

DASNY

The Dormitory Authority of the State of New York (DASNY), one of the nation's top municipal bond issuers, is offering opportunities for undergraduates from underrepresented groups – including groups based on race, ethnicity, gender, disability status, and sexual orientation – who have been historically underrepresented in the financial services industry.

The DASNY Public Finance Diversity Fellowship

The one-year paid fellowship is an opportunity to learn from and work with DASNY's public finance professionals in DASNY's Albany office.

- **Experience** working with top financial professionals developing bond deals with major Wall Street investment banks.

- **Opportunity** to gain full-time employment at DASNY following successful completion of the fellowship.

At DASNY, we are proud to do everything we can to create opportunity for all New Yorkers. Our commitment to developing a diverse workforce for the future is core to the values of DASNY and of New York State. We look forward to working with you.
