

or assets or appointing a receiver, trustee or liquidator of the College or the Lessee and such order, judgment or decree continues unstayed and in effect for a period of sixty (60) days.

(f) College becomes an “investment company” within the meaning of the Investment Company Act of 1940, as the same may be amended from time to time.

(g) A Reportable Event (as defined in ERISA) occurs.

(h) An Event of Default occurs with respect to any of the Credit Documents or Bond Documents.

(i) The College or the Lessee ceases to conduct business, or is dissolved.

(j) A Material Adverse Change.

(k) The liens created by any of the Credit Documents shall for any reason cease to be valid, perfected security interests or mortgage liens of the required priority in favor of the Bank (except with respect to UCC filings that have lapsed because the Bank has failed to timely file a continuation statement).

(l) The College loses its current accreditations.

Remedies

Upon the occurrence of any Event of Default, the Bank may pursue any one or more of the following remedies concurrently or successively, it being the intent of the Reimbursement Agreement that none of such remedies will be to the exclusion of any other:

(a) Declare the obligations of the College under the Reimbursement Agreement to be forthwith due and payable and the same will thereupon become immediately due and payable without demand, presentment, protest or further notice of any kind, all of which are expressly waived by the College;

(b) Demand the immediate deposit of cash collateral in an amount equal to the full amount then available or which may subsequently become available under the Letter of Credit, and the same will thereupon become due and payable;

(c) Use and apply any monies or letters of credit deposited by the College with the Bank, regardless of the purposes for which the same was deposited, to cure any such default or to apply on account of any indebtedness under the Reimbursement Agreement which is due and owing to the Bank;

(d) Notify the Trustee that an Event of Default has occurred and instruct the Trustee to accelerate the Series 2008A Bonds or to effect a mandatory tender of the Series 2008A Bonds; and/or

(e) Exercise or pursue any other remedy or cause of action permitted under the Reimbursement Agreement or any Credit Documents, or conferred upon the Bank by operation of law.

The term “Credit Documents” is defined in the Reimbursement Agreement to mean the collective reference to the Reimbursement Agreement, the Mortgage, the Intercreditor Agreement, the Security Agreement and the other documents and instruments listed in the Reimbursement Agreement, and all the other documents and instruments entered into from time to time, evidencing or securing the obligations of the College under the Reimbursement Agreement and/or thereunder or any obligation of payment thereof or performance of the College’s obligations in connection with the transaction contemplated under the Reimbursement Agreement, each as amended or supplemented from time to time.

The term “Material Adverse Change” is defined in the Reimbursement Agreement to mean if, in the Bank’s reasonable discretion, the business, prospects, operations, assets or condition, financial or otherwise of a person, entity (including without limitation the College) or property has changed in a manner which would materially impair the value of the Bank’s security for the obligations of the College under the Reimbursement Agreement and the other applicable Credit Documents, prevent timely payment of the obligations of the College under the applicable Credit Documents or otherwise prevent the applicable person or entity from timely performing any of its material obligations under the applicable Credit Documents.

APPENDIX E - FORM OF OPINION OF BOND COUNSEL

In connection with the remarketing of the Series 2008A Bonds on the Replacement Date, Harris Beach PLLC, Bond Counsel to the Authority, proposes to deliver its approving opinion in substantially the following form:

[Replacement Date]

Dormitory Authority of the State of New York
515 Broadway
Albany, New York 12207

**Re: Dormitory Authority of the State of New York
St. John Fisher College Revenue Bonds, Series 2008A**

Ladies and Gentlemen:

We have examined a record of proceedings relating to the sale and issuance on November 25, 2008 and the remarketing on the date hereof of the St. John Fisher College Revenue Bonds, Series 2008A, issued in the original aggregate principal amount of \$13,200,000, and having a current outstanding principal amount of \$12,745,000 (the "Bonds") by the Dormitory Authority of the State of New York (the "Authority"), a body corporate and politic constituting a public benefit corporation of the State of New York, created and existing under and pursuant to the Constitution and statutes of the State of New York, including the Dormitory Authority Act, being Chapter 524 of the Laws of 1944 of the State of New York, as amended from time to time (the "Act"). We have also examined such certificates, documents, records and matters of law as we have deemed necessary for the purpose of rendering the opinions hereinafter set forth.

The Bonds were issued under and pursuant to (i) the Constitution and laws of the State of New York, including in particular the Act, (ii) the Authority's St. John Fisher College Revenue Bond Resolution adopted by the Authority on September 24, 2008, as amended and restated pursuant to a Supplemental Resolution adopted by the Authority on May 27, 2009 (as so amended and restated, the "General Resolution"), (iii) the Series 2008A Resolution Authorizing St. John Fisher College Revenue Bonds, Series 2008A, adopted by the Authority on September 24, 2008, as amended and restated pursuant to a Supplemental Resolution adopted by the Authority on May 27, 2009 (as so amended and restated, the "Series Resolution" and, together with the General Resolution, the "Resolutions"); and (iv) the Bond Series Certificate relating to the Bonds, dated as of May 28, 2008, executed by an Authorized Officer of the Authority in accordance with the Resolutions (the "Original Series Certificate").

The Bonds were issued for the purposes set forth in the Resolutions.

In connection with the issuance of the Bonds, the Authority entered into a Loan Agreement with St. John Fisher College (the "College"), dated as of September 24, 2008 (the "Loan Agreement"), providing for, among other things, a loan by the Authority to the College of the proceeds of the Bonds for the purposes permitted thereby and by the Resolutions. Pursuant to the Loan Agreement, the College is required to make payments sufficient to pay the principal of and interest on the Bonds as the same shall become due, which payments are pledged by the Authority to the Trustee for the benefit of the Holders of the Bonds.

As originally issued, the Bonds were payable from and secured by a certain irrevocable direct-pay letter of credit, dated November 25, 2008 (the "Original Letter of Credit") issued by RBS Citizens, N.A. (the "Credit Facility Issuer"). In accordance with Section 7.02(a) of the Original Series Certificate, St. John Fisher College (the "College") has delivered its written notice, with the consent of the Authority, to the Credit Facility Issuer that it will, in accordance with the terms of the Original Series Certificate, cause to be delivered to the Trustee on the date hereof (the "Replacement Date"), a Substitute Credit Facility (the "Substitution"), consisting of the Original Letter of Credit, as amended on the Replacement Date (as so amended, the "Letter of Credit"), together with an irrevocable standby letter of credit confirmation issued by Federal Home Loan Bank of Boston (the "Confirmation").

In connection with the Substitution, the Authority has amended and restated the Original Series Certificate in its entirety in accordance with the terms of an Amended and Restated Bond Series Certificate, dated as of October

[], 2009, relating to the Reoffered Bonds executed by an Authorized Officer of the Authority in accordance with the Resolutions (as so amended and restated, the “Series Certificate”).

The Bonds were initially issued in the Weekly Rate Mode. Simultaneous with the Substitution and effective as of the Replacement Date, the interest rate mode in effect on the Bonds is being converted from the Weekly Rate Mode to the Monthly Rate Mode (the “Conversion”) in accordance with the Series Certificate.

On the Replacement Date, (i) the Bonds are subject to mandatory tender for purchase from the holders thereof as a result of the Substitution, and (ii) the Bonds are being remarketed in the Monthly Rate Mode, as supported by the Letter of Credit and the Confirmation (as so remarketed, the “Reoffered Bonds”).

All capitalized terms used that are not otherwise defined herein shall have the meaning given to such terms in the Resolutions and the Series Certificate.

The Reoffered Bonds are dated the Replacement Date, shall mature on June 1, 2034 and shall bear interest, payable on November 1, 2009 and on each Interest Payment Date thereafter.

The Reoffered Bonds are issuable initially in the form of fully registered bonds in minimum denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. The Reoffered Bonds are lettered and numbered “AR- ” followed by the number from such bond. The Reoffered Bonds are numbered consecutively from one upward in order of issuance.

The Reoffered Bonds are subject to redemption prior to maturity in the manner and upon the terms and conditions set forth in the Resolutions and the Series Certificate.

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain requirements that must be met subsequent to the Replacement Date in order that interest thereon be and remain excluded from gross income for federal income tax purposes under Section 103 of the Code. Included among these continuing requirements are certain restrictions and prohibitions on the use and investment of bond proceeds and other moneys or property, required ownership of the facilities financed with the Reoffered Bonds by an organization described in Section 501(c)(3) of the Code or a governmental unit, and the rebate to the United States of certain earnings in respect of investments. In the Resolutions, the Loan Agreement, the Amended and Restated Tax and Arbitrage Certificate of the Authority, dated the date hereof (the “Arbitrage Certificate”), and Amended and Restated Tax Certificate of the College, dated the date hereof (the “Tax Certificate”), the Authority and the College have covenanted to comply with certain procedures, and have made certain representations and certifications, designed to assure satisfaction of the requirements of the Code (the Arbitrage Certificate and the Tax Certificate being collectively referred to as the “Tax Documents”).

In rendering the opinion set forth in paragraph 5 below, we have assumed the accuracy of certain factual certifications of, and continuing compliance with, the covenants, representations, warranties, provisions and procedures set forth in the Resolutions, the Loan Agreement and the Tax Documents by the Authority and the College. In the event of the inaccuracy or incompleteness of any of the certifications made by the Authority or the College, or the failure by the Authority or the College to comply with their respective covenants, representations and warranties and with the provisions and procedures set forth in the Resolutions, the Loan Agreement and the Tax Documents, interest on the Reoffered Bonds could become includable in gross income for federal income tax purposes retroactive to the Replacement Date, regardless of the date on which the event causing such inclusion occurs. We render no opinion as to any federal, state or local tax consequences with respect to the Reoffered Bonds, or the interest thereon, if any change occurs or action is taken or omitted under the Resolutions, the Loan Agreement or the Tax Documents or under any other relevant documents without the advice or approval of, or upon the advice or approval of any bond counsel other than, Harris Beach PLLC. In addition, we have not undertaken to determine, or to inform any person, whether any actions taken, or not taken, or events occurring, or not occurring, after the Replacement Date may affect the tax status of interest on the Reoffered Bonds. Further, although interest on the Reoffered Bonds is not included in gross income for purposes of federal income taxation, receipt or accrual of the interest may otherwise affect the tax liability of a holder of a Bond depending upon the tax status of such holder and such holder’s other items of income and deduction. Except as stated in paragraphs 5 and 6 herein, we express no

opinion as to federal, state or local tax consequences of the ownership or disposition of, or the accrual or receipt of interest on, the Reoffered Bonds.

We have also examined one of the Reoffered Bonds as executed and authenticated.

Based on the foregoing, and subject to the further assumptions and qualifications hereinafter set forth, we are of the opinion that:

1. The Authority is a body corporate and politic constituting a public benefit corporation of the State of New York, with the right and lawful authority and power to adopt the Resolutions and to issue the Reoffered Bonds thereunder.

2. The Resolutions have been duly and lawfully adopted by the Authority, are in full force and effect, and constitute legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms.

3. The Reoffered Bonds have been duly and validly authorized and issued in accordance with the Constitution and statutes of the State of New York, including the Act, and in accordance with the Resolutions. The Reoffered Bonds are legal, valid and binding special obligations of the Authority payable as provided in Resolutions, are enforceable in accordance with their terms and the terms of the Resolutions, and are entitled to the equal benefits of the Resolutions and the Act. The Substitution, the Conversion and the remarketing of the Reoffered Bonds in the Monthly Rate Mode are each authorized and permitted under the Resolutions.

4. The Authority has the right and lawful authority and power to enter into the Loan Agreement and the Loan Agreement has been duly authorized, executed and delivered by the Authority and constitutes a legal, valid and binding obligation of the Authority enforceable in accordance with its terms.

5. Under existing statutes, regulations, administrative rulings and court decisions as of the date hereof, the interest on the Reoffered Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Furthermore, interest on the Reoffered Bonds is not an "item of tax preference" for purposes of computing the federal alternative minimum tax imposed on individuals and corporations and is not included in "adjusted current earnings" for purposes of calculating the federal alternative minimum tax liability of corporations.

6. Under existing statutes, including the Act, interest on the Reoffered Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof.

The foregoing opinions are qualified only to the extent that the enforceability of the Resolutions, the Loan Agreement and the Reoffered Bonds may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other laws heretofore or hereafter enacted and judicial decisions relating to or affecting the enforcement of creditors' rights or remedies or contractual obligations generally and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

In rendering the foregoing opinions we have made a review of such legal proceedings as we have deemed necessary to approve the legality and validity of the Reoffered Bonds. In rendering the foregoing opinions we have not been requested to examine any document or financial or other information concerning the Authority or the College other than the record of proceedings referred to above, and we express no opinion as to the adequacy or sufficiency of any financial or other information which has been or will be supplied to purchasers of the Reoffered Bonds.

Very truly yours,
