Section 1. General Information

A. DASNY Description

The Dormitory Authority of the State of New York ("DASNY") is a public benefit corporation of the State of New York empowered by Titles 4 and 4-B of the Public Authorities Law (the "Act"), to provide design and project management services and issue bonds, notes and other obligations for a wide variety of public purposes. DASNY is governed by a Board consisting of the Commissioner of the Department of Health, the Commissioner of the State Education Department, the Director of the Division of Budget, the State Comptroller or a representative appointed by the State Comptroller, a representative appointed by the Assembly Speaker, a representative appointed by the Temporary President of the Senate, and five members appointed by the Governor with the consent of the Senate.

Under the Act, DASNY provides a multitude of services in various forms in connection with the design, construction and financing of capital facilities for State University of New York, including dormitories and educational facilities; City University of New York Senior Colleges; Community Colleges; Boards of Cooperative Educational Services (BOCES); Cities and Counties with respect to Court Facilities and Municipal Health Facilities; the Department of Education of the State of New York and a number of other State and local governmental entities, including among others, school districts, 853 Schools, Special Act Schools, the Department of Mental Health and its facilities. DASNY also provides services primarily regarding the issuance of debt to independent colleges and universities, facilities for the aged, not-for-profit hospitals and nursing homes as well as a wide variety of other not-for-profit organizations specifically described in the Act. DASNY issues State-supported debt through the Personal Income Tax (PIT) Revenue Bond Program as well as the Sales Tax Revenue Bond Program and one of three statewide entities authorized to issue State-supported debt through the Personal Income Tax Revenue Bond Program and one of three statewide entities authorized to issue Sales Tax Revenue Bonds.

DASNY is one of the largest issuers of tax-exempt debt in the nation and currently has several hundred series of tax-exempt and taxable bonds outstanding with a total par value of approximately \$54.9 billion as of March 31, 2019. During fiscal year 2018-19, DASNY sold 12 bond issues totaling \$8.7 billion. Of the \$8.7 billion issued last fiscal year, \$2.5 billion was issued on behalf of health care, higher education and not-for-profit clients and \$6.2 billion was issued for public issuances including State-Supported debt. Major programs include the following:

State Supported Debt:

Personal Income Tax Revenue Bonds: The Personal Income Tax Revenue Bond Program was enacted to reduce the State's borrowing costs by improving the marketability and creditworthiness of State-supported bonding obligations and to reduce administrative costs by consolidating the issuance of multiple programs. The PIT Revenue Bond Program is one of the primary financing vehicles for a broad range of capital projects including projects for the State University of New York Educational Facilities; the City University of New York; the Office of Mental Health; the Office of Persons with Developmental Disabilities; the Office of Alcoholism and Substance Abuse Services; Upstate Community Colleges; the Court Officers Training Academy; Library Facilities; the State Education Department, the Department of Transportation, the Department of Environmental Conservation and the Office of Parks Recreation and

Historic Preservation. In addition, various grant programs are financed with PIT Revenue Bonds.

Sales Tax Revenue Bonds: The Sales Tax Revenue Bond Financing Program is one of the primary financing vehicle for a broad range of capital projects including projects for the State University of New York-Educational Facilities; the City University of New York; the Office of Mental Health; the Office for People with Developmental Disabilities; the Office of Alcoholism and Substance Abuse Services; Upstate Community Colleges; the Court Officers Training Academy; Library Facilities; the State Education Department, the Department of Transportation, the Department of Environmental Conservation and the Office of Park Recreation and Historic Preservation. In addition, various grant programs may also be financed with the Sales Tax Revenue Bonds.

Other Public Programs:

State University Dormitory Facilities: State University Dormitory Facilities Revenue Bonds are issued to finance construction and rehabilitation projects for the system of universities and colleges of the State University of New York (SUNY). The bonds are secured by room rents, fees and charges.

Workers Compensation Program: DASNY has statutory authorization to work with the Workers Compensation Board ("WCB") and issue bonds to address liabilities associated with the cost of funding certain workers compensation claims. Any bonds DASNY issues for these purposes are secured by annual assessments required to be paid by all NYS employers. The assessments are levied by the WCB to fund its cash flow needs and to fund certain funds and programs administered by the Board. However, the assessments are first used to pay debt service on DASNY bonds.

School Districts: Chapter 383 of the Laws of 2001, which became law on October 29, 2001, changed the methodology through which State Building Aid is paid to public school districts. In the past, Building Aid was based on the actual debt service incurred by school districts in connection with their projects. Chapter 383 more closely aligns the disbursement of Building Aid with the useful life of the assets financed by school districts, subject to statutory restrictions, and, for most school districts that elect not to finance their projects through DASNY, uses an assumed interest rate to compute the amount of aid payable. DASNY's current School Districts Revenue Bond Financing Program is designed to provide public school districts across New York State with an efficient financing alternative in light of the current methodology used to reimburse school districts for the cost of capital projects through State Building Aid. DASNY offers pooled financings as demand warrants throughout the course of the calendar year.

Board of Cooperative Educational Services (BOCES): Board of Cooperative Educational Services (BOCES) programs offer advantages of specialization and economies of scale. Through cooperative bidding and purchasing services offered by BOCES to school districts, school business managers take advantage of buying through sophisticated networks so they can save both time and money. Section 1689 of the Public Authorities Law (the "Act") authorizes DASNY, upon application from a BOCES, to construct, acquire, reconstruct and furnish and equip school facilities. In addition, pursuant to the Act, DASNY is authorized to issue bonds and notes to obtain funds for the purposes of Section 1689.

Conduit Programs:

Independent Colleges and Universities Revenue Bonds: Independent colleges and universities revenue bonds are issued to finance the construction and renovation of facilities for private, nonprofit colleges and universities.

Health Care Revenue Bonds: Health care revenue bonds are issued to finance the construction and renovation of facilities for health care institutions including nonprofit hospitals, nursing homes, facilities for the aged, long-term health care facilities and municipal health facilities.

Independent Institutions Revenue Bonds: Bonds are issued to finance the construction and renovation of facilities for certain institutions that are authorized by statute.

B. Purpose

It is intended that through this Request for Proposal ("RFP"), one or more firms that are qualified underwriters will be selected for inclusion on DASNY's Qualified Underwriter List ("List"). DASNY expects to sell bond issues through the Personal Income Tax Revenue Bond Program and the Sales Tax Revenue Bond Program during the term of this engagement. Firms included on the List may also be used for other financings that may be undertaken by DASNY during the engagement period.

Firms who wish to serve as Selling Group Members are not required to provide a proposal in response to this RFP, but must complete and return the Common Application Coversheet attached. DASNY may add additional firms as Selling Group Members to its list of underwriters at any time upon demonstration of satisfactory registration requirements.

Include in the analysis an assessment of the debt structure, pricing and market conditions.

- 5. DASNY may undertake a mid-cycle review of performance. In addition, DASNY would like to further encourage and reward the efforts of firms that support our transactions through the sale of our bonds and to provide more opportunities to firms that do so. DASNY is considering the following initiatives, please comment.
 - a. When a firm requests a meeting, DASNY will request that the firm provide data detailing the firm's sales and distribution performance in recent DASNY transactions for discussion at the meeting.
 - b. DASNY will periodically ask all members of a syndicate for certain selected financings to provide a brief summary of the efforts the firm undertook to sell DASNY's bonds.
 - c. For lead managers, DASNY will track price and yield of bonds at initial sale and compare this to price and yield during the five days after initial sale, taking into consideration market movements.

D. INSIGHTS

Please limit your response to five (5) pages for this section.

- 1. How would your firm describe the "perfect" pricing in terms of subscription levels, mix between institutional and retail orders and the amount of bonds that are underwritten, including the level of adjustments, if any, to the scale.
- Discuss the factors that are involved in determining whether a transaction should initially be
 presented with a conservative scale versus an aggressive scale when your firm is
 positioning a transaction for the market. Discuss your thoughts on presenting a scale based
 on your firm's view of the market versus premarketing to investors to determine the initial
 scale.
- 3. Discuss any strategies you might have to expand DASNY's retail sales and institutional distribution. Include specific recommendations to enhance investor interest in DASNY's State Supported debt (i.e., internet marketing, smaller bond denominations etc.).
- 4. DASNY generally net designates the professional retail orders of the lead manager and colead manager(s) and requires sharing such compensation between the lead manager and the co-lead manager(s). Co-managers who receive professional retail orders are compensated for bringing such orders. Please discuss the pros and cons of this practice as well as any other alternatives such as group net arrangements.
- 5. Discuss the pros and cons of competitive sales and negotiated sales. In many instances when DASNY sells a competitive issue there are very few presale orders and the takedowns are relatively small. Please discuss these dynamics in competitive sales in relation to negotiated sales.
- DASNY traditionally bids its competitive PIT and Sales Tax transactions in multiple tranches in an effort to increase participation and achieve stronger pricing. Please comment on this strategy.
- 7. Discuss the pros and cons of Municipal Taxable bonds versus Corporate Taxable bonds for DASNY's private clients.
- 8. In DASNY taxable issues, transactions are oftentimes offered at + or 5 basis points. Discuss when it would be advantageous to offer bonds at a larger or smaller range.
- 9. Discuss how DASNY can limit financing costs. Include in your discussion the future role, if any, of variable rate bonds to limit costs and enhance the ability of the State to manage its bond portfolio.
- 10. Discuss your recommendations on the role of derivative obligations as financial tools. Include any recommendations regarding interest rate swaps, either fixed to floating and/or floating to fixed for any State Supported financing programs issued by DASNY.

E. IDEAS

Please limit your response to five (5) pages for this section.

- 1. Discuss any financing ideas or strategies regarding any of DASNY's public programs, such as the SUNY Dorms Program, the Workers Compensation Program, School District Revenue Bond Program, the Municipal Health Facilities Program, the public libraries, Board of Cooperative Educational Services (BOCES), among others.
- 2. Discuss any financing ideas or strategies which would benefit health care, higher education and/or other not-for-profit borrowers. If you have served as a senior manager for health care, higher education or not-for-profit clients, provide an example of an innovative financing that your firm has undertaken that might be useful to DASNY in its issuance of debt for any of its private clients.
- 3. DASNY has undertaken a number of initiatives recently to simplify and streamline the financing process for our private clients. DASNY's financing guidelines for higher education, health care and other not for profit institutions no longer require prescriptive security features and, instead, are based on current market conditions and practices. DASNY also eliminated unnecessary requirements from the financing process to increase speed and efficiency. Please comment on these initiatives and whether additional changes should be considered.
- 4. There has been strong growth in the market for Green Bonds in recent years. A number of DASNY clients have expressed interest in Green Bonds, with two private clients issuing Green Bonds in recent years to finance projects that were expected to be LEED certified. Discuss additional ways in which DASNY could assist public or private clients in issuing Green Bonds to highlight green projects and/or diversify their investor base.
- 5. Discuss ways in which DASNY and NY Green Bank could work together to assist higher education and health care borrowers to finance renewable energy and energy efficiency projects with the goal of helping to create a more efficient, reliable and sustainable energy system. NY Green Bank (www.greenbank.ny.gov) is a division of NYSERDA engaged in specialty finance activities to bring more private capital into New York's clean energy markets by working in partnership with the private sector to identify and alleviate market gaps and financing barriers. Potential NY Green Bank roles in facilitating greater capital investment include as lender and/or debt guarantor (http://greenbank.ny.gov/rfp1.aspx).
- 6. Discuss ways in which DASNY might participate in the issuance of "social impact bonds". Provide any relevant examples of transactions where your firm has marketed social impact bonds and discuss any implications for disclosure.
- 7. The Tax Cuts and Jobs Act eliminated the ability to undertake tax-exempt advance refundings. Please discuss any alternatives such as forward delivery of refunding bonds, taxable refundings, Cinderella bonds and/or other products and the pros and cons of these alternatives.
- 8. Discuss any other ideas for programs for which DASNY issues debt or could potentially issue debt, which would expand DASNY's service to its current or potential private clients, thereby enhancing DASNY's competitive position. (i.e., private placements, programs that address negative arbitrage associated with construction fund deposits.)

- 9. Discuss any statutory changes that could benefit DASNY's public and private bond programs.
- 10. Discuss any new bond programs that DASNY could undertake to further the State's public policy goals.

H. NYS VENDOR RESPONSIBILITY QUESTIONNAIRE FOR-PROFIT BUSINESS ENTITY

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or officer must certify the questionnaire and the signature must be notarized.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The <u>Vendor ID</u> is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a <u>Vendor ID</u>, contact the OSC Help Desk at <u>ciohelpdesk@osc.state.ny.us</u> or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at www.osc.state.ny.us/vendrep/documents/questionnaire/definitions.pdf. These terms may not have their ordinary, common or traditional meanings. Each vendor is strongly encouraged to read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered. Each response must provide all relevant information which can be obtained within the limits of the law. However, information regarding a determination or finding made in error which was subsequently corrected is not required. Individuals and <u>Sole Proprietors</u> may use a Social Security Number but are encouraged to obtain and use a federal <u>Employer</u> Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire <u>Legal Business Entity</u> or an <u>Organizational Unit</u> within or operating under the authority of the <u>Legal Business Entity</u> and having the same <u>EIN</u>. Generally, the <u>Organizational Unit</u> option may be appropriate for a vendor that meets the definition of "<u>Reporting Entity</u>" but due to the size and complexity of the <u>Legal Business Entity</u>, is best able to provide the required information for the <u>Organizational Unit</u>, while providing more limited information for other parts of the <u>Legal Business Entity</u> and Associated Entities.

ASSOCIATED ENTITY

An <u>Associated Entity</u> is one that owns or controls the <u>Reporting Entity</u> or any entity owned or controlled by the <u>Reporting Entity</u>. However, the term <u>Associated Entity</u> does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the <u>Reporting Entity</u>), unless such sibling entity has a direct relationship with or impact on the <u>Reporting Entity</u>.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the <u>Legal Business Entity</u>. Section II requires the vendor to specify the <u>Reporting Entity</u> for the questionnaire. Section III refers to the individuals of the <u>Reporting Entity</u>, while Sections IV-VIII require information about the <u>Reporting Entity</u>. Section IX pertains to any Associated Entities, with one question about their <u>Officials/Owners</u>. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

I. Code of Business Ethics

The bidder (or Proposer) shall submit this form at time of bid (or with RFP).

A. Ethics Programs

- DASNY, a public-benefit corporation, expects the highest degree of ethical business conduct by its
 employees and the many contractors, consultants and vendors with whom it interacts on behalf of its
 clients, bondholders and the people of the State of New York. DASNY, by mandate of its Board of
 Directors, administers a comprehensive corporate integrity program to ensure that, as public officers,
 DASNY employees at all levels perform their official duties consistent with the requirements of the
 New York State Public Officers Law; other applicable laws, rules, and regulations; and policies of
 DASNY.
- 2. DASNY encourages and supports a fair, open and honest business relationship with its contractors, consultants and vendors based on quality, service and cost. Moreover, DASNY believes that a "level playing field" in the marketplace can only be achieved through adherence to ethical business practices by all participants involved in the process.
- 3. To promote a working relationship with DASNY based on ethical business practices, contractors, consultants and vendors are expected to:
 - a. furnish all goods, materials and services to DASNY as contractually required and specified;
 - b. submit complete and accurate reports to DASNY and its representatives as required;
 - c. not seek, solicit, demand or accept any information, verbal or written, from DASNY or its representatives that provides an unfair advantage over a competitor;
 - d. not engage in any activity or course of conduct that restricts open and fair competition on DASNY-related projects and transactions;
 - e. not engage in any course of conduct with DASNY employees or representatives that constitutes a conflict of interest or creates the appearance of a conflict of interest;
 - f. not offer any unlawful gifts or gratuities to DASNY employees or representatives, or engage in bribery or other criminal activity; and
 - g. report to DASNY any activity by a DASNY employee or contractor, consultant or vendor of DASNY that is inconsistent with DASNY's *Code of Business Ethics*.
- 4. DASNY encourages its contractors, consultants and vendors to advance and support ethical business conduct and practices among their respective directors, officers and employees, preferably through the adoption of corporate ethics awareness training programs and written codes of conduct. In addition to considering technical competence and financial stability, DASNY will consider the *corporate integrity* of all contractors, consultants and vendors prior to the awarding of contracts or issuing of purchase orders.

B. Conduct of DASNY Employees

DASNY employees are expected to conduct business with contractors, consultants and vendors in a fair, consistent and professional manner. DASNY's Code of Business Ethics and Employee Conduct entitled *Serving Responsibly*, and other DASNY policies and procedures, guide the manner in which DASNY employees are required to interact with contractors, consultants and vendors. Additionally, the New York State Public Officers Law sets forth legal parameters within which DASNY employees must perform their official duties with respect to, among other things, conflicts of interest and the acceptance of gifts.

C. Limits on Gifts to DASNY Employees

- 1. Pursuant to Section 73(5) of the Public Officers Law, no person shall offer any gift having more than a nominal value to a DASNY employee under circumstances in which it:
 - a. could be reasonably inferred the gift was intended to influence the employee in the performance of his or her official duties;, or
 - b. could reasonably be expected to influence the employee in the performance of his or her official duties;, or
 - c. was intended as a reward for any official action on the part of the employee.
- 2. A gift is anything more than nominal in value, in any form, given to a DASNY employee. Gifts include, but are not limited to, money, service, loan, travel, lodging, meals, refreshments, entertainment, discount, forbearance or promise. Any firm or its agents, either doing business or seeking to do business with DASNY (contractors, consultants, vendors, etc.), is prohibited from directly or indirectly offering or giving any gifts, even gifts of nominal value, to DASNY employees as such gifts are deemed to be *per se* improper.
- 3. As is stated in the *Prohibited Interests* section of the Construction and Consultant Contract documents, violations of these gift provisions may be grounds for immediate contract termination and/or referral for civil action or criminal prosecution.

D. Employing Relatives of DASNY Employees

Although contractors, consultants and vendors may employ relatives of DASNY employees, DASNY must be made aware of such circumstances as soon as possible, preferably in writing, to ensure a conflict of interest situation does not arise. DASNY reserves the right to request that contractors, consultants and vendors modify the work assignment of a DASNY employee's relative where a conflict of interest, or the appearance thereof, is deemed to exist. Please be advised that DASNY employees are required to disclose information regarding the hiring of relatives by contractors, consultants and vendors and recuse themselves from matters that may present a conflict of interest. For purposes of this document, the term "relatives" refers to spouses, domestic partners, parents, children, sisters, brothers, sisters-in-law, brothers-in-law, parents-in-law, sons/daughters-in-law, stepparents, stepchildren, aunts, uncles, nieces, nephews, first cousins, grandparents by blood relationship or by marriage, or persons residing in the same household.

E. Hiring Former DASNY Employees

Contractors, consultants and vendors may hire former DASNY employees. However, as a general rule, former employees of DASNY may neither appear nor practice before DASNY, nor receive compensation for services rendered on a matter before DASNY, for a period of *two years* following their separation from DASNY service. In addition, former DASNY employees are subject to a "*lifetime bar*" from appearing before DASNY or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with DASNY. Violations will be referred to the New York State Commission on Public Integrity for appropriate action.
