

ADDENDUM NO.: 003

IFB NO.: 689

Description: Queens College Unified
Communications Solution

Project: CUNY - Queens College

Telephone Upgrade

Bid Opening Date: February 16, 2021

Specifics of the Addendum: RFI's

Question:

We are wondering if it is possible to quote the Ribbon SBC's "as a service", rather than providing Queens college providing the PTSN?

Answer:

Ribbon SBC is critical to this install. We are still using our existing PSTN service and will connect to it. It also will be used for Dial plan with the existing PBX service.
