DORMITORY AUTHORITY OF THE STATE OF NEW YORK NEW YORK UNIVERSITY REVENUE BONDS

\$55,035,000 Series 2012B (Tax-Exempt) \$31,110,000 Series 2012C (Federally Taxable)

Dated: Date of Delivery Due: July 1, as shown on the inside cover

Payment and Security: The New York University Revenue Bonds, Series 2012B (Tax-Exempt) (the "Series 2012B Bonds") and the New York University Revenue Bonds, Series 2012C (Federally Taxable) (the "Series 2012C Bonds" and, together with the Series 2012B Bonds, the "Series 2012 Bonds") are special obligations of the Dormitory Authority of the State of New York (the "Authority") payable solely from and secured by a pledge of (i) certain payments to be made under the Loan Agreement (the "Loan Agreement"), dated as of May 28, 2008, between New York University (the "University") and the Authority, and (ii) all funds and accounts (except the Arbitrage Rebate Fund) established under the Authority's New York University Revenue Bond Resolution, adopted May 28, 2008 (the "Resolution"), a Series Resolution authorizing the issuance of the Series 2012B Bonds adopted on March 28, 2012 (the "Series 2012C Resolution").

The Loan Agreement is a general, unsecured obligation of the University and requires the University to pay, in addition to the fees and expenses of the Authority and the Trustee, amounts sufficient to pay, when due, the principal, Sinking Fund Installments, if any, Purchase Price and Redemption Price of and interest on all Bonds issued under the Resolution, including the Series 2012 Bonds.

The Series 2012 Bonds will not be a debt of the State of New York nor will the State be liable thereon. The Authority has no taxing power.

Description: The Series 2012 Bonds will be issued as fully registered bonds in denominations of \$5,000 or any integral multiple thereof and will bear interest at the rates and will pay interest and mature at the times and in the respective principal amounts shown on the inside cover hereof.

The Series 2012 Bonds will be issued initially under a Book-Entry Only System, registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"). Individual purchases of beneficial interests in the Series 2012 Bonds will be made in Book-Entry form (without certificates). So long as DTC or its nominee is the registered owner of the Series 2012 Bonds, payments of the principal and Redemption Price of and interest on such Series 2012 Bonds will be made directly to DTC or its nominee. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement of such payments to the beneficial owners is the responsibility of DTC participants. See "PART 3 - THE SERIES 2012 BONDS - Book-Entry Only System" herein.

The Bank of New York Mellon, New York, New York is the Trustee and Paying Agent for the Series 2012 Bonds.

Redemption: The Series 2012 Bonds are subject to redemption and purchase in lieu of optional redemption prior to maturity as more fully described herein.

Tax Matters: In the opinion of Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the Authority and the University described herein, interest on the Series 2012B Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel is also of the opinion that such interest on the Series 2012B Bonds is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Bond Counsel is also of the opinion that interest on the Series 2012C Bonds is included in gross income for Federal income tax purposes pursuant to the Code. Bond Counsel is further of the opinion that interest on the Series 2012 Bonds is exempt from personal income taxes of the State of New York and its political subdivisions, including The City of New York and the City of Yonkers. See "PART 10 - TAX MATTERS" herein regarding certain other tax considerations.

The Series 2012 Bonds are offered when, as, and if issued and received by the Underwriters. The offer of the Series 2012 Bonds may be subject to prior sale, or withdrawn or modified at any time without notice. The offer is subject to the approval of legality by Nixon Peabody LLP, New York, New York, Bond Counsel, and to certain other conditions. Certain legal matters will be passed upon for the University by its General Counsel, Bonnie Brier, Esq., and by its special counsel, Sidley Austin LLP, New York, New York. Certain legal matters will be passed upon for the Underwriters by their cocounsel, Edwards Wildman Palmer LLP, New York, New York and The Hardwick Law Firm LLC, New York, New York. The Authority expects to deliver the Series 2012 Bonds in definitive form in New York, New York, on or about May 17, 2012.

consisting of

\$55,035,000 Series 2012B (Tax-Exempt) \$31,110,000 Series 2012C (Federally Taxable)

PART 1 - INTRODUCTION

Purpose of the Official Statement

The purpose of this Official Statement, including the cover page, the inside cover page and appendices, is to provide information about the Authority and the University, in connection with the offering by the Authority of (i) \$55,035,000 principal amount of its New York University Revenue Bonds, Series 2012B (Tax-Exempt) (the "Series 2012B Bonds") and (ii) \$31,110,000 principal amount of its New York University Revenue Bonds, Series 2012C (Federally Taxable) (the "Series 2012C Bonds" and, together with the Series 2012B Bonds, the "Series 2012 Bonds").

The following is a brief description of certain information concerning the Series 2012 Bonds, the Authority and the University. A more complete description of such information and additional information that may affect decisions to invest in the Series 2012 Bonds is contained throughout this Official Statement, which should be read in its entirety. Certain terms used in this Official Statement are defined in Appendix A hereto.

Purpose of the Issue

The Series 2012 Bonds are being issued (i) to finance or refinance the cost of the acquisition, construction, furnishing and equipping of the Series 2012 Project and (ii) to pay certain Costs of Issuance of the Series 2012 Bonds. See "PART 4 - ESTIMATED SOURCES AND USES OF FUNDS" and "PART 5 - THE SERIES 2012 PROJECT."

Authorization of Issuance

The Series 2012 Bonds will be issued pursuant to the Resolution and the Act. In addition to the Series 2012 Bonds, the Resolution authorizes the issuance of other Series of Bonds (collectively, the "Bonds") to pay other Costs of one or more Projects, to pay the Costs of Issuance of such Series of Bonds and to refund all or a portion of Outstanding Bonds or other notes or bonds of the Authority issued on behalf of the University. The Bonds permitted to be issued under the Resolution include Capital Appreciation Bonds, Deferred Income Bonds, Option Bonds and Variable Interest Rate Bonds. All Bonds issued under the Resolution rank on a parity with each other and are secured equally and ratably with each other. There is no limit on the amount of additional Bonds that may be issued under the Resolution, which Bonds may be issued at any time after the scheduled delivery date of the Series 2012 Bonds. See "PART 6 - THE UNIVERSITY - <u>FINANCIAL</u> STATEMENT INFORMATION - Outstanding Long-Term Debt."

The Series 2012 Bonds

The Series 2012 Bonds will be dated their date of delivery and will bear interest from such date (payable July 1, 2012 and on each January 1 and July 1 thereafter) at the rates and will mature at the times and in the principal amounts set forth on the inside cover page of this Official Statement. See "PART 3 - THE SERIES 2012 BONDS - Description of the Series 2012 Bonds."

Payment of the Series 2012 Bonds

The Series 2012 Bonds and all other Bonds which may be issued under the Resolution are special obligations of the Authority payable solely from the Revenues, which consist of certain payments to be made by the University under the Loan Agreement. The Revenues are pledged and assigned to the Trustee. See "PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2012 BONDS - Payment of the Series 2012 Bonds."

Security for the Series 2012 Bonds

The Series 2012 Bonds are secured equally and ratably with all other Bonds which have been and may be issued under the Resolution by the pledge and assignment to the Trustee of the Revenues, the proceeds of the Bonds and, except as otherwise provided in the Resolution, all funds and accounts established under the Resolution (with the exception of the Arbitrage Rebate Fund or any fund or account established for the payment of the purchase price or Redemption Price of Option Bonds tendered for purchase or redemption). See "PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2012 BONDS - Security for the Series 2012 Bonds" and "PART 6 - THE UNIVERSITY - <u>FINANCIAL STATEMENT INFORMATION</u> - Outstanding Long-Term Debt."

The Loan Agreement is a general, unsecured obligation of the University. No security interest in any revenues or assets of the University has been granted by the University to the Authority under the Loan Agreement. However, the University has granted security interests in certain revenues and assets of the University to secure certain of the University's outstanding indebtedness other than the Bonds. In addition, pursuant to the Loan Agreement, the University may incur Debt secured by a lien and pledge of revenues of the University without granting to the Authority any security interest in any revenues to secure the University's obligations under the Loan Agreement. See "PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2012 BONDS - Security for the Series 2012 Bonds" and "PART 6 - THE UNIVERSITY - FINANCIAL STATEMENT INFORMATION - Outstanding Long-Term Debt."

The University

The University is a private, co-educational, non-sectarian, not-for-profit institution of higher education chartered by the Regents of the University of the State of New York and is an organization described in Section 501(c)(3) of the Code. See "PART 6 - THE UNIVERSITY" and "APPENDIX B – NEW YORK UNIVERSITY CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED AUGUST 31, 2011 AND 2010, AND REPORT OF INDEPENDENT ACCOUNTANTS."

The Authority

The Authority is a public benefit corporation of the State, created for the purpose of financing and constructing a variety of public-purpose facilities for certain educational, governmental and not-for-profit corporations. See "PART 7 - THE AUTHORITY."

The Series 2012 Project

The Series 2012 Project consists of the acquisition, construction, equipping and furnishing of the University's portion of a building owned or operated by the University located in the Borough of Manhattan in The City of New York. See "PART 5 - THE SERIES 2012 PROJECT."

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

PART 2 - SOURCE OF PAYMENT AND SECURITY FOR THE SERIES 2012 BONDS

Set forth below is a narrative description of certain contractual provisions relating to the source of payment of and security for the Series 2012 Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Act, the Loan Agreement and the Resolution, the Series 2012B Resolution and the Series 2012C Resolution. Copies of the Loan Agreement, the Resolution, the Series 2012B Resolution and the Series 2012C Resolution are on file with the Authority and the Trustee. See also "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT" and "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION," for a more complete statement of the rights, duties and obligations of the parties thereto.

Payment of the Series 2012 Bonds

The Series 2012 Bonds and all other Bonds which may be issued under the Resolution will be special obligations of the Authority. The principal, Sinking Fund Installments, if any, Purchase Price and Redemption Price of and interest on the Series 2012 Bonds and all other Bonds which may be issued under the Resolution are payable solely from the Revenues, which consist of payments to be made by the University pursuant to the Loan Agreement on account of the principal, Sinking Fund Installments, if any, Purchase Price and Redemption Price of and interest on the Bonds. The Revenues and the right to receive them have been pledged to the Trustee for the benefit of the Bondholders.

The Loan Agreement is a general, unsecured obligation of the University and obligates the University to make payments to satisfy the principal and Sinking Fund Installments, if any, of and interest on Outstanding Bonds. Payments made by the University in respect of interest on fixed-rate Outstanding Bonds are to be made on the fifth Business Day immediately preceding a July 1 and January 1 interest payment date and, in the case of payments in connection with Variable Interest Rate Bonds, three days prior to an interest payment date, in each case in an amount equal to the interest coming due on the next succeeding interest payment date. Payments by the University in respect of principal and Sinking Fund Installments are to be made on the fifth Business Day preceding the date on which such principal becomes due or the date on which a Sinking Fund Installment becomes due. The Loan Agreement also obligates the University to pay, at least 15 days prior to a redemption date of Bonds called for redemption, the amount, if any, required to pay the Redemption Price of such Bonds.

Pursuant to the Loan Agreement, the Authority has directed the University, and the University has agreed, to make such payments directly to the Trustee. Such payments are to be applied by the Trustee to the payment of the principal of and interest on the Outstanding Bonds, including the Series 2012 Bonds.

Security for the Series 2012 Bonds

The Series 2012 Bonds are secured equally with all other Bonds which may be issued under the Resolution by the pledge of the Revenues, the proceeds of the Bonds and, except as otherwise provided in the Resolution, all funds and accounts established by the Resolution and any Series Resolution, other than the Arbitrage Rebate Fund and any fund established for the payment of the Purchase Price of Option Bonds tendered for purchase.

The Series 2012 Bonds will not be a debt of the State nor will the State be liable thereon. The Authority has no taxing power. Neither the State nor the Authority has any responsibility to make payments with respect to the Series 2012 Bonds except for the Authority's responsibility to make payments from money received from the University pursuant to the Loan Agreement and from amounts held in the funds and accounts under the Resolution and pledged therefor.

The Loan Agreement and the obligation of the University to make payments under the Loan Agreement are general, unsecured obligations of the University. The obligations of the University to make payments or cause the same to be made under the Loan Agreement are absolute and unconditional and the amount, manner and time of making such payments are not to be decreased, abated, postponed or delayed for any cause or by reason of the happening or non-happening of any event, irrespective of any defense or any right of set-off, recoupment or counterclaim which the University may otherwise have against the Authority, the Trustee or any Bondholder for any cause whatsoever.

No security interest in any revenues or assets of the University has been granted by the University to the Authority under the Loan Agreement. However, the University has granted security interests in certain revenues and assets of the University to secure certain of the University's outstanding indebtedness other than the Bonds. See "PART 6 - THE UNIVERSITY - <u>FINANCIAL STATEMENT INFORMATION</u> - Outstanding Long-Term Debt," for a description of such indebtedness of the University secured by certain pledged revenues. In the event of a default under any debt instrument secured by such pledged revenues, the holder or trustee under such debt instrument (including the Authority as the holder of such other debt) will have the right to collect a portion or all of such pledged revenues, and apply the revenues so collected

to the payment of amounts due under such debt instrument. Any revenues so collected and applied will not be available for satisfying any of the University's obligations under the Loan Agreement.

Events of Default and Acceleration

The following are events of default under the Resolution: (i) a default by the Authority in the payment of the principal, Sinking Fund Installment, Purchase Price or Redemption Price of or interest on any Bond; (ii) a default by the Authority in the due and punctual performance of any covenants, conditions, agreements or provisions contained in the Bonds or in the Resolution which continues for 30 days after written notice thereof is given to the Authority by the Trustee (such notice to be given in the Trustee's discretion or at the written request of the Holders of not less than 25% in principal amount of Outstanding Bonds); (iii) a default by the Authority in the due and punctual performance of any covenant or agreement contained in a Series Resolution authorizing the issuance of a Series of Bonds to comply with the provisions of the Code necessary to maintain the exclusion of interest on such Bonds from gross income for purposes of federal income taxation; or (iv) an "Event of Default," as defined in the Loan Agreement, has occurred and is continuing and all sums payable by the University under the Loan Agreement are declared immediately due and payable, an event of default under the Loan Agreement is not an event of default under the Resolution.

The Resolution provides that, if an event of default (other than as described in clause (iii) of the preceding paragraph) occurs and continues, the Trustee, upon the written request of Holders of not less than 25% in principal amount of the Outstanding Bonds by written notice to the Authority, is to declare the principal of and interest on all the Outstanding Bonds to be due and payable. At the expiration of 30 days from the giving of such notice, such principal and interest will become due and payable. The Trustee may, with the written consent of the Holders of not less than 25% in principal amount of Bonds not yet due by their terms and then Outstanding, annul such declaration and its consequences under the terms and conditions specified in the Resolution with respect to such annulment.

Notwithstanding any other provision of the Resolution to the contrary, upon the Authority's failure to observe, or refusal to comply with, the covenant described in clause (iii) of the first paragraph under this subheading, upon the direction of the Holders of not less than 25% in principal amount of the Outstanding Bonds of the Series affected thereby, the Trustee is to exercise the rights and remedies provided to the Holders of the Bonds under the Resolution. However, the Resolution provides that in no event may the Trustee, whether or not it is acting at the direction of the Holders of 25% or more in principal amount of the Outstanding Bonds of the Series affected thereby, declare the principal of a Series of Bonds, and the interest accrued thereon, to be due and payable immediately as a result of the Authority's failure or refusal to observe or comply with such covenant.

The Resolution provides that the Trustee is to give notice in accordance with the Resolution of each event of default known to the Trustee to each Facility Provider as soon as practicable, to the University within five days and to the Holders within 30 days, in each case after obtaining knowledge of the occurrence thereof, unless such default has been remedied or cured before the giving of such notice. However, except in the case of default in the payment of principal, Sinking Fund Installment, Purchase Price or Redemption Price of or interest on any of the Bonds, the Trustee will be protected in withholding such notice thereof to the Holders if the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders of the Bonds.

Issuance of Additional Bonds

In addition to the Outstanding Bonds and the Series 2012 Bonds, the Resolution authorizes the issuance of other Series of Bonds to finance one or more projects and for other specified purposes, including to refund Outstanding Bonds or other notes or bonds of the Authority issued on behalf of the University. The Bonds which may be issued include Capital Appreciation Bonds, Deferred Income Bonds, Option Bonds and Variable Interest Rate Bonds. All Bonds issued under the Resolution will rank on a parity with each other and will be secured equally and ratably with each other. There is no limit on the amount of additional Bonds that may be issued under the Resolution. Additional Bonds may be issued at any time on or after the scheduled delivery date of the Series 2012 Bonds.

General

The Series 2012 Bonds will not be a debt of the State and the State will not be liable on the Series 2012 Bonds. The Authority has no taxing power. The Authority has never defaulted in the timely payment of principal of or interest on its bonds or notes. See "PART 7 - THE AUTHORITY."

PART 3 - THE SERIES 2012 BONDS

Set forth below is a narrative description of certain provisions relating to the Series 2012 Bonds. These provisions have been summarized and this description does not purport to be complete. Reference should be made to the Resolution, the Series 2012B Resolution, the Series 2012C Resolution and the Loan Agreement, copies of which are on file with the Authority and the Trustee. See also "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT" AND "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION" for a more complete description of certain provisions of the Series 2012 Bonds.

Description of the Series 2012 Bonds

The Series 2012 Bonds will be issued pursuant to the Resolution, the Series 2012B Resolution and the Series 2012C Resolution, will be dated their date of delivery, will bear interest from such date (payable July 1, 2012 and on each January 1 and July 1 thereafter) at the rates, and will mature at the times set forth on the inside cover page of this Official Statement.

The Series 2012 Bonds will be issued as fully registered bonds in denominations of \$5,000 or any integral multiple thereof ("Authorized Denominations"). The Series 2012 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), pursuant to DTC's Book-Entry Only System. Purchasers of beneficial interests in the Series 2012 Bonds will be made in book-entry form, without certificates. If at any time the Book-Entry Only System is discontinued for the Series 2012 Bonds, the Series 2012 Bonds will be exchangeable for other fully registered Series 2012 Bonds in any other Authorized Denominations of the same Series and maturity without charge except the payment of any tax, fee or other governmental charge to be paid with respect to such exchange, subject to the conditions and restrictions set forth in the Resolution. See "Book-Entry Only System" herein and "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION."

Interest on the Series 2012 Bonds will accrue based upon a 360-day year of twelve 30-day months.

Interest on the Series 2012 Bonds of a Series will be payable by check or draft mailed to the registered owners or, at the option of the registered owner of at least \$1,000,000 of Series 2012 Bonds of such Series, by wire transfer to the wire transfer address within the continental United States to which the registered owner has instructed the Trustee to make such payment at least five Business Days prior to the Record Date. If the Series 2012B Bonds or the Series 2012C Bonds are not registered in the name of DTC or its nominee, Cede & Co., the principal and Redemption Price of such Bonds will be payable at the principal corporate trust office of The Bank of New York, New York, New York, the Trustee and Paying Agent. The principal, Redemption Price and purchase price of and interest on the Series 2012 Bonds is payable in lawful money of the United States of America.

Redemption and Purchase in Lieu of Redemption Provisions

The Series 2012 Bonds are subject to optional, special and mandatory redemption and purchase in lieu of optional redemption as described below.

Optional Redemption

Series 2012B Bonds

The Series 2012B Bonds are subject to redemption prior to maturity on or after July 1, 2022, in any order at the option of the Authority, as a whole or in part at any time, at a Redemption Price of 100% of the principal amount of Series 2012B Bonds to be redeemed, plus accrued interest to the redemption date.

Series 2012C Bonds

The Series 2012C Bonds are subject to redemption prior to maturity, in whole or in part, on any Business Day, in such order of maturity as directed by the Authority, at the Make-Whole Redemption Price. The "Make-Whole Redemption Price" is the greater of (i) 100% of the principal amount of the Series 2012C Bonds to be redeemed and (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series 2012C Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series 2012C Bonds are to be redeemed, discounted to the date on which such Series 2012C Bonds are to be redeemed on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (as defined below) plus 25 basis points, plus accrued and unpaid interest on the Series 2012C Bonds to be redeemed on the redemption date. The Trustee may retain, at the expense of the University, an independent accounting firm or

financial advisor to determine the Make-Whole Redemption Price and perform all actions and make all calculations required to determine the Make-Whole Redemption Price. The Trustee, the Authority and the University may conclusively rely on such accounting firm's or financial advisor's calculations in connection with, and determination of, the Make-Whole Redemption Price, and neither the Trustee nor the Authority nor the University will have any liability for their reliance.

The "Treasury Rate" is, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption date to the maturity date of the Series 2012C Bonds to be redeemed. However, if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

Purchase in Lieu of Optional Redemption

The Series 2012 Bonds are subject to purchase in lieu of optional redemption at the time that such Series 2012 Bonds are subject to optional redemption and at a purchase price equal to the Redemption Price that would then be payable.

Special Redemption

The Series 2012 Bonds are also subject to special redemption prior to maturity in any order at the option of the Authority, as a whole or in part on any interest payment date, at a Redemption Price of 100% of the principal amount of Series 2012 Bonds to be redeemed, plus accrued interest to the redemption date, (i) from proceeds of a condemnation or insurance award, which proceeds are not used to repair, restore or replace the Series 2012 Project, and (ii) from unexpended proceeds of the Series 2012 Bonds upon abandonment of all or a portion of the Series 2012 Project due to a legal or regulatory impediment.

Mandatory Redemption

Series 2012B Bonds

The Series 2012B Bonds maturing on July 1, 2037 and on July 1, 2042 are also subject to redemption, in part, on each July 1 of the years and in the respective principal amounts set forth below, at a Redemption Price of 100% of the principal amount of Series 2012B Bonds to be redeemed, plus accrued interest to the redemption date, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem on July 1 of each year the principal amount of Series 2012B Bonds specified for each of the years shown below:

| | Bond Maturing 1 July 1, 2037 | Term Bond Maturing on July 1, 2042 | | |
|------------------|---------------------------------|---------------------------------------|------------------------------|--|
| <u>Year</u> | Sinking Fund Installments | <u>Year</u> | Sinking Fund Installments | |
| 2033 | \$3,215,000 | 2038 | \$4,105,000 | |
| 2034 | 3,380,000 | 2039 | 4,310,000 | |
| 2035 | 3,545,000 | 2040 | 4,525,000 | |
| 2036 | 3,725,000 | 2041 | 4,755,000 | |
| 2037^{\dagger} | 3,910,000 | 2042^{\dagger} | 4,990,000 | |

There will be credited against and in satisfaction of the Sinking Fund Installment payable on any date, the principal amount of Series 2012B Bonds entitled to such Sinking Fund Installment (A) purchased with money in the Debt Service Fund pursuant to the Resolution, (B) redeemed at the option of the Authority, (C) purchased by the University or the Authority and delivered to the Trustee for cancellation or (D) deemed to have been paid in accordance with the Resolution. Series 2012B Bonds purchased with money in the Debt Service Fund will be applied against and in fulfillment of the Sinking Fund Installment of the Series 2012B Bonds so purchased payable on the next succeeding July 1. Series 2012B

Final maturity.

Bonds redeemed at the option of the Authority, purchased by the Authority or the University (other than from amounts on deposit in the Debt Service Fund) and delivered to the Trustee for cancellation or deemed to have been paid in accordance with the Resolution will be applied in satisfaction, in whole or in part, of one or more Sinking Fund Installments as the Authority may direct in its discretion. To the extent the Authority's obligation to make Sinking Fund Installments in a particular year is so satisfied, the likelihood of redemption through mandatory Sinking Fund Installments of a Bondholder's Series 2012B Bonds of the maturity so purchased will be reduced for such year.

Series 2012C Bonds

The Series 2012C Bonds are not subject to mandatory redemption.

Selection of Bonds to be Redeemed

In the case of redemptions of less than all of the Series 2012 Bonds other than through mandatory Sinking Fund Installments, the Authority will select the maturities of such Series 2012 Bonds to be redeemed. The Series 2012B Bonds to be redeemed in part will be selected by the Trustee, by lot, using such method of selection as the Trustee considers proper in its discretion.

If the Series 2012C Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the Series 2012C Bonds, if less than all of the Series 2012C Bonds of a maturity are called for redemption, the particular Series 2012C Bonds or portions thereof to be redeemed will be selected on a pro rata pass-through distribution of principal basis in accordance with the DTC procedures.

It is the intention of the Authority that redemption allocations made by DTC be made on a pro rata pass-through distribution of principal basis as described above. However, neither the Authority, nor the University nor the Underwriters of the Series 2012C Bonds can provide any assurance that DTC, DTC's direct and indirect participants or any other intermediary will allocate the redemption of the Series 2012C Bonds on such basis. If the DTC operational arrangements do not allow for the redemption of the Series 2012C Bonds on a pro rata pass-through distribution of principal basis as discussed above, then the Series 2012C Bonds will be selected for redemption, in accordance with the DTC procedures, by lot.

If the Series 2012C Bonds are not registered in book-entry only form, any redemption of less than all of a maturity of the Series 2012C Bonds will be allocated among the registered owners of the Series 2012C Bonds of such maturity, as nearly as practicable, taking into consideration the Authorized Denominations of the Series 2012C Bonds, on a pro rata basis.

Notice of Redemption

The Trustee is to give notice of the redemption of the Series 2012 Bonds in the name of the Authority, by first class mail, postage prepaid, not less than 30 days nor more than 45 days prior to the redemption date, to the registered owners of any Series 2012 Bonds which are to be redeemed, at their last known addresses appearing on the registration books of the Authority and by certified mail to a national information service that disseminates bond redemption notices. If the Authority's obligation to redeem Series 2012 Bonds is subject to conditions, the notice of redemption will contain a statement to such effect that describes the conditions to such redemption. The failure of any holder to receive such notice or any defect in such notice will not affect the validity of the proceedings for the redemption of the Series 2012 Bonds.

If, on the redemption date, money for the redemption of the Series 2012 Bonds of like Series and maturity to be redeemed, together with interest thereon to the redemption date, are held by the Trustee so as to be available for payment of the Redemption Price, then interest on such Series 2012 Bonds will cease to accrue from and after the redemption date and such Series 2012 Bonds will no longer be considered to be Outstanding under the Resolution.

Notice of Purchase in Lieu of Redemption and its Effect

Notice of purchase of the Series 2012 Bonds will be given in the name of the University to the registered owners of the Series 2012 Bonds to be purchased by first-class mail, postage prepaid, not less than 30 days nor more than 45 days prior to the Purchase Date specified in such notice. The Series 2012 Bonds to be purchased are required to be tendered on the Purchase Date to the Trustee. Series 2012 Bonds to be purchased that are not so tendered will be deemed to have been properly tendered for purchase. If the Series 2012 Bonds are called for purchase in lieu of an optional redemption, such

purchase will not extinguish the indebtedness of the Authority evidenced thereby or modify the terms of the Series 2012 Bonds. Such Series 2012 Bonds need not be cancelled, and will remain Outstanding under the Resolution and continue to bear interest.

The University's obligation to purchase a Series 2012 Bond to be purchased or cause it to be purchased is conditioned upon the availability of sufficient money to pay the Purchase Price for all of the Series 2012 Bonds to be purchased on the Purchase Date. If sufficient money is available on the Purchase Date to pay the Purchase Price of the Series 2012 Bonds to be purchased, the former registered owners of such Series 2012 Bonds will have no claim thereunder or under the Resolution or otherwise for payment of any amount other than the Purchase Price. If sufficient money is not available on the Purchase Date for payment of the Purchase Price, the Series 2012 Bonds tendered or deemed tendered for purchase will continue to be registered in the name of the registered owners on the Purchase Date, who will be entitled to the payment of the principal of and interest on such Series 2012 Bonds in accordance with their respective terms.

If not all of the Outstanding Series 2012 Bonds of a Series and maturity are to be purchased, the Series 2012 Bonds of such Series and maturity to be purchased will be selected in the same manner as Series 2012 Bonds of a Series and maturity to be optionally redeemed in part are to be selected.

For a more complete description of the redemption and other provisions relating to the Series 2012 Bonds, see "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION." Also see "Book-Entry Only System" below for a description of the notices of redemption to be given to Beneficial Owners of the Series 2012 Bonds when the Book-Entry Only System is in effect.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2012 Bonds. The Series 2012 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2012 Bond certificate will be issued for each Series and maturity of the Series 2012 Bonds, totaling in the aggregate the principal amount of the Series 2012 Bonds, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2012 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2012 Bonds on DTC's records. The ownership interest of each actual purchaser of a Series 2012 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2012 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2012 Bonds, except in the event that use of the book-entry system for such Series 2012 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2012 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2012 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2012 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2012 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2012 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2012 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of the Series 2012 Bonds may wish to ascertain that the nominee holding the Series 2012 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices will be sent to DTC. If less than all of the Series 2012 Bonds within a particular maturity of the Series 2012 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2012 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2012 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2012 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2012 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, the Series 2012 Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, the Series 2012 Bond certificates will be printed and delivered to DTC.

The information herein concerning DTC and DTC's book-entry-only system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Each person for whom a Direct Participant or Indirect Participant acquires an interest in the Series 2012 Bonds, as nominee, may desire to make arrangements with such Direct Participant or Indirect Participant to receive a credit balance in the records of such Direct Participant or Indirect Participant, and may desire to make arrangements with such Direct Participant or Indirect Participant to have all notices of redemption or other communications to DTC, which may affect such persons, to be forwarded in writing by such Direct Participant or Indirect Participant and to have notification made of all interest payments. NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT OR INDIRECT PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2012 BONDS.

So long as Cede & Co. is the registered owner of the Series 2012 Bonds, as nominee for DTC, references herein to the Bondholders or registered owners of the Series 2012 Bonds (other than under "PART 11 - TAX MATTERS" herein) mean Cede & Co., as aforesaid, and do not mean the Beneficial Owners of the Series 2012 Bonds.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference will only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they will be sent by the Trustee to DTC only.

For every transfer and exchange of Series 2012 Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2012 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2012 Bonds, or (ii) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interests of the Beneficial Owners. In the event that no substitute securities depository is found by the Authority or restricted registration is no longer in effect, Series 2012 Bond certificates will be delivered as described in the Resolution.

NEITHER THE AUTHORITY, THE UNIVERSITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT, (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE SERIES 2012 BONDS UNDER THE RESOLUTIONS; (III) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2012 BONDS; (IV) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE SERIES 2012 BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE SERIES 2012 BONDS; OR (VI) ANY OTHER MATTER.

Principal and Interest Requirements

The following table sets forth the amounts, after giving effect to the issuance of the Series 2012 Bonds, required to be paid by the University during each twelve month period ending August 31 of the years shown for the payment of debt service on the outstanding indebtedness of the University, the principal of and interest on the Series 2012 Bonds and the total debt service on all indebtedness of the University (exclusive of the University's lines of credit), including the Series 2012 Bonds. PART 6 - THE UNIVERSITY

GENERAL INFORMATION

Introduction

New York University (the "University" or "NYU") is a private, not-for-profit institution of higher education and is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. It was founded in 1831 by a group of private citizens and is recognized both nationally and internationally as a leader in scholarship and education.

The University is one of the largest private institutions of higher education in the United States. The University has a faculty of approximately 8,300, and approximately 22,000 undergraduate and 22,000 graduate and professional students. It includes 18 schools, colleges, and divisions at six major centers in Manhattan: the Washington Square campus in Greenwich Village; the Institute of Fine Arts at 1 East 78th Street near the Metropolitan Museum of Art; the School of Continuing and Professional Studies at the Midtown Center at 11 West 42nd Street and the Woolworth Building located at 15 Barclay Street (as well as at Washington Square); the College of Dentistry on First Avenue between East 24th and 25th Streets; the School of Medicine on First Avenue between 30th and 34th Streets; and the Institute for the Study of the Ancient World at 15 East 84th Street. Certain of the University's research facilities, notably the Institute of Environmental Medicine, are located in Sterling Forest, near Tuxedo, New York. Although overall the University is large, the divisions are small to moderate sized units - each with its own traditions, programs and faculty. Enrollment in the undergraduate divisions ranges between approximately 100 and 7,500 students. More than 4,600 courses are offered, leading to approximately 40 different degrees and certificates.

The University is a global network university – a unique, integrated system that permits faculty and students to move easily within the system to pursue their scholarly interests. In addition to the University's campus in New York, the network includes a degree-granting liberal arts and science university in Abu Dhabi (NYU Abu Dhabi), a forthcoming degree-granting liberal arts and science university in Shanghai (NYU Shanghai), and a dozen other global academic sites on

six continents, including new sites under development in Washington, DC, and Sydney, Australia. The University's global network was recently recognized with the Sen. Paul Simon Award for Campus Internationalization by NAFSA: Association of International Educators.

As a private university, the University operates under a board of trustees. It derives its income from tuition, room and board, endowment, grants from private foundations and government, gifts from friends, alumni, corporations and other private philanthropic sources, and revenue from patient care through faculty group practices.

The University is committed to a policy of equal treatment in every aspect of its relations with faculty, students and staff members, without regard to age, citizenship status, color, disability, marital or parental status, national origin, race, ethnicity, religion, sex or sexual orientation, gender and/or gender identity, or veteran or military status.

The University is a member of the selective Association of American Universities and is accredited by the Middle States Association of Colleges and Schools. Graduate and professional accrediting agencies recognize its degrees in all categories.

The University's Institute of Fine Arts, located within Manhattan's famous "museum mile," is preeminent in the nation for the study of art history, archaeology, and conservation and the technology of works of art. It offers curricula leading to the M.A. and Ph.D. in art history as well as the Advanced Certificate in Conservation. Doctoral candidates may specialize in a range of studies including classical art and archaeology, combined studies in Near Eastern art and archaeology or curatorial studies.

The Courant Institute comprises New York University's Department of Mathematics and Computer Science and a variety of sponsored research activities. The Institute offers Master of Science and Ph.D. programs in both mathematics and computer science. The Courant Institute also is responsible for New York University's undergraduate programs in computer science and mathematics.

In 2004, the University approved a Master of Public Health program, a collaborative effort of the Schools of Dentistry, Education, Medicine, Public Service, and Social Work. The first graduating class of this program was in May 2007.

The eight libraries at NYU New York contain more than 5 million volumes. The system's flagship, the Elmer Holmes Bobst Library, holds 4 million book volumes, 112,000 serial titles, and more than 38,000 linear feet of archives and manuscripts, as well as extensive audio and video resources. Vast electronic collections of books, journals and databases are accessible through the Libraries' website, <u>library.nyu.edu</u>. Additional NYU libraries are located in Abu Dhabi and Shanghai.

The University offers students various study-abroad and global exchange programs. The University has centers in London, Paris, Madrid, Florence, Prague, Shanghai, Tel Aviv, Berlin, Buenos Aires and Accra, Ghana.

The University established the Institute for the Study of the Ancient World ("ISAW"), a center for advanced scholarly research and graduate education intended to cultivate comparative and connective investigations of the ancient world from Europe and the Mediterranean basin to Central and East Asia. ISAW features doctoral and postdoctoral programs that aim to create a new generation of scholars whose study of the ancient world crosses customary disciplinary boundaries. The first students entered ISAW in the Fall of 2009 and will be awarded degrees through the Graduate School of Arts and Science at NYU.

In 2007, the University entered into an agreement with the Executive Affairs Authority of Abu Dhabi to develop a research and degree-granting campus of the University in Abu Dhabi (NYU Abu Dhabi). At the heart of NYU Abu Dhabi is an undergraduate college, but it also includes several other components: NYU Abu Dhabi Institute, which sponsors public programs, conferences, and major research initiatives, began operation in 2008; the Sheikh Mohamed bin Zayed Scholars program, a fellowship for outstanding Emirati university students, was also launched in 2008; the undergraduate college opened in September 2010, and the Summer Academy for outstanding Emirati high school students began in summer 2011. Select graduate and executive education programs will be introduced in the near future. The campus is being developed and operated to the academic excellence standards applicable at the University. The faculty includes faculty from NYU in New York who teach in Abu Dhabi on recurring, short-term appointments, globally recruited faculty who are appointed as fulltime standing members of the NYU Abu Dhabi faculty, and Global Distinguished Professors from other universities on recurring appointments. The Executive Affairs Authority of Abu Dhabi has committed to provide land, funding and financing for the development, construction, equipping, maintenance and operation of NYU Abu Dhabi. Three substantial buildings in central Abu Dhabi are the short-term home of NYU Abu Dhabi; beginning in academic year 2014-15, NYU Abu Dhabi will operate from a new, permanent campus designed for 2,600 students that is now under construction on Saadiyat Island. NYU Abu Dhabi enrolled the first class, totaling 148 students, for Fall 2010. For Fall 2011, a total of 5.858 applications was received for NYU Abu Dhabi, of which 1,222 solely applied to NYU Abu Dhabi. 195 offers were made, and 161 students began their studies in Fall 2011.

In 2011, the University entered into an agreement with the Shanghai Municipal Education Commission, Pudong Special District and East China Normal University to create NYU Shanghai. NYU Shanghai will be a comprehensive research university in China, with its first undergraduate class expected to enter in September 2013.

In June 2008, the University entered into an Affiliation and Proposed Consolidation Agreement with Polytechnic University, an engineering and technology school in Brooklyn, and became its sole member. During the affiliation stage, which is expected to continue for several years, Polytechnic University, now Polytechnic Institute of New York University ("NYU-Poly"), is separately accredited, remains responsible for its day-to-day activities and the University has not assumed NYU-Poly's assets or liabilities. The parties, however, cooperate in a variety of ways, including undertaking mutually beneficial academic activities, joint appointments of certain faculty, collaborative research, cross-listing of certain courses, mutual participation in university-wide events such as annual commencement exercises and sharing certain administrative services working toward the ultimate goal of consolidating NYU-Poly into the University as a school of technology and engineering of the University. NYU-Poly is a separate legal entity but its financial statements are consolidated with those of the University in accordance with authoritative guidance. NYU-Poly is not obligated with respect to any of the University's indebtedness, and the University has no responsibility or liability for the indebtedness and other obligations of NYU-Poly.

Campus

The chief center for undergraduate and graduate study is at the Washington Square campus in Greenwich Village. University apartment buildings provide housing for approximately 2,900 Washington Square faculty members, staff and graduate students and 1,200 School of Medicine faculty members, staff and students are housed near the School of Medicine. The University's student residence hall system accommodates approximately 11,900 undergraduate and graduate students.

The Coles Sports and Recreation Center and the Palladium Athletic Facility offer sports and recreational facilities to University students, faculty, staff, and alumni. These facilities accommodate a wide range of individual and group sports and recreational activities, in addition to serving as home for the University's intercollegiate teams.

NYU Langone Medical Center

The School of Medicine, a division of the University, operates with NYU Hospitals Center (the "Hospital" or "NYUHC"), a 501(c)(3) entity of which the University is the sole member, as an integrated academic medical center. The Hospital is not obligated with respect to any of the University's indebtedness and the University has no responsibility or liability for the indebtedness and other obligations of the Hospital. The Hospital is a separate legal entity but its financial statements are consolidated with those of the University in accordance with authoritative guidance.

Historically, undergraduate applications to schools of the University have substantially exceeded acceptances. For graduate studies at the University, applications also have historically exceeded acceptances. The University believes that it will continue to attract adequate numbers of qualified applicants to maintain a relatively steady enrollment over the next several years.

Auxiliary enterprise revenues, which include dormitory and board charges, as a percent of the total operating revenues for the University other than the School of Medicine were approximately 15.2% in fiscal year ended August 31, 2011 and were approximately 15.4% in fiscal year ended August 31, 2010.

Student Financial Aid

The University's admissions and financial aid programs are designed to enable qualified students to attend the University regardless of their financial circumstances. Undergraduate and graduate students receive financial aid from loans, employment, government and private sources and University funds. Financial aid provided from the Federal and State governments is an important source of funds for students who otherwise might not be able to attend the University because of insufficient financial means.

¹NYU Aid includes both grants and loans.

As a part of the Federal Aid program for the fiscal year ended on August 31, 2011, students participated in the federal College Work-Study Program with income totaling approximately \$8.3 million and held part-time employment on and off campus to help meet their costs of education.

State Aid to the University

The University benefits from a State program under which State aid is allocated to independent post secondary institutions based on the number of certain academic degrees conferred in the preceding year. Specified dollar amounts are received for each bachelor degree, master degree and doctoral degree awarded. The University uses these funds to support the student aid budget. Future payments by the State are dependent on the enactment of annual appropriations and the ability of the State to pay the sums appropriated. The following table sets forth the State aid received for the past five New York State fiscal years which ended on March 31st:

| STATE AII |) |
|---------------|---|
| (in millions) | |

| NY State Fiscal Years | Amount |

Faculty

The majority of the University's faculty is appointed within one of the three principal academic ranks: professor, associate professor and assistant professor. Salaries and fringe benefits are competitive with those offered by comparable institutions both regionally and nationally. The following table sets forth the faculty profile for the past five academic years:

Labor Relations

The University has had a history of satisfactory labor relations for over sixty years. A contract with Local 810, International Brotherhood of Teamsters, covering skilled maintenance employees will expire on June 30, 2013. Two contracts with Local 32BJ, Service Employees International Union (SEIU), AFL-CIO, covering apartment house service employees, will expire on April 21, 2014. The University has two other contracts with Local 32BJ, one covering employees working in several academic buildings, which will expire on December 31, 2015 and the other covering a small unit of window washers, which will expire on April 30, 2012 and is expected to be renewed. The University has a contract with Local 3882, New York State United Teachers, AFT, AFL-CIO, covering office, clerical and technical employees which will expire on October 31, 2017. Two contracts with 1199, National Health and Human Services Employees Union SEIU, AFL-CIO, covering technical employees, will expire on April 30, 2015. A contract with the UAW (United Automobile, Aerospace and Agricultural Implement Workers of America), covering certain adjunct faculty will expire on August 31, 2016. The University and College Union (UCU) in Great Britain is seeking to represent the administrative and academic staff of NYU London and it is possible that NYU London will enter into a written agreement recognizing the UCU. There is pending before the National Labor Relations Board (NLRB) a Request for Review by UAW of the dismissal of the UAW's petition seeking to represent graduate student teachers and research assistants. A similar request also is pending before the NLRB in another case involving NYU-Poly.

FINANCIAL STATEMENT INFORMATION

University Finances

The University's Board of Trustees reviews and approves the University's budget for each academic year and generally requires that the University have a balanced operating budget. Capital budgets also are prepared annually with the requirement that all capital spending be covered either by current receipts, gifts and pledges, or by approved borrowing sources.

The University's financial statements are prepared in accordance with generally accepted accounting principles and the University's consolidated audited financial statements as of August 31, 2011 are included as Appendix B to this Official Statement. Because the University has a controlling interest in NYUHC and NYU-Poly, authoritative guidance requires that the financial statements of the University, NYUHC and NYU-Poly be presented on a consolidated basis. See "INTRODUCTION – The University" and Note 1 in "APPENDIX B - NEW YORK UNIVERSITY CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED AUGUST 31, 2011 AND 2010, AND REPORT OF INDEPENDENT ACCOUNTANTS." Supplemental Schedules to the Consolidated Financial Statements set forth information about each component consolidated entity, and the information in the Supplemental Schedules in the columns entitled "Washington Square" and "School of Medicine" represents the financial information with respect to the University. Only the University is obligated under the Resolution to make payments with respect to the Bonds. NYUHC and NYU-Poly are not liable for any obligations of the University, and the University is not liable for any obligations of NYUHC or NYU-Poly.

The following tables summarize the unrestricted revenues and expenditures and other changes in net assets and the balance sheets for the University for the past five completed fiscal years. The tables are derived from the audited financial statements of the University for fiscal year 2007 (i.e., the period prior to the University becoming the sole member of NYUHC and NYU-Poly). The information in the tables for fiscal years 2008, 2009, 2010, and 2011 was derived from the consolidating information in the columns entitled "Washington Square" and "School of Medicine" included in the Supplemental Schedules to the Consolidated Financial Statements in Appendix B. The University's audited consolidated financials should be read in conjunction with the Supplemental Schedules.

Substantially all University employees are covered by retirement programs. These plans include various defined contribution plans and multi-employer defined benefit plans, and two University-sponsored defined benefit plans. The University also provides certain health care and life insurance benefits for eligible retired employees. See Notes 13 and 14 in "APPENDIX B - NEW YORK UNIVERSITY CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED AUGUST 31, 2011 AND 2010, AND REPORT OF INDEPENDENT ACCOUNTANTS."

The performance of the University's investments as of August 31, 2011 is described under "Investments" below. There has been no material adverse change in the operating results of the University since August 31, 2011.

¹ Operating revenues from royalties shown above for the fiscal years 2007 consist primarily of a royalty income stream attributable to the University's interest in sales of Remicade, a drug used to treat inflammatory disorders involving the immune system. In May 2007, the University sold to Royalty Pharma Finance Trust (an affiliate of Royalty Pharma) its interests in the royalty income stream attributable to Remicade sales subsequent to January 1, 2007. In consideration for the sale, the University received approximately \$641.4 million and the right under certain circumstances to receive a portion of future royalty payments.

Contributions

Contributions (which include the net change in present value of collectible pledges receivable) for the fiscal years ended August 31, 2011, 2010, 2009, 2008, and 2007 were reflected in the Statements of Activities (in accordance with Generally Accepted Accounting Principles in the United States of America) as follows:

Grants and Contracts

The University has long been a center of research and training programs. Government grants and contracts provide most of the funds for sponsored programs although additional amounts come from industry, foundations and interested individuals. For the fiscal year ended August 31, 2011, approximately \$535 million was provided to the University for research and other sponsored programs, including \$337 million from Federal, State and City government grants and contracts. See Note 15 in "APPENDIX B - NEW YORK UNIVERSITY CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED AUGUST 31, 2011 AND 2010, AND REPORT OF INDEPENDENT ACCOUNTANTS." In comparison, for the fiscal year ended August 31, 2010, approximately \$474 million was provided to the University for research and other sponsored programs, including \$309 million from Federal, State and City government grants and contracts.

Development

In August 2008, the University concluded a 7-year fundraising campaign raising \$3.07 billion, then the most successful campaign in the history of higher education. Over the next two years, campaign donors were provided the opportunity to complete pledges and deal with the uncertain financial climate. In Fiscal 2011, the University embarked on the quiet phase of a new fundraising effort to determine the feasibility of successfully completing a new 8-year campaign for an as yet undetermined amount.

In spite of the continued volatility of the market conditions, the University fundraising efforts in FY11:

- Exceeded on average \$1 million a day;
- Increased 40% over FY10 to \$380.4 million;
- Reflected a marked increase in the number of gifts at the \$1+ million level, increasing from 56 in FY10 to 80 in FY11;
- Realized an increase in giving to the Fund for NYU, our annual campaign for unrestricted support, of 22% from \$27.2 million to \$33.2 million;
- Raised an additional \$61.1 million for scholarships and fellowships bringing the three year total in this category to \$144.1 million; and
- Generated more than \$15 million from a relatively new source Global alumni, parents and friends a 16% increase over FY09 and a 64% increase over FY10.

Investment in Plant

The University's physical plant includes approximately 150 buildings, containing approximately 15 million gross square feet, and approximately 260 acres of land. The book value of the University's investment in plant, net of accumulated depreciation, was approximately \$3.5 billion at August 31, 2011. Following is a summary of the University's investment in plant at the end of each of the last five fiscal years:

As of August 31 (in thousands)

| 2011 | \$3,506,965 |
|------|-------------|
| 2010 | 3,181,205 |
| 2009 | 2,726,050 |
| 2008 | 2,278,631 |
| 2007 | 1,898,556 |

The University carries all-risk property insurance coverage on its buildings and their contents, excluding land. Such insurance presently provides coverage of \$3.75 billion for any one occurrence and has no co-insurance clause. The deductible amount currently is \$250,000 for each occurrence at the Washington Square campus and \$100,000 at the SOM campus. Also, the University carries general liability insurance coverage in the amount of \$400 million with a self-insured retention of \$500,000 per claim, which the University's management believes to be sufficient for its operations. The University also purchases statutory Worker's Compensation insurance. This program is a guaranteed cost risk transfer product which removes Worker's Compensation liability directly to the insurer for 100% of all losses.

Investments

The University maintains investments in a long-term pool (the investments primarily being Endowment Funds) and in short-term investments (the investments primarily being working capital).

Long-Term Investments

The following table summarizes the market value of the University's long-term investments broken down by restriction at August 31, 2011:

Long-Term Investments at August 31, 2011 (in thousands)

| | <u>Market Value</u> |
|--|---------------------|
| Permanently Restricted | \$ 1,544,256 |
| Temporarily Restricted | 19,487 |
| Unrestricted – Designated for Investment | 1,185,293 |
| Total | \$ 2,749,036 |

As of August 31, 2011, approximately \$2,724.1 million of the long-term investments were invested in Endowment Funds.

Endowment Funds

Endowment funds comprise gifts to the University that are not wholly expendable on a current basis as well as funds that have been designated and approved by the University as endowment funds or for specific projects. Management of the endowment funds historically has attempted to achieve a return at least equal to inflation plus the University's spending policy rate, while incurring an acceptable level of risk. At August 31, 2011, endowment funds were distributed across 134 discrete investment accounts with 83 different managers, with no single manager accounting for more than 10% of the total. The University's Board of Trustees has authorized a policy designed to allow asset growth while providing a predictable flow of return to support operations. This policy permits the use of total return on the endowment as operating revenues at approved spending rates (5% in fiscal years 2009, 2010 and 2011). This rate is applied to the twelve-quarter moving average fair value of the endowment fund.

Asset Allocation Policy targets were updated in July 2011 and expected ranges for investment are currently 40 - 60% for equity, 5 - 15% for real assets, 20 - 40% for opportunistic and credit and 10 - 25% for fixed income and other.

Summary by Asset Class (Unaudited)

| Type | August 31, 2011 |
|--------------------------|-----------------|
| Equity | 46% |
| Real Assets | 9% |
| Opportunistic and Credit | 28% |
| Fixed Income | 16% |
| Other | <u>1%</u> |
| Total | 100% |

At August 31, 2011 unfunded capital commitments were approximately \$201.0 million. For the 12 months ended August 31, 2011, the University funded capital calls of approximately \$92.0 million and received approximately \$90.3 million of capital distributions.

The table below summarizes the market value and total return of the University's endowment funds for each of the last six fiscal years ended August 31 (unaudited):

- NYUHC's endowment funds are pooled with those of the University for all periods and accounted for approximately \$25.2 million of the Ending Market Value at 8/31/2011 and approximately \$1.0 million of Liquidations and Transfers. The investments of NYUHC are not available to pay obligations of the University.
- 2. Liquidations and Transfers are defined as funds distributed from endowment funds for designated uses.
- 3. Includes \$300 million of the proceeds from the sale of the University's interest in the royalty stream attributable to Remicade; the balance of the proceeds from the sale were held as part of short-term investments.

For the 12 months ended June 30, 2011 the endowment funds returned approximately +18.3%. For the 12 months ended August 31, 2011 the endowment funds returned approximately +12.6%.

In September 2010, the New York State Legislature passed the New York Prudent Management of Institutional Funds Act ("NYPMIFA") to supersede the Uniform Management of Institutional Funds Act ("UMIFA") as adopted by New York State in 1978. As a result of the enactment of NYPMIFA, approximately \$198.4 million of accumulated endowment gains previously classified as Unrestricted Net Assets were reclassified and transferred to Temporarily Restricted Net Assets as of August 31, 2011.

Liquidity and Short-Term Investments

The University's short-term investments for the last three fiscal years typically fluctuated from a low of approximately \$300 million immediately prior to the start of the academic year to a high of approximately \$800 million after tuition is collected. Working capital is invested primarily in short term, fixed rate obligations that can be liquidated in less than 30 days. Of these amounts, approximately \$55.0 million are designated in purpose as of August 31, 2011.

The University is party to contractual loan agreements or lines of credit with two banks. The first has maximum availability of \$300 million and the second has maximum availability of \$200 million. The \$300 million facility expires in mid-2013 and the \$200 million facility expires in mid-2014.

As of April 26, 2012, approximately \$83.0 million was drawn under the lines of credit and the full amount is expected to be repaid with the proceeds of the Series 2012 Bonds.

Outstanding Long-Term Debt

At August 31, 2011, the aggregate outstanding principal amount of long-term debt of the University was \$2.161 billion. All of the indebtedness is a general obligation of the University unsecured except as described below. See Note 10 in "APPENDIX B - NEW YORK UNIVERSITY CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED AUGUST 31, 2011 AND 2010, AND REPORT OF INDEPENDENT ACCOUNTANTS."

At August 31, 2011, the aggregate principal amount of the University's indebtedness to the Dormitory Authority and on outstanding Dormitory Authority bonds was approximately \$1.744 billion.

The University is indebted to the Dormitory Authority for loans made to the University from the proceeds of the Dormitory Authority's bonds. The various agreements between the University and the Dormitory Authority entered into in connection with the loans obligate the University to make payments in amounts and at times sufficient to make timely payment of the principal of and interest on the Dormitory Authority's bonds issued to finance the loans. All of the University's outstanding indebtedness to the Dormitory Authority issued prior to the Series 2008 Bonds, \$647.2 million at August 31, 2011, is secured by a pledge of tuition and fees for academic instruction. The Series 2009A, Series 2009B, Series 2008A, 2008B, 2008C, and Taxable Series 2008D Bonds issued by the Dormitory Authority are general obligations of the University to the Dormitory Authority. Taxable Series 2010 and Taxable Series 2009 issued by the University are general obligations of the University.

At August 31, 2011, the University's outstanding long-term indebtedness to institutions other than the Dormitory Authority and to other investors totaled approximately \$280.9 million.

On April 26, 2012, the Authority delivered \$208,625,000 principal amount of New York University Revenue Bonds, Series 2012A.

At April 26, 2012, the aggregate principal amount of the University's indebtedness to the Authority on outstanding Authority Bonds is approximately \$1,844 billion. The University's outstanding long-term indebtedness to institutions other than the Authority and to other investors is approximately \$218.8 million.

Additional Borrowing Plans

The University has authorized the renovation and construction of capital projects that are expected to be financed, in part, through the issuance of approximately \$45 million of bonds in the next 12 to 18 months. The University currently is planning the acquisition, renovation and construction of additional capital projects that could be financed, in part, through the issuance of approximately \$149 million of bonds. These financings are subject to authorization and approval by the Board of Trustees, satisfactory progress on these projects and market conditions at the time of sale. The University continues in the ordinary course to consider additional borrowings in support of its programs, the needs of its students, and its other educational and charitable activities.

In April 2012, the University reached an agreement with the New York City Economic Development Corporation and The City of New York to undertake a project to create a Center for Urban Science and Progress (CUSP), intended as a facility for a degree granting graduate program focused on researching and creating new solutions for the pressing and complex challenges that confront the world's growing cities. As part of the agreement, the University has committed to lease from the City and redevelop a 460,000 square foot building in downtown Brooklyn, adjacent to NYU-Poly, at a nominal cost for 99 years and with a one dollar purchase option at the end of the lease term. The University's commitment to lease and redevelop the building is subject to certain conditions. If the conditions are fulfilled, a financing plan for the project will be developed and submitted to the University's Board of Trustees for approval and construction would be expected to start in late 2014.

LITIGATION AND CONTINGENT LIABILITIES

Funds expended by the University under government grants and contracts are subject to audit and claims for reimbursement by governmental agencies. The University also is a defendant in various legal actions arising out of the normal course of its operations. Although the outcome of any such claims or actions cannot be currently determined, the University's administration is of the opinion that the eventual liability therefrom, if any, will not have a material effect on the financial position of the University or on its ability to make required debt service payments.

PART 7 - THE AUTHORITY

Background, Purposes and Powers

The Authority is a body corporate and politic constituting a public benefit corporation. The Authority was created by the Act for the purpose of financing and constructing a variety of facilities for certain independent colleges and universities and private hospitals, certain not-for-profit institutions, public educational institutions including The State University of New York, The City University of New York and Boards of Cooperative Educational Services ("BOCES"), certain school districts in the State, facilities for the Departments of Health and Education of the State, the Office of General Services, the Office of General Services of the State on behalf of the Department of Audit and Control, facilities for the aged and certain judicial facilities for cities and counties. The Authority is also authorized to make and purchase certain loans in connection with its student loan program. To carry out this purpose, the Authority was given the authority, among other things, to issue and sell negotiable bonds and notes to finance the construction of facilities of such institutions, to issue bonds or notes to refund outstanding bonds or notes and to lend funds to such institutions.

On September 1, 1995, the Authority through State legislation (the "Consolidation Act") succeeded to the powers, duties and functions of the New York State Medical Care Facilities Finance Agency (the "Agency") and the Facilities Development Corporation (the "Corporation"), each of which will continue its corporate existence in and through the Authority. Under the Consolidation Act, the Authority has also acquired by operation of law all assets and property, and has assumed all the liabilities and obligations, of the Agency and the Corporation, including, without limitation, the obligation of the Agency to make payments on its outstanding bonds, and notes or other obligations. Under the Consolidation Act, as successor to the powers, duties and functions of the Agency, the Authority is authorized to issue and sell negotiable bonds and notes to finance and refinance mental health services facilities for use directly by the New York State Department of Mental Hygiene and by certain voluntary agencies. As such successor to the Agency, the Authority has acquired additional authorization to issue bonds and notes to provide certain types of financing for certain facilities for the Department of Health, not-for-profit corporations providing hospital, medical and residential health care facilities and services, county and municipal hospitals and nursing homes, not-for-profit and limited profit nursing home companies, qualified health maintenance organizations and health facilities for municipalities constituting social services districts. As successor to the Corporation, the Authority is authorized, among other things, to assume exclusive possession, jurisdiction, control and supervision over all State mental hygiene facilities and to make them available to the Department of Mental Hygiene, to provide for construction and modernization of municipal hospitals, to provide health facilities for municipalities, to provide health facilities for voluntary non-profit corporations, to make its services available to the State Department of Correctional Services, to make its services available to municipalities to provide for the design and construction of local correctional facilities, to provide services for the design and construction of municipal buildings, and to make loans to certain voluntary agencies with respect to mental hygiene facilities owned or leased by such agencies.

The Authority has the general power to acquire real and personal property, give mortgages, make contracts, operate dormitories and other facilities and fix and collect rentals or other charges for their use, contract with the holders of its bonds and notes as to such rentals and charges, make reasonable rules and regulations to assure the maximum use of facilities, borrow money, issue negotiable bonds or notes and provide for the rights of their holders and adopt a program of self-insurance.

In addition to providing financing, the Authority offers a variety of services to certain educational, governmental and not-for-profit institutions, including advising in the areas of project planning, design and construction, monitoring project construction, purchasing of furnishings and equipment for projects, designing interiors of projects and designing and managing projects to rehabilitate older facilities. In succeeding to the powers, duties and functions

of the Corporation as described above, the scope of design and construction services afforded by the Authority has been expanded.

Outstanding Indebtedness of the Authority (Other than Indebtedness Assumed by the Authority)

At March 31, 2012, the Authority had approximately \$44.3 billion aggregate principal amount of bonds and notes outstanding, excluding indebtedness of the Agency assumed by the Authority on September 1, 1995 pursuant to the Consolidation Act. The debt service on each such issue of the Authority's bonds and notes is paid from moneys received by the Authority or the trustee from or on behalf of the entity having facilities financed with the proceeds from such issue or from borrowers in connection with its student loan program.

The Authority's bonds and notes include both special obligations and general obligations of the Authority. The Authority's special obligations are payable solely from payments required to be made by or for the account of the institution for which the particular special obligations were issued or from borrowers in connection with its student loan program. Such payments are pledged or assigned to the trustees for the holders of respective special obligations. The Authority has no obligation to pay its special obligations other than from such payments. The Authority's general obligations are payable from any moneys of the Authority legally available for the payment of such obligations. However, the payments required to be made by or for the account of the institution for which general obligations were issued generally have been pledged or assigned by the Authority to trustees for the holders of such general obligations. The Authority has always paid the principal of and interest on its special and general obligations on time and in full.

The total amounts of the Authority bonds and notes (excluding debt of the Agency assumed by the Authority on September 1, 1995 pursuant to the Consolidation Act) outstanding at March 31, 2012 were as follows:

The Authority complies with the New York State Environmental Quality Review Act and with the New York State Historic Preservation Act of 1980, and the respective regulations promulgated thereunder respecting the Series 2012 Project to the extent such acts and regulations are applicable.

Independent Auditors

The accounting firm of KPMG LLP audited the financial statements of the Authority for the fiscal year ended March 31, 2011. Copies of the most recent audited financial statements are available upon request at the offices of the Authority.

PART 8 - LEGALITY OF THE SERIES 2012 BONDS FOR INVESTMENT AND DEPOSIT

Under New York State law, the Series 2012 Bonds are securities in which all public officers and bodies of the State and all municipalities and municipal subdivisions, all insurance companies and associations, all savings banks and savings institutions, including savings and loan associations, administrators, guardians, executors, trustees, committees, conservators and other fiduciaries in the State may properly and legally invest funds in their control.

The Series 2012 Bonds may be deposited with the State Comptroller to secure deposits of State money in banks, trust companies and industrial banks.

PART 9 - NEGOTIABLE INSTRUMENTS

The Series 2012 Bonds are negotiable instruments as provided in the Act, subject to the provisions for registration and transfer contained in the Resolution and in the Series 2012 Bonds.

PART 10 - TAX MATTERS

Federal Income Taxes - Series 2012B Bonds

General

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2012B Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2012B Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2012B Bonds. Pursuant to the Resolutions, the Loan Agreement and the Tax Certificate, the

Authority and the University have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2012B Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the University have made certain representations and certifications in the Resolutions, the Loan Agreement and the Tax Certificate. Bond Counsel will also rely on the opinion of the University's General Counsel as to all matters concerning the status of the University as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. Bond Counsel will not independently verify the accuracy of those representations and certifications or that opinion.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenants, and the accuracy of certain representations and certifications made by the Authority and the University described above, interest on the Series 2012B Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Interest on the Series 2012B Bonds is, however, included in the adjusted current earnings of corporations for purposes of computing the alternative minimum tax imposed on corporations.

Original Issue Premium

The Series 2012B Bonds (collectively referred to in this paragraph as the "Premium Bonds") are being offered at prices in excess of their principal amounts. An initial purchaser with an initial adjusted basis in a Premium Bond in excess of its principal amount will have amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, over the period to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation with an amortizable bond premium is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Ancillary Tax Matters

Ownership of the Series 2012B Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits and individuals seeking to claim the earned income credit. Ownership of the Series 2012B Bonds may also result in other federal tax consequences to taxpayers who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2012B Bonds; for certain bonds issued during 2009 and 2010, the American Recovery and Reinvestment Act of 2009 modifies the application of those rules as they apply to financial institutions. Prospective investors are advised to consult their own tax advisors regarding these rules.

Commencing with interest paid in 2006, interest paid on tax-exempt obligations such as the Series 2012B Bonds is subject to information reporting to the Internal Revenue Service (the "IRS") in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2012B Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinion attached as Appendix E to this Official Statement. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2012B Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Tax Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2012B Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2012B Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2012B Bonds from gross income for federal or state income tax purposes, or otherwise. For example, in September, 2011, the President released legislative proposals that would, among other things, subject interest on tax-exempt bonds (including the Series 2012B Bonds) to a federal income tax for taxpayers with incomes above certain thresholds for tax years beginning after 2012. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2012B Bonds may occur. Prospective purchasers of the Series 2012B Bonds should consult their own tax advisers regarding the impact of any change in law on the Series 2012B Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2012B Bonds may affect the tax status of interest on the Series 2012B Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2012B Bonds, or the interest thereon, if any action is taken with respect to the Series 2012B Bonds or the proceeds thereof upon the advice or approval of other counsel.

Federal Income Taxes - Series 2012C Bonds

The following is a summary of certain anticipated United States federal income tax consequences of the purchase, ownership and disposition of the Series 2012C Bonds. The summary is based upon the provisions of the Code, the regulations promulgated thereunder and the judicial and administrative rulings and decisions now in effect, all of which are subject to change. The summary generally addresses Series 2012C Bonds held as capital assets and does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws, including but not limited to financial institutions, insurance companies, dealers in securities or currencies, persons holding such Bonds as a hedge against currency risks or as a position in a "straddle" for tax purposes, or persons whose functional currency is not the United States dollar. Potential purchasers of the Series 2012C Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2012C Bonds. The advice set forth in this section was not intended or written by Bond Counsel to be used and cannot be used by an owner of the Series 2012C Bonds for the purpose of avoiding penalties that may be imposed on the owner of the Series 2012C Bonds. The advice set forth herein is written to support the promotion or marketing of the Series 2012C Bonds. Each owner of the Series 2012C Bonds should seek advice based on its particular circumstances from an independent tax advisor.

General

In the opinion of Nixon Peabody LLP, Bond Counsel, interest on the Series 2012C Bonds is <u>not</u> excluded from gross income for federal income tax purposes and so will be fully subject to federal income taxation. Purchasers other than those who purchase Series 2012C Bonds in the initial offering at their principal amounts will be subject to federal income tax accounting rules affecting the timing and/or characterization of payments received with respect to such bonds. In general, interest paid on the Series 2012C Bonds and recovery of accrued original issue and market discount, if any, will be treated as ordinary income to a bondholder and, after adjustment for the foregoing, principal payments will be treated as a return of capital.

Original Issue Discount

The following summary is a general discussion of certain federal income tax consequences of the purchase, ownership and disposition of Series 2012C Bonds issued with original issue discount ("Discount 2012C Bonds"). A Series 2012C Bond will be treated as having been issued at an original issue discount if the excess of its "stated redemption price at maturity" (defined below) over its issue price (defined as the initial offering price to the public at which a substantial amount of the Series 2012C Bonds of the same maturity have first been sold to the public,

excluding bond houses and brokers) equals or exceeds one quarter of one percent of such Series 2012C Bond's stated redemption price at maturity multiplied by the number of complete years to its maturity.

A Series 2012C Bond's "stated redemption price at maturity" is the total of all payments provided by the Series 2012C Bond that are not payments of "qualified stated interest." Generally, the term "qualified stated interest" includes stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate.

In general, the amount of original issue discount includible in income by the initial holder of a Discount 2012C Bond is the sum of the "daily portions" of original issue discount with respect to such Series 2012C Bond for each day during the taxable year in which such holder held such Series 2012C Bond. The daily portion of original issue discount on any Discount 2012C Bond is determined by allocating to each day in any "accrual period" a ratable portion of the original issue discount allocable to that accrual period.

An accrual period may be of any length, and may vary in length over the term of a Series 2012C Bond, provided that each accrual period is not longer than one year and each scheduled payment of principal or interest occurs at the end of an accrual period. The amount of original issue discount allocable to each accrual period is equal to the difference between (i) the product of the Series 2012C Bond's adjusted issue price at the beginning of such accrual period and its yield to maturity (determined on the basis of compounding at the close of each accrual period and appropriately adjusted to take into account the length of the particular accrual period) and (ii) the amount of any qualified stated interest payments allocable to such accrual period. The "adjusted issue price" of a Discount 2012C Bond at the beginning of any accrual period is the sum of the issue price of the Discount 2012C Bond plus the amount of original issue discount allocable to all prior accrual periods minus the amount of any prior payments on the Series 2012C Bond that were not qualified stated interest payments. Under these rules, holders will have to include in income increasingly greater amounts of original issue discount in successive accrual periods.

Holders utilizing the accrual method of accounting may generally, upon election, include all interest (including stated interest, acquisition discount, original issue discount, de minimis original issue discount, market discount, de minimis market discount, and unstated interest, as adjusted by any amortizable bond premium or acquisition premium) on the Series 2012C Bond by using the constant yield method applicable to original issue discount, subject to certain limitations and exceptions.

Market Discount

Any owner who purchases a Series 2012C Bond at a price which includes market discount in excess of a prescribed de minimis amount (i.e., at a purchase price that is less than its adjusted issue price in the hands of an original owner) will be required to recharacterize all or a portion of the gain as ordinary income upon receipt of each scheduled or unscheduled principal payment or upon other disposition. In particular, such owner will generally be required either (a) to allocate each such principal payment to accrued market discount not previously included in income and to recognize ordinary income to that extent and to treat any gain upon sale or other disposition of such a Series 2012C Bond as ordinary income to the extent of any remaining accrued market discount (under this caption) or (b) to elect to include such market discount in income currently as it accrues on all market discount instruments acquired by such owner on or after the first day of the taxable year to which such election applies.

The Code authorizes the Treasury Department to issue regulations providing for the method for accruing market discount on debt instruments the principal of which is payable in more than one installment. Until such time as regulations are issued by the Treasury Department, certain rules described in the legislative history of the Tax Reform Act of 1986 will apply. Under those rules, market discount will be included in income either (a) on a constant interest basis or (b) in proportion to the accrual of stated interest.

An owner of a Series 2012C Bond who acquires such Bond at a market discount also may be required to defer, until the maturity date of such Series 2012C Bonds or the earlier disposition in a taxable transaction, the deduction of a portion of the amount of interest that the owner paid or accrued during the taxable year on indebtedness incurred or maintained to purchase or carry a Series 2012C Bond in excess of the aggregate amount of interest (including original issue discount) includable in such owner's gross income for the taxable year with respect to such Series 2012C Bond. The amount of such net interest expense deferred in a taxable year may not exceed the amount of

market discount accrued on the Series 2012C Bond for the days during the taxable year on which the owner held the Series 2012C Bond and, in general, would be deductible when such market discount is includable in income. The amount of any remaining deferred deduction is to be taken into account in the taxable year in which the Series 2012C Bond matures or is disposed of in a taxable transaction. In the case of a disposition in which gain or loss is not recognized in whole or in part, any remaining deferred deduction will be allowed to the extent gain is recognized on the disposition. This deferral rule does not apply if the bondowner elects to include such market discount in income currently as described above.

Bond Premium

A purchaser of a Series 2012C Bond who purchases such Series 2012C Bond at a cost greater than its then principal amount (or, in the case of a Series 2012C Bond issued with original issue premium, at a price in excess of its adjusted issue price) will have amortizable bond premium. If the holder elects to amortize the premium under Section 171 of the Code (which election will apply to all bonds held by the holder on the first day of the taxable year to which the election applies, and to all bonds thereafter acquired by the holder), such a purchaser must amortize the premium using constant yield principles based on the purchaser's yield to maturity. Amortizable bond premium is generally treated as an offset to interest income, and a reduction in basis is required for amortizable bond premium that is applied to reduce interest payments. Different rules apply to Discount 2012B Bonds that are acquired with "acquisition premium" (that is, at a price generally in excess of the Bond's adjusted issue price). Purchasers of any Series 2012C Bonds who acquire such Series 2012C Bonds at a premium (or with acquisition premium) should consult with their own tax advisors with respect to the determination and treatment of such premium for federal income tax purposes and with respect to state and local tax consequences of owning such Series 2012C Bonds.

Sale or Redemption of Series 2012C Bonds

A bondowner's tax basis for a Series 2012C Bond is the price such owner pays for the Series 2012C Bond plus the amount of any original issue discount and market discount previously included in income, reduced on account of any payments received (other than "qualified periodic interest" payments) and any amortized bond premium. Gain or loss recognized on a sale, exchange or redemption of a Series 2012C Bond, measured by the difference between the amount realized and the Series 2012C Bond basis as so adjusted, will generally give rise to capital gain or loss if the Series 2012C Bond is held as a capital asset (except as discussed above under "Market Discount"). The defeasance of the Series 2012C Bonds may result in a deemed sale or exchange of such Bonds under certain circumstances; owners of such Bonds should consult their tax advisors as to the Federal income tax consequences of such an event.

Backup Withholding

A bondowner may, under certain circumstances, be subject to "backup withholding" (currently the rate of this withholding tax is 30% (although the rate is scheduled to be reduced over the next few year) with respect to interest or original issue discount on the Series 2012C Bonds. This withholding generally applies if the owner of a Series 2012C Bond (a) fails to furnish the Trustee or other payor with its taxpayer identification number; (b) furnishes the Trustee or other payor an incorrect taxpayer identification number; (c) fails to report properly interest, dividends or other "reportable payments" as defined in the Code; or (d) under certain circumstances, fails to provide the Trustee or other payor with a certified statement, signed under penalty of perjury, that the taxpayer identification number provided is its correct number and that the holder is not subject to backup withholding. Backup withholding will not apply, however, with respect to certain payments made to bondowners, including payments to certain exempt recipients (such as certain exempt organizations) and to certain Nonresidents (as defined below). Owners of the Series 2012C Bonds should consult their tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining the exemption.

The amount of "reportable payments" for each calendar year and the amount of tax withheld, if any, with respect to payments on the Series 2012C Bonds will be reported to the bondowners and to the Internal Revenue Service.

Nonresident Bondowners

Under the Code, interest and original issue discount income with respect to Series 2012C Bonds held by nonresident alien individuals, foreign corporations or other non-United States persons ("Nonresidents") generally will not be subject to the United States withholding tax (or backup withholding) if the Authority (or other person who would otherwise be required to withhold tax from such payments) is provided with an appropriate statement that the beneficial owner of the Series 2012C Bond is a Nonresident. Notwithstanding the foregoing, if any such payments are effectively connected with a United States trade or business conducted by a Nonresident bondowner, they will be subject to regular United States income tax, but will ordinarily be exempt from United States withholding tax.

ERISA

The Employees Retirement Income Security Act of 1974, as amended ("ERISA"), and the Code generally prohibit certain transactions between a qualified employee benefit plan under ERISA or tax-qualified retirement plans and individual retirement accounts under the Code (collectively, the "Plans") and persons who, with respect to a Plan, are fiduciaries or other "parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of the Code. All fiduciaries of Plans, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in any Series 2012C Bonds.

State Taxes – Series 2012 Bonds

Bond Counsel is also of the opinion that, by virtue of the Act, interest on the Series 2012 Bonds is exempt from personal income taxes of the State of New York and its political subdivisions, including The City of New York and the City of Yonkers.

Bond Counsel expresses no opinion as to other State or local tax law consequences arising with respect to the Series 2012B Bonds nor as to the taxability of the Series 2012B Bonds or the income derived therefrom under the laws of any other state other than the State of New York. In all events, all investors should consult their own tax advisors in determining the federal, state, local and other tax consequences to them of the purchase, ownership and disposition of the Series 2012 Bonds.

PART 11 - STATE NOT LIABLE ON THE SERIES 2012 BONDS

The Act provides that notes and bonds of the Authority are not a debt of the State, that the State is not liable on them and that such notes or bonds are not payable out of any funds other than those of the Authority. The Resolution specifically provides that the Series 2012 Bonds are not a debt of the State and that the State is not liable on them.

PART 12 - COVENANT BY THE STATE

The Act states that the State pledges and agrees with the holders of the Authority's notes and bonds that the State will not limit or alter the rights vested in the Authority to provide projects, to establish and collect rentals therefrom and to fulfill agreements with the holders of the Authority's notes and bonds or in any way impair the rights and remedies of the holders of such notes or bonds until such notes or bonds and interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of such notes or bonds are fully met and discharged. Notwithstanding the State's pledges and agreements contained in the Act, the State may in the exercise of its sovereign power enact or amend its laws which, if determined to be both reasonable and necessary to serve an important public purpose, could have the effect of impairing these pledges and agreements with the Authority and with the holders of the Authority's notes or bonds.

PART 13 - LEGAL MATTERS

Certain legal matters incidental to the authorization and issuance of the Series 2012 Bonds by the Authority are subject to the approval of Nixon Peabody LLP, New York, New York, Bond Counsel, whose approving opinion will

be delivered with the Series 2012 Bonds. The proposed form of Bond Counsel's opinion is set forth in Appendix E hereto.

Certain legal matters will be passed upon for the University by its General Counsel, Bonnie Brier, and its special counsel, Sidley Austin LLP, New York, New York. Certain legal matters will be passed upon for the Underwriters by their co-counsel, Edwards Wildman Palmer LLP, New York, New York and The Hardwick Law Firm, New York, New York.

There is not now pending any litigation restraining or enjoining the issuance or delivery of the Series 2012 Bonds or questioning or affecting the validity of the Series 2012 Bonds or the proceedings and authority under which they are to be issued.

PART 14 - UNDERWRITING

Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the Underwriters, have jointly and severally agreed, subject to certain conditions, to purchase the Series 2012 Bonds from the Authority and to make an initial public offering of Series 2012 Bonds at prices that are not in excess of the public offering prices stated on the inside cover page of this Official Statement. The purchase price (i) for the Series 2012B Bonds shall be \$60,884,300.45 (which reflects a par amount of \$55,035,000, an original issue premium of \$6,189,691.25 and an underwriters' discount of \$340,390.80) and (ii) for the Series 2012C Bonds shall be \$30,925,037.53 (which reflects a par amount of \$31,110,000 and an underwriters' discount of \$184,962.47). The Underwriters will be obligated to purchase all such Series 2012 Bonds if any are purchased.

The Series 2012 Bonds may be offered and sold to certain dealers (including the Underwriters) at prices lower than such initial public offering prices, and such initial public offering prices may be changed, from time to time, by the Underwriters.

The following two sentences have been provided by J.P. Morgan Securities LLC: J.P. Morgan Securities LLC ("JPMS"), one of the Underwriters of the Series 2012 Bonds, has entered into negotiated dealer agreements (each, a "Dealer Agreement") with each of UBS Financial Services Inc. ("UBSFS") and Charles Schwab & Co., Inc. ("CS&Co.") for the retail distribution of certain securities offerings, including the Series 2012 Bonds, to the retail customers of UBSFS and CS&Co at the original issue prices. Pursuant to each Dealer Agreement, each of UBSFS and CS& Co. will purchase Series 2012 Bonds from JPMS at the original issue price less a negotiated portion of the selling concession applicable to any Series 2012 Bonds that such firm sells.

Morgan Stanley, parent company of Morgan Stanley & Co. LLC, an underwriter of the Series 2012 Bonds, has entered into a retail brokerage joint venture with Citigroup Inc. As part of the joint venture, Morgan Stanley & Co. LLC will distribute municipal securities to retail investors through the financial advisor network of a new broker-dealer, Morgan Stanley Smith Barney LLC. This distribution arrangement became effective on June 1, 2009. As part of this arrangement, Morgan Stanley & Co. LLC will compensate Morgan Stanley Smith Barney LLC for its selling efforts with respect to the Series 2012 Bonds.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Underwriters and their respective affiliates may have, from time to time, performed and may in the future perform, various investment banking services for the University, for which they may have received or will receive customary fees and expenses. In the ordinary course of their various business activities, the Underwriters and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the University.

PART 15 - CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 as amended ("Rule 15c2-12"), the University has undertaken in a written agreement (the "Continuing Disclosure Agreement") for the benefit of the Bondholders to provide to Digital Assurance Certification LLC ("DAC"), on behalf of the Authority as the Authority's disclosure

dissemination agent, on or before 120 days after the end of each fiscal year, commencing with the fiscal year of the University ending August 31, 2012, for filing by DAC with the Municipal Securities Rulemaking Board ("MSRB") and its Electronic Municipal Market Access system for municipal securities disclosures, on an annual basis, operating data and financial information of the type hereinafter described which is included in "PART 6 - THE UNIVERSITY" of this Official Statement (the "Annual Information"), together with the University's annual financial statements prepared in accordance with accounting principles generally accepted in the United States of America and audited by an independent firm of certified public accountants in accordance with auditing standards generally accepted in the United States of America; provided, however, that if audited financial statements are not then available, unaudited financial statements shall be delivered to DAC for delivery to the MSRB.

If, and only if, and to the extent that it receives the Annual Information and annual financial statements described above from the University, DAC has undertaken in the Continuing Disclosure Agreement, on behalf of and as agent for the University and the Authority, to file such information and financial statements, as promptly as practicable, but no later than three business days after receipt of the information by DAC from the University, with the MSRB.

The University also will undertake in the Continuing Disclosure Agreement to provide to the Authority, the Trustee and DAC, in a timely manner, the notices required to be provided by Rule 15c2-12 and described below (the "Notices"). In addition, the Authority and the Trustee have undertaken, for the benefit of the Bondholders, to provide such Notices to DAC, should the Authority have actual knowledge of the occurrence of a Notice Event (as hereinafter defined). Upon receipt of Notices from the University, the Trustee or the Authority, DAC will file the Notices with the MSRB in a timely manner. With respect to the Series 2012 Bonds, DAC has only the duties specifically set forth in the Continuing Disclosure Agreement. DAC's obligation to deliver the information at the times and with the contents described in the Continuing Disclosure Agreement is limited to the extent the University, the Authority or the Trustee has provided such information to DAC as required by the Continuing Disclosure Agreement. DAC has no duty with respect to the content of any disclosure or Notices made pursuant to the terms of the Continuing Disclosure Agreement and DAC has no duty or obligation to review or verify any information contained in the Annual Information, Audited Financial Statements, Notices or any other information, disclosures or notices provided to it by the University, the Trustee or the Authority and shall not be deemed to be acting in any fiduciary capacity for the Authority, the University, the Holders of the Series 2012 Bonds or any other party. DAC has no responsibility for the failure of the Authority to provide to DAC a Notice required by the Continuing Disclosure Agreement or duty to determine the materiality thereof. DAC shall have no duty to determine or liability for failing to determine whether the University, the Trustee or the Authority has complied with the Continuing Disclosure Agreement and DAC may conclusively rely upon certifications of the University, the Trustee and the Authority with respect to their respective obligations under the Continuing Disclosure Agreement. In the event the obligations of DAC as the Authority's disclosure dissemination agent terminate, the Authority will either appoint a successor disclosure dissemination agent or, alternatively, assume all responsibilities of the disclosure dissemination agent for the benefit of the Bondholders.

The Annual Information will consist of the following: (a) operating data and financial information of the type included in this Official Statement in "PART 6 - THE UNIVERSITY" under the headings "OPERATING INFORMATION" and "FINANCIAL STATEMENT INFORMATION" relating to: (1) student admissions, similar to that set forth under the heading "UNDERGRADUATE ADMISSION STATISTICS;" (2) student enrollment, similar to that set forth under the heading "ENROLLMENT SUMMARY," "ENROLLMENT BY SCHOOL," and "DEGREES CONFERRED;" (3) tuition and other student charges, similar to that set forth under the heading "TUITION AND FEES;" (4) financial aid, similar to that set forth under the subheading "Student Financial Aid;" (5) faculty, similar to that set forth under the heading "FACULTY PROFILE;" (6) employee relations, including material information about union contracts and, unless such information is included in the audited financial statements of the University, retirement plans; (7) restricted and designated net assets, unless such information is included in the audited financial statements of the University; (8) university investment in plant, unless such information is included in the audited financial statements of the University; and (9) outstanding long-term indebtedness, unless such information is included in the audited financial statements of the University; together with (b) a narrative explanation, if necessary to avoid misunderstanding and to assist the reader in understanding the presentation of financial and operating data concerning the University and in judging the financial and operating condition of the University.

The Notices include notices of any of the following events (the "Notice Events") with respect to the Series 2012 Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, IRS notices or events affecting the tax status of the Series 2012 Bonds; (7) modifications to the rights of holders of the Series 2012 Bonds, if material; (8) bond calls, if material; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Series 2012 Bonds, if material; (11) rating changes; (12) tender offers; (13) bankruptcy, insolvency, receivership or similar event of the University; (14) merger, consolidation or acquisition of the University, if material; (15) appointment of a successor or additional trustee, or the change in name of a trustee, if material; and (16) failure to provide annual information as required. In addition, DAC will undertake, for the benefit of the Holders of the Series 2012 Bonds, to provide to the MSRB, in a timely manner, notice of any failure by the University to provide the Annual Information and annual financial statements by the date required in the University's undertaking described above.

The sole and exclusive remedy for breach or default under the Continuing Disclosure Agreement described above is an action to compel specific performance of the undertaking of DAC, the University, the Trustee and/or the Authority, and no person, including any Holder of the Series 2012 Bonds, may recover monetary damages thereunder under any circumstances. Report of Independent Auditors

To the Board of Trustees of New York University

In our opinion, the accompanying consolidated balance sheets and the related consolidated statements of activities and of cash flows present fairly, in all material respects, the consolidated financial position of New York University ("NYU") at August 31, 2011 and 2010 and the results of changes in net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of NYU's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 18 to the consolidated financial statements, NYU changed the manner in which it classifies accumulated total investment returns within net assets as a result of the adoption of authoritative guidance, ASC 958 Not-for-Profit Entities (formerly FASB Staff Position No. 117-1).

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The consolidating information included on pages 41 through 48 in Appendix A - Supplemental Schedules is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position and results of operations of the individual entities. The consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

1. Description of New York University

Founded in 1831, New York University (NYU) is a private institution of higher education, research, and patient care located primarily in New York City. NYU is recognized both nationally and internationally as a leader in scholarship and is a member of the distinguished Association of American Universities.

The consolidated reporting entities for NYU consist of the University, which represents the consolidation of the Washington Square and Polytechnic campuses, and the NYU Langone Medical Center, which represents the consolidation of the NYU Hospitals Center, the NYU School of Medicine, and CCC550 as described below. Consolidating balance sheets and statements of activities for the University and the NYU Langone Medical Center are presented in Appendix A.

The University

The Washington Square Campus (Washington Square) includes eighteen colleges and divisions each with its own traditions, programs and faculty. The schools, in order of founding date, are the College of Arts and Science, School of Law, School of Medicine (reported with the Hospitals Center as a part of NYU Langone Medical Center), College of Dentistry, Graduate School of Arts and Science, Steinhardt School of Culture, Education and Human Development, Leonard N. Stern School of Business, Courant Institute of Mathematical Sciences, School of Continuing and Professional Studies, Institute of Fine Arts, Robert F. Wagner Graduate School of Public Service, Post-Graduate Medical School, Silver School of Social Work, Tisch School of the Arts, Gallatin School of Individualized Study, College of Nursing, the Institute for the Study of the Ancient World and NYU Abu Dhabi. Washington Square also operates academic program sites and research programs in other parts of the United States and abroad.

Effective July 1, 2008, Polytechnic University became affiliated with NYU under the name Polytechnic Institute of New York University (Polytechnic). On that date, NYU became the sole member of Polytechnic. Polytechnic is a private, co-educational institution founded in 1854, offering programs in engineering, applied sciences, and management. Polytechnic has its main campus in downtown Brooklyn. The University has not assumed any responsibility or liability for the financial obligations of Polytechnic.

Polytechnic financial results have been included as of June 30, 2011 and 2010 and for the twelve month fiscal years ended June 30, 2011 and 2010. The effect of using this fiscal reporting period was not material to the consolidated financial statements.

NYU Langone Medical Center

NYU is the sole member of NYU Hospitals Center (the Hospitals Center). The NYU Board of Trustees appoints the members of the Hospitals Center Board, who are also appointed as members of the New York University School of Medicine Advisory Board. The Hospitals Center and the NYU School of Medicine are referred to collectively as the NYU Langone Medical Center (the Medical Center) and share a common management. The University has not assumed any responsibility or liability for the financial obligations of the Hospitals Center.

(in thousands of dollars)

The Hospitals Center represents one of the nation's premier centers of excellence in health care and encompasses three hospitals and an off-shore captive insurance corporation, CCC550 Insurance, Inc. (CCC550). The central component of the Hospitals Center is Tisch Hospital, a 705-bed acute care facility and a major center for specialized procedures in cardiovascular services, neurosurgery, cancer treatment, reconstructive surgery and transplantation. The Rusk Institute of Rehabilitation Medicine, a 174-bed unit, has earned worldwide recognition for its leadership in treatment of the physically challenged. The Hospital for Joint Diseases (HJD) is a 190-bed acute care facility specializing in orthopedic services. CCC550 is solely owned by the Hospitals Center and provides hospital professional liability and hospital general liability insurance to the Hospitals Center and professional liability insurance to voluntary attending physicians (VAPs) affiliated with the Hospitals Center. CCC550 is subject to taxation in accordance with section 29 of the Exempt Insurance Act in Barbados.

2. Summary of Significant Accounting Policies

Basis of Presentation

The consolidated financial statements of NYU have, in all material respects, been prepared on an accrual basis in accordance with generally accepted accounting principles in the United States.

The accompanying consolidated financial statements include the accounts of NYU, as well as its separately incorporated affiliates. NYU and, generally, all of its affiliates are exempt from federal income taxes under the provisions of Section 501(c) (3) of the Internal Revenue Code.

NYU prepares its consolidated financial statements in accordance with the provisions of Accounting Standards Codification (ASC), Topic 958, formerly Statement of Financial Accounting Standards No. 117, *Financial Statements of Not-for-Profit Organizations* (SFAS No. 117). ASC Topic 958 focuses on the entity as a whole and requires classification of net assets as unrestricted, temporarily restricted or permanently restricted, as determined by the existence or absence of restrictions placed on the assets' uses by donors or by provision of law. A description of the net assets classifications follows:

Permanently Restricted net assets include gifts, pledges, trusts, and gains explicitly required by donors to be retained in perpetuity, while allowing the use of the investment return for general or specific purposes, in accordance with donor provisions.

Temporarily Restricted net assets include contributions and investment return that can be expended when donor or legal restrictions have been met. Contributions receivable that do not carry a purpose restriction are deemed to be time restricted. Temporary restrictions are removed either through the passage of time or because certain actions are taken by NYU that fulfill the restrictions or both.

Unrestricted net assets are the remaining net assets of NYU that are used to carry out its missions of education, research and patient care which are not subject to donor restrictions.

(in thousands of dollars)

Operations

Revenues and expenses related to conducting programmatic activities and provision of services by NYU are classified as operating in the consolidated statement of activities. Investment return relating to board-designated endowment funds and the related endowment appropriation, as well as unusual or nonrecurring activity, are classified as nonoperating in the consolidated statement of activities.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received at their fair value. Contributions receivable are reported at their discounted present value, using an estimated interest rate for the year in which the promise was received and considers market and credit risk as applicable (3.0% in 2011 and 3.6% in 2010). Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any. Conditional promises to give are not recognized as revenue until the conditions on which they depend are substantially met. Allowances are recorded for estimated uncollectible contributions based upon management's judgment and analysis of the creditworthiness of the donors, past collection experience and other relevant factors.

Collections

The University does not assign values to collection items. Collection items are generally held for educational purposes and are not disposed of for financial gain or otherwise encumbered in any manner.

Uncompensated Care

As a matter of policy, the Medical Center provides significant amounts of partially or totally uncompensated patient care. For accounting purposes, such uncompensated care is treated either as charity care or bad debt expense.

Charity Care: The Medical Center's charity care policy, in accordance with the New York State Department of Health's guidelines, ensures the provision of quality health care to the community served while carefully considering the ability of the patient to pay. The policy has sliding fee schedules for inpatient, ambulatory and emergency services provided to the uninsured and underinsured patients that qualify. Patients are eligible for the charity care fee schedule if they meet certain income and liquid asset tests. For accounting and disclosure purposes, charity care is considered to be the difference between the Medical Center's customary charges and the sliding charity care fee schedule rates. Since payment of this difference is not sought, charity care allowances are not reported as revenue. Total charity care for all patient services was \$21,190 and \$21,639 for the years ended August 31, 2011 and 2010, respectively.

Bad Debt Expense: Patients who do not qualify for sliding scale fees and all uninsured inpatients who do not qualify for Medicaid assistance are billed at the Hospitals Center's full rates. Uncollected balances for these patients are categorized as bad debts. Similarly, at the School of Medicine, those balances which are deemed uncollectible based on an inability or unwillingness to pay are written off. Uncollected balances for these patients are categorized as bad debts and totaled \$24,127 and \$19,542 for the years ended August 31, 2011 and 2010, respectively.

Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly-liquid debt instruments with maturities of three months or less when purchased. This does not include pooled investments with less than three months to maturity held within the long-term investment portfolio. The carrying amount of cash and cash equivalents approximates fair value due to the short-term maturity of the instruments.

Land, Buildings, and Equipment

Land, buildings and equipment are carried at their acquisition or construction cost. If donated, these assets are recorded at their fair value on the date of the gift. Buildings and equipment are depreciated over their estimated useful lives (buildings and building improvements 10-55 years, equipment 3-10 years) using the straight-line method.

Asset Retirement Obligation

NYU recognizes asset retirement obligations on future events, such as the abatement of asbestos, and removal of lead-based paint and petroleum bulk storage tanks from buildings. The fair value of the liability for a conditional asset retirement obligation is recognized in the period in which it occurred, provided that it can be reasonably estimated. Corresponding asset retirement costs (net of accumulated depreciation) have been included in land, buildings and equipment.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingencies at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain amounts in the 2010 consolidated financial statements have been reclassified to conform to the current year's presentation.

New Authoritative Pronouncements

On September 17, 2010, the State of New York adopted a version of the Uniform Prudent Management of Institutional Funds Act. The State of New York's version of the law is known as the New York Prudent Management of Institutional Funds Act ("NYPMIFA"). In accordance with NYPMIFA and the authoritative guidance, NYU has reclassified \$198,427 of unrestricted net assets to temporarily restricted net assets (Note 18). Such amounts relate to accumulated earnings on the true endowment funds, including distributions from the endowment unspent due to timing. The full amount of \$198,427 is reflected in the consolidated statements of activities as a cumulative effect of a change in accounting principle as of September 1, 2010. NYU adopted the enhanced disclosures required under the authoritative guidance in the year ended August 31, 2009.

Effective for the fiscal year ended August 31, 2011, NYU adopted additional disclosure requirements of ASC Topic 820, *Fair Value Measurements and Disclosures*, which require disclosure of the purpose for transfers to and from Levels 1 and 2. This standard requires that information, such as description of and reason for transfers be disclosed. There were no significant transfers in and out of Levels 1 and 2 fair value measurements in 2011.

In addition, NYU adopted ASC Topic 310, *Disclosures about the Credit Quality of Financing Receivables and the Allowance for Credit Losses*, requiring disclosure on the credit quality of financing receivables and the related allowance.

3. Patient Care Revenue

The Medical Center has agreements with third party payers that provide for payments at amounts different from its established rates (i.e. gross charges). Payment arrangements include prospective determined rates per discharge, reimbursed costs, discounted charges and per diem payments.

Patient care revenue is reported at the estimated net realizable amounts due from patients, third-party payers and others for services rendered and includes estimated retroactive revenue adjustments due to ongoing and future audits, reviews and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are provided and adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews and investigations.

The process for estimating the ultimate collection of receivables involves significant assumptions and judgments. The Medical Center's estimation process includes a monthly review of the collectability of receivables based on the payer classification and the period from which the receivables have been outstanding.

The Medical Center has established estimates, based on information presently available, of amounts due to or from Medicare and non-Medicare payers for adjustments to current and prior years' payment rates, based on industry-wide and Medical Center-specific data. The net amounts due to third party payers at August 31, 2011 and 2010 are \$74,175 and \$56,009, respectively. Additionally, certain payers' payment rates for various years have been appealed by the Medical Center. If the appeals are successful, additional income applicable to those years may be realized.

Medicare cost reports for the Medical Center, which serve as the basis for final settlement with the Medicare program, have not been finally settled as far back as 2002; revisions to final settlements could also occur. Other years remain open for settlement with the Medicare program as well as with the New York State Medicaid program. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

The Medical Center grants credit without collateral to its patients, most of whom are insured under third-party agreements. The respective concentrations of accounts receivable for services to patients as of August 31, 2011 and 2010 include 21% and 17% from Medicare, 3% and 5% from Medicaid, 59% and 63% from managed care companies, and 17% and 15% from commercial insurance carriers and others.

4. Investments

Investments held by NYU's investment pool are categorized as follows:

Alternative Investments

Alternative investments include interests in funds and limited partnerships in equity securities, fixed income, absolute return strategies, and private equity. NYU values these investments in accordance with valuations provided by the investment managers of the underlying funds. These funds may make investments in securities that are publicly traded, which are generally valued based on observable market prices, unless a restriction exists. As a general rule, managers of funds invested in alternative investments value those investments based upon the best information available for a given circumstance and may incorporate assumptions that are the investment manager's best estimates after consideration of a variety of internal and external factors. If no public market exists for the investments, the fair value is determined by the investment manager taking into consideration, among other things, the cost of the investment, prices of recent significant placements of similar investments of the same issuer, and subsequent developments concerning the companies to which the investments relate. If NYU has the ability to redeem from an alternative investment up to 90 days beyond the measurement date at net asset value (NAV), the investment is categorized as Level 2. If the redemption period extends beyond 90 days, the investment is categorized as Level 3. Private equity funds are categorized as Level 3 given that NYU does not have discretion for timing of withdrawal.

Equity and Fixed Income Securities

Equity and fixed income securities generally consist of investments in publicly traded U.S. and foreign equities, funds and limited partnerships. Investments are in equity and fixed income based strategies, and cash held in separate accounts committed to these strategies. The fair value of these investments is based on quoted market prices. Investments that are listed on an exchange are valued, in general, at the last reported sale price (or, if there is no sale price, at the last reported bid price, or, in the absence of reported bid prices, at the mean between the last reported bid and asked prices thereof). Investments in equity and fixed income based strategies not listed on an exchange are valued in accordance with valuations provided by the investment managers of the underlying funds.

Absolute Return

Absolute return strategies generally consist of funds and limited partnerships managed by external managers investing in U.S. and foreign credit, distressed debt, opportunistic value, relative value, risk arbitrage, event driven and special situations. Securities held in these external investment vehicles that do not have readily determinable fair values are determined by the external managers and are based on appraisals or other estimates that require varying degrees of judgment. If no public market exists for the investment securities, the fair value is determined by the external managers taking into consideration, among other things, the cost of the securities, prices of recent significant placements of securities of the same issuer and subsequent developments concerning the companies to which the securities relate.

Private Equity

Investments in private equities are made in targeted categories of market exposure including buyout, growth, real estate and natural resources. Redemptions of such funds are generally not permitted and distributions are received as underlying investments are liquidated.

(in thousands of dollars)

Other Long-Term Investments

Other long-term investments include cash and cash equivalents such as government securities and money market instruments (valued at amortized cost which approximates fair value) and liquidating investments (valued at NAV as determined by the general partner).

Fair Value Measurements

Authoritative guidance of fair value measurements, ASC Topic 820, Fair Value Measurements and Disclosures, formerly Statement of Financial Accounting Standards No.157, Fair Value Measurements, establishes a hierarchy of valuation methodologies based on the extent to which asset valuations are observable in the marketplace. The following describes the hierarchy of methodologies used to measure fair value of investments:

Fair value for Level 1 is based on quoted prices in actively traded markets that NYU has the ability to access for identical assets and liabilities. Market price data is generally obtained from exchange or dealer markets. NYU does not adjust the quoted price for such assets and liabilities.

Fair value for Level 2 is based on quoted prices for instruments similar to those held by NYU in actively traded markets, quoted prices for identical instruments held by NYU in markets that are not actively traded and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Inputs are obtained from various sources including market participants, dealers and brokers.

Fair value for Level 3 is based on valuation techniques used to assess prices that are unobservable as the assets trade infrequently or not at all.

Investments included in Level 3 primarily consist of NYU's ownership in alternative investments (principally limited partnership interests in fixed income, equity, absolute return, private equity and other similar funds). The value of certain alternative investments represents the ownership interest in the NAV of the respective partnership; 48% of investments held by the partnerships consist of marketable securities and 52% are securities that do not have readily determinable fair values. The NAV of the securities held by limited partnerships that do not have readily determinable fair values are determined by the general partner and are based on appraisals or other estimates that require varying degrees of judgment. If no public market exists for the investment securities, the fair value is determined by the general partner taking into consideration, among other things, the cost of the securities, prices of recent significant placements of securities of the same issuer and subsequent developments concerning the companies to which the securities relate. NYU has performed due diligence around these investments to ensure NAV is an appropriate measure of fair value as of August 31, 2011 and 2010.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while NYU believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

At August 31, 2011, NYU's unfunded commitments are as follows:

| | Unfunded Commitments | | Remaining Life | Timing to Draw Commitments |
|--------------------------------|-------------------------|-------------------|-----------------------|-------------------------------|
| Absolute return Private equity | \$ | 71,000 130,000 | N/A Up to 10 years | 45 to 120 days N/A |

NYU records purchases and sales of securities on a trade-date basis. NYU has included receivables for securities sold of \$4,000 and \$29,000 at August 31, 2011 and 2010, respectively, and liabilities for securities purchased of \$1,000 and \$19,000 at August 31, 2011 and 2010, respectively, in long-term investments.

Investment securities having a fair value of \$4,836 and \$3,843 at August 31, 2011 and 2010, respectively, were lent to various brokerage firms. The securities are returnable on demand and were collateralized by cash deposits of \$4,965 and \$3,963 at August 31, 2011 and 2010, respectively. The collateral is invested in short-term securities and income is credited to the long-term investment pool.

Total investment return for the years ended August 31, 2011 and 2010 is as follows:

| | 2011 | 2010 |
|---|---|--|
| Dividends and interest Realized and unrealized gains, net Investment expenses | \$ 33,258 315,925 (7,386) | \$ 26,058 183,705 (4,270) |

| Total investment return, net | \$ 341,797 | \$ 205,493 |

NYU (with the exception of Polytechnic) maintains an investment pool for its long-term investments which include its endowment and similar funds. The pool is managed to achieve the maximum long-term return given prudent risk parameters. NYU's Board of Trustees has authorized a policy designed to allow asset growth while providing a predictable flow of return to support operations. This policy permits the use of investment return at approved spending rates (approximately 5% in 2011 and 2010). The rate is applied to the twelve-quarter moving average fair value of the investment pool. Investment return (realized and unrealized net gains or losses on investments, interest and dividends) and the appropriation for the approved endowment distribution for board-designated endowment funds are reported as nonoperating activities in the consolidated statement of activities. Investment return and the appropriation for the approved endowment distribution for true endowment funds are reported as temporarily restricted activities in the consolidated statement of activities.

(in thousands of dollars)

Polytechnic has endowment and similar funds invested in a separate pool. Polytechnic's Board of Trustees authorized spending rates for 2011 and 2010 of 3.4% and 2.3%, respectively, of the three-year rolling average market value of the endowment.

5. Accounts and Loans Receivable

Accounts and loans receivable consist of the following at August 31, 2011 and 2010:

| Accounts and loans receivable, net | \$ 349,641 | \$ 298,877 |

The allowance for uncollectible amounts at August 31, 2011 and 2010 consists of the following:

| | 2011 | 2010 |
|--|----------------|----------------|
| Students and other | \$ (16,823) | \$ (16,182) |

| Housing loans and other loans to employees | (22) | (22) |
| Total allowance for uncollectible amounts | \$ (35,345) | \$ (31,326) |

A reasonable estimate of the fair value of loans receivable from students under government loan programs could not be made because the notes cannot be sold and can only be assigned to the U.S. Government or its designees. The fair value of loans receivable from students under NYU's loan programs approximates carrying value.

Student loans consist primarily of Federal Advances to the University under the Perkins Loan Program which totaled \$74,981 and \$76,255 at August 31, 2011 and 2010, respectively. The University records a liability on its balance sheet for these advances.

Management regularly assesses the adequacy of the allowance for credit losses by performing ongoing evaluation of the student loan and student receivable portfolios.

Housing loans and other loans to employees are secured by an interest in the underlying property or continued employment.

The income from this trust must be used for the support, maintenance and utilization of Villa La Pietra and the Acton Collection located in Florence, Italy. The trust income is also to be used for the education, benefit and assistance of faculty and students of the arts and crafts, architecture, literature, music, history of the arts and all other arts either in the United States or abroad.

Interest expense on long-term debt totaled \$126,123 and \$123,370 for the years ended August 31, 2011 and 2010, respectively. This excludes \$7,995 and \$3,974, respectively, of capitalized interest (net of income earned on deposits with bond trustees) for the years ended August 31, 2011 and 2010, which is included in land, buildings and equipment, net.

In conjunction with the current debt agreements, various security agreements were executed by the Hospitals Center. The agreements include pledging, as collateral, a security interest in the Hospitals Center's property, plant and equipment, and gross receipts and also place limitations on the use of certain assets.

Other agreements include covenants requiring that the Hospitals Center and Polytechnic maintain certain financial ratios. At August 31, 2011 and 2010, NYU is compliant with all financial and administrative covenants.

Future Principal Payments

The aggregate required principal payments on all bonds and notes payable for each of the next five fiscal years, and thereafter to maturity, are as follows:

11. Obligations with Financial Institutions

At August 31, 2011 and 2010, Washington Square's contractually committed bank credit agreements totaled \$500,000 and \$400,000, respectively. A \$300,000 agreement extends through August 2013. A \$200,000 agreement extends through June 2014. The interest is accrued for both lines of credit at a rate based on LIBOR. The combined amounts outstanding under these agreements are \$136,375 and \$46,000 as of August 31, 2011 and 2010, respectively.

In August 2010, NYU entered into a \$65,000 loan agreement with a bank on behalf of the Obligated Group. The loan bears interest at 3.17% with principal installments due annually in July and final maturity in July 2015. The amounts outstanding under this promissory note are \$62,623, and \$65,000 as of August 31, 2011 and 2010, respectively.

In June 2011, the Hospitals Center amended an existing loan agreement with a bank for an available line of credit totaling \$100,000. The commitment on this line of credit expires July 2014. Interest is payable on funds drawn on this line of credit at a rate based on LIBOR. As of August 31, 2011, there is \$30,000 outstanding on this line of credit.

(in thousands of dollars)

In March 2011, the Hospitals Center amended an existing loan agreement with a commercial bank by increasing the available line of credit to \$100,000. The commitment on this line of credit expires in March 2012. Interest is payable on funds drawn on this line of create at a rate based on LIBOR. As of August 31, 2011 there is no amount outstanding on this line of credit.

In August 2009, the Hospitals Center entered into a lease agreement with DASNY under its tax exempt leasing program ("TELP"). The lease line, totaling \$46,000, provides financing to the Hospitals Center for various capital equipment. As of August 31, 2011, \$29,867 is outstanding on this lease.

In April 2004, the Hospitals Center arranged for a bank syndicate to acquire all of its Series 2000D bonds thereby removing the Series 2000D bonds from the 28-day auction mode for a period of five years. This arrangement was renewed on December 31, 2008 for a period of three years. Interest was reset at an interest rate based on a 30-day LIBOR. The Hospitals Center's obligation under Series 2000D is \$45,100 and \$46,800 as of August 31, 2011 and 2010, respectively.

During 2003, the Hospitals Center entered into an accounts receivable financing agreement. Under the terms of the agreement, the Hospitals Center received \$17,000 of long-term debt collateralized by accounts receivable. In 2004, the Hospitals Center refinanced this lending agreement with another bank. Additionally, in 2004, HJD entered into a similar accounts receivable lending agreement with a bank for \$7,000. The total amount outstanding for both agreements is \$21,800 for the years ended August 31, 2011 and 2010. Interest is payable monthly based on a 30-day LIBOR. The loan agreements expire in June 2012.

Polytechnic has a loan with a commercial bank. The bank loan is collateralized by several of Polytechnic's investments with a market value of \$16,129 and \$14,256 at August 31, 2011 and 2010, respectively. The amount outstanding is \$10,000 as of August 31, 2011 and 2010. The bank loan is payable on demand.

12. Self-Insured Professional Liabilities

As described in Note 1, the Hospitals Center is self insured for professional liability, primarily through a wholly-owned segregated cell captive company, CCC550. Prior coverage for professional and general liability risks was provided through a multi-provider pooled insurance program that includes commercial coverage and a captive insurance program.

Self-insured loss reserves comprise estimates for known reported losses and loss expenses plus a provision for losses incurred but not reported. Losses are valued by an independent actuary and are based on the loss experience of the insured. In management's opinion, recorded reserves for self-insured exposures are adequate to cover the ultimate net cost of losses incurred to date; however, the provision is based on estimates and may ultimately be settled for a significantly greater or lesser amount.

CCC550 has investment assets of \$226,951 and \$205,998 at August 31, 2011 and 2010, respectively, to fund related obligations. Also, within accounts payable and accrued expenses, the Hospitals Center has recorded obligations related to the multi-provider pooled program, obligations related to excess self-insured exposures not covered by CCC550 and other self-insured risks. CCC550 has total obligation for insurance exposure of \$168,530 and \$195,911 as of August 31, 2011 and 2010, respectively.

(in thousands of dollars)

CCC550 also provides insurance coverage to certain voluntary attending physicians servicing the School of Medicine and the Hospitals Center. The cost of this insurance coverage is the responsibility of such physicians.

13. Retirement Plans

Substantially all NYU employees are covered by retirement plans. These plans include various defined contribution plans, multi-employer defined benefit plans, and three NYU-sponsored defined benefit plans. NYU contributes to its defined contribution and multi-employer defined benefit plans based on rates required by union or other contractual arrangements. Expenses related to NYU's defined contribution plans are \$104,411 and \$95,461 in 2011 and 2010, respectively. Contributions to multi-employer retirement plans total \$17,054 and \$15,925 for the years ended August 31, 2011 and 2010, respectively.

Contributions to defined benefit plans are intended to provide not only for benefits attributed to service to date, but also for those expected to be earned in the future. Contributions to the three defined benefit plans are made in amounts sufficient to meet the minimum funding requirements set forth in the Employee Retirement Income Security Act of 1974 plus such additional amounts as the sponsors may deem appropriate, from time to time. Pension benefits under these three plans are based on participants' final average compensation levels and years of service. The measurement date for each of the three defined benefit plans is August 31, 2011.

The plans' investment objectives seek a positive long-term total rate of return after inflation to meet NYU's current and future plan obligations. Asset allocations for the plans combine tested theory and informed market judgments to balance investment risks with the need for high returns.

The expected long-term rate of return assumption is determined by adding expected inflation to expected long-term real returns of various asset classes, weighting the asset class returns by the plans' investment in each class, and taking into account expected volatility and correlation between the returns of various asset classes. NYU management believes 6%-8% is a reasonable range of long-term rates of return on plan assets for 2011 and will continue to evaluate the actuarial assumptions and adjust them as necessary.

The plans' asset allocations as of August 31, 2011 and 2010, by asset category are as follows:

| | 2011 | 2010 |

Contributions:

Annual contributions are determined by NYU based upon calculations prepared by the plans' actuaries. Expected contributions for the 2012 fiscal year are \$30,832.

14. Other Postretirement Benefits

NYU has three health and welfare plans that provide certain health care and life insurance benefits for eligible retired employees. NYU employees may become eligible for these benefits if they reach the age and service requirements of the plan while working for NYU. The costs related to these plans are accrued during the period the employees provide service to NYU.

15. Grants and Contracts

Grant and contract revenues represent reimbursements of costs incurred in direct support of research and other sponsored activities. Additionally, such sponsored grants and contracts generally provide for the recovery of indirect costs supporting these activities. Indirect costs, included in grant and contract revenues, are recovered at rates established in advance by NYU through negotiations with the federal government and other private sponsors and amount to \$113,996 and \$99,649 for the years ended August 31, 2011 and 2010, respectively.

16. Hospital Affiliations

The School of Medicine has two affiliation agreements with the New York City Health and Hospitals Corporation (HHC) to provide general care and mental health services. One agreement is with Woodhull Medical & Mental Health Center and Cumberland Diagnostic & Treatment Center which was effective from July 1, 2010 to June 30, 2011. The School of Medicine did not renew this affiliation agreement. The second agreement is with Bellevue Hospital Center and Gouverneur Diagnostic & Treatment Center which was effective July 1, 2008 through June 30, 2011. The parties have agreed upon the terms for a new agreement covering July 1, 2011 through June 30, 2014.

17. Allocated Expenses

Certain expenses incurred by NYU are allocated to specific program and support service activities on the basis of utilization of the underlying assets. Expenses included in this allocation are operation and maintenance of plant, interest on indebtedness, and depreciation and amortization. NYU's investment pools include individual endowed funds established for a variety of purposes. Pooled assets include both donor restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Excluded from the permanently restricted portion of NYU's investment pool are contributions receivable. The temporarily restricted portion of the endowment includes accumulated unspent earnings from the permanently restricted portion of the endowment and is available for expenditure in subsequent years following appropriation by NYU's Board of Trustees. The unrestricted portion of the endowment includes certain funds which have been designated by the board of Trustees to function as a fund of permanent duration (quasi-endowment) as well as any accumulated losses on any individual permanently restricted endowments.

(in thousands of dollars)

The Board of Trustees of NYU has interpreted the State of New York's enacted version of the New York Prudent Management of Institutional Funds Act ("NYPMIFA") as requiring NYU, absent of explicit donor stipulations to the contrary, to act in good faith and with care that an ordinarily prudent person in a like position would exercise under similar circumstances in making determinations to appropriate or accumulate endowment funds, taking into account both its obligation to preserve the value of the endowment and its obligation to use the endowment to achieve the purposes for which it was donated. NYU classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment required by the applicable donor gift instrument. The remaining portion of donor restricted endowment funds that is not classified as permanently restricted is classified as temporarily restricted net assets until such amounts are appropriated for expenditure by NYU's Board of Trustees.

NYU defines the appropriation of endowment net assets for expenditure as the authorization of its investment spending rate as approved annually by the Board of Trustees. In making a determination to appropriate or accumulate, NYU adheres to the standard of prudence prescribed by NYPMIFA and considers the following factors: the duration and preservation of the endowment fund; the purposes of NYU and the endowment fund; general economic conditions; the possible effect of inflation or deflation; the expected total return from income and the appreciation of investments; other resources of NYU; where appropriate and circumstances would otherwise warrant, alternatives to expenditures of the endowment fund giving due consideration to the effect that such alternatives may have on NYU; and the investment policy of NYU.

NYU has adopted investment and spending policies for endowment assets that support the objective of providing a sustainable and increasing level of endowment income distribution to support NYU's activities while preserving the real purchasing power of the endowment. NYU's primary investment objective is to maximize total return within reasonable and prudent levels of risk while ensuring preservation of capital. To satisfy its long-term rate-of-return objectives, NYU relies on a total return strategy, the objective of which is to achieve a return consisting of a combination of current income and capital appreciation, recognizing that changes in market conditions and interest rates will result in varying strategies in an attempt to optimize results. The endowment portfolio is diversified among various asset classes and utilizes strategies to help reduce risk.

NYU's investment policy states that spending will be determined annually by the Board of Trustees. For the years ended August 31, 2011 and 2010, the spending rate was determined to be 5% of the preceeding twelve quarter moving average of the market value of the endowment. However, when donors have expressly stipulated the payout percentage of earnings on endowments that differs from NYU policies, the donors' intent prevails.

Investment pool net assets, end of year

(in thousands of dollars)

NYU has reclassified \$198,427 relating to accumulated earnings on the true endowment funds and unspent distributions. NYU has recategorized \$124,769 of endowment net assets from unrestricted to permanently restricted net assets for the year ended August 31, 2010.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the original value of the gift donated to the permanent endowment. In accordance with accounting principles generally accepted in the United States, deficits of this nature are reported as a reduction of unrestricted net assets. These deficits resulted from unfavorable market fluctuations that eroded accumulated gains for the permanently restricted endowments as well as the continued appropriation of certain programs which was deemed prudent by the University's Board of Trustees. Current and future gains will be classified as increases in unrestricted net assets until the shortfalls previously charged to unrestricted net assets have been eliminated and the individual endowment funds are returned to their required levels as stipulated by donors.

As of August 31, 2011 and 2010, there were a total of 191 and 362 individual endowment funds, respectively, within the permanently restricted net asset category with a market value less than their historical corpus value. The aggregate deficit at August 31, 2011 and 2010 totaled approximately \$5,230 and \$14,980, respectively.

During fiscal year 2009, Polytechnic filed a petition to apply for a three-year cy pres relief. On October 25, 2009, the cy pres relief was granted to allow Polytechnic to reclassify a total of \$38,000 from permanently restricted to unrestricted net assets beginning in fiscal year 2009. Polytechnic is required to return the total amount that is reclassified to unrestricted back to permanently restricted net assets when Polytechnic is no longer required to meet the requirements of Title IV financial responsibility ratios and the debt service coverage ratio, or by 2036 at the latest. In fiscal years 2011 and 2010, Polytechnic reclassified \$3,813 and \$5,970, respectively, of permanently restricted net assets to unrestricted net assets.

19. Commitments and Contingencies

In the normal course of business, NYU leases facilities under operating leases. Minimum rental payments under these agreements over the next five years and thereafter are as follows:

| | Rental Lease Payments |
|-----------------------|--------------------------|
| Year ending August 31 | |
| 2012 | \$ 121,232 |
| 2013 | 119,045 |
| 2014 | 99,568 |
| 2015 | 94,302 |
| 2016 | 70,049 |
| Thereafter | 394,985 |

Rent expense is \$121,253 and \$135,355 for the years ended August 31, 2011 and 2010, respectively.

The Hospitals Center is self-insured for workers' compensation benefits. In connection with being self-insured, the Hospitals Center has maintained stand-by letters of credit aggregating approximately \$13,920 at August 31, 2011 and 2010. Cash and marketable securities collateralize the letters of credit.

NYU is a defendant in various legal actions arising from the normal course of its operations and amounts expended under government grants and contracts are subject to audit by governmental agencies. In addition, amounts received for patient care from Medicare and Medicaid are subject to audit. Although the final outcome of such actions and audits cannot be determined, management believes that eventual liability, if any, will not have a material effect on NYU's consolidated financial position.

20. Subsequent Events

NYU has performed an evaluation of subsequent events through December 22, 2011, which is the issuance date of the consolidated financial statements.

In October 2011, the Hospitals Center drew \$30,000 under an existing loan agreement with a bank to fund capital projects.

In November 2011, the Medical Center and Aptium agreed to terminate its management and services agreement for the provision of patient billing and administrative functions for the Cancer Center. Such services will now be provided by the Medical Center's revenue cycle and IT Infrastructure.

The Medical Center and Continuum Health Partners Inc., a multi-hospital healthcare system located in New York City, have engaged in discussions with each other to explore a potential strategic partnership. The ultimate likelihood of such a partnership, the form of this relationship and its timetable to implement, are uncertain at this time.

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a brief summary of certain provisions of the Loan Agreement pertaining to the Bonds and the Project. Such summary does not purport to be complete and reference is made to the Loan Agreement for full and complete statements of such and all provisions. Defined terms used herein shall have the meanings ascribed to them in Appendix A.

Construction of Projects

The University agrees that, whether or not there is sufficient money available to it under the provisions of the Resolution and under the Loan Agreement, the University shall complete the acquisition, design, construction, reconstruction, rehabilitation and improving or otherwise providing and furnishing and equipping of each Project, substantially in accordance with the Contract Documents relating thereto. Subject to the conditions of the Loan Agreement, the Authority will, to the extent of money available in the applicable Construction Fund, cause the University to be reimbursed for, or pay, any costs and expenses incurred by the University which constitute Costs of the Project, provided such costs and expenses are approved by an Authorized Officer of the Authority.

(Section 5)

Amendment of a Project; Cost Increases; Additional Bonds

A Project may be amended by the University with the prior written consent of an Authorized Officer of the Authority, which consent will not be unreasonably withheld, to decrease, increase or otherwise modify the scope thereof. Any such increase may provide for the addition of any further acquisition, design, construction, reconstruction, rehabilitation, renovation, improving, or otherwise providing furnishing and equipping of a Project which the Authority is authorized to undertake.

(Section 6)

Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments

Except to the extent that money is available therefor under the Resolution or the Loan Agreement, including money in the Debt Service Fund (other than money required to pay the Redemption Price or purchase price of Outstanding Bonds theretofore called for redemption or contracted to be purchased, plus interest accrued to the date of redemption or purchase), and excluding interest accrued but unpaid on investments held in the Debt Service Fund, the University pursuant to the Loan Agreement unconditionally agrees to pay, so long as Bonds are Outstanding, to or upon the order of the Authority, from its general funds or any other moneys legally available to it:

- (a) On or before the date of delivery of the Bonds of a Series, the Authority Fee agreed to by the Authority and the University in connection with issuance of the Bonds of such Series;
- (b) On or before the date of delivery of Bonds of a Series, such amount, if any, as is required, in addition to the proceeds of such Bonds available therefor, to pay the Costs of Issuance of such Bonds, and other costs in connection with the issuance of such Bonds;
- (c) Three days (or the preceding Business Day if such day is not a Business Day) prior to an interest payment date on Outstanding Variable Interest Rate Bonds, the interest coming due on such Variable Interest Rate Bonds on such interest payment date, assuming that such Bonds will, from and after the next succeeding date on which the rates at which such Bonds bear interest are to be determined, bear interest at a rate per annum equal to the rate per annum for such Bonds on the immediately preceding Business Day, plus one percent (1%) per annum;
- (d) On the fifth Business Day immediately preceding the July 1 and January 1 on which interest becomes due on Outstanding Bonds, other than Variable Interest Rate Bonds, the interest becoming due on such July 1 or January 1 interest payment date for such Bonds;
- (e) On the fifth Business Day immediately preceding the date on which the principal or Sinking Fund Installments on any Outstanding Bonds becomes due, the principal and Sinking Fund Installments on the Bonds coming due on date;

- (f) At least five Business Days prior to any date on which the Redemption Price or purchase price of Bonds previously called for redemption or to be purchased is to be paid, the amount required to pay the Redemption Price or purchase price of such Bonds;
- (g) On December 10 of each Bond Year, one-half (1/2) of the Annual Administrative Fee payable during such Bond Year in connection with each Series of Bonds, and on June 10 of each Bond Year the balance of the Annual Administrative Fee payable during such Bond Year; *provided, however*, that the Annual Administrative Fee with respect to a Series of Bonds payable during the Bond Year during which such Annual Administrative Fee became effective shall be equal to the Annual Administrative Fee with respect to such Series of Bonds multiplied by a fraction the numerator of which is the number of calendar months or parts thereof remaining in such Bond Year and the denominator of which is twelve (12);
- (h) Promptly after notice from the Authority, but in any event not later than fifteen (15) days after such notice is given, the amount set forth in such notice as payable to the Authority (i) for the Authority Fee then unpaid, (ii) to reimburse the Authority for payments made by it pursuant to the Loan Agreement and any expenses or liabilities incurred by the Authority pursuant to the Loan Agreement, (iii) to reimburse the Authority for any external costs or expenses incurred by it attributable to the issuance of a Series of Bonds or the financing or construction of a Project, including but not limited to any fees or other amounts payable under a remarketing agreement, a Credit Facility or a Liquidity Facility; (iv) for the costs and expenses incurred to compel full and punctual performance by the University of all the provisions of the Loan Agreement or the Resolution in accordance with the terms thereof, and (v) for the fees and expenses of the Trustee and any Paying Agent in connection with performance of their duties under the Resolution;
- (i) Promptly upon demand by an Authorized Officer of the Authority (a copy of which shall be furnished to the Trustee), all amounts required to be paid by the University as a result of an acceleration pursuant to the Loan Agreement;
- (j) Promptly upon demand by an Authorized Officer of the Authority, the difference between the amount on deposit in the Arbitrage Rebate Fund available to be rebated in connection with the Bonds of a Series or otherwise available therefor under the Resolution and the amount required to be rebated to the Department of the Treasury of the United States of America in accordance with the Code in connection with the Bonds of such Series;
- (k) By 5:00 P.M., New York City time, on the date Option Bonds are tendered for purchase by the Holders thereof or on the date Variable Rate Bonds are subject to mandatory tender for purchase, as the case may be, the amount, in immediately available funds, required to pay the purchase price of Option Bonds or Variable Rate Bonds tendered for purchase and not remarketed or remarketed at less than the principal amount thereof and which is not to be paid from money to be made available pursuant to a Liquidity Facility; *provided, however*, that if such notice is given to the University by 10:00 A.M., New York City time, then such amount shall be paid, in immediately available funds, by 12:30 P.M., New York City time, on such day; *provided, further*, that, if such notice is given to the University after 3:00 P.M., New York City time, then such amount shall be paid, in immediately available funds, by 10:00 A.M., New York City time, on the next succeeding day; and
- (l) Promptly upon demand by an Authorized Officer of the Authority, all amounts required to be paid by the Authority to a Counterparty in accordance with an Interest Rate Exchange Agreement or to reimburse the Authority for any amounts paid to a Counterparty in accordance with an Interest Rate Exchange Agreement.

Subject to the provisions of the Resolution and the Loan Agreement, the University shall receive a credit against the amount required to be paid by the University during a Bond Year pursuant to paragraph (e) above on account of any Sinking Fund Installments if, prior to the date notice of redemption is given pursuant to the Resolution with respect to Bonds to be redeemed through Sinking Fund Installments during the next succeeding Bond Year, either (i) the University delivers to the Trustee for cancellation one or more Bonds of the Series and maturity to be so redeemed or (ii) the Trustee, at the direction of the Authority, has purchased one or more Bonds of the maturity to be so redeemed from amounts on deposit in the Debt Service Fund in accordance with the Resolution during such Bond Year. The amount of the credit shall be equal to the principal amount of the Bonds so delivered.

The Authority directs the University, and the University agrees, to make the payments required by paragraphs (c), (d), (e), (f), (i) and (j) above directly to the Trustee for deposit and application in accordance with the Resolution, the payments required by paragraph (b) above directly to the Trustee for deposit in a Construction Fund or other fund established under the Resolution, as directed by an Authorized Officer of the Authority, the payments required by paragraphs (a), (g) and (h) above directly to the Authority and the payments required by paragraphs (k) and (l) above to or upon the order of the Authority.

Notwithstanding any provision in the Loan Agreement or in the Resolution to the contrary (except as otherwise specifically provided for in the Loan Agreement), all money paid by the University to the Trustee pursuant to the Loan Agreement or otherwise held by the Trustee shall be applied in reduction of the University's indebtedness to the Authority thereunder first with respect to interest and then, with respect to the principal amount of such indebtedness, but only to the extent that, with respect to interest on such indebtedness, such money is applied by the Trustee for the payment of interest on Outstanding Bonds, and, with respect to the principal of such indebtedness, such money has been applied to, or are held for, payments in reduction of the principal amount of Outstanding Bonds and as a result thereof Bonds have been paid or deemed to have been paid in accordance with the Resolution. Except as otherwise provided in the Resolution, the Trustee shall hold such money in trust in accordance with the applicable provisions of the Resolution for the sole and exclusive benefit of the Holders of Bonds, regardless of the actual due date or applicable payment date of any payment to the Holders of Bonds.

The obligations of the University to make payments or cause the same to be made under the Loan Agreement shall be absolute and unconditional and the amount, manner and time of making such payments shall not be decreased, abated, postponed or delayed for any cause or by reason of the happening or non-happening of any event, irrespective of any defense or any right of set-off, recoupment or counterclaim which the University may otherwise have against the Authority, the Trustee or any Bondholder for any cause whatsoever including, without limiting the generality of the foregoing, failure of the University to complete a Project or the completion thereof with defects, failure of the University to occupy or use a Project, any declaration or finding that the Bonds or any Series of Bonds or the Resolution is invalid or unenforceable or any other failure or default by the Authority or the Trustee; provided, however, that nothing in the Loan Agreement shall be construed to release the Authority from the performance of any agreements on its part contained in the Loan Agreement or any of its other duties or obligations, and in the event the Authority shall fail to perform any such agreement, duty or obligation, the University may institute such action as it may deem necessary to compel performance or recover damages for non-performance. Notwithstanding the foregoing, the Authority shall have no obligation to perform its obligations under the Loan Agreement to cause advances to be made to reimburse the University for, or to pay, the Costs of a Project beyond the extent of money in the account within the Construction Fund established for such Project.

The Loan Agreement and the obligations of the University to make payments under the Loan Agreement are general obligations of the University.

An Authorized Officer of the Authority, for the convenience of the University, shall furnish to the University statements of the due date, purpose and amount of payments to be made pursuant to the Loan Agreement. The failure to furnish such statements shall not excuse non-payment of the amounts payable under the Loan Agreement at the time and in the manner provided thereby. The University shall notify the Authority as to the amount and date of each payment made to the Trustee by the University.

The Authority shall have the right in its sole discretion to make on behalf of the University any payment required pursuant to the Loan Agreement which has not been made by the University when due. No such payment by the Authority shall limit, impair or otherwise affect the rights of the Authority under the provisions of the Loan Agreement summarized below under the caption "Defaults and Remedies" arising out of the University's failure to make such payment and no payment by the Authority shall be construed to be a waiver of any such right or of the obligation of the University to make such payment.

The University, if it is not then in default under the Loan Agreement, shall have the right to make voluntary payments in any amount to the Trustee. In the event of a voluntary payment, the amount so paid shall be deposited in the Debt Service Fund and applied in accordance with the Resolution or held by the Trustee for the payment of Bonds in accordance with the Resolution. Upon any voluntary payment by the University, the Authority agrees to direct the Trustee to purchase or redeem Bonds in accordance with the Resolution or to give the Trustee irrevocable instructions in accordance with the Resolution with respect to such Series of Bonds; *provided, however*, that in the event such voluntary payment is in the sole judgment of the Authority sufficient to pay all amounts then due under

the Loan Agreement and under the Resolution, including the purchase or redemption of all Bonds Outstanding, or to pay or provide for the payment of all Bonds Outstanding in accordance with the Resolution, the Authority agrees, in accordance with the instructions of the University, to direct the Trustee to purchase or redeem all Bonds Outstanding, or to cause all Bonds outstanding to be paid or to be deemed paid in accordance with the Resolution.

(Section 9)

Consent to Pledge and Assignment

The University consents to and authorizes the assignment, transfer or pledge by the Authority to the Trustee of (i) the Authority's rights to receive the payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption "Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments", (ii) any or all security interests that may be granted by the University under the second paragraph of the provisions of the Loan Agreement summarized below under the caption "Management Consultant" and (iii) all funds and accounts established by the Resolution and pledged thereby in each case to secure any payment or the performance of any obligation of the University under the Loan Agreement or arising out of the transactions contemplated in the Loan Agreement whether or not the right to enforce such payment or performance shall be specifically assigned by the Authority to the Trustee. The University further agrees that the Authority may pledge and assign to the Trustee any and all of the Authority's rights and remedies under the Loan Agreement. Upon any pledge and assignment by the Authority to the Trustee authorized by the Loan Agreement, the Trustee shall be fully vested with all of the rights of the Authority so assigned and pledged and may thereafter exercise or enforce, by any remedy provided therefor by the Loan Agreement or by law, any of such rights directly in its own name. Any such pledge and assignment shall be limited to the Authority's rights (x) to receive payments required to be made pursuant to paragraphs (c), (d), (e), (f) and (i) of the provisions of the Loan Agreement summarized above under the caption "Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments", (y) in any security interest that may be granted by the University pursuant to the second paragraph of the provisions of the Loan Agreement summarized below under the caption "Management Consultant" and (z) to enforce all other obligations required to be performed by the University pursuant to the Loan Agreement. Any realization upon any pledge made or security interest that may be granted in accordance with the second paragraph of the provisions of the Loan Agreement summarized below under the caption "Management Consultant" shall not, by operation of law or otherwise, result in cancellation or termination of the Loan Agreement or the obligations of the University pursuant thereto.

(Section 10)

Management Consultant

The University shall (i) at the request of the Authority made at any time the rating on any Outstanding Bonds or on any of the University's long term unsecured, unenhanced debt obligations is reduced by a Rating Service to below, in the case of Moody's Investor Service, Inc. ("Moody's"), "A1" or, in the case of Fitch, Inc ("Fitch") or Standard & Poor's Rating Services ("S&P"), "A+", or (ii) if the rating on any Outstanding Bonds or on any of the University's long term unsecured, unenhanced debt obligations is reduced by a Rating Service to below, in the case of Moody's "A2" or, in the case of Fitch or S&P, "A", or (iii) if any rating is suspended or withdrawn by a Rating Service, engage, at the University's expense, a Management Consultant within sixty (60) days after such request, reduction, suspension or withdrawal, unless the Authority has waived such obligation which it may do in its sole discretion. The Management Consultant shall review the fees and tuition, operations and management of the University and any other matter deemed appropriate by the Authority and make such recommendations with respect to such fees and tuition, operations, management and other matters. Copies of the report and recommendations of the Management Consultant (the "Report") shall be delivered to the Authority, the Trustee, and the University's President and General Counsel no later than one hundred twenty (120) days following the date of engagement of such Management Consultant. The President of the University shall promptly cause the Report to be sent to each member of the University's Board of Trustees and to the members of each committee of the Board of Trustees as shall be determined by the President, on the advice of the General Counsel, shall consider appropriate. The University shall:

- (i) not later than (30) days after receipt of the Report by the University's President deliver to the Authority, the Trustee, each member of the Board of Trustees and the members of each committee to which the Report was delivered, a written report setting forth the University's comment and reaction to the Report;
- (ii) not later than sixty (60) days after receipt of the Report by the University's President, deliver to the Authority and the Trustee, a plan approved by either the University's Board of Trustees or the Executive Committee of the Board of Trustees setting forth in reasonable detail the following:
 - (a) the steps the University proposes to take to implement the recommendations contained in the Report;
 - (b) the timetable on which the University proposes to implement such recommendations; and
 - (c) with respect to any recommendations that the University does not plan to implement, an explanation of the University's reasons therefor, including any legal or regulatory restrictions or impediments to implementation of any such recommendations, and any business, financial or other factors that in the reasonable judgment of the University affect the feasibility of implementing any such recommendations; and
- (iii) within thirty (30) days after the end of each fiscal quarter of the University, deliver a written report to the Authority and the Trustee demonstrating the progress made by the University in implementing the recommendations. The University shall continue to deliver such reports until it gives written notice to the authority and the Trustee that, in the University's reasonable judgment, either (1) the recommendations to have been implemented have been fully implemented or (2) it is no longer feasible to implement any recommendation that has not yet been implemented.

Notwithstanding the foregoing provisions of this section, the University in lieu of engaging a Management Consultant or implementation of the recommendations contained in the Report may elect to provide security in form and substance acceptable to the Authority in its sole discretion for the University's obligations under the Loan Agreement.

(Section 12)

Tax-Exempt Status of the University

The University represents that: (i) it is an organization described in Section 501(c)(3) of the Code, or corresponding provisions of prior law and is not a "private foundation," as such term is defined under Section 509(a) of the Code; (ii) it has received a letter or other notification from the Internal Revenue Service to that effect; (iii) such letter or other notification has not been the Loan Agreement modified, limited or revoked; (iv) it is in compliance with all terms, conditions and limitations, if any, contained in such letter or other notification; (v) the facts and circumstances which form the basis of such letter or other notification as represented to the Internal Revenue Service continue to exist; and (vi) it is exempt from federal income taxes under Section 501(a) of the Code, except for the payment of unrelated business income tax.

(Section 13)

Use and Control of Projects; Restrictions on Religious Use

Subject to the rights, duties and remedies of the Authority under the Loan Agreement, the University shall have sole and exclusive control and possession of and responsibility for (i) the Projects; (ii) the operation of the Projects and supervision of the activities conducted therein or in connection with any part thereof; and (iii) the maintenance, repair and replacement of the Projects; *provided, however*, that (A) except as otherwise limited by the Loan Agreement, the foregoing shall not prohibit use of a Project by persons other than the University or its students, staff and employees in furtherance of the University's corporate purposes if such use will not adversely affect the exclusion of interest on any Bonds from gross income for federal income tax purposes, and (B) the foregoing is not intended and shall not be construed to prohibit the University from disposing of any Project or part thereof subject only to the limitations and restrictions set forth in the Loan Agreement.

The University agrees that with respect to any Project or portion thereof, so long as such Project or portion thereof exists and unless and until such Project or portion thereof is sold for the fair market value thereof, such Project or portion thereof shall not be used for sectarian religious instruction or as a place of religious worship or in

connection with any part of a program of a school or department of divinity for any religious denomination; provided, however, that the foregoing restriction shall not prohibit the free exercise of any religion; and provided, further, that if at any time hereafter, in the opinion of Bond Counsel, the then applicable law would permit a Project or portion thereof to be used without regard to the above stated restriction, said restriction shall not apply to such Project and each portion thereof. The Authority and its agents may conduct such inspections as an Authorized Officer of the Authority deems necessary to determine whether any Project or any portion or real property thereof financed by Bonds is being used for any purpose proscribed by the Loan Agreement. The University further agrees that prior to any disposition of any portion of a Project for less than fair market value, it shall execute and record in the appropriate real property records an instrument subjecting, to the satisfaction of the Authority, the use of such portion of such Project to the restriction that (i) so long as such portion of such Project (and, if included in the Project, the real property on or in which such portion of such Project is situated) shall exist and (ii) until such portion of such Project is sold or otherwise transferred to a person who purchases the same for the fair market value thereof at the time of such sale or transfer, such portion of such Project shall not be used for sectarian religious instruction or as a place of religious worship or used in connection with any part of the program of a school or department of divinity of any religious denomination. The instrument containing such restriction shall further provide that such restriction may be enforced at the instance of the Authority or the Attorney General of the State, by a proceeding in any court of competent jurisdiction, by injunction, mandamus or by other appropriate remedy. The instrument containing such restriction shall also provide that if at any time thereafter, in the opinion of Bond Counsel, the then applicable law would permit such portion of a Project, or the real property on or in which such portion is situated, to be used without regard to the above stated restriction, then said restriction shall be without any force or effect. For the purposes of the Loan Agreement an involuntary transfer or disposition of a Project or a portion thereof, upon foreclosure or otherwise, shall be considered a sale for the fair market value thereof.

(Sections 17 and 18)

Maintenance, Repair and Replacement.

The University agrees that, throughout the term of the Loan Agreement, it shall, at its own expense, hold, operate and maintain the Projects in a careful, prudent and economical manner, and keep the same, with the appurtenances and every part and parcel thereof, in good repair, working order and safe condition and shall from time to time make all necessary and proper repairs, replacements and renewals so that at all times the operation of the Projects may be properly and advantageously conducted. The University shall have the right to remove or replace any type of fixtures, furnishings and equipment in the Projects which may have been financed by the proceeds of the sale of Bonds provided the University substitutes for any removed or replaced fixtures, furnishings and equipment, additional fixtures, furnishings and equipment having equal or greater value and utility than the fixtures, furnishings and equipment so removed or replaced.

The University further agrees that it shall pay at its own expense all extraordinary costs of maintaining, repairing and replacing the Projects except insofar as funds are made available therefor from proceeds of insurance, condemnation or eminent domain awards.

(Section 19)

Covenant as to Insurance.

The University agrees to maintain or cause to be maintained insurance with insurance companies or by means of self-insurance, insurance of such type, against such risks and in such amounts as are customarily carried by private colleges and universities located in the State of a nature similar to that of the University, which insurance shall include property damage, fire and extended coverage, public liability and property damage liability insurance in amounts estimated to indemnify the reasonably anticipated damage, loss or liability, subject to reasonable deductible provisions. The University shall at all times also maintain worker's compensation coverage as required by the laws of the State.

The University shall furnish to the Authority annually a report of an Insurance Consultant that the insurance coverage maintained by the University is adequate and in accordance with the standards above.

If the Authority shall so request in writing, the University shall provide to the Authority summaries or other evidence of its insurance coverage and shall obtain endorsements reasonably requested by the Authority. (Section 20)

Reports and Financial Information

The University shall, if and when requested by an Authorized Officer of the Authority, render to the Authority and the Trustee reports with respect to all repairs, replacements and maintenance made to each Project. In addition, the University shall, if and when requested by an Authorized Officer of the Authority, render such other reports concerning the condition of each Project as an Authorized Officer of the Authority may request. The University shall also furnish annually, not later than one hundred sixty-five (165) days after the end of the University's fiscal year, to the Trustee, the Authority and to such other parties as an Authorized Officer of the Authority may resonably designate, including Rating Services, (i) a certificate stating whether the University is in compliance with the provisions of the Loan Agreement, (ii) copies of its financial statements audited by a nationally recognized independent public accountant selected by the University and acceptable to an Authorized Officer of the Authority and prepared in conformity with generally accepted accounting principles applied on a consistent basis, except that such audited financial statements may contain such changes as are concurred in by such accountants, and (iii) such other statements, reports and schedules describing the finances, operation and management of the University and such other information reasonably required by an Authorized Officer of the Authority.

(Section 23)

Defaults and Remedies

As used in the Loan Agreement the term "Event of Default" shall mean:

- (a) the University shall (A) default in the timely payment of any amount payable pursuant to the Loan Agreement (except as described in paragraphs (B) and (C) of this paragraph (a)) or the payment of any other amounts required to be delivered or paid by or on behalf of the University in accordance with the Loan Agreement or the Resolution, and such default continues for a period in excess of seven (7) days or (B) default in the timely payment of any amount payable pursuant to paragraph (c), (d), (e) or (f) of the provision of the Loan Agreement summarized above under the caption "Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments" and such default continues for a period in excess of (1) day or (C) default in the timely payment of any payment pursuant to paragraph (k) of the provision of the Loan Agreement summarized above under the caption "Financial Obligations of the University; General and Unconditional Obligation; Voluntary Payments"; or
- (b) the University defaults in the due and punctual performance of any other covenant contained in the Loan Agreement and such default continues for thirty (30) days after written notice requiring the same to be remedied shall have been given to the University by the Authority or the Trustee, or, if such default is not capable of being cured within thirty (30) days, the University fails to commence within said thirty (30) days to cure the same and to diligently prosecute the cure thereof;
- (c) as a result of any default in payment or performance required of the University under the Loan Agreement or any Event of Default under the Loan Agreement, whether or not declared, continuing or cured, the Authority shall be in default in the payment or performance of any of its obligations under the Resolution or an "event of default" (as defined in the Resolution) shall have been declared under the Resolution so long as such default or event of default shall remain uncured or the Trustee, a Facility Provider or Holders of the Bonds shall be seeking the enforcement of any remedy under the Resolution as a result thereof;
- (d) the University shall be in default under any agreement entered into with the issuer of or in connection with a Liquidity Facility or a Credit Facility (which default has not been waived or cured) if the University's obligations thereunder are secured by a lien upon, security interest in or pledge of property which is equal or prior to any lien upon, security interest in or pledge of such property given or made pursuant to the Loan Agreement and, upon such default, (A) the principal of any indebtedness thereunder may be declared to be due and payable or (B) the lien security interest or pledge may be foreclosed or realized upon;
- (e) the University shall (i) be generally not paying its debts as they become due, (ii) file, or consent by answer or otherwise to the filing against it of, a petition under the United States Bankruptcy Code or under any other

bankruptcy or insolvency law of any jurisdiction, (iii) make a general assignment for the benefit of its general creditors, (iv) consent to the appointment of a custodian, receiver, trustee or other officer with similar powers of itself or of any substantial part of its property, (v) be adjudicated insolvent or be liquidated, or (vi) take corporate action for the purpose of any of the foregoing;

- (f) a court or governmental authority of competent jurisdiction shall enter an order appointing, without consent by the University, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or an order for relief shall be entered in any case or proceeding for liquidation or reorganization or otherwise to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the University, or any petition for any such relief shall be filed against the University and such petition shall not have been stayed or dismissed within ninety (90) days;
 - (g) the charter of the University shall be suspended or revoked;
- (h) a petition shall be filed by the University with the Board of Regents of the University of the State, the legislature of the State or other governmental authority having jurisdiction over the University to dissolve the University;
- (i) an order of dissolution of the University shall be made by the Board of Regents of the University of the State, the legislature of the State or other governmental authority having jurisdiction over the University which order shall remain undismissed or unstayed for an aggregate of thirty (30) days;
- (j) a petition shall be filed with a court having jurisdiction for an order directing the sale, disposition or distribution of all or substantially all of the property belonging to the University which petition shall remain undismissed or unstayed for an aggregate of ninety (90) days;
- (k) an order of a court having jurisdiction shall be made directing the sale, disposition or distribution of all or substantially all of the property belonging to the University, which order shall remain undismissed or unstayed for the earlier of (x) three (3) Business Days prior to the date provided for in such order for such sale, disposition or distribution or (y) an aggregate of thirty (30) days from the date such order shall have been entered; or
- (l) a final judgment for the payment of money, at least \$1,000,000 of which is not covered by insurance or reserves set aside by the University, which in the reasonable judgment of the Authority will materially adversely affect the rights of the Holders of the Bonds shall be rendered against the University and at any time after forty-five (45) days from the entry thereof, (i) such judgment shall not have been discharged or paid, or (ii) the University shall not have taken and be diligently prosecuting an appeal therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, and shall not have caused, within forty-five (45) days, the execution of or levy under such judgment, order, decree or process or the enforcement thereof to have been stayed pending determination of such appeal.

Upon the occurrence of an Event of Default the Authority may take any one or more of the following actions:

- (a) declare all sums payable by the University under the Loan Agreement immediately due and payable;
- (b) direct the Trustee to withhold any and all payments, advances and reimbursements from the proceeds of Bonds or any Construction Fund or otherwise to which the University may otherwise be entitled under the Loan Agreement and in the Authority's sole discretion apply any such proceeds or money for such purposes as are authorized by the Resolution;
 - (c) withhold any or all further performance under the Loan Agreement;
- (d) maintain an action against the University under the Loan Agreement to recover any sums payable by the University or to require its compliance with the terms of the Loan Agreement;

All rights and remedies given or granted to the Authority in the Loan Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the Authority may have or may be given by reason of any law, statute, ordinance or otherwise, and no failure to exercise or delay in exercising any remedy shall effect a waiver of the Authority's right to exercise such remedy thereafter.

At any time before the entry of a final judgment or decree in any suit, action or proceeding instituted on account of any Event of Default or before the completion of the enforcement of any other remedies under the Loan Agreement, the Authority may annul any declaration made or action taken pursuant to the Loan Agreement and its

consequences if such Events of Default shall be cured. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereto.

(Section 26)

Termination

The Loan Agreement shall remain in full force and effect until no Bonds are Outstanding and until all other payments, expenses and fees payable under the Loan Agreement by the University shall have been made or provision made for the payment thereof; *provided, however*, that the liabilities and the obligations of the University to provide reimbursement for or indemnification against expenses, costs or liabilities made or incurred pursuant to the Loan Agreement and the obligations of the University under the Loan Agreement shall nevertheless survive any such termination. Upon such termination, an Authorized Officer of the Authority shall deliver such documents as may be reasonably requested by the University to evidence such termination and the discharge of its duties under the Loan Agreement, and the release or surrender of any security interests granted by the University to the Authority pursuant the Loan Agreement.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

The following is a brief summary of certain provisions of the Resolution pertaining to the Series 2012 Bonds and the Project. Such summary does not purport to be complete and reference is made to the Resolution for full and complete statements of such and all provisions. Defined terms used herein shall have the meanings ascribed to them in Appendix A.

Contract with Bondholders

With respect to the Bonds, in consideration of the purchase and acceptance of any and all of the Bonds authorized to be issued under the Resolution by those who shall hold or own the same from time to time, the Resolution shall be deemed to be and shall constitute a contract among the Authority, the Trustee and the Holders from time to time of such Bonds, and the pledge and assignment made in the Resolution and the covenants and agreements set forth to be performed by or on behalf of the Authority shall be for the equal and ratable benefit, protection and security of the Holders of any and all of such Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any such Bonds, over any other Bonds except as expressly provided in or permitted by the Resolution.

(Section 1.03)

Pledge of Revenues

The proceeds from the sale of the Bonds, the Revenues, and all funds and accounts established by the Resolution and any Series Resolution, excluding the Arbitrage Rebate Fund and any fund established for the payment of the purchase price of Option Bonds tendered for purchase, are pledged and assigned to the Trustee as security for the payment of the principal and Redemption Price of and interest on the Bonds and as security for the performance of any other obligation of the Authority under the Resolution and any Series Resolution, all in accordance with the provisions of the Resolution and any Series Resolution. The pledge of the Revenues and the assignment of the Authority's security interest therein shall also be for the benefit of each Provider as security for the payment of any amounts payable to such Provider under the Resolution; provided, however, that such pledge and assignment shall, in all respects, be subject and subordinate to the rights and interest therein of the Bondholders. The pledge made by the Resolution is valid, binding and perfected from the time when the pledge attaches and the proceeds from the sale of the Bonds, the Revenues and the funds and accounts established by the Resolution and any Series Resolution which are pledged thereby shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid, binding and perfected as against all parties having claims of any kind in tort, contract or otherwise against the Authority irrespective of whether such parties have notice thereof. No instrument by which such pledge is created nor any financing statement need be recorded or filed. The Bonds shall be special obligations of the Authority payable solely from and secured by a pledge of the proceeds from the sale of the Bonds, the Revenues and the funds and accounts established by the Resolution and are pledged thereby, which pledge shall constitute a first lien thereon.

(Section 5.01)

Tax Exemption; Rebates

In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Authorized Bonds, the Authority shall comply with the provisions of the Code applicable to the Authorized Bonds, including without limitation the provisions of the Code relating to the computation of the yield on investments of the "gross proceeds" of the Authorized Bonds, as such term is defined in the Code, reporting of the earnings on such gross proceeds and rebates of earnings on such gross proceeds to the Department of the Treasury of the United States of America. In furtherance of the foregoing, the Authority shall comply with the provisions of the Tax Certificate and with such written instructions as may be provided by Bond Counsel or a special tax counsel.

The Authority shall not take any action or fail to take any action which would cause the Authorized Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code; nor shall any part of the proceeds of the Authorized Bonds or any other funds of the Authority be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Authorized Bond to be an "arbitrage bond" within the meaning of Section 148(a) of the Code.

The Authority shall make any and all payments required to be made to the United States Department of the Treasury in connection with the Authorized Bonds pursuant to Section 148(f) of the Code from amounts on deposit in the Arbitrage Rebate Fund and available therefor.

(Section 5.01)

Establishment of Funds and Accounts

The following funds are established by the Resolution and shall be held and maintained by the Trustee:

Construction Fund; Debt Service Fund; and Arbitrage Rebate Fund.

In addition to the accounts and subaccounts, if any, required to be established by the Resolution or by any Series Resolution or any Bond Series Resolution, the Authority may for purposes of internal accounting establish such other accounts or subaccounts as the Authority or the Trustee deems proper, necessary or desirable. All money at any time deposited in any fund, account or subaccount created and pledged by the Resolution or by any Series Resolution or required thereby to be created shall be held in trust for the benefit of the Holders of Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes provided in the Resolution; provided, however, that the proceeds derived from the remarketing of Option Bonds tendered or deemed to have been tendered for purchase in accordance with the Series Resolution authorizing the issuance of such Bonds or the Bond Series Certificate relating to such Bonds or derived from a Liquidity Facility relating to such Bonds, and any fund or account established by or pursuant to such Series Resolution for the payment of the purchase price of Option Bonds so tendered or deemed to have been tendered, shall not be held in trust for the benefit of the Holders of the Bonds other than such Option Bonds and are pledged by the Resolution for the payment of the purchase price of such Option Bonds.

(Section 5.02)

Application of Bond Proceeds and Allocation Thereof

Upon the receipt of the proceeds from the sale of a Series of Bonds, the Authority shall apply such proceeds as specified in the Resolution and in the Series Resolution authorizing such Series or the Bond Series Certificate relating to such Series.

Accrued interest, if any, received upon the delivery of a Series of Bonds shall be deposited in the Debt Service Fund unless all or any portion of such amount is to be otherwise applied as specified in the Series Resolution authorizing such Series or the Bond Series Certificate relating to such Series.

(Section 5.03)

Application of Money in the Construction Fund

As soon as practicable after the delivery of each Series of Bonds, there shall be deposited in the Construction Fund the amount required to be deposited therein pursuant to the Series Resolution authorizing the issuance of such Series or the Bond Series Certificate relating to such Series. Except as otherwise provided in the Resolution and in any applicable Series Resolution or Bond Series Certificate, money deposited in the Construction Fund shall be used only to pay the Costs of Issuance and the Costs of the Projects.

Upon receipt by the Trustee of a certificate relating to the completion of a Project, the money, if any, then remaining in the Construction Fund relating to such Project, after making provision in accordance with the direction of an Authorized Officer of the Authority for the payment of any Costs of Issuance and Costs of the Project then unpaid, shall be paid or applied by the Trustee as follows and in the following order of priority:

First: Upon the direction of an Authorized Officer of the Authority, to the Arbitrage Rebate Fund, the amount set forth in such direction; and

Second: To the Debt Service Fund, to be applied in accordance with the Resolution, any balance remaining. (Section 5.04)

Deposit and Allocation of Revenues

The Revenues and any other money, which by any of the provisions of the Resolution are required to be paid to the Trustee, shall upon receipt by the Trustee be deposited or paid by the Trustee as follows in the following order of priority:

First: To the Debt Service Fund (i) in the case of Revenues received during the period from the beginning of each Bond Year until December 31 thereof, the amount, if any, necessary to make the amount in the Debt Service Fund equal to (a) the interest on Outstanding Bonds payable on or prior to the next succeeding January 1, including the interest estimated by the Authority to be payable on any Variable Interest Rate Bond on and prior to the next succeeding January 1, assuming that such Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum, (b) the Sinking Fund Installments of Outstanding Option Bonds and Variable Interest Rate Bonds payable on or prior to the next succeeding January 1 and (c) the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption pursuant to the Resolution on or prior to the next succeeding January 1, plus accrued interest thereon to the date of purchase or redemption; and (ii) in the case of Revenues received thereafter and until the end of such Bond Year, the amount, if any, necessary to make the amount in the Debt Service Fund equal to (a) the interest on and the principal and Sinking Fund Installments of Outstanding Bonds payable on and prior to the next succeeding July 1, including the interest estimated by the Authority to be payable on any Variable Interest Rate Bond on and prior to the next succeeding July 1, assuming that such Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum and (b) the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption pursuant to the Resolution on or prior to the next succeeding July 1, plus accrued interest thereon to the date of purchase or redemption;

Second: To reimburse, pro rata, each Provider for Provider Payments which are then unpaid, in proportion to the respective Provider Payments then unpaid to each Provider; and

Third: Upon the direction of an Authorized Officer of the Authority, to the Arbitrage Rebate Fund the amount set forth in such direction;

Fourth: To the Authority, unless otherwise paid, such amounts as are payable to the Authority for: (i) any expenditures of the Authority for fees and expenses of auditing, and fees and expenses of the Trustee and Paying Agents, all as required by the Resolution, (ii) all other expenditures reasonably and necessarily incurred by the Authority in connection with the financing of the Projects, including expenses incurred by the Authority to compel full and punctual performance of all the provisions of the Resolution in accordance with the terms thereof, and (iii) any fees of the Authority; but only upon receipt by the Trustee of a certificate signed by an Authorized Officer of the Authority, stating in reasonable detail the amounts payable to the Authority pursuant to this paragraph Fourth.

The Trustee shall notify the Authority and the University promptly after making the payments of any balance of Revenues then remaining on the immediately succeeding July 1. After making the above required payments, the balance, if any, of the Revenues then remaining shall, upon the direction of an Authorized Officer of the Authority, be paid by the Trustee to the Construction Fund or the Debt Service Fund, or paid to the University, in the respective amounts set forth in such direction. Any amounts paid to the University shall be free and clear of any pledge, lien, encumbrance or security interest created by the Resolution or by the Resolution.

(Section 5.05)

Debt Service Fund

The Trustee shall on or before the Business Day preceding each interest payment date pay to itself and any other Paying Agents out of the Debt Service Fund:

- (i) the interest due and payable on all Outstanding Bonds on such interest payment date;
- (ii) the principal amount due and payable on such interest payment date on all Outstanding Bonds; and
- (iii) the Sinking Fund Installments or other amounts related to a mandatory redemption, if any, due and payable on all Outstanding Bonds on such interest payment date.

The amounts paid out pursuant to this subdivision shall be irrevocably pledged to and applied to such payments.

Notwithstanding the first paragraph of this subdivision, the Authority may, at any time subsequent to July 1 of any Bond Year but in no event less than forty-five (45) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with money on deposit in the Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Term Bonds to be redeemed from such Sinking Fund Installment. Any Term Bond so purchased and any Term Bond purchased by the University and delivered to the Trustee in accordance with the Resolution shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Authority. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date; *provided, however*, that such Term Bond is canceled by the Trustee prior to the date on which notice of redemption is given.

Money in the Debt Service Fund in excess of the amount required to pay the principal and Sinking Fund Installments of Outstanding Bonds payable on and prior to the next succeeding July 1, the interest on Outstanding Bonds payable on and prior to the earlier of the next succeeding interest payment date assuming that a Variable Interest Rate Bond will bear interest, from and after the next date on which the rate at which such Variable Interest Rate Bond bears interest is to be adjusted, at a rate per annum equal to the rate per annum at which such Bonds then bear interest, plus one percent (1%) per annum, and the purchase price or Redemption Price of Outstanding Bonds theretofore contracted to be purchased or called for redemption, plus accrued interest thereon to the date of purchase or redemption, shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to the purchase of Outstanding Bonds of any Series at purchase prices not exceeding the Redemption Price applicable on the next interest payment date on which such Bonds are redeemable, plus accrued and unpaid interest to such date, at such times, at such purchase prices and in such manner as an Authorized Officer of the Authority shall direct. If sixty (60) days prior to the end of a Bond Year an excess, calculated as aforesaid, exists in the Debt Service Fund, such money shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority given pursuant to the Resolution to the redemption of Bonds as provided in the Resolution, at the Redemption Prices specified in the applicable Series Resolution authorizing the issuance of the Bonds to be redeemed or the Bond Series Certificate relating to such Bonds.

(*Section 5.06*)

Arbitrage Rebate Fund

The Trustee shall deposit to the Arbitrage Rebate Fund any money delivered to it by the University for deposit therein and, notwithstanding any other provisions of the Resolution, shall transfer to the Arbitrage Rebate Fund, in accordance with the directions of an Authorized Officer of the Authority, money on deposit in any other funds held by the Trustee under the Resolution at such times and in such amounts as set forth in such directions.

Money on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority to make payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Authority shall determine to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Money which an Authorized Officer of the Authority determines to be in excess of the amount required to be so rebated shall, first, be applied to reimburse pro rata, each Provider for money advanced under a Credit Facility or a Liquidity Facility, including interest thereon, which is then unpaid in proportion to the respective amounts advanced by each Provider, and, then be deposited to any fund or account established under the Resolution in accordance with the directions of such Authorized Officer.

(Section 5.07)

Application of Money in Certain Funds for Retirement of Bonds

Notwithstanding any other provisions of the Resolution, if at any time the amounts held in the Debt Service Fund are sufficient to pay the principal or Redemption Price of all Outstanding Bonds and the interest accrued and unpaid and to accrue on such Bonds to the next date on which all such Bonds are redeemable, or to make provision pursuant to the Resolution for the payment of the Outstanding Bonds at the maturity or redemption dates thereof, the Trustee shall so notify the Authority and the University. Upon receipt of such notice, the Authority may (i) direct the Trustee to redeem all such Outstanding Bonds, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Outstanding Bonds in the manner provided for redemption of such Bonds by the Resolution and by each Series Resolution as provided in the Resolution, or (ii) give the Trustee irrevocable instructions in

accordance with the Resolution and make provision for the payment of the Outstanding Bonds at the maturity or redemption dates thereof in accordance therewith.

(Section 5.08)

Investment of Funds and Accounts

Money held under the Resolution by the Trustee, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee, upon direction of the Authority given or confirmed in writing, signed by an Authorized Officer of the Authority (which direction shall specify the amount thereof to be so invested), in Government Obligations, Federal Agency Obligations Exempt Obligations, and, if not inconsistent with the investments guidelines of a Rating Service applicable to funds held under the Resolution, any other permitted investment; provided, however, that each such investment shall permit the money so deposited or invested to be available for use at the times at which the Authority reasonably believes such money will be required for the purposes of the Resolution provided, further, that (x) any Permitted Collateral required to secure any Permitted Investment shall have a market value, determined by the Trustee or its agent periodically, but no less frequently than weekly, at least equal to the amount deposited or invested including interest accrued thereon, (y) the Permitted Collateral shall be deposited with and held by the Trustee or an agent of the Trustee approved by an Authorized Officer of the Authority, and (z) the Permitted Collateral shall be free and clear of claims of any other person.

Permitted Investments purchased as an investment of money in any fund or account held by the Trustee under the provisions of the Resolution shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be retained in, credited or charged, as the case may be, to such fund or account.

In computing the amount in any fund or account held by the Trustee under the provisions of the Resolution, Permitted Investments shall be valued at par or the market value thereof, plus accrued interest, whichever is lower.

Notwithstanding anything to the contrary in the Resolution, the Authority, in its discretion, may direct the Trustee to, and the Trustee shall, sell, present for redemption or exchange any investment held by the Trustee pursuant to the Resolution and the proceeds thereof may be reinvested as provided in the Resolution. Except as otherwise provided in the Resolution, the Trustee shall sell at the best price obtainable, or present for redemption or exchange, any investment held by it pursuant to the Resolution whenever it shall be necessary in order to provide money to meet any payment or transfer from the fund or account in which such investment is held. The Trustee shall advise the Authority and the University on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account under the Resolution and of the details of all investments held for the credit of each fund and account in its custody under the provisions of the Resolution as of the end of the preceding month and as to whether such investments comply with the provisions of the Resolution. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund and account in the previous month.

(Section 6.02)

Creation of Liens

Except as permitted by the Resolution, the Authority shall not create, cause to be created or suffer or permit the creation of any lien or charge prior or equal to that of the Bonds on the proceeds from the sale of the Bonds, the Revenues, the rights of the Authority to receive payments to be made under the Loan Agreement that are to be deposited with the Trustee or the funds and accounts established by the Resolution or by any Series Resolution which are pledged thereby; *provided*, *however*, that nothing contained in the Resolution shall prevent the Authority from (i) issuing bonds, notes or other obligations or otherwise incurred indebtedness under another and separate resolution so long as the charge or lien created thereby is not prior to the charge or lien created by the Resolution, and (ii) incurring obligations with respect to a Credit Facility or a Liquidity Facility which are secured by a lien upon and pledge of the Revenues of equal priority with the lien created and the pledge made by the Resolution.

(Section 7.06)

Amendment of Loan Agreement

Except as expressly otherwise provided in Section 7.11 of the Resolution, the Loan Agreement may not be amended, changed, modified, altered or terminated nor may any provision thereof be waived if any such amendment, change, modification, alteration, termination or waiver would adversely affect the interest of the Holders of Outstanding Bonds in any material respect unless consented to in writing by (a) the Holders of at least a majority in aggregate principal amount of the Bonds then Outstanding, or (b) in case less than all of the several Series of Bonds then Outstanding are affected by the modifications or amendments, the Holders of not less than a majority in aggregate principal amount of the Bonds of each Series so affected then Outstanding; provided, however, that if such amendment, change, modification, alteration, termination or waiver will, by its terms, not take effect so long as any Bonds of any specified Series remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under the Resolution; provided, further, that no such amendment, change, modification, alteration, termination will reduce the percentage of the aggregate principal amount of Outstanding Bonds the consent of the Holders of which is a requirement for any such amendment, change, modification, alteration or termination, or decrease the amount of any payment required to be made by the University under the Loan Agreement that is to be deposited with the Trustee or extend the time of payment thereof. Any consent given pursuant to the Resolution by the Holders of Bonds shall, except as otherwise provided in the Resolution, be given in the same manner required by the Resolution.

The Loan Agreement may be amended, changed, modified or altered (i) to make changes necessary or appropriate in connection with the acquisition, construction, reconstruction, rehabilitation and improvement, or otherwise providing, furnishing and equipping of any facilities constituting a part of any Project or to otherwise amend the Project or (ii) with the consent of the Trustee, to cure any ambiguity, or to correct or supplement any provisions contained in the Loan Agreement which may be defective or inconsistent with any other provisions contained in the Resolution or in the Loan Agreement. Except as otherwise provided in the Resolution , the Loan Agreement may be amended, changed, modified or altered without the consent of the Holders of Outstanding Bonds or the Trustee. Prior to execution by the Authority of any amendment, a copy thereof certified by an Authorized Officer of the Authority shall be filed with the Trustee.

For the purposes of the Resolution, the purchasers of Bonds, whether purchasing as underwriters, Remarketing Agent or otherwise for resale, may upon such purchase consent to an amendment, change, modification, alteration, termination or waiver permitted in the manner provided in the Resolution, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; provided, however, that, if such consent is given by a purchaser who is purchasing as an underwriter or Remarketing Agent or for resale, the nature of the amendment, change, modification, alteration, termination or waiver and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the initial offering, reoffering or resale of the Bonds of such Series. In addition, the Holder of an Outstanding Auction Rate Bond shall be deemed to have consented to an amendment, change, modification, alteration or termination permitted by the Resolution if (i) the Trustee has mailed notice of such proposed amendment to the Holder of such Bonds in the same manner required by Article X of the Resolution for an amendment to the Resolution, (ii) on the first Auction Date for such Bond occurring at least twenty (20) days after the date on which the aforementioned notice is given by the Trustee the interest rate determined on such date is the Winning Bid Rate and (iii) there is delivered to the Authority and the Trustee an opinion of Bond Counsel to the effect that such amendment shall not adversely affect the validity of such Auction Rate Bond or any exemption from federal income tax to which the interest on such Auction Rate Bond would otherwise be entitled. As used in this paragraph the following terms shall have the respective meanings: "Auction Rate Bond" means a Variable Interest Rate Bond that is not an Option Bond, and that bears interest at rates determined by periodic auctions in accordance with procedures therefore established by the Series Resolution authorizing such Bond or the Bond Series Certificate related thereto; "Auction Date" means, with respect to particular any Auction Rate Bond, the date on which an auction is held or required to be held for such Bond in accordance with the procedures established therefore; and "Winning Bid Rate" when used with respect to an auction held for any particular Auction Rate Bond, shall have the meaning given to such term in the Series Resolution authorizing such Auction Rate Bond or the Bond Series Certificate related thereto, or, if not otherwise defined, means the lowest rate specified in any purchase bid submitted in such auction, which, if selected, would cause the aggregate principal amount of Auction Bonds offered to be sold in such auction to be subject to purchase bids at rates no greater than the rate specified in such purchase bid.

For the purposes of the Resolution , a Series shall be deemed to be adversely affected by an amendment, change, modification, alteration or termination of the Loan Agreement or the waiver of any provision thereof if the same adversely affects or diminishes the rights of the Holders of the Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series would be adversely affected in any material respect by any amendment, change, modification, alteration, termination or waiver and any such determination shall be binding and conclusive on the University, the Authority and all Holders of Bonds.

For all purposes of the Resolution, the Trustee shall be entitled to rely upon an opinion of counsel, which counsel shall be satisfactory to the Trustee, with respect to whether any amendment, change, modification, alteration, termination or waiver adversely affects the interests of any Holders of Bonds then Outstanding in any material respect.

Bonds owned or held by or for the account of the Authority or the University shall not be deemed Outstanding for the purpose of the consent provided for in the Resolution , and neither the Authority nor the University shall be entitled with respect to such Bonds to give any such consent. At the time of any consent, the Authority shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

(Section 7.11)

Modification and Amendment Without Consent

The Authority may adopt at any time or from time to time Series Resolutions or Supplemental Resolutions for any one or more of the following purposes, and any such Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority:

- (a) To provide for the issuance of a Series of Bonds pursuant to the provisions of the Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;
- (b) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;
- (c) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;
- (d) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of the Resolution, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Resolution;
- (e) To confirm, as further assurance, any pledge under the Resolution, and the subjection to any lien, claim or pledge created or to be created by the provisions of the Resolution, of the Revenues or of any other money, securities or funds;
- (f) To modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution or Series Resolution shall cease to be Outstanding, and all Bonds issued under such resolutions shall contain a specific reference to the modifications contained in such subsequent Resolutions; or
 - (g) To modify or amend a Project; or
- (h) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision in the Resolution or to insert such provisions clarifying matters or questions arising under the Resolution as are necessary or desirable, provided that any such modifications are not contrary to or inconsistent with the Resolution as theretofore in effect,

or to modify any of the provisions of the Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respect, provided that such modification shall not adversely affect the interests of the Holders in any material respect.

(Section 9.01)

Supplemental Resolutions Effective With Consent of Bondholders

The provisions of the Resolution may also be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of Bondholders in accordance with and subject to the provisions of the Resolution, such Supplemental Resolution to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority.

(Section 9.02)

Powers of Amendment

Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds under the Resolution, in any particular, may be made by a Supplemental Resolution, with the written consent given as set forth in the provision of the Resolution summarized below under the caption "Consent of Bondholders", (i) of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of Holders of at least a majority in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, or (iii) in case the modification or amendment changes the amount or date of any Sinking Fund Installment, of the Holders of at least a majority in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under the Resolution. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof, or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of the Resolution, a Series shall be deemed to be affected by a modification or amendment if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds. The Trustee may receive an opinion of counsel, including an opinion of Bond Counsel, as conclusive evidence as to whether Bonds of any particular Series or maturity would be so affected by any such modification or amendment of the Resolution.

(Section 10.01)

Consent of Bondholders

The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of the Resolution to take effect when and as provided in the Resolution. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee) together with a request to the Holders for their consent thereto in form satisfactory to the Trustee, shall promptly after adoption to be mailed by the Authority to the Holders (but failure to mail such copy and request will not affect the validity of the Supplemental Resolution when consented to as provided below). Such Supplemental Resolution shall not be effective unless and until (i) there shall been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in the provision of the Resolution summarized above under the caption "Powers of Amendment" and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is authorized or permitted thereby, and is valid and binding upon the Authority and enforceable in accordance with its terms, and (ii) a notice shall have been mailed as provided in the Resolution. Each such consent shall be effective only if accompanied by proof of the holding or owning at the date of such consent, of the Bonds with respect to

which such consent is given, which proof shall be such as is permitted by the Resolution. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with the Resolution shall be conclusive that the consents have been given by the Holders described in such certificate or certificates of the Trustee. Any consent shall be binding upon the Holder of the Bonds giving such consent and, anything in the Resolution to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee provided for below is filed, such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority and the Trustee a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in the Resolution, shall be given to the Bondholders by the Authority by mailing such notice to the Bondholders and, at the discretion of the Authority, by publishing the same at least once not more than ninety (90) days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution and the written statement of the Trustee in the Resolution provided for is filed (but failure to publish such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this paragraph provided). Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Trustee, each Paying Agent and the Holders of all Bonds upon the filing with the Trustee of proof of the mailing of such notice or at the expiration of thirty (30) days after the filing with the Trustee of the proof of the first publication of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the Authority, the Trustee and any Paying Agent during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

For the purposes of the Resolution, the purchasers of the Bonds of a Series, whether purchasing as underwriters, Remarketing Agent or otherwise for resale, upon such purchase, may consent to a modification or amendment permitted under the headings above titled, "Powers of Amendment" or "Consent of Bondholders" in the manner provided in the Resolution, except that no proof of ownership shall be required, and with the same effect as a consent given by the Holder of such Bonds; *provided, however,* that, if such consent is given by a purchaser who is purchasing as an underwriter, Remarketing Agent or otherwise for resale, the nature of the modification or amendment and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the primary offering of the Bonds of such Series by the Authority.

(Section 10.02)

Modifications by Unanimous Consent

The terms and provisions of the Resolution and the rights and obligations of the Authority and of the Holders of the Bonds under the Resolution may be modified or amended in any respect upon the adoption and filing with the Trustee by the Authority of a copy of a Supplemental Resolution certified by an Authorized Officer and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in the Resolution, except that no notice to Bondholders either by mailing or publication shall be required.

(Section 10.03)

Events of Default

Each of the following constitutes an "event of default" under the Resolution and each Series Resolution if:

- (a) Payment of the principal, Sinking Fund Installment or Redemption Price of or interest on any Bond shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or
- (b) The Authority shall default in the due and punctual performance of any covenants contained in the Series Resolution authorizing the issuance thereof, and, as a result thereof, the interest on the Bonds of a Series shall no longer be excludable from gross income under Section 103 of the Code; or
- (c) With respect to the Bonds of any Series, the Authority shall default in the due and punctual performance of any covenants contained in the Series Resolution authorizing the issuance thereof to the effect that the Authority shall comply with the provisions of the Code applicable to such Bonds necessary to maintain the exclusion of interest therein from gross income under Section 103 of the Code and shall not take any action which would adversely affect the exclusion of interest on such Bonds from gross income under Section 103 of the Code and, as a result thereof, the interest on the Bonds of such Series shall no longer be excludable from gross income under Section 103 of the Code; or
- (d) The Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Resolution or in the Bonds or in any Series Resolution on the part of the Authority to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, or, if such default is not capable of being cured within thirty (30) days, if the Authority fails to commence to cure such default within said thirty (30) days and diligently prosecutes the cure thereof; or
- (e) The Authority shall have notified the Trustee that an "Event of Default", as defined in the Loan Agreement shall have occurred and is continuing and all sums payable by the University under the Loan Agreement shall have been declared to be immediately due and payable, which declaration shall not have been annulled and the Authority shall have notified the Trustee of such "Event of Default."

(Section 11.02)

Acceleration of Maturity

Upon the happening and continuance of any event of default (other than under paragraph (b) of the provision of the Resolution summarized above under the caption "Event of Default"), then and in every such case the Trustee may, and upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds shall, by a notice in writing to the Authority, declare the principal of and interest on all of the Outstanding Bonds to be immediately due and payable. At the expiration of thirty (30) days from the giving of notice of such declaration, such principal and interest shall become and be immediately due and payable, anything in the Resolution or in the Bonds or any Series Resolution to the contrary notwithstanding. At any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Resolution, the Trustee shall, with the written consent of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds not then due by their terms and then Outstanding, by written notice to the Authority, annul such declaration and its consequences if: (i) money shall have accumulated in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last interest payment date); (ii) money shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and any Paying Agent; (iii) all other amounts then payable by the Authority under the Resolution and under each Series Resolution (other than principal amounts payable only because of a declaration and acceleration under the Resolution) shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition or agreement contained in the Resolution, the Series Resolution or in the Bonds (other than a default in the payment of the principal of such Bonds then due only because of a declaration under the Resolution) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

(Section 11.03)

Enforcement of Remedies

Upon the happening and continuance of any event of default, then and in every such case, the Trustee may proceed, and, upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds or, in the case of the happening and continuance of an Event of Default described in paragraph (b) of the provision of the Resolution summarized above under the caption "Event of Default", upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall proceed (subject to the provisions of the Resolution regarding indemnification of the Trustee), to protect and enforce its rights and the rights of the Holders of the Bonds under the laws of the State or under the Resolution or under any Series Resolution by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained under the Resolution or any Series Resolution or in aid or execution of any power therein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under the Resolution and under each Series Resolution the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Authority for principal or interest or otherwise under any of the provisions of the Resolution or of any Series Resolution or of the Bonds, with interest on overdue payments of the principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings under the Resolution and under any Series Resolution and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Authority but solely as provided in the Resolution and in any Series Resolution and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

(Section 11.04)

Priority of Payments After Default

If at any time the money held by the Trustee under the Resolution and under each Series Resolution shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of the Resolution), such money together with any money then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in the Resolution or otherwise, shall be applied (after first depositing in the Arbitrage Rebate Fund all amounts required to be deposited therein and then paying all amounts owing to the Trustee under the Resolution) as follows:

(a) Unless the principal of all the Bonds has become or been declared due and payable, all such money shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due, in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all amounts due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds has become or been declared due and payable, all such money shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in the Bonds.

Whenever money is to be applied by the Trustee pursuant to the provisions of the Resolution, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in

accordance with the Resolution shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of the Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement.

(Section 11.05)

Termination of Proceedings

In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Authority, the Trustee, each Provider, the University and the Bondholders shall be restored to their former positions and rights under the Resolution, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

(Section 11.06)

Bondholders' Direction of Proceedings

Anything in the Resolution to the contrary notwithstanding, the Holders of a majority in principal amount of the Outstanding Bonds or in the case of an event of default described in subparagraph (c) under the heading "Event of Default" above, the Holders of a majority in principal amount of the Outstanding Bonds of the Series affected thereby shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee under the Resolution and under each Series Resolution, provided such direction shall be in accordance with law or the provisions of the Resolution and of each Series Resolution and the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

(Section 11.07)

Limitation of Rights of Individual Bondholders

No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Resolution, or for any other remedy under the Resolution unless such Holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds, or, in the case of an event of default under paragraph (b) of the provision of the Resolution summarized above under the caption "Event of Default", the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds of the Series affected thereby, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Resolution or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of the Resolution or for any other remedy under the Resolution and in equity or at law. It is understood and intended that no one or more Holders of the Bonds secured by the Resolution shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Resolution or to enforce any right under the Resolution except in the manner provided in the Resolution, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds, Notwithstanding any other provision of the Resolution, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(Section 11.08)

Defeasance

If the Authority shall pay or cause to be paid to the Holders of the Bonds of a Series the principal, Sinking Fund Installments, if any, or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, in the Resolution, and in the applicable Series Resolution and Bond Series Certificate, then the pledge of the Revenues or other money and securities pledged to such Bonds and all other rights granted by the Resolution to such Bonds shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Authority, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Authority, and all money or securities held by it pursuant to the Resolution and to the applicable Series Resolution which are not required for the payment or redemption of Bonds of such Series shall be paid or delivered by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University. The securities so paid or delivered shall be released from any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in the preceding paragraph. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in the preceding paragraph if (a) in case any of such Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in the Resolution notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, (c) the Trustee shall have received the written consent to such defeasance of each Provider which has given written notice to the Trustee and the Authority that amounts advanced under a Credit Facility or Liquidity Facility issued by it or the interest thereon have not been repaid to such Provider, and (d) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at their last known addresses appearing on the registration books, and, if directed by an Authorized Officer of the Authority, by publication, at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with the Resolution and stating such maturity or redemption date upon which money is to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in the manner provided in the Resolution. Neither the Defeasance Securities nor money deposited with the Trustee pursuant to the Resolution nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds; provided, however, that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on such Bonds on and prior to such redemption date or maturity date thereof, as the case may be; provided further, that money and Defeasance Securities may be withdrawn and used by the Authority for any purpose upon (i) the simultaneous substitution therefor of either money in an amount which shall be sufficient, or Defeasance Securities

the principal of and interest on which when due will provide money which without regard to reinvestment, together with the money, if any, held by or deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (ii) receipt by the Trustee of a letter or other written report of a firm of independent certified public accountants verifying the accuracy of the arithmetical computations which establish the adequacy of such money and Defeasance Securities for such purpose. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required by the Resolution to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, be paid by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution or by the Loan Agreement.

For purposes of determining whether Variable Interest Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of money, or Defeasance Securities and money, if any, in accordance with clause (b) of the preceding paragraph, the interest to come due on such Variable Interest Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate permitted by the terms thereof; provided, however, that if on any date, as a result of such Variable Interest Rate Bonds having borne interest at less than such Maximum Interest Rate for any period, the total amount of money and Defeasance Securities on deposit with the Trustee for the payment of interest on such Variable Interest Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Interest Rate Bonds in order to satisfy clause (b) of the preceding paragraph, the Trustee shall pay the amount of such excess as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution.

Option Bonds shall be deemed to have been paid in accordance with the Resolution only if, in addition to satisfying the requirements of clauses (a) and (b) above, there shall have been deposited with the Trustee money in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to the Resolution, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes the Resolution. If any portion of the money deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose, the Trustee shall, if requested by the Authority, pay the amount of such excess as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; second, to each Provider, the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; third, to the Authority the amount certified by an Authorized Officer of the Authority to be then due or past due pursuant to the Loan Agreement for fees and expenses of the Authority or pursuant to any indemnity; and, then, the balance thereof to the University, and any such money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created by the Resolution.

Anything in the Resolution to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for one (1) year after the date when all of the Bonds of such Series have become due and payable either at their stated maturity dates or by call for earlier redemption, if such money were held by the Trustee at such date, or for one (1) year after the date of deposit of such money if deposited with the Trustee, after such date when all of the Bonds of such Series

become due and payable, shall, at the written request of the Authority, be repaid by the Trustee to the Authority as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged and the Holders shall look only to the Authority for payment of such Bonds; *provided, however*, that, before being required to make any such payment to the Authority, the Trustee may, at the expense of the Authority cause to be published in an Authorized Newspaper a notice that such money remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after the date of publication of such notice, the balance of such money then unclaimed shall be returned to the Authority.

Dormitory Authority of the State of New York 515 Broadway Albany, New York 12207

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$55,035,000 principal amount of New York University Revenue Bonds, Series 2012B (the "Series 2012B Bonds"), by the Dormitory Authority of the State of New York (the "Authority"), a body corporate and politic constituting a public benefit corporation of the State of New York, including the Dormitory Authority Act, being Title 4 of Article 8 of the Public Authorities Law of the State of New York, as amended to the date hereof, including, without limitation, by the Healthcare Financing Consolidation Act, being Title 4-B of the Public Authorities Law of the State of New York, as amended to the date hereof (the "Act"). We have also examined such certificates, documents, records and matters of law as we have deemed necessary for the purpose of rendering the opinions hereinafter set forth.

The Series 2012B Bonds are issued under and pursuant to the Act, the New York University Revenue Bond Resolution of the Authority, adopted on May 28, 2008 (the "Resolution"), the New York University Series 2012B Resolution Authorizing the Issuance of a Series of New York University Revenue Bonds, adopted by the Authority on March 28, 2012 (the "Series Resolution") and the Bond Series Certificate, dated as of May 4, 2012, executed by the Authority and relating to the Series 2012B Bonds (the "Bond Series Certificate"). Said resolutions and the Bond Series Certificate are herein collectively referred to as the "Resolutions." Unless otherwise defined herein, capitalized terms used herein have the respective meanings given to them in the Resolutions.

The Series 2012B Bonds are part of an issue of bonds of the Authority (the "Bonds"), which the Authority has established and created under the terms of the Resolution and is authorized to issue from time to time for the purposes authorized by the Act and the Resolution, as then in effect, and without limitation as to amount, except as provided in the Resolutions or as may be limited by law. The Series 2012B Bonds are being issued for the purposes set forth in the Resolutions.

The Authority is authorized to issue Bonds, in addition to the Series 2012B Bonds, only upon the terms and conditions set forth in the Resolution and such Bonds, when issued, will with the Series 2012B Bonds be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

The Series 2012B Bonds are dated their date of delivery and will bear interest at the rates and mature on July 1 of each of the years and in the principal amounts set forth below.

| Due July 1 | <u>Amount</u> | Interest <u>Rate</u> |
|---------------|---------------|-------------------------|
| 2027 | \$ 385,000 | 4.000% |
| 2028 | 2,620,000 | 4.000 |
| 2029 | 2,725,000 | 4.000 |
| 2030 | 2,835,000 | 4.000 |
| 2031 | 2,945,000 | 4.000 |
| 2032 | 3,065,000 | 5.000 |
| 2037 | 17,775,000 | 5.000 |
| 2042 | 22,685,000 | 5.000 |

The Series 2012B Bonds are issuable in the form of fully registered Bonds in denominations of \$5,000 or any integral multiples thereof and are numbered consecutively from one upward in order of issuance.

The Series 2012B Bonds are subject to redemption and purchase-in-lieu of redemption prior to maturity as provided in the Resolutions.

The Series 2012B Bonds are being issued to (i) finance or refinance the cost of the acquisition, construction, furnishing and equipping of the Series 2012 Project and (ii) pay certain Costs of Issuance of the Series 2012B Bonds.

The Authority and the University have entered into a Loan Agreement, dated as of May 28, 2008, by and between the Authority and the University (the "Loan Agreement"), by which the University is required to make payments sufficient to pay the principal and Redemption Price of and interest on Outstanding Bonds, including the Series 2012B Bonds, as well as the Authority's annual administrative expenditures and costs. All amounts payable under the Loan Agreement which are required to be paid to the Trustee under the Resolution for payment of the principal or Redemption Price of or interest on the Bonds have been pledged by the Authority for the benefit of the Holders of Outstanding Bonds including the Series 2012B Bonds.

We are of the opinion that:

- 1. The Authority is a body corporate and politic constituting a public benefit corporation of the State of New York, with the right and lawful authority and power to adopt the Resolutions and to issue the Series 2012B Bonds thereunder.
- 2. The Series Resolution has been duly adopted by the Authority in accordance with the provisions of the Resolution and is authorized and permitted by the Resolution. The Resolution and the Series Resolution have been duly and lawfully adopted by the Authority, are in full force and effect and are legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms.
- 3. The Series 2012B Bonds have been duly and validly authorized and issued in accordance with the Constitution and statutes of the State of New York, including the Act, and in accordance with the Resolutions. The Series 2012B Bonds are legal, valid and binding special obligations of the Authority payable as provided in the Resolutions, are enforceable in accordance with their terms and the terms of the Resolutions and are entitled to the benefits of the Resolutions and the Act.

- 4. The Authority has the right and lawful authority and power to enter into the Loan Agreement, and the Loan Agreement has been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms.
- The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain 5. requirements that must be met subsequent to the issuance and delivery of the Series 2012B Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2012B Bonds to be included in gross income retroactive to the date of issue of the Series 2012B Bonds. The Authority has covenanted in the Series Resolution and the Tax Certificate as to Arbitrage and the Provisions of Section 141-150 of the Internal Revenue Code (the "Tax Certificate") and the University has covenanted in the Loan Agreement and the Tax Certificate to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2012B Bonds from gross income for federal income tax purposes pursuant to Section 103(a) of the Code. In addition, the Authority and the University have made certain representations and certifications in the Tax Certificate. We have also relied on the opinion of counsel to the University as to all matters concerning the status of the University as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. We have not independently verified the accuracy of those certifications and representations or that opinion.

Under existing law and assuming compliance with the tax covenants described above, and the accuracy of certain representations and certifications made by the Authority and the University described above, interest on the Series 2012B Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. No opinion is expressed as to whether the interest on any portion of the Series 2012B Bonds is excluded from the adjusted current earnings of corporations for purposes of computing the alternative minimum tax imposed such corporations.

6. Interest on the Series 2012B Bonds is exempt, by virtue of the Act, from personal income taxes of the State of New York and its political subdivisions, including The City of New York and the City of Yonkers. No opinion is expressed as to other State or local tax law consequences arising with respect to the Series 2012B Bonds or as to the taxability of the Series 2012B Bonds or the income derived therefrom under the laws of any state other than the State of New York.

We have examined an executed Series 2012B Bond and, in our opinion, the form of said Bond and its execution are regular and proper.

The opinions contained in paragraphs 2, 3 and 4 above are qualified to the extent that the enforceability of the Resolutions, the Loan Agreement and the Series 2012B Bonds may be limited by bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally or as to the availability of any particular remedy. Except as stated in paragraphs 5 and 6 above, we express no opinion as to any other federal or state tax consequences of the ownership or disposition of the Series 2012B Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Series 2012B Bonds, or the interest thereon, if any action is taken with respect to Series 2012B Bonds or the proceeds thereof upon the advice or approval of other counsel.

In connection with the delivery of this opinion, we are not passing upon the authorization, execution and delivery of the Loan Agreement by the University. We have assumed due authorization, execution and delivery by the University of the agreements to which they are a party.

Very truly yours,

We have examined an executed Series 2012C Bond and, in our opinion, the form of said Bond and its execution are regular and proper.

The opinions contained in paragraphs 2, 3 and 4 above are qualified to the extent that the enforceability of the Resolutions, the Loan Agreement and the Series 2012C Bonds may be limited by bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally or as to the availability of any particular remedy. Except as stated in paragraphs 5 and 6 above, we express no opinion as to any other federal or state tax consequences of the ownership or disposition of the Series 2012C Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Series 2012C Bonds, or the interest thereon, if any action is taken with respect to Series 2012C Bonds or the proceeds thereof upon the advice or approval of other counsel.

In connection with the delivery of this opinion, we are not passing upon the authorization, execution and delivery of the Loan Agreement by the University. We have assumed due authorization, execution and delivery by the University of the agreements to which they are a party.
