

# MATERIALS TESTING FIRMS

## Personnel and Laboratory Compliance Statement

I certify that:

- I have read the Contract and understand the scope of work and minimum personnel qualification requirements that I am to adhere to.
- I will only undertake work that my firm is qualified by experience, training and, where required, licensed and/or accredited to perform.
- I will only undertake projects for which I have adequate qualified staff to accommodate the workload.
- Projects will be staffed with the most appropriately experienced and certified personnel based on the project needs and requirements.
- All laboratory testing will be performed at facilities accredited to perform such tests in accordance with the Contract.

I further understand that:

- If I provide individuals to perform inspection and testing activities that do not meet the level of qualification identified in the contract, DASNY reserves the right not to pay for the services.
- If any portion of my work is to be subcontracted out, I must disclose this up front and obtain the approval of DASNY.

## Compliance Certification

I have read the foregoing and agree to comply with the Authority's personnel and laboratory qualification requirements. I further acknowledge that failure to comply shall justify contract termination by the Authority.
