\* For the purposes of calculating the Annual Administrative Fee, if the borrower is reimbursed for all new money proceeds at the closing the lower basis points applicable after the first 3 bond years will be applicable for the entire term.

\*\* For variable rates that are set for periods of three years or more, the Annual Administrative Fee will be calculated as if the transaction was fixed rate.

2. The DASNY fee is charged on a per issuance basis and will be allocated among all participants in a pooled issuance.
3. All transaction types in the foregoing fee schedule can be in the form of a private placement or public offering.
4. Notwithstanding the foregoing fee schedule: (a) all clients undertaking small publicly offered transactions (\$20 million or less) will be charged a fee of \$100,000 or \$125,000 depending on the nature of the financing; (b) clients participating in pooled transactions (except Public School Districts) comprised of multiple not-for-profit participants will be charged fees totaling \$150,000 for three participants and an additional \$30,000 for each additional participant and divided equally among each of the participants; and (c) staff of DASNY is hereby permitted to consider alternative fee structures based on the unique circumstances of the client or of the proposed transaction; provided, however, that no such alternative fee schedule shall be utilized in any transaction until the Board has approved the same.
5. For new financings, up to 10 years of annual administrative fees may be capitalized upfront at closing from bond proceeds. Such capitalized fees are nonrefundable. For new financings, if the client is subject to the \$250,000 and \$600,000 fee caps and capitalizes the administrative

fees, such caps will be offset each year by the amount attributable to the annual portion of the capitalized administrative fee.

6. For those financing transactions determined by staff to be Complex/Start-up/Obligated Group transactions, the Staff Report requesting the adoption of documents shall state that staff has determined that DASNY fee for that transaction shall be subject to the \$200,000 minimum.
7. The Board hereby authorizes staff of DASNY to charge additional fees to clients for costs associated with unusual situations or extraordinary needs, including: inter-creditor agreements, mortgage releases, changes in security, debt defeasance, mergers and acquisitions, conversions, restructurings and letter of credit substitutions.
8. For financing transactions that include multiple issuances using the same financing documents and substantially the same official statement and where staff effort on the subsequent issuances is limited to a routine closing, an additional DASNY Fee of \$15,000 (minimum) will be charged for each additional issuance.
9. The aforementioned fee structure will be approved at the Annual Budget process and at other times deemed appropriate and will be utilized until further amended by Resolution of the Board.
10. This Resolution shall take effect immediately.
