At any time thereafter, if the Professional fails to initiate cure upon the request of the Owner and continue such cure until complete, the Owner may give notice to the Professional of immediate termination. If the Owner terminates this Term Contract for Professional Services pursuant to this section, and it is subsequently determined by a court of competent jurisdiction that the Professional was not in default, then in such event said termination shall be deemed a termination for convenience as set forth in Section 5.2 of this Chapter Three.

Section 5.2 – Termination for Convenience or Suspension of Project

The Owner may at any time give written notice to the Professional terminating this Term Contract for Professional Services or suspending the Project, in whole or in part, for the Owner's convenience and without cause. In no event shall the Professional be entitled to compensation in excess of the Professional Contract Price.

- 5.3.3 If this Term Contract for Professional Services is suspended less than four (4) months by the Owner pursuant to Section 5.2 of this Chapter Three, the Professional specifically agrees that such suspension, interruption or delay of the performance of the services pursuant to this item shall not increase the cost of the Professional Services.

The Professional shall also indemnify the Owner for breach of contract not related to professional services.

- 6.2.1 Upon the conclusion of any such action, proceeding or lawsuit, should a final binding determination of responsibility be made that allocates responsibility to the Owner, the Client or the Owner's related parties, the Owner agrees that the obligation to indemnify and hold harmless shall not be applicable to the portion of any uninsured money judgment for which the Owner is responsible, and the Owner agrees to pay the Professional the percentage of uninsured defense costs that the Professional incurred based upon an apportionment of the Owner's allocated responsibility.

**TERM CONTRACT FOR PROFESSIONAL SERVICES
CHAPTER THREE
GENERAL TERMS AND CONDITIONS**

If the Professional has reason to believe the use of a required design, process or product is an infringement of a patent, the Professional shall be responsible for such loss unless such information is promptly given to the Owner.

Section 6.4 – Non-Exclusivity of Owner's Remedies

The Owner's selection of one or more remedies for breach of this Term Contract for Professional Services shall not limit the Owner's right to invoke any other remedy available to the Owner under this Term Contract for Professional Services or by law.

The Owner is entitled to interest on all amounts due from the Professional that remain unpaid thirty (30) calendar days after the amount is deemed due, whether as a result of a resolution of a dispute or otherwise. Any such interest shall be calculated by the same method as set forth in Article 7 below.

- 7.4.3 Professional agrees that submission of its final invoice for payment more than one-hundred and eighty (180) days from completion of the last phase of assigned work is grounds for Owner to reject such final invoice and for Professional to waive any right to payment in connection with such final invoice.

Section 7.5 – Late Payment

Timeliness of payments and any interest to be paid to the Professional for late payment shall be governed by Section 2880 of the Public Authorities Law, to the extent required by law.

 - (iv) civil and/or criminal prosecution.

ARTICLE 8 – INSURANCE

Section 8.1 – General Provisions

- 8.1.1 The Professional and Subconsultants shall not violate, or permit to be violated, any term or condition of their insurance policies, and shall at all times satisfy the safety requirements of the Owner and of the insurance companies issuing such policies.
- 8.1.2 The Professional and Subconsultants shall maintain in force all insurance required to be procured by them under this Term Contract for Professional Services until issuance of the Notice of Physical Completion by the Owner except where this Term Contract for Professional Services requires an insurance policy to be maintained for a period beyond issuance of the Notice of Physical Completion in which case the Professional and Subconsultants shall maintain such insurance policy in force for the specified period beyond issuance of the Notice of Physical Completion.
- 8.1.3 All insurance required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall be procured from insurance companies licensed to do business in the State of New York by the NYS Department of Financial Services and rated at least A- by A.M. Best and Company, or meet such other requirements as are acceptable to the Owner in its sole and exclusive discretion.
- 8.1.4 All insurance policies required to be procured and maintained by the Professional

and Subconsultants under this Term Contract for Professional Services shall include a provision or endorsement that the policy shall not be canceled, materially changed, or not renewed without at least thirty (30) calendar days written notice to the Owner except for non-payment in which case notice to the Owner shall be provided as required by law.

- 8.1.5 All insurance policies required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall include a provision or endorsement that at least thirty (30) calendar days prior to the expiration of the policy, evidence from the carrier of renewal or replacement of the policy by the carrier, with terms and limits no less favorable than the expiring policy, or written notice from the carrier that the policy will not be renewed or replaced by the carrier, shall be delivered to the Owner.
- 8.1.6 All insurance policies required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall be written on an occurrence basis except where this Term Contract for Professional Services explicitly allows otherwise.
- 8.1.7 All insurance policies required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall include a provision or endorsement that the Owner and the Client(s) shall not be responsible for any claim expenses and loss payments within the deductible or the self-insured retention and that the Professional or Subconsultant shall be solely responsible for all claim expenses and loss payments within the deductible or self-insured retention. At any time this Term Contract for Professional Services requires the Professional or any Subconsultant to maintain an insurance policy, the Owner may require the Professional or any Subconsultant to provide proof, acceptable to the Owner in its sole discretion, that the Professional or Subconsultant has assets or security sufficient to satisfy all deductible or self-insured obligations under such insurance policy for which the Professional or Subconsultant may be liable under the claims pending or reasonably possible against the Professional or Subconsultant at the time the Owner requires the proof. A failure of the Professional or Subconsultant to provide such proof is a failure of the Professional or Subconsultant to maintain the insurance required by the Term Contract for Professional Services or to provide the Owner with evidence of valid and in-force insurance coverage required by the Term Contract for Professional Services.
- 8.1.8 All insurance policies required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall include a provision or endorsement that there shall be no right of subrogation against the Owner, Client(s), or Construction Manager. If any of the Professional's policies or any of the policies of any Subconsultant prohibit such a waiver of subrogation, the Professional or Subconsultant shall secure the necessary permission to grant this waiver of subrogation. Any and all such permission shall be confirmed by a manuscript endorsement to the relevant insurance policy or policies and a certified copy of the endorsement shall be provided to the Owner.
- 8.1.9 Each liability and protective liability insurance policy required to be procured and maintained by the Professional and Subconsultants under this Term Contract for Professional Services shall include a provision or endorsement that the coverage

afforded the Owner, Client(s) and Construction Manager (if applicable) under such policy shall be primary and non-contributory and that such policy shall be primary to any other insurance policy maintained by the Owner, by the Client(s) or by the Construction Manager (if applicable). Any other insurance policy maintained by the Owner, by the Client(s) or by the Construction Manager (if applicable) shall be in excess of and shall not contribute with the Professional's or Subconsultant's insurance policy, regardless of the "other insurance" clause contained in the Owner's, Client(s)'s or Construction Manager's (if applicable) own policy of insurance or the Professional's or Subconsultant's insurance policies.

- 8.1.10 Any Professional Contract Documents, including but not limited to the Request for Proposal, but excluding Change Orders, may require any of the Professional and Subconsultants to provide at its or their expense any other form or limit of insurance necessary to secure the interests of the Owner or Client(s).
- 8.1.11 Notwithstanding any other provision of the Term Contract for Professional Services, the Owner, in a Change Order or Contract Amendment, may require the Professional and any or all Subconsultants to provide, at the expense of the Owner, any other form or limit of insurance in addition to the insurance requirements of the original Term Contract for Professional Services necessary to secure the interests of the Owner, Client(s), or Construction Manager (if applicable).
- 8.1.12 Neither the procurement nor the maintenance of any type of insurance by the Owner, the Client(s), the Professional or the Construction Manager shall in any way be construed or deemed to limit, discharge, waive or release the Professional or any Subconsultant from any of the obligations or risks accepted by the Professional and Subconsultants or to be a limitation on the nature or extent of said obligations and risks or to be a limitation of any obligation to defend, indemnify, hold harmless and procure insurance for the Owner, Client(s) and Construction Manager.
- 8.1.13 All provisions of General Terms and Conditions Article 8— Insurance are to the fullest extent permitted by law. One purpose of this Term Contract for Professional Services is to allocate, to the fullest extent permitted by law, all risk of loss to the Professional, each Subconsultant, and the insurers of each. Each insurance company from which Owner or Client(s) has directly purchased an insurance policy is a third-party beneficiary of the Professional's and each Subconsultant's obligations to procure insurance.
- 8.1.14 Professional is responsible for ensuring that each Subconsultant obtains and maintains in the required amount each type of insurance policy required by this Term Contract for Professional Services and that such insurance policy provides the Owner, Client(s) and Construction Manager with the coverage required by this Term Contract for Professional Services.
- 8.1.15 Professional agrees and acknowledges that, because the Professional (and not the Owner or Client[s]) is responsible for performance of the duties and obligations set forth in this Term Contract for Professional Services for completion of the Project, the Professional, through the use of insurance, intends to allocate all losses to such insurance to protect itself and the Owner and Client(s).

In addition, the Professional shall provide copies of certificates of insurance to the Construction Manager, if applicable. Certificates of insurance of the Subconsultants, notwithstanding anything to the contrary contained on the Certificate of Insurance, when submitted to the Owner by the Professional, constitute a warranty by the Professional, the Subconsultant and the Subconsultant's insurance agent or broker, that the insurance coverage described is in effect for the policy term shown.

- 9.1.6 Except as provided herein, this Term Contract for Professional Services and each and every provision hereof and thereof is for the exclusive benefit of the Parties hereto and not for the benefit of any third party. Nothing in the Term Contract for Professional Services shall create or shall give to third parties any claim or right of action against the Owner, the State of New York, the Client, or any institution at which the work is being carried out beyond such as may legally exist irrespective of the Term Contract for Professional Services; however, it is understood that the Client is an intended third party beneficiary of the Term Contract for Professional Services for the purposes of recovering any damages caused by the Professional.

The Owner reserves the right to assign this Term Contract for Professional Services in whole or in part without the consent of the Professional. Unless otherwise agreed by the Parties hereto in a separate writing, no permitted assignment described in this section shall relieve the assigning Party from any of its obligations under this Term Contract for Professional Services. However, the assignee may be required by the assigning Party to agree to indemnify and hold harmless the assigning Party from some or all of its obligations under this Term Contract for Professional Services.

- 9.1.8 This Term Contract for Professional Services shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and permitted assignees.

The parties waive any right to assert the doctrine of forum *non conveniens*, and any final judgment may be enforced in other jurisdictions in any manner provided by law. The choice of jurisdiction described herein shall be mandatory and not permissive in nature, thereby precluding the possibility of litigation or trial in any jurisdiction other than that specified herein.
- 9.1.14 No action or proceeding shall be brought against the Owner in any location other than Albany County unless the Owner specifically consents, in writing, to a change of venue. The Professional expressly waives the right to a trial by jury in any action or proceeding brought against the Owner.
- 9.1.15 If the Professional obtains a judgment against the Owner in any action or proceeding, the Professional agrees to accept no more than three percent (3%) interest, per annum, on the amount of the judgment.

- 9.1.20 The Term Contract for Professional Services represents the entire and integrated agreement between the Owner and the Professional, and supersedes all prior negotiations, representations or agreements, either written or oral, for the Project. The Term Contract for Professional Services may be amended only by written instruments signed by both the Owner and the Professional and is subject to such reasonable modifications as may be required by the Owner's lender(s) or insurer(s), if any. - 9.1.21 The Owner may, at its sole and exclusive discretion, waive certain provisions of the Term Contract for Professional Services. Such waiver shall only be done by written instrument signed by a duly authorized officer of the Owner, and any such waiver shall apply solely in accordance with its terms and shall not act as a waiver of any provision of the Term Contract for Professional Services, or estoppel against the enforcement thereof, in connection with any subsequent or separate event involving the Project or other projects.
- 9.1.22 If any term or provision of the Term Contract for Professional Services or the application thereof to any natural person, partnership, limited liability company, corporation or other legal entity or circumstance shall, to any extent, be determined to be invalid or unenforceable, the remainder of the Term Contract for Professional Services, or the application of such terms or provisions to natural persons, partnerships, limited liability companies, corporations or other legal entities or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby and each term or provision of the Term Contract for Professional Services shall be valid and be enforced to the fullest extent permitted by law. It is the intent of the Owner and the Professional that all provisions of the Term Contract for Professional Services shall be construed to be valid under applicable law and shall be enforced to the maximum extent possible.
- 9.1.23 All provisions of this Term Contract for Professional Services that contain continuing obligations shall survive its expiration or termination.
- 9.1.24 Death of the Professional:
- (i) If the Professional is an individual and that Professional shall die prior to completed performance of this Term Contract for Professional Services, then the payment to the estate of the Professional, pursuant to this Term Contract for Professional Services, shall be made as if the Project or any part thereof had been suspended or altered on the date of the death of the Professional.

In addition, or alternatively, Professional may have submitted a request for a waiver. Professional shall update the SUMP as required to ensure all reported information is up to date.

Section 15.3 – Contract with No Goals
