**Hello, Can you tell me if this RFP is open to only professional A/E firms such as a PLLC or DPC? In other words can a LLC environmental firm be the prime and go after this RFP?
Thank You,**

This RFP is open to any firm that meets the qualification and certification requirements in the RFP.

Please reference Section 2 - Engagement Requirements, 2.2 Qualifications and Certification Requirements

I am trying to locate the scope of work for this RFP. The attachment titled 00 Finalized Asbestos Environmental RFP.pdf states the below:

Section 2 – Engagement Requirements:

2.1 Scope of Services

The scope of services to be provided for the contract is included within Chapter Two of the attached Sample Contract.

I do not see an attachment titled Sample Contract. Can you please advise where I may view this?

Please reference the Table of Contents, Attachments:

"a. Sample Contract (To be issued via Addendum)"

The date for the addendum, including the sample contract, has not yet been determined. It is anticipated that it will be issued imminently.
