**DORMITORY AUTHORITY OF THE STATE OF NEW YORK
THE ROCKEFELLER UNIVERSITY REVENUE BONDS
SERIES 2020A**

Dated: Date of Delivery**Due: July 1, as shown on the inside cover**

Payment and Security: The Rockefeller University Revenue Bonds, Series 2020A (the "Series 2020A Bonds") are special limited obligations of the Dormitory Authority of the State of New York (the "Authority" or "DASNY"), payable solely from, and secured by a pledge of (i) certain payments to be made under the Loan Agreement dated as of October 31, 2001, as amended and supplemented, including as proposed to be amended by the Proposed Loan Agreement Amendments (as defined and described herein) (the "Loan Agreement"), between The Rockefeller University (the "University" or "Rockefeller") and the Authority, and (ii) all funds and accounts (except the Arbitrage Rebate Fund and any fund established for the payment of the Purchase Price of Option Bonds tendered for purchase) established under the Authority's The Rockefeller University Revenue Bond Resolution, adopted October 31, 2001, as amended (the "Resolution") and a Series Resolution authorizing the issuance of the Series 2020A Bonds adopted on March 6, 2019 (the "Series 2020A Resolution").

The Loan Agreement is a general, unsecured obligation of the University and requires the University to pay, in addition to the fees and expenses of the Authority and the Trustee, amounts sufficient to pay, when due, the principal, Sinking Fund Installments, if any, Purchase Price and Redemption Price of and interest on all Bonds issued under the Resolution, including the Series 2020A Bonds. **All purchasers of the Series 2020A Bonds will be bound by the consent of the Underwriter to the Proposed Loan Agreement Amendments described herein, and by its purchase of the Series 2020A Bonds and acceptance of the delivery thereof, will be deemed to have consented to the Proposed Loan Agreement Amendments. It is anticipated that such amendments will become effective upon the issuance of the Series 2020A Bonds. See "PART 2 – SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS – Proposed Amendments to the Loan Agreement" herein.**

The Series 2020A Bonds will not be a debt of the State of New York nor will the State be liable thereon. The Authority has no taxing power.

Description: The Series 2020A Bonds will be issued as fully registered bonds in denominations of \$5,000 or any integral multiple thereof. The Series 2020A Bonds will bear interest (payable July 1, 2020 and each January 1 and July 1 thereafter) at the rate and will mature as shown on the inside cover.

The Series 2020A Bonds will be issued initially under a Book-Entry Only System, registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"). Individual purchases of beneficial interests in the Series 2020A Bonds will be made in book-entry form (without certificates). So long as DTC or its nominee is the registered owner of the Series 2020A Bonds, payments of the principal, Purchase Price and Redemption Price of and interest on the Series 2020A Bonds will be made directly to DTC or its nominee. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement to beneficial owners is the responsibility of DTC participants. See "PART 3 – THE SERIES 2020A BONDS - Book-Entry Only System" herein.

Wells Fargo Bank, National Association, will be the Trustee and Paying Agent for the Series 2020A Bonds.

Redemption and Purchase in Lieu of Redemption: *The Series 2020A Bonds are subject to redemption and purchase in lieu of optional redemption prior to maturity as more fully described herein.*

Tax Exemption: In the opinion of Nixon Peabody LLP ("Bond Counsel"), under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the Authority and the University described herein, interest on the Series 2020A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. Bond Counsel is further of the opinion that, under existing law, interest on the Series 2020A Bonds is exempt from personal income taxation imposed by the State of New York or any political subdivision thereof. See "PART 10 – TAX MATTERS" herein.

The Series 2020A Bonds are offered when, as, and if issued and received by the Underwriter. The offer of the Series 2020A Bonds may be subject to prior sale, or withdrawn or modified at any time without notice. The offer is subject to the approval of legality by Nixon Peabody LLP, New York, New York, Bond Counsel, and to certain other conditions. Certain legal matters will be passed upon for the University by its special counsel, Orrick Herrington & Sutcliffe LLP, New York, New York. Certain legal matters will be passed upon for the Underwriter by its counsel, Katten Muchin Rosenman LLP, New York, New York. The Authority expects to deliver the Series 2020A Bonds in definitive form in New York, New York, on or about April 30, 2020.

ALFONSO L. CARNEY, JR. – CHAIR

OFFICIAL STATEMENT RELATING TO
\$40,985,000
DORMITORY AUTHORITY OF THE STATE OF NEW YORK
THE ROCKEFELLER UNIVERSITY REVENUE BONDS
SERIES 2020A

PART 1 — INTRODUCTION

Purpose of the Official Statement

The purpose of this Official Statement, including the cover page, the inside cover page and appendices, is to provide information about the Dormitory Authority of the State of New York (the “Authority” or “DASNY”) and The Rockefeller University (the “University” or “Rockefeller”), in connection with the offering by the Authority of \$40,985,000 principal amount of its The Rockefeller University Revenue Bonds, Series 2020A (the “Series 2020A Bonds”).

The following is a brief description of certain information concerning the Series 2020A Bonds, the Authority and the University. A more complete description of such information and additional information that may affect decisions to invest in the Series 2020A Bonds is contained throughout this Official Statement, which should be read in its entirety. Certain terms used in this Official Statement are defined in “Appendix A – Certain Definitions” hereto.

Purpose of the Issue

The Series 2020A Bonds are being issued to (i) refund all of the Authority’s The Rockefeller University Revenue Bonds, Series 2010A (the “Series 2010A Bonds”), currently outstanding in the aggregate principal amount of \$50,000,000, and (ii) pay certain Costs of Issuance of the Series 2020A Bonds. See “PART 4 – THE REFUNDING PLAN,” and “PART 5 – ESTIMATED SOURCES AND USES OF FUNDS.”

The University issued its \$75,345,000 Taxable Fixed Rate Bonds, Series 2020B (the “Taxable 2020B Bonds”) on April 15, 2020. The proceeds of the Taxable 2020B Bonds will be used to repay \$50,000,000 million of the University’s outstanding bank lines of credit and to finance general corporate purposes of the University. See “PART 6 – THE UNIVERSITY – Indebtedness.”

Authorization of Issuance

The Series 2020A Bonds will be issued pursuant to the Authority’s The Rockefeller University Revenue Bond Resolution, adopted October 31, 2001, as amended (the “Resolution”) and a Series Resolution authorizing the issuance of the Series 2020A Bonds adopted on March 6, 2019 (the “Series 2020A Resolution”) and the Act. In addition to the Series 2020A Bonds, the Resolution authorizes the issuance of other Series of Bonds to pay other Costs of one or more Projects, to pay the Costs of Issuance of such Series of Bonds and to refund all or a portion of Outstanding Bonds or other notes or bonds of the Authority issued for the benefit of the University. The Bonds permitted to be issued under the Resolution include Capital Appreciation Bonds, Deferred Income Bonds, Option Bonds and Variable Interest Rate Bonds. All Bonds issued under the Resolution rank on a parity with each other and are secured equally and ratably with each other. There is no limit on the amount of additional Bonds that may be issued under the Resolution. See “PART 2 – SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS.”

The Authority

The Authority is a public benefit corporation of the State, created for the purpose of financing and constructing a variety of public-purpose facilities for certain educational, healthcare, governmental and not-for-profit institutions. See “PART 7 – THE AUTHORITY.”

The University

The University is an independent, nonsectarian, not-for-profit center for advanced study and research in the natural sciences chartered by the Board of Regents of the State of New York. The University’s principal facilities are located on the upper east side of Manhattan in The City of New York. See “PART 6 – THE UNIVERSITY,” including “PART 6 – THE UNIVERSITY – Litigation and Other Contingent Liabilities” for a discussion of certain claims against the University and “Appendix B – Financial Statements of The Rockefeller University (With Independent Auditors’ Report Thereon).”

The University is unable to predict whether its litigation liabilities will be covered by insurance or whether any amounts not covered by insurance will be material.

The Series 2020A Bonds

The Series 2020A Bonds are dated their date of delivery and bear interest from such date (payable July 1, 2020 and on each January 1 and July 1 thereafter) at the rate and will mature on the date set forth on the inside cover page of this Official Statement. See “PART 3 – THE SERIES 2020A BONDS - Description of the Series 2020A Bonds.”

Payment of the Series 2020A Bonds

The Series 2020A Bonds and all other Bonds which have been and may be issued under the Resolution are special obligations of the Authority payable solely from the Revenues, which consist of certain payments to be made by the University under the Loan Agreement dated as of October 31, 2001, as amended and supplemented, including as proposed to be amended by the Proposed Loan Agreement Amendments (as defined and described herein) (the “Loan Agreement”), which payments are pledged and assigned to Wells Fargo Bank, National Association, as the trustee (the “Trustee”). The Loan Agreement is a general, unsecured obligation of the University. See “PART 2 – SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS - Payment of the Series 2020A Bonds.”

Security for the Series 2020A Bonds

The Series 2020A Bonds are secured equally with all other Bonds which have been and may be issued under the Resolution by the pledge of the Revenues, the proceeds of the Bonds and, except as otherwise provided in the Resolution, all funds and accounts established by the Resolution and any Series Resolution other than the Arbitrage Rebate Fund and any fund established for the payment of the Purchase Price of Option Bonds tendered for purchase.

The Loan Agreement is a general, unsecured obligation of the University. No security interest in any revenues or assets of the University has been granted by the University to the Authority under the Loan Agreement. However, pursuant to the Loan Agreement, the University may incur debt secured by a lien and pledge of revenues of the University without granting to the Authority any security interest in any revenues to secure the University’s obligations under the Loan Agreement. See “PART 2 – SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS - Security for the Series 2020A Bonds” and “- Issuance of Additional Bonds.”

The Series 2020A Bonds will not be a debt of the State nor will the State be liable thereon. The Authority has no taxing power. Neither the State nor the Authority has any responsibility to make payments with respect to the Series 2020A Bonds except for the Authority’s responsibility to make payments from money received from the University pursuant to the Loan Agreement and from amounts held in the funds and accounts under the Resolution and pledged therefor.

Proposed Amendments to the Loan Agreement

The Loan Agreement is proposed to be amended and restated in order to effect certain proposed amendments (the “Proposed Loan Agreement Amendments”). The consent of the holders of a majority in principal amount of Outstanding Bonds under the Resolution is required for the Proposed Loan Agreement Amendments to become effective. The Proposed Loan Agreement Amendments include (i) the removal of the covenants of the University to (a) engage a Management Consultant upon the occurrence of certain rating downgrades or a withdrawal of ratings by one or more rating agencies and (b) annually furnish (x) a certificate or report of an insurance consultant and (y) certificates demonstrating workers compensation and disability benefits insurance; and (ii) revisions to the process by which the University requisitions bond proceeds. For a discussion of the Proposed Loan Agreement Amendments and the conditions to their becoming effective, see “PART 2 – SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS – Proposed Amendments to the Loan Agreement” and “Appendix C – Summary of Certain Provisions of the Loan Agreement and Proposed Loan Agreement Amendments.”

Simultaneously with the issuance of the Series 2020A Bonds, BofA Securities, Inc. (the “Underwriter”) will consent to the Proposed Loan Agreement Amendments on behalf of the holders of the Series 2020A Bonds, as permitted by the Resolution. All purchasers of the Series 2020A Bonds will be bound by the consent of the Underwriter, and by their purchase of the Series 2020A Bonds and acceptance of the delivery thereof, will be deemed to have consented to the Proposed Loan Agreement Amendments. The Proposed Loan Agreement Amendments will become effective only upon the consent of the holders of a majority in principal amount of Outstanding Bonds under the Resolution. It is anticipated that such amendments will become effective upon the issuance of the Series 2020A Bonds.

Recent Events Relating to COVID-19

The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, has been declared a pandemic by the World Health Organization. The outbreak of the disease has affected travel, commerce and financial markets globally, in the United States and in the State of New York (the “State”) and The City of New York (the “City”). The Governor of the State has declared a state of emergency in the State, and the Mayor of The City of New York has declared a state of emergency in the City.

The continued spread of COVID-19 and impact on social interaction, travel, economies and financial markets may adversely affect the University’s operations and financial condition, including, among other things, by impacting (i) the ability of the University to conduct its operations and/or the cost of operations, (ii) governmental and non-governmental funding and sponsored research and other grants and gifts, (iii) financial markets and consequently the returns on and value of the University’s investments and (iv) the interest rates on variable rate obligations of the University. In addition, there may be a material adverse impact on the secondary market for and value of the Series 2020A Bonds.

In an effort to minimize the risk of the spread of COVID-19 on the University’s campus, the University recently implemented a pandemic response plan. All bench-based laboratory activity, with the exception of COVID-related research projects, was suspended on March 18, 2020, with other activities permitted only to the extent practical and consistent with federal, state and local directives. Research directly related to the basic biology, pathophysiology, prevention and treatment of COVID-19 continues to take place under the leadership of President Richard P. Lifton as twenty University laboratories seek to slow the momentum of the current pandemic and identify new therapies. University projects range from near-term efforts to prevent infection in front-line health care workers and reduce the severity of symptoms in vulnerable populations to longer-term strategies to develop therapeutics and vaccines. The faculty leading these projects are collaborating within the University and across the scientific community to ensure the most rapid progress possible, with The Rockefeller University Hospital playing a critical role in their efforts.

The University is monitoring developments and the directives of federal, state and local officials to determine what additional precautions and procedures may need be to be implemented by the University in connection with the spread of COVID-19. The full impact of COVID-19 and the scope of any adverse impact on University finances and operations cannot be fully determined at this time.

PART 2— SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2020A BONDS

Set forth below is a narrative description of certain contractual provisions relating to the source of payment of and security for the Series 2020A Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Act, the Loan Agreement, the Resolution and the Series 2020A Resolution. Copies of the Loan Agreement, the Resolution and the Series 2020A Resolution are on file with the Authority and the Trustee. See also “Appendix C – Summary of Certain Provisions of the Loan Agreement and Proposed Loan Agreement Amendments” and “Appendix D – Summary of Certain Provisions of the Resolution” for a more complete statement of the rights, duties and obligations of the parties thereto.

Payment of the Series 2020A Bonds

The Series 2020A Bonds and all other Bonds which have been and may be issued under the Resolution will be special obligations of the Authority. The principal, Sinking Fund Installments and Redemption Price of and interest on the Series 2020A Bonds and all other Bonds which may be issued under the Resolution are payable solely from the Revenues, which consist of payments to be made by the University pursuant to the Loan Agreement on account of the principal, Sinking Fund Installments and Redemption Price of and interest on the Bonds. The Revenues and the right to receive them have been pledged to the Trustee for the benefit of the Bondholders.

The Loan Agreement is a general, unsecured obligation of the University. The Loan Agreement obligates the University to make payments to satisfy the principal, Purchase Price and Redemption Price of and interest on Outstanding Series 2020A Bonds. Payments made by the University in respect of interest on the Series 2020A Bonds are to be made on the 10th day of each June immediately preceding the July 1 and on the 10th day of each December immediately preceding the January 1 on which interest is payable, in each case in an amount equal to the interest coming due on the next succeeding interest payment date. Payments by the University in respect of principal are to be made on the 10th day of each June immediately preceding the July 1 on which such principal becomes due. See “PART 3 – THE SERIES 2020A BONDS - Redemption and Purchase in Lieu of Redemption Provisions.”

The Authority has directed, and the University has agreed, to make such payments directly to the Trustee. Such payments are to be applied by the Trustee to the payment of the principal, Sinking Fund Installments and Redemption Price of and interest on the Series 2020A Bonds.

Security for the Series 2020A Bonds

The Series 2020A Bonds are secured equally with all other Bonds which may be issued under the Resolution by the pledge of the Revenues, the proceeds of the Bonds and, except as otherwise provided in the Resolution, all funds and accounts established by the Resolution and any Series Resolution other than the Arbitrage Rebate Fund and any fund established for the payment of the Purchase Price of Option Bonds tendered for purchase.

The Series 2020A Bonds will not be a debt of the State nor will the State be liable thereon. The Authority has no taxing power. Neither the State nor the Authority has any responsibility to make payments with respect to the Series 2020A Bonds except for the Authority’s responsibility to make payments from money received from the University pursuant to the Loan Agreement and from amounts held in the funds and accounts under the Resolution and pledged therefor. The Loan Agreement and the obligation of the University to make payments under the Loan Agreement are general, unsecured obligations of the University.

No security interest in any revenues or assets of the University has been granted by the University to the Authority under the Loan Agreement.

Proposed Amendments to the Loan Agreement

The Loan Agreement is proposed to be amended and restated in order to effect the Proposed Loan Agreement Amendments. The consent of the holders of a majority in principal amount of Outstanding Bonds under the Resolution is required for the Proposed Loan Agreement Amendments to become effective. The Proposed Loan Agreement Amendments (i) eliminate the covenants requiring (a) the engagement of a Management Consultant by the University upon the occurrence of certain credit rating events and (b) the University to annually deliver (x) a certificate or report on an insurance consultant and (y) certificates demonstrating workers compensation and disability benefits insurance

coverage; and (ii) modify the certifications of the University to be made in connection with the requisition of bond proceeds. For a discussion of the Proposed Loan Agreement Amendments and the conditions to their becoming effective, see “Appendix C – Summary of Certain Provisions of the Loan Agreement and Proposed Loan Agreement Amendments.”

Simultaneously with the issuance of the Series 2020A Bonds, the Underwriter will consent to the Proposed Loan Agreement Amendments on behalf of the holders of the Series 2020A Bonds, as permitted by the Resolution. All purchasers of the Series 2020A Bonds will be bound by the consent of the Underwriter, and by their purchase of the Series 2020A Bonds and acceptance of the delivery thereof, will be deemed to have consented to the Proposed Loan Agreement Amendments. The Proposed Loan Agreement Amendments will become effective only upon the consent of the holders of a majority in principal amount of Outstanding Bonds under the Resolution. It is anticipated that such amendments will become effective upon the issuance of the Series 2020A Bonds.

Events of Default and Acceleration

The following are events of default under the Resolution: (i) a default in the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of or interest on any Bond; (ii) the Authority defaults in the due and punctual performance of the tax covenants contained in the Resolution, and, as a result thereof, the interest on Bonds of a Series will no longer be excludable from gross income under the Code; (iii) a default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in the Resolution or any Series Resolution on the part of the Authority to be performed and the continuance of such default for 30 days after written notice specifying such default and requiring the same to be remedied has been given to the Authority by the Trustee, which must give such notice at the written request of the Holders of not less than 25% in principal amount of the Outstanding Bonds; or (iv) an event of default under the Loan Agreement has been declared and is continuing and all sums payable by the University under the Loan Agreement have been declared immediately due and payable (unless such declaration has been annulled). Unless otherwise specified above, an event of default under the Loan Agreement is not an event of default under the Resolution.

The Resolution provides that if an event of default (other than as described in clause (ii) of the preceding paragraph) occurs and continues and a responsible officer of the Trustee has actual knowledge of such event of default, the Trustee may, and upon the written request of Holders of not less than 25% in principal amount of the Bonds Outstanding, by notice in writing to the Authority, is to declare the principal of and interest on all of the Bonds Outstanding to be immediately due and payable at the expiration of 30 days after such notice is given. At the expiration of 30 days from the giving of such notice, such principal and interest will become immediately due and payable. The Trustee, with the written consent of the Holders of not less than 25% in principal amount of Bonds not yet due by their terms and then Outstanding, will annul such declaration and its consequences under the terms and conditions specified in the Resolution with respect to such annulment.

Notwithstanding any other provision of the Resolution to the contrary, upon the Authority’s failure to comply with the covenant described in subclause (ii) of the first paragraph under this heading, upon the direction of the Holders of not less than 25% in principal amount of the Outstanding Bonds of the Series affected thereby, the Trustee is to exercise the rights and remedies provided to the Bondholders under the Resolution. However, the Resolution provides that in no event may the Trustee, whether or not it is acting at the direction of the Holders of 25% or more in principal amount of the Outstanding Bonds of the Series affected thereby, declare the principal of such Series of Bonds, and the interest accrued thereon, to be due and payable immediately as a result of the Authority’s failure to comply with such covenant.

The Resolution provides that the Trustee is to give notice in accordance with the Resolution of each event of default known to the Trustee to the Holders of the Bonds within 30 days after knowledge of the occurrence thereof unless such default has been remedied or cured before the giving of such notice. However, except in the case of default in the payment of the principal, Sinking Fund Installment, if any, or Redemption Price of, or interest on, any of the Bonds, the Trustee is protected in withholding such notice thereof from the Holders if the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders of the Bonds.

Issuance of Additional Bonds

The Resolution authorizes the issuance of other Series of Bonds to finance one or more projects and for other specified purposes including to refund Outstanding Bonds or other notes or bonds of the Authority issued on behalf of the University. The Bonds which may be issued include Fixed Interest Rate Bonds, Capital Appreciation Bonds, Deferred Income Bonds, Option Bonds and Variable Interest Rate Bonds. There is no limit on the amount of additional Bonds that may be issued under the Resolution or the amount of indebtedness that may be otherwise incurred by the University.

General

The Series 2020A Bonds will not be a debt of the State nor will the State be liable thereon. The Authority has no taxing power. The Authority has never defaulted in the timely payment of principal or sinking fund installments of or interest on its bonds or notes. See “PART 7 – THE AUTHORITY.”

PART 3 — THE SERIES 2020A BONDS

Set forth below is a narrative description of certain provisions relating to the Series 2020A Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Resolution and the Loan Agreement, copies of which are on file with the Authority and the Trustee. See also “Appendix C – Summary of Certain Provisions of the Loan Agreement and Proposed Loan Agreement Amendments” and “Appendix D – Summary of Certain Provisions of the Resolution” for a more complete description of certain provisions of the Series 2020A Bonds.

General

The Series 2020A Bonds will be issued pursuant to the Resolution. The Series 2020A Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), pursuant to DTC’s Book-Entry Only System. Purchases of beneficial interests in the Series 2020A Bonds will be made in book-entry form, without certificates. So long as DTC or its nominee, Cede & Co., is the registered owner of the Series 2020A Bonds, payments of the principal, Purchase Price and Redemption Price of and interest on the Series 2020A Bonds will be made by the Trustee directly to Cede & Co. Disbursement of such payments to the DTC Participants (as hereinafter defined) is the responsibility of DTC and disbursement of such payments to the Beneficial Owners of the Series 2020A Bonds is the responsibility of the DTC Participants and the Indirect Participants (as hereinafter defined). If at any time the Book-Entry Only System is discontinued for the Series 2020A Bonds, the Series 2020A Bonds will be exchangeable for fully registered Series 2020A Bonds in any authorized denominations of the same maturity without charge except the payment of any tax, fee or other governmental charge to be paid with respect to such exchange, subject to the conditions and restrictions set forth in the Resolution. See “– Book-Entry Only System” below and “Appendix D – Summary of Certain Provisions of the Resolution.”

Wells Fargo Bank, National Association, will be the Trustee and Paying Agent for the Series 2020A Bonds.

Description of the Series 2020A Bonds

The Series 2020A Bonds are dated their date of delivery and bear interest from such date (payable July 1, 2020 and on each January 1 and July 1 thereafter) at the rate set forth on the inside cover page of this Official Statement.

The Series 2020A Bonds will be issued as fully registered bonds in denominations of \$5,000 or any integral multiple thereof.

Interest on the Series 2020A Bonds will be payable by check mailed to the registered owners. However, at the option of the registered owner of at least \$1,000,000 of Series 2020A Bonds, interest will be paid on such Bonds by wire transfer to the wire transfer address within the continental United States to which the registered owner has instructed the Trustee to make such payment at least five days prior to the interest payment date. If the Series 2020A Bonds are not registered in the name of DTC or its nominee, Cede & Co., the principal and Redemption Price of the Series 2020A Bonds will be payable in lawful money of the United States of America at the designated corporate trust office of the Trustee and Paying Agent.

Redemption and Purchase in Lieu of Redemption Provisions

The Series 2020A Bonds are subject to optional redemption and purchase in lieu of optional redemption as described below.

Optional Redemption

The Series 2020A Bonds are subject to redemption prior to maturity at the election of the Authority on or after July 1, 2030, as a whole or in part at any time, at a Redemption Price equal to 100% of the Series 2020A Bonds to be redeemed, plus accrued interest to the redemption date.

Purchase in Lieu of Optional Redemption

The Series 2020A Bonds are also subject to purchase in lieu of optional redemption prior to maturity at the election of the Authority on or after July 1, 2030, as a whole or in part at any time, at a price equal to 100% of the principal amount of Series 2020A Bonds to be purchased (the "Purchase Price"), plus accrued interest to the date set for purchase (the "Purchase Date").

Selection of Bonds to be Redeemed

If less than all of the Series 2020A Bonds are to be redeemed, the Series 2020A Bonds to be redeemed will be selected by the Trustee, by lot, using such method of selection as the Trustee shall consider proper in its discretion.

Notice of Redemption

Generally, the Trustee is to give notice of the redemption of the Series 2020A Bonds in the name of the Authority, by first-class mail, postage prepaid, not less than 30 days nor more than 45 days prior to the redemption date to the registered owners of any Series 2020A Bonds which are to be redeemed, at their last known addresses appearing on the registration books of the Authority not more than ten Business Days prior to the date such notice is given. Each notice of redemption will state, in addition to any other condition, that the redemption is conditioned upon the availability on the redemption date of sufficient moneys to pay the Redemption Price of the Series 2020A Bonds to be redeemed. The failure of any owner of a Series 2020A Bond to be redeemed to receive notice of redemption will not affect the validity of the proceedings for the redemption of such Series 2020A Bond. If directed in writing by an Authorized Officer of the Authority, the Trustee will publish or cause to be published such notice in an Authorized Newspaper not less than 30 days nor more than 45 days prior to the redemption date, but publication is not a condition precedent to such redemption and failure to publish such notice or any defect in such notice or publication will not affect the validity of the proceedings for the redemption of such Series 2020A Bonds.

If on the redemption date moneys for the redemption of the Series 2020A Bonds to be redeemed, together with interest thereon to the redemption date, are held by the Trustee so as to be available for payment of the redemption price, and if notice of redemption has been mailed, then interest on such Series 2020A Bonds will cease to accrue from and after the redemption date and such Series 2020A Bonds will no longer be considered to be Outstanding.

Notice of Purchase in Lieu of Redemption and its Effect

Notice of purchase of the Series 2020A Bonds will be given in the name of the University to the registered owners of the Series 2020A Bonds to be purchased by first-class mail, postage prepaid, not less than 30 days nor more than 45 days prior to the Purchase Date specified in such notice. The Series 2020A Bonds to be purchased are required to be tendered on the Purchase Date to the Trustee. Series 2020A Bonds to be purchased that are not so tendered will be deemed to have been properly tendered for purchase. If the Series 2020A Bonds are called for purchase in lieu of an optional redemption, such purchase will not extinguish the indebtedness of the Authority evidenced thereby or modify the terms of the Series 2020A Bonds. Such Series 2020A Bonds need not be cancelled, and will remain Outstanding under the Resolution and continue to bear interest.

The University's obligation to purchase a Series 2020A Bond to be purchased or cause it to be purchased is conditioned upon the availability of sufficient money to pay the Purchase Price for all of the Series 2020A Bonds to be purchased on the Purchase Date. If sufficient money is available on the Purchase Date to pay the Purchase Price

of the Series 2020A Bonds to be purchased, the former registered owners of such Series 2020A Bonds will have no claim thereunder or under the Resolution or otherwise for payment of any amount other than the Purchase Price. If sufficient money is not available on the Purchase Date for payment of the Purchase Price, the Series 2020A Bonds tendered or deemed tendered for purchase will continue to be registered in the name of the registered owners on the Purchase Date, who will be entitled to the payment of the principal of and interest on such Series 2020A Bonds in accordance with their terms.

For a more complete description of the redemption and other provisions relating to the Series 2020A Bonds, see “Appendix D – Summary of Certain Provisions of the Resolution.”

Book-Entry Only System

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2020A Bonds. The Series 2020A Bonds will be issued as fully-registered securities in the name of Cede & Co. (DTC’s partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2020A Bond certificate will be issued for each maturity of the Series 2020A Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, and trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2020A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2020A Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2020A Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2020A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2020A Bonds, except in the event that use of the book-entry system for the Series 2020A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2020A Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2020A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2020A Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2020A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2020A Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2020A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2020A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption premium, if any, and interest payments on the Series 2020A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption premium, if any, and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2020A Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, the Series 2020A Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, the Series 2020A Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Each person for whom a Direct or Indirect Participant acquires an interest in the Series 2020A Bonds, as nominee, may desire to make arrangements with such Direct or Indirect Participant to receive a credit balance in the records of such Direct or Indirect Participant, and may desire to make arrangements with such Direct or Indirect Participant to have all notices of redemption or other communications of DTC, which may effect such persons, to be forwarded in writing by such Direct or Indirect Participant and to have notification made of all interest payments. NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH DIRECT OR INDIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2020A BONDS.

So long as Cede & Co. is the registered owner of the Series 2020A Bonds, as nominee for DTC, references herein to the Bondholders or registered owners of the Series 2020A Bonds (other than under the caption "PART 10 - TAX MATTERS" herein) shall mean Cede & Co., as aforesaid, and do not mean the Beneficial Owners of the Series 2020A Bonds.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference only relates to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they will be sent by the Trustee to DTC only.

For every transfer and exchange of Series 2020A Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2020A Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2020A Bonds, or (ii) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interests of the Beneficial Owners. In the event that no substitute securities depository is found by the Authority or restricted registration is no longer in effect, Series 2020A Bond certificates will be delivered as described in the Resolution.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT, (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE SERIES 2020A BONDS UNDER THE RESOLUTIONS; (III) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2020A BONDS; (IV) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE SERIES 2020A BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE SERIES 2020A BONDS; OR (VI) ANY OTHER MATTER.

PART 4— THE REFUNDING PLAN

A portion of the proceeds of the Series 2020A Bonds will be used to provide for the redemption of the Series 2010A Bonds in whole on or about July 1, 2020 at a Redemption Price equal to 100% of the principal amount of the Series 2010A Bonds.

Simultaneously with the issuance and delivery of the Series 2020A Bonds, a portion of the proceeds thereof will be deposited in escrow with the Trustee, and will be used to purchase securities permitted for the defeasance of Bonds under the Resolution (the “Defeasance Securities”), the principal of and interest on which, when due, together with any uninvested proceeds are calculated to provide amounts sufficient to pay the redemption price of and interest on the Series 2010A Bonds to their redemption date.

At the time of such deposit into the escrow for the Series 2010A Bonds, irrevocable instructions will be given to the Trustee to give notices of the redemption of the Series 2010A Bonds, and to apply the maturing principal of and interest on the Defeasance Securities, together with any uninvested cash held in escrow, to the payment of the redemption price of and interest coming due on the Series 2010A Bonds through and including the redemption date. In the opinion of Bond Counsel, upon making such deposits with the trustee under the Resolution and the giving of such irrevocable instructions, the Series 2010A Bonds will, under the terms of the Resolution, be deemed to have been paid, will no longer be outstanding and the covenants, agreements and obligations of DASNY with respect to the Series 2010A Bonds under the Resolution will be discharged and satisfied.

PART 6 — THE UNIVERSITY

GENERAL INFORMATION

Introduction

The University is an internationally recognized not-for-profit center for advanced study and research in biomedical and related natural sciences. The University began in 1901 as The Rockefeller Institute for Medical Research (the “Rockefeller Institute”), one of the first major philanthropies of oil magnate and businessman John D. Rockefeller Sr. With his son, John D. Rockefeller Jr., and financial advisor Frederick Gates, John D. Rockefeller Sr. set about creating a place where scientists could engage in investigations that would, as the University’s motto “Pro Bono Humani Generis” reads, benefit humankind. The Rockefeller Institute was the first private American center designed exclusively for biomedical investigations. With the addition of The Rockefeller University Hospital in 1910, the first U.S. facility devoted exclusively to patient-oriented research, the Rockefeller Institute soon became a preeminent center for the apprenticeship and training of the most talented young scientists in the world.

The principal facilities of the University are located on its campus on the upper east side of Manhattan in New York City, which is situated on a site of approximately 14 acres and is bounded by York Avenue, 68th Street, 62nd Street and the East River. The campus currently has 18 buildings, which include laboratories, a 40-bed research hospital and faculty and student housing. Many of the University’s buildings date to the early 1900’s. The most recent additions are the Rockefeller research building constructed in 1991, the Collaborative Research Center constructed in 2010 and the Stavros Niarchos Foundation – David Rockefeller River Campus completed in early 2019, which added two acres, four buildings and expansive laboratory space directly above FDR Drive.

Principal Activities of the University

Research Laboratories

From its inception, the University's structure has promoted independence as well as cooperation among its scientists. Unlike many institutions with formal departments, the University has 81 independent active laboratories, allowing scientists and students to freely cross disciplinary boundaries to collaborate and share the concepts and techniques of different fields.

Laboratories operate on a year-round basis, tend to focus on major problems for comparatively long periods of time and combine several scientific perspectives on such problems. The University's uniqueness, and its strength, is the interdisciplinary nature of the research programs permitted by the independent laboratory organization structure.

Rockefeller scientists study basic aspects of biology, chemistry and physics to better understand the fundamentals of human health and disease. Their investigations can be grouped into the following ten areas:

- Biochemistry, Biophysics, Chemical Biology and Structural Biology
- Cancer Biology
- Cell Biology
- Genetics and Genomics
- Immunology, Virology and Microbiology
- Mechanisms of Human Disease
- Neurosciences and behavior
- Organismal Biology and Evolution
- Physical, Mathematical and Computational Biology
- Stem cells, Development, Regeneration and Aging

The Rockefeller University Hospital

The Rockefeller University Hospital (the "Hospital"), a general clinical research center, has been devoted solely to patient-oriented research since its founding in 1910. The facility has 40 beds and an outpatient clinic and is closely associated with many of the University's clinical research laboratories. The Hospital plays a central role in fulfilling the objectives of the University by linking laboratory investigation to bedside observation.

Education

Since 1959, when the University granted its first doctoral degrees, more than 800 students have earned Ph.D. degrees from the University, with many continuing their scientific education through postdoctoral appointments. Today, University alumni are teaching and conducting research at universities and other not-for-profit scientific institutions throughout the world.

Governance

The University is governed by a Board of Trustees consisting of no more than 50 members. Its current membership is 45, including the President of the University who is an ex-officio member. Under the By-Laws of the University, approximately one-third of the entire Board of Trustees is elected each year for a term of three years. The full Board of Trustees holds three regular meetings a year. In addition, the Executive Committee of the Board of Trustees meets regularly three times a year and from time to time as the need arises. The University also maintains the following additional Board Committees: Audit, Compensation, Development, Educational Affairs, Facilities and Infrastructure, Finance and Operations, Hospital, Investment, Nominating and Governance, Scientific Affairs and Technology Transfer.

Affiliated Facilities

Aaron Diamond AIDS Research Center

The Aaron Diamond AIDS Research Center (the “Diamond Center”), directed by University Professor David D. Ho, M.D., focuses on investigating the HIV infection disease process and transmission. Since early 1995, scientists from the Diamond Center, which affiliated with the University in July 1996, have conducted inpatient and outpatient studies of HIV/AIDS at the Hospital. Other studies, conducted at the Diamond Center’s laboratories in mid-Manhattan, focus on the factors that influence HIV’s ability to be transmitted, cause disease, replicate and thwart treatments. The collaboration between the Diamond Center and the University will end no later than about December 31, 2019 with the integration of the Diamond Center into Columbia University.

The Rockefeller Archive Center

The Rockefeller Archive Center (the “Archive Center”), in Sleepy Hollow, N.Y., holds the archives of the University. The University’s trustees created the Archive Center in 1974 to make available for scholarly research the archival records of the Rockefeller family and of the philanthropic and educational institutions created by members of the family. In July 2008, the Archive Center became an independent not-for-profit entity with the same mission. The archives of the Rockefeller Foundation, Rockefeller Brothers Fund, Memorial Sloan-Kettering Cancer Center and the Population Council are among those collected at the Archive Center.

Major Inter-Institutional Collaborations

To strengthen its research and educational programs and promote the development of essential new shared technological resources, the University has developed a broad array of alliances and partnerships with neighboring institutions:

Tri-Institutional M.D.-Ph.D. Program - rated among the top five in the United States by the National Institutes of Health (with Sloan-Kettering Institute for Cancer Research and Sanford I. Weill Medical College and the Graduate School of Medical Sciences of Cornell University (“Weill Medical College”).

Tri-Institutional Program in Chemical, Computational and Cancer Biology - a \$160 million program created with the help of a major grant from The Atlantic Philanthropies (with Memorial Sloan-Kettering Cancer Center and Cornell University).

Synchrotron X-ray Beam Line - for X-ray crystallography, an essential tool for structural biology, created at the Brookhaven National Laboratory (with Memorial Sloan-Kettering Cancer Center and Albert Einstein College of Medicine).

The New York Structural Biology Center - for nuclear magnetic resonance spectroscopy and electron microscopy (with Albert Einstein, City University, Columbia University, Memorial Sloan-Kettering Cancer Center, Mount Sinai School of Medicine, New York University, Wadsworth Center of the New York State Department of Health and Weill Medical College).

Program in Mathematical and Computational Biology - allows Rockefeller students to take high-level courses at one of the world’s leading centers for mathematical sciences and fosters inter-institutional collaboration at every level, from Ph.D. student to senior professor (with the Courant Institute of Mathematical Sciences at New York University).

New York Genome Center – an independent, nonprofit research center devoted to providing collaborative genomics services to its member institutions, including Rockefeller and other academic research institutions.

Starr-Cancer Consortium – supported by the Starr Foundation, the Starr Cancer Consortium is a collaborative enterprise that leverages the combined resources and expertise of five institutions –Rockefeller, The Broad Institute of Harvard and MIT, Cold Spring Harbor Laboratory, Memorial Sloan Kettering Cancer Center, and Weill Cornell Medicine -- to strengthen research aimed at the understanding, prevention, diagnosis and treatment of cancer.

Tri-Institutional Stem Cell Initiative - along with Memorial Sloan-Kettering Cancer Center and Weill Cornell Medicine, Rockefeller participates in the Tri-institutional Stem Cell initiative, launched in 2005 and supported by the Starr Foundation. The initiative funds collaborative research projects that involve faculty from the three institutions and also works to develop new resources and expertise in stem cell research.

Bridge Medicines – a drug discovery company focused on advancing promising early technologies in major academic institutions from human proof-of-concept to clinical development. The company was formed in 2017 by the University, Weill Cornell Medicine and Memorial Sloan Kettering Cancer Center, along with Takeda Pharmaceutical Company, in partnership with two venture capital firms, Deerfield Management and Bay City Capital.

Tri-Institutional Therapeutics Discovery Institute (TDI) – a partnership of Rockefeller, Memorial Sloan Kettering Cancer Center and Weill Cornell Medicine, works to accelerate the development of therapeutics that arise from discoveries made in basic science lab. With a focus on early-stage drug discovery, TDI provides expertise in medicinal chemistry and biologics drug development with the goal of conducting proof-of-concept studies, the type of investigations needed to demonstrate that drug candidates can successfully alter the course of a disease.

Operating Budget; Spending Policy

The University strives to operate with a balanced budget each year using the annual operating budget as the primary financial control over operations of the University. This budget details revenues by source and expenses by function for each laboratory or administrative division. The budget preparation process begins in February preceding the start of each fiscal year, with an assessment of the goals and resources of the University. Proposed budgets developed by the laboratories and departments as a result of these assessments are submitted to and reviewed by central management and amended, where necessary. The final proposed budget is submitted to the Board of Trustees for its review and approval in June. During the fiscal year, monthly operating statements are prepared comparing budgeted and actual revenues and expenses. These statements are reviewed by central management and the Finance and Operations Committee of the Board of Trustees of the University.

The University operates under an endowment spending policy for operations that applies a spending rate using a modified inflation-based approach. The annual spending rate calculation includes the following: 70% (times) the total amount of prior year endowment spending (times) inflation utilizing the higher education price index; + 30% (times) the three-year average market value of investments (times) the approved spending rate of 5.5%. The approved spending rate in fiscal years 2015, 2016 and 2017 was 5.8%, 5.7% and 5.6% respectively, and the approved spending rate in fiscal years 2018 and 2019 was 5.5%.

The table below presents the dollar amounts of annual operating revenues available pursuant to the University’s endowment spending policy over the last five years.

**Annual Operating Revenues Available Pursuant to the Endowment Spending Policy
(in thousands)**

<u>Fiscal Year</u>	<u>Total</u>
2015	\$94,763
2016	97,973
2017	99,861
2018	100,458
2019	101,600

Capital Budget

As part of the University’s annual budgetary and financial planning process, the University’s Board of Trustees approves an annual budget for capital projects. For the three years ended June 30, 2019, budgeted approved capital projects totaled \$374 million, or an average of approximately \$124.6 million per year. Such capital projects were funded through bond proceeds or development gifts. The University anticipates that budgeted amounts for capital projects will be significantly less over the next several years after completion of the River Campus project.

Sponsored Grants and Contracts

The University is one of the leading private research institutions in the United States, and significant amounts of its revenues and expenses relate to research performed under grants, contracts and similar agreements with government agencies. Research under government agreements for the year ended June 30, 2019 produced approximately \$85.072 million of the University’s total revenues. Major government sponsors include centers, divisions and institutes of the Department of Health and Human Services and the National Science Foundation. There can be no assurance that the University will continue to receive government-sponsored research grants and contracts in amounts comparable to those that it has received in the past.

Efforts to secure private support for the University will continue to receive priority attention. Private sponsored research agreements and other private giving for the year ended June 30, 2019 produced approximately \$121.380 million of the University’s total revenues. There can be no assurance that the University will continue to receive private gifts, grants and contracts in amounts comparable to those that it has received in the past.

Howard Hughes Medical Institute

Under an agreement dated August 12, 1986, the Howard Hughes Medical Institute (the “Institute”) conducts programs in medical research in collaboration with the University. The Institute is an independent not-for-profit corporation engaged in medical research in collaboration with universities and teaching hospitals. The agreement provides that the Institute and the University collaborate in the nature of a partnership for the pursuit of medical research, with each of the parties having particular responsibilities for the contribution of monies, property, researchers and administrative personnel.

The University provides the space, support services and the research environment and intellectual resources to nurture the research program. The Institute supports all of the direct costs of the operations of specific laboratories and reimburses the University for the use of assigned space. For the year ended June 30, 2019, the Institute directly supported (through the University) the fourteen laboratories in the aggregate amount of approximately \$15 million and reimbursed the University in the amount of \$3.3 million for the use of space.

Fund Raising and Development

During the five years ended June 30, 2019 total gifts and pledges totaled approximately \$943.842 million as shown below. Most pledges are paid over a three to five-year period. Fluctuations within gifts and pledges reflect timing of capital campaigns. Most recently, a seven-year capital campaign ended in June 2019 raising approximately \$1.170 billion in gifts and pledges (exceeding the goal of \$940 million).

Gifts and Pledges

Fiscal Year	Operations	Endowment	Facilities	Total
2015	\$117,659,362	\$404,755	\$226,718,433	\$344,782,550
2016	44,707,484	50,077,769	51,536,003	146,321,256
2017	83,440,754	5,810,890	30,669,992	119,921,636
2018	172,233,918	7,908,307	31,294,380	211,436,605
2019	87,886,630	25,747,672	7,746,053	121,380,355

Direct Revenues From Sponsored Research

The University derives direct sponsored research revenues from both the federal and state governments and non-governmental sources (private corporations, foundations and voluntary health organizations). The table below summarizes direct revenues from sponsored research for each of the last five years.

Direct Revenues From Sponsored Research

Fiscal Year	Government	Non-Government Sources	Total
2015	\$53,650,212	\$23,504,785	\$77,154,997
2016	52,933,613	26,455,197	79,388,810
2017	57,843,673	28,562,320	86,405,993
2018	57,272,900	31,465,901	88,738,801
2019	56,374,151	28,959,124	85,333,275

Applications for sponsored research grants generally request funding for a period not exceeding five years. The application, which includes both scientific protocol and requested budgetary funding, is initiated by the head of the laboratory applying for such grant or a faculty member within such laboratory. The completed application is reviewed by the University's Office of Sponsored Program Administration to insure adherence to the policies of both the funding agency and the University. The final application is forwarded to the funding agency for review and ultimate disposition. If the application is accepted, a notice of grant award is received from the funding agency and the grant is activated.

In the event that a Head of Laboratory at the University elects to retire and leave the University, the laboratory will typically phase out such person's sponsored research activities within three years of the planned retirement date. Alternatively, upon retirement, the Head of Laboratory may remain at the University and continue his or her research program and sponsored research support. The University has a continuing program of faculty renewal and Heads of Laboratory are recruited every year to expand research efforts and to replace faculty who have left the University.

The table below lists the ten University laboratories (out of a total of 76 active laboratories) attracting the most sponsored research revenues during the year ended June 30, 2019 and provides information with respect to each laboratory head and each laboratory's sponsored research.

Indirect Cost Recovery

Sponsored research programs and projects are supported by both those costs which are directly charged and those costs that are indirectly accumulated and applied to the research activities on the basis of average cost rates. Direct costs are specifically related to the research work involved. Examples include wages, materials, equipment and contract services. Indirect costs are also incurred in the accomplishment of sponsored research but lack direct specificity due to practical limits encountered in recording their use. These costs are no less actual or related, but differ from direct costs in that they have been incurred for purposes common to some or all of the specific programs, projects or activities of the University. Examples include utilities, maintenance services and general management and administrative services such as accounting, purchasing, personnel and library.

Recovery of these actual direct and indirect costs from sponsors is necessary for the operation of the University. Without reimbursement for indirect costs, sponsored programs and research at the University would require additional internal support of indirect services, to the detriment of other programs and functions.

The federal government, through its Office of Management and Budget, has recognized the real impact of indirect costs, and has described, defined and codified indirect cost reimbursement recovery principles and procedures within its Uniform Guidance for federal awards.

An indirect cost analysis is generally developed by the University at the end of each fiscal year, which accounts for the actual direct and indirect costs incurred and calculates the applicable average cost rates experienced during that fiscal year. Generally, this indirect cost proposal is submitted to the Department of Health and Human Services for review and approval every three to four years. The University's indirect cost rates have been reviewed and approved through the fiscal year ended June 30, 2022. Because of the system utilized by the University and the Department of Health and Human Services for review and approval of indirect costs, the University does not believe that its indirect cost rate for fiscal year 2019 and prior years can be reevaluated. However, if the rates were to be reexamined, the University does not believe it would lose any moneys previously received.

Indirect costs reimbursed under research agreements for each of the last five fiscal years ended June 30, 2019 are shown in the table that follows. Some private foundations and other agencies also allow indirect costs as part of the sponsored program contract or grant.

Indirect Cost Recovery

Fiscal Year	Government	Non-Government Sources	Total
2015	\$28,904,815	\$4,334,949	\$33,239,764
2016	28,344,523	6,278,855	34,623,378
2017	29,223,062	4,020,965	33,244,027
2018	29,958,496	5,938,446	35,896,942
2019	28,698,109	5,225,180	33,923,289

Investment Performance

The table below summarizes the fair values and total return of the University's investments for each of the last five years ended June 30, 2019:

2019	2,305,924,544	3,735,449	163,841,427	+8.5%

* Includes the fair value of the investments of the Archives Center, which constituted approximately 5% of the fair value of all of the investments.

The fair value of investments is determined based on quoted market prices or net asset values provided by external managers and general partners in the case of limited partnership and limited liability corporation investments.

The University's invested funds, including cash and cash equivalents, had a fair value of approximately \$2.306 billion as of June 30, 2019, held primarily in the University's Endowment Investment Pool. The Pool is made up of approximately 214 individual accounts that are invested jointly, but accounted for separately to assure compliance with donor restrictions. The fair value of the invested funds as of December 31, 2019 was approximately the same as it was as of June 30, 2019. The fair value of invested funds may be adversely affected by events in the financial markets.

The Investment Committee of the Board of Trustees is responsible for overseeing the investment of the University's endowment. With the support of the University's Office of Investments, the Investment Committee is responsible for establishing investment policy and asset allocation; retaining and overseeing external investment managers; and monitoring the implementation and performance of the investment program.

The Investment Committee has established a long-term asset allocation policy that allocated approximately 36% to public equities, 25% to private investments, 20% to absolute return funds, 13% to real assets and 6% to cash and fixed income investments. The asset allocation policy is reviewed annually. The University's endowment maintains sufficient liquidity to meet its anticipated obligations. Various redemption provisions and lock-up periods of the investment portfolio can be found under note 14 of the audited financial statements of the University included in "Appendix B – Financial Statements of The Rockefeller University (With Independent Auditors' Report Thereon)."

Indebtedness

At June 30, 2019, the outstanding principal amount of long-term debt of the University (with the Authority and a financial institution) was \$729,232,262 including bond discounts and premiums. In late 2019, the Authority issued \$209,960,000 The Rockefeller University Revenue Bonds, Series 2019A, Series 2019B and Series 2019C to refund all of the Authority's The Rockefeller University Revenue Bonds, Series 2009A and Series 2009C, refinance approximately \$5,115,000 of the University's outstanding bank lines of credit and finance a portion of costs associated with the construction of the Stavros Niarchos Foundation - David Rockefeller River Campus completed in early 2019. On April 15, 2020, the University issued \$75,345,000 of its Taxable 2020B Bonds to repay \$50,000,000 million of the University's outstanding bank lines of credit and to finance general corporate purposes of the University. As of April 15, 2020, the University had a total of \$854,470,000 of long-term debt outstanding.

The University has made all scheduled principal payments under outstanding loan agreements with the Authority. All of the indebtedness constitutes a general unsecured obligation of the University.

Authority and Other Indebtedness

The University has entered into loans with the Authority financed through the issuance of revenue bonds by the Authority and one note payable with a financial institution. Various agreements between the University and the Authority entered into in connection with such loans obligate the University to make payments in amounts and at times sufficient to make timely payment of principal and interest on the bonds issued to finance the loans. The following summarizes the loans comprising this indebtedness to the Authority and the note payable to the financial institution. For additional information, see note 6 to the financial statements of the University included in "Appendix B – Financial Statements of The Rockefeller University (With Independent Auditors' Report Thereon)."

Direct Purchase Bonds

The Series 2015A Bonds and Series 2017A Bonds were sold directly to a financial institution. The Series 2015B Bonds were sold directly to a different institution. The Series 2015A Bonds mature on July 1, 2045 and are subject to mandatory tender on May 1, 2025. The Series 2015B Bonds mature on July 1, 2025. The Series 2017A Bonds mature on July 1, 2052 and are subject to mandatory tender on July 30, 2027. In connection with the issuance of the Series 2015A, 2015B and 2017A Bonds, the University agreed to certain reporting requirements and covenants. The Series 2015A Bonds and Series 2017A Bonds are subject to mandatory tender at the option of the purchaser thereof upon the occurrence of an event that constitutes an event of default, including:

- (a) Any downgrade of the University's long-term unenhanced debt rating to BBB- or Baa3 or below, or any downgrade of the University's short-term unenhanced debt rating to P-3, A-3 or F-3 or below.
- (b) The University fails, as of any June 30 or December 31, to maintain a ratio of Minimum Unrestricted Liquidity to Total Funded Debt of not less than 1.00 to 1.00, defined as: (cash plus marketable investments less investments restricted for purposes other than operations) divided by (total current and long term portions of bonds, loans and capital leases). The University has not failed to meet the required ratio level since the issuance of the Series 2015A Bonds and the Series 2017A Bonds.

In addition, the Series 2015A Bonds and Series 2017A Bonds are subject to accelerated amortization over a three-year period if the University is rated less than A1 or A+.

Additionally, the University entered into a Note Purchase Agreement with a major insurance company for \$25,000,000, with principal due April 10, 2045. Under the Note Purchase Agreement, the University agreed to certain reporting requirements.

None of the Series 2015A Bonds, the Series 2017A Bonds or the Note described above are secured by revenues or assets of the University.

Variable Rate Bonds

The Series 2002A2 and Series 2008A Bonds bear interest at variable rates and are subject to optional and mandatory tender. The University has entered into agreements with remarketing agents pursuant to which the remarketing agents are obligated to use their best efforts to remarket any bonds that are tendered but not remarketed. In connection with the Series 2002A2 and Series 2008A Bonds, the University has arranged for standby bond purchase agreements ("SBPAs") to be provided by a bank pursuant to which the bank will purchase any such bonds that are tendered and not remarketed and the University will only be obligated to purchase such bonds if the bank does not purchase them. Both SBPAs terminate on December 31, 2023. Any bonds purchased by the bank pursuant to the applicable SBPA may be subject to repayment on an accelerated basis. Under certain circumstances each bank's obligation under the applicable SBPA to purchase bonds will terminate, and in such event the University would be obligated to purchase Series 2002A2 or Series 2008A Bonds tendered and not remarketed.

Lines of Credit

The University also has two bank lines of credit from two different financial institutions pursuant to which the University may borrow up to \$100,000,000 and \$150,000,000, respectively, outstanding at any time for any corporate purpose. The \$100,000,000 facility and \$150,000,000 facility have commitment termination dates of November 7, 2022 and March 20, 2023, respectively. Total outstanding draws on both lines of credit at March 1, 2020 was \$50,000,000, which amount is expected to be repaid with the proceeds of the Taxable 2020B Bonds within 60 days of the issuance of the Taxable 2020B Bonds. Subsequent to March 1, 2020, the University drew an additional \$75,000,000 on the lines of credit for liquidity purposes; such amount has not been spent to date. The \$150,000,000 facility contains a covenant of the University to maintain a credit rating of no less than A3 from Moody's and A- from S&P. The \$100,000,000 facility contains a covenant of the University to maintain a credit rating of no less than Baa2 from Moody's and BBB from S&P.

Interest Rate Exchange Agreements

As of June 30, 2019, the University had entered into five interest rate exchange agreements with a current aggregate notional amount of \$375,000,000. Pursuant to each agreement, the University is obligated to pay the applicable swap counterparty amounts based on a fixed interest rate and is to receive payment from the swap counterparty based on variable interest rates. Under certain circumstances the University may be required to post collateral to secure its obligations under the interest rate exchange agreements. In addition, each agreement may be terminated following the occurrence of certain events, at which time the University may be required to make a termination payment to the swap counterparty. The University's swap counterparties include: Morgan Stanley Capital Services, Inc. (\$200 million aggregate notional amount); and Bank of New York (\$175 million aggregate notional amount). As of April 15, 2020, the mid-market valuation of the five interest rate exchange agreements was approximately (\$218 million). A negative value for this amount would generally result in the University being required to make a payment to the swap counterparties if the swap was terminated. If the swaps were to be terminated, any termination payments owed by the University would be based on the mid-market valuation on the date of such termination, plus certain other adjustments typically made in determining termination values.

Insurance

The University currently carries property insurance under a blanket all-risk policy in the amount of \$1,000,000,000 on its buildings and their contents, based on full replacement value. The University self-insures the first \$500,000 of each loss.

The University's comprehensive general liability insurance coverage has a single limit for bodily injury and property damage of \$1,000,000 per occurrence with a \$3,000,000 aggregate limit per annual policy period. This insurance is provided through commercial insurance companies.

University physicians and other medical staff of the Hospital are insured against claims of medical malpractice under an annual umbrella policy. The University is self-insured for \$1,500,000 per claim and \$3,000,000 in the aggregate per annual period for all claims against all insureds. Umbrella insurance policies in the amount of \$35,000,000 are provided through commercial insurance companies.

In addition, the University carries umbrella policies providing excess coverage of \$50,000,000 per annual policy period over the above-described limits.

Pension Plans

The University provides retirement benefits for full-time faculty, officers and supporting staff employees under a non-contributory defined contribution plan by making direct payments to Teachers Insurance Annuity Association-College Retirement Equities Fund (TIAA-CREF). Pension costs under this plan amounted to \$11,309,000 for the fiscal year ended June 30, 2019. In addition to providing pension benefits, the University provides certain health care and life insurance benefits for retired faculty and administrative employees who meet certain age and length-of-service requirements upon retirement. See note 8 of the notes to the financial statements of the University included in "Appendix B - Financial Statements of The Rockefeller University (With Independent Auditors' Report Thereon)" for further information.

Health and Safety

Certain hazardous materials are used at the University in scientific research. The University has a Safety Office which oversees the handling and disposal of such materials, as well as the University's general health and safety programs. It is the University's policy to comply with all federal, state and local health and safety laws and regulations and in the absence thereof, to use the standards of nationally recognized professional health and safety organizations as safety guidelines.

Financial Advisor

The Yuba Group LLC, also known as Yuba Group Advisors (the “Financial Advisor”), has been retained by the University to serve as its financial advisor in connection with the offering of the Series 2020A Bonds. The following three sentences have been provided by the Financial Advisor. The Financial Advisor is not obligated to make, and has not undertaken, an independent verification of any of the information contained in the Official Statement and makes no guarantee as to the accuracy, completeness or fairness of such information. The Financial Advisor is an independent financial advisory and consulting firm and is not engaged in the underwriting or trading of municipal securities or other negotiable instruments. The Financial Advisor does not receive a fee related to or contingent upon the sale and closing of the Series 2020A Bonds.

LITIGATION AND OTHER CONTINGENT LIABILITIES

Allegations of misconduct by Dr. Reginald Archibald. In March 2018, the University received a complaint from a former patient of Dr. Reginald Archibald that he had engaged in inappropriate conduct towards the patient when he was a child. Dr. Archibald was a University faculty member and Hospital physician from the 1940s until the 1980s; he studied childhood growth and maturation, focusing on children of short stature. Dr. Archibald passed away in 2007.

In response to this complaint, the University engaged Debevoise & Plimpton LLP (“Debevoise”), an external law firm, to investigate. On May 23, 2019, the University made available to the public Debevoise’s report on its investigation of Dr. Archibald at <https://archibaldreport.com>, which report is incorporated herein by reference. The University also established and continues to maintain the Rockefeller Hospital Therapy Fund, which is operated in partnership with RAINN (Rape, Abuse & Incest National Network), to provide support for Dr. Archibald’s former patients for ongoing therapy costs and assistance in finding a therapist.

On February 14, 2019, New York State enacted the Child Victims Act (“CVA”), which extends the age (from 21 to 55) by which a person may bring a lawsuit alleging child sexual abuse and provides a one-year window which started on August 14, 2019 during which a person of any age may file such a lawsuit. There is currently pending a bill in the New York State legislature which seeks to extend this window for an additional year.

A large number of former patients have asserted claims against the University, and the University has settled a significant number of such claims. As of June 30, 2019, approximately \$162.9 million was recorded in the University’s financial statements for fiscal year 2019 for CVA settlements, legal fees, investigation costs and other expenses through October 25, 2019. Since October 25, 2019 through April 15, 2020, the University has incurred approximately \$59.6 million for additional CVA settlements, legal fees, investigation costs and other expenses. The University is actively pursuing non-litigation resolution of claims. The number of existing unsettled claims as of April 15, 2020, including those brought by litigants in 29 pending lawsuits, is 305. One lawsuit includes a similar claim by a litigant against an additional former faculty member. The University is unable to predict the outcome of these existing unsettled claims and is unable to predict how many additional claims may be asserted. As a result, the University cannot reasonably estimate the possible loss or range of loss or effect on its revenues or operations at this time (and, accordingly, no amounts were accrued for unsettled claims in the financial statements of the University for the fiscal year ended June 30, 2019), but the effect could be material.

The University expects that a number of these claims will be covered by existing insurance coverage and has filed a lawsuit against its insurers to recover proceeds in connection with these claims. However, there can be no assurance that the University will prevail or as to the amount that it will be able to recover. Sources of payment of claims, to the extent not covered by insurance, may include the University’s unrestricted endowment fund, its existing lines of credit, the incurrence of additional loans or lines of credit and/or the issuance of taxable bonds.

The University has notified several governmental entities about the Archibald matter. To date, no governmental entity has notified the University that it is taking any action against the University.

Other Litigation. The University is a defendant in various legal actions arising out of the normal course of its operations. Although the outcome of any such actions cannot be currently determined, the University is of the opinion that the eventual liability therefor, if any, will not have a material effect on the financial position of the University or its ability to make required debt service payments.

PART 7— THE AUTHORITY

Background, Purposes and Powers

DASNY is a body corporate and politic constituting a public benefit corporation. DASNY was created in 1944 to finance and build dormitories at State teachers' colleges to provide housing for the large influx of students returning to college on the G.I. Bill following World War II. Over the years, the State Legislature has expanded DASNY's scope of responsibilities. Today, pursuant to the Dormitory Authority Act, DASNY is authorized to finance, design, construct or rehabilitate facilities for use by a variety of public and private not-for-profit entities.

DASNY provides financing services to its clients in three major areas: public facilities; not-for-profit healthcare; and independent higher education and other not-for-profit institutions. DASNY issues State-supported debt, including State Personal Income Tax Revenue Bonds and State Sales Tax Revenue Bonds, on behalf of public clients such as The State University of New York, The City University of New York, the Departments of Health and Education of the State, the Office of Mental Health, the Office of People with Developmental Disabilities, the Office of Addiction Services and Supports, the Office of General Services, and the Office of General Services of the State on behalf of the Department of Audit and Control. Other public clients for whom DASNY issues debt include Boards of Cooperative Educational Services ("BOCES"), State University of New York, the Workers' Compensation Board, school districts across the State and certain cities and counties that have accessed DASNY for the purpose of providing court facilities. DASNY's private clients include independent colleges and universities, private hospitals, certain private secondary schools, special education schools, facilities for the aged, primary care facilities, libraries, museums, research centers and government-supported voluntary agencies, among others.

To carry out its programs, DASNY is authorized to issue and sell negotiable bonds and notes to finance the construction of facilities for such institutions, to issue bonds or notes to refund outstanding bonds or notes and to lend funds to such institutions. At March 31, 2020, DASNY had approximately \$58.2 billion aggregate principal amount of bonds and notes outstanding. DASNY also is authorized to make tax-exempt leases, with its Tax-Exempt Leasing Program (TELP). As part of its operating activities, DASNY also administers a wide variety of grants authorized by the State for economic development, education and community improvement and payable to both public and private grantees from proceeds of State Personal Income Tax Revenue Bonds issued by DASNY.

DASNY is a conduit debt issuer. Under existing law, and assuming continuing compliance with tax law, interest on most bonds and notes issued by DASNY has been determined to be excludable from gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended. All of DASNY's outstanding bonds and notes, both fixed and variable rate, are special obligations of DASNY payable solely from payments required to be made by or for the account of the client institution for which the particular special obligations were issued. DASNY has no obligation to pay its special obligations other than from such payments. DASNY has always paid the principal of and interest on all of its obligations on time and in full; however, as a conduit debt issuer, payments on DASNY's special obligations are solely dependent upon payments made by DASNY's client for which the particular special obligations were issued and the security provisions relating thereto.

DASNY also offers a variety of construction services to certain educational, governmental and not-for-profit institutions in the areas of project planning, design and construction, monitoring project construction, purchasing of furnishings and equipment for projects, interior design of projects and designing and managing projects to rehabilitate older facilities.

In connection with the powers described above, DASNY has the general power to acquire real and personal property, give mortgages, make contracts, operate certain facilities and fix and collect rentals or other charges for their use, contract with the holders of its bonds and notes as to such rentals and charges, borrow money and adopt a program of self-insurance.

DASNY has a staff of approximately 536 employees located in three main offices (Albany, New York City and Buffalo) and at approximately 47 field sites across the State.

Governance

DASNY is governed by an eleven-member board. Board members include the Commissioner of Education of the State, the Commissioner of Health of the State, the State Comptroller or one member appointed by him or her who serves until his or her successor is appointed, the Director of the Budget of the State, one member appointed by the Temporary President of the State Senate, one member appointed by the Speaker of the State Assembly and five members appointed by the Governor, with the advice and consent of the Senate, for terms of three years. The Commissioner of Education of the State, the Commissioner of Health of the State and the Director of the Budget of the State each may appoint a representative to attend and vote at DASNY meetings. The members of DASNY serve without compensation, but are entitled to reimbursement of expenses incurred in the performance of their duties. The appointment to the Board by the Speaker of the State Assembly is currently vacant.

The Governor of the State appoints a Chair from the members appointed by him or her and the members of DASNY annually choose the following officers, of which the first two must be members of DASNY: Vice-Chair, Secretary, Treasurer, Assistant Secretaries and Assistant Treasurers. The office of Secretary is currently vacant.

The current members of DASNY are as follows:

ALFONSO L. CARNEY, JR., Chair, New York.

Alfonso L. Carney, Jr. was reappointed as a Member of DASNY by the Governor on June 19, 2013. Mr. Carney is a principal of Rockwood Partners, LLC, which provides medical consulting services in New York City. He has served as Acting Chief Operating Officer and Corporate Secretary for the Goldman Sachs Foundation in New York where, working with the President of the Foundation, he managed the staff of the Foundation, provided strategic oversight of the administration, communications and legal affairs teams, and developed selected Foundation program initiatives. Mr. Carney has held senior level legal positions with Altria Group Inc., Philip Morris Companies Inc., Philip Morris Management Corporation, Kraft Foods, Inc. and General Foods Corporation. Mr. Carney holds a Bachelor's degree in philosophy from Trinity College and a Juris Doctor degree from the University of Virginia School of Law. His term expired on March 31, 2016 and by law he continues to serve until a successor shall be chosen and qualified.

JOHN B. JOHNSON, JR., Vice-Chair, Watertown.

Claims and Litigation

Although certain claims and litigation have been asserted or commenced against DASNY, DASNY believes that such claims and litigation either are covered by insurance or by bonds filed with DASNY, or that DASNY has sufficient funds available or the legal power and ability to seek sufficient funds to meet any such claims or judgments resulting from such matters.

There is not now pending any litigation against DASNY (i) restraining or enjoining the issuance or delivery of the Series 2020A Bonds or (ii) challenging the validity of the Series 2020A Bonds or the proceedings and authority under which DASNY will issue the Series 2020A Bonds.

Other Matters

New York State Public Authorities Control Board

The New York State Public Authorities Control Board (the "PACB") has authority to approve the financing and construction of any new or reactivated projects proposed by DASNY and certain other public authorities of the State. The PACB approves the proposed new projects only upon its determination that there are commitments of funds sufficient to finance the acquisition and construction of the projects. DASNY obtains the approval of the PACB for the issuance of all of its bonds and notes.

Legislation

From time to time, bills are introduced into the State Legislature which, if enacted into law, would affect DASNY and its operations. DASNY is not able to represent whether such bills will be introduced or become law in the future. In addition, the State undertakes periodic studies of public authorities in the State (including DASNY) and their financing programs. Any of such periodic studies could result in proposed legislation which, if adopted, would affect DASNY and its operations.

Environmental Quality Review

DASNY complies with the New York State Environmental Quality Review Act and with the New York State Historic Preservation Act of 1980, and the respective regulations promulgated thereunder to the extent such acts and regulations are applicable.

Independent Auditors

The accounting firm of KPMG LLP audited the financial statements of DASNY for the fiscal year ended March 31, 2019. Copies of the most recent audited financial statements are available upon request at the offices of DASNY.

PART 8 — LEGALITY OF THE SERIES 2020A BONDS FOR INVESTMENT AND DEPOSIT

Under State law, the Series 2020A Bonds are securities in which all public officers and bodies of the State and all municipalities and municipal subdivisions, all insurance companies and associations, all savings banks and savings institutions, including savings and loan associations, administrators, guardians, executors, trustees, committees, conservators and other fiduciaries in the State may properly and legally invest funds in their control.

The Series 2020A Bonds may be deposited with the State Comptroller to secure deposits of State moneys in banks, trust companies and industrial banks.

PART 9 — NEGOTIABLE INSTRUMENTS

The Series 2020A Bonds are negotiable instruments as provided in the Act, subject to the provisions for registration and transfer contained in the Resolution and in the Series 2020A Bonds.

PART 10 — TAX MATTERS

Federal Income Taxes

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2020A Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2020A Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2020A Bonds. The Authority has covenanted in the Series Resolution and the Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141–150 of the Internal Revenue Code (the “Tax Certificate”), and the University has covenanted in the Loan Agreement and the Tax Certificate to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2020A Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the University have made certain representations and certifications in the Tax Certificate. Bond Counsel has also relied on the opinion of counsel to the University as to the status of the University as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. Bond Counsel will not independently verify the accuracy of those representations and certifications or that opinion.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenants, and the accuracy of certain representations and certifications made by the Issuer and the University described above, interest on the Series 2020A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

State Taxes

Bond Counsel is also of the opinion that, under existing law, interest on the Series 2020A Bonds is exempt, by virtue of the Act, from personal income taxation imposed by the State of New York or any political subdivision thereof. Bond Counsel expresses no opinion as to other New York State or local tax consequences arising with respect to the Series 2020A Bonds nor as to the taxability of the Series 2020A Bonds or the income therefrom under the laws of any jurisdiction other than the State of New York.

Original Issue Premium

The Series 2020A Bonds sold at prices in excess of their principal amounts are “Premium Bonds”. An initial purchaser with an initial adjusted basis in a Premium Bond in excess of its principal amount will have amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond based on the purchaser’s yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, over the period to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation with an amortizable bond premium is required to decrease such purchaser’s adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Ancillary Tax Matters

Ownership of the Series 2020A Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2020A Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series 2020A Bonds is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2020A Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinion attached as “Appendix E – Form of Approving Opinion of Bond Counsel” to this Official Statement. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2020A Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Tax Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2020A Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2020A Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2020A Bonds from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2020A Bonds may occur. Prospective purchasers of the Series 2020A Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2020A Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2020A Bonds may affect the tax status of interest on the Series 2020A Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2020A Bonds, or the interest thereon, if any action is taken with respect to the Series 2020A Bonds or the proceeds thereof upon the advice or approval of other counsel.

The form of the approving opinion of Bond Counsel is attached to this Official Statement as “Appendix E – Form of Approving Opinion of Bond Counsel.”

PART 11 — STATE NOT LIABLE ON THE SERIES 2020A BONDS

The Act provides that notes and bonds of the Authority are not a debt of the State, that the State is not liable on them and that such notes and bonds are not payable out of any funds other than those of the Authority. The Resolution specifically provides that the Series 2020A Bonds are not a debt of the State and that the State is not liable on them.

PART 12 — COVENANT BY THE STATE

The Act states that the State pledges and agrees with the holders of the Authority's notes and bonds that the State will not limit or alter the rights vested in the Authority to provide projects, to establish and collect rentals therefrom and to fulfill agreements with the holders of the Authority's notes and bonds or in any way impair the rights and remedies of the holders of such notes or bonds until such notes or bonds and interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of such notes or bonds are fully met and discharged. Notwithstanding the State's pledges and agreements contained in the Act, the State may in the exercise of its sovereign power enact or amend its laws which, if determined to be both reasonable and necessary to serve an important public purpose, could have the effect of impairing these pledges and agreements with the Authority and with the holders of the Authority's notes or bonds.

PART 13 — LEGAL MATTERS

Certain legal matters incidental to the authorization and issuance of the Series 2020A Bonds by the Authority are subject to the approval of Nixon Peabody LLP, New York, New York, Bond Counsel, whose approving opinion will be delivered with the Series 2020A Bonds. The proposed form of Bond Counsel's opinion is set forth in "Appendix E – Form of Approving Opinion of Bond Counsel" hereto.

Certain legal matters will be passed upon for the University by its special counsel, Orrick Herrington & Sutcliffe LLP, New York, New York. Certain legal matters will be passed upon for the Underwriter by its counsel, Katten Muchin Rosenman LLP, New York, New York.

PART 14— UNDERWRITING

BofA Securities, Inc., as Underwriter, has agreed, subject to certain conditions, to purchase the Series 2020A Bonds at a purchase price of \$50,888,795.01 (which is equal to the par amount of the Series 2020A Bonds, plus aggregate original issue premium of \$9,981,896.75, less an underwriter's discount of \$78,101.74), and to make a public offering of the Series 2020A Bonds at a price that is not in excess of the public offering price stated on the inside cover page of this Official Statement. In the ordinary course of their various business activities, the Underwriter and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the University.

PART 15 — CONTINUING DISCLOSURE

In order to assist the Underwriter in complying with Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), the University will enter into a written agreement (the “Continuing Disclosure Agreement”) for the benefit of the Holders of the Series 2020A Bonds with Digital Assurance Certification, L.L.C. Independent Auditors' Report

The Board of Trustees
The Rockefeller University:

We have audited the accompanying financial statements of The Rockefeller University (the University), which comprise the balance sheet as of June 30, 2019, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Rockefeller University as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended, in accordance with U.S. generally accepted accounting principles.

Emphasis of Matter

As discussed in note 1(n) to the financial statements in 2019 the University adopted new accounting guidance, Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited the University's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 3, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived before the adjustments to adopt ASU 2016-14. As part of our audit of the 2019 financial statements, we also audited the adjustments described in note 1(n) that were applied to adopt ASU No. 2016-14 retrospectively in the 2018 financial statements. In our opinion, such adjustments are appropriate and have been properly applied.

Notes to Financial Statements

(1) Discussion of Operations and Summary of Significant Accounting Policies

The Rockefeller University (the University) is a world-renowned center for research and graduate education in the biomedical sciences, chemistry, bioinformatics, and physics. The University's 82 laboratories conduct both clinical and basic research and study a diverse range of biological and biomedical problems with the mission of improving the understanding of life for the benefit of humanity. Laboratories are loosely clustered in nine research areas covering a wide spectrum of disciplines in the life sciences, including neuroscience, immunology, genetics, structural biology, and bioinformatics. The University does not charge tuition. Its revenues are derived primarily from investment income, government grants and contracts, and private gifts and grants.

The significant accounting policies followed by the University are described below:

(a) *Basis of Presentation*

The University maintains its accounts in accordance with the principles of fund accounting. Under this method of accounting, resources for various purposes are classified into funds that are in accordance with activities or objectives specified by donors. Separate accounts are maintained for each fund.

For financial reporting purposes, however, the University prepares its financial statements on the accrual basis of accounting in accordance with standards established by the Financial Accounting Standards Board (FASB) or external reporting by not-for-profit organizations. Those standards require the classification of net assets and changes therein in two classes of net assets as follows:

- *Without Donor Restrictions* – Net assets are not subject to donor-imposed restrictions, but may be designated for specific purposes by the University or may be limited by contractual agreements with outside parties. In addition, changes in this category of net assets include returns on “funds functioning as endowment” and certain types of philanthropic support.

Such philanthropic support includes gifts without restrictions, including those designated by the Board of Trustees (the Board) to function as endowment and previously restricted gifts and grants for buildings that have been placed in service.

- *With Donor Restrictions* – Net assets subject to donor-imposed restrictions that will be met either by actions of the University or the passage of time. Items that affect this net asset category are gifts with donor restrictions, including gifts for buildings not yet placed in service and unexpended investment returns on donor-imposed endowment funds that have not been appropriated for expenditure. Expirations of restrictions on net assets with donor restrictions, including reclassification of restricted gifts for buildings when the associated long-lived assets is placed in service, are reported as net assets restricted from restrictions.

Also included in the category are net assets subject to donor-imposed restrictions to be maintained permanently by the University, including gifts and pledges wherein donors stipulate that the corpus of the gift be held in perpetuity.

THE ROCKEFELLER UNIVERSITY

Notes to Financial Statements

June 30, 2019

(With comparative financial information as of and
for the year ended June 30, 2018)

Revenue is reported as increases in net assets without donor restrictions unless limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. As discussed further in note 4, the University follows the provisions of Accounting Standards Codification (ASC) Topic 958, Subtopic 205-45, *Classification of Donor-Restricted Endowment Funds Subject to the Uniform Prudent Management of Institutional Funds Act*, which impacts the reporting of investment return on endowment funds. Accordingly, dividends, interest, and net gains and losses on endowment funds are reported as increases or decreases in net assets with donor restrictions until appropriated for expenditure by the University.

(b) Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted or published prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted or published prices (unadjusted) in active markets for identical assets or liabilities that the University has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted or published prices included in Level 1 that are either directly or indirectly observable for the assets or liabilities.

Level 3 inputs are unobservable inputs for the assets or liabilities.

The level in the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

(c) Cash Equivalents

All highly liquid debt instruments with an original maturity of three months or less are considered to be cash equivalents, except for such assets that are part of the University's investment portfolio managed by external investment managers for long-term purposes.

(d) Contributions

Contributions, including unconditional promises to give, are reported as revenues in the period received. Contributions to be received after one year are discounted to reflect the present value of future cash flows at a risk-adjusted rate. Amortization of the discount is recorded as additional contribution revenue in accordance with the donor-imposed restrictions, if any, on the contributions.

Contributions of property, plant, and equipment without donor stipulation concerning the use of such long-lived assets are reported as revenues of the net assets without donor restrictions class. Contributions of cash or other assets to be used to acquire property, plant, and equipment are reported as revenues of the net assets with donor restrictions class; the restrictions are considered to be

released at the time such long-lived assets are placed into service. A contribution is conditional if the agreement includes both a barrier that must be overcome for the recipient to be entitled to the assets transferred and a right of return for the transferred assets or a right of release of the promisor's obligation to transfer assets. Conditional promises to give are recognized only when the conditions on which they depend are met and the promises become unconditional. Conditional contributions at June 30, 2019 were \$18,200,000.

(e) Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value based upon quoted or published market values. Investments in partnerships, as a practical expedient, are reflected at net asset value (NAV) as reported by the general partners, and may differ from the values that would have been reported had a ready market for these securities existed. The University reviews and evaluates the values provided by the general partners and agrees with the valuation methods and assumptions used in determining the fair value of the limited partnerships.

(f) Plant Assets

Plant assets are stated at cost or at fair value at date of donation in the case of gifts. Depreciation of buildings and building improvements is recorded over estimated useful lives ranging from 15 to 50 years. Equipment is depreciated over estimated useful lives ranging from 5 to 10 years. Leasehold improvements are amortized over the life of the asset or term of the lease, whichever is shorter. Library books are depreciated over estimated useful lives of 15 years.

(g) Government Grants and Contracts

Revenue from government grants and contracts is generally recognized as earned, that is, as the related costs are incurred under the grant or contract agreements. Amounts expended in excess of reimbursements are reported as accounts receivable.

(h) Derivative Instruments

The University accounts for derivative instruments at fair value. The fair value of the derivatives held is based upon values provided by third-party financial institutions and is assessed by management for reasonableness. The fair values of the University's interest rate swaps were calculated as of June 30, 2019 using industry-recognized methodologies. The valuations are based on the present value of the difference between the fixed rate paid by the University and the mid-market fixed rate the University would pay on a similar transaction if it were entered into on June 30, 2019.

(i) Conditional Asset Retirement Obligation

Upon acquisition, and when reasonably estimable, the University recognizes the fair value of the liability related to the legal obligation to perform asset retirement activity on tangible long-lived assets.

THE ROCKEFELLER UNIVERSITY

Notes to Financial Statements

June 30, 2019

(With comparative financial information as of and
for the year ended June 30, 2018)

(j) Income Taxes

The University is exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code. The University follows the guidance of ASC Subtopic 740-10, *Income Taxes – Overall*, which addresses accounting for uncertainties in income taxes recognized in an enterprise's financial statements. The University utilizes a threshold of more-likely than-not for recognition and derecognition of tax positions taken or expected to be taken in a tax return.

(k) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made in the preparation of these financial statements include the valuation of investments, estimated net realizable value of receivables, the obligation under derivative instruments, and the postretirement benefit obligation. Actual results could differ from those estimates.

(l) Comparative Financial Information

The statement of activities is presented with prior year financial information in total, which does not include net asset class detail. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such information should be read in conjunction with the University's 2018 financial statements, from which the summarized information was derived before the adjustments to adopt ASU 2016-14. As part of our audit of the 2019 financial statements, we also audited the adjustments described in note 1(n) that were applied to adopt ASU No. 2016-14 retrospectively in the 2018 financial statements.

(m) Reclassifications

Certain amounts in the 2018 financial statements have been reclassified to conform to the 2019 presentation.

(n) Recent Accounting Pronouncements

In August 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*, which, among other things, changes how not-for-profit entities report net asset classes, expenses, and liquidity in their financial statements. The University adopted significant requirements of the new ASU, which includes the reduction of the number of net asset classes from three to two: with donor restrictions and without donor restrictions; the presentation of expenses by their function and their natural classification in one location; and quantitative and qualitative information about the management of liquid resources and availability of financial assets to meet cash needs within one year of the date of the balance sheet. As a result of adopting this ASU, certain prior year amounts, including \$199,023 and \$522,097 as of June 30, 2018 and 2017, respectively, of underwater endowment funds were reclassified to conform to the presentation requirements.

A recap of the net asset reclassifications driven by the adoption of ASU No. 2016-14 as of June 30, 2019 follows:

In May 2014, The FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which requires the University to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the University expects to be entitled in exchange for those goods or services. The University adopted ASU No. 2014-09 for the year ended June 30, 2019 on a retrospective basis, which did not have a significant impact on the financial statements.

In accordance with Topic 606, the University accounts for a customer contract when both parties have approved the contract and are committed to perform their respective obligations, each party's rights can be identified, payment terms can be identified, the contract has commercial substance, and it is probable the University will collect substantially all of the consideration to which it is entitled.

Subscription sales revenue is recognized on a straight-line basis over the subscription (contract) period (one year) up front.</p> <p><i>Housing services</i> – provides a variety of housing accommodations in support of the scientific needs of the University. Tenants leases are for a one-year term. Licensing agreements can terminate for convenience. Agreements are milestone based and revenue is recognized upon receipt (point in time) once certain milestones are achieved.</p>

In June 2018, the FASB issued ASU No. 2018-08, *Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies how entities determine whether to account for a transfer of assets (or a reduction, settlement or cancellation of a liability) as an exchange transaction or a contribution based on whether commensurate value has been received or transferred. The new guidance also clarifies that a contribution is conditional if the agreement includes both a barrier that must be overcome for the recipient to be entitled to the assets transferred and a right of return for the transferred assets or a right of release of the promisor's obligation to transfer assets. The clarified guidance applies to all entities that receive or make contributions (grants). The University adopted ASU No. 2018-08 for the year ended June 30, 2019 on a retrospective basis, which did not have a significant impact on the financial statements.

THE ROCKEFELLER UNIVERSITY

(With comparative financial information as of and
for the year ended June 30, 2018)

In March 2017, the FASB issued ASU No. 2017-07, *Compensation – Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost*. The University recorded the service cost component (\$3,531,000 and \$3,833,000 for the years ended June 30, 2019 and 2018, respectively) of net benefit cost in the statement of activities line item where compensation cost is reported, and all other components of net benefit cost in the statement of activities, separately from the service cost component and outside of operating activities. The University adopted ASU No. 2017-07 for the year ended June 30, 2019 on a retrospective basis.

In February 2016, the FASB issued ASU No. 2016-02, *Leases*. Under the new guidance, lessees will be required to recognize the following for all leases (with the exception of leases with a term of 12 months or less) at the commencement date: (a) a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and (b) a right-of-use asset, representing the lessee's right to use, or control the use of, a specified asset for the lease term. The guidance requires a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. In July 2018, the FASB issued ASU No. 2018-11, *Leases (Topic 842) Targeted Improvements*, to provide an additional transition method to adopt the guidance by allowing entities to initially apply the new leases standard at the adoption date and recognize a cumulative effect to the opening balance of net assets. The standard is effective for fiscal years beginning after December 15, 2018. The University is currently evaluating the impact this standard will have on the 2020 financial statements.

(2) Liquidity and Availability of Financial Assets

As of June 30, 2019, financial assets and liquidity resources available within one year for general expenditure, such as operating expenses, scheduled debt service payments, and capital construction costs not financed with debt, were as follows:

Financial assets:

Cash and cash equivalents	\$	72,872,417
Accounts receivable		9,474,914
Contribution receivable due in one year, excluding endowment		62,881,846
2020 endowment spending		<u>105,056,936</u>
Total financial assets available within one year		250,286,113

Liquidity resources:

Quasi-endowment funds without donor restrictions subject to board resolutions		452,273,743
Revolving credit agreement		150,000,000
Revolving credit agreement		<u>94,885,000</u>
Total financial assets available within one year and liquidity resources	\$	<u>947,444,856</u>

The University manages its financial assets to be available as its operating expenditures, liabilities, and other obligations come due. In addition, the University invests cash in excess of daily requirements in short-term investments or fixed-income securities. To manage additional liquidity, the University maintains

lines of credit with several banks that are drawn upon as needed during the year to manage cash flows primarily related to construction activities. Amounts from the board-designated quasi-endowment funds could be made available if necessary through a board resolution.

(3) Investments

The fair value of the University's investments consists of the following at June 30, 2019 and 2018:

	2019	2018
Cash equivalents	\$ 136,896,488	136,142,563

Natural resources and other	266,087,443	252,904,369
	\$ 2,305,924,544	2,205,065,691

Investments include limited partnerships totaling approximately \$2.123 billion and \$1.955 billion at June 30, 2019 and 2018, respectively, which are presented above by the underlying investment classification.

Alternative investments – Public investments include interests in limited partnerships that invest principally in public equities and corporate bonds and may employ both long and short strategies.

Alternative investments – Private investments include interests in limited partnerships that invest principally in buyout funds, venture capital, real estate funds, and natural resources. These interests generally have very limited liquidity.

A description of the various categories follows:

Long/short equities represent investments in funds that invest predominantly in liquid publicly traded marketable securities, primarily equities. These funds are able to hold both long and short positions and utilize leverage. These funds attempt to generate higher returns with lower volatility than their long-only counterparts and demonstrate moderate equity market correlation.

THE ROCKEFELLER UNIVERSITY

Notes to Financial Statements

June 30, 2019

(With comparative financial information as of and for the year ended June 30, 2018)

Absolute return represents investments in funds that pursue strategies that do not demonstrate a sustained correlation to public equity markets, such as distressed debt and credit strategies, market neutral strategies, macro strategies, event driven and merger arbitrage strategies, and deep value investing.

Real assets represent investments in funds whose assets attempt to retain their value in inflationary environments and include investments in real estate, commodities, natural resources, and inflation-linked bonds.

Buyout funds represent investments in funds that take negotiated, frequently controlling ownership stakes in companies in the United States and internationally.

Venture capital funds represent investments in companies that are newly formed and which require substantial initial capital.

Real estate funds represent investments in a broad range of commercial and residential real estate properties.

Natural resources and other represent investments in partnerships that invest in a broad range of natural resources, including oil and gas, timber, metals and mining, and power. The other category generally represents private partnerships in credit, royalty, or other nonequity investments.

At June 30, 2019, the University had approximately \$450 million for which capital calls had not been exercised pertaining to alternative investments – private. Such commitments generally have fixed expiration dates or other termination clauses. The University maintains sufficient liquidity to cover such calls. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the balance sheet.

Investment income, net consists of the following as of June 30:

	2019			2018

(4) Endowment Funds

The primary role of the endowment is to advance the research mission of the University through support of the annual operating budget. The University's endowment consists of both donor-restricted endowment funds and funds designated by the University for long-term purposes and is subject to the provision of the *New York Prudent Management of Institutional Funds Act* (NYPMIFA). The University has interpreted NYPMIFA as allowing it to appropriate for expenditure or accumulate so much of a donor-restricted endowment fund as is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument absent explicit donor stipulations to the contrary.

The endowment's assets are invested in marketable securities, including U.S. and global equities and fixed income securities, and partnerships, including long/short equities, absolute return, venture capital, buyout funds, and real assets. The assets are primarily invested by external investment managers through separate accounts or through commingled vehicles, including funds, trusts, and limited partnerships.

The Investment Committee of the University's Board of Trustees (the Committee) is responsible for overseeing the endowment. With the support of the Office of Investments, the Committee establishes the endowment's investment policy and asset allocation, retains and oversees external investment managers, and monitors the implementation and performance of the investment program. The Committee has established a long-term asset allocation policy, which is designed to earn superior investment returns while reducing the risk of permanent impairment of capital. The policy emphasizes (1) a substantial allocation to equity investments; (2) broad diversification of asset class, style, and manager; (3) low correlation to traditional equity market indices; (4) low volatility strategies; and (5) less efficient asset classes. The asset allocation policy is reviewed annually by the Committee. Actual asset allocation is reviewed quarterly by the Committee, which may tactically overweight or underweight a particular asset class.

(a) Spending Policy

The University operates under a modified inflation-based spending formula for operations. This formula consists of 70% of the allowable spending in the prior fiscal year, increased by the rate of inflation (Higher Education Price Index (HEPI)) and 30% of the current year spend rate applied to a 12 quarter average market value. Should endowment returns prove to be insufficient to support this policy, the balance is provided from accumulated capital gains. Should endowment returns exceed the amounts necessary to attain this objective, the balance is reinvested. The applied spending rate was 5.5% as of June 30, 2019 and 2018, respectively. The spending rate appropriation from the portion of the endowment without donor restrictions for the year ended June 30, 2019 was \$76,312,149.

(b) Funds with Deficiencies

From time to time, the fair value of endowment assets may fall below the fund's original value. Deficiencies of this nature are reported in net assets with donor restrictions. As of June 30, 2019, the fair value of two endowment accounts were less than their original donated amount by a total of approximately \$68,350, as follows:

	Original amount	Fair value at June 30 2019	Underwater amount
Underwater fund #1	\$ 51,941	38,957	(12,984)
Underwater fund #2	3,416,397	3,361,031	(55,366)
	\$ 3,468,338	3,399,988	(68,350)

The University applies the aforementioned spending policy to its endowment accounts with deficiencies by utilizing the accumulated gains on the board designated endowment without donor restrictions.

At June 30, 2019 and 2018, net assets associated with endowment funds consisted of the following:

	2019

Additionally, the change in the cumulative (loss) gain is included in net (depreciation) appreciation in fair value of derivative instruments in the accompanying statement of activities and amounted to \$(35,475,815) and \$29,422,410 for the years ended June 30, 2019 and 2018, respectively.

The University commenced a construction project to build a two story research tower over the FDR Drive in New York City. The project was completed in March 2019. The estimated cost of the River Campus project was \$530 million. The University has commitments in the amount of \$12.8 million as of June 30, 2019 related to its capital expansion project.

(8) Retirement Benefits

Pension costs amounted to approximately \$11,309,000 and \$10,970,000 for the years ended June 30, 2019 and 2018, respectively.

In addition to providing pension benefits, the University provides certain healthcare and life insurance benefits for retired faculty and administrative employees who meet certain age and length-of-service requirements upon retirement. The University recognizes the funded status (i.e., the difference between the fair value of plan assets and projected benefit obligations) of its benefit plan as an asset or liability in its balance sheet and recognizes changes in that funded status in the year in which the changes occur through changes in net assets without donor restrictions.

Notes to Financial Statements

June 30, 2019

(With comparative financial information as of and
for the year ended June 30, 2018)

Weighted average assumptions used to calculate the benefits obligation and to determine net periodic pension cost as of and for the years ended June 30 are as follows:

	<u>2019</u>	<u>2018</u>
Discount rate for benefit obligation	3.788 %	4.479 %
Discount rate for net periodic postretirement cost	4.479	4.285
Expected return on plan assets	7.01	7.01

For measurement purposes, an annual rate of 5.9% of increase in the per capita cost of covered healthcare and prescription drug benefits was assumed as of June 30, 2019. The rate was assumed to decrease to an ultimate rate of 4.5% in 2037 and remain at that level thereafter. Assumed healthcare cost trends have a significant effect on the amounts reported for the healthcare plans. A one-percentage-point change in assumed healthcare cost trend rates would have the following effects:

		<u>1-percentage- point increase</u>	<u>1-percentage- point decrease</u>
Effect on total of service and interest cost components	\$	1,859,000	(1,401,000)
Effect on year-end APBO		22,224,000	(17,191,000)

The asset allocation of the postretirement benefit plan as of June 30 was:

	<u>2019</u>	<u>2019 Target</u>	<u>2018</u>	<u>2018 Target</u>
Asset Category:				
Equities	78 %	75 %	79 %	75 %
Fixed income	22	25	21	25
	<u>100 %</u>	<u>100 %</u>	<u>100 %</u>	<u>100 %</u>

The fair value of plan assets as of June 30, 2019 and 2018 includes equity mutual funds of approximately \$21.4 million and \$21.1 million, respectively, and fixed income mutual funds of approximately \$6.2 million and \$5.7 million, respectively.

The Medicare Prescription Drug, Improvement, and Modernization Act of 2003 is reflected assuming that the University will continue to provide a prescription drug benefit to plan participants that is at least actuarially equivalent to Medicare Part D. The University received the federal subsidy until 2018. The amounts do not reflect the effects, if any, of the Patient Protection and Affordable Care Act and Health Care and Reconciliation Act that were enacted in March 2010.

The expected benefits to be paid are based on the same assumptions used to measure the University's benefit obligation at June 30, 2019.

Employer contributions of approximately \$2.8 million are expected to be made in 2020.

(12) Contingent Liabilities

Amounts expended by the University under various government grants and contracts are subject to audit by governmental agencies. In the opinion of management, audit adjustments, if any, will not have a significant effect on the University's financial position.

During 2018, the University retained external legal counsel to investigate a report by a former patient of inappropriate conduct by a former physician at the Rockefeller University Hospital. The University made publicly available the external counsel's report on its investigation. The University also established the Rockefeller Hospital Therapy Fund to provide financial assistance for therapy costs.

The New York Child Victims Act (CVA), which was passed in February 2019, modifies the statute of limitations for civil claims relating to certain childhood abuse claims and creates a one-year window, beginning August 14, 2019, for persons to initiate civil lawsuits. As of June 30, 2019, approximately \$162.9 million has been recorded in the financial statements for CVA settlements, legal fees, investigation costs, and other expenses through October 25, 2019. Such future costs and other expenses relating to this matter cannot be reasonably estimated at this time. The University expects that a number of these claims will be covered by existing insurance coverage and has filed a lawsuit against its insurers to recover proceeds in connection with these claims.

The University is a defendant in various other lawsuits. Management of the University does not expect the ultimate resolution of these actions to have a significant effect on the University's financial position.

(13) Affiliated Entities

The Rockefeller Archive Center

The Rockefeller Archive Center (RAC) was a division of the University. On June 20, 2006, RAC was formed as a separate legal entity with a board of trustees separate and distinct from the University's board of trustees. The University's President participates in RAC's board of trustees.

The University has entered into an agreement whereby it is providing investment services to RAC. Amounts held for others represent the fair value of RAC's units in the University's endowment pool. RAC, upon written notice to the University, may submit a request to redeem all or a portion of the units held by RAC. Each redemption request shall be no less than \$2 million. After receiving the redemption request, the University shall notify RAC of the portion, if any, of the redemption request that is accepted and the manner and timing of payment of the redemption amounts. Pursuant to the terms of the investment services agreement, RAC has no beneficial interest or rights with respect to the University's underlying investments.

Tri-Institutional Therapeutics Discovery Institute

Tri-Institutional Therapeutics Discovery Institute (TDI) is a nonprofit corporation formed in 2013 to further and improve health and the diagnosis, prevention, and treatment of disease through furthering and improving translational research. TDI is controlled and governed by the University and two other leading not-for-profit academic, medical, and research institutions. The University's president and one additional University faculty member participate on TDI's board of directors. The University provides accounting and tax services to TDI on a pro-bono basis.

THE ROCKEFELLER UNIVERSITY

Notes to Financial Statements

(With comparative financial information as of and
for the year ended June 30, 2018)

The collaboration agreement among TDI and the Tri-Institutional members states that each Tri-Institutional member will contribute at least \$1.3 million annually (calendar year basis) in support of TDI's activity. In 2019 and 2018, the University provided funding of \$1,109,000 and \$1,750,000, respectively, to TDI.

Upon such termination, an Authorized Officer of the Authority shall deliver such documents as may be reasonably requested by the University to evidence such termination and the discharge of its duties under the Loan Agreement, and the release or surrender of any security interests granted by the University to the Authority pursuant to the Loan Agreement.

(Section 42)

Construction of Projects

The University agrees that, whether or not there are sufficient moneys available to it under the provisions of the Resolution and under the Loan Agreement, the University shall complete the acquisition, design, construction, reconstruction, rehabilitation and improving or otherwise providing and furnishing and equipping of each Project, substantially in accordance with the Contract Documents relating thereto. Subject to the conditions of the Loan Agreement, the Authority will, to the extent of moneys available in the applicable Construction Fund, cause the University to be reimbursed for, or pay, any costs and expenses incurred by the University which constitute Costs of the Project, provided such costs and expenses are approved by an Authorized Officer of the Authority.

(Section 5)

Amendment of a Project; Cost Increases; Additional Bonds

A Project may be amended by the University with the prior written consent of an Authorized Officer of the Authority to decrease, increase or otherwise modify the scope thereof. Any such increase may provide for the addition of any further acquisition, design, construction, reconstruction, rehabilitation, improving, or otherwise providing furnishing and equipping of a Project which the Authority is authorized to undertake. The University shall provide such moneys or an irrevocable letter of credit or other security in a form acceptable to the Authority as is required for the cost of completing a Project or portion thereof in excess of the moneys in the Construction Fund established for such Project.

(Section 6)

Financial Obligations

Except to the extent that moneys are available therefor under the Resolution or the Loan Agreement, including moneys in the Debt Service Fund (other than moneys required to pay the Redemption Price or purchase price of Outstanding Bonds theretofore called for redemption or contracted to be purchased, plus interest accrued to the date of redemption or purchase), and excluding interest accrued but unpaid on investments held in the Debt Service Fund, the University pursuant to the Loan Agreement unconditionally agrees to pay, so long as Bonds are Outstanding, to or upon the order of the Authority, from its general funds or any other moneys legally available to it:

(a) On or before the date of delivery of the Bonds of a Series, the Authority Fee agreed to by the Authority and the University in connection with issuance of the Bonds of such Series;

(b) On or before the date of delivery of Bonds of a Series, such amount, if any, as is required, in addition to the proceeds of such Bonds available therefor, to pay the Costs of Issuance of such Bonds, and other costs in connection with the issuance of such Bonds;

(c) Three days (or the preceding Business Day if such day is not a Business Day) prior to an interest payment date on Outstanding Variable Interest Rate Bonds, the interest coming due on such Variable Interest Rate Bonds on such interest payment date, assuming that such Bonds will, from and after the next succeeding date on which the rates at which such Bonds bear interest are to be determined, bear interest at a rate per annum equal to the rate per annum for such Bonds on the immediately preceding Business Day, plus one percent (1%) per annum;

(d) On each June 10 immediately preceding the July 1 and on each December 10 immediately preceding the January 1, on which interest becomes due on Outstanding Bonds, other than Variable Interest Rate Bonds, the interest becoming due on such July 1 or January 1 interest payment date for such Bonds;

(e) On each June 10 immediately preceding the July 1 on which the principal or Sinking Fund Installments on any Outstanding Bonds becomes due, the principal and Sinking Fund Installments on the Bonds coming due on such July 1;

(f) At least forty-five (45) days with respect to Bonds other than Option Bonds and Variable Interest Rate Bonds and fifteen (15) days with respect to Option Bonds and Variable Interest Rate Bonds prior to any date on which the Redemption Price or purchase price of Bonds previously called for redemption or contracted to be purchased is to be paid, the amount required to pay the Redemption Price or purchase price of such Bonds;

(g) On December 10 of each Bond Year, one-half (1/2) of the Annual Administrative Fee payable during such Bond Year in connection with each Series of Bonds, and on June 10 of each Bond Year the balance of the Annual Administrative Fee payable during such Bond Year; *provided, however*, that the Annual Administrative Fee with respect to a Series of Bonds payable during the Bond Year during which such Annual Administrative Fee became effective shall be equal to the Annual Administrative Fee with respect to such Series of Bonds multiplied by a fraction the numerator of which is the number of calendar months or parts thereof remaining in such Bond Year and the denominator of which is twelve (12);

(h) Promptly after notice from the Authority, but in any event not later than fifteen (15) days after such notice is given, the amount set forth in such notice as payable to the Authority (i) for the Authority Fee then unpaid, (ii) to reimburse the Authority for payments made by it pursuant to the Loan Agreement and any expenses or liabilities incurred by the Authority pursuant to the Loan Agreement, (iii) to reimburse the Authority for any external costs or expenses incurred by it attributable to the issuance of a Series of Bonds or the financing or construction of a Project, including but not limited to any fees or other amounts payable under a remarketing agreement, a Credit Facility or a Liquidity Facility; (iv) for the costs and expenses incurred to compel full and punctual performance by the University of all the provisions of the Loan Agreement or the Resolution in accordance with the terms thereof, and (v) for the fees and expenses of the Trustee and any Paying Agent in connection with performance of their duties under the Resolution;

(i) Promptly upon demand by an Authorized Officer of the Authority (a copy of which shall be furnished to the Trustee), all amounts required to be paid by the University as a result of an acceleration pursuant to the Loan Agreement;

(j) Promptly upon demand by an Authorized Officer of the Authority, the difference between the amount on deposit in the Arbitrage Rebate Fund available to be rebated in connection with the Bonds of a Series or otherwise available therefor under the Resolution and the amount required to be rebated to the Department of the Treasury of the United States of America in accordance with the Code in connection with the Bonds of such Series;

(k) By 5:00 P.M., New York City time, on the date Option Bonds are tendered for purchase by the Holders thereof or on the date Variable Rate Bonds are subject to mandatory tender for purchase, as the case may be, the amount, in immediately available funds, required to pay the purchase price of Option Bonds or Variable Rate Bonds tendered for purchase and not remarketed or remarketed at less than the principal amount thereof and which is not to be paid from moneys to be made available pursuant to a Liquidity Facility; *provided, however*, that if such notice is given to the University by 10:00 A.M., New York City time, then such amount shall be paid, in immediately available funds, by 12:30 P.M., New York City time, on such day; *provided, further*, that, if such notice is given to the University after 3:00 P.M., New York City time, then such amount shall be paid, in immediately available funds, by 10:00 A.M., New York City time, on the next succeeding day; and

(l) Promptly upon demand by an Authorized Officer of the Authority, all amounts required to be paid by the Authority to a Counterparty in accordance with an Interest Rate Exchange Agreement or to reimburse the Authority for any amounts paid to a Counterparty in accordance with an Interest Rate Exchange Agreement.

Subject to the provisions of the Resolution and the Loan Agreement, the University shall receive a credit against the amount required to be paid by the University during a Bond Year pursuant to paragraph (e) above on account of any Sinking Fund Installments if, prior to the date notice of redemption is given pursuant to the Resolution with respect to Bonds to be redeemed through Sinking Fund Installments during the next succeeding Bond Year, either (i) the University delivers to the Trustee for cancellation one or more Bonds of the Series and maturity to be so redeemed or (ii) the Trustee, at the direction of the Authority, has purchased one or more Bonds of the maturity to be so redeemed from amounts on deposit in the Debt Service Fund in accordance with the Resolution during such Bond Year. The amount of the credit shall be equal to the principal amount of the Bonds so delivered.

The Authority directs the University, and the University agrees, to make the payments required by paragraphs (c), (d), (e), (f), (i) and (j) above directly to the Trustee for deposit and application in accordance with the Resolution, the payments required by paragraph (b) above directly to the Trustee for deposit in a Construction Fund or other fund established under the Resolution, as directed by an Authorized Officer of the Authority, the payments required by paragraphs (a), (g) and (h) above directly to the Authority and the payments required by paragraphs (k) and (l) above to or upon the order of the Authority.

Notwithstanding any provision in the Loan Agreement or in the Resolution to the contrary (except as otherwise specifically provided for in this section), all moneys paid by the University to the Trustee pursuant to the Loan Agreement or otherwise held by the Trustee shall be applied in reduction of the University's indebtedness to the Authority thereunder first with respect to interest and then, with respect to the principal amount of such indebtedness, but only to the extent that, with respect to interest on such indebtedness, such moneys are applied by the Trustee for the payment of interest on Outstanding Bonds, and, with respect to the principal of such indebtedness, such moneys have been applied to, or are held for, payments in reduction of the principal amount of Outstanding Bonds and as a result thereof Bonds have been paid or deemed to have been paid in accordance with the Resolution. Except as otherwise provided in the Resolution, the Trustee shall hold such moneys in trust in accordance with the applicable provisions of the Resolution for the sole and exclusive benefit of the Holders of Bonds, regardless of the actual due date or applicable payment date of any payment to the Holders of Bonds.

The obligations of the University to make payments or cause the same to be made under the Loan Agreement shall be absolute and unconditional and the amount, manner and time of making such payments shall not be decreased, abated, postponed or delayed for any cause or by reason of the happening or non-happening of any event, irrespective of any defense or any right of set-off, recoupment or counterclaim which the University may otherwise have against the Authority, the Trustee or any Bondholder for any cause whatsoever including, without limiting the generality of the foregoing, failure of the University to complete a Project or the completion thereof with defects, failure of the University to occupy or use a Project, any declaration or finding that the Bonds or any Series of Bonds or the Resolution is invalid or unenforceable or any other failure or default by the Authority or the Trustee; *provided, however*, that nothing in the Loan Agreement shall be construed to release the Authority from the performance of any agreements on its part contained in the Loan Agreement or any of its other duties or obligations, and in the event the Authority shall fail to perform any such agreement, duty or obligation, the University may institute such action as it may deem necessary to compel performance or recover damages for non-performance. Notwithstanding the foregoing, the Authority shall have no obligation to perform its obligations under the Loan Agreement to cause advances to be made to reimburse the University for, or to pay, the Costs of a Project beyond the extent of moneys available in the Construction Fund established for such Project.

The Loan Agreement and the obligations of the University to make payments under the Loan Agreement are general obligations of the University.

An Authorized Officer of the Authority, for the convenience of the University, shall furnish to the University statements of the due date, purpose and amount of payments to be made pursuant to the Loan Agreement. The failure to furnish such statements shall not excuse non-payment of the amounts payable under the Loan Agreement at the time and in the manner provided thereby. The University shall notify the Authority as to the amount and date of each payment made to the Trustee by the University.

The Authority shall have the right in its sole discretion to make on behalf of the University any payment required pursuant to the Loan Agreement which has not been made by the University when due. No such payment by the Authority shall limit, impair or otherwise affect the rights of the Authority under the provisions of the Loan Agreement summarized below under the caption “*Defaults and Remedies*” arising out of the University’s failure to make such payment and no payment by the Authority shall be construed to be a waiver of any such right or of the obligation of the University to make such payment.

The University, if it is not then in default under the Loan Agreement, shall have the right to make voluntary payments in any amount to the Trustee. In the event of a voluntary payment, the amount so paid shall be deposited in the Debt Service Fund and applied in accordance with the Resolution or held by the Trustee for the payment of Bonds in accordance with the Resolution. Upon any voluntary payment by the University, the Authority agrees to direct the Trustee to purchase or redeem Bonds in accordance with the Resolution or to give the Trustee irrevocable instructions in accordance with the Resolution with respect to such Series of Bonds; *provided, however*, that in the event such voluntary payment is in the sole judgment of the Authority sufficient to pay all amounts then due under the Loan Agreement and under the Resolution, including the purchase or redemption of all Bonds Outstanding, or to pay or provide for the payment of all Bonds Outstanding in accordance with the Resolution, the Authority agrees, in accordance with the instructions of the University, to direct the Trustee to purchase or redeem all Bonds Outstanding, or to cause all Bonds outstanding to be paid or to be deemed paid in accordance with the Resolution.

Upon receipt of the consent of the holders of majority in principal amount of the Outstanding Bonds, the Proposed Loan Agreement Amendments will become effective and the following subsections of Section 9 of the Loan Agreement summarized below will be amended to add written notice to the Trustee as follows:

Subject to the provisions of the Resolution and the Loan Agreement, the University shall receive a credit against the amount required to be paid by the University during a Bond Year pursuant to paragraph (e) above on account of any Sinking Fund Installments if, prior to the date notice of redemption is given pursuant to the Resolution with respect to Bonds to be redeemed through Sinking Fund Installments during the next succeeding Bond Year, either (i) the University delivers to the Trustee for cancellation one or more Bonds of the Series and maturity to be so redeemed or (ii) the Trustee, at the written direction of the Authority, has purchased one or more Bonds of the maturity to be so redeemed from amounts on deposit in the Debt Service Fund in accordance with the Resolution during such Bond Year. The amount of the credit shall be equal to the principal amount of the Bonds so delivered.

The University, if it is not then in default under the Loan Agreement, shall have the right to make voluntary payments in any amount to the Trustee. In the event of a voluntary payment, the amount so paid shall be deposited in the Debt Service Fund and applied in accordance with the Resolution or held by the Trustee for the payment of Bonds in accordance with the Resolution. Upon any voluntary payment by the University, the Authority agrees to direct the Trustee in writing to purchase or redeem Bonds in accordance with the Resolution or to give the Trustee irrevocable instructions in writing in accordance with the Resolution with respect to such Series of Bonds; *provided, however*, that in the event such voluntary payment is in the sole judgment of the Authority sufficient to pay all amounts then due under the Loan Agreement and under the Resolution, including the purchase or redemption of all Bonds Outstanding, or to pay or provide for the payment of all Bonds Outstanding in accordance with the Resolution, the Authority agrees, in accordance with the instructions of the University, to direct the Trustee in writing to purchase or redeem all Bonds Outstanding, or to cause all Bonds outstanding to be paid or to be deemed paid in accordance with the Resolution.

(Section 9)

Consent to Pledge and Assignment

The University consents to and authorizes the assignment, transfer or pledge by the Authority to the Trustee of (i) the Authority’s rights to receive the payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption “Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments”, (ii) any or all security interests that may be granted by the University under the second paragraph of the provisions of the Loan Agreement summarized below under the caption “Management Consultant” and (iii) all funds and accounts established by the Resolution and pledged thereby in each case to secure any payment or the performance of any obligation of the University under the Loan

Agreement or arising out of the transactions contemplated in the Loan Agreement whether or not the right to enforce such payment or performance shall be specifically assigned by the Authority to the Trustee. The University further agrees that the Authority may pledge and assign to the Trustee any and all of the Authority's rights and remedies under the Loan Agreement. Upon any pledge and assignment by the Authority to the Trustee authorized by this section, the Trustee shall be fully vested with all of the rights of the Authority so assigned and pledged and may thereafter exercise or enforce, by any remedy provided therefor by the Loan Agreement or by law any of such rights directly in its own name. Any such pledge and assignment shall be limited to the Authority's rights (x) to receive payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption "Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments", (y) in any security interest that may be granted by the University pursuant to the second paragraph of the provisions of the Loan Agreement summarized below under the caption "Management Consultant" and (z) to enforce all other obligations required to be performed by the University pursuant to the Loan Agreement. Any realization upon any pledge made or security interest that may be granted in accordance with the second paragraph of the provisions of the Loan Agreement summarized below under the caption "Management Consultant" shall not, by operation of law or otherwise, result in cancellation or termination of the Loan Agreement or the obligations of the University pursuant thereto.

Upon receipt of the consent of the holders of majority in principal amount of the Outstanding Bonds, the Proposed Loan Agreement Amendments will become effective and Section 10 of the Loan Agreement will be amended to delete cross-references to "Management Consultant" and will read as follows:

The University consents to and authorizes the assignment, transfer or pledge by the Authority to the Trustee of (i) the Authority's rights to receive the payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption "*Financial Obligations*" and (iii) all funds and accounts established by the Resolution and pledged thereby in each case to secure any payment or the performance of any obligation of the University under the Loan Agreement or arising out of the transactions contemplated in the Loan Agreement whether or not the right to enforce such payment or performance shall be specifically assigned by the Authority to the Trustee. The University further agrees that the Authority may pledge and assign to the Trustee any and all of the Authority's rights and remedies under the Loan Agreement. Upon any pledge and assignment by the Authority to the Trustee authorized by this section, the Trustee shall be fully vested with all of the rights of the Authority so assigned and pledged and may thereafter exercise or enforce, by any remedy provided therefor by the Loan Agreement or by law any of such rights directly in its own name. Any such pledge and assignment shall be limited to the Authority's rights (x) to receive payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption "*Financial Obligations*" and (y) and to enforce all other obligations required to be performed by the University pursuant to the Loan Agreement. (*Section 10, as proposed to be amended*)

Management Consultant

If at any time the rating on any Outstanding Bonds or on any of the University's long term unsecured, unenhanced debt obligations is reduced by Moody's Investor Service, Inc. ("Moody's") to "A1" or by Fitch, Inc. ("Fitch") or Standard & Poor's Rating Services ("S&P") to "A+", the Authority may request the University to engage, at the University's expense, a Management Consultant, which the University has agreed to engage within 60 days after such request is made; and, if at any time the rating on any Outstanding Bonds or on any of the University's long term unsecured, unenhanced debt obligations is reduced by Moody's to less than "A1" or by Fitch or S&P to less than "A+" or if any rating is suspended or withdrawn by Moody's, Fitch or S&P, the University, at the University's expense, shall and has agreed to engage a Management Consultant within 60 days after such reduction, suspension or withdrawal, unless the Authority has waived such obligation which it may do in its sole discretion. The Management Consultant shall review the fees and tuition, operations and management of the University and any other matter deemed appropriate by the Authority and make such recommendations with respect to such fees and tuition, operations, management and other matters. Copies of the report and recommendations of the Management Consultant shall be filed with the Authority, the Trustee, the Board of Trustees of the University and an Authorized Officer of the University no later than 120 days following the date of engagement of such Management Consultant. The Board of Trustees of the University and such Authorized Officer of the University shall each deliver to the Authority no later

than 60 days following the date of filing with the Authority of the report and recommendations of the Management Consultant a written report setting forth their respective comments and reaction to the report and recommendations of the Management Consultant. The University shall, to the extent feasible, promptly upon its receipt of such recommendations, and subject to applicable requirements or restrictions imposed by law or regulation, revise its tuition, fees and charges, its methods of operation or collections or its debt and investment management and shall take such other action as shall be in conformity with such recommendations. The University shall deliver to the Authority and the Trustee:

(i) within 45 days of receipt of such Management Consultant's report (x) a report setting forth in reasonable detail the steps the University proposes to take to implement the recommendations of such Management Consultant, and (y) a certified copy of a resolution adopted by the Board of Trustees of the University accepting both the Management Consultant's report and the report prepared by the University as required in clause (x) hereof; and

(ii) within 30 days after the end of each calendar quarter a report demonstrating the progress made by the University in implementing the recommendations of the Management Consultant.

Notwithstanding the foregoing provisions of this sections, the University may elect in lieu of engaging a Management Consultant to provide security in form and substance acceptable to the Authority in its sole discretion for the University's obligations under the Loan Agreement or any Liquidity Facility and/or Credit Facility.

Upon receipt of the consent of the holders of majority in principal amount of the Outstanding Bonds, the Proposed Loan Agreement Amendments will become effective and Section 15 of the Loan Agreement will be deleted.

(Section 15)

Tax-Exempt Status of the University

The University represents that: (i) it is an organization described in Section 501(c)(3) of the Code, or corresponding provisions of prior law and is not a "private foundation," as such term is defined under Section 509(a) of the Code; (ii) it has received a letter or other notification from the Internal Revenue Service to that effect; (iii) such letter or other notification has not been modified, limited or revoked; (iv) it is in compliance with all terms, conditions and limitations, if any, contained in such letter or other notification; (v) the facts and circumstances which form the basis of such letter or other notification as represented to the Internal Revenue Service continue to exist; and (vi) it is exempt from federal income taxes under Section 501(a) of the Code.

Upon receipt of the consent of the holders of majority in principal amount of the Outstanding Bonds, the Proposed Loan Agreement Amendments will become effective and Section 16 of the Loan Agreement will be amended to only modify subsection (vi) to read as follows:

(vi) it is exempt from federal income taxes under Section 501(a) of the Code except for payment of unrelated business income tax.

(Section 16, as proposed to be amended)

Use and Control of Projects; Restrictions on Religious Use

Subject to the rights, duties and remedies of the Authority under the Loan Agreement, the University shall have sole and exclusive control and possession of and responsibility for (i) the Projects; (ii) the operation of the Projects and supervision of the activities conducted therein or in connection with any part thereof; and (iii) the maintenance, repair and replacement of the Projects; *provided, however*, that, except as otherwise limited by the Loan Agreement, the foregoing shall not prohibit use of a Project by persons other than the University or its students, staff and employees in furtherance of the University's corporate purposes if such use will not adversely affect the exclusion of interest on any Bonds from gross income for federal income tax purposes.

The University agrees that with respect to any Project or portion thereof, so long as such Project or portion thereof exists and unless and until such Project or portion thereof is sold for the fair market value thereof, such Project or portion thereof shall not be used for sectarian religious instruction or as a place of religious worship or in connection

with any part of a program of a school or department of divinity for any religious denomination; *provided, however*, that the foregoing restriction shall not prohibit the free exercise of any religion; and *provided, further*, that if at any time hereafter, in the opinion of Bond Counsel, the then applicable law would permit a Project or portion thereof to be used without regard to the above stated restriction, said restriction shall not apply to such Project and each portion thereof. The Authority and its agents may conduct such inspections as an Authorized Officer of the Authority deems necessary to determine whether any Project or any portion or real property thereof financed by Bonds is being used for any purpose proscribed by the Loan Agreement. The University further agrees that prior to any disposition of any portion of a Project for less than fair market value, it shall execute and record in the appropriate real property records an instrument subjecting, to the satisfaction of the Authority, the use of such portion of such Project to the restriction that (i) so long as such portion of such Project (and, if included in the Project, the real property on or in which such portion of such Project is situated) shall exist and (ii) until such portion of such Project is sold or otherwise transferred to a person who purchases the same for the fair market value thereof at the time of such sale or transfer, such portion of such Project shall not be used for sectarian religious instruction or as a place of religious worship or used in connection with any part of the program of a school or department of divinity of any religious denomination. The instrument containing such restriction shall further provide that such restriction may be enforced at the instance of the Authority or the Attorney General of the State, by a proceeding in any court of competent jurisdiction, by injunction, mandamus or by other appropriate remedy. The instrument containing such restriction shall also provide that if at any time thereafter, in the opinion of Bond Counsel, the then applicable law would permit such portion of a Project, or the real property on or in which such portion is situated, to be used without regard to the above stated restriction, then said restriction shall be without any force or effect. For the purposes of this section an involuntary transfer or disposition of a Project or a portion thereof, upon foreclosure or otherwise, shall be considered a sale for the fair market value thereof.

(Sections 20 and 21)

Maintenance, Repair and Replacement

The University agrees that, throughout the term of the Loan Agreement, it shall, at its own expense, hold, operate and maintain the Projects in a careful, prudent and economical manner, and keep the same, with the appurtenances and every part and parcel thereof, in good repair, working order and safe condition and shall from time to time make all necessary and proper repairs, replacements and renewals so that at all times the operation of the Projects may be properly and advantageously conducted. The University shall have the right to remove or replace any type of fixtures, furnishings and equipment in the Projects which may have been financed by the proceeds of the sale of Bonds provided the University substitutes for any removed or replaced fixtures, furnishings and equipment, additional fixtures, furnishings and equipment having equal or greater value and utility than the fixtures, furnishings and equipment so removed or replaced.

The University further agrees that it shall pay at its own expense all extraordinary costs of maintaining, repairing and replacing the Projects except insofar as funds are made available therefor from proceeds of insurance, condemnation or eminent domain awards.

(Section 22)

Insurance

(a) The University shall procure and maintain, or cause to be procured and maintained, to the extent reasonably obtainable, from responsible insurers, insurance of the type and in the amounts customarily maintained by institutions providing services similar to those provided by the University. All policies of insurance required by this section shall be primary to any insurance maintained by the Authority.

(b) The University shall, with respect to each Project, at the times specified in the following paragraphs, procure and maintain, or cause to be procured and maintained, to the extent reasonably obtainable, from responsible insurers acceptable to the Authority, the following insurance:

(i) with respect to any building the construction of which shall not have been completed (and until insurance is procured pursuant to subparagraph (ii) below), all risk builders' risk insurance against direct physical loss or damage, or with respect to the acquisition and installation of equipment or machinery, in lieu of all risk builders' risk, an installation floater on an all risk basis. The amount of such insurance shall be on a one hundred per centum (100%) completed value basis on the insurable portion;

(ii) at all times (except during a period when builders' risk insurance is in effect as required by subparagraph (i) above), all risk property insurance against direct physical loss or damage to the Project in an amount not less than one hundred per centum (100%) of the replacement value thereof (such replacement value to be determined on the basis of replacement costs without allowance for depreciation), exclusive of excavations and foundations and similar property normally excluded under New York standard forms; provided, however, that the inclusion of the Project under a blanket insurance policy or policies of the University insuring against the aforesaid hazards in an amount aggregating at least one hundred per centum (100%) of the insurable value of the insured property, exclusive of excavations and foundations and similar property normally excluded under New York standard forms, shall constitute complete compliance with the provisions of this paragraph with respect to the Project; provided, further, that in any event, each such policy shall be in an amount sufficient to prevent the University and the Authority from becoming co-insurers under the applicable terms of such policy;

(iii) at all times, statutory workers' compensation insurance, covering loss resulting from injury, sickness, disability or death of employees and employer's liability insurance with limits of at least \$1,000,000 for each accident, each sickness, and aggregate occupational illness or sickness;

(iv) at all times, statutory disability benefits;

(v) at all times, commercial general liability insurance protecting the Authority and the University against loss or losses from liabilities arising from bodily injury of persons or damage to the property of others caused by accident or occurrence, with limits of not less than \$1,000,000 per accident or occurrence on account of injury to persons or property damage with \$2,000,000 policy aggregate, excluding liability imposed upon the Authority or the University by any applicable workers' compensation law;

(vi) commencing with the date on which the Project or any part thereof is completed or first occupied, or any equipment, machinery, fixture or personal property covered by comprehensive boiler and machinery coverage is accepted, whichever occurs earlier, insurance providing comprehensive boiler and machinery coverage in an amount considered adequate by the Authority, which insurance may include deductible provisions approved by the Authority; and

(vii) each other form of insurance which the University is required by law to provide and such other kinds of insurance in such amounts as from time to time may be reasonably required by the Authority.

(c) Any insurance procured and maintained by the Authority or the University pursuant to this section, including any blanket insurance policy, may include deductible provisions reasonably satisfactory to the Authority and the University. In determining whether or not any insurance required by this section is reasonably obtainable or if the deductible on any such insurance is a reasonable deductible, the Authority may rely solely and exclusively upon the advice and judgment of any insurance consultant chosen by the University and approved by the Authority, and any such decision by the Authority, based upon such advice and judgment, shall be conclusive.

(d) No provision of this section shall be construed to prohibit the University from self-insuring against any risk at the recommendation of any insurance consultant chosen by the University and approved by the Authority; provided, however, that self-insurance plans shall not cover property, plant and equipment. The University shall also cause an annual evaluation of such self-insurance plans to be performed by an independent insurance consultant. The University shall provide adequate funding of such self-insurance if and to the extent recommended by such insurance consultant and approved by the Authority.

(e) Each policy maintained pursuant to this section shall provide that the insurer writing such policy shall give at least thirty (30) days notice in writing to the Authority of the cancellation or non-renewal or material change in the policy unless a lesser period of notice is expressly approved in writing by the Authority. The University,

not later than July 15 of each year, shall provide to the Authority certificate(s) of insurance describing all policies of insurance maintained as of June 30 by the University pursuant to this section stating with respect to each such policy (i) the insurer, (ii) the insured parties or loss payees, (iii) the level of coverage, and (iv) such other information as the Authority may have reasonably requested.

(f) All policies of insurance shall be open to inspection by the Authority and the Trustee or their representatives at all reasonable times. If any change shall be made in any such insurance, a description and notice of such change shall be furnished to the Authority and the Trustee at the time of such change. The University covenants and agrees not to make any change in any policy of insurance which would reduce the coverages or increase the deductible thereunder without first securing the prior written approval of the Authority.

(g) All policies of insurance maintained pursuant to this section, other than policies of workers' compensation insurance, shall include the Authority and the University, as additional insureds or as mortgagee or as loss payee as appropriate.

(h) In the event the University fails to provide the insurance required by this section, the Authority may elect at any time thereafter to procure and maintain the insurance required by this section at the expense of the University. The policies procured and maintained by the Authority shall be open to inspection by the University at all reasonable times, and, upon request of the University, a complete list describing such policies as of the June 30 preceding the Authority's receipt of such request shall be furnished to the University by the Authority.

Upon receipt of the consent of the holders of majority in principal amount of the Outstanding Bonds, the Proposed Loan Agreement Amendments will become effective and Section 23 of the Loan Agreement will be amended to read as follows:

(a) The University agrees to maintain or cause to be maintained insurance with insurance companies or by means or self-insurance, insurance of such type, against such risks and in such amounts as are customarily carried by private colleges and universities located in the State of a nature similar to that of the University, which insurance shall include property damage, fire and extended coverage, public liability and property damage liability insurance in amounts estimated to indemnify the reasonably anticipated damage, loss or liability, subject to reasonable deductible provisions. The University shall at all times also maintain worker's compensation coverage and disability benefits insurance coverage as required by the laws of the State.

(b) If the Authority shall so request in writing, the University shall provide to the Authority summaries or other evidence of its insurance coverage and shall obtain endorsements reasonably requested by the Authority.

(c) In the event the University fails to provide the insurance required by this section, the Authority may elect at any time thereafter to procure and maintain the insurance required by this section at the expense of the University. The policies procured and maintained by the Authority shall be open to inspection by the University at all reasonable times, and, upon request of the University, a complete list describing such policies as of the June 30 preceding the Authority's receipt of such request shall be furnished to the University by the Authority.

(Section 23, as proposed to be amended)

Reports and Financial Information

The University shall, if and when requested by an Authorized Officer of the Authority, render to the Authority and the Trustee reports with respect to all repairs, replacements and maintenance made to each Project. In addition, the University shall, if and when requested by an Authorized Officer of the Authority, render such other reports concerning the condition of each Project as an Authorized Officer of the Authority may request. The University shall also furnish annually, not later than one hundred sixty-five (165) days after the end of the University's fiscal year, to the Trustee, the Authority and to such other parties as an Authorized Officer of the Authority may designate, including Rating Services, (i) a certificate stating whether the University is in compliance with the provisions of the Loan Agreement, (ii) copies of its financial statements audited by a nationally recognized independent public accountant selected by the University and acceptable to an Authorized Officer of the Authority and prepared in conformity with

Upon the occurrence of an Event of Default the Authority may take any one or more of the following actions:

(a) declare all sums payable by the University under the Loan Agreement immediately due and payable;

(b) direct the Trustee to withhold any and all payments, advances and reimbursements from the proceeds of Bonds or any Construction Fund or otherwise to which the University may otherwise be entitled under the Loan Agreement and in the Authority's sole discretion apply any such proceeds or moneys for such purposes as are authorized by the Resolution;

The University shall be liable to the Authority for all sums paid or incurred for construction of any Project whether the same shall be paid or incurred pursuant to the provisions of this paragraph (e) or otherwise, and all payments made or liabilities incurred by the Authority under the Loan Agreement of any kind whatsoever shall be paid by the University to the Authority upon demand. All rights and remedies given or granted to the Authority in the Loan Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the Authority may have or may be given by reason of any law, statute, ordinance or otherwise, and no failure to exercise or delay in exercising any remedy shall effect a waiver of the Authority's right to exercise such remedy thereafter.

At any time before the entry of a final judgment or decree in any suit, action or proceeding instituted on account of any Event of Default or before the completion of the enforcement of any other remedies under the Loan Agreement, the Authority may annul any declaration made or action taken pursuant to the Loan Agreement and its consequences if such Events of Default shall be cured. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereto.

(Section 29, as proposed to be amended)

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

[THIS PAGE INTENTIONALLY LEFT BLANK]

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

The following is a brief summary of certain provisions of the Resolution pertaining to the Bonds and the Project. Such summary does not purport to be complete and reference is made to the Resolution for full and complete statements of such and all provisions. Defined terms used herein shall have the meanings ascribed to them in Appendix A.

Contract with Bondholders

With respect to the Bonds, in consideration of the purchase and acceptance of any and all of the Bonds authorized to be issued under the Resolution by those who shall hold or own the same from time to time, the Resolution shall be deemed to be and shall constitute a contract among the Authority, the Trustee and the Holders from time to time of such Bonds, and the pledge and assignment made in the Resolution and the covenants and agreements set forth to be performed by or on behalf of the Authority shall be for the equal and ratable benefit, protection and security of the Holders of any and all of such Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any such Bonds, over any other Bonds except as expressly provided in or permitted by the Resolution.

(Section 1.03)

Refunding Bonds and Additional Obligations

All or any portion of one or more Series of Refunding Bonds may be authenticated and delivered upon original issuance to refund all Outstanding Bonds, one or more Series of Outstanding Bonds, a portion of a Series of Outstanding Bonds or a portion of a maturity of a Series of Outstanding Bonds. The Authority may issue Refunding Bonds in an aggregate principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of the Resolution and of the Series Resolution authorizing such Series of Refunding Bonds.

The proceeds, including accrued interest, of Refunding Bonds shall be applied simultaneously with the delivery of such Refunding Bonds in the manner provided in or as determined in accordance with the Series Resolution authorizing such Refunding Bonds or the Bond Series Certificate relating to such Series of Refunding Bonds.

The Authority reserves the right to issue bonds, notes or any other obligations or otherwise incur indebtedness pursuant to other and separate resolutions or agreements of the Authority, so long as such bonds, notes or other obligations are not, or such other indebtedness is not, except as provided in the Resolution, entitled to a charge, lien or right prior or equal to the charge or lien created by the Resolution, or prior or equal to the rights of the Authority and Holders of Bonds as provided by the Resolution.

(Sections 2.04 and 2.05)

Pledge of Revenues

The proceeds from the sale of the Bonds, the Revenues, and all funds and accounts established by the Resolution and any Series Resolution, excluding the Arbitrage Rebate Fund and any fund established for the payment of the purchase price of Option Bonds tendered for purchase, are pledged and assigned to the Trustee as security for the payment of the principal and Redemption Price of and interest on the Bonds and as security for the performance of any other obligation of the Authority under the Resolution and any Series Resolution, all in accordance with the provisions of the Resolution and any Series Resolution. The pledge of the Revenues and the assignment of the Authority's security interest therein shall also be for the benefit of each Provider as security for the payment of any amounts payable to such Provider under the Resolution; *provided, however*, that such pledge and assignment shall, in all respects, be subject and subordinate to the rights and interest therein of the Bondholders. The pledge made by the Resolution is valid, binding and perfected from the time when the pledge attaches and the proceeds from the sale of the Bonds, the Revenues and the funds and accounts established by the Resolution and any Series Resolution which are pledged thereby shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid, binding and perfected as against all parties having claims of any kind in tort, contract or

otherwise against the Authority irrespective of whether such parties have notice thereof. No instrument by which such pledge is created nor any financing statement need be recorded or filed. The Bonds shall be special obligations of the Authority payable solely from and secured by a pledge of the proceeds from the sale of the Bonds, the Revenues and the funds and accounts established by the Resolution and are pledged thereby, which pledge shall constitute a first lien thereon.

(Section 5.01)

Establishment of Funds and Accounts

The following funds and separate accounts within funds are established by the Resolution and shall be held and maintained by the Trustee:

Construction Fund;
Debt Service Fund; and
Arbitrage Rebate Fund.

In addition to the accounts and subaccounts, if any, required to be established by the Resolution or by any Series Resolution or any Bond Series Resolution, the Authority may establish such other accounts or subaccounts as it considers necessary or desirable. All moneys at any time deposited in any fund, account or subaccount created and pledged by the Resolution or by any Series Resolution or required thereby to be created shall be held in trust for the benefit of the Holders of Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes provided in the Resolution; *provided, however*, that the proceeds derived from the remarketing of Option Bonds tendered or deemed to have been tendered for purchase in accordance with the Series Resolution authorizing the issuance of such Bonds or the Bond Series Certificate relating to such Bonds or derived from a Liquidity Facility relating to such Bonds, and any fund or account established by or pursuant to such Series Resolution for the payment of the purchase price or of Option Bonds so tendered or deemed to have been tendered, shall not be held in trust for the benefit of the Holders of the Bonds other than such Option Bonds and are pledged by the Resolution for the payment of the purchase price of such Option Bonds.

(Section 5.02)

Application of Bond Proceeds and Allocation Thereof

Upon the receipt of the proceeds from the sale of a Series of Bonds, the Authority shall apply such proceeds as specified in the Resolution and in the Series Resolution authorizing such Series or the Bond Series Certificate relating to such Series.

Accrued interest, if any, received upon the delivery of a Series of Bonds shall be deposited in the Debt Service Fund unless all or any portion of such amount is to be otherwise applied as specified in the Series Resolution authorizing such Series or the Bond Series Certificate relating to such Series.

(Section 5.03)

Application of Moneys in the Construction Fund

As soon as practicable after the delivery of each Series of Bonds, there shall be deposited in the Construction Fund the amount required to be deposited therein pursuant to the Series Resolution authorizing the issuance of such Series or the Bond Series Certificate relating to such Series. Except as otherwise provided in the Resolution and in any applicable Series Resolution or Bond Series Certificate, moneys deposited in the Construction Fund shall be used only to pay the Costs of Issuance and the Costs of the Projects.

Upon receipt by the Trustee of a certificate relating to the completion of a Project, the moneys, if any, then remaining in the Construction Fund relating to such Project, after making provision in accordance with the direction of an Authorized Officer of the Authority for the payment of any Costs of Issuance and Costs of the Project then unpaid, shall be paid or applied by the Trustee as follows and in the following order of priority:

First: Upon the direction of an Authorized Officer of the Authority, to the Arbitrage Rebate Fund, the amount set forth in such direction; and
Second: To the Debt Service Fund, to be applied in accordance with the Resolution, any balance remaining.

(Section 5.04)

Deposit and Allocation of Revenues

The Revenues and any other moneys, which by any of the provisions of the Loan Agreement are required to be paid to the Trustee, shall upon receipt by the Trustee be deposited or paid by the Trustee as follows in the following order of priority:

First: To the Debt Service Fund (i) in the case of Revenues received during the period from the beginning of each Bond Year until December 31 thereof, the amount, if any, necessary to make the amount in the Debt Service Fund equal to (a) the interest on Outstanding Bonds payable on or prior to the next succeeding January 1, including the interest estimated by the Authority to be payable on any Variable Interest Rate Bond on and prior to the next succeeding January 1, assuming that such Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum, (b) the Sinking Fund Installments of Outstanding Option Bonds and Variable Interest Rate Bonds payable on or prior to the next succeeding January 1 and (c) the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption pursuant to the Resolution on or prior to the next succeeding January 1, plus accrued interest thereon to the date of purchase or redemption; and (ii) in the case of Revenues received thereafter and until the end of such Bond Year, the amount, if any, necessary to make the amount in the Debt Service Fund equal to (a) the interest on and the principal and Sinking Fund Installments of Outstanding Bonds payable on and prior to the next succeeding July 1, including the interest estimated by the Authority to be payable on any Variable Interest Rate Bond on and prior to the next succeeding July 1, assuming that such Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum and (b) the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption pursuant to the Resolution on or prior to the next succeeding July 1, plus accrued interest thereon to the date of purchase or redemption;

Second: To reimburse, pro rata, each Provider for Provider Payments which are then unpaid, in proportion to the respective Provider Payments then unpaid to each Provider; and

Third: To the Authority, unless otherwise paid, such amounts as are payable to the Authority for: (i) any expenditures of the Authority for fees and expenses of auditing, and fees and expenses of the Trustee and Paying Agents, all as required by the Resolution, (ii) all other expenditures reasonably and necessarily incurred by the Authority in connection with the financing of the Projects, including expenses incurred by the Authority to compel full and punctual performance of all the provisions of the Loan Agreement in accordance with the terms thereof, and (iii) any fees of the Authority; but only upon receipt by the Trustee of a certificate signed by an Authorized Officer of the Authority, stating in reasonable detail the amounts payable to the Authority pursuant to this paragraph Third.

The Trustee shall notify the Authority and the University promptly after making the payments of any balance of Revenues then remaining on the immediately succeeding July 1. After making the above required payments, the balance, if any, of the Revenues then remaining shall, upon the direction of an Authorized Officer of the Authority, be paid by the Trustee to the Construction Fund or the Debt Service Fund, or paid to the University, in the respective amounts set forth in such direction. Any amounts paid to the University shall be free and clear of any pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

(Section 5.05)

Debt Service Fund

The Trustee shall on or before the Business Day preceding each interest payment date pay to itself and any other Paying Agents out of the Debt Service Fund:

- (a) the interest due and payable on all Outstanding Bonds on such interest payment date;
- (b) the principal amount due and payable on all Outstanding Bonds on such interest payment date; and
- (c) the Sinking Fund Installments or other amounts related to a mandatory redemption, if any, due and payable on all Outstanding Bonds on such interest payment date.

The amounts paid out pursuant to this subdivision shall be irrevocably pledged to and applied to such payments.

Notwithstanding the first paragraph of this subdivision, the Authority may, at any time subsequent to July 1 of any Bond Year but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with moneys on deposit in the Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Term Bonds to be redeemed from such Sinking Fund Installment. Any Term Bond so purchased and any Term Bond purchased by the University and delivered to the Trustee in accordance with the Loan Agreement shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Authority. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date; *provided, however*, that such Term Bond is canceled by the Trustee prior to the date on which notice of redemption is given.

Moneys in the Debt Service Fund in excess of the amount required to pay the principal and Sinking Fund Installments of Outstanding Bonds payable on and prior to the next succeeding July 1, the interest on Outstanding Bonds payable on and prior to the earlier of the next succeeding interest payment date assuming that a Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum, and the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption, plus accrued interest thereon to the date of purchase or redemption, shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to the purchase of Outstanding Bonds of any Series at purchase prices not exceeding the Redemption Price applicable on the next interest payment date on which such Bonds are redeemable, plus accrued and unpaid interest to such date, at such times, at such purchase prices and in such manner as an Authorized Officer of the Authority shall direct. If sixty (60) days prior to the end of a Bond Year an excess, calculated as aforesaid, exists in the Debt Service Fund, such moneys shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority given pursuant to the Resolution to the redemption of Bonds as provided in the Resolution, at the Redemption Prices specified in the applicable Series Resolution authorizing the issuance of the Bonds to be redeemed or the Bond Series Certificate relating to such Bonds.

(Section 5.06)

Arbitrage Rebate Fund

The Trustee shall deposit to the Arbitrage Rebate Fund any moneys delivered to it by the University for deposit therein and, notwithstanding any other provisions of the Resolution, shall transfer to the Arbitrage Rebate Fund, in accordance with the directions of an Authorized Officer of the Authority, moneys on deposit in any other funds held by the Trustee under the Resolution at such times and in such amounts as set forth in such directions.

Moneys on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to make payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Authority shall determine to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Moneys which an Authorized Officer of the Authority determines to be in excess of the amount required to be so rebated shall, first, be applied to reimburse pro rata, each Provider for moneys advanced under a Credit Facility or a Liquidity Facility, including interest thereon, which is then unpaid in proportion to the respective amounts advanced by each Provider, and, then be deposited to any fund or account established under the Resolution in accordance with the directions of such Authorized Officer.

(Section 5.07)

Application of Moneys in Certain Funds for Retirement of Bonds

Notwithstanding any other provisions of the Resolution, if at any time the amounts held in the Debt Service Fund are sufficient to pay the principal or Redemption Price of all Outstanding Bonds and the interest accrued and unpaid and to accrue on such Bonds to the next date on which all such Bonds are redeemable, or to make provision pursuant to the Resolution for the payment of the Outstanding Bonds at the maturity or redemption dates thereof, the Trustee shall so notify the Authority and the University. Upon receipt of such notice, the Authority may (i) direct the Trustee to redeem all such Outstanding Bonds, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Outstanding Bonds in the manner provided for redemption of such Bonds by the Resolution and by each Series Resolution as provided in the Resolution, or (ii) give the Trustee irrevocable instructions in accordance with the Resolution and make provision for the payment of the Outstanding Bonds at the maturity or redemption dates thereof in accordance therewith.

(Section 5.08)

Investment of Funds and Accounts

Moneys held under the Resolution by the Trustee, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee, upon direction of the Authority given or confirmed in writing, signed by an Authorized Officer of the Authority (which direction shall specify the amount thereof to be so invested), in Government Obligations, Federal Agency Obligations Exempt Obligations, and, if not inconsistent with the investments guidelines of a Rating Service applicable to funds held under the Resolution, any other permitted investment; *provided, however*, that each such investment shall permit the moneys so deposited or invested to be available for use at the times at which the Authority reasonably believes such moneys will be required for the purposes of the Resolution *provided, further*, that (x) any Permitted Collateral required to secure any Permitted Investment shall have a market value, determined by the Trustee or its agent periodically, but no less frequently than weekly, at least equal to the amount deposited or invested including interest accrued thereon, (y) the Permitted Collateral shall be deposited with and held by the Trustee or an agent of the Trustee approved by an Authorized Officer of the Authority, and (z) the Permitted Collateral shall be free and clear of claims of any other person.

Permitted Investments purchased as an investment of moneys in any fund or account held by the Trustee under the provisions of the Resolution shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be retained in, credited or charged, as the case may be, to such fund or account.

In computing the amount in any fund or account held by the Trustee under the provisions of this section, Permitted Investments shall be valued at par or the market value thereof, plus accrued interest, whichever is lower.

Notwithstanding anything to the contrary in the Resolution, the Authority, in its discretion, may direct the Trustee to, and the Trustee shall, sell, present for redemption or exchange any investment held by the Trustee pursuant to the Resolution and the proceeds thereof may be reinvested as provided in this section. Except as otherwise provided in the Resolution, the Trustee shall sell at the best price obtainable, or present for redemption or exchange, any investment held by it pursuant to the Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the fund or account in which such investment is held. The Trustee shall advise the Authority and the University on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account under the Resolution and of the details of all investments held for the credit of each fund and account in its custody under the provisions of the Resolution as of the end of the preceding month and as to whether such investments comply with the provisions of the Resolution. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund and account in the previous month.

(Section 6.02)

Creation of Liens

Except as permitted by the Resolution, the Authority shall not create, cause to be created or suffer or permit the creation of any lien or charge prior or equal to that of the Bonds on the proceeds from the sale of the Bonds, the Revenues, the rights of the Authority to receive payments to be made under the Loan Agreement that are to be deposited with the Trustee or the funds and accounts established by the Resolution or by any Series Resolution which are pledged thereby; *provided, however*, that nothing contained in the Resolution shall prevent the Authority from (i) issuing bonds, notes or other obligations or otherwise incurred indebtedness under another and separate resolution so long as the charge or lien created thereby is not prior to the charge or lien created by the Resolution, and (ii) incurring obligations with respect to a Credit Facility or a Liquidity Facility which are secured by a lien upon and pledge of the Revenues of equal priority with the lien created and the pledge made by the Resolution.

(Section 7.06)

Amendment of Loan Agreement

The Loan Agreement may not be amended, changed, modified, altered or terminated so as to materially adversely affect the interest of the Holders of the Outstanding Bonds without the prior written consent of (a) the Holders of at least a majority in aggregate principal amount of the Bonds then Outstanding, or (b) in case less than all of the several Series of Bonds then Outstanding are affected by the modifications or amendments, the Holders of not less than a majority in aggregate principal amount of the Bonds of each Series so affected then Outstanding; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this section; *provided further*, that no such amendment, change, modification, alteration or termination will reduce the percentage of the aggregate principal amount of Outstanding Bonds the consent of the Holders of which is a requirement for any such amendment, change, modification, alteration or termination, or decrease the amount of any payment required to be made by the University under the Loan Agreement that is to be deposited with the Trustee or extend the time of payment thereof.

The Loan Agreement may be amended, changed, modified or altered (i) to make changes necessary or appropriate in connection with the acquisition, construction, reconstruction, rehabilitation and improvement, or otherwise providing, furnishing and equipping of any facilities constituting a part of any Project or to otherwise amend the Project or (ii) with the consent of the Trustee, to cure any ambiguity, or to correct or supplement any provisions contained in the Loan Agreement which may be defective or inconsistent with any other provisions contained in the Resolution or in the Loan Agreement. Except as otherwise provided in this section, the Loan Agreement may be amended, changed, modified or altered without the consent of the Holders of Outstanding Bonds or the Trustee. Prior to execution by the Authority of any amendment, a copy thereof certified by an Authorized Officer of the Authority shall be filed with the Trustee.

For the purposes of this section, the purchasers of the Bonds of a Series, whether purchasing as underwriters, for resale or otherwise, upon such purchase from the Authority, may consent to an amendment, change, modification, alteration or termination permitted by this section in the manner provided herein, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; *provided, however*, that, if such consent is given by a purchaser who is purchasing as an underwriter or for resale, the nature of the amendment, change, modification, alteration or termination and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the primary offering of the Bonds of such Series. In addition, the Holder of an Outstanding Auction Rate Bond shall be deemed to have consented to an amendment, change, modification, alteration or termination permitted by this section, if (i) the Trustee has mailed notice of such proposed amendment to the Holder of such Bonds in the same manner required by the Resolution for an amendment to the Resolution, (ii) on the first Auction Date for such Bond occurring at least 20 days after the date on which the aforementioned notice is given by the Trustee the interest rate determined on such date is the Winning Bid Rate and (iii) there is delivered to the Authority and the Trustee an opinion of Bond Counsel to the effect that such amendment shall not adversely affect the validity of such Auction Rate Bond or any exemption from federal income tax to which the interest on such Auction Rate Bond would otherwise be entitled. As used in this paragraph the following terms shall have the respective meanings: "Auction Rate Bond" means a Variable Interest Rate Bond that is not an Option Bond, and that bears interest at rates determined by

periodic auctions in accordance with procedures therefore established by the Series Resolution authorizing such Bond or the Bond Series Certificate related thereto; “*Auction Date*” means, with respect to particular any Auction Rate Bond, the date on which an auction is held or required to be held for such Bond in accordance with the procedures established therefore; and “*Winning Bid Rate*” when used with respect to an auction held for any particular Auction Rate Bond, shall have the meaning given to such term in the Series Resolution authorizing such Auction Rate Bond or the Bond Series Certificate related thereto, or, if not otherwise defined, means the lowest rate specified in any purchase bid submitted in such auction, which, if selected, would cause the aggregate principal amount of Auction Bonds offered to be sold in such auction to be subject to purchase bids at rates no greater than the rate specified in such purchase bid. For the purposes of this section, a Series shall be deemed to be adversely affected by an amendment, change, modification or alteration of the Loan Agreement if the same adversely affects or diminishes the rights of the Holders of the Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series would be adversely affected in any material respect by any amendment, change, modification or alteration, and any such determination shall be binding and conclusive on the University, the Authority and all Holders of Bonds.

For the purposes of this section, the Trustee shall be entitled to rely upon an opinion of counsel, which counsel shall be satisfactory to the Trustee, with respect to whether any amendment, change, modification or alteration adversely affects the interests of any Holders of Bonds then Outstanding in any material respect.

(Section 7.11)

Modification and Amendment of Resolution Without Consent

The Authority may adopt at any time or from time to time Series Resolutions or Supplemental Resolutions for any one or more of the following purposes, and any such Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority:

- (a) To provide for the issuance of a Series of Bonds pursuant to the provisions of the Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;
- (b) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;
- (c) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;
- (d) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of the Resolution, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;
- (e) To confirm, as further assurance, any pledge under the Resolution, and the subjection to any lien, claim or pledge created or to be created by the provisions of the Resolution, of the Revenues or of any other moneys, securities or funds;
- (f) To modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution or Series Resolution shall cease to be Outstanding, and all Bonds issued under such resolutions shall contain a specific reference to the modifications contained in such subsequent Resolutions; or
- (g) To modify or amend a Project; or
- (h) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision in the Resolution or to insert such provisions clarifying matters or questions arising under the Resolution as are necessary

or desirable, provided that any such modifications are not contrary to or inconsistent with the Resolution as theretofore in effect, or to modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respect, provided that such modification shall not adversely affect the interests of the Holders in any material respect.

(Section 9.01)

Supplemental Resolutions Effective With Consent of Bondholders

The provisions of the Resolution may also be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of Bondholders in accordance with and subject to the provisions of the Resolution, such Supplemental Resolution to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority.

(Section 9.02)

Powers of Amendment

Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds under the Resolution, in any particular, may be made by a Supplemental Resolution, with the written consent given as set forth in the provision of the Resolution summarized below under the caption "*Consent of Bondholders*", (i) of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of Holders of at least a majority in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, or (iii) in case the modification or amendment changes the amount or date of any Sinking Fund Installment, of the Holders of at least a majority in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof, or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this section, a Series shall be deemed to be affected by a modification or amendment if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds. The Trustee may receive an opinion of counsel, including an opinion of Bond Counsel, as conclusive evidence as to whether Bonds of any particular Series or maturity would be so affected by any such modification or amendment of the Resolution.

(Section 10.01)

Consent of Bondholders

The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of the Resolution to take effect when and as provided in the Resolution. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee) together with a request to the Holders for their consent thereto in form satisfactory to the Trustee, shall promptly after adoption to be mailed by the Authority to the Holders (but failure to mail such copy and request will not affect the validity of the Supplemental Resolution when consented to as provided below). Such Supplemental Resolution shall not be effective unless and until (i) there shall been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in the provision of the Resolution summarized above under the caption "*Powers of Amendment*" and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is

authorized or permitted thereby, and is valid and binding upon the Authority and enforceable in accordance with its terms, and (ii) a notice shall have been mailed as provided in this section. Each such consent shall be effective only if accompanied by proof of the holding or owning at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the Resolution. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with the Resolution shall be conclusive that the consents have been given by the Holders described in such certificate or certificates of the Trustee. Any consent shall be binding upon the Holder of the Bonds giving such consent and, anything in the Resolution to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee provided for below is filed, such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority and the Trustee a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this section, shall be given to the Bondholders by the Authority by mailing such notice to the Bondholders and, at the discretion of the Authority, by publishing the same at least once not more than ninety (90) days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution and the written statement of the Trustee hereinabove provided for is filed (but failure to publish such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this paragraph provided). Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Trustee, each Paying Agent and the Holders of all Bonds upon the filing with the Trustee of proof of the mailing of such notice or at the expiration of thirty (30) days after the filing with the Trustee of the proof of the first publication of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; *provided, however*, that the Authority, the Trustee and any Paying Agent during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

(Section 10.02)

Modifications by Unanimous Consent

The terms and provisions of the Resolution and the rights and obligations of the Authority and of the Holders of the Bonds under the Resolution may be modified or amended in any respect upon the adoption and filing with the Trustee by the Authority of a copy of a Supplemental Resolution certified by an Authorized Officer and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in the Resolution, except that no notice to Bondholders either by mailing or publication shall be required.

The purchasers of the Bonds of a Series, whether purchasing as underwriters, for resale or otherwise, upon such purchase from the Authority, may consent to a modification or amendment permitted by certain sections of the Resolution in the manner provided therein, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; provided, however, that, if such consent is given by a purchaser who is purchasing as an underwriter or for resale, the nature of the modification or amendment and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the primary offering of the Bonds of such Series by the Authority.

(Section 10.03)

Events of Default

Each of the following constitutes an “event of default” under the Resolution and each Series Resolution if:

(a) Payment of the principal, Sinking Fund Installment or Redemption Price of or interest on any Bond shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or

(b) The Authority shall default in the due and punctual performance of any covenants contained in the Series Resolution authorizing the issuance thereof, and, as a result thereof, the interest on the Bonds of a Series shall no longer be excludable from gross income under Section 103 of the Code; or

(c) The Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Resolution or in the Bonds or in any Series Resolution on the part of the Authority to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, or, if such default is not capable of being cured within thirty (30) days, if the Authority fails to commence to cure such default within said thirty (30) days and diligently prosecutes the cure thereof; or

(d) The Authority shall have notified the Trustee that an “Event of Default”, as defined in the Loan Agreement shall have occurred and is continuing and all sums payable by the University under the Loan Agreement shall have been declared to be immediately due and payable, which declaration shall not have been annulled and the Authority shall have notified the Trustee of such “Event of Default.”

(Section 11.02)

Acceleration of Maturity

Upon the happening and continuance of any event of default (other than under paragraph (b) of the provision of the Resolution summarized above under the caption “*Event of Default*”), then and in every such case the Trustee may, and upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds shall, by a notice in writing to the Authority, declare the principal of and interest on all of the Outstanding Bonds to be immediately due and payable. At the expiration of thirty (30) days from the giving of notice of such declaration, such principal and interest shall become and be immediately due and payable, anything in the Resolution or in the Bonds or any Series Resolution to the contrary notwithstanding. At any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Resolution, the Trustee shall, with the written consent of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds not then due by their terms and then Outstanding, by written notice to the Authority, annul such declaration and its consequences if: (i) moneys shall have accumulated in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last interest payment date); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and any Paying Agent; (iii) all other amounts then payable by the Authority under the Resolution and under each Series Resolution (other than principal amounts payable only because of a declaration and acceleration under this section) shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained in the Resolution, the Series Resolution or in the Bonds (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this section) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

(Section 11.03)

Enforcement of Remedies

Upon the happening and continuance of any event of default, then and in every such case, the Trustee may proceed, and, upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds or, in the case of the happening and continuance of an Event of Default described in paragraph (b) of the provision of the Resolution summarized above under the caption “*Event of Default*”, upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall proceed (subject to the provisions of the Resolution regarding indemnification of the Trustee), to protect and enforce its rights and the rights of the Holders of the Bonds under the laws of the State or under the Resolution or under any Series Resolution by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained under the Resolution or any Series Resolution or in aid or execution of any power therein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under the Resolution and under each Series Resolution the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Authority for principal or interest or otherwise under any of the provisions of the Resolution or of any Series Resolution or of the Bonds, with interest on overdue payments of the principal or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings under the Resolution and under any Series Resolution and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Authority but solely as provided in the Resolution and in any Series Resolution and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable.

(Section 11.04)

Priority of Payments After Default

If at any time the moneys held by the Trustee under the Resolution and under each Series Resolution shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of the Resolution), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in the Resolution or otherwise, shall be applied (after first depositing in the Arbitrage Rebate Fund all amounts required to be deposited therein and then paying all amounts owing to the Trustee under the Resolution) as follows:

(a) Unless the principal of all the Bonds has become or been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due, in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all amounts due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds has become or been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in the Bonds.

The provisions of this section are in all respects subject to the provisions of the Resolution.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. The setting aside of such moneys in trust for application in accordance with this section shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such moneys so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of the Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be on an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement.

(Section 11.05)

Termination of Proceedings

In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Authority, the Trustee, each Provider, the University and the Bondholders shall be restored to their former positions and rights under the Resolution, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

(Section 11.06)

Bondholders' Direction of Proceedings

Anything in the Resolution to the contrary notwithstanding, the Holders of a majority in principal amount of the Outstanding Bonds or in the case of an event of default described in subparagraph (c) under the heading "Event of Default" above, the Holders of a majority in principal amount of the Outstanding Bonds of the Series affected thereby shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee under the Resolution and under each Series Resolution, provided such direction shall not be otherwise than in accordance with law or the provisions of the Resolution and of each Series Resolution and the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

(Section 11.07)

Limitation of Rights of Individual Bondholders

No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Resolution, or for any other remedy under the Resolution unless such Holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds, or, in the case of an event of default under paragraph (b) of the provision of the Resolution summarized above under the caption "*Event of Default*", the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Resolution or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to

be conditions precedent to the execution of the powers and trusts of the Resolution or for any other remedy under the Resolution and in equity or at law. It is understood and intended that no one or more Holders of the Bonds secured by the Resolution shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Resolution or to enforce any right under the Resolution except in the manner provided in the Resolution, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds. Notwithstanding any other provision of the Resolution, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(Section 11.08)

Defeasance

If the Authority shall pay or cause to be paid to the Holders of the Bonds of a Series the principal, Sinking Fund Installments, if any, or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, in the Resolution, and in the applicable Series Resolution and Bond Series Certificate, then the pledge of the Revenues or other moneys and securities pledged to such Bonds and all other rights granted by the Resolution to such Bonds shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Authority, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Authority, and all moneys or securities held by it pursuant to the Resolution and to the applicable Series Resolution which are not required for the payment or redemption of Bonds of such Series shall be paid or delivered by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University. The securities so paid or delivered shall be released from any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

Bonds for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit of moneys for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in the preceding paragraph. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in the preceding paragraph if (a) in case any of such Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in the Resolution notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, (c) the Trustee shall have received the written consent to such defeasance of each Provider which has given written notice to the Trustee and the Authority that amounts advanced under a Credit Facility or Liquidity Facility issued by it or the interest thereon have not been repaid to such Provider, and (d) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at their last known addresses appearing on the registration books, and, if directed by an Authorized Officer of the Authority, by publication, at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this section in the manner provided in the Resolution. Neither the Defeasance Securities nor moneys deposited with the Trustee pursuant to this section nor principal or interest payments on any such Defeasance

Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds; *provided, however*, that any moneys received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on such Bonds on and prior to such redemption date or maturity date thereof, as the case may be; *provided further*, that moneys and Defeasance Securities may be withdrawn and used by the Authority for any purpose upon (i) the simultaneous substitution therefor of either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide moneys which without regard to reinvestment, together with the moneys, if any, held by or deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (ii) receipt by the Trustee of a letter or other written report of a firm of independent certified public accountants verifying the accuracy of the arithmetical computations which establish the adequacy of such moneys and Defeasance Securities for such purpose. Any income or interest earned by, or increment to, the investment of any such moneys so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required by the Resolution to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, be paid by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University, and any such moneys so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

For purposes of determining whether Variable Interest Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of moneys, or Defeasance Securities and moneys, if any, in accordance with clause (b) of the preceding paragraph, the interest to come due on such Variable Interest Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate permitted by the terms thereof; *provided, however*, that if on any date, as a result of such Variable Interest Rate Bonds having borne interest at less than such Maximum Interest Rate for any period, the total amount of moneys and Defeasance Securities on deposit with the Trustee for the payment of interest on such Variable Interest Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Interest Rate Bonds in order to satisfy clause (b) of the preceding paragraph, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

Option Bonds shall be deemed to have been paid in accordance with the second paragraph of this section only if, in addition to satisfying the requirements of clauses (a) and (b) above, there shall have been deposited with the Trustee moneys in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; *provided, however*, that if, at the time a deposit is made with the Trustee pursuant to the second paragraph of this section, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph. If any portion of the moneys deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

Anything in the Resolution to the contrary notwithstanding, any moneys held by the Trustee in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for one (1) year after the date when all of the Bonds of such Series have become due and payable either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee at such date, or for one (1) year after the date of deposit of such moneys if deposited with the Trustee, after such date when all of the Bonds of such Series become due and payable, shall, at the written request of the Authority, be repaid by the Trustee to the Authority as its

absolute property and free from trust, and the Trustee shall thereupon be released and discharged and the Holders shall look only to the Authority for payment of such Bonds; *provided, however*, that, before being required to make any such payment to the Authority, the Trustee may, at the expense of the Authority cause to be published in an Authorized Newspaper a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after the date of publication of such notice, the balance of such moneys then unclaimed shall be returned to the Authority.

(Section 12.01)

Tax Exemption; Rebates

In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Bonds of such Series as the Authority may designate, the Authority shall comply with the provisions of the Code applicable to the Bonds of such Series, including without limitation the provisions of the Code relating to the computation of the yield on investments of the “gross proceeds” of the Bonds of such Series, as such term is defined in the Code, reporting of earnings on such gross proceeds of the Bonds of such Series, and rebates on such gross proceeds to the Department of the Treasury of the United States of America. In furtherance of the foregoing, the Authority shall comply with the Tax Certificate with respect to such Series of Bonds.

The Authority shall not take any action or fail to take any action, which would cause the Bonds of such Series to be “arbitrage bonds” within the meaning of Section 148(a) of the Code; nor shall any part of the proceeds of the Bonds of such Series be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond of such Series to be an “arbitrage bond” within the meaning of Section 148(a) of the Code.

The Authority shall make any and all payments required to be made to the United States Department of the Treasury in connection with the Bonds of such Series pursuant to Section 148(f) of the Code from amounts on deposit in the Arbitrage Rebate Fund and available therefor.

**FORM OF APPROVING OPINION OF BOND COUNSEL
RELATING TO THE SERIES 2020A BONDS**

[Date of Issuance]

Dormitory Authority of the
State of New York
515 Broadway
Albany, New York 12207

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$40,985,000 aggregate principal amount of The Rockefeller University Revenue Bonds, Series 2020A (the “Series 2020A Bonds”), by the Dormitory Authority of the State of New York (the “Authority”), a body corporate and politic constituting a public benefit corporation of the State of New York, created and existing under and pursuant to the Constitution and statutes of the State of New York, including the Dormitory Authority Act, being Title 4 of Article 8 of the Public Authorities Law of the State of New York, as amended to the date hereof, including, without limitation, by the Healthcare Financing Consolidation Act, being Title 4-B of the Public Authorities Law of the State of New York, as amended to the date hereof (the “Act”). We have also examined such certificates, documents, records and matters of law as we have deemed necessary for the purpose of rendering the opinions hereinafter set forth.

The Series 2020A Bonds are issued under and pursuant to the Act, The Rockefeller University Revenue Bond Resolution of the Authority, adopted October 31, 2001 (the “Resolution”), the Series 2020A Resolution Authorizing a Series of The Rockefeller University Revenue Bonds, adopted March 6, 2019 (the “Series Resolution”), the Bond Series Certificate, dated as of April 21, 2020, executed by the Authority in connection with the sale and issuance of the Series 2020A Bonds (the “Bond Series Certificate”). Said resolutions and the Bond Series Certificate are herein collectively called the “Resolutions.” Unless otherwise defined herein, capitalized terms used herein have the respective meanings given to them in the Resolutions.

The Series 2020A Bonds are part of an issue of bonds of the Authority (the “Bonds”) which the Authority has established and created under the terms of the Resolution and is authorized to issue from time to time for the purposes authorized by the Act and the Resolution, as then in effect, and without limitation as to amount, except as provided in the Resolutions or as may be limited by law. The Series 2020A Bonds are being issued for the purposes set forth in the Resolutions.

The Authority is authorized to issue Bonds, in addition to the Series 2020A Bonds, only upon the terms and conditions set forth in the Resolution and such Bonds, when issued, will with the Series 2020A Bonds be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

The Series 2020A Bonds are issuable in the form of fully registered Bonds in the denomination of \$5,000 or integral multiples thereof. The Series 2020A Bonds are each numbered consecutively from one upward in order of issuance.

The Series 2020A Bonds are dated the date hereof and mature on July 1 and bear interest, payable July 1, 2020 and semiannually thereafter on January 1 and July 1 of the years and at the respective principal amounts and rates per annum set forth below.

\$40,985,000 Series 2020A

Maturing July 1	Principal Amount	Interest Rate
2053	\$40,985,000	5.000%

The Series 2020A Bonds are subject to optional, special and mandatory redemption, and purchase in lieu of optional redemption prior to maturity as provided in the Resolutions.

The Series 2020A Bonds are being issued to (i) refund all of the Authority's The Rockefeller University Revenue Bonds, Series 2010A, currently outstanding in the aggregate principal amount of \$50,000,000, and (ii) pay certain Costs of Issuance of the Series 2020A Bonds.

The Authority and The Rockefeller University (the "University") have entered into an Amended and Restated Loan Agreement, dated as of October 31, 2001, as amended and restated on April 7, 2008 (the "Amended and Restated Loan Agreement"), by which the University is required to make payments sufficient to pay, when due, the principal and Redemption Price of and interest on the Outstanding Bonds, including the Series 2020A Bonds as well as a part of the Authority's annual administrative expenditures and costs. All amounts payable under the Amended and Restated Loan Agreement for payment of the principal or Redemption Price of or interest on the Bonds are required to be paid to the Trustee under the Resolution and have been pledged by the Authority for the benefit of the Holders of the Bonds, including the Series 2020A Bonds.

We are of the opinion that:

1. The Authority is a body corporate and politic constituting a public benefit corporation of the State of New York, with the right and lawful authority and power to adopt the Resolutions and to issue the Series 2020A Bonds thereunder.

2. The Series Resolution has been duly adopted by the Authority in accordance with the provisions of the Resolution and is authorized and permitted by the Resolution. The Resolutions have been duly and lawfully adopted by the Authority, are in full force and effect and are legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms.

3. The Series 2020A Bonds have been duly and validly authorized and issued in accordance with the Constitution and statutes of the State of New York, including the Act, and in accordance with the Resolutions. The Series 2020A Bonds are legal, valid and binding special obligations of the Authority payable as provided in the Resolutions, are enforceable in accordance with their terms and the terms of the Resolutions and are entitled, together with all other Bonds issued under the Resolutions, to the equal benefits of the Resolutions and the Act.

4. The Authority has the right and lawful authority and power to enter into the Amended and Restated Loan Agreement and the Amended and Restated Loan Agreement has been duly authorized, executed and delivered by the Authority and constitutes a legal, valid and binding obligation of the Authority enforceable in accordance with its terms.

5. The Internal Revenue Code of 1986, as amended (the "Code") sets forth certain requirements that must be met subsequent to the issuance and delivery of the Series 2020A Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2020A Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2020A Bonds. The Authority has covenanted in the Series Resolution and the Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code (the "Tax Certificate") and the University has covenanted in the Amended and Restated Loan Agreement and the Tax Certificate to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2020A Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the University have made certain representations and certifications in the Tax Certificate. We have also relied on the opinion of counsel to the University as to the status of the University as an organization described

in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. We have not independently verified the accuracy of those certifications and representations or that opinion.

Under existing law and assuming compliance with the tax covenants described herein, and the accuracy of the aforementioned representations and certifications, interest on the Series 2020A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

6. Under existing law, interest on the Series 2020A Bonds is exempt, by virtue of the Act, from personal income taxes of the State of New York or any political subdivision thereof.

Except as stated in paragraphs 5 and 6 above, we express no opinion as to any other federal, state or local tax consequences of the ownership or disposition of the Series 2020A Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Series 2020A Bonds, or the interest thereon, if any action is taken with respect to the Series 2020A Bonds or the proceeds thereof upon the advice or approval of other counsel.

We have examined an executed Series 2020A Bond and, in our opinion, the form of said Bond and its execution are regular and proper.

The opinions contained in paragraphs 2, 3 and 4 above are qualified to the extent that the enforceability of the Resolutions, the Amended and Restated Loan Agreement and the Series 2020A Bonds may be limited by bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally or as to the availability of any particular remedy.

In connection with the delivery of this opinion, we are not passing upon the authorization, execution and delivery of the Amended and Restated Loan Agreement by the University. We have assumed the due authorization, execution and delivery of the Amended and Restated Loan Agreement by the University.

Very truly yours,

Notwithstanding any replacement or appointment of a successor, the Obligated Person shall remain liable until payment in full for any and all sums owed and payable to the Disclosure Dissemination Agent. The Disclosure Dissemination Agent may resign at any time by providing thirty days' prior written notice to the Obligated Person.

SECTION 10. Remedies in Event of Default.

In the event of a failure of the Obligated Person or the Disclosure Dissemination Agent to comply with any provision of this Disclosure Agreement, the Holders' rights to enforce the provisions of this Disclosure Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the parties' obligation under this Disclosure Agreement. Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Bonds or under any other document relating to the Bonds, and all rights and remedies shall be limited to those expressly stated herein.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. SECTION 13. Amendment; Waiver.

Notwithstanding any other provision of this Disclosure Agreement, the Obligated Person, the Trustee and the Disclosure Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to each of the Obligated Person, the Trustee and the Disclosure Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of Holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided none of the Obligated Person, the Trustee or the Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.
