

NYS Life Sciences Public Health Laboratory

Addendum #1

Issued July 25, 2018

Section 4.2.2 Evaluation Review is hereby amended in its entirety to read as follow:

The criteria identified in this Section 4.2.2 will be used by the Evaluation Committee in reviewing the SOQs in order to achieve the desired shortlist of Design-Build Teams. All of the identified criteria are all significant, but are listed in descending order of importance. In addition to the items below and prior to making a final determination regarding the shortlisted firms, DASNY will also review the SOQs to confirm that the Respondents have the financial capacity to perform the Project.

- Respondent's Relevant Project Experience
- Respondent's Team, Key Personnel, Organization, and Processes
- Respondent's project approach and ability to meet project goals.
- Respondent's demonstrated experience with respect to meeting goals for MWBE participation and approach for achieving both MWBE and SDVOB anticipated goals and diversity of the project team.
- Overall responsiveness to the RFQ and adherence to submission requirements.
