

# Building Resilient Healthcare Facilities Forum

*Design Strategies for People and Performance*

## FEATURED SPEAKER

### **Salvatore Renda, AIA NCARB LEED AP**

*Chief Project Manager, DASNY - Upstate Design & Construction Division*

**Salvatore Renda** is an Architect and Chief Project Manager with the Dormitory Authority of the State of New York. The Dormitory Authority provides financing and construction services to public and private universities, not-for-profit healthcare facilities, courts, libraries and other institutions that serve the public good. Mr. Renda and his staff manage and oversee projects including all

phases of planning, design and construction in the Eastern Region for the DASNY. Mr. Renda is a member of the American Institute of Architects and has served as President and on the Board of Directors for the Eastern NY Chapter of AIA, the International Facility Management Association and the Building Commissioning Association. He currently holds certifications from the National Council of Architectural Registration Board, the American Concrete Institute and is a USGBC LEED Accredited Professional.

Mr. Renda holds a Masters of Architecture from the University of Buffalo, School of Architecture and Planning, a Bachelors of Science in Architecture from the New York Institute of Technology, Center for Architecture, and an Associate's Degree in Applied Science in Civil Engineering from Hudson Valley Community College, School of Architectural, Civil and Construction Technology.
