Dormitory Authority of the State of New York State (DASNY)

is a national leader in the municipal bond market and one of its most prominent public builders. DASNY sets the tone for project delivery. DASNY is a leader in sustainable construction, and ensures the participation of minority-, women-, and service-disabled, veteran-owned businesses through every step of the construction process.

Why DASNY?

On behalf of our clients, DASNY's experienced team of professionals work together to specify and purchase a wide variety of Furniture, Fixtures, and Equipment (FF&E), from basic to the most complex. DASNY's team has numerous procurement methods available to them and strives to make sure the requested commodities and services are sufficiently sourced to secure the best pricing for our clients. It is DASNY's priority to deliver exceptional customer service and professional expertise on every project for our clients and the public, in a cost-effective manner, while advancing the policy goals of New York State.

Interior Design

Our interior designers collaborate with purchasing coordinators, architects, consultants, and key stakeholders to develop a furniture and finish package that meets your needs.

Purchasing

DASNY is respected in the industry and has significant buying power. This makes us uniquely qualified to handle any size or style project you may have.

We can establish an FF&E budget or work within a predefined threshold.

Our Interior Designers Provide an Extensive Range of Services

- Determine priorities, programming requirements, and future needs.
- Review architectural plans, interior building finishes, and power/data locations for coordination with furniture.
- Draft CAD furniture layout options and create 3-D renderings.
- Help facilitate compliance with applicable building, fire, life safety, and Americans with Disabilities Act (ADA) codes.
- Specify products that can contribute to LEED certification.
- Specify suitable furnishings, window treatments, signage, and interior building finishes as required.
- Present furniture and finish recommendations.
- Generate the furniture specifications and organize contract documents for procurement and installation.
- Prepare bid documents and evaluate bid submittals for furnishings.
- Confirm all items purchased are received and installed in satisfactory condition, and in accordance with product specifications.

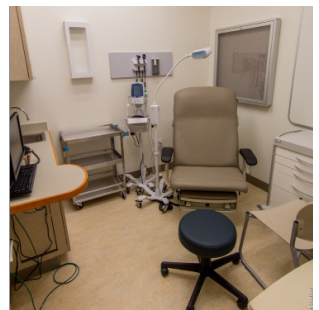

Purchasing Services

Our Purchasing Coordinators work with interior designers, architects, consultants, and key stakeholders to procure specified FF&E for you.

Our Purchasing Coordinators Will Work With You To

- Procure FF&E in accordance with NYS procurement statutes.
- Achieve MWBE/SDVOB participation goals.
- Assist with identifying FF&E requirements within your budget.
- Work with field site personnel to coordinate delivery schedules, installation logistics, and any required labor agreements.
- Act as your liaison and coordinate with the vendors.
