Upon the request of the OWNER, The CONSTRUCTION MANAGER shall furnish the OWNER with certified copies of each policy.

D. Effect Of Insurance

E. Priority

Insurance coverage (including any deductible or self-insured retention) required from persons or entities other than the OWNER or the OWNER's Related Parties shall be deemed primary to any coverage provided by the OWNER or the OWNER's Related Parties.

1. The CONSTRUCTION MANAGER be specifically named as an indemnity in the Indemnification and Hold Harmless furnished by each of the Prime Contractors to the OWNER; and

B. Risks Assumed by the CONSTRUCTION MANAGER

1. The CONSTRUCTION MANAGER solely assumes the following distinct and several risks whether said risks arise from acts or omissions, whether supervisory or otherwise, including unforeseen obstacles and difficulties which may be encountered in the prosecution of the Work, and whether said risks involve any legal duty, primary or otherwise, imposed upon the OWNER or the Client, excepting only risks which arise from faulty designs as shown by the plans and specifications or from the negligence of the OWNER, the Client, or the OWNER's members, officers, employees, or representatives, (hereinafter Protected Persons), that caused the loss, damage, or injuries hereinafter set forth:
  - a. the risk of loss or damage to the Work or to any plant, equipment, tools, materials, or property furnished, used, installed, or received by the Protected Persons. The CONSTRUCTION MANAGER shall bear said risk of loss or damage until the Work is completed or until completion or removal of said plant, equipment, tools, materials or property from the site and the vicinity thereof, whichever event occurs last, and in

the event of said loss or damage, the CONSTRUCTION MANAGER shall timely repair, replace or make good any said loss or damage after notification to the OWNER's representative and Risk Management Unit, and;

- b. the risk of claims, just or unjust, by third persons against the Protected Persons on account of wrongful death, bodily injuries, and property damage, arising or alleged to arise out of, or as a result of, or in connection with the performance by the CONSTRUCTION MANAGER of the Work. The CONSTRUCTION MANAGER shall bear the risk for all deaths, injuries, damages, or losses sustained or alleged to have been sustained prior to the Final Acceptance of the Work, or resulting from the CONSTRUCTION MANAGER's negligence or alleged negligence which is discovered, appears, or is manifested after acceptance by the OWNER, and;

The CONSTRUCTION MANAGER shall assume the defense and pay on behalf of the Protected Persons, any and all loss, expense, damage, or injury that the Protected Persons, may sustain as the result of any claim, provided however, the CONSTRUCTION MANAGER shall not be obligated to indemnify the Protected Persons for their own negligence, if any. The CONSTRUCTION MANAGER agrees to assume, and pay on behalf of the Protected Persons, the defense of any action at law or equity which may be brought against the Protected Persons. The assumption of defense and liability by the CONSTRUCTION MANAGER includes, but is not limited to: the amount of any legal fees associated with defending, all costs of investigation, expert evaluation, and any other costs including any judgment or interest or penalty that may be entered against the Protected Persons, in any said action.

2. The CONSTRUCTION MANAGER's obligations under this Article shall not be deemed waived, limited, or discharged by the enumeration of procurement of any insurance for liability for damages.

3. Neither Final Acceptance of the Work nor making any payment shall release the CONSTRUCTION MANAGER from the CONSTRUCTION MANAGER's obligations under this Article. The enumeration elsewhere in the Contract of particular risks assumed by the CONSTRUCTION MANAGER or of particular claims for which the CONSTRUCTION MANAGER is responsible shall not be deemed to limit the effect of the provisions of this Article or to imply that the CONSTRUCTION MANAGER assumes, or is responsible for, only risks or claims of the type enumerated; and neither the enumeration in this Article nor the enumeration elsewhere in the Contract of particular risks assumed by the CONSTRUCTION MANAGER of particular claims for which the CONSTRUCTION MANAGER is responsible shall be deemed to limit the risks which the CONSTRUCTION MANAGER would assume or the claims for which the CONSTRUCTION MANAGER would be responsible in the absence of said enumerations.

1. The CONSTRUCTION MANAGER shall identify any unique feature or aspect of the Project which could lead to personal injury or property damage during the course of demolition and/or construction of the Project. These features or aspects shall be fully described, and a separate portion of any design, plan, or specification developed by the CONSTRUCTION MANAGER shall include a description of the feature or aspect which creates the threat of bodily injury or property damage. The same section of any design, plan, or specification shall set out which building trade or Contractor will be responsible for establishing procedures, including warnings and safety devices, related to the potential bodily injury or property damage causing features or aspects of the Project.

Upon the conclusion of any such action, proceeding or lawsuit, should a final binding determination of responsibility be made which allocates responsibility to the OWNER, the Client, or the OWNER's members, officers, employees, or representatives, the OWNER agrees that the obligation to indemnify and hold harmless shall not be applicable to the portion of any money judgment for which the OWNER is responsible, and the OWNER agrees to pay the CONSTRUCTION MANAGER the percentage of defense costs which the CONSTRUCTION MANAGER incurred based upon an apportionment of the OWNER'S allocated responsibility.

**ARTICLE XV: OWNER'S RIGHT TO AUDIT AND INSPECT RECORDS**

The CONSTRUCTION MANAGER shall maintain, and shall keep for a period of six (6) years after the date of final payment, all records and other data relating to the Project. - a. Definitions'

Project: Work at the Site carried out pursuant to one or more sets of Contract Documents.

Scope, Budget and Schedule Confirmation Form: A standard Owner's form, executed by the Owner, the Client, the Design Professional and/or the Construction Manager, agreeing in principal to the Project's scope, budget and schedule.

Activity: A discrete part of the Contract that can be identified for planning, scheduling, monitoring, and controlling the Project. Activities included in a CPM schedule consume time and resources.

- i. Critical Activity: An activity on the critical path that has no total float.
- ii. Predecessor Activity: An activity that precedes another activity in the network.
- iii. Successor Activity: An activity that follows another activity in the network.

Bid Milestone Schedule: Interim milestones, included in the Contract Documents, which the Contractor utilizes to formulate the Baseline Schedule.

Baseline Schedule: Initial schedule, prepared by the Contractor, to complete the Work of the Contract in accordance with the Contract duration and starting point to which schedule updates are compared.

CPM: Critical path method is a scheduling method used to plan and schedule construction projects where activities are arranged based on activity relationships creating a time scaled network diagram.

PDM: Precedence diagram method follows the standard CPM calculations and allows for special logic relationships creating an interdependent relationship throughout the network.

Critical Path: The longest connected chain of interdependent activities through the network schedule that establishes the minimum overall Project duration and contains no total float.

b. Quality Assurance

Project Scheduler Qualifications: Provide an experienced person in CPM scheduling and reporting, with capability of coordinating, reviewing and verifying as built dates for the CPM reports and diagrams within timeframes requested by the Owner. The project scheduler shall have a minimum of five years of demonstrated experience reviewing schedules for large capital projects.

Third Party Scheduling Consultant Qualifications: Provide an experienced person in CPM scheduling and reporting, with capability of producing CPM reports and diagrams within timeframes requested by the Owner. The project scheduler shall have or be able to obtain certification as a Planning and Scheduling Professional (PSP) or have a minimum of five years of demonstrated experience scheduling large capital projects.

Computer Scheduling Software: Prefixed by the Owner's template - prepare CPM schedules using current version of a program that has been developed specifically to manage CPM schedules and interface with the Owner's electronic file, utilize Primavera P6 or P3 Primavera Project Planner operating system.

Evaluate Scheduling Requirements: Evaluate the Construction Phase Schedule for conformance with industry standards, reasonableness of overall proposed schedule duration and methodology. Provide recommendations and possible alternative solutions, which at minimum addresses:

- i. Available labor resources.
- ii. Construction sequence, logical progression of the Work.
- iii. Phasing, long lead items.
- iv. Critical path.
- v. Contract milestones, division of Work.
- vi. Develop a Work Breakdown Structure to be utilized in the schedules, cost estimates and schedule of values for each construction contract package for the project.

c. Scheduling Requirements

Scope, Budget and Schedule Confirmation Form: Execute the initial Form prior to commencement of the Predesign Phase of the Project. Subsequently, the form shall be updated and executed at each planned design phase, (schematic, design development, construction documents phases), the final Form shall be updated and executed with the Bid Document phase submission.

Construction Phase Schedule: Prepare an expanded schedule for the Construction Phase of the Project using a time-scaled PDM network diagram representing major milestone activities unique to each proposed Contract.

Include skeleton diagram, which outlines significant construction milestone activities of each proposed Contract, which will formulate the Bid Milestone Schedule. Indicate activities such as:

- i. Notice to Proceed.
- ii. Major milestone activities unique to each Contract.
- iii. Phasing.
- iv. Critical Path.
- v. Substantial Completion.

vi. Contracts Closeout.

Bid Milestone Schedule Preparation: Formulate the Bid Milestone Schedule from the Construction Phase Schedule requirements as indicated above. Attach a copy of the Bid Milestone Schedule to General Requirement Section 013200 – Construction Progress Documentation in the Project Manual. The Bid Milestone Schedule shall form the basis for each Contractor to prepare their Baseline Schedule.

16. Develop a payment breakdown to be included in the bid documents for each construction contract. The payment breakdown shall contain information required by the Owner. The payment breakdown shall be transmitted, or be transmissible, electronically, in a file type, layout and format specified by the Owner.

The Trade Payment Breakdown will be developed in a format comparable to the CONSTRUCTION MANAGER's 100% Construction Document, Construction Specification Institute (CSI) estimate.

Participate, as directed by the OWNER, in the investigation of the experience and performance record of the apparent low bidder(s).

The CONSTRUCTION MANAGER shall participate in a post bid/pre-award meeting(s) with the low bidder(s).

The CONSTRUCTION MANAGER will prepare a spreadsheet that will allow for the comparison of the bidder(s) Trade Payment Breakdown and the CONSTRUCTION MANAGER's 100% Construction Document estimate, line item against line item. The spreadsheet will illustrate, in dollars and percentage, the variance, if any, between line items.

The CONSTRUCTION MANAGER will then reconcile any variance with the Contractor.

Upon reconciling all variances with the Contractor, the CONSTRUCTION MANAGER will submit to the OWNER for the OWNER's approval, a Trade Payment Breakdown that includes only the Contractor's portion of the Trade Payment Breakdown. The comparison spreadsheet will be attached as back-up to the Trade Payment Breakdown.

17 Project Management System

If the CONSTRUCTION MANAGER is a partnership and a partner shall die prior to the completed performance of this Contract, the OWNER, in the OWNER's discretion, may deem the Project or any part thereof, suspended or altered on the date of said death or any date thereafter which the OWNER selects, and the payment to the estate of the deceased CONSTRUCTION MANAGER or the partnership, pursuant to this Contract, shall be made as if the Project or any part thereof had been suspended or altered on the

The OWNER shall have the right to the immediate possession of all files of the CONSTRUCTION MANAGER relating to the Project, all plans and specifications in regard to the Project, and shall have a right to retain the services of another CONSTRUCTION MANAGER to complete the Project. If the CONSTRUCTION MANAGER is a professional or other corporation, then this paragraph shall not be applicable.

**15. OWNER-CONSTRUCTION MANAGER RELATIONSHIP**

The relationship created by this Contract between the OWNER and CONSTRUCTION MANAGER is one of independent CONSTRUCTION MANAGER and it is in no way to be construed as creating any agency relationship between the OWNER and the CONSTRUCTION MANAGER nor is it to be construed as, in any way or under any circumstances, creating or appointing the CONSTRUCTION MANAGER as an agent of the OWNER for any purpose whatsoever.

**16. PROTECTION OF LIVES AND HEALTH**

Each CONSTRUCTION MANAGER and Subconsultant shall comply fully with all applicable provisions of the laws of the State of New York, the United States of America, and with all applicable rules and regulations, adopted or promulgated, by agencies or municipalities of the State of New York or the United States of America. The CONSTRUCTION MANAGER's and Subconsultant's attention is specifically called to the applicable rules and regulations, codes, and bulletins of the New York State Department of Labor and to the standards imposed under the Federal Occupational Safety and Health Act of 1970, as amended. The CONSTRUCTION MANAGER shall report on compliance to the OWNER or OWNER's Representative.

**17. AFFIRMATIVE ACTION AND NEW YORK STATE BUSINESS AND LABOR PARTICIPATION**

- A. The CONSTRUCTION MANAGER agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the OWNER, to fully comply with and cooperate in the implementation of an Affirmative Action Plan designed to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for Minority/Women Business Enterprise (M/WBE) participation in the performance of the Work, in such form and substance as herein stated. Failure to demonstrate good faith efforts to meet its CONSTRUCTION MANAGER's Workforce Utilization Plan will be a primary consideration for future responsibility determinations. The CONSTRUCTION MANAGER further agrees to incorporate all Affirmative Action provisions of the Contract in all subcontracts, regardless of tier.
- B. The CONSTRUCTION MANAGER must submit to the OWNER, and the prospective Subconsultant's must submit to the CONSTRUCTION MANAGER, an Affirmative Action Plan which demonstrates its best efforts to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for MBE/WBE participation in the performance of the Work, in such form and substance as may be required by the OWNER. A meeting to review these submissions may be scheduled by the OWNER.
- C. These Affirmative Action provisions shall be deemed supplementary to, and not in lieu of the nondiscrimination provisions required by NYS Labor Law or other applicable Federal, State or local laws.
- D. In Accordance with Article 15A of the Executive Law and in conformance with the Regulations promulgated by the Minority and Women's Business Development Division of the New York State Department of Economic Development, the CONSTRUCTION MANAGER agrees to be bound

by the following clauses. In any circumstances of uncertainty or conflict, the Regulations of the Minority and Women's Business Development Division supersede this information.

**1) Utilization Plan; Waivers**

- a. The CONSTRUCTION MANAGER shall submit to the OWNER a Utilization Plan on forms provided by the OWNER within ten days of notification of selection. The Utilization Plan shall list all Subconsultants and suppliers the CONSTRUCTION MANAGER intends to use on the Contract and indicate which ones are M/WBEs. The Utilization Plan shall be prepared to achieve the participation goals indicated in the Request for Proposal.
- b. The OWNER will review the Utilization Plan and will issue to the CONSTRUCTION MANAGER a written notice of acceptance or deficiency within 20 days of its receipt. A notice of deficiency shall include (i) the name of any M/WBE which is not acceptable for the purpose of complying with the M/WBE participation goals and the reasons why it is not acceptable; (ii) elements of the Contract scope of work which the OWNER has determined can be reasonably structured by the CONSTRUCTION MANAGER to increase the likelihood of participation in the Contract by M/WBEs; and (iii) other information which the OWNER determines to be relevant to the Utilization Plan.
- c. The CONSTRUCTION MANAGER shall respond to the notice of deficiency within seven business days of receipt by submitting to the OWNER a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the OWNER to be inadequate, the OWNER shall notify the CONSTRUCTION MANAGER and direct the CONSTRUCTION MANAGER to submit, within five business days, a request for a partial or total waiver of M/WBE participation goals on forms provided by the OWNER. Failure to file the waiver form in a timely manner may be grounds for disqualification of the proposal.
- d. The CONSTRUCTION MANAGER who has made good faith efforts to obtain commitments from M/WBE Subconsultant's and suppliers prior to submitting its Utilization Plan may submit a request for waiver at the same time it submits its Utilization Plan. If a request for waiver is submitted with the Utilization Plan and is not accepted by the OWNER at that time, the provisions of clauses b. and c., regarding the notice of deficiency and written remedy will apply. In this case, the CONSTRUCTION MANAGER may submit a second request for waiver as directed by the OWNER.
- e. If the CONSTRUCTION MANAGER does not submit a Utilization Plan, remedy deficiencies in a Utilization Plan, submit a request for waiver, or if the OWNER determines that the Utilization Plan does not indicate that the M/WBE participation goals will be met and/or that the CONSTRUCTION MANAGER has failed to document good faith efforts, the OWNER may disqualify the CONSTRUCTION MANAGER as being not-responsible.
- f. The CONSTRUCTION MANAGER shall attempt to utilize, in good faith, any MBE or WBE identified within its Utilization Plan, at least to the extent indicated in the Plan.

**2) Administration Hearing on Disqualification**

- a. If the OWNER disqualifies a CONSTRUCTION MANAGER for any of the reasons set forth in 1) e. above, the CONSTRUCTION MANAGER shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by the OWNER to review the determination of disqualification and non-responsibility of the CONSTRUCTION MANAGER.
- b. The hearing officer's determination shall be the final determination of the OWNER. Such final administrative determination shall be reviewable by a proceeding brought pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is commenced within 30 days of notice given by certified mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.

**3) Good Faith Efforts**

In order to show that it has made good faith efforts to comply with the M/WBE participation goals of this Contract, the CONSTRUCTION MANAGER shall submit such documentation as will enable the OWNER to make a determination in accordance with the criteria set forth in Section 313 of the Executive Law and the Rules and Regulations promulgated there under.

- a. If the CONSTRUCTION MANAGER, after making good faith efforts, is unable to comply with a Contract's M/WBE participation goals, the CONSTRUCTION MANAGER may submit a request for a partial or total waiver on forms provided by the OWNER documenting good faith efforts by the CONSTRUCTION MANAGER to meet such goals. If the documentation required with the request for waiver is complete, the OWNER shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

The determination of the Director as to the imposition of fines, sanctions, or penalties shall be reviewable pursuant to Article 78 of the Civil Practice Law and Rules.

Said amounts shall be the difference between the planned dollar amount of MBE/WBE sub-contract awards and the actual dollar amount of such awards.

## **18. NYS VENDOR RESPONSIBILITY QUESTIONNAIRE AND CONTINUING INTEGRITY**

- A. In order to assist the OWNER in determining the responsibility and reliability of the vendor selected for the Contract and to effectuate the directives of Executive Order No. 125, the Council of Contracting Agencies has adopted procedures to collect and exchange relevant information among Contracting Agencies.
- B. When directed by the OWNER, prior to the award of any Contract valued at \$10,000 or more, the construction manager shall, within ten days following either oral or written notice that it must comply, submit evidence of a duly executed NYS Vendor Responsibility Questionnaire (VRQ) to the OWNER.

The Construction Manager shall also monitor each subconsultant or subcontractor for responsiveness and responsibility at all times during the Contract term. The Construction Manager agrees, if requested by the President of the Owner or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. The Construction Manager shall immediately notify Owner of any material or adverse information pertaining to the Construction Manager or any Subconsultant, regardless of tier.
- E. The President of the Owner or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls in to question the responsibility of the Construction Manager. In the event of such suspension, the Construction Manager will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Construction Manager shall comply with the terms of the suspension order. Contract activity may resume at such time as the President of the Owner or his or her designee issues a written notice authorizing a resumption of performance under the Contract.
- F. Notwithstanding any other provision of this Contract, upon written notice to the Construction Manager, and a reasonable opportunity to be heard with the appropriate Owner officials or staff, the Contract may be terminated by the President of the Owner or his or her designee at the Construction Manager's expense where the Construction Manager is determined by the President of the Owner or his or her designee to be non-responsible. In such event, the President of the Owner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for the breach.
- G. In selecting a Subconsultant or Subcontractor, the Construction Manager shall consider whether the proposed Subconsultant or Subcontractor appears on any list of entities debarred or suspended from doing business with a government entity, including the current list of companies or individuals that have been declared ineligible to receive Federal contracts published by the System for Award Management. The Construction Manager shall not Subcontract with any entity on the List of Employers Ineligible To Bid On Or Be Awarded Any Public Contract, published by the NYS Department of Labor Bureau of Public Work. At any time during the term of the Contract, the Owner may request, and the Construction Manager, Subconsultant or Subcontractor shall provide, a NYS Vendor Responsibility Questionnaire For Profit Construction (CCA-2) for any Subcontractor performing Work on the Project for review. Additionally, the Owner or Construction Manager may require a Subconsultant or Subcontractor to update, recertify and resubmit a previously submitted NYS Vendor Responsibility Questionnaire For Profit Construction (CCA-2) to the Owner upon request. Refer to General Conditions Article 19 – Executive Order No. 125.

**19. PROHIBITED INTERESTS/ETHICAL CONDUCT - CONSTRUCTION MANAGERS**

- A. Officers and employees of DASNY are bound by Sections 73, 73-a and 74 of the *New York State Public Officers Law*. In addition, no officer, employee, Consultant, attorney, engineer, inspector or CONSTRUCTION MANAGER of or for DASNY authorized on behalf of DASNY to exercise any legislative, executive, administrative, supervisory or other similar functions in connection with the Contract or the Work, shall become personally interested, directly or indirectly, in the Contract, material supply contract, subcontract, insurance contract, or any other contract pertaining to the Work.
- B. Section 73(5) of the *Public Officers Law* expressly prohibits the CONSTRUCTION MANAGER, or its agents, from directly or indirectly offering or giving any gift having more than nominal value to an employee of DASNY under circumstances in which it could be reasonably inferred the gift was intended to influence the employee in the performance of their official duties, could reasonably be expected to influence the employee in the performance of their official duties, or was intended as a reward for the employee's official action.

In addition to the prohibition of Section 73 (5) of the Public Officers Law, DASNY has a “zero tolerance” policy with respect to the solicitation, acceptance or receipt of gifts from disqualified sources. Therefore, the Professional and its agents should refrain from offering or giving anything of value to an employee of DASNY. Employees of DASNY may not solicit any gift, gratuity, stipend or thing of value from the CONSTRUCTION MANAGER or its agents. Violations of these gift provisions may be grounds for immediate Contract termination and/or referral for civil action or criminal prosecution.

- C. To promote a working relationship with the Owner based on ethical business practices, the CONSTRUCTION MANAGER is expected to:
- 1) furnish all goods, materials and services to the Owner as contractually required and specified,

  - 4) not engage in any activity or course of conduct that restricts open and fair competition on Owner-related projects and transactions,
  - 5) not engage in any course of conduct with Owner employees or its agents that constitutes a conflict of interest, in fact or in appearance, and
  - 6) not offer or give any unlawful gifts or gratuities, or engage in bribery or other criminal activity.

- D. The Owner encourages the CONSTRUCTION MANAGER to advance and support ethical business conduct and practices among its directors, officers and employees, preferably through the adoption of corporate ethics awareness training programs and written codes of conduct.
- E. Although the CONSTRUCTION MANAGER may employ relatives of Owner employees, the Owner must be made aware of such circumstances as soon as possible, preferably in writing, to ensure a conflict of interest situation does not arise. The Owner reserves the right to request that the CONSTRUCTION MANAGER modify the work assignment of a relative of an Owner employee where a conflict of interest, or the appearance thereof, is deemed to exist.
- F. The CONSTRUCTION MANAGER may hire former employees of the Owner. However, as a general rule, former employees of the Owner may neither appear nor practice before the Owner, nor receive compensation for services rendered on a matter before the Owner, for a period of *two years* following their separation from service with the Owner. In addition, former employees of the Owner are subject to a "*lifetime bar*" from appearing before the Owner or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the Owner.
- G. The CONSTRUCTION MANAGER agrees to notify the Owner's Office of Internal Affairs at 518-257-3193 of any activity by an employee of the Owner that is inconsistent with the contents of this Section.
- H. Any violation of these provisions shall justify termination of this Contract and may result in Owner's rejection of the CONSTRUCTION MANAGER's bids or proposals for future contracts.

## 20. COOPERATION WITH INVESTIGATIONS

**The CONSTRUCTION MANAGER agrees to cooperate fully and faithfully with any investigation, audit or inquiry conducted by the Office of Internal Affairs ("OIA") of the OWNER or any other duly authorized representative of the OWNER ("Representative").**

The CONSTRUCTION MANAGER shall assist the OIA or the Representative in obtaining access to, interviews with, and information from all former and current persons employed and/or retained by the CONSTRUCTION MANAGER, for purposes of the Contract.

The CONSTRUCTION MANAGER shall require each Subcontractor to include in all agreements that the Subcontractor may hereinafter enter into with any and all Subcontractors, CONSTRUCTION MANAGERS and suppliers, in connection with the Contract, a right-to-audit clause in favor of the OWNER conferring rights and powers of the type outlined in this section. The CONSTRUCTION MANAGER shall not enter into any Subcontract with a Subcontractor in connection with the Contract that does not contain such a provision.

The CONSTRUCTION MANAGER shall not make any payments to a Subcontractor, CONSTRUCTION MANAGER or supplier from whom the CONSTRUCTION MANAGER has failed to obtain and supply to the OIA or the Representative complete, accurate and truthful information in compliance with a request from the OIA or the Representative to the CONSTRUCTION MANAGER.

Any violation of the provisions of this Article shall justify termination of this Contract and may result in the OWNER's rejection of the CONSTRUCTION MANAGER's bids or proposals for future contracts.

  - 3) Withholding of final payment on the Contract
  - 4) Civil and/or criminal prosecution
- B. These provisions are solely for the benefit of the Owner, and any action or non-action hereunder by the Owner shall not give rise to any liability on the part of the Owner.
