## **Section 1 - General Information:**

### **1.1 Background**

The Dormitory Authority of the State of New York (“DASNY” or “Owner”) is a public benefit corporation of the State of New York empowered by Titles 4 and 4-B of the Public Authorities Law (the “Act”), to provide design and project management services, and to issue its bonds, notes and other obligations, for a wide variety of public purposes. Under the Act, DASNY provides a multitude of services in various forms in connection with the design, construction and financing of capital facilities for State University of New York, including dormitories and educational facilities; City University of New York Senior Colleges; Community Colleges; Boards of Cooperative Educational Services; Cities and Counties with respect to Court Facilities and combined occupancy structures, as defined by law; the Department of Education of the State of New York with respect to certain facilities under its jurisdiction; other State and local governmental entities; independent colleges and universities; facilities for the aged; certain not-for-profit hospitals and nursing homes, as well as a wide variety of other not-for-profit organizations specifically described in the Act.

### **1.2 Purpose**

DASNY issues this Request for Qualifications (RFQ) seeking a responsive Statement of Qualifications (“SOQ”) from qualified Design-Build entities or teams (“Design-Build Team” or “Team” or “Respondent”) capable of providing all Work (as defined herein) necessary to design, construct and commission a new, multi-purpose Life Sciences Public Health Laboratory, to be located at the Governor Averell Harriman State Office Building Complex in Albany, NY (the “Site”).

Following receipt of the submitted SOQs, an established evaluation committee will then identify a shortlist of Design-Build Teams that will continue with the development process for the Life Sciences Public Health Laboratory Project. The shortlisted Teams will be provided with a future Request for Proposal (“RFP”) that will include a Basis of Design for the overall Project (“BOD”). An Executive Summary of the Basis of Design is Attachment 7 to this RFQ.

The New York State Department of Health’s Wadsworth Center (“Wadsworth Center”) is a premier public health institution, enabling the State to respond to and prepare for emerging public health threats affecting New York State residents. The Wadsworth Center has been the public health laboratory of New York State since 1914. Wadsworth Center’s scientific staff carry out a wide range of public health and research activities.

*“Wadsworth Mission Statement: Wadsworth Center is a science-based community committed to protecting and improving the health of New Yorkers through laboratory analysis, investigations and research, as well as laboratory certification and educational programs”*

The existing Wadsworth Center laboratories are in serious need of upgrades due to age and disrepair. These laboratories are located across five facilities that employ approximately 900 personnel working in roughly 910,000 sf of usable space. Various assessments over the past several years have confirmed that the facilities are significantly out-of-date and in need of upgrades. The State of New York proposes to consolidate the various facilities of the current Wadsworth Center into a single, highly-efficient laboratory campus (the “Life Sciences Laboratory” or “Laboratory”). The new Life Sciences Laboratory will better foster innovation and collaboration within the Wadsworth Center and its facilities, as well as between the Wadsworth Center and outside partners, thereby contributing to the broader life sciences initiative in the Capital Region.

- The Wadsworth Center:
  - Is one of the largest, most comprehensive public health laboratories in the country performing critical public health functions and complex analyses that cannot be performed by other hospitals or commercial laboratories
  - Is essential for maintaining public health and safety in the State of New York and responsible for critical statewide emergency response functions requiring 24/7/365 operations
  - Currently encompasses approximately 910,000 square feet across five separate facilities located in Albany, including: Biggs Laboratory, Griffin Laboratory, David Axelrod Institute, Center for Medical Science, and Western Avenue Offices
  - Core functions include, but are not limited to, the following:
    - Newborn screening and genetic services
    - Infectious disease testing and surveillance
    - Environmental health testing (biological/chemical/nuclear)
    - Oversight and licensing of clinical and environmental testing laboratories and blood/tissue banks
    - Research
    - Educational programs
    - Extramural grant programs
- The Goals of the Life Sciences Public Health Laboratory Project include, but are not limited to, the following:
  - Strengthening and advancing public health and preparedness strategies throughout the State of New York
  - Replacing failing and antiquated facilities that are costly to operate and are an impediment to scientific progress
  - Minimizing the overall geographic footprint for the Wadsworth Center
  - Establishing a sustainable, modernized, and consolidated laboratory campus
  - Reducing costs and improving the efficiency and reliability of operations and maintenance
  - Pursuing economic and intellectual property development
  - Providing for future expansion and adjacent development to enable clustering of life science firms
  - Creating work spaces that support and encourage both structured and spontaneous opportunities for innovation and development within the Wadsworth Center's departments, across its core functions, and with its commercial partners
  - Providing easier access to common facilities for Laboratory personnel and commercial partners, and to foster circulation to maximize small and medium-sized group interaction
  - Minimizing the isolating effect of facilities having restricted access (such as BSL3 labs or other biohazard areas) due to required security and public safety protocols
  - Providing for the development of spaces and facilities that allow for social activities not directly related to the Laboratory's core functions or commercial partnerships (e.g., sports fields, recreational spaces)

#### The Project Site

- New York State has identified the Governor Averell Harriman State Office Building Complex in Albany, New York, to be the future location for the new Project (the “Site”). Additional information and details regarding the site, design and construction considerations are outlined further in Attachment 7, the Executive Summary of the Basis of Design, and Attachment 8, the Form of Contract for Design- Build Work of this Project.

#### The Target Price / Preliminary Cost Estimate

- The Target Price. The total budget allocated for all contractual obligations of the Design-Builder described in the Contract for Design-Build Work, including the design, procurement, construction, and commissioning of the Project, is \$690 million dollars, excluding movable equipment and FF & E (the “Target Price”).
- The RFP will request a Preliminary Cost Estimate that will represent the Design-Builder’s professional opinion on the cost of the work and all associated fees while factoring in their approach to executing the project. Pursuant to the Contract for Design-Build Work, the Preliminary Cost Estimate shall be used to monitor the estimated construction costs of the Work, wherein such costs shall be identified consistent with the spaces established in Basis of Design. Certain elements of the Preliminary Cost Estimate shall also be used for comparison at the establishment of the GMP. If the Preliminary Cost Estimate exceeds the Target Price, the RFP will request that the Design-Builder provide technical and managerial strategies to achieve the Target Price.

#### Design Build Contract Structure

- The Form of Contract for Design- Build Work is Attachment 8 of this RFQ (the “Form of Contract”), which is subject to DASNY’s reservation of rights to amend, modify or change the Form of Contract as set forth in Section 6.3 below. The structure of the Contract is Design -Build with a Guaranteed Maximum Price (GMP). The GMP shall be established subsequent to the execution of the Contract and at approximately Eighty (80%) design completion.

#### Stipend Payment Agreement

- DASNY shall make available to the Teams invited to respond to the RFP a payment in the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00) (the “Proposal Payment”). Details of such will be outlined in the RFP.

### **1.3 Key Events and Dates**

Responses to the RFQ are due in accordance with the schedule provided below. This schedule is firm unless DASNY changes the dates in an Addendum in writing that will be posted to DASNY’s website at [www.dasny.org](http://www.dasny.org). Respondents are solely responsible for obtaining all such changes to the submission schedule or other supplemental instructions and any interpretations and supplemental instructions that may have been issued, as well as acknowledging receipt of any interpretations and supplemental instructions that are issued.

<u>Event</u>	<u>Date</u>
Issuance of RFQ	05/17/19
Pre-Submission Conference Web-Ex	05/30/19
Deadline for RFQ Questions	06/06/19 (5:00 p.m.)
Post Responses to RFQ Questions	06/13/19
SOQ Due Date	06/20/19 (5:00 p.m.)
Selection of Shortlisted Teams (not earlier than)	07/01/19
RFP issued to Shortlisted Teams (anticipated)	07/03/19
RFP Proposals Due (anticipated)	11/04/19

A **Pre-Submission Conference** is scheduled to be held via Web-Ex (Click here to [Register and Join](#)). Please allow a few minutes to register and join the event. Your participation at the Pre-Submission Conference is recommended, but not required.

**Pre-Submission Conference Web-Ex**  
Thursday, May 30, 2019  
10:00 a.m. – 12:00 p.m.

The purpose of this meeting is to describe the Project, the goals, and to answer any questions presented by the prospective Respondents. Representatives of DASNY and DOH will be available to answer questions regarding this RFQ.

#### **1.4 Procurement Structure**

DASNY shall use a two-step selection process for the Project consisting of (1) this RFQ and (2) a subsequently-issued Request for Proposal.

The SOQ submittal, evaluation, and selection processes are defined herein. DASNY intends, but is not bound, to shortlist a maximum of four Design-Build Teams depending on the submittals received; provided, however, DASNY reserves the right to increase or decrease the number of shortlisted Teams if deemed necessary.

The shortlisted Design-Build Teams will be provided with an RFP that will include a comprehensive Basis of Design for the overall Project.

The Design-Build Teams responding to the RFP will be expected to develop a design plan sufficient to address site, budgetary, and schedule parameters provided for in the RFP.

Throughout this RFQ, we may refer to the Design-Build Team as “Respondent” or “Recipient” depending on the context. Further, each Design-Build Team may be comprised of separate firms, partnerships, corporations, LLCs, or other entities forming the Respondent that submits its SOQ in response to this RFQ. Each of those separate firms, partnerships, corporations, LLCs, or other entities shall be referred to in this RFQ as the Respondent’s “Team Members.”

### **Section 2 - Engagement Requirements:**

#### **2.1 Project Scope of Work**

Attachment 7 of this RFQ is the Executive Summary of the Basis of Design. The State of New York’s goal is to centralize the laboratory operations and related maintenance services for the State of New York’s Department of

Health Wadsworth Center, which currently is located across five sites, into a single, highly-efficient laboratory campus (the “Project”).

The Project’s multi-facility laboratory campus will be made up of complex, but inter-related equipment and facilities that include, but is not limited to, the following structures and related developed areas:

- Main Laboratory Building
- Trans-Shipping and Warehouse Facility
- All Hazards Receipts Facility (AHRF)
- Emergency Generator Facilities and Fuel Storage
- Surface Parking Accommodations
- Security Checkpoint Gatehouses
- The Project design requirements may also call for expansion capability for additional future uses.

## **2.2 Scope of Services by the Design- Builder**

Unless otherwise stated, the Contract Documents set forth the Design-Builder’s obligations with respect to the Project. In accordance with the Contract Documents for the Work, the basic services the Design-Builder shall provide include, but are not limited to, the following:

- (a) Design Services, including Architectural and Engineering Services;
- (b) Laboratory (Lab) Planning and Design Services for Lab Spaces and Equipment, both Fixed and Moveable;
- (c) Interior Design Services for Fixed Furniture and Equipment;
- (d) Safety Programs and Policies;
- (e) Procurement Services;
- (f) Constructability Reviews;
- (g) Erection/Construction Services;
- (h) Construction Project Management, Superintendent and Field Inspection Services.
- (i) Cost Estimating;
- (j) Scheduling;
- (k) Cost and Schedule Reporting and Updating;
- (l) Alternative Design Concepts
- (m) Transportation Management;
- (n) Construction Testing and Quality Management Programs;
- (o) Environmental Management Program;
- (p) Permitting Responsibilities;
- (q) General Contracting Services;
- (r) Craft Labor Services;
- (s) Start Up and Commissioning;

- (t) Integrated Workplace Management System (“IWMS”); Owner will provide all Software and Licensing Agreements as required;
- (u) Training on use of building systems and fixed equipment; and
- (v) Provide turnover material, Standard Operating Procedures , warranty manuals, as-built drawings etc.

### **2.3 Qualifications and Certification Requirements**

- The Design-Build Team collectively shall have experience in developing, designing, and constructing multi-use laboratories and related facilities that are similar in size, scope, and complexity.
- The Design-Build Team collectively shall have a demonstrated history of successful collaboration in constructing complex facilities using design-build delivery.
- The Design-Build Team shall demonstrate experience with respect to meeting goals for Minority and Women Owned Business (“M/WBE”) participation through design and construction disciplines on design-build and other types of construction projects.
- The Design-Build Team shall demonstrate experience with, or plans for, meeting goals for Service-Disabled Veteran-Owned Business (“SDVOB”) participation through design and construction disciplines on design-build and other types of construction projects.
- The appropriate Team Member(s) of the Design-Build Team performing the required engineering and architectural services for the Project must possess a Certificate of Authorization to provide engineering services in New York State from the State Education Department
- The Design-Build Team must have bonding capacity to provide material and labor payment and performance bonds with a penal sum each equivalent to the value of the design-build contract.

### **2.4 Freedom of Information Law and Public Disclosure**

This RFQ and all information submitted in response to this RFQ constitute “records” subject to disclosure pursuant to the New York State’s Freedom of Information Law (Public Officers Law, Article 6, § 84-90, the “FOIL Law” or “FOIL”). DASNY is required to make its records available for public inspection or copying, except to the extent that those records fall within one or more grounds for denial set forth in §87(2) of the FOIL Law. DASNY may deny access to parts of an SOQ and/or parts of a successful Respondent’s contract (that Respondent may consider to be “trade secrets”) if disclosure would cause substantial injury to the competitive position of the subject enterprise. It is the responsibility of the firm to consult an attorney with any questions they have regarding this Law.

### **2.5 Confidentiality**

Disclosure of Information: The Respondent, including all of its individual Team Members, their respective employees, and any proposed subcontractors or subconsultants shall not disclose any information received in conjunction with this RFQ or a subsequently issued RFP from DASNY, or any other involved New York State agency, to any other person or entity, except to the extent necessary to allow the Respondent to respond to this RFQ. Any work product will be the property of DASNY, and such work product shall not to be disclosed without DASNY’s consent.

If shortlisted, the Respondent, including all of its Team Members, and any identified subconsultants, subcontractors, and vendors shall, prior to receiving the RFP, be required to execute a Non-Disclosure Agreement, which such form shall be provided upon the confirmation of the final shortlist of Teams.

### **Section 3 - Content of Statement of Qualifications:**

#### **3.1 Information to be Provided by Respondent in the SOQ**

The following is a list of required information that must be provided by the Respondent. Provide your response in the same order in which it is requested using numbered side tabs that correspond with each of the numbered tabs below. Your SOQ must contain sufficient information to assure DASNY of its accuracy.

The use of marketing or public relations materials commonly used in sales presentations is not desirable. Such materials should only be submitted as addenda to the relevant information.

Tab 1. **Transmittal Letter** including the following items:

- a. The contact name, title, telephone number, fax number and email address of the individual for the Respondent who will be DASNY's primary contact concerning this RFQ.
- b. The primary contact name, title, telephone number, fax number and email address for each Team Member that will perform work under this contract.
- c. A statement to the effect that the Respondent is willing to complete the Project scope of work as identified in Section 2.1, above, and will abide by the terms of the RFQ, including all attachments.
- d. The Transmittal Letter must be signed by the individual(s) authorized to contractually bind the Respondent. Indicate the title or position that the signer holds for the Respondent. DASNY reserves the right to reject an SOQ that contains an unsigned Transmittal Letter.
  - (1) If the Respondent is a corporation or limited liability company, the SOQ and Transmittal Letter shall be signed in the name and under the seal of the corporation by a duly authorized officer of the corporation or manager of the company, with the designation of his/her official capacity, and properly attested. The SOQ and Transmittal Letter shall show the state in which the corporation is chartered. If it is a foreign corporation, the SOQ shall show whether or not the Respondent is licensed to transact business in the State of New York.
  - (2) If the Respondent is a firm or partnership, the SOQ and Transmittal Letter shall be signed in the name or style under which the organization is doing business and by the partner, proper officer, or officers whose official capacity shall be designated. The name and address of each member of the organization shall be shown on the SOQ and Transmittal Letter.
  - (3) If the Respondent is a joint venture or an intended joint venture, the SOQ and Transmittal Letter shall be signed by each of the persons or firms that is or will be a party to the Joint Venture Agreement. If available certified copy of the Joint Venture Agreement shall be attached to the SOQ and Transmittal Letter.

In every case, the SOQ and Transmittal Letter shall show the present business address of the Respondent at which address communications shall be received and service of notices accepted. Anyone signing the SOQ as an agent shall file with it, legal evidence of his or her authority to execute such SOQ.

- e. The Respondent's agreement to enter into a Project Labor Agreement if so required.

Tab 2. **Respondent's Experience (20 Page Limit- single sided)**

- a. Provide the Design-Build Team's and/or its Team Members' specialized experience and competence in projects that involve laboratory and technical facilities and/or research & development facilities, including those that are similar or equivalent to the Project. Prior experience of individual employees as opposed to full corporate partners is very relevant but should be clearly differentiated when describing involvement on past projects.
- b. Provide the Design-Build Team's and/or its Team Members' specialized experience in developing solutions for high-performance buildings.
- c. Provide information describing the Design-Build Team's and/or its Team Members' involvement in significant design-build projects valued in excess of \$100 million dollars. Include the date, type of project, budget, design and construction durations, and a contact name with telephone number who is familiar with each identified project. Identify which of the Design-Build Team Members were involved and their role on the identified projects.

Tab 3. **Design-Build Team Organization and Responsibilities (15 Page Limit- single sided)**

- a. Describe the proposed Design-Build Team, including the individual Team Member entities, the overall Design-Build Team organization, and the responsibilities of each Team Member for the design, procurement, and construction portions of the Project. Include an organizational chart that shows the relationships between the identified Team Members.
- b. Indicate how minority- and women-owned businesses and service-disabled veteran's businesses will be incorporated into both the design and construction phases of the Project.
- c. Provide resumes of the key individuals working for the Team Members of the Design-Build Team along with three (3) references for each Team Member entity.
- d. Identify how the Respondent will integrate the different Team Member entities into a cohesive design-build organization, including a description of management strategies, internal communication protocols, coordination tools, and planning efforts that you will employ to ensure a successful project. Discuss the roles and responsibility of key Team Members and how each will interact with DASNY during the pre-design and final programming, design completion, pre-construction, construction, commissioning process, training and turn-over to the Owner, and occupancy, including warranty or other related issues.
- e. Provide any other information that may be relevant to display expertise and experience in laboratory project development, including those in the public health area, as well as complex, multi-use facilities.

Tab 4. **Project Approach and Challenges (15 Page Limit- single sided)**

- a. Describe the Respondent's overall approach to delivering the Project in a way that maximizes the value of design-build delivery and fosters a highly collaborative and effective project team.
- b. Discuss the likely challenges that may arise with a project of this magnitude and the Respondent's approach to problem solving and addressing such challenges. Include as part of this SOQ, any specific approaches to changes in technology that may occur over the life of the Project.
- c. Discuss the Respondent's process for engagement with the Owner to meet program expectations throughout the life of the Project.
- d. Discuss the Respondent's quality control program and how it is integrated throughout the Team.

- e. Discuss any cost control measures the Respondent anticipates employing to ensure the Project remains within the established budget and Target Price.
- f. Discuss any scheduling measures the Respondent anticipates employing to ensure the Project remains within the established schedule.

Tab 5. **Safety**

- a. Provide a summary of the Respondent's safety and accident prevention program for the construction-related Team Members.
- b. Detail the Respondent's and each of its individual Team Members' Experience Modification Rate for the construction-related Team Members for the past three (3) years.

Tab 6. **Firm/Team Financial Responsibility Information**

- a. Supply the Current Ratio (current assets/current liabilities) experience for the Respondent for the past five (5) years, with a signed statement from the representative individual(s) from the Respondent. If the Respondent is or intends to be an LLC, partnership, or joint venture, then each of the identified Team Members who are or will be the managing member(s), partners, or joint venture parties, respectively, shall also supply their Current Ratio (current assets/current liabilities) experience for the past five (5) years.
- b. Provide current liabilities (accounts payable, notes payable, accrued expenses, provisions for income taxes, advances, accrued salaries, and accrued payroll taxes) for the Respondent. If the Respondent is or intends to be an LLC, partnership, or joint venture, then each of the identified Team Members who are or will be the managing member(s), partners, or joint venture parties, respectively, shall also supply their current liabilities (accounts payable, notes payable, accrued expenses, provisions for income taxes, advances, accrued salaries, and accrued payroll taxes).
- c. Name of firm preparing the supplied financial statement(s) and date thereof.
- d. The Respondent shall provide a completed Financial Viability Form included in this RFQ as an attachment. If the Respondent is or intends to be an LLC, partnership, or joint venture, then each of the identified Team Members who are or will be the managing member(s), partners, or joint venture parties, respectively, shall also provide a completed Financial Viability Form.

Tab 7. **M/WBE and SDVOB Approach**

DASNY is required to implement the provisions of New York State Executive Law Articles 15-A and 17-B (and their implementing regulations) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess \$100,000 for real property renovations and construction. While no final determination has been made at this stage, the anticipated goals for the proposed contract are as follows: 18% minority-owned business enterprise ("MBE"), 12% women-owned business enterprise ("WBE") and 6% service-disabled veteran-owned business ("SDVOB"). The goals refer to the percentage of utilization of minority and women-owned business enterprise ("MWBE") and SDVOB firms as sub-consultants, subcontractors, or suppliers. The reporting and goal setting process for the utilization of MWBE and SDVOB firms will be separated between the design phase and the construction phase of this Project as described below. Each phase will have its own Utilization Plan, and MWBE and SDVOB contracts and payments must be recorded for each phase.

In response to this RFQ, all respondent's must submit their anticipated approach to maximizing MWBE and SDVOB participation in both the design and construction phases of the Project and provide summaries showing the Respondent's and the Team Members' performance meeting MWBE and SDVOB goals on past projects. In addition, the Respondents must include a list of targeted MWBE and SDVOB companies for outreach of each work area; and strategies to attract and engage the MWBE and SDVOB community throughout the project. These strategies should also include plans to encourage teaming, joint ventures, and partnership to increase MWBE and SDVOB utilization throughout the duration of the project.

The final participation goals and Utilization Plan requirement for the design phase of the project will be set forth in the subsequent RFP and the short-listed firms will be required to include itemized detail of all project work areas that will be identified for MWBE and SDVOB utilization and monetary value estimates for each work area that total the MWBE and SDVOB goal. Once MWBE and SDVOB contract goals have been established in the RFP for the design phase, the Respondent, pursuant to 5 NYCRR § 142.8, 9 NYCRR § 252.2(m) and the requirements in the Design-Build contract, must exercise "good faith efforts" to solicit and attain MWBE and SDVOB participation. If Respondent, after making good faith efforts, is unable to meet the established MWBE and SDVOB participation goals, Respondent, pursuant to 5 NYCRR § 142.7, may submit a Request for Waiver form documenting the good faith efforts undertaken by Respondent to meet such goals. A Request for Waiver may be submitted by Respondent prior to award of the contract, and at any time during the term of the contract prior to submission of the final payment application. Upon receipt of the Respondent's Request for Waiver, DASNY shall review and evaluate the request pursuant to 5 NYCRR §§ 142.7 and 142.8 and issue a written notice of acceptance or denial within 20 days of receipt of all required information. When determining whether to grant a waiver of the MWBE and/or SDVOB goal requirements, the Owner shall consider applicable law and regulations and the requirements set forth in the Design-Build contract, including without limitation Good Faith Efforts Guidelines provided therein.

The final participation goals for construction phase of the project will be established during the design phase at which time the selected Design-Build firm will be required to submit a Utilization Plan for this phase of the work. Once MWBE and SDVOB contract goals have been established for the construction phase, the Design-Build firm, pursuant to 5 NYCRR § 142.8 and 9 NYCRR § 252.2(m), must exercise "good faith efforts" to solicit and attain MWBE and SDVOB participation. If the Design-Build firm, after making good faith efforts, is unable to meet the established MWBE and SDVOB participation goals, the Design-Build firm may, pursuant to 5 NYCRR § 142.7, submit a Request for Waiver form documenting the good faith efforts undertaken by the Design-Build firm to meet such goals. A Request for Waiver may be submitted by the Design-Build firm at any time during the term of the contract, prior to submission of the final payment application. Upon receipt of the Design-Build firm's Request for Waiver, DASNY shall review and evaluate the request pursuant to 5 NYCRR §§ 142.7 and 142.8 and issue a written notice of acceptance or denial within 20 days of receipt of all required information. When determining whether to grant a waiver of the MWBE and/or SDVOB goal requirements, the Owner shall consider applicable law and regulations and the requirements set forth in the Design-Build contract, including without limitation Good Faith Efforts Guidelines provided therein.

For both the design and construction phases in the project, an itemized detail of all project work areas that will be identified for MWBE and SDVOB utilization and monetary value estimates for each respective work area that total the MWBE and SDVOB goals in both respective phases will be required with the appropriate Utilization Plan.

If during the design phase and/or construction phase the Owner determines that the Design-Builder: (i) is not in compliance with the MWBE contract goals and has failed to demonstrate good faith efforts in support of a total or partial waiver pursuant to 5 NYCRR §§ 142.7 and 142.8; (ii) refuses to comply with the MWBE goal requirements; and (iii) is found to have willfully and intentionally failed to comply with the MWBE contract goals, the Owner may assess liquidated or other appropriate damages pursuant to 5 NYCRR § 142.13.

Tab 8. **Diversity Questionnaire**

Provide a completed Diversity Questionnaire, included in this RFQ as Attachment 1. It is the goal of DASNY to use qualified firms that have a demonstrated history of hiring, training, developing, promoting, and retaining minority and women staff and to encourage participation by certified MWBE firms. This questionnaire elicits information about each responding firm to verify that its work environment demonstrates a strong commitment to diversity and diversity inclusion in the Respondent's project management design and construction team.

Tab 9. **Licenses and Certifications**

Provide license numbers or copies of registration certificates for the Respondent and each of the Team Members, as appropriate, indicating that the identified entities are licensed to do business in the State of New York and/or provide written assurances that the identified entities will be so licensed prior to the submission of any proposal in response to the future-issued RFP. Include a copy of the Certificate of Authorization to provide engineering services in New York State.

Tab 10. **Additional Information (5 Page Limit- single sided)**

Provide any additional information that has not been requested in the RFQ but is relevant to your information, and be sure to provide an explanation as to its relevance to the RFQ.

The Respondent must also provide statements regarding the following:

- a. The SOQ submitted must contain a representation that the Respondent is willing and ready to provide a response to the RFP if selected as one of the shortlisted Design-Build Teams.
- b. Disclose any potential conflicts of interest (refer to the "Code of Business Ethics - Certification" Attachment 6).

Tab 11. **Trade Secrets and Proprietary Information**

Should you feel the submitted SOQ in response to this RFQ contains any trade secrets, confidential, or proprietary information, or that portions of the SOQ is otherwise exempt from disclosure pursuant to FOIL, you must submit a request to exclude such information from disclosure. Such request must detail the information that should be exempt and the reason such information should be exempt. DASNY will not honor any attempt by a firm to omit its entire SOQ from disclosure.

**3.2 Provide the following form in a separate envelope and do not include them in your Statement of Qualifications.**

A NYS Vendor Responsibility Questionnaire CCA-2 (the “VRQ”) is included in this RFQ as Attachment 4 and shall be completed by the Respondent for submission with its SOQ as a separate document. **DASNY encourage that all entities file the required Questionnaire online via the New York State VendRep System and only provide a copy of the certification page to DASNY.** To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at <http://www.osc.state.ny.us/vendrep/index.htm> or go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

**Section 4 - Evaluation of the Statement of Qualifications:**

Respondents will be evaluated on their ability to meet the requirements as detailed in this RFQ. DASNY will perform an evaluation based on the Respondent’s written response, internal and external references, and, if requested by DASNY, interviews and/or presentations. After the evaluation of written responses, additional information may be requested.

**4.1 Preliminary Review**

Upon receipt, SOQs shall be reviewed for conformance to the RFQ instructions regarding organization, format, and responsiveness to the requirements of the RFQ. Any Respondent that is deemed to have provided a non-responsive or unresponsive SOQ may not be eligible to be shortlisted and may not be scored.

Additionally, any one or more of the following causes may be considered sufficient for the rejection of a Respondent’s SOQ regardless of the Respondent’s qualifications with respect to the other evaluation criteria set forth in Section 3; this list of causes is not exhaustive, and DASNY reserves the right to reject any SOQ in its sole and absolute discretion.

- Evidence of collusion among Respondents
- Non-responsibility as determined by DASNY in its sole judgment and discretion
- Default or arrearage on any contract or obligation with DASNY or other governmental entity, including debt contract, as surety or otherwise
- Submission of an SOQ that is incomplete, conditional, ambiguous, obscure, or containing alterations or irregularities of any kind
- Evidence of improper lobbying efforts toward members of DASNY and/or officers or employees of DASNY
- Failure to comply with the terms and conditions of this RFQ

DASNY reserves the sole right to accept any SOQ that it feels best meets its requirements. DASNY reserves the right to waive any irregularity, informality, or non-compliance in information received.

DASNY reserves the right to reject and return to the Respondent any SOQ or other information received after the RFQ due date and time. Incomplete SOQs may also be rejected.

**4.2 Evaluation**

**4.2.1 Evaluation Committee**

Respondent's SOQ will undergo an evaluation process conducted by an Evaluation Committee. The Evaluation Committee will evaluate the SOQs based upon the criteria for selection as set forth in this RFQ. Selection of the successful Respondent to the RFP is contingent on reaching an agreement on contract negotiations.

#### **4.2.2 Evaluation Review**

The criteria identified in this Section 4.2.2 will be used by the Evaluation Committee in reviewing the SOQs in order to achieve the desired shortlist of Design-Build Teams. The identified criteria are all significant and are listed in descending order of importance.

- Design Build Team's experience in developing, designing, and constructing multi-use laboratories and related facilities that are similar in complexity, size and scope to that being proposed
- Design Build Team's demonstrated history of successful collaboration in constructing complex facilities using design – build delivery
- Design Build Team member's related experience and competence in design and construction of laboratories and technical facilities and / or research & development facilities, including those that are similar in complexity, size and scope to that being proposed
- Design Build Team's demonstrated experience with respect to meeting goals for Minority and Women Owned Business ("M/WBE") participation through design and construction disciplines on design – build and other types of construction projects and approach for achieving both MWBE and SDVOB anticipated goals and diversity of the project team
- Design Build Team's project approach, ability to meet project goals and address challenges
- Design Build Team's approach to project controls, including scheduling, cost estimating, quality control and safety
- Overall responsiveness to the RFQ and adherence to submission requirements

#### **4.3 Interviews or Presentations**

DASNY reserves the right to determine whether interviews and/or presentations will be necessary. The purpose of the interview is to further document the Respondent's ability to provide the required services and to impart to the Committee an understanding of how specific services will be furnished. The Respondent's lead principal, as well all other key personnel proposed to provide the services must be present and participate in the interview. The interview will be evaluated based on whether information discussed substantiates the characteristics and attributes claimed by the Respondent in its written response to this RFQ and any other information requested by the Evaluation Committee prior to the interview.

### **Section 5 - Submission of Statement of Qualifications:**

#### **5.1 Submission of Statement of Qualifications**

Eight (8) hard copies, one (1) electronic copy of your SOQ stored on a thumb-drive/flash drive, and having the VRQ described in Section 3.2, above, enclosed loosely in a separate envelope. The Respondent's full submission shall be submitted on or before 5:00 p.m. on June 20, 2019 to:

Stacie Bennett  
RFP Coordinator  
DASNY  
515 Broadway  
Albany, New York 12207-2964

Respondents are encouraged to submit environmentally-friendly SOQs.

## **Section 6 - Important Information Affecting Respondents:**

### **6.1 Statement of Qualifications Requirements**

1. All inquiries regarding this RFQ should be addressed to the following individual:

Stacie Bennett  
Email: RFPAdministrator@dasny.org

All questions must be submitted by email to the RFP Coordinator by, June 6, 2019 , at 5:00 p.m. E.S.T. to be considered by DASNY, and are to be resolved prior to the submission of a response to this RFQ. A list of all substantive inquires received with relevant responses will be posted on DASNY's website at [www.dasny.org](http://www.dasny.org). Respondents are solely responsible for obtaining all such interpretations and supplemental instructions that have been issued.

2. A Respondent may withdraw an SOQ any time prior to the final due date and time by written notification, signed by an authorized agent, to the contact person identified in Section 5.1, above. The SOQ may thereafter be resubmitted, but not after the final due date and time. Modifications offered in any other manner, oral or written, will not be considered.
3. If a Respondent discovers an ambiguity, conflict, discrepancy, omission or other error in this RFQ, the Respondent should immediately notify the contact person identified in Section 5.1, above. Notice of such error or omission should be submitted prior to the final due date and time for submission of SOQs. Modifications shall be made by addenda to this RFQ.
4. If a Respondent fails, prior to the final due date and time for submission of SOQs, to notify DASNY of a known error or an error that reasonably should have been known, the Respondent shall assume the risk of proposing. If awarded the contract, the Respondent shall not be entitled to additional compensation or time by reason of the error or its late correction.
5. A Respondent indicates its acceptance of the provisions and conditions enumerated in this RFQ by submitting an SOQ.

### **6.2 DASNY Requirements**

1. By submitting an SOQ, the Respondent covenants that the Respondent will not make any claims for, or have any right to, damages because of any misinterpretation or misunderstanding of the specifications or because of lack of information.
2. Issuance of this RFQ, your submission of an SOQ in response, and the evaluation of your SOQ by DASNY does not commit DASNY to award a contract. Only the execution of a written agreement between DASNY and the

successful Respondent following the future-issued RFP and RFP evaluation period will obligate DASNY in accordance with the terms and conditions contained in such agreement.

3. This RFQ does not commit or obligate DASNY to pay any expenses incurred by the Respondent in the preparation of its response. All such expenses are solely at the risk of the Respondent. By submitting a response, the Respondent agrees that all responses, and associated documents, to this RFQ shall become the property of DASNY.
4. Communications made by the Respondent to DASNY employees other than the contact listed in Section 5.1 about this process may subject the Respondent to disqualification.

### **6.3 DASNY Rights and Prerogatives**

DASNY reserves the right to exercise any of the following prerogatives, in its sole and exclusive direction:

1. To accept or reject any or all SOQs and amend, modify, or withdraw this RFQ.
2. To change the final due date and time for SOQs.
3. To accept or reject any of the Design-Build Team's employees or proposed sub-consultants assigned to provide services on this Project and to require their replacement at any time. The Respondent shall obtain the written approval of DASNY of changes to the SOQ after it is submitted, including any changes with respect to sub-consultants. DASNY shall have the right to reject any proposed change to the Respondent's SOQ.
4. DASNY reserves the right to accept any response to this RFQ that DASNY believes best meets its requirements. DASNY reserves the right to waive any irregularity, informality, or non-compliance in information received. This will in no way modify the RFQ documents or excuse the Respondent from full compliance with its requirements.
5. **DASNY reserves the right to amend, modify, or change any portion(s) of the Form of Contract at any time prior to DASNY's award of the Contract in accordance with the RFP.**
6. DASNY reserves the right to share any information as necessary with its employees, subject matter experts, consultants, representatives, and its partners including, but not limited to, the Department of Health and Empire State Development.
7. To consider modifications to SOQs at any time before the shortlist is announced, if such action is in the best interest of DASNY.
8. To interview Respondents prior to shortlisting.
9. To reject any SOQ containing false or misleading statements or that provides references that do not support an attribute or condition claimed by the Respondent.
10. To shortlist firms as DASNY feels necessary to advance this procurement.

**SECTION 7 - ATTACHMENTS**

**ATTACHMENT 1**  
**DASNY DIVERSITY QUESTIONNAIRE**

**(I) Company Demographic Profile**

Job Categories	Number of Employees (report employees in only one category)															Overall Totals
	Race/Ethnicity															
	Hispanic or Latino		Non-Hispanic or Latino

**(IV) EEO Firm Activity**

1. Is your company’s CEO or Chief Procurement Officer (“CPO”) committed to and engaged in the process of diversity business development? Yes or No  
If yes, attach a signed statement from your CEO or CPO.
2. Provide a copy of your company’s equal opportunity and affirmative action policy.

**ATTACHMENT 2**

**USE OF SERVICE-DISABLED VETERAN-OWNED BUSINESS ENTERPRISES**

# Attachment

## Use of Service-Disabled Veteran-Owned Business Enterprises In Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at:

[http://ogs.ny.gov/Core/docs/CertifiedNYS\\_SDVOB.pdf](http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf)

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and

functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

**Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions below:**

Are you a bidder/proposer that is a NYS-certified SDVOB?    Yes    No    If yes, what is your DSDVBD Control #?  
Will NYS-certified SDVOBs be used in the performance of this contract?    Yes    No

If yes, identify the NYS-certified SDVOBs that will be used below (if more than 4 identified, please attach an additional form):

**NYS-Certified SDVOB 1:**  
Name

Address

Control #    Contract #    Total % Work Performed    \$ Amount

Nature of Participation

**NYS-Certified SDVOB 2:**  
Name

Address

Control #    Contract #    Total % Work Performed    \$ Amount

Nature of Participation

**NYS-Certified SDVOB 3:**

Control #    Contract #    Total % Work Performed    \$ Amount

Nature of Participation

**NYS-Certified SDVOB 4:**  
Name

Address

Control #    Contract #    Total % Work Performed    \$ Amount

Nature of Participation

Contractor will report on actual participation by each SDVOB during the term of the contract on a semi-annual basis to the Office of General Services Division of Service-Disabled Veterans' Business Development. See <http://ogs.ny.gov>

NOTE: Information about set asides for SDVOB participation in public procurement can be found at: <http://www.ogs.ny.gov/Core/SDVOBA.asp>, which provides guidance for State agencies in making determinations and administering set asides for procurements from SDVOBs.

**CODE OF BUSINESS ETHICS CERTIFICATION**

## CODE OF BUSINESS ETHICS – CERTIFICATION

The bidder (or Proposer) shall submit this form at time of bid (or with RFP).

### A. Ethics Programs

1. DASNY, a public-benefit corporation, expects the highest degree of ethical business conduct by its employees and the many contractors, consultants and vendors with whom it interacts on behalf of its clients, bondholders and the people of the State of New York. DASNY, by mandate of its Board of Directors, administers a comprehensive corporate integrity program to ensure that, as public officers, DASNY employees at all levels perform their official duties consistent with the requirements of the *New York State Public Officers Law*; other applicable laws, rules, and regulations; and policies of DASNY.
2. DASNY encourages and supports a fair, open and honest business relationship with its contractors, consultants and vendors based on quality, service and cost. Moreover, DASNY believes that a “level playing field” in the marketplace can only be achieved through adherence to ethical business practices by all participants involved in the process.
3. To promote a working relationship with DASNY based on ethical business practices, contractors, consultants and vendors are expected to:
  - a. furnish all goods, materials and services to DASNY as contractually required and specified;
  - b. submit complete and accurate reports to DASNY and its representatives as required;
  - c. not seek, solicit, demand or accept any information, verbal or written, from DASNY or its representatives that provides an unfair advantage over a competitor;
  - d. not engage in any activity or course of conduct that restricts open and fair competition on DASNY-related projects and transactions;
  - e. not engage in any course of conduct with DASNY employees or representatives that constitutes a conflict of interest or creates the appearance of a conflict of interest;
  - f. not offer any unlawful gifts or gratuities to DASNY employees or representatives, or engage in bribery or other criminal activity; and
  - g. report to DASNY any activity by a DASNY employee or contractor, consultant or vendor of DASNY that is inconsistent with DASNY’s *Code of Business Ethics*.
4. DASNY encourages its contractors, consultants and vendors to advance and support ethical business conduct and practices among their respective directors, officers and employees, preferably through the adoption of corporate ethics awareness training programs and written codes of conduct. In addition to considering technical competence and financial stability, DASNY will consider the *corporate integrity* of all contractors, consultants and vendors prior to the awarding of contracts or issuing of purchase orders.

### B. Conduct of DASNY Employees

DASNY employees are expected to conduct business with contractors, consultants and vendors in a fair, consistent and professional manner. DASNY’s Code of Business Ethics and Employee Conduct entitled *Serving Responsibly*, and other DASNY policies and procedures, guide the manner in which DASNY employees are required to interact with contractors, consultants and vendors. Additionally, the New York State Public Officers Law sets forth legal parameters within which DASNY employees must perform their official duties with respect to, among other things, conflicts of interest and the acceptance of gifts.

## CODE OF BUSINESS ETHICS – CERTIFICATION

### C. Limits on Gifts to DASNY Employees

1. Pursuant to Section 73(5) of the Public Officers Law, no person shall offer any gift having more than a nominal value to a DASNY employee under circumstances in which it:
  - a. could be reasonably inferred the gift was intended to influence the employee in the performance of his or her official duties; or
  - b. could reasonably be expected to influence the employee in the performance of his or her official duties; or
  - c. was intended as a reward for any official action on the part of the employee.
2. A gift is anything more than nominal in value, in any form, given to a DASNY employee. Gifts include, but are not limited to, money, service, loan, travel, lodging, meals, refreshments, entertainment, discount, forbearance or promise. Any firm or its agents, either doing business or seeking to do business with DASNY (contractors, consultants, vendors, etc.), is prohibited from directly or indirectly offering or giving any gifts, even gifts of nominal value, to DASNY employees as such gifts are deemed to be *per se* improper.
3. As is stated in the *Prohibited Interests* section of the Construction and Consultant Contract documents, violations of these gift provisions may be grounds for immediate contract termination and/or referral for civil action or criminal prosecution.

### D. Employing Relatives of DASNY Employees

Although contractors, consultants and vendors may employ relatives of DASNY employees, DASNY must be made aware of such circumstances as soon as possible, preferably in writing, to ensure a conflict of interest situation does not arise. DASNY reserves the right to request that contractors, consultants and vendors modify the work assignment of a DASNY employee's relative where a conflict of interest, or the appearance thereof, is deemed to exist. Please be advised that DASNY employees are required to disclose information regarding the hiring of relatives by contractors, consultants and vendors and recuse themselves from matters that may present a conflict of interest. For purposes of this document, the term "relatives" refers to spouses, domestic partners, parents, children, sisters, brothers, sisters-in-law, brothers-in-law, parents-in-law, sons/daughters-in-law, stepparents, stepchildren, aunts, uncles, nieces, nephews, first cousins, grandparents by blood relationship or by marriage, or persons residing in the same household.

### E. Hiring Former DASNY Employees

Contractors, consultants and vendors may hire former DASNY employees. However, as a general rule, former employees of DASNY may neither appear nor practice before DASNY, nor receive compensation for services rendered on a matter before DASNY, for a period of *two years* following their separation from DASNY service. In addition, former DASNY employees are subject to a "*lifetime bar*" from appearing before DASNY or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with DASNY. Violations will be referred to the New York State Commission on Public Integrity for appropriate action.

CODE OF BUSINESS ETHICS – CERTICATION

**F. Questions**

Questions relating to these guidelines should be directed to the responsible DASNY Project Manager or Program Director, Director of Procurement, DASNY's Ethics Officer or Director of Internal Affairs. To contact any of these individuals please call: (518) 257-3000.

When in doubt, please seek guidance.

**G. Certification**

I have read the foregoing and agree to comply with DASNY's Code of Business Ethics. I further acknowledge that failure to comply shall justify contract termination by DASNY and may result in the rejection of bids or proposals for future work with DASNY.
