(a) If the Bonds to be refunded are to be redeemed, irrevocable instructions to the Trustee, satisfactory to it, to give due notice of redemption of all the Bonds, as the case may be, to be refunded on a redemption date specified in such instructions;

(b) Irrevocable instructions to the Trustee, satisfactory to it, to mail the notice provided for in Section 12.01 hereof to the Holders of the Bonds being refunded;

(c) Either or both of (1) moneys in an amount sufficient to effect payment of the principal at the maturity date therefor or the Redemption Price on the applicable redemption date of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which money shall be held by the Trustee or any one or more of the Paying Agents or such other fiduciary appointed by the Authority in a separate account irrevocably in trust for and assigned to the respective Holders of the Applicable Bonds to be refunded and (2) Defeasance Securities in such principal amounts, of such maturities, bearing such interest and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 12.01 hereof or the resolution authorizing such Bonds, as may be applicable, which Defeasance Securities and moneys shall be held in trust and used only as provided in said Section; and

(d) A certificate of the Authority containing such additional statements as may be reasonably necessary to show compliance with the requirements of this Section.

The proceeds, including accrued interest, of such Refunding Bonds shall be applied simultaneously with the delivery of such Refunding Bonds in the manner provided in or determined in accordance with the Series Resolution authorizing such Refunding Bonds.

(ii) With respect to the Refunding Bonds issued to refund all or any portion of any bonds or other obligations issued by the Authority, the proceeds, including accrued interest, shall be applied simultaneously with the delivery of such Refunding Bonds in the manner provided or as determined in accordance with the resolution or resolutions authorizing such bonds or other obligations.

Section 2.05 Additional Obligations. The Authority reserves the right to issue bonds, notes or any other obligations or otherwise incur indebtedness pursuant to other and separate resolutions or agreements of the Authority, so long as such bonds, notes or other obligations are not, or such other indebtedness is not, entitled to a charge or lien or right prior or equal to the charge or lien created hereby and pursuant to any Applicable Series Resolution, or prior or equal to the rights of the Authority and Holders of any Applicable Series of Bonds provided hereby or with respect to the moneys pledged hereunder or pursuant to any Applicable Series Resolution.

ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.01 Place and Medium of Payment. The Bonds of any Applicable Series shall be payable, with respect to interest, principal, Sinking Fund Installments and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Principal, Sinking Fund Installments and Redemption Price of the Bonds of an Applicable Series shall be payable at the principal corporate trust office of the Trustee. Except as otherwise provided in the Applicable Series Resolution authorizing the issuance of Variable Interest Rate Bonds or the Applicable Bond Series Certificate related to such bonds, interest on such Series of Bonds, interest on Bonds of an Applicable Series shall be paid by check or draft mailed to the registered owner thereof at the address thereof as it appears on the Bond registry books of the Authority, provided, however, that so long as the Bonds of an Applicable Series are no longer held in book-entry only form, interest on registered Bonds of an Applicable Series may be authorized to be paid, at the option of the registered owner of at least one million dollars (\$1,000,000) in principal amount of Bonds of such Series, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has, not less than five (5) days prior to the Record Date for such Bonds, directed the Trustee to wire such interest payment. For purposes of this Section, interest is payable to the registered owner of a Bond of a Series at the close of business on the Record Date for such Bond.

All payments of principal, Sinking Fund Installments or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds in connection with which such payment is made.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons. Any Applicable Series Resolution may contain such additional provisions regarding the registration, transfer and exchange of Bonds of such Series as are not inconsistent herewith.

Bonds of each Series issued prior to the first interest payment date thereof shall be dated as of the date specified in the Applicable Series Resolution authorizing the issuance thereof or the Applicable Bond Series Certificate. Bonds of each Applicable Series issued on or subsequent to the first interest payment date thereof shall be dated as of the interest payment date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an interest payment date,

in which case they shall be dated as of such date of authentication; provided, however, that if, as shown by the records of the Trustee, interest on the Bonds of the Applicable Series shall be in default, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered. Bonds of each Series shall bear interest from their date.

For all purposes of the Act relating to or dealing with the date of the Bonds of any Applicable Series, such Bonds of any such Series shall be deemed to be dated as of the date provided for the Bonds of such Series in the manner provided in the Applicable Series Resolution authorizing the issuance thereof or in the Applicable Bond Series Certificate.

All Bonds of an Applicable Series shall mature on the dates fixed by a Series Resolution or an Applicable Bond Series Certificate. Except as otherwise provided in the Applicable Series Resolution or Applicable Bond Series Certificate, interest on all Bonds of each Applicable Series, except the first installment of interest due on each Applicable Series of Bonds, shall be payable semiannually in each year in which an installment of interest becomes due as fixed in the Applicable Series Resolution or the Applicable Bond Series Certificate. The first installment of interest due on the Bonds of an Applicable Series may be for such period as the Authority shall fix by the Applicable Series Resolution authorizing the issuance thereof or the Applicable Bond Series Certificate. Interest on Variable Interest Rate Bonds, if the rate at which such Bonds bear interest is adjusted annually or more frequently than annually, shall be payable at such times as shall be provided in the Applicable Series Resolution authorizing the issuance thereof or the applicable Bond Series Certificate related thereto.

Section 3.02 Legends; CUSIP Numbers. The Bonds of an Applicable Series may contain, or have endorsed thereon, such provisions, specifications and descriptive words not inconsistent herewith, as may be necessary or desirable and as may be determined by the Authority prior to their delivery.

The Authority shall provide for the assignment of CUSIP numbers for such Bonds and to have such CUSIP numbers printed thereon, and the Trustee shall use such CUSIP numbers in notices of redemption and on all checks payable to Bondholders as a convenience to Bondholders, provided that any such notice shall state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption shall not affect the validity of the proceedings for redemption.

Section 3.03 Execution and Authentication. The Bonds of each Series shall be executed in the name of the Authority by the manual or facsimile signature of its Chairman, Vice Chairman or other Authorized Officer and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of the Secretary, an Assistant Secretary or other Authorized Officer of the Authority, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed or sealed any of such Bonds shall cease to be such officer or employee before such Bonds so signed and sealed shall have been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Authority by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or be employed by, the Authority, although at the date of such Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Applicable Series Resolution or Applicable Bond Series Certificate, executed manually by the Trustee

unless the Applicable Series Resolution or Applicable Bond Series Certificate shall authorize execution by the Trustee by facsimile signature. Only such Bonds of a Series as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this Resolution and the Applicable Series Resolution and no such Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond of an Applicable Series executed on behalf of the Authority shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Resolution and the Applicable Series Resolution and that the Holder thereof is entitled to the benefits hereof and of such Series Resolution.

Section 3.04 Negotiability, Transfer and Registry. All Bonds of each Series issued hereunder shall be negotiable as provided in the Act, subject to the provisions for registration and transfer contained herein and in such Bonds. So long as any of such Bonds shall not have matured or been called for redemption, the Authority shall maintain and keep, at the principal corporate trust office of the Trustee, books for the registration and transfer of such Bonds; and, upon presentation for such purpose at said office, the Authority shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any such Bond entitled to registration or transfer. So long as any of such Bonds have not matured or been called for redemption, the Authority shall make all necessary provisions to permit the exchange of such Bonds at the principal corporate trust office of the Trustee.

Section 3.05 Transfer of Bonds. Each Bond of a Series shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the principal corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Authority shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

The Authority and the Trustee may deem and treat the person in whose name any such Bond shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal, Sinking Fund Installments, if any, or Redemption Price of such Bond and, subject to the provisions of Section 3.01 hereof with respect to Record Dates, interest on such Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under the Resolution and the Applicable Series Resolution, in so treating such registered owner.

Section 3.06 Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging or transferring Bonds of a Series is exercised, the Authority shall execute and the Trustee shall authenticate and deliver such Bonds in accordance with the provisions hereof. All such Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Trustee. For every such exchange or transfer of such Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid, by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of

making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond of an Applicable Series upon each exchange or transfer, and any other expenses of the Authority or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. The Authority shall not be obliged to make any exchange or transfer of Bonds of any such Series, other than the exchange or transfer of an Option Bond which has been tendered or deemed tendered by the Holder thereof for purchase during the period beginning on the Record Date for such Bonds next preceding an interest payment date on such Bonds and ending on such interest payment date, or, in the case of any proposed redemption of Bonds of such Series, after the date next preceding the date of the selection of such Bonds to be redeemed.

Section 3.07 Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond of a Series shall become mutilated or be destroyed, lost or stolen, the Authority in its discretion may execute, and upon its request the Applicable Trustee shall authenticate and deliver, a new Bond of like Series, maturity and principal amount as such Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed, lost or stolen, upon filing with the Authority evidence satisfactory to the Authority and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Authority and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Authority and the Trustee may prescribe and paying such expenses as the Authority and the Trustee may incur in connection therewith. All such Bonds so surrendered to the Applicable Trustee shall be cancelled by it and evidence of such cancellation shall be given to the Authority. In case any Bond of a Series which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Authority may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Authority and to the Trustee such security or indemnity as they may require to save them harmless, and evidence to the satisfaction of the Authority and Applicable Trustee of the mutilation, destruction, loss or theft of such Bond and of the ownership thereof.

Section 3.08 Preparation of Definitive Bonds; Temporary Bonds. Until the definitive Bonds of any Series are prepared, the Authority may execute, in the same manner as is provided in Section 3.03 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds of such Series, except as to the denominations thereof, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Authority at its own expense shall prepare and execute and, upon the surrender at the principal corporate trust office of the Trustee of such temporary Bonds, for exchange and the cancellation of such surrendered temporary Bonds, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the principal corporate trust office of the Trustee, definitive Bonds of such Series of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds of a Series shall in all respects be entitled to the same benefits and security as definitive Bonds of such Series issued pursuant hereto and pursuant to the Applicable Series Resolution.

All temporary Bonds of a Series surrendered in exchange for a definitive Bond or Bonds of such Series shall be forthwith cancelled by the Applicable Trustee.

Section 3.09 Book Entry Bonds. Anything herein to the contrary notwithstanding, Bonds may be authorized and issued as book entry or uncertificated bonds in accordance with the Applicable Series Resolution authorizing such Bonds or the Applicable Bond Series Certificate. For all purposes of the

Resolution the Holder of a Book Entry Bond shall be the Depository therefor and neither the Authority nor the Trustee shall have responsibility or any obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Depository. Without limiting the generality of the foregoing, neither the Authority nor the Trustee shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (i) the accuracy of the records of the Depository or any participant with respect to any beneficial ownership interest in such Bond, (ii) the delivery to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (iii) the payment to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any amount with respect to the principal or Redemption Price of, or interest on, such Bond. The Authority and the Trustee may treat the Depository therefor as the absolute owner of a Book Entry Bond for the purpose of (x) payment of the principal, Sinking Fund Installment or Redemption Price of, and interest on such Bond, (y) giving notices of redemption and of other matters with respect to such Bond, (z) registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal, Sinking Fund Installment or Redemption Price of, as applicable, and interest on, such Bond only to or upon the order of the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal, Sinking Fund Installment or Redemption Price and interest to the extent of the sum or sums so paid. No person other than the Depository shall receive a Bond or other instrument evidencing the Authority's obligation to make payments of the principal or Redemption Price thereof, and interest thereon.

Anything herein to the contrary notwithstanding, payment of the Redemption Price of Book Entry Bonds which are redeemed prior to maturity may be paid to the Depository by wire transfer. Such payment of the Redemption Price of Book Entry Bonds to the Depository may be made without surrender of Bonds to the Trustee; provided, however, payment of principal at maturity of or the Redemption Price of Book Entry Bonds of like Series, maturity and tenor which are redeemed in whole shall be paid only upon the presentation and surrender of such Bonds to the Trustee.

The Authority, in its sole discretion and without the consent of the Trustee, the beneficial owner of a Book Entry Bond or any other person, may terminate the services of the Depository with respect to a Book Entry Bond if the Authority determines that (i) the Depository is unable to discharge its responsibilities with respect to such Bonds or (ii) a continuation of the requirement that all of the Outstanding Bonds of like Series issued in book entry form be registered in the registration books of the Authority in the name of the Depository, is not in the best interest of the beneficial owners of such Bonds, and the Authority shall terminate the services of the Depository upon receipt by the Authority and the Trustee of written notice from the Depository that it has received written requests that such Depository be removed from its participants having beneficial interest, as shown in the records of the Depository, in an aggregate amount of not less than fifty percent in principal amount of the then Outstanding Bonds for which the Depository is serving as Depository.

Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the opinion of the Authority, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but shall be registered in the name or names Bondholders transferring or exchanging such Bonds shall designate, in accordance with the provisions of Article 3 hereof.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01 Authorization of Redemption or Purchase of an Applicable Series. Bonds of an Applicable Series subject to redemption or purchase prior to maturity pursuant hereto or to an Applicable Series Resolution or an Applicable Bond Series Certificate shall be redeemable or purchasable, in accordance with this Article 4, at such times, at such Redemption Prices or Purchase Prices and upon such terms as may otherwise be specified herein or in the Applicable Series Resolution authorizing such Series or the Applicable Bond Series Certificate. The redemption provisions may be modified, amended or supplemented in this Article for an Applicable Series of Bonds by the Series Resolution or Series Certificate relating to the issuance of such Bonds.

Section 4.02 Redemption at the Election of the Authority. In the case of any redemption of Bonds of an Applicable Series other than as provided in Section 4.04 hereof, such Bonds may be redeemed at the option of the Authority at the direction of the Institution as provided in the Applicable Series Resolution authorizing such Bonds or the Applicable Bond Series Certificate. In exercising such option, the Authority shall give written notice to the Applicable Trustee, Applicable Credit Facility Issuer, if any, and each Facility Provider, if any, of its election to redeem, including the Series designation, the principal amounts and the maturities of such Bonds so elected. The Series designation, maturities and principal amounts thereof to be redeemed shall be determined by the Authority in its sole discretion, subject to any limitations with respect thereto contained herein. Such notice shall be given to the Trustee at least forty-five (45) days prior to the date on which the Bonds of such Series are to be redeemed, or such fewer number of days as shall be acceptable to the Trustee. Unless the notice of redemption required by Section 4.05 hereof provides that the redemption is subject to the condition that moneys for payment of the Redemption Price is available on the Redemption Date, the notice of redemption required by Section 4.05 hereof to be given shall not be given with respect to such Bonds to be redeemed pursuant to this Section unless prior to the date such notice is to be given the Authority has (i) paid or caused to be paid to the Trustee an amount of money which, in addition to other money available therefor held by the Trustee, is sufficient to redeem, on the redemption date at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds of such Series to be so redeemed, and (ii) if money is then due to a Facility Provider for moneys advanced under a Reserve Fund Facility, which is then unpaid, including interest due thereon, have obtained the written consent of such Facility Provider. Notwithstanding the foregoing, subject to the provisions of the Applicable Series Resolution or Applicable Bond Series Certificate, in the event Bonds of an Applicable Series are to be redeemed at the option of the Authority pursuant to the repayment provisions of the Applicable Loan Agreement, such Bonds shall be redeemed at a Redemption Price equal to the principal amount thereof and to the extent practicable pro rata among maturities within such Series. All other requirements of this Section 4.02 with respect to notice shall apply to redemptions pursuant to the repayment provisions of the Applicable Loan Agreement.

Section 4.03 Redemption other than at Authority's Election. Whenever by the terms hereof the Trustee is required or authorized to redeem Bonds of an Applicable Series from Sinking Fund Installments, the Trustee shall select the Bonds of such Series to be redeemed. Whenever by the terms hereof the Trustee is required or authorized to redeem Bonds of an Applicable Series other than pursuant to this Section 4.03 hereof and other than through Sinking Fund redemption, the Authority shall select the maturities of the Bonds of such Series to be redeemed by notice thereof given to such Trustee at least ten (10) days prior to the date notice of redemption is mailed. The Trustee shall select the Bonds of the Applicable Series and maturities to be redeemed in the manner provided in Section 4.05 hereof, give the notice of redemption and pay out of moneys available therefor the Redemption Price thereof, together

with interest accrued to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article 4.

Section 4.04 Selection of Bonds to Be Redeemed. In the event of redemption of less than all of the Outstanding Bonds of an Applicable Series and maturity, the Trustee shall assign to each such Outstanding Bond of such Series and maturity to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw such Bonds by lot (i) individually or (ii) by one or more groups the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as in this Section 4.04 provided) which end in the same digit or in the same two digits. In case, upon any drawing by groups, the total principal amount of Bonds of such Series drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may determine. The Trustee may in its discretion assign numbers to aliquot portions of such Bonds and select part of any such Bond for redemption.

Section 4.05 Notice of Redemption. Whenever Bonds of an Applicable Series are to be redeemed, the Trustee shall give notice of the redemption of such Bonds in the name of the Authority, which notice shall be given by first-class mail, postage prepaid to the Applicable Credit Facility Issuer, if any, and the registered owners of Bonds of the Applicable Series which are to be redeemed, at their last known addresses, if any, appearing on the registration books of the Authority, on the tenth (10th) business day prior to the date such notice is given at least thirty (30) days but not more than forty-five (45) days prior to the Redemption Date or, in the case of Variable Interest Rate Bonds, such shorter period as shall be established by the Applicable Series Resolution authorizing such Bonds or the Applicable Bond Series Certificate relating thereto, but in no event less than fifteen (15) days prior to the Redemption date. The Trustee shall promptly certify to the Authority that it has mailed or caused to be mailed such notice to such Bondholders, and such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of any such owner to receive notice shall not affect the validity of the proceedings for the redemption of Bonds with respect to which notice has been given in accordance with this Section 4.05. Such notice shall specify: (i) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Section 2.01 hereof, the maturity dates and interest rates of the Bonds to be redeemed and the date such Bonds were issued; (ii) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (iii) the redemption date; (iv) the Redemption Price; (v) of each such Bond, the principal amount thereof to be redeemed; (vi) the date of publication, if any, of the notice of redemption; (vii) that such Bonds will be redeemed at the principal corporate trust office of the Trustee giving the address thereof and the name and telephone number of a representative of the Trustee to whom inquiries may be directed; and (viii) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on such Bond or as contained in such notice shall not affect the validity of the proceedings for redemption. Such notice shall further state that on such date there shall become due and payable upon each Bond of an Applicable Series to be redeemed the Redemption Price thereof, together with interest accrued to the redemption date, and that from and after such date, payment having been made or provided for, interest thereon shall cease to accrue.

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the Redemption Date of moneys sufficient to pay the principal of,

premium, if any, and interest on such Bonds to be redeemed and that if such moneys are not so received, such notice shall be of no force and effect and such Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the principal of, premium, if any, and interest on such Bonds are not received by the Trustee on or prior to the Redemption Date, the redemption shall not be made by the Trustee and the Trustee shall, within a reasonable period of time thereafter, give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Section 4.06 Payment of Redeemed Bonds. Notice having been mailed in the manner provided in Section 4.05 hereof, the Bonds of an Applicable Series or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office or offices specified in such notice, together with, in the case of such Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or such owner's duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. So long as the Bonds shall no longer be held in book-entry only form, the Redemption Price shall be paid to the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be redeemed, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has, not later than upon presentation and surrender of the Bond to be redeemed to the Trustee, directed in writing the Trustee to wire such Redemption Price. If there shall be drawn for redemption less than all of the principal amount of a Bond of a Series, the Authority shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance or the principal amount of such Bond so surrendered, Bonds of like Series and maturity in any of the authorized denominations. If, on the redemption date, moneys for the redemption of all Bonds of an Applicable Series or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as aforesaid, then, from and after the redemption date, interest on such Bonds or portion thereof so called for redemption shall cease to accrue and such Bonds will no longer be considered to be Outstanding under this Resolution or the Applicable Series Resolution. If such moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 4.07 Purchase in Lieu of Redemption. Unless otherwise provided in the Applicable Series Resolution or Applicable Bond Series Certificate, whenever Bonds are subject to optional redemption, they may instead be purchased at the election of the Institution at a purchase price equal to the Redemption Price. The Institution shall give written notice thereof and of the Bonds of each Series and maturity to be so purchased to the Authority, the Trustee, and each Applicable Credit Facility Issuer, if any. The Trustee shall select the particular Bonds of each such Series and maturity to be so purchased in the same manner as provided in Section 4.04 hereof for the selection of Bonds to be redeemed in part. Promptly thereafter, the Trustee shall give notice of the purchase of such Bonds at the times and in the manner provided in Section 4.05 hereof for notice of redemption. The Trustee shall not give such notice unless prior to the date such notice is given the Institution has caused to be delivered to the Trustee the written consent to such purchase of the Authority and each Applicable Credit Facility Issuer, if any; provided, however, the Applicable Credit Facility Issuer may only consent to such purchase for each series of Bonds for which it has issued a Credit Facility. All such purchases may be subject to conditions to the Applicable Institution's obligation to purchase such Bonds and shall be subject to the condition that money for the payment of the purchase price therefor is available on the date set for such purchase. Notice of purchase having been given in the manner required above, then, if sufficient money to pay the purchase price of such Bonds is held by the Trustee, the purchase price of the Bonds or portions thereof so called for purchase shall become due and payable on the date set for purchase, upon presentation and

surrender of such Bonds (other than Book Entry Bonds) to be purchased at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney. Payment of the purchase price of such Bonds shall be made, upon the request of the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be so purchased, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has prior to the purchase date directed in writing the Trustee to wire such purchase price. No purchased Bond shall be considered to be no longer outstanding by virtue of its purchase and each such purchased Bond that is not a Bond Entry Bond shall be registered at the direction of the Obligated Group.

ARTICLE V

PLEDGE OF REVENUES; FUNDS; REVENUES AND APPLICATION THEREOF

Section 5.01 Pledge of Revenues. The proceeds from the sale of an Applicable Series of Bonds, the Revenues and all funds authorized hereby and established pursuant to an Applicable Series Resolution, other than an Applicable Arbitrage Rebate Fund or an Applicable Credit Facility Repayment Fund, are hereby, subject to the adoption of an Applicable Series Resolution, pledged and assigned to the Trustee as security for the payment of the principal, Sinking Fund Installments, if any, and Redemption Price of and interest on the Applicable Series of Bonds and as security for the performance of any other obligation of the Authority hereunder and under an Applicable Series Resolution with respect to such Series, all in accordance with the provisions hereof and thereof. The pledge made hereby, subject to the adoption of an Applicable Series Resolution, shall relate only to the Bonds of an Applicable Series authorized by such Series Resolution and no other Series of Bonds and such pledge shall not secure any such other Series of Bonds. The pledge made hereby is valid, binding and perfected from the time when the pledge attaches and the proceeds from the sale of the Applicable Series of Bonds, the Revenues and all funds and accounts established hereby and pursuant to the Applicable Series Resolution which are pledged hereby and pursuant to the Applicable Series Resolution shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid, binding and perfected as against all parties having claims of any kind in tort, contract or otherwise against the Authority irrespective of whether such parties have notice thereof. No instrument by which such pledge is created nor any financing statement need be recorded or filed. The Bonds of each Applicable Series shall be special obligations of the Authority payable solely from and secured by a pledge of the proceeds from the sale of such Series of Bonds, the Revenues and the funds established hereby and pursuant to the Applicable Series Resolution, which pledge shall constitute a first lien thereon.

Section 5.02 Establishment of Funds. Unless otherwise provided by the Applicable Series Resolution, the following funds are authorized to be established, held and maintained for each Applicable Series by the Trustee under the Applicable Series Resolution separate from any other funds established and maintained pursuant to any other Series Resolution:

Accounts and sub-accounts within each of the foregoing funds may from time to time be established in accordance with an Applicable Series Resolution, an Applicable Bond Series Certificate or upon the direction of the Authority. All moneys at any time deposited in any fund created hereby, other

than the Applicable Arbitrage Rebate Fund and the Applicable Credit Facility Repayment Fund, shall be held in trust for the benefit of the Holders of the Applicable Series of Bonds, but shall nevertheless be disbursed, allocated and applied solely in connection with an Applicable Series of Bonds for the uses and purposes provided herein; *provided however*, that (i) any Debt Service Reserve Fund established by or pursuant to a Series Resolution, the amounts held therein and amounts derived from any Reserve Fund Facility related thereto, shall not be held in trust for the benefit of the Holders of Bonds other than the Bonds of the Series secured thereby as provided in such Series Resolution and are pledged solely thereto and no Holder of the Bonds of any other Series shall have any right or interest therein, and (ii) the proceeds derived from the remarketing of Option Bonds tendered or deemed to have been tendered for purchase or redemption in accordance with the Series Resolution authorizing the issuance of such Bonds or the Bond Series Certificate relating to such Bonds or derived from a Liquidity Facility relating to such Bonds, and any fund or account established by or pursuant to such Series Resolution for the payment of the purchase price or Redemption Price of Option Bonds so tendered or deemed to have been tendered, shall not be held in trust for the benefit of the Holders of Bonds other than such Option Bonds and are pledged hereby for the payment of the purchase price or Redemption Price of such Option Bonds.

Section 5.03 Application of Bond Proceeds and Allocation Thereof. Upon the receipt of proceeds from the sale of an Applicable Series of Bonds, the Authority shall apply such proceeds as specified herein and in an Applicable Series Resolution authorizing such Series or in the Applicable Bond Series Certificate.

Accrued interest, if any, received upon the delivery of an Applicable Series of Bonds shall be deposited in the appropriate account in the Applicable Debt Service Fund unless all or any portion of such amount is to be otherwise applied as specified in the Applicable Series Resolution or the Applicable Bond Series Certificate.

Section 5.04 Application of Moneys in the Construction Fund.

1. For purposes of internal accounting, an account in an Applicable Construction Fund may contain one or more subaccounts, as the Authority or the Trustee may deem necessary or desirable. As soon as practicable after the delivery of an Applicable Series of Bonds, the Trustee shall deposit in the appropriate account in the Applicable Construction Fund the amount required to be deposited therein pursuant to the Applicable Series Resolution, the Applicable Loan Agreement or the Applicable Bond Series Certificate. In addition, the Authority shall remit to the Trustee and the Trustee shall deposit in the appropriate account in the Applicable Construction Fund any moneys paid or instruments payable to the Authority derived from insurance proceeds or condemnation awards from the Applicable Project.

2. Except as otherwise provided in this Article 5 and in the Applicable Series Resolution or Applicable Bond Series Certificate, moneys deposited in the Applicable Construction Fund shall be used only to pay the Costs of Issuance of the Bonds issued in connection with such Series Resolution or Bond Series Certificate and the Costs of the Project(s) in connection with which such Series of Bonds was issued.

3. Payments for Costs of an Applicable Project shall be made by the Trustee upon receipt of, and in accordance with, a certificate or certificates of the Authority stating the names of the payees, the purpose of each payment in terms sufficient for identification and the respective amounts of each such payment. Such certificate or certificates shall be substantiated by a certificate filed with the Authority signed by an Authorized Officer of the Applicable Institution, describing in reasonable detail the purpose for which moneys were used and the amount thereof, and further stating that such purpose constitutes a necessary part of the Costs of such Project except that payments to pay interest on the Applicable Series of Bonds shall be made by the Trustee upon receipt of, and in accordance with, the direction of an

Authorized Officer of the Authority directing the Trustee to transfer such amount from the Applicable Construction Fund to the Applicable Debt Service Fund.

4. Any proceeds of insurance, condemnation or eminent domain awards received by the Trustee, the Authority or an Applicable Institution with respect to an Applicable Project financed with Tax Exempt Bonds shall be deposited in the appropriate account in the Applicable Construction Fund and, if necessary, such fund may be reestablished for such purpose and if not used to repair, restore or replace such Project, transferred to the Applicable Debt Service Fund for the redemption of the Applicable Series of Bonds in accordance with the Applicable Loan Agreement.

5. An Applicable Project shall be deemed to be complete (a) upon delivery to the Authority and the Trustee of a certificate signed by an Authorized Officer of the Applicable Institution which certificate shall be delivered as soon as practicable after the date of completion of such Project or (b) upon delivery to the Applicable Institution and the Trustee of a certificate of the Authority which certificate may be delivered at any time after completion of such Project. Each such certificate shall state that such Project has been completed substantially in accordance with the plans and specifications, if any, applicable to such Project and that such Project is ready for occupancy, and, in the case of a certificate of an Authorized Officer of such Applicable Institution, shall specify the date of completion, or if any portion of the Project has been abandoned and will not be completed, shall so state.

Upon receipt by the Trustee of the certificate required pursuant to this subdivision, the moneys, if any, then remaining in the Applicable Construction Fund, after making provision in accordance with the written direction of the Authority for the payment of any Costs of Issuance of such Applicable Series of Bonds and Costs of the Applicable Project then unpaid, shall be paid by the Trustee as follows and in the following order of priority:

First: Upon the written direction of the Authority, to the Applicable Arbitrage Rebate Fund, the amount set forth in such direction;

Second: To the Applicable Debt Service Reserve Fund, such amount as shall be necessary to make the amount on deposit in such fund equal to the Applicable Debt Service Reserve Fund Requirement; and

Third: To the Applicable Debt Service Fund for the redemption or purchase of the Applicable Series of Bonds in accordance with this Resolution and the Applicable Series Resolution, any balance remaining.

Section 5.05 Enforcement of Obligations, Deposit of Revenues and Allocation Thereof.

1. To the extent an Applicable Institution fails to make any timely payment with respect to a Series of Bonds under the Applicable Loan Agreement, which payment would constitute a credit for payment of the Applicable Obligation in accordance with the terms thereof, the Trustee shall promptly make demand for payment under the Applicable Obligation in accordance with the terms thereof.

2. The Revenues, including all payments received under the Applicable Loan Agreement, the Master Indenture, the Applicable Supplemental Indenture and the Applicable Obligations, shall be deposited upon receipt by the Trustee to the appropriate account of the Applicable Debt Service Fund in the amounts, at the times and for the purposes specified in the Applicable Series Resolution or Applicable Loan Agreement. Except as provided in the Applicable Series Resolution or Applicable Bond Series Certificate, to the extent not required to pay the interest, principal, Sinking Fund Installments and moneys which are required or have been set aside for the redemption of Bonds of the Applicable Series, moneys

in the Applicable Debt Service Fund shall be paid by the Trustee on or before the business day preceding each interest payment date as follows and in the following order of priority:

First: To reimburse, pro rata, the Applicable Facility Provider, if any, for Provider Payments which are then unpaid the respective Provider Payments and to replenish each Debt Service Reserve Fund to its respective Debt Service Reserve Fund Requirement, pro rata, in proportion to the amount the respective Provider Payments then unpaid to each Facility Provider and the amount of the deficiency in each Debt Service Reserve Fund bears to the aggregate amount of Provider Payments then unpaid and deficiencies in the respective Debt Service Reserve Funds;

Second: Upon the written direction of an Authorized Officer of the Authority, to the Applicable Arbitrage Rebate Fund in the amount set forth in such direction;

Third: To the Applicable Debt Service Reserve Fund, such amount, if any, necessary to make the amount on deposit in such fund equal to the Applicable Debt Service Reserve Fund Requirement; and

Fourth: To the Authority, unless otherwise paid, such amounts as are payable to the Authority for: (i) any expenditures of the Authority for fees and expenses of auditing, and fees and expenses of the Trustee and Paying Agents, all as required hereby, (ii) all other expenditures reasonably and necessarily incurred by the Authority in connection with the financing of the Applicable Project, including expenses incurred by the Authority to compel full and punctual performance of all the provisions of the Applicable Loan Agreement in accordance with the terms thereof, and (iii) any fees of the Authority; but only upon receipt by the Trustee of a certificate signed by an Authorized Officer of the Authority, stating in reasonable detail the amounts payable to the Authority pursuant to this paragraph Fourth.

3. After making the payments required by subdivision 2 of this Section, the balance, if any, of the Revenues then remaining shall, upon the written direction of an Authorized Officer of the Authority, be paid by the Trustee to the Applicable Construction Fund or the Applicable Debt Service Fund, or paid to the Applicable Institution, in the respective amounts set forth in such direction, free and clear of any pledge, lien, encumbrance or security interest created hereby. The Trustee shall notify the Authority and the Institution promptly after making the payments required by subdivision 1 of this Section, of any balance of Revenues then remaining.

4. In the event that any payments received by the Trustee hereunder are less than the total amount required to be paid to the Trustee and such payments relate to more than one Series of Bonds, the payments shall be applied pro rata to each such Series of Bonds based upon the amounts then due and payable.

Section 5.06 Debt Service Fund.

1. The Trustee shall on or before the business day preceding each interest payment date with respect to a Series of Bonds, as required by the Applicable Series Resolution or Applicable Bond Series Certificate, pay, from the Applicable Debt Service Fund, to itself and any other Paying Agent:

(a) the interest due on all Outstanding Bonds of the Applicable Series on such interest payment date;

(b) the principal amount due on all Outstanding Bonds of the Applicable Series on such interest payment date;

(c) the Sinking Fund Installments, if any, due on all Outstanding Bonds of the Applicable Series on such interest payment date; and

(d) moneys required for the redemption of Bonds of the Applicable Series in accordance with Section 5.09 hereof.

The amounts paid out pursuant to this Section shall be irrevocably pledged to and applied to such payments.

2. In the event that on the fourth business day preceding any Interest Payment Date for a Series of Bonds the amount in the Applicable Debt Service Fund shall be less than the amounts, respectively, required for payment of interest on the Outstanding Bonds of the Applicable Series, for the payment of principal of such Outstanding Bonds, for the payment of Sinking Fund Installments of such Outstanding Bonds due and payable on such interest payment date or for the payment of the Purchase Price or Redemption Price of such Outstanding Bonds theretofore contracted to be purchased or called for redemption, plus accrued interest thereon to the date of purchase or redemption, the Trustee shall withdraw from the Applicable Debt Service Reserve Fund and deposit to the Applicable Debt Service Fund such amounts as will increase the amount in the Debt Service Fund to an amount sufficient to make such payments. The Trustee shall notify the Authority, the Applicable Facility Provider, if any, Credit Facility Issuer, if any, Master Trustee, Obligated Group Representative of a withdrawal from the Applicable Debt Service Reserve Fund.

3. Notwithstanding the provisions of subdivision 1 of this Section, the Authority may, at any time subsequent to the first principal payment date of any Bond Year but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with moneys on deposit in the Applicable Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Applicable Term Bonds to be redeemed from such Sinking Fund Installment. Any Term Bond so purchased and any Term Bond purchased by a Member of the Obligated Group and delivered to the Trustee in accordance with the Applicable Loan Agreement shall be canceled upon receipt thereof by such Trustee and evidence of such cancellation shall be given to the Authority. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date, provided that such Term Bond is canceled by the Trustee prior to the date on which notice of redemption is given.

4. Moneys in the Applicable Debt Service Fund in excess of the amount required to pay the principal and Sinking Fund Installments of Outstanding Bonds of an Applicable Series of Bonds payable on or prior to the next succeeding principal payment date, the interest on such Outstanding Bonds payable on the next succeeding interest payment date, and the Purchase Price or Redemption Price of Applicable Outstanding Bonds theretofore contracted to be purchased or called for redemption, plus accrued interest thereon to the date of purchase or redemption, shall be applied by the Trustee in accordance with the written direction of an Authorized Officer of the Authority to the purchase of Applicable Outstanding Bonds of any Series at Purchase Prices not exceeding the Redemption Price applicable on the next interest payment date on which such Bonds are redeemable, plus accrued and unpaid interest to such date, at such times, at such purchase prices and in such manner as an Authorized Officer of the Authority shall direct. If sixty (60) days prior to the end of a Bond Year an excess, calculated as aforesaid, exists in the Applicable Debt Service Fund, such moneys may be applied by the Trustee: (i) in accordance with the direction of an Authorized Officer of the Authority given pursuant to Section 4.03 hereof to the redemption of Bonds as provided in Article 4 hereof, at the Redemption Prices specified in the Applicable

Series Resolution or Applicable Bond Series Certificate or (ii) as may otherwise be directed by the Authority.

Section 5.07 Debt Service Reserve Fund. 1. (a) The Trustee of a Series of Bonds shall deposit to the credit of the Applicable Debt Service Reserve Fund such proceeds of the sale of Bonds, if any, as shall be prescribed in the Applicable Series Resolution or the Applicable Bond Series Certificate, and any Revenues, moneys, Government Obligations and Exempt Obligations as, by the provisions of the Applicable Loan Agreement, are delivered to the Trustee by or on behalf of the Applicable Institution for the purposes of the Applicable Debt Service Reserve Fund.

(b) In lieu of or in substitution for moneys, Government Obligations or Exempt Obligations, the Authority may deposit or cause to be deposited with the Trustee a Reserve Fund Facility for the benefit of the Holders of the Bonds for all or any part of the Applicable Debt Service Reserve Requirement; provided (i) that any such surety bond or insurance policy shall be issued by an insurance company or association duly authorized to do business in the State and either (A) the claims paying ability of such insurance company or association is rated in at least the second highest rating category accorded by a Rating Service or (B) obligations insured by a surety bond or an insurance policy issued by such company or association are rated, without regard to qualification of such rating by symbols such as "+" or "-" or numerical notation, in at least the second highest rating category at the time such surety bond or insurance policy is issued by Moody's and S&P or, if Outstanding Bonds of a Series are not rated by both Moody's and S&P, by whichever of said Rating Services that then rates such Outstanding Bonds and (ii) that any letter of credit shall be issued by a bank, a trust company, a national banking association, a corporation subject to registration with the Board of Governors of the Federal Reserve System under the Bank Holding Company Act of 1956 or any successor provision of law, a federal branch pursuant to the International Banking Act of 1978 or any successor provision of law, or a domestic branch or agency of a foreign bank which branch or agency is duly licensed or authorized to do business under the laws of any state or territory of the United States of America, the unsecured or uncollateralized long term debt obligations of which, or long term obligations secured or supported by a letter of credit issued by such person, are rated at the time such letter of credit is delivered, without regard to qualification of such rating by symbols such as "+" or "-" or numerical notation, in at least the second highest, rating category by Moody's and S&P or, if such Outstanding Bonds are not rated by Moody's and S&P, by whichever of said Rating Services that then rates such Outstanding Bonds.

In addition to the conditions and requirements set forth above, no Reserve Fund Facility shall be deposited in full or partial satisfaction of a Debt Service Reserve Fund Requirement unless the Trustee shall have received prior to such deposit (i) an opinion of counsel acceptable to an Applicable Credit Facility Issuer to the effect that such Reserve Fund Facility has been duly authorized, executed and delivered by the Facility Provider thereof and is valid, binding and enforceable in accordance with its terms, (ii) in the event such Facility Provider is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to the Authority, and (iii) in the event such Reserve Fund Facility is a letter of credit, an opinion of counsel acceptable to the Trustee substantially to the effect that payments under such letter of credit will not constitute avoidable preferences under Section 547 of the United States Bankruptcy Code in a case commenced by or against the Authority or the Institution thereunder or under any applicable provisions of the Debtor and Creditor Law of the State and (iv) the prior written consent of all Applicable Credit Facility Issuers, if any.

Notwithstanding the foregoing, if at any time after a Reserve Fund Facility has been deposited with the Trustee the unsecured or uncollateralized long term debt of the Facility Provider or the long term debt obligations secured or supported by a surety bond, insurance policy or letter of credit of a Facility Provider is reduced below the ratings required by the second preceding paragraph, the Authority shall, unless at the time such ratings are reduced such Facility Provider is the Credit Facility Issuer of all

Outstanding Bonds of the Applicable Series, either (i) replace or cause to be replaced said Reserve Fund Facility with another Reserve Fund Facility which satisfies the requirements of the second preceding paragraph or (ii) deposit or cause to be deposited in the Applicable Debt Service Reserve Fund an amount of moneys, Government Obligations or Exempt Obligations which meet the requirements of subdivision 1 of Section 6.02 hereof which is equal to the value of the Reserve Fund Facility of such Facility Provider, such deposits to be, as nearly as practicable, in ten (10) equal semi-annual installments commencing on the earlier of the February 1 or August 1 next succeeding the reduction in said ratings.

Each such surety bond, insurance policy or letter of credit shall be payable (upon the giving of such notice as may be required thereby) on any date on which moneys are required to be withdrawn from the Applicable Debt Service Reserve Fund and such withdrawal cannot be made without obtaining payment under such Reserve Fund Facility.

For the purposes of this Section and Section 5.11 hereof, in computing the amount on deposit in the Applicable Debt Service Reserve Fund, a Reserve Fund Facility shall be valued at the amount available to be paid thereunder on the date of computation; provided that, if the unsecured or uncollateralized long term debt of such Facility Provider, or the long term debt obligations secured or supported by a surety bond, insurance policy or letter of credit of said paragraph of this Section 5.07(1)(b), for the purposes of this Section and Section 5.11 hereof, in computing the amount on deposit in the Applicable Debt Service Reserve Fund, a Reserve Fund Facility shall be valued at the amount available to be paid thereunder on the date of computation in and upon the computation of the value of the assets in the Applicable Debt Service Reserve Fund pursuant to Section 5.11 hereof, if the value of the assets exceeds the Applicable Debt Service Reserve Fund Requirement, the Trustee shall return to the Authority or the Applicable Institution, as the case may be, the amount by which the assets on deposit exceed the Applicable Debt Service Reserve Fund Requirement.

2. Moneys held for the credit of the Applicable Debt Service Reserve Fund shall be withdrawn by the Trustee and deposited to the credit of the Applicable Debt Service Fund at the times and in the amounts required to comply with the provisions of subdivision 2 of Section 5.06 hereof; provided that no payment under an Applicable Reserve Fund Facility shall be sought unless and until moneys are not available in the Applicable Debt Service Reserve Fund and the amount required to be withdrawn from the Applicable Debt Service Reserve Fund pursuant to this subdivision cannot be withdrawn therefrom without obtaining payment under such Reserve Fund Facility; provided further, that, if more than one Reserve Fund Facility is held for the credit of the Applicable Debt Service Reserve Fund at the time moneys are to be withdrawn therefrom, the Trustee shall obtain payment under each such Reserve Fund Facility, pro rata, based upon the respective amounts then available to be paid thereunder. The Trustee shall provide notification as set forth in Section 5.06(2) hereof of any withdrawal of moneys from the Debt Service Reserve Fund or payment of a Reserve Fund Facility immediately upon such withdrawal or payment.

With respect to any demand for payment under any Reserve Fund Facility, the Trustee shall make such demand for payment in accordance with the terms of such Reserve Fund Facility at the earliest time provided therein to assure the availability of moneys on the interest payment date for which such moneys are required.

3. (a) Moneys and investments held for the credit of an Applicable Debt Service Reserve Fund in excess of the Applicable Debt Service Reserve Fund Requirement, upon direction of an Authorized Officer of the Authority, shall be withdrawn by the Trustee and (i) deposited in the Applicable Arbitrage Rebate Fund, the Applicable Debt Service Fund or the Applicable Construction Fund, (ii) paid to the Applicable Institution or (iii) applied by the Authority to pay the principal or Redemption Price of and interest on bonds of the Authority issued in connection with the Applicable Institution pursuant to

resolutions other than the Resolution, in accordance with such direction; provided, however, with respect to Bonds the interest on which is intended to be excludable from gross income for federal income tax purposes, that no such amount shall be withdrawn and deposited, paid or applied unless in the opinion of Bond Counsel such deposit, payment or application will not adversely affect the exclusion of interest on any such Bonds from gross income for federal income tax purposes.

(b) Notwithstanding the provisions hereof, if, upon a Bond having been deemed to have been paid in accordance with Section 12.01 hereof or redeemed prior to maturity from the proceeds of Bonds, bonds, notes or other obligations issued for such purpose, the moneys and investments held for the credit of the Applicable Debt Service Reserve Fund will exceed the Applicable Debt Service Reserve Fund Requirement, then the Trustee shall, simultaneously with such redemption or a deposit made in accordance with Section 12.01 hereof, withdraw all or any portion of such excess from the Applicable Debt Service Reserve Fund upon the direction of an Authorized Officer of the Authority and either (i) apply such amount to the payment of the principal or Redemption Price of and interest on such Bond in accordance with the irrevocable instructions of the Authority or (ii) fund any reserve for the payment of the principal and sinking fund installments of or interest on the bonds, notes or other obligations, if any, issued to provide for payment of such Bond if, in the opinion of Bond Counsel, application of such moneys to the use authorized in this clause (ii) will not adversely affect the exclusion of interest on any Applicable Bonds from gross income for federal income tax purposes, or (iii) pay such amount to the Authority for deposit to the Applicable Construction Fund if, in the opinion of Bond Counsel, application of such moneys to the payment of Costs of the Project(s) will not adversely affect the exclusion of interest on any Bonds from gross income for federal income tax purposes; provided that after such withdrawal the amount remaining in the Applicable Debt Service Reserve Fund shall not be less than the Applicable Debt Service Reserve Fund Requirement.

4. If upon a valuation, the moneys, investments and Reserve Fund Facilities held for the credit of an Applicable Debt Service Reserve Fund for an Applicable Series of Bonds are less than the Applicable Debt Service Reserve Fund Requirement, the Trustee shall immediately notify the Authority and the Applicable Institution of such deficiency and such Institution shall, as soon as practicable, but in no event later than five (5) days after receipt of such notice, deliver to the Trustee moneys, Government Obligations, Federal Agency Obligations, Exempt Obligations or Reserve Fund Facilities the value of which is sufficient to increase the amount in the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement. If the Applicable Institution has not made timely payment, the Trustee shall immediately notify the Authority, the Obligated Group Representative and the Master Trustee of such non-payment and shall seek payment under the Applicable Obligation in accordance with the terms thereof.

Section 5.08 Arbitrage Rebate Fund. The Trustee for a Series of Tax-Exempt Bonds shall deposit to the appropriate account in the Applicable Arbitrage Rebate Fund any moneys delivered to it by the Applicable Institution for deposit therein and, notwithstanding any other provisions of this Article 5, shall transfer to the Applicable Arbitrage Rebate Fund, in accordance with the directions of the Authority, moneys on deposit in any other funds held by such Trustee hereunder at such times and in such amounts as shall be set forth in such directions.

Moneys on deposit in the Applicable Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of the Authority to make payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Authority shall determine to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Moneys which the Authority determines to be in excess of the amount required to be so rebated shall be deposited to any Applicable Fund in accordance with the directions of the Authority.

If and to the extent required by the Code, the Authority shall periodically, at such times as may be required to comply with the Code, determine the amount of Excess Earnings with respect to each Applicable Series of Bonds and direct the Trustee to (i) transfer from any other of the Applicable funds held by the Trustee hereunder and deposit to the Applicable Arbitrage Rebate Fund, all or a portion of the Excess Earnings with respect to such Series of Bonds and (ii) pay out of the Applicable Arbitrage Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto.

Section 5.09 Application of Moneys in Certain Funds for Retirement of Bonds. Notwithstanding any other provisions hereof, if at any time (i) the amounts held in the Applicable Debt Service Fund and the Applicable Debt Service Reserve Fund, if any, are sufficient to pay the principal or Redemption Price of all Outstanding Bonds of a Series and the interest accrued and unpaid and to accrue on such Bonds to the next date of redemption when all such Bonds are redeemable, (ii) the amounts held in the Applicable Debt Service Reserve Fund are sufficient to pay the principal or Redemption Price of all Outstanding Bonds of the Series secured thereby and the interest accrued and unpaid and to accrue on such Bonds to the next date on which such Bonds may be redeemed or (iii) in either case, to make provision pursuant to Section 12.01(2) hereof for the payment of such Outstanding Bonds at the maturity or redemption dates thereof, the Trustee shall so notify the Authority and the Applicable Institution(s). Upon receipt of such notice, the Authority may (i) direct the Trustee in writing to redeem all such Outstanding Bonds of the Applicable Series, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Outstanding Bonds in the manner provided for redemption of such Bonds hereby and by a Series Resolution as provided in Article 4 hereof, or (ii) give the Trustee irrevocable instructions in accordance with of Section 12.01(2) hereof and make provision for the payment of such Outstanding Bonds at the maturity or redemption dates thereof in accordance with such instruction.

Section 5.10 Transfer of Investments. Whenever moneys in any Applicable fund established hereunder or under an Applicable Series Resolution authorizing a Series of Bonds are to be paid to another such fund, such payment may be made, in whole or in part, by transferring to such other fund investments held as part of the fund from which such payment is to be made, whose value, together with the moneys, if any, to be transferred, is at least equal to the amount of the payment then to be made, provided that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

Section 5.11 Computation of Assets of Certain Funds. The Trustee of a Series of Bonds, as promptly as practicable (i) after the end of each calendar month, (ii) upon the request of the Authority, (iii) upon the request of an Applicable Institution or the Obligated Group Representative, but not more frequently than once a calendar month, and (iv) at such other times as may be necessary in connection with a withdrawal and deposit made pursuant to Sections 5.04, 5.05, 5.06, 5.07, 5.08 or 5.09 hereof, shall compute the value of the assets in the Applicable Debt Service Reserve Fund, in the case of the requirement under (i) above, on the last day of each such month, in the case of a request pursuant to (ii) or (iii) above, at the date of such request, or, in the case of a withdrawal and deposit, at the date of such withdrawal and deposit, and notify the Authority and the Applicable Institution or Obligated Group as to the results of such computation and the amount by which the value of the assets in the Applicable Debt Service Reserve Fund exceeds or is less than the Applicable Reserve Fund Requirement.

ARTICLE VI

SECURITY FOR DEPOSITS AND INVESTMENTS OF FUNDS

Section 6.01 Security for Deposits. All moneys held hereunder by the Trustee of a Series of Bonds shall be continuously and fully secured, for the benefit of the Authority and the Holders of the

Applicable Series of Bonds, by direct obligations of the United States of America or obligations the principal of and interest on which are guaranteed by the United States of America of a market value equal at all times to the amount of the deposit so held by the Trustee; provided, however, (a) that if the securing of such moneys is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, and (b) that it shall not be necessary for the Trustee of a Series of Bonds or any Paying Agent of a Series of Bonds to give security for the deposit of any moneys with them pursuant to Section 5.06 or Section 12.01 hereof and held in trust for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of or interest on any Applicable Series of Bonds, or for the Trustee to give security for any moneys which shall be represented by obligations purchased or other investments made under the provisions hereof as an investment of such moneys.

Section 6.02 Investment of Funds Held by the Trustee.

1. Money held hereunder by the Trustee, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee, upon direction of the Authority given in writing (which direction shall specify the amount thereof to be so invested), in Government Obligations, Federal Agency Obligations or Exempt Obligations; *provided, however*, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Authority reasonably believes such money will be required for the purposes hereof.

2. In lieu of the investments of money in obligations authorized in subdivision 1 of this Section, the Trustee shall, to the extent permitted by law, upon direction of the Authority given in writing, signed by an Authorized Officer of the Authority, invest money in the Construction Fund in any Permitted Investment; provided, however, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Authority reasonably believes such money will be required for the purposes hereof, provided, further, that (x) any Permitted Collateral required to secure any Permitted Investment shall have a market value, determined by the Trustee or its agent periodically, but no less frequently than weekly, at least equal to the amount deposited or invested including interest accrued thereon, (y) the Permitted Collateral shall be deposited with and held by the Trustee or an agent of the Trustee approved by an Authorized Officer of the Authority, and (z) the Permitted Collateral shall be free and clear of claims of any other person.

3. Permitted Investments purchased or other investments made as an investment of moneys in any fund held by the Trustee under the provisions hereof shall be deemed at all times to be a part of such fund and the income or interest earned, profits realized or losses suffered by a fund due to the investment thereof shall be retained in, credited or charged, as the case may be, to such fund unless otherwise provided in the Applicable Series Resolution.

4. In computing the amount in any fund held by the Trustee under the provisions hereof, each Permitted Investment purchased as an investment of moneys therein or held therein shall be valued at par or the market value thereof, plus accrued interest, whichever is lower, except that investments held in the Applicable Debt Service Reserve Fund shall be valued at the market value thereof, plus accrued interest and except that Investment Agreements shall be valued at original cost, plus accrued interest.

5. The Authority, in its discretion, may direct the Trustee to, and the Trustee shall, sell, or present for redemption or exchange any investment held by the Trustee pursuant hereto and the proceeds thereof may be reinvested as provided in this Section. Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption or exchange, any investment held by it pursuant hereto whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the fund in which such investment is held. The Trustee shall advise the Authority and the

Institution in writing, on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account hereunder and of the details of all investments held for the credit of each fund in its custody under the provisions hereof as of the end of the preceding month and as to whether such investments comply with the provisions of subdivisions 1, 2 and 3 of this Section. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund in the previous month.

6. No part of the proceeds of any Applicable Series of Bonds or any other funds of the Authority shall be used directly or indirectly to acquire any securities or investments the acquisition of which would cause any Bond to be an “arbitrage bond” within the meaning of Section 148(a) of the Code.

Section 6.03 Liability for Investments. Neither the Authority nor any Trustee shall have any liability arising out of or in connection with the making of any investment authorized by the provisions of this Article 6, in the manner provided in this Article 6, for any depreciation in value of any obligation, or for any loss, direct or indirect, resulting from any investment.

ARTICLE VII

PARTICULAR COVENANTS

The Authority covenants and agrees with the Holders of Bonds of each Applicable Series of Bonds as follows; provided, however, that such covenants and agreements shall accrue to the benefit of Bondholders on a Series by Series basis, and the Bondholders of any Applicable Series shall not be entitled to the benefit of any of the covenants except to the extent they relate to such Series.

Section 7.01 Payment of Principal and Interest. The Authority shall pay or cause to be paid the principal, Sinking Fund Installments, if any, and Redemption Price of and interest on every Bond of each Applicable Series on the date and at the places and in the manner provided in such Bonds according to the true intent and meaning thereof.

Section 7.02 Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds of an Applicable Series or claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement and, in case the maturity of any of such Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefit hereof or of any Applicable Series Resolution or to any payment out of any assets of the Authority or the funds (except funds held in trust for the payment of particular Bonds of an Applicable Series or claims for interest pursuant hereto and to any Applicable Series Resolution) held by the Trustee, except subject to the prior payment of the principal of all Outstanding Bonds of such Applicable Series the maturity of which has not been extended and of such portion of the interest on such Bonds as shall not be represented by such claims for interest. Nothing herein shall be deemed to limit the right of the Authority to issue Refunding Bonds as permitted hereby and by the Act and such issuance shall not be deemed to constitute an extension of the maturity of the Bonds of an Applicable Series to be refunded.

Section 7.03 Powers as to Bonds of an Applicable Series and Pledge. The Authority is duly authorized under the Act and all applicable laws to create and issue the Bonds of each Applicable Series, to adopt this Resolution and each Applicable Series Resolution and to pledge the proceeds from the sale of such Bonds, the Revenues, the Applicable Obligation, and all funds established hereby which are pledged hereby, in the manner and to the extent provided herein and in the Applicable Series Resolution. The Authority further covenants that the proceeds from the sale of each Applicable Series of Bonds, the

Revenues, the Applicable Obligation, and all funds established hereby and pursuant to the Applicable Series Resolution are and shall be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto, prior to, or of equal rank with, the pledge created hereby and pursuant to the Applicable Series Resolution except as may otherwise be permitted in the Applicable Loan Agreement. The Authority further represents that the Bonds of each Applicable Series and the provisions hereof and of each Applicable Series Resolution are and shall be the valid and legally enforceable obligations of the Authority in accordance with their terms and the terms hereof and of each Applicable Series Resolution. The Authority further covenants that it shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues, the Applicable Obligation, and all funds established hereby which are pledged hereby and by the Applicable Series Resolution and all of the rights of the Holders of the Applicable Series of Bonds under the Resolution and the Applicable Series Resolution against all claims and demands of all persons whomsoever.

Section 7.04 Further Assurance. The Authority, at any and all times, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights and the Revenues hereby and pursuant to the Applicable Series Resolution pledged or assigned, or intended so to be, or which the Authority may hereafter become bound to pledge or assign.

Section 7.05 Accounts and Audits. The Authority shall keep proper books of record and accounts (separate from all other records and accounts), which may be kept on behalf of the Authority by the Trustee, in which complete and correct entries shall be made of its transactions relating to each Applicable Series of Bonds, which books and accounts, at reasonable hours and subject to the reasonable rules and regulations of the Authority, shall be subject to the inspection of the Obligated Group or the Applicable Institution, the Trustee, any Applicable Credit Facility Issuer or any Holder of a Bond of an Applicable Series or such Holder's representative duly authorized in writing. The Trustee shall annually prepare a report which shall be furnished to the Authority and each Facility Provider, if any, each Applicable Credit Facility Issuer, if any, and the Obligated Group. Such report shall include at least, a statement of all funds (including investments thereof) held by the Trustee and the Authority pursuant to the provisions hereof and of each Applicable Series Resolution; a statement of the Revenues collected in connection herewith and with each Applicable Series Resolution; and complete and correct entries of the Authority's transactions relating to each Series of Bonds. A copy of such report shall, upon receipt of a written request therefore, and payment of any reasonable fee or charge made in connection therewith, be furnished to the registered owner of a Bond or any beneficial owner of a Book Entry Bond requesting the same.

Section 7.06 Enforcement of Duties and Obligations of the Institution. The Authority shall take all legally available action to cause an Applicable Institution to perform fully all of the respective duties and acts and comply fully with the covenants of such Applicable Institution required by the Applicable Loan Agreement in the manner and at the times provided in such Loan Agreement relating to a Series of Bonds; provided, however, that the Authority may delay, defer or waive enforcement of one or more provisions of said Loan Agreement relating to a Series of Bonds (other than provisions requiring the payment of moneys or the delivery of Securities to the Trustee for deposit to any fund or account established hereunder) if the Authority determines such delay, deferment or waiver will not materially adversely affect the interests of the Holders of the Bonds of an Applicable Series.

Section 7.07 Deposit of Certain Moneys in the Construction Fund. In addition to the proceeds of Bonds of an Applicable Series to be deposited in the Applicable Construction Fund, any moneys paid or letter of credit or other security payable to the Authority for the acquisition, construction, reconstruction, renovation or equipment of an Applicable Project(s) and any moneys received in respect

of damage to or condemnation of such Project(s) shall be deposited in the Applicable Construction Fund, except as otherwise provided in a Series Resolution.

Section 7.08 Offices for Payment and Registration of Bonds. The Authority shall at all times maintain an office or agency in the State where Bonds of an Applicable Series may be presented for payment. The Authority may, pursuant to an Applicable Supplemental Resolution or Series Resolution or pursuant to a resolution adopted in accordance with Section 8.02 hereof, designate an additional Paying Agent or Paying Agents where Bonds of an Applicable Series authorized thereby or referred to therein may be presented for payment. The Authority shall at all times maintain an office or agency in the State where Bonds of an Applicable Series may be presented for registration, transfer or exchange and the Trustee is hereby appointed as its agent to maintain such office or agency for the registration, transfer or exchange of such Bonds. The provisions of this Section shall be subject to the provisions of Section 3.01 hereof.

Section 7.09 Amendment of Loan Agreements. The Authority may not amend, change, modify, alter or terminate a Loan Agreement so as to materially adversely affect the interest of the Holders of Outstanding Bonds without the prior written consent of the Holders of at least a majority in aggregate principal amount of the Bonds then Outstanding, with the prior written consent of the Applicable Credit Facility Issuer, if any, or (b) in case less than all of the several Series of Bonds then Outstanding are affected by the modifications or amendments, the Holders of not less than a majority in aggregate principal amount of the Bonds of each Series so affected then Outstanding, with the prior written consent of each Applicable Credit Facility Issuer, if any; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any such specified Series remain Outstanding, the consent of the Holders of such Bonds and each Applicable Credit Facility Issuer, if any, shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; provided, further, that no such amendment, change, modification, alteration or termination will reduce the percentage of the aggregate principal amount of Outstanding Bonds the consent of the Holders of which is a requirement for any such amendment, change, modification, alteration or termination, or decrease the amount of any payment required to be made by an Applicable Institution under its Applicable Loan Agreement that is to be deposited with the Trustee or extend the time of payment thereof or reduce the amount of any payment required to be made under the Obligations held by the Authority. A Loan Agreement may be amended, changed, modified or altered without the consent of the Trustee and the Holders of Outstanding Bonds to provide necessary changes in connection with the acquisition, construction, reconstruction, rehabilitation and improvement, or otherwise providing, furnishing and equipping, of any facilities constituting a part of the Applicable Projects or which may be added to or adjacent to the Applicable Projects or the issuance of Bonds, to cure any ambiguity, or to correct or supplement any provisions contained in an Applicable Loan Agreement, which may be defective or inconsistent with any other provisions contained herein or in the Loan Agreement. Notwithstanding anything in this Section 7.09 to the contrary, if an Applicable Loan Agreement expressly provides for the consent of any other person or entity to an amendment to such Loan Agreement, such consent shall be required to be obtained as provided in such Loan Agreement. Prior to execution by the Authority of any amendment, a copy thereof certified by an Authorized Officer of the Authority shall be filed with the Trustee.

For the purposes of this Section, a Series shall be deemed to be adversely affected by an amendment, change, modification or alteration of an Applicable Loan Agreement if the same adversely affects or diminishes the rights of the Holders of the Bonds of the Applicable Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any Applicable Series would be adversely affected in any material respect by any amendment, change, modification or alteration, and any such determination shall be binding and conclusive on an Applicable Institution, the Members of the Obligated Group, the Authority and all Holders of Bonds.

For all purposes of this Section, the Trustee shall be entitled to rely upon an opinion of counsel, which counsel shall be satisfactory to the Trustee, with respect to whether any amendment, change, modification or alteration adversely affects the interests of any Holders of Bonds then Outstanding in any material respect.

Section 7.10 Notice as to Event of Default Under Loan Agreement. The Authority shall notify the Trustee and any Applicable Credit Facility Issuer in writing that an “Event of Default” under a Loan Agreement, as such term is defined in such Loan Agreement, has occurred and is continuing, which notice shall be given within five (5) days after the Authority has obtained actual knowledge thereof.

Section 7.11 Tax Exemption: Rebates. Except as otherwise provided in an Applicable Series Resolution, in order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Tax-Exempt Bonds of each Applicable Series, the Authority shall comply with the provisions of the Code applicable to the Bonds of each Applicable Series of Tax-Exempt Bonds, including without limitation the provisions of the Code relating to the computation of the yield on investments of the Gross Proceeds of each Applicable Series of Bonds, reporting of earnings on the Gross Proceeds of each Applicable Series of Bonds and rebates of Excess Earnings to the Department of the Treasury of the United States of America. Except as otherwise provided herein the Authority shall comply with the letter of instructions as to compliance with the Code with respect to each such Series of Bonds, to be delivered by Bond Counsel at the time the Bonds of an Applicable Series are issued, as such letter may be amended from time to time, as a source of guidance for achieving compliance with the Code.

The Authority shall not take any action or fail to take any action, which would cause the Bonds of an Applicable Series to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

Notwithstanding any other provision hereof to the contrary, the Authority’s failure to comply with the provisions of the Code applicable to the Bonds of an Applicable Series shall not entitle the Holder of Bonds of any other Applicable Series, or the Trustee acting on their behalf, to exercise any right or remedy provided to Bondholders hereunder based upon the Authority’s failure to comply with the provisions of this Section or of the Code.

Section 7.12 General. The Authority shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Authority under the provisions hereof in accordance with the terms of such provisions.

Upon the date of issuance of the Bonds of an Applicable Series, all conditions, acts and things required by the statutes of the State and hereby to exist, to have happened and to have been performed precedent to and in the issuance of such Bonds, shall exist, have happened and have been performed and the issuance of such Bonds, together with all other indebtedness of the Authority, shall be within every debt and other limit prescribed by the laws of the State.

ARTICLE VIII

CONCERNING THE TRUSTEE

Section 8.01 Appointment and Acceptance of Trustee. The Authority, prior to the delivery of Bonds of an Applicable Series, shall appoint a Trustee by or in the manner provided in this Resolution or in the Applicable Series Resolution or Bond Series Certificate. The Trustee shall also serve as Applicable Paying Agent. The Trustee shall signify its acceptance of the duties and obligations of Trustee and Paying Agent imposed upon it hereby by written instrument or acceptance delivered to the Authority.

The Trustee shall serve in such capacity for each series of Bonds separate and apart from its capacity as Trustee for any other Series of Bonds, and any action taken by the Trustee with respect to a Series of Bonds is governed by the Trustee's rights, privileges and obligations associated with only the Applicable series of Bonds for which the Trustee is taking the action as defined herein and in the Applicable Series Resolution and Applicable Bond Series Certificate.

Section 8.02 Appointment and Acceptance of Paying Agents. In addition to the Trustee who shall also serve as the Applicable Paying Agent, the Authority may appoint one or more Paying Agents for the Bonds of any Applicable Series in the Applicable Series Resolution authorizing such Series of Bonds or in the manner provided in such Series Resolution or shall appoint such Paying Agent or Paying Agents by resolution of the Authority and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 8.13 hereof for the appointment of a successor Paying Agent. Each such Paying Agent shall signify its acceptance of the duties and obligations imposed upon it hereby by written instrument of acceptance deposited with the Authority and the Trustee.

Section 8.03 Responsibilities of Trustee and Paying Agents. The recitals of fact contained herein and in each Applicable Series Resolution and in the Bonds of an Applicable Series shall be taken as the statements of the Authority and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent makes any representations as to the validity or sufficiency hereof, of any Applicable Series Resolution or of any Bonds of an Applicable Series, or in respect of the security afforded hereby or by each Applicable Series Resolution, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to: (i) the issuance of such Bonds for value; (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee or Paying Agent; or (iii) the application of any moneys paid to the Authority or others in accordance herewith and with each Applicable Series Resolution except as to the application of any moneys paid to it in its capacity as Trustee or Paying Agent. Neither the Trustee nor any such Applicable Paying Agent shall be liable in connection with the performance of its duties hereunder and under each Series Resolution except for its own negligence or willful misconduct.

The duties and obligations of the Trustee and any Paying Agent shall be determined by the express provisions hereof and of each Applicable Series Resolution and neither the Trustee nor any Paying Agent shall be liable except for the performance of such duties and obligations as are specifically set forth herein and in each Applicable Series Resolution.

The Trustee shall not be deemed to have notice of an event of default hereunder, other than an event of default under Section 11.02(a) or Section 11.02(b) hereof, unless it has received actual notice and the Trustee shall assume such event of default shall be continuing until it has received actual notice to the contrary.

Neither the Trustee nor any Paying Agent shall be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it hereby or by any Applicable Series Resolution.

Section 8.04 Property Held in Trust. All moneys and Securities conveyed to or held by the Trustee for each Series of Bonds, except for amounts held in the Applicable Arbitrage Rebate Fund and the Applicable Credit Facility Repayment Fund, if any, at any time pursuant to the terms hereof and of each Applicable Series Resolution shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions hereof and of each Series Resolution.

The Trustee shall hold all moneys in the Applicable Arbitrage Rebate Fund and the Applicable Credit Facility Repayment Fund, if any, as the agent of the Authority and shall not disburse amounts therefrom except pursuant to the written instructions of the Authority.

Section 8.05 Evidence on Which Fiduciaries May Act. The Trustee and any Paying Agent for each Series of Bonds shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it in good faith to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel, who may or may not be counsel to the Authority, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under an Applicable Series Resolution, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate of the Authority or, with the permission of the Authority, signed by an Authorized Officer of the Obligated Group. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Applicable Series Resolution upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Applicable Series Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Applicable Series Resolution by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Resolution and delivered using facsimile or email ("Electronic Means"); provided, however, that the Authority shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. If the Authority elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Authority understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority shall be responsible for ensuring that only Authorized Officers transmit, or direct the transmission of, such Instructions to the Trustee and that the Authority is solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding whether such directions conflict or are inconsistent with a subsequent written instruction. The Authority agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of

protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 8.06 Compensation. Unless otherwise provided by contract with the Trustee or any Paying Agent, the Authority shall pay to each Trustee and to each Paying Agent, from time to time, reasonable compensation for all services rendered by it hereunder and under the Applicable Series Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties hereunder and under the Applicable Series Resolution, and each Trustee and Paying Agent shall have a lien therefor on any and all funds at any time held by it hereunder and under the Applicable Series Resolution (other than the Applicable Arbitrage Rebate Fund and the Applicable Credit Facility Repayment Fund, if any, and any moneys derived from a drawing upon any Credit Facility) prior to any of the Bonds for which such services have been rendered; provided, however, that neither the Trustee nor any Paying Agent shall be entitled to compensation for any expenses, charges, counsel fees or other disbursements incurred in connection with or incident to its resignation or its removal by the Holders of Bonds or by a court of competent jurisdiction as provided in Section 8.09 or 8.13 hereof, whether or not the same were incurred in or about the performance of its powers and duties hereunder or under a Series Resolution in connection with its resignation or removal. The Authority shall indemnify and save the Trustee and each Applicable Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder and under the Applicable Series Resolution and which are not due to its negligence or willful misconduct. None of the provisions contained herein or in any such Applicable Series Resolution shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The Trustee shall not be required to take any action at the request or direction given pursuant to Article 11 hereof, unless and until the Trustee shall have been indemnified and held harmless against any liabilities and all reasonable expenses, charges, counsel fees and other disbursements, including those of the Trustee's attorneys, agents and employees, incurred in connection with or as a result of taking the action requested or directed to be taken which are not due to the Trustee's own negligence or willful misconduct.

Section 8.07 Permitted Acts. The Trustee and any Paying Agent may become the owner of or may deal in Bonds of an Applicable Series as fully and with the same rights as if it were not such Trustee or Paying Agent. The Trustee and any Paying Agent may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Authority or any committee formed to protect the rights of Holders of Bonds of an Applicable Series or to effect or aid in any reorganization growing out of the enforcement hereof or of such Bonds or any Applicable Series Resolution whether or not such committee shall represent the Holders of a majority in principal amount of the Outstanding Bonds of an Applicable Series in respect of which any such action is taken.

Section 8.08 Resignation of Trustee. The Trustee of a Series of Bonds, or any successor thereof, may at any time resign and be discharged of its duties and obligations hereunder and under an Applicable Series Resolution by giving not less than sixty (60) days written notice to the Authority and giving notice thereof not later than ten (10) days after giving notice to the Authority, by first class mail postage prepaid to the Applicable Credit Facility Issuer, if any, and the registered owners of Bonds of the Applicable Series at their last known address, if any, appearing on the registration books of the Authority, specifying the date when such resignation shall take effect. Such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed as provided in Section 8.10 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; provided, however, that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 8.10 hereof. The Authority shall

give the Obligated Group and the Applicable Institution written notice of the resignation of such Applicable Trustee.

Section 8.09 Removal of Trustee. The Trustee of a Series of Bonds, or any successor thereof, may be removed as to an Applicable Series at any time by the Holders of a majority in principal amount of the Outstanding Bonds of such Series, with the prior written consent of the Applicable Credit Facility Issuer, if any, excluding any Bonds of such Series held by or for the account of the Authority, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Authority; provided that no such removal shall take effect until a successor Trustee has been appointed. Copies of each such instrument providing for any such removal shall be delivered by the Authority to such Trustee and any successor thereof. The Trustee, or any successor thereof, may also be removed as to an Applicable Series at any time (i) upon the direction of the Authority, at the request of the Obligated Group, so long as the Applicable Institution or Obligated Group is not then in default, or (2) for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of the Applicable Series Resolution with respect to the duties and obligations of the Trustee by any court or competent jurisdiction upon application by the Authority or the Holders of not less than twenty per centum (20%) in aggregate principal amount of Bonds then Outstanding of such Applicable Series; provided that no such removal shall take effect until a successor Trustee has been appointed. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the Authority to the Trustee or such successor thereof. The Authority shall give written notice of the removal of the Trustee to the Obligated Group.

Section 8.10 Successor Trustee. In case the Trustee of an Applicable Series, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority shall forthwith appoint a Trustee to act as Trustee and Applicable Paying Agent. Copies of any instruments of the Authority providing for any such appointment shall be delivered by the Authority to the Trustee so appointed, the predecessor Trustee and the Obligated Group Representative. The Authority shall publish notice of any such appointment at least once in an Authorized Newspaper, the first publication to be made within twenty (20) days after such appointment. In lieu of publication in an Authorized Newspaper, the Authority may satisfy the requirements of this Section 8.10 by (i) posting, or causing the Institution to post the appointment of such successor Trustee on the Electronic Municipal Market Access portal of the Municipal Securities Rulemaking Board to all applicable CUSIP numbers and (ii) causing notice of the appointment of such successor Trustee to be sent to the Holders of the applicable Bonds through the facilities of the Depository.

If no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 8.08 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Holder of a Bond of such Series may apply to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor.

Any successor appointed under the provisions of this Section shall be a bank located in the State having trust powers or a trust company organized under the laws of the State or national banking association located in the State, in either case having a capital and surplus aggregating at least \$100,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by the Applicable Series Resolution.

Section 8.11 Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 8.10 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Authority, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under the Applicable Series Resolution, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Authority or of such successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder and under the Applicable Series Resolution, and shall pay over, assign and deliver to such successor any moneys or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Authority be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties or obligations, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Authority.

Section 8.12 Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 8.10 hereof, shall be the successor to such Trustee, without any further act, deed or conveyance.

Section 8.13 Resignation or Removal of the Paying Agents and Appointment of Successors. Any Paying Agent (other than the Trustee of a Series of Bonds) may at any time resign and be discharged of the duties and obligations created hereby and by an Applicable Series Resolution by giving at least sixty (60) days written notice to the Authority, the Trustee and the Applicable Credit Facility Issuer, if any. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed on behalf of the Authority. Any successor Paying Agent shall be appointed by the Authority and (subject to the requirements of Section 7.08 hereof) shall be a bank having trust powers or trust company organized under the laws of any state of the United States of America or a national banking association, in either case having a capital and surplus aggregating at least \$100,000,000, and willing and able to accept the office of Paying Agent on reasonable and customary terms and authorized by law to perform all the duties imposed upon it hereby and by the Applicable Series Resolution.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed. The Authority shall give written notice of the resignation or removal of any Paying Agent of any Applicable Series of Bonds to the Obligated Group .

Section 8.14 Amortization Schedule. Upon the request of the Authority or an Authorized Officer of the Obligated Group or an Applicable Institution, the Trustee shall prepare a schedule setting forth as at the date of such schedule the principal amount of Outstanding Bonds of the Applicable Series, the dates on which the principal and Sinking Fund Installments, if any, of and interest on, all Outstanding Bonds of the Applicable Series other than Variable Interest Rate Bonds, are payable, the amount payable on each such date for the principal and Sinking Fund Installments, if any, of and interest on Outstanding Bonds of the Applicable Series exclusive of interest payable on Variable Rate Bonds.

ARTICLE IX

SERIES RESOLUTIONS AND SUPPLEMENTAL RESOLUTIONS

Section 9.01 Adoption and Filing. The Authority may adopt at any time or from time to time an Applicable Series Resolution to authorize the issue of an Applicable Series of Bonds as provided in Section 2.02. A copy of each such Applicable Series Resolution relating to a Series of Bonds, together with a copy of this Resolution, each certified by the Authority, shall be filed with the Trustee.

Section 9.02 Modification and Amendment Without Consent. Notwithstanding any other provisions of this Article 9 or Article 10 hereof, the Authority may adopt at any time or from time to time, with prior written notice to the Applicable Credit Facility Issuer, if any, Supplemental Resolutions for any one or more of the following purposes, and any such Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by the Authority:

(b) To prescribe further limitations and restrictions upon the issuance of Bonds of an Applicable Series and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;

(c) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority contained herein;

(d) To confirm, as further assurance, any pledge under, and the subjection to any lien, claim or pledge created or to be created by the provisions of, the Resolution, the Master Indenture, or any Applicable Series Resolution, the Revenues, or any pledge of any other moneys, Securities or funds;

(e) To modify any of the provisions hereof or of any previously adopted Applicable Series Resolution in any other respects, provided that such modifications shall not be effective until after all Bonds of an Applicable Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution shall cease to be Outstanding, and all Bonds of an Applicable Series issued under an Applicable Series Resolution shall contain a specific reference to the modifications contained in such subsequent resolutions;

(f) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that any such modifications are not contrary to or inconsistent herewith as theretofore in effect, or to modify any of the provisions hereof or of any previously adopted Applicable Series Resolution or Applicable Supplemental Resolution in any other respect, provided that such modification shall not adversely affect the interests of the Holders of Bonds of an Applicable Series in any material respect;

(g) With respect to any Bonds that are Variable Interest Rate Bonds, upon any mandatory tender and remarketing, to modify any provision hereof or an Applicable Series Resolution.

The provisions hereof and an Applicable Series Resolution may also be modified or amended at any time or from time to time by an Applicable Supplemental Resolution, subject to the consent of the Applicable Bondholders in accordance with and subject to the provisions of Article 10 hereof, such Supplemental Resolution to become effective upon the filing with the Trustee of a copy thereof certified by the Authority.

Section 9.04 General Provisions Relating to Applicable Series Resolutions and Supplemental Resolutions. The Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article 9 and Article 10 hereof. Nothing contained in this Article 9 or Article 10 hereof shall affect or limit the rights or obligations of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.04 hereof or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere herein provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Applicable Series Resolution and Applicable Supplemental Resolution adopted by the members of the Authority, when filed with the Trustee thereunder, shall be accompanied by an opinion of Applicable Bond Counsel stating that such Applicable Series Resolution or Applicable Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Authority and enforceable in accordance with its terms.

The Trustee is hereby authorized to accept delivery of a certified copy of any Applicable Series Resolution or Applicable Supplemental Resolution permitted or authorized pursuant to the provisions hereof and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on the opinion of Bond Counsel that such Applicable Series Resolution or Applicable Supplemental Resolution is authorized or permitted by the provisions hereof.

No Applicable Series Resolution or Applicable Supplemental Resolution changing, amending or modifying any of the rights or obligations of the Trustee or of any Paying Agent, shall become effective without the written consent of the Trustee or Paying Agent affected thereby.

ARTICLE X

AMENDMENTS OF RESOLUTION

Section 10.01 Powers of Amendment. Any modification or amendment hereof and of the rights and obligations of the Authority which shall be deemed to affect an Applicable Series of Bonds and of the Holders of the Bonds of such Applicable Series hereunder, in any particular, may be made by an Applicable Supplemental Resolution, with the prior written consent given as hereinafter provided in Section 10.02 hereof, (i) of the Holders of at least 51% in principal amount of the Bonds Outstanding of an Applicable Series at the time such consent is given, or (ii) in case the modification or amendment changes the amount or date of any Sinking Fund Installment, of the Holders of at least 51% in principal amount of the Bonds of the Applicable Series, maturity and interest rate entitled to such Sinking Fund Installment Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any Applicable Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond of an Applicable Series or of any installment of interest

thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of an Applicable Series the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, an Applicable Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of an Applicable Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds of an Applicable Series. The Trustee may receive an opinion of counsel, including an opinion of Bond Counsel, as conclusive evidence as to whether the Bonds of an Applicable Series or maturity would be so affected by any such modification or amendment hereof.

Section 10.02 Consent of Bondholders. The Authority may at any time adopt an Applicable Supplemental Resolution making a modification or amendment permitted by the provisions of Section 10.01 hereof to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee) together with a request to the Holders of the Applicable Series of Bonds affected thereby for their consent thereto in form satisfactory to the Trustee, shall promptly after adoption be mailed or caused to be mailed by the Trustee at the direction of the Authority to such Bondholders (but failure to mail such copy to any particular Bondholder shall not affect the validity of such Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consent of such Holders of the percentages of Outstanding Bonds of an Applicable Series specified in Section 10.01 hereof and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions hereof, is authorized or permitted hereby, and is valid and binding upon the Authority and enforceable in accordance with its terms. Each such consent shall be effective only if accompanied by proof of the holding or owning at the date of such consent, of the Bonds of an Applicable Series with respect to which such consent is given, which proof shall be such as is permitted by Section 13.01 hereof. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 13.01 hereof shall be conclusive proof that the consents have been given by the Holders of the Bonds of the Applicable Series described in the certificate or certificates of the Trustee. Any consent given by a Holder of Bonds of an Applicable Series shall be binding upon such Bondholder giving such consent and, anything in Section 13.01 hereof to the contrary notwithstanding, upon any such subsequent Bondholder and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by such Bondholder giving such consent or such subsequent Holder thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section provided for is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after such Holders of the required percentages of Bonds shall have filed their consents to such Supplemental Resolution, the Trustee shall make and file with the Authority and the Trustee a written statement that such Holders have filed such consents. Such written statement shall be conclusive evidence that such consents have been so filed. At any time thereafter notice, stating in substance that such Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds of each Applicable Series and will be effective as provided in this Section, shall be given to such Bondholders by the Trustee at the direction of the Authority by mailing or causing the mailing of such notice to the Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section provided). A transcript, consisting of the papers required or permitted by this

Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Trustee, each Applicable Paying Agent, and the Holders of each Applicable Series of Bonds upon the filing with the Trustee of proof of the mailing of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the Authority, the Trustee and any Paying Agent during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 10.03 Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Authority and of the Holders of the Bonds of an Applicable Series hereunder may be modified or amended in any respect upon the adoption and filing with the Trustee by the Authority of a copy of such Supplemental Resolution certified by the Authority and the consent of the Holders of all of the Bonds then Outstanding of the Applicable Series, such consent to be given as provided in Section 10.02 hereof, except that no notice to such Bondholders either by mailing or publication shall be required.

Section 10.04 Mailing. Any provision in this Article 10 for the mailing of a notice or other document to Bondholders shall be fully complied with if it is mailed postage prepaid only (i) to each registered owner of Bonds then Outstanding of each Applicable Series at such person's address, if any, appearing upon the registry books of the Authority, and (ii) to the Trustee.

Section 10.05 Exclusion of Bonds. Bonds of an Applicable Series owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and the Authority shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Authority shall furnish the Trustee a certificate upon which the Trustee may rely, describing all Bonds of an Applicable Series so to be excluded.

Section 10.06 Notation on Bonds. Bonds of an Applicable Series delivered after the effective date of any action taken as in Article 9 hereof or this Article 10 provided may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding of each Applicable Series at such effective date and upon presentation of such Holder's Bond for such purpose at the principal corporate trust office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Authority or the Trustee shall so determine, new Bonds of an Applicable Series so modified as, in the opinion of the Trustee and the Authority, conform to such action shall be prepared and delivered, and upon demand of the Holder of any such Bond then Outstanding shall be exchanged, without cost to such Bondholder, for such Bonds of the same Applicable Series and maturity then Outstanding, upon surrender of such Bonds.

Section 10.07 Credit Facility Issuer as Holder. If an Applicable Credit Facility Issuer has issued a Credit Facility for any Series of Bonds, such Applicable Credit Facility Issuer shall be deemed the Holder of such Bonds for purposes of Article 10 and such other purposes as may be set forth in the Applicable Series Resolution unless the Credit Facility Issuer shall then be in default of its obligations under its Credit Facility.

ARTICLE XI

DEFAULTS AND REMEDIES

Section 11.01 Trustee to Exercise Powers of Statutory Trustee. The Trustee for each Series of Bonds shall be and hereby is vested with all of the rights, powers and duties of a trustee appointed by Holders of an Applicable Series of Bonds pursuant to Section 1686 of the Act which are not inconsistent with the provisions of the Resolution and the Master Indenture and the right of such Holders to appoint a trustee pursuant to Section 1686 of the Act is hereby abrogated in accordance with the provisions of subdivision 4(g) of Section 1682 of the Act.

Section 11.02 Events of Default. An event of default shall exist hereunder and under an Applicable Series Resolution (herein called “event of default”) if:

(a) With respect to the Applicable Series of Bonds, payment of the principal, Sinking Fund Installments, Purchase Price or Redemption Price of any such Bond shall not be made by the Authority when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or

(b) With respect to the Applicable Series of Bonds, payment of an installment of interest on any such Bond shall not be made by the Authority when the same shall become due and payable; or

(c) With respect to the Applicable Series of Tax-Exempt Bonds, the Authority shall default in the due and punctual performance of the covenants contained in Section 7.12 hereof and, as a result thereof, the interest on the Bonds of such Series shall no longer be excludable from gross income under Section 103 of the Code; or

(d) With respect to the Applicable Series of Bonds, the Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions for the benefit of the holders of such Bonds contained herein or in the Bonds of such Series or in the Applicable Series Resolution on the part of the Authority to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority by the Trustee (unless such default is not capable of being cured within thirty (30) days, the Authority has commenced to cure such default within thirty (30) days and diligently prosecutes the cure thereof), which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Applicable Series with the prior written consent of the Applicable Credit Facility Issuer; or

(e) The Authority shall have notified the Trustee that an “Event of Default”, as defined in the Applicable Loan Agreement, arising out of or resulting from the failure of the Applicable Institution to comply with the requirements of the Applicable Loan Agreement shall have occurred and be continuing and all sums payable by the Institution under the Applicable Loan Agreement shall have been declared to be immediately due and payable, which declaration shall not have been annulled.

An event of default under this Resolution in respect of an Applicable Series of Bonds shall not in and of itself be or constitute an event of default in respect of any other Applicable Series of Bonds.

Section 11.03 Acceleration of Maturity. Upon the happening and continuance of any event of default specified in Section 11.02 hereof, other than an event of default specified in paragraph (c) of Section 11.02 hereof, then and in every such case the Trustee may, and, upon the written request of (i) the Applicable Credit Facility Issuers, if any, or the Holders of not less than twenty-five per centum (25%) in principal amount of an Applicable Series of Outstanding Bonds, with the prior written consent of the Applicable Credit Facility Issuers, if any, or (ii) if one or more Applicable Credit Facility Issuers, if any, have deposited with the Trustee a sum sufficient to pay the principal of and interest on the Applicable Outstanding Bonds due upon the acceleration thereof, upon the request of an Applicable Credit Facility Issuer, if any, or Applicable Credit Facility Issuers, if any, making such deposit, shall: (A) by a notice in writing to the Authority, declare the principal of and interest on all of the Outstanding Bonds of the Applicable Series to be due and payable immediately and (B) request that the Master Trustee declare all applicable Outstanding Obligations (as defined in the Master Indenture) to be immediately due and payable. At the expiration of thirty (30) days after the giving of notice of such declaration, such principal and interest shall become and be immediately due and payable, anything herein or in any Applicable Series Resolution or in the Bonds to the contrary notwithstanding. In the event that an Applicable Credit Facility Issuer shall make any payments of principal of or interest on any Bonds of the Applicable Series pursuant to an Applicable Credit Facility and the Bonds of the Applicable Series are accelerated, such Applicable Credit Facility Issuer may at any time and at its sole option, pay to the Bondholders all or such portion of amounts due under such Bonds of the Applicable Series prior to the stated maturity dates thereof. At any time after the principal of the Bonds of the Applicable Series shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy hereunder, the Trustee shall, with the prior written consent of Applicable Credit Facility Issuers, if any, which have issued Applicable Credit Facilities for not less than twenty-five per centum (25%) in principal amount of the Applicable Bonds not then due by their terms and then Outstanding, or the Holders of not less than twenty-five per centum (25%) in principal amount of the Applicable Outstanding Bonds, with the prior written consent of the Applicable Credit Facility Issuers, if any, and by written notice to the Authority, annul such declaration and its consequences if: (i) moneys shall have accumulated in the Applicable Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Applicable Outstanding Bonds (except the interest accrued on such Bonds since the last interest payment date); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and any Paying Agent; (iii) all other amounts then payable by the Authority hereunder and under the Applicable Series Resolution (other than principal amounts payable only because of a declaration and acceleration under this Section) shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained herein or in the Applicable Series Resolution or in the Bonds (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this Section) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 11.04 Enforcement of Remedies. Upon the happening and continuance of any event of default specified in Section 11.02 hereof, then and in every such case, the Trustee of a Series of Bonds may proceed, and upon the written request of the Applicable Credit Facility Issuers, if any, which have issued Applicable Credit Facilities for not less than twenty-five per centum (25%) in principal amount of the Applicable Outstanding Bonds, or of the Holders of not less than twenty-five per centum (25%) in principal amount of the Applicable Outstanding Bonds with the consent of the Applicable Credit Facility Issuers, if any, or, in the case of a happening and continuance of an event of default specified in paragraph (c) of Section 11.02 hereof, upon the written request of the Applicable Holders of not less than twenty-five per centum (25%) in principal amount of the Applicable Outstanding Bonds of the Series affected thereby with the consent of the Applicable Credit Facility Issuer, if any, of such Series of Bonds, shall

proceed (subject to the provisions of Section 8.06 hereof), to protect and enforce its rights and the rights of the Bondholders or of such Applicable Facility Provider, if any, hereunder or under the Applicable Series Resolution or under the laws of the State by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained hereunder or under the Applicable Series Resolution or in aid or execution of any power herein or therein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy hereunder and under the Applicable Series Resolution, the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Authority for principal or interest or otherwise under any of the provisions of the Resolution or of any Applicable Series Resolution or of the Applicable Series of Bonds, with interest on overdue payments of the principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under any Applicable Series Resolution and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Authority but solely as provided herein, in any Applicable Series Resolution and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 11.05 Priority of Payments After Default. If at any time the moneys held by the Trustee in the Applicable funds and accounts and under the Applicable Series Resolution shall not be sufficient to pay the principal of and interest on the Bonds of the Applicable Series as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of Section 11.03 hereof), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in this Article 11 or otherwise, shall be applied (after payment of all amounts owing to the Trustee hereunder) as follows:

(a) Unless the principal of all the Bonds of the Applicable Series shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of such maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in such Bonds; or

Second: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Bonds of such Series which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all of such Bonds due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds of the Applicable Series shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over

interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond of such Series over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in said Bonds.

The provisions of this Section are in all respects subject to the provisions of Section 7.02 hereof.

Whenever moneys are to be applied by the Trustee of a Series of Bonds pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. The setting aside of such moneys in trust for the proper purpose shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Authority, to any Holder of Bonds of any Applicable Series or to any other person for any delay in applying any such moneys so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be on an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date.

Section 11.06 Termination of Proceedings. In case any proceedings taken by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Authority, the Trustee, each Applicable Credit Facility Issuer, if any, each Applicable Facility Provider, if any, the Members of the Obligated Group and the Holders of Bonds of each Applicable Series shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 11.07 Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Applicable Credit Facility Issuers, if any, or the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of an Applicable Series with the prior written consent of the Applicable Credit Facility Issuers, if any, or, in the case of an event of default specified in paragraph (c) of Section 11.02 hereof, the Holders of a majority in principal amount of the Outstanding Bonds of the Applicable Series with the prior written consent of the Applicable Credit Facility Issuers, if any, shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder and under the Applicable Series Resolution, provided, such direction shall not be otherwise than in accordance with law or the provisions hereof and of the Applicable Series Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.08 Limitation of Rights of Individual Bondholders. Neither any Holder nor any Applicable Credit Facility Issuer with respect to any of the Bonds of an Applicable Series shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder or under any Applicable Series Resolution, or for any other remedy hereunder unless such Holder or Applicable Credit Facility Issuer previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of an

Applicable Series with the prior written consent of the Applicable Credit Facility Issuer or, in the case of an event of default specified in paragraph (c) of Section 11.02 hereof, the Holders of not less than a majority in principal amount of the Outstanding Bonds of such Series with the prior written consent of the Applicable Credit Facility Issuer, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and thereunder. It is understood and intended that no one (1) or more of the Applicable Credit Facility Issuers of an Applicable Series secured hereby and by an Applicable Series Resolution shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds of such Series. Notwithstanding any other provision hereof, the Holder of any Bond of an Applicable Series shall have the right which is absolute and unconditional to receive payment of the principal of (or Redemption Price, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 11.09 Actions by Trustee; Possession of Bonds by Trustee Not Required. All rights of action hereunder or under any of the Bonds of an Applicable Series secured hereby and any Applicable Series Resolution, enforceable by the Trustee of a Series of Bonds, may be enforced by it without the possession of any of such Bonds or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Bonds of such Series to which such action relates, subject to the provisions hereof.

Section 11.10 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee, any Applicable Credit Facility Issuers, if any, or the Holders of Bonds of an Applicable Series is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 11.11 Waiver and Non-Waiver of Default. No delay or omission of the Trustee, any Applicable Credit Facility Issuers, if any, or any Holder of Bonds of an Applicable Series to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article 11 to the Trustee, any Applicable Credit Facility Issuers, if any, and the Holders of Bonds of an Applicable Series, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Applicable Credit Facility Issuers, if any, or Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of an Applicable Series with the prior written consent of the Applicable Credit Facility Issuers, if any, or, in the case of a default specified in paragraph (c) of Section 11.02 hereof, the Holders of a majority in principal amount of the Outstanding Bonds of the Applicable Series with the prior written consent of the Applicable Credit Facility Issuers, if any, shall waive any default which in its opinion shall have been

remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder; but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon. The rights of the Applicable Credit Facility Issuers in this Section 11.11 apply only to the extent there is no Credit Facility Default and the full benefit of the Credit Facility remains available.

Section 11.12 Notice of Event of Default. The Trustee shall give notice of each event of default hereunder known to the Trustee to the Holders of Bonds of a Series and the Applicable Credit Facility Issuers, if any, of an Applicable Series within thirty (30) days after knowledge of the occurrence thereof, unless such event of default shall have been remedied or cured before the giving of such notice; provided, however, that, except in the case of default in the payment of the principal, Sinking Fund Installments or Redemption Price of, or interest on, any of such Bonds, the Trustee shall be protected in withholding notice thereof to the Holders of such Bonds if and so long as the Trustee in good faith determines that the withholding of such notice is in the best interests of such Holder and the Credit Facility Issuers, if any. Each such notice of event of default shall be given by the Trustee by mailing written notice thereof: (i) to all registered Holders of Bonds of the Applicable Series, as the names and addresses of such Holders appear on the books for registration and transfer of bonds as kept by the Trustee and the Credit Facility Issuers, if any, (ii) to the Obligated Group Representative, (iii) to any Rating Service then maintaining a rating on such Bonds, and (iv) to such other persons as is required by law. Any such notice required to be mailed to Holders of Bonds may be published by the Trustee in an Authorized Newspaper.

Section 11.13 Credit Facilities. Unless otherwise provided in an Applicable Series Resolution or an Applicable Bond Series Certificate, (a) If, on the tenth (10th) Business Day next preceding any Interest Payment Date, there are not on deposit in an Applicable Debt Service Fund and an Applicable Debt Service Reserve Fund sufficient moneys available pursuant to Sections 5.06 and 5.07 hereof to pay all principal of and interest on the Applicable Series of Bonds due on such date, the Trustee shall immediately notify the Applicable Credit Facility Issuers, if any, of the amount of such deficiency.

(b) If, by the third (3rd) Business Day next preceding said Interest Payment Date, the Trustee has not notified the Applicable Credit Facility Issuers that the amount of such deficiency has been provided by the Authority or the Applicable Institution(s), the Trustee shall make available to the Applicable Credit Facility Issuers the registration books of the Authority maintained by the Trustee.

(c) The Trustee is hereby irrevocably designated, appointed and authorized to act as attorney-in-fact for owners of the Bonds as follows: (i) if and to the extent there is a deficiency in amounts required to pay interest on the Bonds as described in subsection (b) above, to execute and deliver an assignment or assignments to the Applicable Credit Facility Issuer or Applicable Credit Facility Issuers, if any, of the claims for interest to which such deficiency relates and to receive as designee of the respective Bondholders (and not as Trustee) in accordance with the tenor of the Applicable Credit Facility payments from such Applicable Credit Facility Issuer or Applicable Credit Facility Issuers, if any, with respect to the claims for interest so assigned and disburse the same to such respective Bondholders; (ii) if and to the extent of a deficiency in amounts required to pay principal of the Bonds as described in subsection (b) above, to execute and deliver to the Applicable Credit Facility Issuer or Applicable Credit Facility Issuers an assignment of so much of the principal amount of the Applicable Bonds as has not previously been paid or for which monies are not held by the Paying Agent or Trustee and available for such payment, and to receive as designee of such Bondholders (and not as Paying Agent) in accordance with the tenor of the Credit Facility payments therefor from such Applicable Credit Facility Issuer or Applicable Credit Facility Issuers and disburse the same to such Bondholders; and (iii) to receive payment from the Applicable Credit Facility Issuers. Payments with respect to claims for interest and principal disbursed by the Paying Agent from proceeds of the Applicable Credit Facilities shall not be

considered payment by the Authority, and an Applicable Credit Facility Issuer shall become the owner of the unpaid Bonds for which it has provided payment and claims for principal and interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise. Irrespective of whether any such assignment is executed and delivered, the Authority, the Trustee and Paying Agent hereby agree for the benefit of the Credit Facility Issuers that (x) they recognize that to the extent an Applicable Credit Facility Issuer makes payments, directly or indirectly (as by paying through an Insurance Trustee or Paying Agent or Trustee), on account of principal of or interest on the Bonds of Series to the registered owners of such Bonds such Credit Facility Issuer will be subrogated to the rights of such owners to receive such principal and interest from the Authority and (y) they will accordingly pay to such Credit Facility Issuer such principal and interest, but only from the sources and in the manner provided herein for the payment of principal of and interest on the Bonds of an Series to Bondholders of such Series, and will otherwise treat the Applicable Credit Facility Issuer as the owner of such rights to principal and interest. To evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Applicable Credit Facility Issuer's rights as subrogee on the registration books maintained by the Trustee upon receipt from such Credit Facility Issuer of proof of the payment of interest thereon to the owners of such Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Applicable Credit Facility Issuer's rights as subrogee on the registration books maintained by the Trustee upon receipt of proof of the payment of principal thereof to the Bondholders of such Series of Bonds.

(d) In the event that the Trustee has notice that any payment of principal of or interest on a Bond has been recovered from any Holder of a Bond pursuant to Section 547 or 544(b) of the United States Bankruptcy Code in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall provide notice to the Applicable Credit Facility Issuer of such recovery and notify all Bondholders that in the event that any such Bondholder's payment is so recovered, such Bondholder will be entitled to payment from the Applicable Credit Facility Issuer to the extent of such recovery; the Trustee shall furnish to such Credit Facility Issuer its records evidencing the payments of principal of and interest on the Bonds of the Series which have been made by the Trustee and subsequently recovered from such Bondholders, and the dates on which such payments were made. Payment under this subparagraph (d) shall be made pursuant to the procedure outlined in subparagraph (c) above.

The provisions of this Section shall be subject to the provisions of the Applicable Series Resolution and the Applicable Bond Series Certificate regarding Credit Facilities.

Section 11.14 Termination of Credit Facility Issuer's Rights. Whenever by the terms of this Article 11 the consent or approval of an Applicable Credit Facility Issuer is required or an Applicable Credit Facility Issuer, alone or together with any other Credit Facility Issuer or the Holders of Bonds of a Series, is authorized to request or direct the Trustee to take any action, such consent or approval shall not be required and the Trustee shall not be obligated to comply with such request or direction if a Credit Facility Default then exists with respect to such Credit Facility. Nothing contained herein shall limit or impair the rights of the Holders of Bonds or other Credit Facility Issuers to give any consent or approval or to request or direct the Trustee to take any action and, if a Credit Facility Default then exists with respect to such Credit Facility, such consent or approval shall be effective without the consent or approval of such Applicable Credit Facility Issuer otherwise required by this Article 11 and the Trustee shall comply with such request or direction notwithstanding that such request or direction is required to be given or made together with such Credit Facility Issuer.

If such Credit Facility Default shall be cured the Trustee will follow the instructions of the Applicable Credit Facility Issuer in accordance with this Resolution. Anything in this Resolution or the Applicable Series Resolution to the contrary notwithstanding, any rights of subrogation of an Applicable

Credit Facility Issuer gained as a result of any payments made pursuant to an Applicable Credit Facility shall continue to exist and be unaffected by any limitations on such rights in this Section 11.14 or elsewhere in the Resolution or in the Applicable Series Resolution imposed as a result of a Credit Facility Default.

Section 11.15 Credit Facility Issuer as Holder. If an Applicable Credit Facility Issuer has issued a Credit Facility for any Series of Bonds, such Applicable Credit Facility Issuer shall be deemed the Holder of such Bonds for purposes of Article 11 and such other purposes as may be set forth in the Applicable Series Resolution unless a Credit Facility Default shall have occurred and has not been cured.

ARTICLE XII

DEFEASANCE

Section 12.01 Defeasance.

1. If the Authority shall pay or cause to be paid to the Holders of the Bonds of an Applicable Series the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, thereof and interest thereon, at the times and in the manner stipulated therein, herein, and in the Applicable Series Resolution and Applicable Bonds Series Certificate, then the pledge of the Revenues or other moneys and securities pledged to such Series of Bonds and all other rights granted hereby to such Series of Bonds shall be discharged and satisfied, and the right, title and interest of the Trustee in the Applicable Loan Agreement, and the Revenues shall thereupon cease with respect to such Series of Bonds. Upon such payment or provision for payment, the Trustee, on demand of the Authority, shall release the lien of the Resolution and Applicable Series Resolution but only with respect to such Applicable Series, except as it covers moneys and securities provided for the payment of such Bonds, and shall execute such documents to evidence such release as may be reasonably required by the Authority and the Obligated Group and shall turn over to the Obligated Group or such person, body or authority as may be entitled to receive the same, upon such indemnification, if any, as the Authority or the Trustee may reasonably require, all balances remaining in any funds held under the Applicable Series Resolution after paying or making proper provision for the payment of the principal or Redemption Price (as the case may be) of, and interest on, all Bonds of the Applicable Series and payment of expenses in connection therewith; provided that if any, of such Bonds are to be redeemed prior to the maturity thereof, the Authority shall have taken all action necessary to redeem such Bonds and notice of such redemption shall have been duly mailed in accordance with the Resolution and the Applicable Series Resolution or irrevocable instructions to mail such notice shall have been given to the Trustee.

2. Bonds of an Applicable Series for which moneys shall have been set aside, shall be held in trust by the Trustee for the payment or redemption thereof, (through deposit of moneys for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subdivision 1 of this Section. All Outstanding Bonds of an Applicable Series or any maturity within such Series or a portion of a maturity within such Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subdivision 1 of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail, as provided in Article 4 hereof, notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities, which obligations are not subject to redemption prior to maturity other than at the option of the holder or which have been irrevocably called for redemption on a stated future date, the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time,

shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on said Bonds of an Applicable Series on and prior to the redemption date or maturity date thereof, as the case may be, (c) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the holders of said Bonds at their respective last known addresses, if any, appearing on the registration books, and, if directed by an Authorized Officer of the Authority, by publication, at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds. The Authority shall give written notice to the Trustee of its selection of the maturity for which payment shall be made in accordance with this Section. The Trustee shall select which Bonds of such Series and which maturity thereof shall be paid in accordance with this Section in the manner provided in Section 4.04 hereof. Neither the Defeasance Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds; provided that any moneys received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in the Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on such Bonds on and prior to such redemption date or maturity date thereof, as the case may be. Any income or interest earned by, or increment to, the investment of any such moneys so deposited, shall, to the extent certified by the Trustee to be in excess of the amount required hereinabove to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, be paid by the Trustee as follows: first, to the Applicable Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of the Authority; second, to the Authority the amount certified by the Authority to be then due or past due pursuant to the Applicable Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, as directed by the Authority and any such moneys so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created hereby or by such Loan Agreement.

3. For purposes of determining whether Variable Interest Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of money, or Defeasance Securities and money, if any, in accordance with clause (b) of the second sentence of paragraph 2 of this Section 12.01, the interest to come due on such Variable Interest Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate permitted by the terms thereof; provided, however, that if on any date, as a result of such Variable Interest Rate Bonds having borne interest at less than such Maximum Interest Rate for any period, the total amount of money and Defeasance Securities on deposit with the Trustee for the payment of interest on such Variable Interest Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Interest Rate Bonds in order to satisfy clause (b) of the second sentence of paragraph 2 of this Section 12.01, the Trustee shall, if requested by the Authority, pay the amount of such excess as follows: first, to the Applicable Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of the Authority; second, to each Facility Provider the Provider Payments which have not been repaid, pro rata, based on the respective Provider Payments then unpaid to each Facility Provider; third, to the Authority the amount certified by the Authority to be then due or past due pursuant to the Applicable

Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the Applicable Institution, and any such moneys so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created hereby or by such Loan Agreement.

4. Option Bonds shall be deemed to have been paid in accordance with clause (b) of the second sentence of paragraph 2 of this Section 12.01 only if, in addition to satisfying the requirements of clauses (a) and (c) of such sentence, there shall have been deposited with the Trustee money in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to clause (b) of paragraph 2 of this Section 12.01, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph 4. If any portion of the money deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose, the Trustee shall, if requested by the Authority, pay the amount of such excess as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Facility Provider the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Facility Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Applicable Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the Applicable Institution, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created hereby or by the Applicable Loan Agreement.

Section 12.02 Anything herein to the contrary notwithstanding, any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any of the Bonds of an Applicable Series which remain unclaimed for three (3) years after the date when such moneys become due and payable, upon such Bonds either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or Paying Agent at such date, shall at the written request of the Authority, be repaid by the Trustee or Paying Agent to the Authority as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Bonds of such Series shall look only to the Authority for the payment of such Bonds; provided, however, that, before being required to make any such payment to the Authority, the Trustee or Paying Agent may, at the expense of the Authority, cause to be published in an Authorized Newspaper a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than forty (40) nor more than ninety (90) days after the date of publication of such notice, the balance of such moneys then unclaimed shall be returned to the Authority. In lieu of publishing such notice in an Authorized Newspaper, the Authority may post, or cause the Institution to post the matters set forth in this Section 12.12 on the Electronic Municipal Market Access portal of the Municipal Securities Rulemaking Board to all applicable CUSIP numbers.

1. No principal or Sinking Fund Installment of or installment of interest on a Bond shall be considered to have been paid, and the obligation of the Authority for the payment thereof shall continue, notwithstanding that an Applicable Credit Facility Issuer, if any, pursuant to the Applicable Credit Facility issued with respect to such Bond has paid the principal or Sinking Fund Installment thereof or the installment of interest thereon.

2. Prior to any defeasance of a Series of Bonds becoming effective under this Resolution, each Applicable Credit Facility Issuer shall have received (a) the final official statement delivered in connection with the refunding of such Series of Bonds, if any, (b) a copy of the accountants' verification

report, (c) a copy of the escrow deposit agreement or letter of instructions in form and substance acceptable to such Applicable Credit Facility Issuer, and (d) a copy of an opinion of Bond Counsel, dated the date of defeasance and addressed to such Applicable Credit Facility Issuer, to the effect that such Bonds have been paid within the meaning and with the effect expressed in this Resolution and the Applicable Series Resolution, and that the covenants, agreements and other obligations of the Authority to the Holders of such Bonds have been discharged and satisfied.

ARTICLE XIII

Section 13.01 Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent or other instrument which the Resolution or the Applicable Series Resolution may require or permit to be signed and executed by a Holder or Holders of Bonds of an Applicable Series may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Bonds in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Bonds, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Holder or Holders of Bonds of an Applicable Series or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Bonds of an Applicable Series and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote of the owner of any Bond of an Applicable Series shall bind all future owners of such Bond in respect of anything done or suffered to be done or omitted to be done by the Authority or the Trustee in accordance therewith.

ARTICLE XIV

The amounts held by the Trustee or any Paying Agent for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of and interest on the Bonds of an Applicable Series due on any date with respect to particular Bonds of such Series shall, pending such payment, be set aside and held in trust by it for the Holders of such Bonds entitled thereto, and for the purposes hereof such principal, Sinking Fund Installments, if any, or Redemption Price of and interest on such Bonds, due after such date thereof, shall no longer be considered to be unpaid.

Section 14.03 Cancellation of Bonds. The Trustee or any Paying Agent shall forthwith cancel all Bonds of an Applicable Series which have been redeemed or paid by it and may destroy such Bonds and deliver a certificate to that effect to the Authority. No such Bonds shall be deemed Outstanding Bonds hereunder or under an Applicable Series Resolution and no Bonds shall be issued in lieu thereof.

Section 14.04 No Recourse under Resolution or on the Bonds. All covenants, stipulations, promises, agreements and obligations of the Authority contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Authority and not of any member, officer or employee of the Authority in his individual capacity, and no recourse shall be had for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of or interest on the Bonds of an Applicable Series or for any claims based thereon, hereon or on the Applicable Series Resolutions against any member, officer or employee of the Authority or any person executing such Bonds, all such liability, if any, being expressly waived and released by every Holder of a Bond of an Applicable Series by the acceptance of such Bonds.

Section 14.05 Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein or in any Applicable Series Resolution on the part of the Authority or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of such Applicable Series Resolution or of an Applicable Series of Bonds.

Section 14.06 Parties in Interest. Nothing herein or in any Applicable Series Resolution adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Authority, the Trustee, the Paying Agents, each Credit Facility Issuer, if any, each Facility Provider, if any, and the Holders of Bonds of an Applicable Series of Bonds any rights, remedies or claims hereunder or by reason hereof or of any Applicable Series Resolution or any covenant, condition or stipulation thereof. To the extent any such Obligation shall secure a Series of Bonds that is secured by a Credit Facility, the prior written consent of the Applicable Credit Facility Issuer, unless a Credit Facility Default shall have occurred and be continuing, shall be required for any such request, direction or consent. To the extent any such Obligation shall secure a Series of Bonds that is not secured by a Credit Facility, the Authority may only give such request, direction or consent if the Rating Services providing a rating on the Applicable Series of Bonds confirms that the ratings on the Applicable Series of Bonds will not be reduced as a result of the request, direction or consent.

The obligation of the Authority to comply with the provisions of Section 7.11 hereof with respect to the rebate to the Department of the Treasury of the United States of America of any Excess Earnings relating to the Bonds of an Applicable Series of Tax-Exempt Bonds shall remain in full force and effect so long as the Authority shall be required by the Code to rebate such Excess Earnings notwithstanding that Bonds of such Series are no longer Outstanding.

Section 14.12 Termination of Facility Provider's Rights. Whenever by the terms hereof the consent or approval of an Applicable Facility Provider is required or a Facility Provider, alone or together with any Credit Facility Issuer or other Applicable Facility Provider or the Holders of Bonds of a Series, is authorized to request or direct the Trustee to take any action, such consent or approval shall not be required and the Trustee shall not be obligated to comply with such request or direction if such Applicable Facility Provider is then in default in its payment obligations under the provisions of the Reserve Fund Facility issued by such Applicable Facility Provider. Nothing contained herein shall limit or impair the rights of the Holders of Bonds to give any consent or approval or to request or direct the Trustee to take any action and, if an Applicable Facility Provider is then in default under such Applicable Reserve Fund Facility, such consent or approval shall be effective without the consent or approval of such Applicable Facility Provider otherwise required hereby and the Trustee shall comply with such request or direction notwithstanding that such request or direction is required to be made or given together with such Applicable Facility Provider.
