- B. If directed to do so by the State Commissioner of Human Rights, the Professional will send to each labor union or representative of workers with which the Professional has or is bound by a collective bargaining or other agreement or understanding, a notice, to be provided by the State Commissioner of Human Rights, advising said labor union or representative of the provisions of clauses A. through G. of this Chapter Three (hereinafter referred to as "nondiscrimination clauses"). If the Professional was directed to do so by the Owner as part of the proposal or negotiation of the Contract For Professional Services, the Professional shall request said labor union or representative to furnish a written statement that said labor union or representative will not discriminate because of race, creed, color, sex, national origin, age, disability or marital status, and that said labor union or representative will cooperate, within the limits of its legal and contractual authority, in the implementation of the policy and provisions of these nondiscrimination clauses and that it consents and agrees that recruitment, employment and the terms and conditions of employment under this Contract For Professional Services shall be in accordance with the purposes and provisions of these nondiscrimination clauses. If said labor union or representative fails or refuses to comply with said request that it furnish such a statement, the Professional shall promptly notify the State Commissioner of Human Rights of said failure or refusal.
- C. If directed to do so by the State Commissioner of Human Rights, the Professional will post and keep posted in conspicuous places, available to employees and applicants for employment, notices to be provided by the State Commissioner of Human Rights setting forth the substance of the provisions of clauses A. and B. and such provisions of the State's laws against discrimination as the State Commissioner of Human Rights shall determine.

- E. The Professional will comply with the provisions of Sections 290-299 of the Executive Law and with the Civil Rights Laws, will furnish all information and reports deemed necessary by the State Commissioner of Human Rights under these nondiscrimination clauses and said sections of the Executive Law, and will permit access to the Professional's books, records, and accounts by the State Commissioner of Human Rights, the Attorney General, and the Industrial Commissioner for the purpose of investigation to ascertain compliance with these nondiscrimination clauses and said sections of the Executive Law and Civil Rights Laws.
- F. This Contract For Professional Services may be forthwith canceled, terminated, or suspended in whole or in part, by the contracting agency upon the basis of a finding

made by the State Commissioner of Human Rights that the Professional has not complied with these nondiscrimination clauses, and the Professional may be declared ineligible for future contracts made by or on behalf of the State or public authority or agency of the State, until the Professional satisfies the State Commissioner of Human Rights that the Professional has established and is carrying out a program in conformity with the provisions of these nondiscrimination clauses. Said finding shall be made by the State Commissioner of Human Rights after conciliation efforts by the Commissioner have failed to achieve compliance with these nondiscrimination clauses and after a verified complaint has been filed with the Commissioner, notice thereof has been given to the Professional, and an opportunity has been afforded the Professional to be heard publicly in accordance with the Executive Law. Said sanctions may be imposed and remedies invoked independently of or in addition to sanctions and remedies otherwise provided by law.

- G. The Professional will include the provisions of clauses A. through F. in every subcontract or purchase order in such a manner that said provisions will be binding upon each Subconsultant or vendor as to operations to be performed within the State of New York. The Professional will take such action in enforcing said provisions of said subcontract or purchase order as the State Commissioner of Human Rights or the contracting agency may direct, including sanctions or remedies for non-compliance. If the Professional becomes involved in or is threatened with litigation with a Subconsultant or vendor as a result of said direction by the State Commissioner of Human Rights or the contracting agency, the Professional shall promptly so notify the Attorney General, requesting the Attorney General to intervene and protect the interests of the State of New York.

ARTICLE 11 – AFFIRMATIVE ACTION

11.1 General

11.1.1 The Professional agrees, in addition to any other nondiscrimination provision of this Contract For Professional Services (the “Contract”) and at no additional cost to the Owner, to fully comply with and cooperate in the implementation of an Affirmative Action Plan designed to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for Minority/Women Business Enterprise (M/WBE) and Service-Disabled Veteran-Owned Business (SDVOB) participation in the performance of the Work, in such form and substance as herein stated. Failure to demonstrate good faith efforts to meet its Professional’s Workforce Utilization Plan will be a primary consideration for future responsibility determinations, and may lead to liquidated or other appropriate damages for which MBE/WBE/SDVOB goals are not satisfied. The Professional further agrees to incorporate all Affirmative Action provisions of this Contract in all subcontracts, regardless of tier. NYS Certified MWBEs can be identified in the directory of certified businesses at <https://ny.newnycontracts.com>. Certified SDVOBs can be identified in the

GENERAL TERMS AND CONDITIONS**

directory of certified businesses located on the New York State Office of General Services website <http://www.ogs.ny.gov/Core/SDVOBA.asp>.

- 11.1.2. The Professional must submit to the Owner, and the Professional's prospective sub-consultants must submit to the Professional, who in turn must submit to the Owner, an Affirmative Action Plan which demonstrates its best efforts to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for MBE/WBE/SDVOB participation in the performance of the Work, in such form and substance as may be required by the Owner. A meeting to review these submissions may be scheduled by the Owner.
- 11.1.3. These Affirmative Action provisions shall be deemed supplementary to, and not in lieu of the nondiscrimination provisions required by NYS Labor Law or other applicable Federal, State or local laws.
- 11.1.4. In Accordance with Article 15A and Article 17B of the Executive Law and in conformance with the Regulations promulgated by New York State Empire State Development Division of Minority and Women's Business Development and the New York State Office of General Services Division of Service-Disabled Veterans' Business Development, the Professional agrees to be bound by the following clauses. In any circumstances of uncertainty or conflict, the Regulations of the Minority and Women's Business Development Division supersede this information.

11.2 Utilization Plans

- 11.2.1. The Professional shall submit to the Owner a Statewide Utilization Management Plan (Utilization Plan) for each work authorization issued regardless of dollar value via the NYS Contract System. The Utilization Plan shall list all sub-consultants the Professional intends to use on the contract and indicate which ones are MBE/WBE and SDVOB. The Utilization Plan shall be prepared to achieve the participation goals indicated in the Request for Proposal.
- 11.2.2 Upon approval of the Utilization Plan, the Professional shall submit to the Owner an original signed and notarized Utilization Plan Cover Sheet along with a copy of the approved Utilization Plan.
- 11.2.3. The Owner will review the Utilization Plan and will issue to the Professional a written notice of acceptance or deficiency within 20 days of its receipt. A notice of deficiency shall include (i) the name of any MBE/WBE/SDVOB which is not acceptable for the purpose of complying with the MBE/WBE/SDVOB participation goals and the reasons why it is not acceptable; (ii) elements of the Professional's Required Services which the Owner has determined can be reasonably structured by the Professional to increase the likelihood of participation in the

CHAPTER THREE
GENERAL TERMS AND CONDITIONS**

Contract by MBE/WBE/SDVOBs; and (iii) other information which the Owner determines to be relevant to the Utilization Plan. Although the MBE/WBE/SDVOB goals apply to the entire Term Contract, failure to achieve the required participation by work authorization could impact the receipt of future work authorizations.

- 11.2.4. The Professional shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Owner a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Owner to be inadequate, the Owner shall notify the Professional and direct the Professional to submit, within five (5) business days, a request for a partial or total waiver of M/WBE/SDVOB participation goals. Failure to file the acceptable waiver documentation in a timely manner may be grounds for disqualification of the proposal.
- 11.2.5 The Professional who has made good faith efforts to obtain commitments from MBE/WBE/SDVOB sub-consultants prior to submitting its Utilization Plan, but was unsuccessful in securing any, or sufficient commitments from MBE/WBE/SDVOB sub-consultants, may submit a request for waiver at the same time it submits its Utilization Plan by adding a justification statement in step 3 of the submittal in the NYS Contract System.. Additional documentation of good faith efforts may be required upon review by DASNY. If a request for waiver is submitted with the Utilization Plan and is not accepted by the Owner at that time, the provisions of clauses 11.2.2 and 11.2.3, regarding the notice of deficiency and written remedy will apply. In this case, the Professional may submit a second request for waiver as directed by the Owner.
- 11.2.6. If the Professional does not submit a Utilization Plan, remedy deficiencies in a Utilization Plan, submit a request for waiver, or if the Owner determines that the Utilization Plan does not indicate that the MBE/WBE/SDVOB participation goals will be met and/or that the Professional has failed to document good faith efforts, the Owner may disqualify the Professional as being not-responsible.
- 11.2.7. The Professional shall make every effort to utilize, in good faith, any MBE, WBE, or SDVOB identified within its Utilization Plan, as approved by the Owner, at least to the extent indicated in the approved Plan.

11.3 Administrative Hearing of Disqualifications

- 11.3.1. If the Owner disqualifies a Professional for any of the reasons set forth in 11.2.5 above, the Professional shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by the Owner to review the determination of disqualification and non-responsibility of the Professional.

**CONTRACT FOR PROFESSIONAL SERVICES
CHAPTER THREE
GENERAL TERMS AND CONDITIONS**

11.3.2. The hearing officer's determination shall be the final determination of the Owner. Such final administrative determination shall be reviewable by a proceeding brought pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is commenced within 30 days of notice given by certified mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.

11.4 Good Faith Efforts

11.4.1 In order to show that it has made good faith efforts to comply with the MBE/WBE/SDVOB participation goals of this Contract, the Professional shall submit such documentation as will enable the Owner to make a determination in accordance with the criteria set forth in Section 313 of the Executive Law and the Rules and Regulations promulgated thereunder.

In such event, the President of Owner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.
