Except as otherwise provided in Section 5.6 hereof, upon presentation and surrender of Bonds on their maturity or earlier redemption dates, the principal or Redemption Price of such Bonds shall be payable at the principal corporate trust office of the Trustee. For purposes of this Section 4.1, interest is payable to the registered owner of a Bond at the close of business on the Record Date for such Bond. All payments of principal or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds, if any, in connection with which such payment is made.

The interest payable on each Bond on any interest payment date shall be paid by the Trustee to the registered owner of such Initial Bond as shown on the bond registration books of the Trustee as Bond Registrar at the close of business on the Record Date for such interest, (1) by check or draft mailed to such registered owner at his address as it appears on the bond registration books or at such other address as is furnished to the Trustee in writing by such owner, or (2) if such Bonds are held by a Depository or, at the written request addressed to the Trustee by any registered owner of Bonds in the aggregate principal amount of at least \$1,000,000 that all such payments be made by wire transfer, by electronic transfer in immediately available funds to the bank for credit to the ABA routing number and account number filed with the Trustee no later than five (5) Business Days before an interest payment date.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of a Series issued prior to the first interest payment date thereof shall be dated as of the date specified in the Series Resolution authorizing the issuance thereof or the Certificate of Determination applicable thereto. Bonds of a Series issued on or subsequent to the first interest payment date thereof shall be dated as of the interest payment date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an interest payment date, in which case they shall be dated as of such date of authentication; **provided, however**, that if, as shown by the records of the Trustee, interest on the Bonds of any Series shall be in default, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered. Bonds of a Series shall bear interest from their date.

For all purposes of the Act relating to or dealing with the date of the Bonds, Bonds of any Series shall be deemed to be dated as of the date provided for the Bonds of such

Series in the manner provided in the Series Resolution authorizing the issuance thereof or in the Certificate of Determination applicable thereto.

All Bonds of a Series shall mature on September 1 of each year, unless otherwise provided in a Series Resolution or Certificate of Determination with respect to a Series of Bonds, in which a maturity is fixed by the Series Resolution authorizing the issuance of such Bonds or the Certificate of Determination relating to such Bonds. Interest on all Bonds of each Series, except the first installment of interest due on such Bonds of a Series and interest on Variable Interest Rate Bonds the rate at which such Bonds bear interest is adjusted annually or more frequently than annually, shall be payable semiannually on March 1 and September 1 (unless otherwise provided in a Series Resolution or a Bond Certificate of Determination with respect to a Series of Bonds) of each year in which an installment of interest becomes due as fixed in a Series Resolution or a Certificate of Determination. Interest on Variable Interest Rate Bonds the rate at which such Bonds bear interest is adjusted annually or more frequently than annually shall be payable at such times as shall be provided in the Series Resolution authorizing the issuance thereof or the Certificate of Determination related thereto. The first installment of interest due on the Bonds of a Series may be for such period as the Issuer shall fix in the Series Resolution authorizing the issuance thereof or the Certificate of Determination applicable thereto.

SECTION 4.2. Legends. SECTION 4.3. CUSIP Numbers. Except as otherwise provided in the applicable Series Resolution or Certificate of Determination, CUSIP numbers shall be obtained for and printed on the Bonds and the Trustee shall use such CUSIP numbers in notices of redemption and of the tender of Option Bonds and on all checks payable to Bondholders as a convenience to Bondholders; *provided, however*, that any such notice shall state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption or tender, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption or tender shall not affect the validity of the proceedings for redemption or tender.

SECTION 4.4. Execution and Authentication. The Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of its Chair, Vice Chair or other Authorized Officer and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of the Secretary, an Assistant Secretary or other Authorized Officer of the Issuer, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed or sealed any of the Bonds shall cease to be such officer or employee before the Bonds so signed and sealed shall have been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Issuer by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or

be employed by, the Issuer, although at the date of the Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the applicable Series Resolution or Certificate of Determination, executed manually by the Trustee unless the Series Resolution or a Certificate of Determination shall authorize execution by the Trustee by facsimile signature. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit hereunder and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and that the Holder thereof is entitled to the benefits hereof.

SECTION 4.5. Book Entry Bonds. (a) Except as otherwise provided in this Section 4.5, Bonds authorized and issued as book entry bonds shall be subject to the provisions of this Section 4.5 and the Holder of all such Bonds shall be the Depository and all such Bonds shall be registered in the name of Cede & Co., as nominee for the Depository. It is anticipated that during the term of the Bonds, the Depository will make book entry transfers among its Participants and receive and transmit payment of principal, Purchase Price or Redemption Price of, Sinking Fund Installments for, and interest on the Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the beneficial owners pursuant to paragraph (h) of this Section 4.5.

(b) The Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity thereof. Upon initial issuance, the ownership of such Initial Bonds shall be registered in the registration books of the Issuer kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee and the Issuer shall treat DTC (or its nominee) as the sole and exclusive Holder of the Bonds registered in its name for the purposes of payment of the principal, Sinking Fund Installments, Redemption Price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Holders of the Bonds and for all other purposes whatsoever; and neither the Trustee, the Institution nor the Issuer shall be affected by any notice to the contrary. All notices with respect to such Bond shall be made and given, respectively, to DTC in accordance with DTC's operational requirements, as they may be amended from time to time. The Trustee shall pay all principal, Purchase Price or Redemption Price of, Sinking Fund Installments for, and interest on the Bonds only to or "upon the order of" (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal, purchase price or Redemption Price of, Sinking Fund Installments for, and interest on the Bonds to the extent of the sum or sums so paid. Except as otherwise provided in Section 4.5(h), no Person other than DTC shall receive an authenticated Bond certificate evidencing the obligation of the Issuer to make payments of principal, purchase price or

Redemption Price of, Sinking Fund Installments for, and interest on the Bonds pursuant to this Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Resolution with respect to transfers of Bonds, the word "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(c) In connection with any notice or other communication to be provided to Bondholders pursuant to this Resolution by the Issuer or the Trustee with respect to any consent or other action to be taken by Bondholders, the Issuer or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(d) NEITHER THE AUTHORITY, THE INSTITUTION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS OR ANY OTHER PERSON THAT IS NOT SHOWN ON THE REGISTRATION BOOKS OF THE TRUSTEE AS BEING A HOLDER WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, SINKING FUND INSTALLMENTS, REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION BY DTC OR ANY PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

(e) SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE INITIAL BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED HOLDERS OF THE BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

(f) For so long as the Holder of all of the Bonds shall be DTC, and all Bonds shall be registered in the name of Cede & Co. as nominee for DTC, (i) only DTC may tender Bonds upon redemption or retirement in whole and (ii) unless all Bonds are being redeemed or retired in whole, Bonds shall not be required to be presented to the Trustee for payment of principal, Sinking Fund Installments or Redemption Price except upon final maturity or redemption in whole.

(g) In the event the Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Depository to discharge its responsibilities. Any such successor Depository shall be a securities depository that is a registered clearing agency under

the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of an Bond or Bonds for cancellation shall cause the delivery of an Bond or Bonds to the successor Depository in appropriate Authorized Denominations and form as provided herein.

(h) Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the opinion of the Issuer, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but may be registered in the name or names Bondholders transferring or exchanging such Bonds shall designate, in accordance with the other provisions of Article IV hereof.

SECTION 4.6. Interchangeability of Bonds. Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denominations.

SECTION 4.7. Negotiability, Transfer and Registry. All Bonds issued hereunder shall be negotiable as provided in the Act, subject to the provisions for registration and transfer contained herein and in the Bonds. So long as any of the Bonds shall not have matured or been called for redemption, the Trustee shall maintain and keep, or cause to be maintained and kept, at the principal corporate trust office of the Trustee, books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose at said office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds have not matured or been called for redemption, the Trustee shall make all necessary provisions to permit the exchange of Bonds at the principal corporate trust office of the Trustee.

SECTION 4.8. Transfer of Bonds. Each Bond shall be transferable only upon the registry kept by the Trustee for that purpose at the principal corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Trustee shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series, maturity and tenor as the surrendered Bond.

The Issuer and the Trustee may deem and treat the person in whose name any Outstanding Bond shall be registered upon the registry kept by the Trustee as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and, subject to the provisions of Section 4.1 hereof with respect to Record Dates, interest on such Bond and for all other purposes

whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. The Institution pursuant to the Loan Agreement has agreed to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

SECTION 4.9. Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions hereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Issuer or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Issuer or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. Neither the Issuer nor the Trustee shall be obliged to make, or cause to be made, any exchange or transfer of Bonds of any Series, other than the exchange or transfer of an Option Bond which has been tendered or deemed to have been tendered by the Holder thereof for purchase, during the period beginning on the Record Date for such Bonds next preceding an interest payment date on such Bonds and ending on such interest payment date, or, in the case of any proposed redemption of Bonds of such Series, after the Record Date next preceding the date of the selection of Bonds to be redeemed.

SECTION 4.10. Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond shall become mutilated or be destroyed, lost or stolen, the Issuer shall execute and the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, tenor and principal amount as the Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed, lost or stolen, upon filing with the Trustee evidence satisfactory to the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Issuer and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Issuer and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be canceled by it and evidence of such cancellation shall be given to the Issuer. In case any Bond which has matured or is about to mature shall have become mutilated or have been destroyed, lost or stolen, the Issuer may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of such mutilated Bond upon the surrender on or after the maturity date thereof, or authorize the payment of such destroyed, lost or stolen Bond, upon the Holder thereof filing evidence satisfactory to the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Issuer and the Trustee with indemnity satisfactory to them and complying with

such other reasonable regulations as the Issuer and the Trustee may prescribe and paying such expenses as the Issuer and the Trustee may incur in connection therewith.

SECTION 4.11. Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series may be lithographed or printed, with or without steel engraved borders, typewritten or produced in such other manner as the Issuer determines. Until the definitive Bonds of any Series are prepared, the Issuer may execute, in the same manner as is provided in Section 4.4 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Issuer, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Issuer shall prepare and execute and, upon the surrender at the principal corporate trust office of the Trustee of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the principal corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant hereto.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith cancelled by the Trustee.

SECTION 4.12. Tender of Bonds. Any Bond which is required to be delivered for redemption or purchase pursuant to the provisions hereof or of the Series Resolution authorizing such Bond or the Certificate of Determination relating to such Bond shall be deemed surrendered as provided in the Series Resolution authorizing the issuance thereof or the Certificate of Determination relating thereto even though such Bond has not been actually presented and surrendered by the Holder thereof.

SECTION 4.13. Cancellation of Bonds. Except as otherwise provided in the applicable Series Resolution or Certificate of Determination relating to a Series of Bonds, the Trustee shall forthwith cancel all Bonds which have been redeemed or paid by it and shall dispose of them in accordance with its normal procedure and notice thereof shall be given to the Issuer if requested by the Issuer. No such Bonds shall be deemed Outstanding Bonds hereunder and no Bonds shall be issued in lieu thereof.

ARTICLE V.

REDEMPTION OF BONDS

SECTION 5.1. Authorization of Redemption. (a) Bonds subject to redemption prior to maturity pursuant hereto or to a Series Resolution or a Certificate of Determination shall be redeemable, in accordance with this Article V, at such times, at such Redemption Prices and upon such terms as may otherwise be specified herein or in the Series Resolution authorizing such Series or the applicable Certificate of Determination.

(b) Notwithstanding any other provision of Article V of this Resolution to the contrary:

(i) any notice of redemption given with respect to a Book Entry Bond shall comply with the requirements for notice contained in the Depository Letter from the Issuer to the Depository relating to such Book Entry Bond; and

(ii) notice of any redemption hereunder with respect to the Bonds held under a book entry system shall be given by the Trustee only to the Depository, or its nominee, as the Holder of such Bonds. Selection of book entry interests in the Bonds called for redemption is the responsibility of the Depository and any failure of any direct participant, indirect participant or beneficial owner to receive such notice and its content or effect will not affect the validity of such notice or any proceedings for the redemption of such Bonds.

SECTION 5.2. Optional Redemption. If permitted by the Series Resolution or Certificate of Determination relating to the Series of Bonds, the Institution shall give written notice, which notice has been acknowledged in writing by the Issuer, to the Trustee of its election or direction to redeem, of the Series and of the principal amounts of the Bonds of each maturity of such Series to be redeemed. The Series, maturities and principal amounts thereof to be redeemed at the election or direction of the Issuer shall be determined by the Institution in its request to the Trustee, subject to any limitations with respect thereto contained herein or in the Series Resolution authorizing such Series or the applicable Certificate of Determination. Such notice shall be given to the Trustee at least forty-five (45) days prior to the date on which such Bonds are to be redeemed, or such lesser number of days as shall be acceptable to the Trustee. Unless the notice of redemption required by Section 5.5 hereof provides that the redemption is subject to the condition that moneys for payment of the Redemption Price is available on the redemption date, such notice shall not be given unless prior to the date such notice is given the Trustee then holds money for payment of the Redemption Price sufficient to redeem, on the redemption dates at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds to be so redeemed. For purposes of determining the amount required to be paid pursuant to the preceding sentence when Variable Interest Rate Bonds are to be redeemed, the amount shall be determined in the manner established by the Series Resolution authorizing such Bonds or the Certificate of Determination applicable thereto.

SECTION 5.3. Mandatory Sinking Fund Redemption. Whenever by the terms hereof or the Series Resolution or Certificate of Determination relating to the Series of Bonds the Trustee is required to redeem Bonds through the application of mandatory Sinking Fund Installments, unless otherwise provided in the applicable Series Resolution or Certificate of Determination, the Trustee shall select the Bonds of the Series and maturities to be redeemed in the manner provided in Section 5.4 hereof, give the notice of redemption and pay out money for the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, in accordance with the terms of this Article V.

SECTION 5.4. Selection of Bonds to Be Redeemed. Unless otherwise provided in the Series Resolution authorizing the issuance of Bonds of a Series or the Certificate of Determination relating to such Bonds or, if the Bonds are book-entry bonds, the operational

procedures of the Depository, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw the Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as in this Section 5.4 provided) which end in the same digit or in the same two digits. If in such a case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; *provided, however*, that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

SECTION 5.5. Notice of Redemption. Whenever Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Bonds in the name of the Issuer which notice shall specify: (i) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Section 3.1 hereof, the maturity dates and interest rates of the Bonds to be redeemed and the date such Bonds were issued; (ii) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (iii) the redemption date; (iv) the Redemption Price; (v) the principal amount of each Bond to be redeemed; (vi) that, except in the case of Book-Entry Bonds, such Bonds will be redeemed at the principal corporate trust office of the Trustee giving the address thereof and the name and telephone number of a representative of the Trustee to whom inquiries may be directed; (vii) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on such Bond or as contained in such notice shall not affect the validity of the proceedings for redemption and (viii) if the Issuer's obligation to redeem the Bonds is subject to conditions, a statement that describes the conditions to such redemption. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Any notice of redemption given pursuant to this Section 5.5 which states that it is conditional upon receipt by the Trustee of money sufficient to pay the Redemption Price of such Bonds or upon the satisfaction of any other condition, may be rescinded at any time before payment of such Redemption Price if any such condition so specified is not satisfied. Notice of such rescission shall be given by the Trustee to affected Bondholders as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Such notice shall be given not less than twenty (20) days nor more than forty-five (45) days prior to the redemption date or, in the case of Variable Interest Rate Bonds or Option Bonds, such shorter period as shall be established by the Series Resolution authorizing such Bonds or the Certificate of Determination relating thereto, but in no event less than fifteen (15) days prior to the redemption date. Such notice shall be given to Bondholders in accordance with the provisions of Section 15.8(c) hereof and to EMMA. Upon giving such notice, the Trustee shall promptly certify to the Issuer that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided herein. Such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of any Holder of a Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds.

SECTION 5.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 5.5 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender of such Bonds, other than Book Entry Bonds of like Series, maturity and tenor to be redeemed in part, at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. Payment of the Redemption Price shall be made, upon the request of the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be redeemed, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has, at the time such Bonds are surrendered to the Trustee, directed in writing the Trustee to wire such Redemption Price. If there shall be called for redemption less than all of the principal amount of a registered Bond, the Issuer shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Bond so surrendered, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Bonds or portions thereof of any like Series, maturity and tenor to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee so as to be available therefor on such date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds shall no longer be considered to be Outstanding hereunder. If money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

SECTION 5.7. Purchase of Purchased Bonds. Whenever Bonds are to be purchased at the election of the Institution, written notice thereof and of the Bonds of the Series and maturity to be so purchased having been given by the Institution to the Issuer, the Trustee, and each applicable provider of a Credit Facility, the Trustee shall select the particular Bonds of such Series and maturity to be so purchased in the same manner as provided in Section 5.4 hereof for the selection of Bonds to be redeemed in part. Promptly thereafter the Trustee shall give notice of the purchase of the Bonds at the times and in the manner provided in the Series Resolution authorizing such Bonds or the Certificate of Determination related thereto. The

Trustee shall not give such notice unless prior to the date such notice is given, the Institution has caused to be delivered to the Trustee the written consent to such purchase of the Issuer and each applicable provider of a Credit Facility. All such purchases may be subject to conditions of the Issuer, the Trustee and any provider of a Credit Facility to the Institution's obligation to purchase such Bonds and shall be subject to the condition that money for the payment of the purchase price therefor is available on the date set for such purchase. Notice of purchase having been given in the manner required by the Series Resolution authorizing the Bonds to be so purchased or the Certificate of Determination relating thereto, then, if sufficient money to pay the purchase price of such Bonds is held by the Trustee, the purchase price of the Bonds or portions thereof so called for purchase shall become due and payable on the date set for purchase, upon presentation and surrender of such Bonds (other than Book Entry Bonds) to be purchased at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney. Payment of the purchase price of other than Book Entry Bonds shall be made, upon the request of the registered owner of one million dollars (\$1,000,000) or more in principal amount of Bonds to be so purchased, by wire transfer to such registered owner at the wire transfer address in the continental United States to which such registered owner has prior to the purchase date directed in writing the Trustee to wire such purchase price. Bonds so purchased shall be considered to be Outstanding and each such Bond so purchased that is not a Book Entry Bond shall be registered in the name or at the direction of the Institution.

ARTICLE VI.

FUNDS AND ACCOUNTS; REVENUES AND APPLICATION THEREOF

SECTION 6.1. Establishment of Funds and Accounts. The following funds shall be established by the applicable Series Resolution in accordance with Section 3.3(i) hereof, which funds shall be for the sole benefit of and solely secure the Series of Bonds authorized by such Series Resolution:

- Construction Fund, if any;
- Debt Service Fund; and
- Debt Service Reserve Fund, if any

The Issuer is hereby authorized in connection with the issuance of a Series of Bonds to establish such other funds, together with accounts and subaccounts established within such funds, in connection with such Series of Bonds as the Issuer or the Trustee deems proper, necessary or desirable. In addition to the funds and accounts required to be established by or pursuant to each Series Resolution, there is hereby established an Arbitrage Rebate Fund to be held by the Trustee as custodian for the Issuer, which fund is not pledged to the payment of any Bonds.

All money at any time deposited in any such fund, account or subaccount created and pledged hereby shall be held in trust for the benefit of the Holders of the Outstanding Bonds secured thereby, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes provided herein or in the applicable Series Resolution. Notwithstanding the foregoing

provisions of this Section 6.1 and except as otherwise provided in the Series Resolution or Certificate of Determination relating to such Series of Bonds, (i) the proceeds derived from the remarketing of Option Bonds tendered or deemed to have been tendered for purchase in accordance with the Series Resolution authorizing the issuance of such Bonds or the Certificate of Determination relating to such Bonds or derived from a Liquidity Facility relating to such Bonds, and any fund or account established by or pursuant to such Series Resolution for the payment of the purchase price of Option Bonds so tendered or deemed to have been tendered, shall not be held in trust for the benefit of the Holders of Bonds other than such Option Bonds and are pledged hereby for the payment of the purchase price of such Option Bonds, and (ii) any fund or account established by or pursuant to such Series Resolution for repayment of advances made under a Liquidity Facility for payment of the purchase price of Option Bonds, shall not be held in trust for the benefit of the Holders of Bonds other than such Option Bonds, and may be pledged to the provider of such Liquidity Facility.

SECTION 6.2. Application of Bond Proceeds and Allocation Thereof. Upon the receipt of proceeds from the sale of a Series of Bonds, including accrued interest, if any, the proceeds of such Series of Bonds shall be applied in accordance with the written directions of an Authorized Officer of the Issuer for the purposes authorized hereby and the Series Resolution relating to such Series.

SECTION 6.3. Application of Money in the Construction Fund. (a) As soon as practicable after the delivery of a Series of Bonds, the Trustee shall deposit in the Construction Fund established in connection with such Series of Bonds, if any, the amount required to be deposited therein pursuant to Section 6.2 hereof. In addition, the Trustee shall deposit in such Construction Fund all amounts paid by the Institution which by the terms of the Loan Agreement executed in connection with such Series of Bonds are required to be deposited therein for the acquisition, construction, reconstruction, renovation or equipment of any Project, including the proceeds of any insurance of condemnation award to be so applied.

(b) Except as otherwise provided in this Article VI and in any applicable Series Resolution or Certificate of Determination, money deposited in a Construction Fund shall be used only to pay the Costs of Issuance of the Series of Bonds in connection with which such Construction Fund was established and the Costs of the Project for which such Construction Fund was established.

(c) Payments for Costs of Issuance shall be made by the Trustee upon receipt of, and in accordance with, a certificate or certificates signed by an Authorized Officer of the Issuer stating the names of the payees and the respective amounts of each such payment. Payments for the Costs of the Project shall be made by the Trustee upon receipt of, and in accordance with, a certificate or certificates signed by the Issuer, each substantiated by a certificate filed with the Issuer signed by an Authorized Officer of the Institution stating that amounts were incurred or expended on Costs of the Project, except that payments to pay interest on Bonds shall be made by the Trustee upon receipt of, and in accordance with, the direction of the Issuer directing the Trustee to transfer such amount from the Construction Fund to the applicable Debt Service Fund.

Upon receipt by the Trustee of a certificate of completion signed by an Authorized Officer of the Institution in the form set forth in the Loan Agreement (which certificate shall not be required if no money is remaining in the Construction Fund), the money, then remaining in the Construction Fund, after making provision in accordance with the direction of the Issuer for the payment of any Costs of Issuance and Costs of the Project then unpaid, shall be paid or applied by the Trustee as follows and in the following order of priority:

First: Upon the direction of an Authorized Officer of the Issuer, to the Arbitrage Rebate Fund, the amount set forth in such direction;

Second: To restore the Debt Service Reserve Fund (if any) to the Debt Service Reserve Fund Requirement; and

Third: To the applicable Debt Service Fund, to be applied in accordance with Section 6.5 hereof, any balance remaining.

SECTION 6.4. Deposit and Allocation of Revenues. (a) All Revenues and any other money required by any of the provisions of a Loan Agreement to be paid to the Trustee shall, upon receipt thereof, be deposited or paid by the Trustee to the applicable Debt Service Fund except for the following: (i) amounts paid to the Trustee for any of the following purposes: (x) to pay the Costs of Issuance of the Bonds, and other costs in connection with the issuance of the Bonds; (y) to pay amounts required to be rebated to the Department of the Treasury of the United States of America in accordance with the Code in connection with the Bonds; and (z) to pay the fees and expenses of the Trustee in connection with performance of its duties under the Resolution; and (ii) amounts required to be paid by the Institution to the Trustee pursuant to any section of the Loan Agreement that specifically provides for the deposit of such payments into a fund, other than the Debt Service Fund, established hereunder or pursuant to the applicable Series Resolution or Certificate of Determination relating thereto.

SECTION 6.5. Debt Service Fund. (a) The Trustee shall pay out of the Debt Service Fund established in connection with Bonds of a Series, when due:

(i) the interest due and payable on the Outstanding Bonds of such Series;

(ii) the principal due and payable on the Outstanding Bonds of such Series;

(iii) the Sinking Fund Installments or other amounts related to a mandatory redemption, if any, due and payable on the Outstanding Bonds of such Series; and

(iv) in connection with the optional redemption of Bonds of a Series pursuant to Section 5.2 hereof and subject to the satisfaction of any conditions contained in the notice of redemption given pursuant to such Section 5.2, the Redemption Price, together with interest accrued and unpaid thereon, on the redemption date.

(b) The Issuer may, at any time subsequent to September 1 (or such other date as provided in a Series Resolution or a Certificate of Determination with respect to a Series of Bonds) of any Bond Year but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with money on deposit in the Debt Service Fund established in connection with the Bonds of a Series at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Term Bonds of such Series to be redeemed from such Sinking Fund Installment. In addition, the Institution pursuant to a Loan Agreement may deliver, at any time subsequent to September 1 (or such other date as provided in a Series Resolution or a Certificate of Determination with respect to a Series of Bonds) of any Bond Year, but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, to the Trustee for cancellation one or more Term Bonds of such Series to be so redeemed on such date from such Sinking Fund Installment. Any Term Bond so purchased and any Term Bond so delivered to the Trustee shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Issuer. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date; *provided, however*, that such Term Bond is canceled by the Trustee prior to the date on which notice of redemption is given.

(c) The Trustee, after making all payments from the Debt Service Fund as provided in this Section 6.5, shall promptly notify the Issuer and the Institution of any balance of Revenues remaining in the Debt Service Fund on the first day of the next succeeding Bond Year. The balance, if any, of the Revenues then remaining shall be applied in the following order of priority:

(i) first there shall be paid to the Issuer, unless otherwise paid, such amounts as are payable to the Issuer for: (i) all expenditures reasonably and necessarily incurred by the Issuer in connection with the financing of the Project, including expenses incurred by the Issuer to compel full and punctual performance of all the provisions of any Loan Agreement in accordance with the terms thereof, and (ii) any unpaid fees or other amounts payable to the Issuer under the Loan Agreement; but only upon receipt by the Trustee of a certificate signed by the Issuer, stating in reasonable detail the amounts payable to the Issuer pursuant to this paragraph (b)(1);

(ii) second, upon the direction of the Issuer, be paid by the Trustee to the Institution, in the respective amounts set forth in such direction. Any amounts paid to the Institution shall be free and clear of any pledge, lien, encumbrance or security interest created hereby or by the applicable Series Resolution or the applicable Loan Agreement; and

(iii) third, be retained in the Debt Service Fund.

SECTION 6.6. Arbitrage Rebate Fund. The Trustee shall deposit to the Arbitrage Rebate Fund any money delivered to it by the Institution for deposit therein and, notwithstanding any other provisions of this Article VI, shall transfer to the Arbitrage Rebate Fund, in accordance with the directions of an Authorized Officer of the Issuer, money on deposit in any other funds

held by the Trustee hereunder such times and in such amounts as shall be set forth in such directions.

Money on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Issuer to make payments to the Department of the Treasury of the United States of America at such times and in such amounts determined to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Money in excess of the amount required to be so rebated shall be deposited to any fund or account established hereunder in accordance with the written direction of an Authorized Officer of the Issuer.

The amount which may be required by the Code to be rebated to the Department of the Treasury of the United States of America with respect to each Series of Bonds shall be determined as provided in the applicable Loan Agreement and the Issuer shall direct the Trustee to (i) transfer from any other of the funds and accounts held by the Trustee hereunder and deposit to the applicable Arbitrage Rebate Fund such amount as the Issuer shall have determined to be necessary in order to enable it to comply with its obligation to rebate money to the Department of the Treasury of the United States of America with respect to each Series of Bonds and (ii) if and to the extent required by the Code, pay out of such Arbitrage Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto.

SECTION 6.7. Application of Money in Certain Funds for Retirement of Bonds.

Notwithstanding any other provisions hereof, if at any time the money held in the Debt Service Fund established in connection with a Series of Bonds for the payment of the principal and Sinking Fund Installments of the Bonds of such Series, together with the money held in the Debt Service Reserve Fund established for such Bonds, are sufficient to pay the principal or Redemption Price of all Outstanding Bonds of such Series and the interest accrued and unpaid and to accrue on such Bonds to the next date of redemption when all such Bonds are redeemable, or to make provision pursuant to Section 13.1(b) hereof for the payment of such Bonds at the maturity or redemption dates thereof, the Trustee shall so notify the Issuer and the Institution. Upon receipt of such notice, the Issuer may advise the Institution that no further payments on account of principal and interest are due under the Loan Agreement and further (upon the receipt of written instructions from an Authorized Officer of the Institution) may (i) direct the Trustee to redeem all such Bonds, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Bonds in the manner provided in Article V hereof, or (ii) give the Trustee irrevocable instructions in accordance with Section 13.1(b) hereof and make provision for the payment of such Bonds at the maturity or redemption dates thereof in accordance therewith.

SECTION 6.8. Transfer of Investments. ARTICLE VII.

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

SECTION 7.1. Security for Deposits. The Trustee shall be continuously and fully secure all money held hereunder by it for the benefit of the Issuer and the Holders of the Bonds with Permitted Collateral having a market value equal to the amount of money secured thereby; *provided, however*, (a) that if the securing of such money is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, and (b) that it shall not be necessary for the Trustee to give security for the deposit of any money with them pursuant to Section 6.5 or Section 13.1 hereof and held in trust for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of or interest on any Bonds, or for the Trustee to give security for any money which shall be represented by obligations purchased or other investments made under the provisions hereof as an investment of such money. The Trustee shall include in its monthly report provided pursuant to Section 7.2(e) hereof a statement showing the amount of money held by the Trustee pursuant to this Section 7.1 on the date of such report, the Permitted Collateral pledged by the Trustee to secure such amount and market value of such Permitted Collateral on the date of such report.

SECTION 7.2. Investment of Funds and Accounts. (a) Money held hereunder by the Trustee, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee, upon direction of the Issuer given or confirmed in writing, by the Issuer (which direction shall specify the amount thereof to be so invested), in Government Obligations, Federal Agency Obligations or Exempt Obligations; *provided, however*, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Issuer reasonably believes such money will be required for the purposes hereof.

(b) In lieu of the investments of money in obligations authorized in paragraph (a) of this Section 7.2, the Trustee shall, to the extent permitted by law, upon direction of the Issuer given or confirmed in writing, by the Issuer, invest money in a Construction Fund or Debt Service Reserve Fund in any Permitted Investment; *provided, however*, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Issuer reasonably believes such money will be required for the purposes hereof, *provided, further*, that (x) any Permitted Collateral required to secure any Permitted Investment shall have a market value, determined by the Trustee or its agent periodically, but no less frequently than weekly, at least equal to the amount deposited or invested including interest accrued thereon, (y) the Permitted Collateral shall be deposited with and held by the Trustee or an agent of the Trustee approved by an Authorized Officer of the Issuer, and (z) the Permitted Collateral shall be free and clear of claims of any other person.

(c) Permitted Investments purchased as an investment of money in any fund or account held by the Trustee under the provisions hereof shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be retained in, credited or charged, as the case may be, to such fund or account.

(d) In computing the amount in any fund or account held by the Trustee under the provisions hereof, each Permitted Investment shall be valued at par or the market value thereof, plus accrued interest, whichever is lower.

(e) Notwithstanding anything to the contrary herein, the Issuer, in its discretion, may direct the Trustee to, and the Trustee shall, sell, present for redemption or exchange any investment held by the Trustee pursuant hereto and the proceeds thereof may be reinvested as provided in this Section 7.2. Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption or exchange, any investment held by it pursuant hereto whenever it shall be necessary in order to provide money to meet any payment or transfer from the fund or account in which such investment is held. The Trustee shall advise the Issuer and the Institution in writing, on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account hereunder and of the details of all investments held for the credit of each fund and account in its custody under the provisions hereof as of the end of the preceding month and as to whether such investments comply with the provisions of paragraphs (a), (b) and (c) of this Section 7.2. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund and account in the previous month.

(f) No part of the proceeds of any Series of Bonds or any other funds of the Issuer shall be used directly or indirectly to acquire any securities or investments the acquisition of which would cause any Bond to be an “arbitrage bond” within the meaning of Section 148(a) of the Code.

SECTION 7.3. Liability for Investments. Neither the Issuer nor the Trustee shall have any liability arising out of or in connection with the making of any investment authorized by the provisions of this Article VII, in the manner provided in this Article VII, for any depreciation in value of any such investment, or for any loss, direct or indirect, resulting from any such investment.

The Issuer further covenants that all corporate action on the part of the Issuer to that end has been duly and validly taken. The Issuer further covenants that the Bonds and the provisions hereof and of each Series Resolution are and shall be the valid and legally enforceable obligations of the Issuer in accordance with their terms and the terms hereof and of each Series Resolution. The Issuer further covenants that it shall at all times, to the extent permitted by law defend, preserve and protect the pledge of the proceeds of the sale of the Bonds, the Revenues, the Issuer's security interest in the Collateral Security, and all funds and accounts established hereby or by or pursuant to any Series Resolution, and all of the rights of the Holders of Bonds under the Resolution and each Series Resolution against all claims and demands of all persons whomsoever, subject to the terms of any Intercreditor Agreement.

Such books and accounts, at reasonable hours and subject to the reasonable rules and regulations of the Trustee, shall be subject to inspection by the Institution, the Issuer or of any Holder of a Bond or his representative duly authorized in writing. The Trustee shall annually prepare a report which shall be furnished to the Issuer, any provider of a Credit Facility and the Institution. Such report shall include at least: a statement of all funds (including investments thereof) held by the Trustee pursuant to the provisions hereof and of each Series Resolution; a statement of the Revenues collected in connection herewith and with each Series Resolution; and complete and correct entries of the transactions relating to each Series of Bonds. SECTION 8.6. Creation of Liens. Except as permitted hereby with respect to the Shared Collateral or the Revenues, the Issuer shall not create, cause to be created or suffer or permit the creation of any lien or charge prior or equal to that securing the Bonds on the proceeds from the sale of the Bonds, the Revenues, the Issuer's security interest in the Collateral Security and the funds and accounts established hereby or pursuant to any Series Resolution; *provided, however,* that nothing contained herein shall prevent the Issuer from issuing bonds, notes or other obligations or otherwise incurring indebtedness under another and separate resolution or otherwise so long as the charge or lien created by such resolution, except as permitted hereby with respect to Shared Collateral or the Revenues, is not prior or equal to the charge or lien created pursuant hereby.

SECTION 8.7. Enforcement of Duties and Obligations of the Institution; Obligations of the Issuer. (a) The Issuer hereby covenants that, at the written request of the Trustee, it shall take all legally available action to cause the Institution fully to perform all duties and acts and fully to comply with the covenants of the Institution required by the Loan Agreement in the manner and at the times provided in the Loan Agreement, provided that the Issuer shall be furnished with satisfactory security or indemnity for the reimbursement of all expenses and to protect it against all liability in connection with any such action. None of the provisions of this Resolution shall require the Issuer to expend or risk its own funds or to otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless payable from the Revenues, or unless the Issuer shall first have been adequately indemnified to its satisfaction against the cost, expense, and liability which may be incurred thereby.

(b) The Loan Agreement sets forth covenants and obligations of the Issuer and the Institution, and reference is hereby made to the same for a detailed statement of said covenants and obligations. Notwithstanding anything to the contrary in this Resolution or the Loan Agreement, the Issuer shall have no obligation to and instead the Trustee, in accordance with this Resolution, shall have the right, without further direction from or action by the Issuer, to take any and all steps, actions and proceedings, to enforce any or all rights of the Issuer under this Resolution and the Loan Agreement (other than the Issuer's Unassigned Rights), including, without limitation, the rights to enforce the remedies upon the occurrence and continuation of an Event of Default and the obligations of the Institution under the Loan Agreement.

(v) to establish, amend or modify the Issuer Fee or the Annual Administrative Fee payable by the Institution in connection with the Bonds of a Series; or

(vi) with the prior written consent of the Trustee, to cure any ambiguity, or to correct or supplement any provisions contained in the Loan Agreement which may be defective or inconsistent with any other provisions contained herein or in the Loan Agreement or to amend, modify or waive any other provision of the Loan Agreement, provided that the same does not adversely affect the interests of the Bondholders in any material respect.

(b) Notwithstanding the provisions of paragraph (a) of this Section 8.10, the Loan Agreement relating to a Series of Bonds may not be amended, changed, modified, altered or terminated, nor may any provision thereof be waived, without the consent of the Holders of Outstanding Bonds of such Series as hereinafter provided if such amendment, change, modification, alteration, termination or waiver (i) reduces the amount of Revenues payable by the Institution under the Loan Agreement on any date or delays the date on which payment is to be made, (ii) modifies the events which constitute Events of Default under the Loan Agreement, (iii) diminishes, limits or conditions the rights or remedies of the Issuer under the Loan Agreement upon the occurrence of an Event of Default thereunder, or (iv) adversely affects the rights of the Bondholders in any material respect.

No amendment, change, modification, alteration, termination or waiver described in the immediately preceding paragraph shall take effect unless the prior written consent of the Holders of at least a majority in principal amount of the Bonds then Outstanding of the affected Series; **provided, however**, that if such amendment, change, modification, alteration, termination or waiver will, by its terms, not take effect so long as any Bonds of any specified maturity of

such Series remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 8.10.

Bonds owned or held by or for the account of the Issuer or the Institution shall not be deemed Outstanding for the purpose of consent provided for in this Section 8.10, and neither the Issuer nor the Institution shall be entitled with respect to such Bonds to give any such consent. At the time of any consent, the Trustee shall be provided with certificates of the Issuer and the Institution in accordance with Section 15.7 hereof.

For the purposes of this Section 8.10, the purchasers of Bonds, whether purchasing as underwriters, remarketing agent or otherwise for resale, may upon such purchase consent to an amendment, change, modification, alteration, termination or waiver permitted by this Section 8.10 in the manner provided herein, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; *provided, however,* that, if such consent is given by a purchaser who is purchasing as an underwriter, remarketing agent or otherwise for resale, the nature of the amendment, change, modification, alteration, termination or waiver and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the initial offering, reoffering or resale of the Bonds of such Series.

(c) No amendment, change, modification or termination of a Loan Agreement, or waiver of a provision thereof shall be made other than pursuant to a written instrument signed by the parties thereto. No such amendment, change, modification, alteration or waiver shall become effective unless there has been delivered to the Trustee an opinion of Bond Counsel that any such amendment, change, modification, alteration or waiver complies with the provisions of this Section 8.10. A copy of each such amendment, change, modification, termination or waiver shall be filed with the Trustee.

(d) For the purposes of this Section 8.10, a Series shall be deemed to be adversely affected by an amendment, change, modification, alteration or termination of the Loan Agreement or the waiver of any provision thereof if the same adversely affects or diminishes the rights of the Holders of the Bonds of such Series in any material respect, which determination shall be made without regard to the existence of any Credit Facility issued in connection with such Bonds. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series would be adversely affected in any material respect by any amendment, change, modification, alteration, termination or waiver and any such determination shall be binding and conclusive on the Institution, the Issuer and all Holders of Bonds.

For all purposes of this Section 8.10, the Trustee shall be entitled to rely upon an opinion of counsel or an opinion or report of engineers, accountants or other experts, in each case reasonably satisfactory to the Trustee, with respect to whether any amendment, change, modification, alteration, termination or waiver adversely affects the interests of any Holders of Bonds then Outstanding in any material respect.

SECTION 8.11. General. The Issuer shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Issuer under the provisions hereof in accordance with the terms of such provisions.

Upon the date of issuance of Bonds, all conditions, acts and things required by the statutes of the State and hereby to exist, to have happened and to have been performed precedent to and in the issuance of such Bonds, shall exist, have happened and have been performed and the issuance of such Bonds, together with all other indebtedness of the Issuer, shall be within every debt and other limit prescribed by the laws of the State.

The duties and obligations of the Trustee shall be determined by the express provisions hereof and of each Series Resolution and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth herein and in each Series Resolution. In case an Event of Default has occurred and has not been cured, the Trustee shall exercise such rights and powers vested in it herein and under each applicable Series Resolution, and use the same degree of care and skill in its exercise as a reasonable and prudent person would use, under the circumstances, in the conduct of his or her own affairs.

The Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it hereby or by any Series Resolution.

SECTION 9.3. Property Held in Trust. The Trustee may consult with counsel, who may or may not be of counsel to the Issuer, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under any Series Resolution, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Issuer or, with the permission of the an Authorized Officer of Issuer, signed by an Authorized Officer of the Institution. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Series Resolution upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Series Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Series Resolution by the Issuer to the Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Officer.

The Trustee shall be entitled to receive and collect such compensation from the Institution as provided in the Loan Agreement and, upon the occurrence of an Event of Default and except as otherwise set forth in a Series Resolution or Certificate of Determination, shall have a lien therefor on any and all funds at any time held by it hereunder and under the applicable Series Resolution (other than the Arbitrage Rebate Fund and any fund or account established for the payment of the principal or Redemption Price of or interest on Option Bonds or the purchase price of Option Bonds tendered for purchase) prior to any of the Bonds for which such services have been rendered; **provided, however**, the Trustee shall not be entitled to compensation for any expenses, charges, counsel fees or other disbursements incurred in connection with or incident to its resignation or removal as provided in Sections 9.7 or 9.8 hereof. The Institution shall, pursuant to its obligations under the Loan Agreement, indemnify and save the Trustee harmless against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties hereunder and under the Applicable Series Resolution and which are not due to the Trustee's negligence or default. None of the provisions contained herein or in any Series Resolution shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The Trustee shall not be required to take any action pursuant to Article XII hereof unless and until it shall have been indemnified and saved harmless against any

Such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed as provided in Section 9.9 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; *provided, however*, that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 9.9 hereof.

SECTION 9.8. Removal of Trustee. The Trustee, or any successor thereof, may be removed at any time by the Holders of a majority in principal amount of the Outstanding Bonds, excluding any Bonds held by or for the account of the Issuer or the Institution, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Issuer. The Trustee, or any successor thereof, may also be removed at any time for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of any Series Resolution with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon application by the Issuer, [or the Holders of not less than twenty per centum (20%) in aggregate principal amount of Bonds then Outstanding, excluding any Bonds held by or for the account of the Issuer and the Institution]. The Trustee may also be removed at any time, other than during the continuance of an event of default hereunder, by the Issuer, by an instrument in writing signed and acknowledged by the Issuer. No removal of the Trustee hereunder shall take effect until a successor Trustee has been appointed. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the Issuer to the Trustee, each provider of Credit Enhancement or such successor thereof and the Institution.

SECTION 9.9. Successor Trustee. In case the Trustee, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property

shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Issuer shall forthwith appoint a Trustee, with written notice to Rating Service(s) rating the Bonds then Outstanding, to act as Trustee. Copies of any resolution or other instrument of the Issuer providing for any such appointment shall be delivered by the Issuer to the Trustee so appointed, the predecessor Trustee, any provider of Credit Enhancement and the Institution. The successor Trustee shall: (a) give notice of any such appointment not later than thirty (30) days after such appointment to the registered owner of the Bonds as provided in Section 15.8(c) hereof; and (b) submit the notice of its appointment to EMMA.

If in a proper case no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 9.8 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may apply to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor appointed under the provisions of this Section 9.9 shall be a bank located in the State having trust powers or a trust company organized under the laws of the State or national banking association having trust powers located in the State having a capital and surplus aggregating at least \$100,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by each Series Resolution.

SECTION 9.10. Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 9.9 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under each Series Resolution, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Issuer or of such successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over, assign and deliver to such successor any money or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties or obligations, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer.

SECTION 9.11. Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer any portion of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.9 hereof, shall be the successor to

ARTICLE X.

SERIES RESOLUTIONS AND SUPPLEMENTAL RESOLUTIONS

SECTION 10.1. Modification and Amendment Without Consent. Notwithstanding any other provisions of this Article X or Article XI hereof, the Issuer may, without the consent of Bondholders and except in the case of subparagraph (h) hereof, without the consent of the Trustee, adopt at any time or from time to time Series Resolutions or Supplemental Resolutions for any one or more of the following purposes:

(a) To provide for the issuance of a Series of Bonds pursuant to the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To add additional covenants and agreements of the Issuer for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Issuer contained herein;

(c) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Issuer which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;

(d) To surrender any right, power or privilege reserved to or conferred upon the Issuer by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained herein;

(e) To confirm, as further assurance, any pledge hereunder, and the subjection to any lien, claim or pledge created or to be created by the provisions hereof, of the Revenues, or any pledge of any other money, securities or funds;

(f) To modify any of the provisions hereof or of any previously adopted Series Resolution or Supplemental Resolution in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution or Series Resolution shall cease to be Outstanding, and all Bonds issued under such resolutions shall contain a specific reference to the modifications contained in such subsequent Resolutions;

(g) To modify or amend a Project; or

(h) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that any such modifications are not contrary to or inconsistent herewith as theretofore in effect, or to modify any of the provisions hereof or of any previously adopted Series Resolution or Supplemental Resolution in any other respect, provided that such modification shall not adversely affect the interests of the Bondholders in any material respect.

Any Series Resolutions or Supplemental Resolution adopted pursuant to this Section 10.1 shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Issuer and with respect to any Series Resolution or Supplemental Resolution relating to a Series of Bonds secured by a Credit Facility, providing a written copy thereof to the provider of such Credit Facility.

SECTION 10.2. Supplemental Resolutions Effective With Consent of Bondholders. The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of the Bondholders in accordance with and subject to the provisions of Article XI hereof, such Supplemental Resolution to become effective upon the filing with the Trustee of a copy thereof certified by the Issuer. The Trustee shall, upon its becoming effective, transmit a copy of such Supplemental Resolution to the Institution and to each Rating Service(s) rating the affected Bonds then Outstanding.

SECTION 10.3. General Provisions Relating to Series Resolutions and Supplemental Resolutions. The Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X and Article XI hereof. Nothing contained in this Article X or Article XI hereof shall affect or limit the rights or obligations of the Issuer to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 8.4 hereof or the right or obligation of the Issuer to execute and deliver to the Trustee any instrument elsewhere herein provided or permitted to be delivered to the Trustee.

A copy of every Series Resolution and Supplemental Resolution adopted by the Issuer, when filed with the Trustee, shall be accompanied by an opinion of Bond Counsel stating that such Series Resolution or Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Issuer and enforceable in accordance with its terms. The Trustee shall transmit a copy of such Supplemental Resolution to the Institution and with respect to any Series Resolution or

Supplemental Resolution relating to a Series of Bonds secured by a Credit Facility, providing a written copy thereof to the provider of such Credit Facility.

The Trustee is hereby authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions hereof and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on the opinion of Bond Counsel that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions hereof.

No Series Resolution or Supplemental Resolution changing, amending or modifying any of the rights or obligations of the Trustee shall become effective without the written consent of the Trustee.

ARTICLE XI.

AMENDMENTS OF RESOLUTION

SECTION 11.1. Powers of Amendment. Any modification or amendment hereof and of the rights and obligations of the Issuer and of the Holders of the Bonds of a Series hereunder, in any particular, may be made by a Supplemental Resolution, with the written consent given as hereinafter provided in Section 11.2 hereof, (i) of the Holders of at least a majority in principal amount of the Bonds of such Series Outstanding at the time such consent is given or (ii) in case the modification or amendment changes the amount or date of any Sinking Fund Installment, of the Holders of at least a majority in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment, Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section 11.1, a Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect.

The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Issuer and all Holders of Bonds; *provided, however*, that such determination shall be made without regard to the existence of any Credit Facility issued in connection with such Bonds.

For all purposes of this Section 11.1, the Trustee shall be entitled to rely upon an opinion of counsel or an opinion or report of engineers, accountants or other experts, in each case reasonably satisfactory to the Trustee, as conclusive evidence as to whether the Bonds of any particular Series or maturity would be so affected by any such modification or amendment

hereof. The Trustee shall transmit a copy of such Supplemental Resolution to the Institution upon its becoming effective.

SECTION 11.2. Consent of Bondholders. The Issuer may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 11.1 hereof to take effect when and as provided in this Section 11.2. A certified copy of such Supplemental Resolution shall be filed with the Trustee and a notice of such adoption, including the Supplemental Resolution and a statement that such Supplemental Resolution shall not take effect until the required percentages of Bondholders have consented thereto, shall be submitted to EMMA. A copy of such Supplemental Resolution shall, upon receipt of a written request therefor, be furnished to the registered owner of a Bond or any beneficial owner of a Book Entry Bond requesting the same. At the option of the Issuer, a copy of such Supplemental Resolution, together with a request to the Bondholders of a Series of Bonds affected thereby for their consent thereto in form satisfactory to the Trustee, may, unless otherwise provided in Section 4.5 hereof, be mailed by the Trustee to the Bondholders (but failure to mail such copy and request to any particular Bondholder shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided).

Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consent of the Holders of the percentages of Outstanding Bonds specified in Section 11.1 hereof and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Issuer in accordance with the provisions hereof, is authorized or permitted hereby, and is valid and binding upon the Issuer and enforceable in accordance with its terms, and (ii) a notice shall have been given as hereinafter in this Section 11.2 provided. Each such consent shall be effective only if accompanied by proof of the holding or owning at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 14.1 hereof. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 14.1 hereof shall be conclusive proof that the consents have been given by the Holders of the Bonds described in the certificate or certificates of the Trustee. Any consent given by a Bondholder shall be binding upon the Bondholder giving such consent and, anything in Section 14.1 hereof to the contrary notwithstanding, upon any subsequent Bondholder and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Bondholder giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 11.2 provided for is filed, such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Issuer and the Trustee a written statement that such Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.2, shall be given to: (1) the

Bondholders by the Trustee in accordance with the provisions of Section 15.8(c) hereof; and (2) by filing a copy of such notice with EMMA. The Trustee shall prepare a certificate as proof of the giving of such notice as required by this Section 11.2. A transcript, consisting of the papers required or permitted by this Section 11.2 to be filed with or prepared by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Issuer, the Trustee, and the Holders of all Bonds upon the Trustee's execution of the certificate of proof of the giving of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution is rendered in a legal action or equitable proceeding for such purpose commenced within the thirty (30) day period beginning on the date of the Trustee's execution of the proof of giving such notice; **provided, however**, that the Issuer and the Trustee during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

[For the purposes of this Article XI, the purchasers of the Bonds of a Series, including those purchasing as underwriters, placement agent or remarketing agent, for resale or otherwise, upon such purchase, may consent to a modification or amendment permitted by Section 11.1 or 11.3 hereof in the manner provided herein, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; **provided, however**, that, if such consent is given by a purchaser who is purchasing as an underwriter or for resale or a placement agent, the nature of the modification or amendment and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document (or if there is no such offering document, the purchase or placement agreement, if any) prepared in connection with the primary offering, reoffering, resale or private placement of the Bonds of such Series by the Issuer.]

SECTION 11.3. Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Issuer and of the Holders of the Bonds may be modified or amended in any respect upon the adoption and filing with the Trustee by the Issuer of a copy of a Supplemental Resolution certified by an Authorized Officer of the Issuer and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 11.2 hereof, except that no notice to the Bondholders shall be required.

SECTION 11.4. [Intentionally Omitted]

SECTION 11.5. Notation on Bonds. Bonds delivered after the effective date of any action taken as provided in Article X hereof or this Article XI may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the principal corporate trust office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Issuer or the Trustee shall so determine, new Bonds so modified as, in the opinion of the Trustee and the Issuer, conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be

exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XII.

DEFAULTS AND REMEDIES

SECTION 12.1. Trustee to Exercise Powers of Statutory Trustee. The Trustee shall be and hereby is vested with all of the rights, powers and duties of a trustee appointed by Bondholders pursuant to Section 1686 of the Act which are not inconsistent with the provisions of the Resolution and the right of Bondholders to appoint a trustee pursuant to Section 1686 of the Act is hereby abrogated in accordance with the provisions of subdivision 4(g) of Section 1682 of the Act.

SECTION 12.2. Events of Default. An event of default shall exist hereunder and under a Series Resolution (herein called “event of default”) if with respect to the Bonds of a Series to which the Series Resolution relates:

- (a) payment of the principal, Sinking Fund Installments or Redemption Price of any Bond of such Series shall not be made by the Issuer when the same shall otherwise become due and payable; or
- (b) payment of an installment of interest on any Bond of such Series shall not be made by the Issuer when the same shall become due and payable; or
- (c) a Determination of Taxability shall have occurred and be continuing; or
- (d) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained herein or in the Bonds of such Series or in any Series Resolution on the part of the Issuer to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds, or if such default is not capable of being cured within thirty (30) days, if the Issuer fails to commence within said thirty (30) days and diligently prosecute the cure thereof; or
- (e) an “Event of Default” as defined in a Loan Agreement shall have occurred and be continuing and all sums payable by the Institution under the Loan Agreement shall have been declared to be immediately due and payable, which declaration shall not have been annulled.

SECTION 12.3. Acceleration of Maturity. Upon the happening and continuance of any event of default specified in Section 12.2 hereof, other than an event of default specified in paragraph (c) of Section 12.2 hereof, then and in every such case the Trustee, upon the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the

Outstanding Bonds of each Series, shall, by a notice in writing to the Issuer and each Rating Service(s) then rating the Outstanding Bonds of such Series, declare the principal of and interest on all of the Outstanding Bonds of such Series to be immediately due and payable. At the expiration of thirty (30) days after notice of such declaration has been given, such principal and interest on all of the Outstanding Bonds of such Series shall become and be immediately due and payable, anything herein or in the Series Resolution or in the Bonds to the contrary notwithstanding. At any time after the principal of the Bonds of such Series shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy hereunder, the Trustee shall, with the written consent of the Holders of not less than twenty-five per centum (25%) in principal amount of the Bonds of such Series not then due by their terms and then Outstanding, by written notice to the Issuer, annul such declaration and its consequences if: (i) money shall have accumulated in the Debt Service Funds sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds of such Series (except the interest accrued on such Bonds since the last interest payment date); (ii) money shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; (iii) all other amounts then payable by the Issuer hereunder and under each applicable Series Resolution (other than principal amounts payable only because of a declaration and acceleration under this Section 12.3) shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained herein or in any applicable Series Resolution or in the Bonds of such Series (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this Section 11.03) shall have been remedied to the reasonable satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 12.4. Enforcement of Remedies. Upon the happening and continuance of any event of default specified in Section 12.2 hereof, then and in every such case, the Trustee may proceed, and, upon the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall proceed (subject to the provisions of Section 9.6 hereof) to protect and enforce its rights and the rights of the Bondholders hereunder or under any Series Resolution or under the laws of the State by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained hereunder or under any Series Resolution or in aid or execution of any power herein or therein granted or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy hereunder and under each Series Resolution the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Issuer for principal or interest or otherwise under any of the provisions of the Resolution or of any Series Resolution or of the Bonds of a Series, with interest on overdue payments of the principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under any Series Resolution and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Issuer but

solely as provided herein, in any Series Resolution and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

SECTION 12.5. Priority of Payments After Default. If at any time the money held by the Trustee under each Series Resolution shall not be sufficient to pay the principal of and interest on the Bonds of the applicable Series as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of Section 12.3 hereof), such money together with any money then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in this Article XII or otherwise, shall be applied (after first depositing in the Arbitrage Rebate Fund all amounts required to be deposited therein and then paying all amounts owing to the Trustee hereunder) as follows:

(A) Unless the principal of all the Bonds of the applicable Series has become or been declared due and payable, all such money shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available shall not be sufficient to pay in full all amounts due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(B) If the principal of all of the Bonds of the applicable Series has become or been declared due and payable, all such money shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in the Bonds.

The provisions of this Section 12.5 are in all respects subject to the provisions of Section 8.2 hereof.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section 12.5, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money

available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in accordance with the provisions of this Section 12.5 shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Issuer, to any Holder of Bonds or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement.

Amounts held by the Trustee after payments to be made pursuant to this Section 12.5 have been made and no Bonds of the applicable Series are Outstanding shall be paid and applied in accordance with Section 13.1 hereof.

SECTION 12.6. Termination of Proceedings. In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Issuer, the Trustee, the Institution and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

SECTION 12.7. Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Holders of a majority in principal amount of the Outstanding Bonds of a Series shall have the right, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder and under each Series Resolution, provided such direction shall be in accordance with law and the provisions hereof and of each Series Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

SECTION 12.8. Limitation of Rights of Individual Bondholders. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or for any other remedy hereunder unless such Holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of a Series, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such

request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and in equity or at law. It is understood and intended that no one or more Holders of the Bonds secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds. Notwithstanding any other provision hereof, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 12.9. Actions by Trustee; Possession of Bonds by Trustee Not Required. All rights of action hereunder or under any of the Bonds secured hereby and thereby, enforceable by the Trustee, may be enforced by it without the possession of any of such Bonds or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Bonds to which such action relates, subject to the provisions hereof.

SECTION 12.10. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 12.11. Waiver and Non-Waiver of Default. No delay or omission of the Trustee or any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article XII to the Trustee and the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee, upon written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder.

SECTION 12.12. Notice of Event of Default. The Trustee shall give notice of each event of default hereunder known to the Trustee to the Institution and to any provider of Credit Facility, within five (5) days after knowledge of the occurrence thereof and to the Holders of Bonds within thirty (30) days after knowledge of the occurrence thereof, unless such event of default shall have been remedied or cured before the giving of such notice; *provided, however*, that, except in the case of default in the payment of the principal, Sinking Fund Installments or Redemption Price of, or interest on, any of the Bonds, the Trustee shall be protected in withholding notice thereof to the Holders of Bonds if and so long as the Trustee in good faith

determines that the withholding of such notice is in the best interests of the Holders of the Bonds. Each such notice of event of default shall be given by the Trustee (i) to Bondholders in accordance with the provisions of Section 15.8(c) hereof; (ii) by giving written notice thereof to any provider of Credit Facility and to such other persons as is required by law; and (iii) by filing a copy of such notice with EMMA.

ARTICLE XIII.

DEFEASANCE

SECTION 13.1. Defeasance. (a) If the Issuer shall pay or cause to be paid to the Holders of Bonds of a Series the principal, Sinking Fund Installments, if any, or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, herein, and in the applicable Series Resolution and Certificate of Determination, then the pledge of the Revenues or other money and securities pledged to such Bonds and all other rights granted hereby to such Bonds shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Issuer, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Issuer, and all money or securities held by it pursuant hereto and to the applicable Series Resolution which are not required for the payment or redemption of Bonds of such Series shall be paid or delivered by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Issuer; and second, to the Issuer the amount certified by an Authorized Officer of the Issuer to be then due or past due pursuant to a Loan Agreement for fees and expenses of the Issuer or pursuant to any indemnity; and, then, the balance thereof to the Institution. Such money and securities so paid or delivered shall be released from any trust, pledge, lien, encumbrance or security interest created hereby or by any Series Resolution or Loan Agreement.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subdivision (a) of this Section 13.1. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section 13.1 if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in Article V hereof notice of redemption on said date of such Bonds;

(ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities purchased with money the principal of and interest on which when due will provide money which, together with cash, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or

Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be;

(iii) the Issuer shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Bonds in accordance with the provisions of Section 15.8(c) hereof that the deposit required by clause (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 13.1 and stating such maturity or redemption date upon which money is to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on said Bonds; and

(iv) the Trustee shall have received a Verification Report or other documentation reasonably acceptable to each of the Trustee and the Issuer as to the sufficiency of the cash or Government Obligations on deposit in accordance with the provisions of this subparagraph (b) of Section 13.1.

The Trustee shall give written notice to each Rating Service then rating said Bonds of the Issuer's selection of the Series and maturity the payment of which is to be made in accordance with this Section 13.1. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this Section 13.1 in the manner provided in Section 5.4 hereof. ARTICLE XIV.

EXECUTION OF INSTRUMENTS BY BOND HOLDERS AND PROOF OF OWNERSHIP OF BONDS; NON-PRESENTMENT OF BONDS

SECTION 14.1. Evidence of Signatures of Bondholders and Ownership of Bonds.

Any request, consent or other instrument which the Resolution may require or permit to be signed and executed by a Holder or Holders of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Bonds in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Bonds, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the manner set forth below, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Bonds and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done or omitted to be done by the Issuer or the Trustee in accordance therewith.

SECTION 14.2 Non-Presentment of Bonds Anything herein to the contrary notwithstanding, in the event any of the Bonds of a Series shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, and funds sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, together with interest to the date on which principal is due, all liability of the Issuer to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to pay such funds to the Person entitled thereto or if the Person is not known to the Trustee, to hold such funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Resolution or on, or with respect to, such Bond. Such amounts so held shall, pending payment to the Holder of such Bond, (y) be subject to any rebate requirement as set forth in the Tax Certificate or this Resolution, and (z) shall be uninvested, or, if invested, invested or re-invested only in Government Obligations maturing within thirty (30) days. Funds remaining with the Trustee as above and unclaimed for the earlier of two (2) years or one month less than the applicable statutory escheat period shall be paid to the Institution. After the payment of such unclaimed moneys to the Institution, the Holder of such Bond shall thereafter look only to the Institution for the payment thereof, and all obligations of the Trustee or such Paying Agent with respect to such moneys shall thereupon cease.

ARTICLE XV.

SECTION 15.5. Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein or in any Series Resolution on the part of the Issuer or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of such Series Resolution or of the Bonds.

SECTION 15.6. Parties in Interest. Nothing herein or in any Series Resolution adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Issuer, Trustee, any provider of Credit Enhancement and the Holders of the Bonds any rights, remedies or claims hereunder or by reason hereof or of any Series Resolution or any covenant, condition or

stipulation thereof; *provided, however*, that with respect to the provisions hereof which require the Trustee to pay or deliver to the Institution any money or securities held by the Trustee hereunder, such provisions shall also be for the benefit of the Institution and, upon the failure of the Trustee to comply therewith, the Institution shall have such rights, remedies and claims as are provided hereunder or by reason hereof or by law. All covenants, stipulations, promises and agreements herein or in any Series Resolution contained by or on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Trustee and the Holders from time to time of the Bonds.

SECTION 15.7. Exclusion of Bonds. Bonds owned or held by or for the account of the Issuer or the Institution shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and neither the Issuer nor the Institution shall be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Issuer and the Institution shall each furnish the Trustee with a certificate describing all Bonds owned or held by or for the account of the Issuer or the Institution, respectively, upon which the Trustee may rely for purposes of excluding Bonds pursuant to the immediately preceding sentence.

SECTION 15.9. Uniform Commercial Code Continuation Statements. The Institution shall file or cause to be filed the initial financing statements, to be recorded and filed, as the case may be, as required by law in order to perfect the security interests granted to the Issuer by the Institution under the Loan Agreement and assigned by the Issuer to the Trustee. The Trustee hereby covenants that it will cause to be filed all continuation statements under the Uniform Commercial Code of the State in such manner and in such places necessary to preserve, perfect and maintain the perfection of all security interests referenced in the immediately preceding sentence. Notwithstanding the foregoing or anything to the contrary contained herein,

(A) absent written instruction to the contrary from the Institution, the Trustee's sole responsibility with respect to the filing of continuation statements shall be to file such continuation statements prior to the applicable lapse date in the same filing location as the original financing statements to which such continuation statements relate were filed, and (B) the Trustee does not have any duty to determine that such initial filing location was correct at the time such original financing statements were filed or continues to be correct at the time such continuation statements were filed. Any written instructions provided by the Institution pursuant to the immediately preceding sentence shall be accompanied by an opinion of counsel to the Institution opining as to: (i) what continuation actions are necessary; and (ii) the deadline dates for the required continuation actions; and (iii) the jurisdictions in which the continuation actions must be effected. Counsel in such opinion shall additionally opine that, upon performance of the aforesaid continuation actions, all appropriate steps shall have been taken on the part of the Institution, the Issuer and the Trustee then requisite to the maintenance of the perfection of the security interest of the Trustee in and to all property and interests which are to be subjected to the lien and security interests granted to the Issuer by the Institution under the Loan Agreement and assigned by the Issuer to the Trustee. The Institution shall be responsible for the reasonable costs incurred by the Trustee in filing all continuation statements hereunder. The Trustee shall have no responsibility for the initial filing of any Uniform Commercial Code financing statement.

SECTION 15.11. Authority to Deliver this Resolution. An Authorized Officer of the Issuer is hereby authorized and directed to deliver this Resolution with such changes, insertions and omissions as may be approved by such Authorized Officer, such delivery being conclusive evidence of such approval; and *provided, however*, such changes, insertions and omissions shall be necessary to effectuate the intent of this Resolution.

SECTION 15.12. Non-Liability of the Issuer. The obligations and agreements of the Issuer contained herein shall not constitute or give rise to a general obligation of the Issuer, but rather shall constitute limited obligations of the Issuer payable solely from the Revenues paid to the Issuer or the Trustee pursuant to the Loan Agreement (except for Revenues paid to the Issuer with respect to the Unassigned Rights). The Issuer shall not be obligated to pay the principal of, premium, if any, or interest on the Bonds, or any costs incidental thereto, or to pay any amounts payable to the Trustee pursuant to Article IX hereof, except from the Revenues. The Issuer shall not be directly, indirectly, contingently or otherwise liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Resolution, the Bonds or the Loan Agreement, except only to the extent amounts are received for the payment thereof from the Institution under the Loan Agreement.
