--

1. The date and time of bid opening or the proposal due date will be given by the Notice to Bidders or the Request for Proposal
2. All bids and proposals are to be submitted on forms provided by the Dormitory Authority
3. All bids must be sealed. Telegraphic or telephone bids will not be considered.
4. The Bidder or Proposer must provide all information as required by the Notice to Bidders or Request for Proposals.
5. Each bid shall be construed to be completely in accordance with the Specifications unless the Bidder explains all deviations in detail on a separate letterhead attached to the Bid.

6. Prices and information required by the Notice to Bidders or the Request for Proposals, except the signature of the bidder, or Proposer should be typewritten or printed legibly. Submissions written in pencil may be rejected.
7. In all Notice to Bidders and Request for Proposals, the words "or equal" are understood to appear after each reference to a Commodity giving manufacturer's name or catalog reference. Should "or equal" Commodities not be accepted, this will be stated clearly in the Notice to Bidders or the Request for Proposal. If bidding or proposing Commodities other than those specified, the Bidder or Proposer must in every instance give the trade designation of the Commodity, manufacturer's name and detailed specifications of the Commodity to be furnish. Comparable products will be considered if proof of comparability is provided. The Owner's decision as to acceptance of the product as an "or equal" will be final. The burden of proof and all costs related thereto concerning the "or equal" nature of the substitute item, whether approved or disapproved, shall be borne by the Contractor.
8. The Dormitory Authority reserves the right to award a contract, or contracts, on the basis of the lowest bid for each item set forth in the Notice to Bidders or as in the case of Requests for Proposals, on the basis of the proposal judged to be the "best value".
9. When bids are requested on a by-item or by-lot basis, a Bidder must designate the item or lot cost or a no charge. Items or lots left undesignated will be determined as not being bid
10. The Bidder must insert the price per unit specified, and the price extension for each item in this bid if required. In the event of a discrepancy between the unit price and the extension, the unit price will govern. Prices must be extended in decimals, not fractions
11. Prices must be net, including transportation, delivery charges and applicable taxes fully prepaid by Contractor to the designation(s) indicated.
12. Bidders are cautioned to verify their bids before submission, as bids and amendments to bids or requests for withdrawal of bids received by the Authority after the time specified for the bid opening may not be considered. Should any error appear in the Specifications or Drawings, such error should be brought to the attention of the Owner immediately.
13. All bids will be opened publicly.

14. A Late Bid will be returned to the sender unopened and will not be considered in awarding a contract.
15. Before making an award:
 - A) The Dormitory Authority reserves the right before making an award to make investigations as to whether or not the Commodities, qualifications or facilities offered by the Bidder or Proposer meet the requirements set forth in the Notice to Bidders or Request for Proposal and are sufficient to insure the proper performance of the Contract.
 - B) If required by the Supplemental Specifications, the Bidder or Proposer agrees to furnish the Owner a Performance Bond and/or Labor and Material Payment Bond in the amount and form approved by the Owner, the cost thereof to be paid for by the Owner. 19. If two or more bidders submit identical bids as to price, the decision of the Dormitory Authority to award a Contract to one or more of such identical bidders shall be final.
20. A Contract awarded by the Dormitory Authority shall be deemed executory only to the extent of moneys available, and no liability shall be incurred by the Authority beyond the moneys available therefore.
21. All bids shall be received with the understanding that the acceptance thereof in writing by the Dormitory Authority shall constitute the Contract between the Bidder and the Dormitory Authority. The mailing of either a Contract award or of a Purchase Order to the address on the bid shall be sufficient notice of such acceptance.

22. Unless otherwise specified, the quantities listed in the Notice to Bidders or Request for Proposal are subject to change to conform with the Dormitory Authority requirements. The quantities listed are estimated only and the Contract shall be for the quantities actually ordered.
23. Unless terminated or cancelled by the Dormitory Authority, Contracts will remain in force for the period specified or until all Commodities ordered before the termination date shall have been satisfactorily delivered and accepted.
24. Unless otherwise authorized in writing by the Dormitory Authority, no Commodities are to be shipped or delivered until an official Purchase Order or Contract is received from the Dormitory Authority.
25. Without the prior consent, in writing, of the Dormitory Authority, the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of the Contract or the right, title, duties or interest therein or the power to execute any Contract to any other person, company or corporation.
26. It is hereby understood between the parties hereto that the relationship created by the Contract Documents between the Dormitory Authority and the Contractor is one of independent contractor and it is in no way to be construed as creating an agency relationship between said parties nor is it to be construed as in any way or under any circumstances to be creating or appointing the Contractor as an agent of the Authority for any purpose whatsoever.
27. If the same or a smaller quantity of a Commodity is sold by a Contractor holding a contract with the State of New York for such Commodity at a price below the state contract price, the price to the Dormitory Authority shall be reduced to the lower amount

ARTICLE III -SAMPLES

1. The Dormitory Authority reserves the right to request a representative sample of a Commodity at any time. The sample shall be furnished within a reasonable period of time as specified by the Authority.

2. If the sample, in the judgment of the Dormitory Authority, is not in accordance with the requirements of the specifications and Notice to Bidders or the Request for Proposal, the Dormitory Authority may in its sole discretion permit a period of time for a reworking of the sample or reject the bid or proposal.
3. When samples are required, failure to submit them in accordance with instructions may be sufficient cause for rejecting a bid or proposal.
4. When an accepted sample exceeds the minimum Specifications, all Commodities delivered will be of same quality and identity as the sample.
5. Samples must be submitted free of charge and be identified with the firm's name, address and the Dormitory Authority Bid or Proposal number.
6. All samples are subject to tests in the manner and place designated by the Dormitory Authority. Samples consumed or made useless by testing will not be returned to the Bidder or Proposer.
7. Where testing has not impaired the sample, the unsuccessful Bidders or Proposer shall, at no charge to the Dormitory Authority, remove said sample within fourteen (14) days from date of notification. Failure to remove samples within the designated period shall constitute abandonment of the sample and its disposition shall be at the discretion of the Dormitory Authority.
8. The Dormitory Authority may hold samples during the entire term of the Contract for comparison with deliveries.
9. A Notice to Bidders or Request for Proposal may indicate that the Commodity to be purchased must be equal to a sample on display in a designated place. Failure on the part of the Bidder or Proposer to examine such sample shall NOT entitle him to any relief from the conditions imposed in the Notice to Bidders, Specifications and other Contract Documents.

ARTICLE IV - DRAWINGS

1. Rough and shop drawings shall be furnished as deemed necessary and required by the Specifications. Such drawings shall be consistent with the Contract Documents and shall be considered as forming part of the Specifications and the Contract to which they relate.
2. All lettering on the drawings shall be considered a part of the drawings.

3. Approval by the Dormitory Authority of shop drawings for any Commodity or a facility in which a Commodity is to be located, will not relieve the Contractor from responsibility for furnishing the same of a proper dimension, size, quantity and quality, to efficiently perform the work and carry out the requirements and intent of the layout or descriptive drawings forming part of the Contract Documents. Such approval shall not relieve the Contractor from responsibility for errors of any sort in the shop drawings. The Contractor will take actual measurements of the areas in which Commodities are to be located. If the shop drawings deviate, or are intended to deviate from the layout or descriptive drawings or Specifications or other Contract Documents, the Contractor shall advise the Dormitory Authority, in writing, at the time the shop drawings are submitted stating the difference in value between the Contract requirements and that denoted by said shop drawings.
4. Rough and shop drawings will be examined by the Dormitory Authority and, if necessary, will be returned to the Contractor for correction. After the corrections have been made, the Contractor shall resubmit to the Dormitory Authority as many copies as required for final approval.
5. All drawings and copies thereof shall become the property of the Dormitory Authority and such drawings shall not be used on any other project unless permitted in writing by the Authority.

ARTICLE V - DELIVERY

1. Delivery must be made as ordered and in accordance with the Contract Documents. Unless otherwise specified, delivery shall be made within thirty (30) days of receipt of Purchase Order by the Contractor. The decision of the Dormitory Authority as to reasonable compliance with delivery terms shall be final.
2. Delivery dates are approximate and reflect current construction schedules. Contractors are required prior to initiation of production to verify delivery schedules with the Dormitory Authority. Should a schedule change be necessary at that time the Contractor will be given a new schedule not to exceed six (6) months beyond the original delivery date, as shown on the Purchase Order and the Dormitory Authority shall incur no additional charges.

3. The Dormitory Authority will not schedule any deliveries for Saturdays, Sundays or legal holidays, unless mutually agreed to by the Contractor and the Dormitory Authority.
4. Commodities shall be securely and properly packed for shipment, storage and stocking in new shipping containers and according to accepted commercial practice, without extra charge for packing cases, baling or sacks. The container shall remain the property of the Dormitory Authority unless otherwise specified in the Contract Documents.
5. Point of Destination: All deliveries shall be unloaded at the location stated in the Contract Documents.
6. Commodities purchased at a price f.o.b. shipping point plus transportation charge are understood to be purchased on an f.o.b. point of destination basis. Title shall not pass until Commodities have been received and accepted at the destination.
7. Deliveries shall be accompanied by packing lists that conform to itemized listings provided on the Purchase Order.
8. When Commodities are rejected, they must be removed by the Contractor from the premises within five days of notification. Rejected items left longer than five days will be regarded as abandoned and the Dormitory Authority shall have the right to dispose of them as its own property.
9. Upon failure of the Contractor to deliver Commodities or services within the time specified or failure to make prompt replacement of rejected Commodities when so requested, the Dormitory Authority may arrange for those Commodities or services to be provided by other sources. On all such procurements the Contractor agrees to reimburse the Dormitory Authority promptly for costs in excess of the Contract cost. Should the cost be less than the Contract price, the Contractor shall have no claim to the difference. The Dormitory Authority may deduct such purchases from Contract quantity.

ARTICLE VI - CONTRACTS INVOLVING INSTALLATION

1. The Contractor shall clean up and remove all debris and rubbish resulting from their Work. Labor and materials (including any subcontracted labor or materials) shall be at the Contractor's expense. Upon completion of all Work the premises shall be left broom clean, except for carpeted areas, which shall be vacuumed leaving the buildings in good repair and order.
2. Commodities, tools or materials may be stored at the site only upon the approval of the Dormitory Authority and at the sole risk of the Contractor.
3. Work shall be performed so as to cause the least inconvenience and with proper consideration for the rights of other contractors. The Contractor shall coordinate and promptly perform the Work to meet the progress of the Project.
4. Installation shall include but not be limited to all Work necessary to move equipment into and within the building(s); also the removal and resetting of any removable windows or doors necessary for moving equipment into and within the building(s).
5. Bidders shall acquaint themselves with conditions at the site by on-site inspection and shall assume all responsibility and expense at all times for delivery, distribution, placement and installation in the areas designated.
6. All materials used in installation shall be of the highest quality and shall be free from all defects, which would mar the appearance of the Commodity or render it structurally unsound.
7. The Contractor shall furnish adequate protection from damage to all Work and to other Work on the premises and to the premises and shall be responsible for the repair or replacement of all such damage of any kind to the satisfaction of the Owner.

8. Any labor, materials or means whose employment, or utilization during the course of the Contract may tend to or in any way cause or result in strike, work stoppages, delays, suspension of work or similar troubles by workmen employed by the Contractor, its subcontractors or material suppliers, or by any of the trades working in or about the buildings and premises where work is being performed under this Contract, or by other Contractors, their subcontractors or material suppliers pursuant to other contracts shall not be allowed. Any violation by the Contractor of this requirement may in the sole judgment of the Owner be considered as proper and sufficient cause for declaring the Contractor to be in default, and for the Owner to take action against the Contractor as set forth in the General Conditions Article VIII entitled "Termination" or such other action as the Owner may deem proper.
9. The Contractor shall provide the appropriate insurance as set out in Article XIV.
10. Without invalidating the Contract, the Owner may order Extra Work or make changes by altering, adding to, or deducting from the Work, the Contract consideration being adjusted accordingly. No claims for Extra Work shall be allowed unless such Extra Work is ordered in writing by the Owner. No changes in the Work shall be made unless such Work is ordered in writing by the Owner or Owner's Representative. If the time for completion is affected by this change, the revised time for completion shall be included the change order. The Owner may order the Contractor to perform the Extra Work and proceed under the Dispute Article.
11. The amount by which the Contract consideration is to be increased or decreased by any change order may be determined by the Owner by one (1) or more of the following methods:

- A. By applying the applicable unit price or prices contained in the Contract.
- B. By estimating the fair and reasonable cost of the extra work:
- i. Labor, including all wages, required wage supplements and insurance required by law, paid to employees below the rank of superintendent directly employed at the Project. Wages are the prevailing rate of wages defined in the Contract Documents and supplemental updates.
 - ii. Premiums or taxes paid by the Contractor for worker's compensation insurance, unemployment insurance, FICA tax and other payroll taxes as required by law, net of actual and anticipated refunds and rebates.

In no case will the equipment rental cost exceed the purchase price of the equipment. Self-owned equipment is defined to include equipment rented from Contractor-controlled or loosely affiliated companies. It is the duty of the Contractor to utilize either rented or self-owned equipment that is of a nature and size appropriate for the Work to be performed. The Owner reserves the right to determine reasonable and appropriate equipment sizing, and at the Owner's discretion, it may adjust the costs allowed to reflect a smaller or less elaborate piece of equipment more suitable for performance of the extra Work.
- C. By determining the actual cost of the Extra Work in the same manner as in paragraph 11.B. of this section, except that the actual costs of the Contractor shall be used in lieu of estimated costs.

12. The Owner shall have the option of determining by which method the Contractor shall proceed with said Extra Work. Wages are the prevailing rate of wages defined in the Contract Documents and supplemental updates. The Contractor will submit a signed and notarized Labor Rate Worksheet(s) to the Owner to be used to determine hourly rates for various classifications of workers. The Contractor agrees to provide documentation verifying costs and calculations at the Owner's request.
13. Regardless of the method used by the Owner in determining the value of a change order, the Contractor shall, within the time-frame given by the Owner, submit to the Owner or Owner's Representative a detailed breakdown of the Contractor's estimate of the value of the omitted or Extra Work.
14. Unless otherwise specifically provided for in a change order, the compensation specified therein for Extra Work includes full payment for the Extra Work covered thereby, and the Contractor waives all rights to any other compensation for said Extra Work, damage or expense.
15. The Contractor shall furnish satisfactory bills, payrolls and vouchers covering all items of cost and when requested by the Owner shall give the Owner access to all accounts and records relating thereto, including records of subcontractors and material suppliers.
16. At the completion of the Project Work, the Owner will address increased bonding costs, if any, which may have resulted from Owner-issued changes in the Work, upon submission of satisfactory proof of Contractor's increased costs. The Owner will not pay overhead and profit on any increased costs for bonding.

The Owner will not pay overhead and profit on any increased costs for contractual liability insurance.

ARTICLE VII – PAYMENTS

2. In any case where a question of nonperformance of a Contract arises or any failure in any respect to conform to the Contract, payment may be withheld in whole or in part at the discretion of the Dormitory Authority. Should the amount withheld be finally paid, the Dormitory Authority may take a cash discount originally offered as if no delay in payment had occurred.
3. Any claim against a Contractor may be deducted by the Dormitory Authority from any money due the Contractor. If no deduction is made, the Contractor shall pay the Dormitory Authority the amount of such claim on demand. Submission of an invoice and payment thereof by the Dormitory Authority shall not preclude the Dormitory Authority from receiving upon demand a price adjustment in any case where the Commodities delivered are later found to deviate from the Specifications, Notice to Bidders or other Contract Documents. Any deliveries made which do not meet the requirements of the Specifications, Notice to Bidders or other Contract Documents may be rejected.
4. Owner's Right to Audit and Inspection of Records: The Contractor shall maintain and keep, for a period of at least six (6) years after the date of final payment, all records and other data relating to the Work, including records of Subcontractors and material suppliers. The Owner or the Owner's Representative shall have the right to inspect and audit all records and other data of the Contractor, Subcontractors and material suppliers relating to the Work.

5. Electronic Payments Program: The Dormitory Authority reserves the right to implement an electronic payment program (“Electronic Payment Program”) for all payments due to Contractor hereunder. Prior to implementing an Electronic Payment Program, the Dormitory Authority shall provide the Contractor written notice one hundred twenty days prior to the effective date of such Electronic Payment Program (“Electronic Payment Effective Date”). Commencing on or after the Electronic Payment Effective Date, all payments due hereunder by the Contractor shall only be rendered electronically, unless payment by paper check is expressly authorized by the Dormitory Authority. Commencing on or after the Electronic Payment Effective Date Contractor further acknowledges and agrees that the Dormitory Authority may withhold any request for payment hereunder, if the Contractor has not complied with the Dormitory Authority’s Policies and Procedures relating to its Electronic Payment Program in effect at such time, unless payment by paper check is expressly authorized by the Dormitory Authority.

ARTICLE VIII - TERMINATION

1. Termination for Cause: In the event that any provision of the Contract is violated by the Contractor, the Owner may serve written notice upon the Contractor, and upon the Contractor’s surety, if any, of the Owner’s intention to terminate the Contract, said notice shall contain the reasons for said intention to terminate the Contract upon a date specified by the Owner. If said violation or delay shall not cease or arrangements satisfactory to the Owner shall not be made, the Contract shall terminate upon the date so specified by the Owner. In the event of any said termination, the Owner may take over the Work and prosecute same to completion by Contract or otherwise for the account and at the expense of the Contractor, and the Contractor and Contractor’s surety shall be liable to the Owner for all costs occasioned the Owner thereby. In the event of said termination the Owner may take possession of and may utilize any Commodities, as may be on the premises and necessary or useful in completing the Work.

2. Termination for Convenience of Owner: The Owner, at any time, may terminate the Contract in whole or in part. Any said termination shall be effected by delivering to the Contractor a notice of termination specifying the extent to which performance of Work under the Contract is terminated and the date upon which said termination becomes effective. Upon receipt of the notice of termination, the Contractor shall act promptly to minimize the expenses resulting from said termination. The Owner shall pay the contractor the costs actually incurred by the Contractor up to the effective date of said termination, but in no event shall the Contractor be entitled to compensation in excess of the total consideration of the Contract. In the event of said termination the Owner may take over the Work and prosecute same to completion by Contract or otherwise and may take possession of and may utilize such Commodities as may be on the premises and necessary or useful in completing the Work.
3. Owner's Right to do Work: The Owner may, after notice to the Contractor, without terminating the Contract and without prejudice to any other right or remedy the Owner may have, perform or have performed by others all of the Work or any part thereof and may deduct the cost thereof from any moneys due or to become due the Contractor.
4. Suspension: The Owner shall have the right to suspend performance of the Contract in part or in whole, and any such action on its part shall in no event be deemed a breach of Contract, and if such action is not due to the fault of the Contractor, the Contractor shall be paid for services performed and expenses incurred prior to the date of such suspension, including any and all sums then due in accordance with the provisions of the Contract.

ARTICLE IX – LABOR LAW PROVISIONS
--

1. It is hereby agreed that all applicable provisions of the Labor Law of the State of New York shall be carried out in the performance of the Work.
2. The Contractor specifically agrees, as required by Labor Law Sections 220 and 220-d, that:

This Section 9 is not intended to create or give any rights to the Contractor or Subcontractors other than those that may be made available to the Contractor and Subcontractors under the terms of said policies. The Owner assumes no obligation to obtain insurance other than that evidenced by said policies and the Owner makes no representation or guarantee as to the effect and coverage under said policies. The Contractor and Subcontractors shall not violate, or permit to be violated, any term or condition of said policies and shall at all times satisfy the safety requirements of the Owner and of the insurance companies issuing the aforementioned policies.

10. Effect of Procurement of Insurance

Neither the procurement nor the maintenance of any type of insurance by the Owner, the Contractor, and the Construction Manager, shall in any way be construed or be deemed to limit, discharge, waive or release the Contractor from any of the obligations and risks accepted by the Contractor or to be a limitation on the nature or extent of said obligations and risks.

11. Contract Security

The Contractor shall furnish, upon request, a surety bond in an amount at least equal to one hundred percent (100%) of the contract price as security for the faithful performance of the Contract and also a labor and material payment bond in the form set forth in the Contract in an amount at least equal to one hundred percent (100%) of the contract price for the payment of all persons performing labor or providing materials in connection with the Work. The surety on said bond shall be a surety company rated B+ by A. M. Best and satisfactory to the Owner.

12. Additional or Substitute Bond

If at any time the Owner shall become dissatisfied with any surety or sureties upon the performance bond, or the labor and material payment bond, or if for any other reason said bonds shall cease to be adequate security to the Owner, the Contractor shall, within five (5) days after notice from the Owner to do so, substitute an acceptable bond or bonds in such form and sum and signed by such other surety or sureties as may be satisfactory to the Owner. The Contractor shall pay the premiums on said bond or bonds. No further payments shall be deemed due nor shall be made until the new surety or sureties shall have furnished an acceptable bond or bonds to the Owner.

Nothing in this warranty shall be construed to limit any rights or remedies otherwise available under this Contract.

ARTICLE XIX- AFFIRMATIVE ACTION FOR CONTRACTS

1. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Owner, to fully comply with and cooperate in the implementation of an Affirmative Action Plan designed to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for Minority/Women Business Enterprise (M/WBE) participation in the performance of the Work, in such form and substance as herein stated. The Contractor further agrees to incorporate all Affirmative Action provisions of the Contract in all subcontracts, regardless of tier.
2. The Contractor must submit to the Owner, and the prospective Subcontractors must submit to the Contractor, an Affirmative Action Plan which demonstrates its best efforts to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for MBE/WBE participation in the performance of the Work, in such form and substance as may be required by the Owner. A meeting to review these submissions may be scheduled by the Owner.
3. These Affirmative Action provisions shall be deemed supplementary to, and not in lieu of the nondiscrimination provisions required by N.Y.S. Labor Law or other applicable Federal, State or local laws.
4. In Accordance with Article 15A of the Executive Law and in conformance with the Regulations promulgated by the Minority and Women's Business Development Division of the New York State Department of Economic Development, the Contractor agrees to be bound by the following clauses. In any circumstances of uncertainty or conflict, the Regulations of the Minority and Women's Business Development Division supersede this information.
 - A. Utilization Plan; Waivers
 - i. The Contractor shall submit to the Owner a Utilization Plan on forms provided by the Owner within 72 hours of notification of being the low bidder or successful proposer. The Utilization Plan shall list all subcontractors and suppliers the Contractor intends to use on the Contract and indicate which ones are M/WBEs. The Utilization Plan shall be prepared to achieve the participation goals indicated in the Notice to Bidders or the Request for Proposal.

- ii. The Owner will review the Utilization Plan and will issue to the Contractor a written notice of acceptance or deficiency within twenty (20) days of its receipt. A notice of deficiency shall include (i) the name of any M/WBE which is not acceptable for the purpose of complying with the M/WBE participation goals and the reasons why it is not acceptable; (ii) elements of the Contract scope of work which the Owner has determined can be reasonably structured by the Contractor to increase the likelihood of participation in the Contract by M/WBEs; and (iii) other information which the Owner determines to be relevant to the Utilization Plan.
- iii. The Contractor shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Owner a written remedy in response to the notice of deficiency. If the submission of the written remedy is not timely or is found by the Owner to be inadequate, the Owner shall notify the Contractor and direct the Contractor to submit, within five (5) business days, a request for a partial or total waiver of M/WBE participation goals on forms provided by the Owner. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- iv. The Contractor who has made good faith efforts to obtain commitments from M/WBE subcontractors and suppliers prior to submitting its Utilization Plan may submit a request for waiver at the same time it submits its Utilization Plan. If a request for waiver is submitted with the Utilization Plan and is not accepted by the Owner at that time, the provisions of clauses 2) and 3), regarding the notice of deficiency and written remedy will apply. In this case, the Contractor may submit a second request for waiver as directed by the Owner.
- v. If the Contractor does not submit a Utilization Plan, remedy deficiencies in a Utilization Plan, submit a request for waiver, or if the Owner determines that the Utilization Plan does not indicate that the M/WBE participation goals will be met and/or that the Contractor has failed to document good faith efforts, the Owner may disqualify the Contractor as being not-responsible.
- vi. The Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its Utilization Plan, at least to the extent indicated in the Plan.

B. Administrative Hearing on Disqualification

- i. If the Owner disqualifies a bid for any of the reasons set forth in A.5) above, the Contractor shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by the Owner to review the determination of disqualification of the bid and determination of non-responsibility of the Contractor.
- ii. The hearing officer's determination shall be the final determination of the Owner. Such final administrative determination shall be reviewable by a proceeding brought pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is commenced within thirty (30) days of notice given by certified mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.

C. Good Faith Efforts

In order to show that it has made good faith efforts to comply with the M/WBE participation goals of this Contract, the Contractor shall submit such documentation as will enable the Owner to make a determination in accordance with the criteria set forth in Section 313 of the Executive Law and the Rules and Regulations promulgated thereunder.

D. Compliance Reports

The Contractor shall submit, and shall require subcontractors to submit, compliance reports on forms and at intervals established by the Owner. Reports not submitted at such times as required by the Owner shall be cause for the Owner to delay implementing scheduled payments to the Contractor.

E. Contractor's Failure to Meet M/WBE Participation Goals

- i. If the Contractor, after making good faith efforts, is unable to comply with a Contract's M/WBE participation goals, the Contractor may submit a request for a partial or total waiver on forms provided by the Owner documenting good faith efforts by the Contractor to meet such goals. If the documentation required with the request for waiver is complete, the Owner shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- ii. If the Owner, upon review of the Contractor's Utilization Plan and compliance reports, determines that the Contractor is failing or refusing to comply with the Contract's M/WBE participation goals, and no waiver has been issued in regards to such non-compliance, the Owner may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice to deficiency within seven (7) days of receipt. Such response may include a request for partial or total waiver of M/WBE participation goals.

F. Contractor and Owner Complaints; Arbitration

- i. Subsequent to the award of this Contract, if the Contractor submits a request for waiver of M/WBE participation goals and the Owner denies the request or fails to respond in any way within twenty (20) days of receiving it, or if the Contractor has received a written determination from the Owner that the Contractor is failing or refusing to comply with goals, the Contractor may file a complaint with the Director, Division of Minority and Women's Development in the Department of Economic Development ("Director"), according to the provisions of Section 316 of the Executive Law. The complaint must be filed within twenty (20) days of the Owner's receipt of the request for waiver, if the Owner has not responded in that time, or within twenty (20) days of a notification that the request has been denied by the Owner or within twenty (20) days of receipt of notification from the Owner that the Contractor is failing or refusing to comply with goals.
- ii. If the Contractor fails or refuses to comply with goals for participation by M/WBEs

as established by this Contract, the Owner may file a complaint with the Director

pursuant to Section 316 of the Executive Law.

- iii. A complaint shall set forth the facts and circumstances giving rise to the complaint together with a demand for relief.
- iv. The party filing a complaint, whether the Contractor or the Owner, shall deliver a copy to the other party. Both the complaint and the copy shall be delivered by either personal service or by certified mail, return receipt requested.
- v. Upon receipt of a complaint the Director shall provide the party against whom the complaint has been filed with an opportunity to respond to the complaint. If within thirty (30) days of receipt of the complaint the Director is unable to resolve the complaint to the satisfaction of the Owner and the Contractor, the complaint shall be referred to the American Arbitration Association for resolution pursuant to Section 316 of the Executive Law and the applicable requirements of Article 75 of the Civil Practice Law and Rules.
- vi. Upon conclusion of the arbitration proceeding, the arbitrator will submit to the Director his or her award regarding the alleged violation of the Contract or refusal of the Owner to grant a waiver request by the Contractor. The award of the arbitrator with respect to the alleged violation of the Contract or the refusal of the Owner to grant a waiver shall be final and may be vacated or modified only as provided by Article 75 of the Civil Practice Law and Rules.
- vii. Upon conclusion of the arbitration proceedings and the rendition of an award, the arbitrator will also recommend to the Director a remedy including, if appropriate, the imposition of sanctions, fines or penalties. The Director will either (i) adopt the recommendation of the arbitrator; (ii) determine that no sanctions, fines or penalties should be imposed; or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty.

- viii. The Director, within ten (10) days of receipt of the arbitrator's award and recommendations, will issue a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail, return receipt requested. The determination of the Director as to the imposition of fines, sanctions, or penalties shall be reviewable pursuant to Article 78 of the Civil Practice Law and Rules.
- ix. The determination of the Owner or the Contractor to proceed with a complaint shall not preclude the Owner, in its discretion, from pursuing any other remedies, which it may have pursuant to law and contract.

G. Subcontracts

The Contractor will include the provisions of paragraphs C. and F. above in every subcontract, in such manner that such provisions will be binding upon the subcontractor as to work in connection with this Contract.

- B. No claim for Extra Work shall be allowed unless the same was done pursuant to a written order of the Owner. The Contractor's failure to comply with any or all parts of this Article shall be deemed to be:
1. a conclusive and binding determination on the part of the Contractor that said order, Work, action or omission does not involve Extra Work and is not contrary to the terms and provisions of the Contract,
 2. a waiver by the Contractor of all claims for additional compensation or damages as a result of said order, Work, action or omission.

No claims for increased costs, charges, expenses or damages of any kind shall be made by the Contractor against the Owner for any delays or hindrances from any cause whatsoever; provided that the Owner, in the Owner's discretion, may compensate the Contractor for any said delays by extending the time for completion of the Work as specified in the Contract.

The Owner shall determine the validity of the Contractor's contention. Pending the decision of the Owner, the Contractor shall proceed in accordance with the original decision.
- B. Wherever it is required in the Contract that an application must be made to the Owner or a determination made by the Owner, the decision of the Owner on said application or the determination of the Owner under the Contract shall be final, conclusive and binding upon the Contractor unless the Contractor, within ten (10) working days after receiving notice of the Owner's decision or determination, files a written statement with the Owner that the Contractor reserves the Contractor's rights in connection with the matters covered by said decision or determination.

- C. Any Information representing the actual value of the work performed and materials supplied contained in the Claim that constitutes “a false representation”, as such term is defined in Article I, of the General Conditions, may subject the undersigned party to criminal charges, including New York State Penal Law Sections 175.35 (Offering a False Instrument for Filing) and 210.40 (False Statement) and/or Title 18 U.S.C. Sections 1001 (False and Fraudulent Statements) and/or Termination of the Contract for Cause.

ARTICLE XXIV – ASSIGNMENTS

The Contractor shall not assign the Contract in whole or in part without prior written consent of the Owner. If the Contractor assigns all or part of any moneys due or to become due under the Contract, the instrument of assignment shall contain a clause substantially to the effect that the Contractor and assignee agree that the assignee's right in and to any moneys due or to become due to the Contractor shall be subject to all prior claims for services rendered or materials supplied in connection with the performance of the Work. The Owner reserves the right to assign this Contract in whole or in part without the consent of the Contractor.
