

Building Resilient Healthcare Facilities Forum

Design Strategies for People and Performance

FEATURED SPEAKER

Deborah Fasser

Director, Business Development & External Partnerships

With a background in strategic communications, government relations, and public sector development, **Deborah Fasser** brings a practical, relationship-driven approach to her work. She works with colleges and universities, healthcare organizations, and other public institutions to help them understand available resources and explore options for financing, designing, and building critical projects. Deborah focuses on building trusted relationships, identifying opportunities, and supporting projects that improve facilities and strengthen the communities they serve.

She is currently pursuing a Master of Business Administration and holds a Master of Arts in Communication, both from the State University of New York at Albany, as well as a Bachelor of Science in Journalism/Public Relations from Syracuse University (Utica College). Deborah holds a P3 Certification from the Association for the Improvement of American Infrastructure (AIAI) and has been recognized as a Woman of Inspiration by DASNY.
