Section 3.4. Notices. Notice of each annual and each special meeting of the Board shall be given by mailing the same, at least three days before the day on which the meeting is to be held, to the address of each Member designated by him or her for such purpose (or, if none is designated, to his or her last known address) or by delivering it personally, by e-mail, or telephonically at least 12 hours in advance of the time for which the meeting is called. Notice of any meeting need not be given to any Member who submits a signed waiver of notice thereof before, at or after the meeting or to the Commissioner of Education, the Commissioner of Health, or the Director of the Budget of the State of New York if his or her duly appointed representative submits a signed waiver of notice at the meeting. In such circumstances, the Chair or the Executive Director, upon the direction of the Chair, may give notice that the Member(s) impacted by the inclement weather conditions may participate in the meeting of the Board by means of video conference equipment, whereby all persons participating in the meeting can hear and observe each other and all other persons present at each of the designated places of the meeting, and such participation in a meeting via videoconference shall constitute presence in person at such meeting.
