|--|

1. The date and time of bid opening or the proposal due date will be given by the Notice to Bidders or the Request for Proposal
2. All bids and proposals are to be submitted on forms provided by the Dormitory Authority
3. All bids must be sealed. Telegraphic or telephone bids will not be considered.
4. The Bidder or Proposer must provide all information as required by the Notice to Bidders or Request for Proposals.
5. Each bid shall be construed to be completely in accordance with the Specifications unless the Bidder explains all deviations in detail on a separate letterhead attached to the Bid.

6. Prices and information required by the Notice to Bidders or the Request for Proposals, except the signature of the bidder, or Proposer should be typewritten or printed legibly. Submissions written in pencil may be rejected.
7. In all Notice to Bidders and Request for Proposals, the words "or equal" are understood to appear after each reference to a Commodity giving manufacturer's name or catalog reference. Should "or equal" Commodities not be accepted, this will be stated clearly in the Notice to Bidders or the Request for Proposal. If bidding or proposing Commodities other than those specified, the Bidder or Proposer must in every instance give the trade designation of the Commodity, manufacturer's name and detailed specifications of the Commodity to be furnish. Comparable products will be considered if proof of comparability is provided. The Owner's decision as to acceptance of the product as an "or equal" will be final. The burden of proof and all costs related thereto concerning the "or equal" nature of the substitute item, whether approved or disapproved, shall be borne by the Contractor.

Should any error appear in the Specifications or Drawings, such error should be brought to the attention of the Owner immediately.
13. All bids will be opened publicly.

14. A Late Bid will be returned to the sender unopened and will not be considered in awarding a contract.
15. Before making an award:
  - A) The Dormitory Authority reserves the right before making an award to make investigations as to whether or not the Commodities, qualifications or facilities offered by the Bidder or Proposer meet the requirements set forth in the Notice to Bidders or Request for Proposal and are sufficient to insure the proper performance of the Contract.

The mailing of either a Contract award or of a Purchase Order to the address on the bid shall be sufficient notice of such acceptance.

22. Unless otherwise specified, the quantities listed in the Notice to Bidders or Request for Proposal are subject to change to conform with the Dormitory Authority requirements. The quantities listed are estimated only and the Contract shall be for the quantities actually ordered.
23. Unless terminated or cancelled by the Dormitory Authority, Contracts will remain in force for the period specified or until all Commodities ordered before the termination date shall have been satisfactorily delivered and accepted.

3. When samples are required, failure to submit them in accordance with instructions may be sufficient cause for rejecting a bid or proposal.
4. When an accepted sample exceeds the minimum Specifications, all Commodities delivered will be of same quality and identity as the sample.
5. Samples must be submitted free of charge and be identified with the firm's name, address and the Dormitory Authority Bid or Proposal number.
6. All samples are subject to tests in the manner and place designated by the Dormitory Authority. Samples consumed or made useless by testing will not be returned to the Bidder or Proposer.
7. Where testing has not impaired the sample, the unsuccessful Bidders or Proposer shall, at no charge to the Dormitory Authority, remove said sample within fourteen (14) days from date of notification. Failure to remove samples within the designated period shall constitute abandonment of the sample and its disposition shall be at the discretion of the Dormitory Authority.
8. The Dormitory Authority may hold samples during the entire term of the Contract for comparison with deliveries.
9. A Notice to Bidders or Request for Proposal may indicate that the Commodity to be purchased must be equal to a sample on display in a designated place. Failure on the part of the Bidder or Proposer to examine such sample shall NOT entitle him to any relief from the conditions imposed in the Notice to Bidders, Specifications and other Contract Documents.

Such approval shall not relieve the Contractor from responsibility for errors of any sort in the shop drawings. The Contractor will take actual measurements of the areas in which Commodities are to be located. If the shop drawings deviate, or are intended to deviate from the layout or descriptive drawings or Specifications or other Contract Documents, the Contractor shall advise the Dormitory Authority, in writing, at the time the shop drawings are submitted stating the difference in value between the Contract requirements and that denoted by said shop drawings.
4. Rough and shop drawings will be examined by the Dormitory Authority and, if necessary, will be returned to the Contractor for correction. After the corrections have been made, the Contractor shall resubmit to the Dormitory Authority as many copies as required for final approval.

Unless otherwise specified, delivery shall be made within thirty (30) days of receipt of Purchase Order by the Contractor. The decision of the Dormitory Authority as to reasonable compliance with delivery terms shall be final.
2. Delivery dates are approximate and reflect current construction schedules. Contractors are required prior to initiation of production to verify delivery schedules with the Dormitory Authority. Should a schedule change be necessary at that time the Contractor will be given a new schedule not to exceed six (6) months beyond the original delivery date, as shown on the Purchase Order and the Dormitory Authority shall incur no additional charges.

8. When Commodities are rejected, they must be removed by the Contractor from the premises within five days of notification. Rejected items left longer than five days will be regarded as abandoned and the Dormitory Authority shall have the right to dispose of them as its own property.
9. Upon failure of the Contractor to deliver Commodities or services within the time specified or failure to make prompt replacement of rejected Commodities when so requested, the Dormitory Authority may arrange for those Commodities or services to be provided by other sources. On all such procurements the Contractor agrees to reimburse the Dormitory Authority promptly for costs in excess of the Contract cost. Self-owned equipment is defined to include equipment rented from Contractor-controlled or loosely affiliated companies. It is the duty of the Contractor to utilize either rented or self-owned equipment that is of a nature and size appropriate for the Work to be performed. The Owner reserves the right to determine reasonable and appropriate equipment sizing, and at the Owner's discretion, it may adjust the costs allowed to reflect a smaller or less elaborate piece of equipment more suitable for performance of the extra Work.

The Contractor agrees to provide documentation verifying costs and calculations at the Owner's request.
13. Regardless of the method used by the Owner in determining the value of a change order, the Contractor shall, within the time-frame given by the Owner, submit to the Owner or Owner's Representative a detailed breakdown of the Contractor's estimate of the value of the omitted or Extra Work.
14. Unless otherwise specifically provided for in a change order, the compensation specified therein for Extra Work includes full payment for the Extra Work covered thereby, and the Contractor waives all rights to any other compensation for said Extra Work, damage or expense.
15. The Contractor shall furnish satisfactory bills, payrolls and vouchers covering all items of cost and when requested by the Owner shall give the Owner access to all accounts and records relating thereto, including records of subcontractors and material suppliers.
16. At the completion of the Project Work, the Owner will address increased bonding costs, if any, which may have resulted from Owner-issued changes in the Work, upon submission of satisfactory proof of Contractor's increased costs. The Owner will not pay overhead and profit on any increased costs for bonding.

7. The Contractor further agrees to incorporate all Affirmative Action provisions of the Contract in all subcontracts, regardless of tier.
2. The Contractor must submit to the Owner, and the prospective Subcontractors must submit to the Contractor, an Affirmative Action Plan which demonstrates its best efforts to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for MBE/WBE participation in the performance of the Work, in such form and substance as may be required by the Owner. A meeting to review these submissions may be scheduled by the Owner.
3. These Affirmative Action provisions shall be deemed supplementary to, and not in lieu of the nondiscrimination provisions required by N.Y.S. Labor Law or other applicable Federal, State or local laws.
4. In Accordance with Article 15A of the Executive Law and in conformance with the Regulations promulgated by the Minority and Women's Business Development Division of the New York State Department of Economic Development, the Contractor agrees to be bound by the following clauses. In any circumstances of uncertainty or conflict, the Regulations of the Minority and Women's Business Development Division supersede this information.
  - A. Utilization Plan; Waivers
    - i. The Contractor shall submit to the Owner a Utilization Plan on forms provided by the Owner within 72 hours of notification of being the low bidder or successful proposer. The Utilization Plan shall list all subcontractors and suppliers the Contractor intends to use on the Contract and indicate which ones are M/WBEs. The Utilization Plan shall be prepared to achieve the participation goals indicated in the Notice to Bidders or the Request for Proposal.

- ii. The Owner will review the Utilization Plan and will issue to the Contractor a written notice of acceptance or deficiency within twenty (20) days of its receipt. A notice of deficiency shall include (i) the name of any M/WBE which is not acceptable for the purpose of complying with the M/WBE participation goals and the reasons why it is not acceptable; (ii) elements of the Contract scope of work which the Owner has determined can be reasonably structured by the Contractor to increase the likelihood of participation in the Contract by M/WBEs; and (iii) other information which the Owner determines to be relevant to the Utilization Plan.
- iii. The Contractor shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Owner a written remedy in response to the notice of deficiency. If the submission of the written remedy is not timely or is found by the Owner to be inadequate, the Owner shall notify the Contractor and direct the Contractor to submit, within five (5) business days, a request for a partial or total waiver of M/WBE participation goals on forms provided by the Owner. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- iv. The Contractor who has made good faith efforts to obtain commitments from M/WBE subcontractors and suppliers prior to submitting its Utilization Plan may submit a request for waiver at the same time it submits its Utilization Plan. If a request for waiver is submitted with the Utilization Plan and is not accepted by the Owner at that time, the provisions of clauses 2) and 3), regarding the notice of deficiency and written remedy will apply. In this case, the Contractor may submit a second request for waiver as directed by the Owner.
- v. If the Contractor does not submit a Utilization Plan, remedy deficiencies in a Utilization Plan, submit a request for waiver, or if the Owner determines that the Utilization Plan does not indicate that the M/WBE participation goals will be met and/or that the Contractor has failed to document good faith efforts, the Owner may disqualify the Contractor as being not-responsible.
- vi. The Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its Utilization Plan, at least to the extent indicated in the Plan.

#### B. Administrative Hearing on Disqualification

- i. If the Owner disqualifies a bid for any of the reasons set forth in A.5) above, the Contractor shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by the Owner to review the determination of disqualification of the bid and determination of non-responsibility of the Contractor.
- ii. The hearing officer's determination shall be the final determination of the Owner. Such final administrative determination shall be reviewable by a proceeding brought pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is commenced within thirty (30) days of notice given by certified mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.

#### C. Good Faith Efforts

In order to show that it has made good faith efforts to comply with the M/WBE participation goals of this Contract, the Contractor shall submit such documentation as will enable the Owner to make a determination in accordance with the criteria set forth in Section 313 of the Executive Law and the Rules and Regulations promulgated thereunder.

#### D. Compliance Reports

The Contractor shall submit, and shall require subcontractors to submit, compliance reports on forms and at intervals established by the Owner. Reports not submitted at such times as required by the Owner shall be cause for the Owner to delay implementing scheduled payments to the Contractor.

#### E. Contractor's Failure to Meet M/WBE Participation Goals

- i. If the Contractor, after making good faith efforts, is unable to comply with a Contract's M/WBE participation goals, the Contractor may submit a request for a partial or total waiver on forms provided by the Owner documenting good faith efforts by the Contractor to meet such goals. If the documentation required with the request for waiver is complete, the Owner shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- ii. If the Owner, upon review of the Contractor's Utilization Plan and compliance reports, determines that the Contractor is failing or refusing to comply with the Contract's M/WBE participation goals, and no waiver has been issued in regards to such non-compliance, the Owner may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice to deficiency within seven (7) days of receipt. Such response may include a request for partial or total waiver of M/WBE participation goals.

F. Contractor and Owner Complaints; Arbitration

- i. Subsequent to the award of this Contract, if the Contractor submits a request for waiver of M/WBE participation goals and the Owner denies the request or fails to respond in any way within twenty (20) days of receiving it, or if the Contractor has received a written determination from the Owner that the Contractor is failing or refusing to comply with goals, the Contractor may file a complaint with the Director, Division of Minority and Women's Development in the Department of Economic Development ("Director"), according to the provisions of Section 316 of the Executive Law. The complaint must be filed within twenty (20) days of the Owner's receipt of the request for waiver, if the Owner has not responded in that time, or within twenty (20) days of a notification that the request has been denied by the Owner or within twenty (20) days of receipt of notification from the Owner that the Contractor is failing or refusing to comply with goals.
- ii. If the Contractor fails or refuses to comply with goals for participation by M/WBEs

as established by this Contract, the Owner may file a complaint with the Director pursuant to Section 316 of the Executive Law.

- iii. A complaint shall set forth the facts and circumstances giving rise to the complaint together with a demand for relief.
- iv. The party filing a complaint, whether the Contractor or the Owner, shall deliver a copy to the other party. Both the complaint and the copy shall be delivered by either personal service or by certified mail, return receipt requested.
- v. Upon receipt of a complaint the Director shall provide the party against whom the complaint has been filed with an opportunity to respond to the complaint. If within thirty (30) days of receipt of the complaint the Director is unable to resolve the complaint to the satisfaction of the Owner and the Contractor, the complaint shall be referred to the American Arbitration Association for resolution pursuant to Section 316 of the Executive Law and the applicable requirements of Article 75 of the Civil Practice Law and Rules.
- vi. Upon conclusion of the arbitration proceeding, the arbitrator will submit to the Director his or her award regarding the alleged violation of the Contract or refusal of the Owner to grant a waiver request by the Contractor. The award of the arbitrator with respect to the alleged violation of the Contract or the refusal of the Owner to grant a waiver shall be final and may be vacated or modified only as provided by Article 75 of the Civil Practice Law and Rules.
- vii. Upon conclusion of the arbitration proceedings and the rendition of an award, the arbitrator will also recommend to the Director a remedy including, if appropriate, the imposition of sanctions, fines or penalties. The Director will either (i) adopt the recommendation of the arbitrator; (ii) determine that no sanctions, fines or penalties should be imposed; or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty.

- viii. The Director, within ten (10) days of receipt of the arbitrator's award and recommendations, will issue a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail, return receipt requested. The determination of the Director as to the imposition of fines, sanctions, or penalties shall be reviewable pursuant to Article 78 of the Civil Practice Law and Rules.
- ix. The determination of the Owner or the Contractor to proceed with a complaint shall not preclude the Owner, in its discretion, from pursuing any other remedies, which it may have pursuant to law and contract.

G. Subcontracts

The Contractor will include the provisions of paragraphs C. and F. above in every subcontract, in such manner that such provisions will be binding upon the subcontractor as to work in connection with this Contract.

1. Promptly comply with said order.
  2. File with the Owner within fifteen (15) working days after being ordered to perform the Work claimed by the Contractor to be Extra Work or within fifteen (15) working days after commencing performance of the Work, whichever date shall be earlier, or within fifteen (15) working days after the said action or omission on the part of the Owner occurred, a written notice of the basis of the Contractor's claim, including estimated cost, and request for a determination thereof.
  3. Proceed diligently, pending and subsequent to the determination of the Owner with respect to any said disputed matter, with the performance of the Work in accordance with all instructions of the Owner.
- B. No claim for Extra Work shall be allowed unless the same was done pursuant to a written order of the Owner. The Contractor's failure to comply with any or all parts of this Article shall be deemed to be:
1. a conclusive and binding determination on the part of the Contractor that said order, Work, action or omission does not involve Extra Work and is not contrary to the terms and provisions of the Contract,
  2. a waiver by the Contractor of all claims for additional compensation or damages as a result of said order, Work, action or omission.

- C. The value of claims for Extra Work, if allowed, shall be determined by the methods described in the Contract.

#### Claims for Delay

No claims for increased costs, charges, expenses or damages of any kind shall be made by the Contractor against the Owner for any delays or hindrances from any cause whatsoever; provided that the Owner, in the Owner's discretion, may compensate the Contractor for any said delays by extending the time for completion of the Work as specified in the Contract.

#### Finality of Decisions

- A. Any decision or determination of the Consultant, Owner or the Owner's Representative shall be final, binding and conclusive on the Contractor unless the Contractor shall, within ten (10) working days after said decision, make and deliver to the Owner a verified written statement of the Contractor's contention that said decision is contrary to a provision of the Contract. The Owner shall determine the validity of the Contractor's contention. Pending the decision of the Owner, the Contractor shall proceed in accordance with the original decision.
- B. Wherever it is required in the Contract that an application must be made to the Owner or a determination made by the Owner, the decision of the Owner on said application or the determination of the Owner under the Contract shall be final, conclusive and binding upon the Contractor unless the Contractor, within ten (10) working days after receiving notice of the Owner's decision or determination, files a written statement with the Owner that the Contractor reserves the Contractor's rights in connection with the matters covered by said decision or determination.

#### Claims for Additional Compensation

- A. Any claims submitted under this article for extra work or increased costs, charges, expenses or damages of any kind must be submitted in writing within 30 days of the occurrence.

- B. In order for the written claim submission to be considered valid by the Owner and eligible for review, it must include a statement of the nature of the claim, supporting cost data, CPM scheduling analysis, if applicable, and a Contractor affidavit stating the following

“I hereby certify that the value assigned the work performed and the materials supplied that comprise the claim attached hereto represents the actual value of said work and material pursuant to the Contract (and all authorized changes thereto) between the undersigned and the Dormitory Authority of the State of New York.”

- C. Any Information representing the actual value of the work performed and materials supplied contained in the Claim that constitutes “a false representation”, as such term is defined in Article I, of the General Conditions, may subject the undersigned party to criminal charges, including New York State Penal Law Sections 175.35 (Offering a False Instrument for Filing) and 210.40 (False Statement) and/or Title 18 U.S.C. Sections 1001 (False and Fraudulent Statements) and/or Termination of the Contract for Cause.

WHEREAS, CONTRACTOR has by written agreement dated \_\_\_\_\_

entered into a Contract with Owner for \_\_\_\_\_

\_\_\_\_\_

in accordance with the Contract Documents and any changes thereto, which are made a part hereof, and are hereinafter referred to as the Contract.

1. If the Contractor performs the Contract, the Surety and the Contractor shall have no obligation under this Bond, except to participate in conferences as provided in Subparagraph 2.1.

2. If there is no Owner default, the Surety's obligation under this Bond shall arise after:
  - 2.1 The Owner has notified the Contractor, the Surety at its address described in Paragraph 8. below that the Owner is considering declaring a Contractor in default.
  - 2.2 The Owner has declared a Contractor in default and formally terminated the Contractor's right to complete the Contract.
  - 2.3 The Owner has agreed to pay the Balance of the Contract Price to the Surety in accordance with the terms of the Contract or to a Contractor selected to perform the Contract in accordance with the terms of the Contract with the Owner.

4. If the Surety does not proceed with reasonable promptness, the Surety shall be deemed to be in default on this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner.
5. After the Owner has terminated the Contractor's right to complete the Contract, and if the Surety elects to act under Subparagraph 3.1, 3.2, or 3.3 above, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Contract. To the limit of the amount of this Bond, but subject to commitment by the Owner of the Balance of the Contract Price to mitigation of costs and damages on the Contract, the Surety is obligated without duplication for:

- 5.1 The responsibilities of the Contractor for correction of defective work and completion of the Contract;
  - 5.2 Additional legal, design, professional, and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Paragraph 3.; and
  - 5.3 Liquidated Damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance of the Contractor.
6. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators or successors.

    - 9.2 Contract: The agreement between the Owner and the Contractor identified on the signature page, including all Contract Documents and changes thereto.
    - 9.3 Contractor Default: Failure of the Contractor, which has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Contract.

## Introduction to the Prevailing Rate Schedule

### Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

#### Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

#### Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

#### Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

#### Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. In most cases the payment or provision of supplements is for each hour worked (noted in the schedule as 'Per hour worked'). Some classifications require the payment or provision of supplements for each hour paid (noted in the schedule as 'Per hour paid'), which require supplements to be paid or provided at a premium rate for premium hours worked. Some classifications may also require the payment or provision of supplements for paid holidays on which no work is performed.

#### Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website ([www.labor.state.ny.us](http://www.labor.state.ny.us)) for current wage rate information.

#### Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.
