Section 12 – Vendor Integrity and Executive Order 16

Vendor Responsibility:

As a public entity, DASNY may only contract with entities that are determined to be responsive and responsible and said entities are required to maintain responsibility throughout the term of the services being provided. Proposers shall submit a Vendor Responsibility Questionnaire ("VRQ") which is designed to provide information to assess a proposed vendor's responsibility to conduct business in New York State. All VRQs shall be reviewed in accordance with applicable law, policy, rules, regulations and guidelines, including without limitation Executive Order Nos. 125, 170.1 and 192.

DASNY requires vendors to file the VRQ online via the New York State VendRep System (the "System"). To enroll in and use the System, see the System Instructions at http://www.osc.state.ny.us/vendrep/vendor_index.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. Proposers must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for System assistance, contact the Office of the State Comptroller's ("OSC") Help Desk at 866-370-4672 or 518- 408-4672 or by email at ciohelpdesk@osc.state.ny.us.

Executive Order 16:

On March 17, 2022, Governor Kathy Hochul issued Executive Order No. 16 (EO 16), which states: “All Affected State Entities are directed to refrain from entering into any new contract or renewing any existing contract with an entity conducting business operations in Russia.” Pursuant to EO 16, the Proposer is required to certify that the Proposer is not an ‘entity conducting business operations in Russia.’ Please confirm by completing and signing the Omnibus Certification included in this RFP as an Attachment.

Section 13 – Freedom of Information Law and Public Disclosure:

This RFP and all information submitted in response to this RFP constitute “records” subject to disclosure pursuant to the New York State’s Freedom of Information Law (Public Officers Law, Article 6, § 84-90, the “FOIL Law” or “FOIL”). FOIL reaffirms the public’s right to know how government operates and requires that DASNY make its records available for public inspection or copying, except to the extent that records or portions thereof fall within one or more grounds for denial set forth in the §87(2) of the FOIL Law.

Should you feel your proposal contains any such trade secrets, other confidential or proprietary information or is otherwise exempt from disclosure pursuant to FOIL, you must submit a request to exclude such information from disclosure. Such request must be in writing, must detail the information that should be exempt from disclosure, and must state the reasons why such information should be excepted from disclosure. DASNY will not honor any attempt, by a proposer, to omit its entire proposal from disclosure.
