

ADDENDUM NO.: 2

IFB or RFP NO.: 715

Description: Furnish and Deliver SonicWall
Firewalls

Project: DASNY Information Services

Bid Opening Date: Thursday, March 3, 2022 at
2:30PM

Specifics of the Addendum: Answer additional questions received during the RFI period.

1. Q: Are you looking to renew the licenses for the current equipment you already have?
A: No, we are looking to replace the equipment we have with new devices.
2. Q: Are you are looking for new equipment to replace what you have?
A: Yes. Please see Attachment B Detailed Specifications to the Notice and Information for Bidders for the specifications of the new equipment.
3. Q: Are you looking to trade in and send back the old equipment you already have and replace it with the new equipment?
A: No. Currently, we are not looking to trade in the equipment. We had assumed it would not have any value after we replace with new devices. If there is a residual value that can be obtained from trading in the equipment please incorporate that into your proposal.

All other terms and conditions of the original Invitation for Bids shall remain the same.
