

# **NYS Life Sciences Public Health Laboratory**

## **Pre-proposal Meeting**

**July 17, 2018**

# Meeting Agenda

1. **Opening Remarks- Paul Koopman, Managing Senior Director, DASNY**
2. **Overview of the Wadsworth Lab and Project Goals –Jill Taylor, Ph.D , Director Wadsworth Center, NYS Department of Health**
3. **Economic Goals of the Project - Jeff Janiszewski, CEcD, Senior Vice President, Strategic Business Development, Empire State Development Corporation**
4. **Procurement Process Overview – Dawn Langenbach, Senior Manager Professional Services Contracts, DASNY**
5. **Minority Goals and Diversity Expectations – Michael Clay, Senior Director Opportunities Program Group, DASNY**
6. **Questions and Answers**

# Opening Remarks

- **This is a webex and is being recorded. We ask that all participants email their firm name to the RFP Coordinator per the email instructions in the RFQ.**
- **All the team members should familiarize themselves with the Procurement Lobbying Law.**
- **All information needed to respond to the RFQ is provided in the RFQ document itself. The purpose of this pre-proposal meeting is to more fully describe the project, the goals and to answer any questions. It should be noted however, that all questions must still be submitted in writing to the RFP Coordinator to be deemed a formal response.**
- **While DASNY will be the contracting entity, this is a joint process among DOH, ESD and DASNY – all will be involved in the decision making process.**

**Department  
of Health**

**Wadsworth  
Center**

# **Wadsworth Center**

## **New York's Public Health Laboratory**

**Setting the stage for the next century**

## Wadsworth Center history

1901-1906: Antitoxin Laboratory

## Wadsworth Center history
