

Construction Management Technical Advisor

Solicitation No. 7591

Questions & Answers

No.	Questions	DASNY Responses
1.	Do firms with NYS licensed architects and engineers staff qualify or does the firm need to be licensed?	Yes, firms with NYS licensed architects and engineers staff qualify.
2.	Do all submitting companies on a team need to have NYS licensed architects and engineers or solely the lead company?	Either company would be acceptable.
3.	Will certification of designs be required?	No
4.	The RFQ (Page 3) states that a copy of the certification page for the NYS Vendor Responsibility Questionnaire must be submitted to you. Should this be submitted to you as part of the Expression of Interest or as a separate attachment?	A copy of the certification page for the NYS Vendor Responsibility Questionnaire can be submitted as part of the EOI submission.
